31 approved by the Board of Supervisors.

20 8. To the extent services are terminated, cancel outstanding commitments covering the  
21 procurement of materials, supplies, equipment, and miscellaneous items, as well as outstanding  
22 commitments which relate to personal services. With respect to these canceled commitments,  
23 CONTRACTOR shall submit a written plan for settlement of all outstanding liabilities and all claims  
24 arising out of such cancellation of commitment which shall be subject to written approval of  
25 ADMINISTRATOR.

5. Client means any individual, referred or enrolled, for services under the Agreement who is living with mental, emotional, or behavioral disorders.

6. Crisis Intervention means a service, lasting less than twenty-four (24) hours that is provided to or on the behalf of a Client for a condition that requires more timely response than a regularly scheduled visit. 6 abuse research has strongly indicated that a Client with co-occurring disorder needs treatment for both  
7 problems to recover fully and focusing on one does not ensure the other will go away. Dual diagnosis

9 substance abuse in one setting and at the same time.

10 e. ICC Service means assessment and plan development services, to children and youth  
11 that qualify under the Katie A. Subclass, that must address the child/youth's mental health need(s)

15 Cal/EPSDT children and youth who may benefit from medically necessary intensive services regardless

21 treatment plan. IHBS only includes Individual Rehabilitation and Collateral services. Mental Health  
22 Services other than Individual Rehabilitation and Collateral will be claimed separately from IHBS.  
23 IHBS is also a service available to all Medi-Cal/EPSDT children and youth who may benefit from

32 from Clients prior to providing medication education and plan development related to the delivery of  
33 these services and/or assessment to Clients.

7 reduce or eliminate targeted behaviors as identified in the Client's treatment plan. Collateral services are  
8 also provided to parent(s)/guardian(s) as part of TBS. Clients must be Medi-Cal eligible and meet TBS  
9 class membership and service need requirements. Documentation in the medical record must support  
10 Medical Necessity for these intensive services. Cases in which Clients are receiving more than twenty  
11 (20) hours per week of TBS or those who are expected to receive more than four months (120 days) of  
12 TBS must be approved by ADMINISTRATOR. ADMINISTRATOR has to approve individuals that are  
13 delivering these intervention services to ensure they are qualified to deliver these services.

14 k. Therapy means a therapeutic intervention that focuses primarily on symptom reduction  
15 as a means to improve functional impairments. Therapy may be delivered to a Client or a group of  
16 Clients, which may include family therapy with Client being present.

23 structured and trusting relationship over a prolonged period of time between a Client and a mentor. The  
24 mentor is a peer or older individual who provides one-to-one contact and support in the following areas  
25 to assist Client(s)/parent(s)/guardian(s): consistent support, guidance, and coaching in life skills;  
26 concrete help and/or other relationship-building activities to the Client(s)/parent(s)/guardian(s); and  
27 linking the Client(s)/parent(s)/guardian(s) to other services within the COUNTY and contract operated  
28 programs.

29 24. Needs and Services Plan means the documentation of the child/youth's specific behavioral  
30 goals (including transition goals) and mental health services provided by the STRTP in consultation with  
31 the CFT as required by Section 87068.2 of Title 22 of the California Code of Regulations.

32 25. NPI means the standard unique health identifier that was adopted by the Secretary of HHS  
33 under HIPAA of 1996 for health care providers. All HIPAA covered healthcare providers, individuals,  
34 and organizations must obtain an NPI for use to identify themselves in HIPAA standard transactions.  
35 The NPI is assigned for life.
