Corporate Officer

*If the contracting Party is a corporation, (2) two signatures are required: one (1) signature by the Chairman of the Board, the President or any Vice President; and one (1) signature by the Secretary, any Assistant Secretary, the Chief Financial Officer or any Assistant Treasurer. The signature of one (1) person alone is sufficient to bind a corporation, as long as he or she holds corporate offices in each of the two (2) categories described above. For County purposes, proof of such dual office holding will be satisfied by having the individual sign the document twice, each time indicating his or her office that qualifies under the above described provision. In the alternative, a single corporate signature is acceptable when accompanied by a corporate resolution demonstrating the legal authority of the signator to bind the corporation.
