Item No: 29

## **County of Orange Report on Grant Applications/Awards**

*The Grants Report is a condensed list of grant requests by County Agencies/Departments that allows the Board of Supervisors to discuss and approve grant submittals in one motion at a Board meeting. County policy dictates that the Board of Supervisors must approve all grant applications prior to submittal to the grantor. This applies to grants of all amounts, as well as to new grants and those that have been received by the County for many years as part of an ongoing grant. Receipt of grants \$50,000 or less is delegated to the County Executive Officer. Grant awards greater than \$50,000 must be presented to the Board of Supervisors for receipt of funds. This report allows for better tracking of county grant requests, the success rate of our grants, and monitoring of County's grants activities. It also serves to inform Orange County's Sacramento and Washington, D.C. advocates of County grant activities involving the State or Federal Governments.*

On January 9, 2024, the Board of Supervisors will consider the following actions:

The California Department of Housing and Community Development (HCD) issued a Notice of Funding Availability for the Pet Assistance and Support (PAS) Program on February 25, 2022. The PAS Program provides funding to provide shelter, food, basic veterinary services, and staffing and liability insurance related to providing those services to qualified homeless shelters housing common household pets with their owners. The intent of the program is to reduce barriers for individuals experiencing homelessness with their pets. By making accommodations for pets, more owners who are experiencing homelessness would be inclined to obtain medical, as well as living assistance, and the conditions of their pets would improve.

On June 21, 2022, the Office of Care Coordination received an award announcement letter constituting notice of the designation of PAS program funds for the Yale Navigation Center. The State Standard Agreement 21-PAS-17260 will be provided within 90 days of the award letter for the Office of Care Coordination Director or designee to authorize and execute the contract with HCD.

Navigation Center in partnership with the Office of Care Coordination. This grant funding brings additional funding and resources to the operations of the Yale Navigation Center in support of individuals experiencing homelessness and their pets.

The Office of Care Coordination is submitting for an updated resolution as it was requested by HCD during their review of the bi-annual reporting submission. The updated resolution states the transition of the Office of Care Coordination from the OC Health Care Agency (HCA) to the County Executive Office (CEO) and delegates the Authority of the grant from the HCA director to the Director of the Office of Care Coordination or designee.

## CEO-Legislative Affairs Office Grant Authorization eForm

On September 25, 2023, HCD announced the release of the 2023 ESG Program Homelessness Prevention Notice of Funding Availability (NOFA) for the Continuum of Care with a minimum application amount of \$75,000 and a maximum application amount of \$200,000. This amount will fund only homelessness prevention eligible activities. The NOFA provides documentation requirements for AEs approved to administer 2023 ESG Program Homelessness Prevention funding. AEs are required to submit an authorizing resolution from the AE's Governing Board with the grant application. The NOFA and related instructions recommended applicants list an application amount to be at least double what is expected to receive as award amounts are frequently recalculated and are subject to change.

Applications, including the authorizing resolutions for the AE's Governing Board, will be reviewed by HCD until all funds are awarded. The County Executive Office (CEO) Office of Care Coordination will apply for this funding in response to the 2023 Homelessness Prevention NOFA. As such, CEO is asking the Board of Supervisors (Board) authorization to apply for the ESG Program Homelessness Prevention NOFA in the amount of \$400,000 and adopt the attached resolution to this grant application.

In 2021, a new California law called the "Racial Justice Act" (RJA) went into effect. The law is codified at Penal Code 745(a) and states, "The state shall not seek or obtain a criminal conviction or seek, obtain, or impose a sentence on the basis of race, ethnicity, or national origin." Notably, the RJA does not apply to cases in which sentencing occurred prior to January 1, 2021.

By September 2022, this limitation was addressed. The RJA was amended in AB 256, known as the "Racial Justice for All Act." AB 256 permits individuals who were sentenced for criminal convictions or juvenile adjudications prior to January 1, 2021, to seek relief for violations of the RJA. The amendments are to be implemented in phases between January 1, 2023 and January 1, 2026, as codified in PC 745(j).

The 2023-2024 Budget Act (SB 102) allocated local assistance funds to the Office of the State Public Defender to aid in the implementation of the Racial Justice for All Act. Funds may be "used for attorney's fees and salaries, experts, investigators, paralegals, or other ancillary needs" for representation in non-capital cases under 1473(f). The total available money statewide is \$1,950,000 and any one entity is limited to receiving no more than \$375,000 over the 24-month period of the grant.
