

## Contract Summary Form

Twining

### SUMMARY OF SIGNIFICANT CHANGES

Not Applicable

### SUBCONTRACTORS

This contract allows for subcontracting to be approved in writing by the COUNTY pursuant to section 12 within the contract amount for the term specified. Should the addition of a subcontractor impact the scope of work and/or contract amount, the department will bring the item back to the Board of Supervisors for approval.

**This contract includes the following subcontractors or pass through to other providers.**

Subcontractor Name	Service(s)	Amount
Kehoe Testing & Engineering	Cone Penetration Testing Services	Unknown at this time. The services to be provided are on an as needed/on-call basis.
Ensafe	Environmental, Engineering, Health & Safety	
Gregg Drilling	Drilling Services	
Geovision	Geophysical Services	

### CONTRACT OPERATING EXPENSES

The Agreements will be used to provide geotechnical engineering, materials testing, construction observation and inspection services for capital projects, to ensure that interruption to construction or operation of essential facilities is minimized. In addition, the scope of this Agreement includes services for emergency and miscellaneous projects that are anticipated but cannot be defined until the need occurs. These projects include new construction, maintenance, repair, and alteration throughout JWA. The Agreements are for services to be provided on an as needed/on-call basis. Requested services are subject to the Airport's approval with a not to exceed dollar amount for each task.

Indirect costs are unknown as department has not yet determined these costs for the project.
