General Terms and Conditions:

- A. **Governing Law and Venue:** This Contract has been negotiated and executed in the State of California and shall be governed by and construed under the laws of the State of California. In the event of any legal action to enforce or interpret this Contract, the sole and exclusive venue shall be a court of competent jurisdiction located in Orange County, California, and the Parties hereto agree to and do hereby submit to the jurisdiction of such court, notwithstanding Code of Civil Procedure Section 394. Furthermore, the Parties specifically agree to waive any and all rights to request that an action be transferred for adjudication to another county.
- B. **Entire Contract:** This Contract contains the entire Contract between the Parties with respect to the matters herein, and there are no restrictions, promises, warranties or undertakings other than those set forth herein or referred to herein. No exceptions, alternatives, substitutes or revisions are valid or binding on County unless authorized by County in writing. Electronic acceptance of any additional terms, conditions or supplemental Contracts by any County employee or agent, including but not limited to installers of software, shall not be valid or binding on County unless accepted in writing by the County designated Contract Administrator.
- C. **Amendments:** No alteration or variation of the terms of this Contract shall be valid unless made in writing and signed by the Parties; no oral understanding or agreement not incorporated herein shall be binding on either of the Parties; and no exceptions, alternatives, substitutes or revisions are valid or binding on County unless authorized by County in writing.
- D. **Taxes: Intentionally left blank**
- E. **Delivery:** Time of delivery of goods or services is of the essence in this Contract. County reserves the right to refuse any goods or services and to cancel all or any part of the goods not conforming to applicable specifications, drawings, samples or descriptions or services that do not conform to the prescribed scope of services. Acceptance of any part of the order for goods shall not bind County to accept future shipments nor deprive it of the right to return goods already accepted at Subrecipient's expense. Over shipments and under shipments of goods shall be only as agreed to in writing by County. Delivery shall not be deemed to be complete until all goods or services have actually been received and accepted in writing by County.
- F. **Acceptance/Payment:** Unless otherwise agreed to in writing by County, 1) acceptance shall not be deemed complete unless in writing and until all the goods/services have actually been received, inspected, and tested to the satisfaction of County, and 2) payment shall be made in arrears after satisfactory acceptance.
- G. **Warranty:** Subrecipient expressly warrants that the services covered by this Contract are fit for the particular purpose for which they are intended. Acceptance of this order shall constitute an agreement upon Subrecipient's part to indemnify, defend and hold County and County Indemnitees as identified in Paragraph Z below, harmless from liability, loss, damage and expense, including reasonable counsel fees, incurred or sustained by County by reason of the failure of the services to conform to such warranties, faulty work performance, negligent or unlawful acts, and non-compliance with any applicable state or federal codes, ordinances, orders,

or statutes, including the Occupational Safety and Health Act (OSHA) and the California Industrial Safety Act. Such remedies shall be in addition to any other remedies provided by law.

- H. **Patent/Copyright Materials/Proprietary Infringement:** Unless otherwise expressly provided in this Contract, Subrecipient shall be solely responsible for clearing the right to use any patented or copyrighted materials in the performance of this Contract. Subrecipient warrants that any software as modified through services provided hereunder will not infringe upon or violate any patent, proprietary right, or trade secret right of any third party. Subrecipient agrees that, in accordance with the more specific requirement contained in Paragraph Z below, it shall indemnify, defend and hold County and County Indemnitees harmless from any and all such claims and be responsible for payment of all costs, damages, penalties and expenses related to or arising from such claim(s), including, costs and expenses but not including attorney's fees.
- I. **Assignment:** The terms, covenants, and conditions contained herein shall apply to and bind the heirs, successors, executors, administrators and assigns of the Parties. Furthermore, neither the performance of this Contract nor any portion thereof may be assigned by Subrecipient without the express written consent of County. Any attempt by Subrecipient to assign the performance or any portion thereof of this Contract without the express written consent of County shall be invalid and shall constitute a breach of this Contract.
- J. **Non-Discrimination:** In the performance of this Contract, Subrecipient agrees that it will comply with the requirements of Section 1735 of the California Labor Code and not engage nor permit any subcontractors to engage in discrimination in employment of persons because of the race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, or sex of such persons. Subrecipient acknowledges that a violation of this provision shall subject Subrecipient to penalties pursuant to Section 1741 of the California Labor Code.
- K. **Termination:** In addition to any other remedies or rights it may have by law, County has the right to immediately terminate this Contract without penalty, cost, expense or liability of any kind (1) for cause ("Termination for Cause", as defined below), or (2) after 30 days' written notice without cause. Exercise by County of its right to terminate the Contract for cause or without cause shall relieve County of all further compensation, obligation, cost, expense or liability of any kind.
1. Termination for Cause. Termination for Cause shall mean the County's termination of the Contract in the event of:
 - i. A violation of the law or failure to comply in a timely manner with any condition of this Contract;
 - ii. Inadequate program performance;
 - iii. Failure to comply with reporting requirements;
 - iv. Evidence that Subrecipient is in such an unsatisfactory financial condition, as determined by County, as to endanger performance of this Contract, including the loss of other funding sources;
 - v. Delinquency in payment of taxes or the costs of performance of this Contract in the ordinary course of business;

