3. Other changes to the A/E's business organization, including but not limited to a revision in the A/E's legal entity name (i.e., name entered into the CONTRACT with the COUNTY), a change in federal tax identification number and/or notices of a merger, addition or replacement of the principals in the A/E firm, a change in ownership, implementation of a new business structure or organization, and any other similar changes should be communicated in writing to the OCSD Contract Administrator in a timely manner. Amendment of the A/E CONTRACT and/or Board of Supervisors approval may be required in some instances and failure to timely notify the COUNTY may result in a delay in payments to A/E.
4. Modifications affecting the CTO work such as the use of an added labor classification or subcontracted work not previously included in the CTO's Scope of Work; a revision in the CTO's previously approved schedule or stated deliverables; and, requests for additional reimbursables or substitution of designated labor classifications used in the CTO shall be submitted in writing to the OCPM. After approval, OCPM will notify A/E PM of required procedures and documentation before authorizing the A/E to proceed with the work.
5. Pursuant to Section 6.18 ("Changes") of this CONTRACT A/E shall make no changes in the Scope of Work, project schedule or required deliverables, nor perform any additional work, other than what was stipulated and agreed upon in the CTO unless there was written approval from COUNTY for such change(s). There shall be no compensation for unauthorized work and/or unauthorized changes in the CTO.

B. REIMBURSABLE ITEMS OF WORK

Reimbursable items of work include non-salary expense items that are deemed necessary for the work. A budgetary cost for reimbursables shall be submitted with each CTO. If A/E is

unsure whether or not an item is eligible for reimbursement, A/E shall discuss with OCPM prior to expensing the item. Potential reimbursable items not included in the CTO's Scope of Work or Fee Schedule shall be presented in advance of invoice submittal to OCPM with supporting documentation for review and approval.

Items Considered Reimbursable Direct Costs

All of the reimbursable items shall be discussed during the preparation of the CTO and agreed upon by A/E and OCPM for inclusion in the CTO at direct cost.

1. Identifiable postage/communication expense (large packages or express, overnight or next day mail when required or required by OCPM), other than for general correspondence required for the performance of the work.
2. Identifiable printing or reproduction services, commercial printing and binding, and similar costs that are not applicable to general overhead required for the performance of the work. A/E shall not automatically categorize these reproduction and printing charges as reimbursable costs. OCSD may determine that some reproduction expenses fall under the category of general overhead, in which case these costs shall not be included in the CTO. A/E shall submit estimated Schedule of Values for standard printing and reproduction costs to OCPM for comparison against OCSD's reproduction service vendor costs; the most cost-effective method of printing and reproduction shall be utilized. If the OCSD service vendor costs are deemed more cost effective, the A/E shall be required to coordinate all reproduction orders with the OCPM and OCSD service vendor. Reimbursement of pre-approved printing or reproduction costs shall be specified in the CTO. Supporting documentation such as receipts and paid invoices are required by the Auditor-Controller for Reimbursement of such expenses.
3. Third-party services directly applicable to the work, such as: specialized services which cannot be accomplished by A/E and by any of A/Es' listed subcontractors in Attachment C of this CONTRACT (i.e., corrosion engineering, electrical, mechanical, etc.), special accounting expenses, special consultants, outside laboratory charges, and similar costs that are not applicable to general overhead. A/E shall obtain approval from OCSD prior to considering third party services for reimbursement and shall submit the proper documentation required by OCSD for requesting the use of third-party services in the CTO. OCSD reserves the right to refuse the use of any specialized service that may be recommended by the A/E.

All work conducted by special consultants/contractors on behalf of A/E in Section 1.1 of this CONTRACT, shall be considered as part of the forty-nine percent (49%) allowable portion of this CONTRACT that can be accomplished by subconsultants.

4. Materials used for in-house testing, laboratory and field supplies.
5. Permit fees, application fees, and filing fees. Permit, filing and application fees shall be reimbursed at cost and therefore, not subject to any surcharge or additional service charge by the A/E.
6. Mileage and parking fees for field work and meetings outside Orange, Los Angeles, San Bernardino, Riverside and San Diego Counties. Requests for this reimbursable item of

work must be approved prior to the start of work and the A/E's incurrence of such costs. A/E or consultant's distance from project site or work location does not constitute a valid reason for any delay in performance.

7. All costs associated with "Reimbursable Items of Work," shall be considered as included in (not in addition to) the total CTO, excluding extra work, as specified in Section 1.5 "Extra Work" in this CONTRACT and no additional compensation will be allowed. All requests for additional reimbursable items that were not included in the approved CTO's Scope of Work or Fee Schedule breakdown shall be submitted to OCPM for approval prior to incurring the charges. After approval, OCPM will notify A/E PM of the required procedures and documentation before authorizing the A/E to proceed with using the item(s) in question in the CTO work. Documented approval of an added or substituted reimbursable item is required by the Auditor-Controller to process the submitted A/E's invoice for payment.

