

Contract Summary Form

Ninyo & Moore

SUMMARY OF SIGNIFICANT CHANGES

1. Term: Increased amount by \$660,000 for a new not-to-exceed agreement amount of \$1,650,000 and extend the term of the Agreement for two additional years through January 22, 2022.
2. Increase A-E hourly rates. Attachment C

SUBCONTRACTORS

This contract includes the following subcontractors or pass through to other providers.

This contract allows for subcontracting to be approved in writing by the COUNTY pursuant to section 10 within the contract amount for the term specified. Should the addition of a subcontractor impact the scope of work and/or contract amount, the department will bring the item back to the Board of Supervisors for approval.

CONTRACT OPERATING EXPENSES

The Agreements will be used to provide geotechnical engineering, materials testing, construction observation and inspection services for capital projects, to ensure that interruption to construction or operation of essential facilities is minimized. In addition, the scope of this Agreement includes services for emergency and miscellaneous projects that are anticipated but cannot be defined until the need occurs. These projects include new construction, maintenance, repair, and alteration throughout JWA. The Agreements are for services to be provided on an as needed/on-call basis. Requested services are subject to the Airport's approval with a not to exceed dollar amount for each task.

Indirect costs are unknown as department has not yet determined these costs for the project.