- vi. Appointment of a trustee, receiver or liquidator for all or a substantial part of Subrecipient's property, or institution of bankruptcy, reorganization, arrangement of liquidation proceedings by or against Subrecipient;
 - vii. Service of any writ of attachment, levy of execution, or commencement of garnishment proceedings against Subrecipient's assets or income;
 - viii. Bankruptcy proceedings of Subrecipient;
 - ix. Finding of Subrecipient's debarment or suspension;
 - x. Material change in Subrecipient's organizational structure;
 - xi. Any breach of the Contract by Subrecipient; and
 - xii. Any misrepresentation, or fraud on the part of the Subrecipient.
2. **Cost to Cover.** In the event of any termination of the Contract, County may proceed with the services for which this Contract provides in any manner deemed proper by County. The cost to County of completing the services for which this Contract provides shall be deducted from any sums due Subrecipient under this Contract but Subrecipient shall not be relieved of liability. Notwithstanding the above, Subrecipient shall not be relieved of liability to County for damages sustained by County by virtue of any breach of this Contract by Subrecipient, and County may withhold any payments to Subrecipient until such time as the exact amount of damages due County from Subrecipient is determined.
3. **Return of funds.** Subrecipient agrees that upon expiration or notice of termination of this Contract or dissolution of Subrecipient's entity, Subrecipient shall, immediately upon written demand, return to County all funds paid to Subrecipient by County, which are not payable for goods or services delivered prior to the termination or expiration of this Contract or the dissolution of Subrecipient's entity.

Nothing in this Paragraph K shall preclude the County from exercising its termination rights as set forth in Paragraph BB or under any other provision in the Contract.

- L. **Consent to Breach Not Waiver:** No term or provision of this Contract shall be deemed waived and no breach excused, unless such waiver or consent shall be in writing and signed by the party claimed to have waived or consented. Any consent by any party to, or waiver of, a breach by the other, whether express or implied, shall not constitute consent to, waiver of, or excuse for any other different or subsequent breach.
- M. **Independent Contractor:** Subrecipient shall be considered an independent contractor and neither Subrecipient, its employees, nor anyone working under Subrecipient shall be considered an agent or an employee of County. Neither Subrecipient, its employees nor anyone working under Subrecipient shall qualify for workers' compensation or other fringe benefits of any kind through County.
- N. **Performance Warranty:** Subrecipient warrants all work under this Contract and shall take necessary steps and precautions to perform the work to County's satisfaction. Subrecipient shall be responsible for the professional quality, technical assurance, timely completion and coordination of all documentation and other goods/services furnished by the Subrecipient under this Contract. Subrecipient shall perform all work diligently, carefully, and in a good and workmanlike manner; shall furnish all necessary labor, supervision, machinery, equipment,

materials, and supplies, shall at its sole expense obtain and maintain all permits and licenses required by public authorities, including those of County required in its governmental capacity, in connection with performance of the work. If permitted to subcontract, Subrecipient shall be fully responsible for all work performed by subcontractors.

O. Insurance Requirements:

Prior to the provision of services under this Contract, the Subrecipient agrees to purchase all required insurance at Subrecipient's expense, including all endorsements required herein, necessary to satisfy the County that the insurance provisions of this Contract have been complied with. Subrecipient agrees to keep such insurance coverage, Certificates of Insurance, and endorsements on deposit with the County during the entire term of this Contract. In addition, all subcontractors performing work on behalf of Subrecipient pursuant to this Contract shall obtain insurance subject to the same terms and conditions as set forth herein for Subrecipient.