Payment to A/E shall be conditioned upon approval by the COUNTY and A/E providing an invoice with copies of the tickets, receipts, invoices or other proof of payment by A/E. A/E shall use the payment request template provided by the COUNTY for each approved CTO when submitting their invoice and supporting documents to the COUNTY. Payment to A/E for all Reimbursable Items of Work shall be per CTO.

#### Items Not Considered Reimbursable

The County reserves the right to refuse any work that it finds unacceptable and/or unauthorized at no charge.

1. Hotel and meal expenses for A/E employees during the course of working on the task order. (An exception may be made upon advance approval of the OCPM where the A-E employee home office is located outside of the counties of Orange, Los Angeles, San Bernardino, Riverside and San Diego. Where approval is granted, lodging and meals and incidentals shall not exceed per diem rates published by the U.S. General Services Administration. Only actual expenses will be reimbursed.)
2. Vehicle rental and equipment use rentals.
3. Mileage and other transportation costs such as airfare, train or bus tickets paid to attend meetings, seminars, training sessions, field/site observations and comparisons and/or conferences within the counties of Orange, Los Angeles, San Bernardino, Riverside and San Diego are considered part of general overhead and therefore, not reimbursable.
4. Computer Aided Drafting and Design, computerized engineering software, scheduling software, subsequent equipment operation related to the production of exhibits, reports, submittals and study documentation which shall be considered included in the cost of general overhead and included in the hourly personnel rates for the CTO.
5. General overhead costs such as accounting, computer rentals, and items generally required for the basic operations of daily business directly related to this project.
6. Standard plans, standard specifications, reference manuals, books, periodicals, or other written materials used to complete the CTO.

7. Use of local telephone, FAX, email, cloud-based systems and internet.
8. Any costs other than those explicitly authorized in this Attachment A above, unless written approval has been obtained in advance from the OCPM.

C. INVOICES

1. Payments to A/E invoiced on a monthly basis shall not exceed the total authorized CTO amount. A/E monthly invoices shall be subject to OCSD approval in accordance with progress of work, deliverables submitted, and tasks completed based on the approved updated Project Schedule.
2. A/E invoices shall be prepared using the latest OCSD Facilities Planning Architect-Engineer Progress Payment Request Template, certifying that the work has been completed as shown therein and that payment is therefore requested. The fully completed template will serve as the A/E's invoice and shall be submitted to OCPM.
3. For time and material work, as well as for lump sum work, A/E shall use the payment request template provided by the OCSD/Facilities Planning for the specific CTO and submit the filled-in form with their backup documents which include receipts for any reimbursable items. For time and materials work, backup documents shall include, the amount of time spent on each task by staff title, hourly rate charged and costs totaled for each staff member, etc., and receipts for any reimbursable items.

Labor classification and associated hourly rate charged shall be as indicated on the approved CTO fee schedule. All labor classifications and hourly fees included on the CTO shall reflect those listed in Attachment B (Fee Schedule) of the A/E's Board-approved on-call CONTRACT. A/E shall submit a written request to include a new staff title with its hourly rate in the CTO if such classification is not part of the Board-approved CONTRACT Attachment B (Fee Schedule) and in order for consideration and approval by the COUNTY. In some instances, this may require further approval by the COUNTY Board of Supervisors.

4. A/E shall also show on the invoice a complete accounting for reimbursable items as described above in Section II. All reimbursable items shall be invoiced and paid for at actual costs. A/E is responsible for providing OCSD with an acceptable invoice. The A/E will provide an invoice on the A/E's letterhead. An invoice determined not to be a proper invoice suitable for payment will be returned to A/E for correction, with a statement setting forth the reasons for rejection.

D. DELIVERABLE ITEMS OF WORK

Deliverable items of work may include engineering reports, concept plans, construction documents (plans, specifications & cost estimate), presentations, graphic renderings of concepts, plans, sections and details, sample boards of materials, colors and finishes used for construction, construction inspection, environmental documents, regulatory permits and contract administration/ contract management services.

Deliverable items of work for each CTO shall be per the CTO as mutually agreed upon. Format (e.g. correspondence, text, graphics, PS&Es, CAD standards) for deliverables shall be per the CTO. The minimum requirements for word processing, spreadsheet and PowerPoint

documents shall be compatible with OCSD's standards, i.e., MS Office, for project schedule shall be MS Project and CAD plans shall be AutoCAD (latest software versions). All deliverables shall also be provided in hard copy, e-copy (via selected software) and Adobe PDF format.

E. ITEMS PROVIDED BY COUNTY