Subrecipient shall ensure that all subcontractors performing work on behalf of Subrecipient pursuant to this Contract shall be covered under Subrecipient's insurance as an Additional Insured or maintain insurance subject to the same terms and conditions as set forth herein for Subrecipient. Subrecipient shall not allow subcontractors to work if subcontractors have less than the level of coverage required by County from Subrecipient under this Contract. It is the obligation of Subrecipient to provide notice of the insurance requirements to every subcontractor and to receive proof of insurance prior to allowing any subcontractor to begin work. Such proof of insurance must be maintained by Subrecipient through the entirety of this Contract for inspection by County representative(s) at any reasonable time.

All self-insured retentions (SIRs) shall be clearly stated on the Certificate of Insurance. Any self-insured retention (SIR) in an amount in excess of Fifty Thousand Dollars (\$50,000) shall specifically be approved by the County's Risk Manager, or designee, upon review of Subrecipient's current audited financial report. If Subrecipient's SIR is approved, Subrecipient, in addition to, and without limitation of, any other indemnity provision(s) in this Contract, agrees to all of the following:

- 1) In addition to the duty to indemnify and hold the County harmless against any and all liability, claim, demand or suit resulting from Subrecipient's, its agents, employee's or subcontractor's performance of this Contract, Subrecipient shall defend the County at its sole cost and expense with counsel approved by County Board of supervisors against same; and
- 2) Subrecipient's duty to defend, as stated above, shall be absolute and irrespective of any duty to indemnify or hold harmless; and
- 3) The provisions of California Civil Code Section 2860 shall apply to any and all actions to which the duty to defend stated above applies, and the Subrecipient's SIR provision shall be interpreted as though the Subrecipient was an insurer and the County was the insured.

If the Subrecipient fails to maintain insurance acceptable to the County for the full term of this Contract, the County may terminate this Contract.

The policy or policies of insurance must be issued by an insurer with a minimum rating of A- (Secure A.M. Failure to provide written notice of cancellation may constitute a material breach of the Contract, upon which the County may suspend or terminate this Contract.

If Subrecipient's Professional Liability and Network Security & Privacy Liability are "Claims-Made" policy(ies), Subrecipient shall agree to maintain coverage for two (2) years following the completion of the Contract.

The Commercial General Liability policy shall contain a severability of interests clause also known as a "separation of insureds" clause (standard in the ISO CG 0001 policy).

Insurance certificates should be forwarded to the agency/department address listed on the solicitation.

If the Subrecipient fails to provide the insurance certificates and endorsements within seven (7) days of notification by the Contract Administrator, award may be made to the next qualified vendor.

County expressly retains the right to require Subrecipient to increase or decrease insurance of any of the above insurance types throughout the term of this Contract. Any increase or decrease in insurance will be as deemed by County of Orange Risk Manager as appropriate to adequately protect County.

County shall notify Subrecipient in writing of changes in the insurance requirements. If Subrecipient does not deposit copies of acceptable Certificates of Insurance and endorsements with County incorporating such changes within thirty (30) days of receipt of such notice, this Contract may be in breach without further notice to Subrecipient, and County shall be entitled to all legal remedies.

The procuring of such required policy or policies of insurance shall not be construed to limit Subrecipient's liability hereunder nor to fulfill the indemnification provisions and requirements of this Contract, nor act in any way to reduce the policy coverage and limits available from the insurer.

- P. **Changes:** Subrecipient shall make no changes in the work or perform any additional work without the County's specific written approval.
- Q. **Change of Ownership/Name, Litigation Status, Conflicts with County Interest:** Subrecipient agrees that if there is a change or transfer in ownership of Subrecipient's business prior to completion of this Contract, and the County agrees to an assignment of the Contract, the new owners shall be required under terms of sale or other instruments of transfer to assume Subrecipient's duties and obligations contained in this Contract and complete them to the satisfaction of the County.

County reserves the right to immediately terminate the Contract in the event the County determines that the assignee is not qualified or is otherwise unacceptable to the County for the provision of services under this Contract.

In addition, Subrecipient has the duty to notify the County in writing of any change in the Subrecipient's status with respect to name changes that do not require an assignment of the Contract. The Subrecipient is also obligated to notify the County in writing if the Subrecipient becomes a party to any litigation against the County, or a party to litigation that may reasonably affect the Subrecipient's performance under the Contract, as well as any potential conflicts of interest between Subrecipient and County that may arise prior to or during the period of Contract performance. While Subrecipient will be required to provide this information without prompting from the County any time there is a change in Subrecipient's name, conflict of interest or litigation status, Subrecipient must also provide an update to the County of its status in these areas whenever requested by the County.

The Subrecipient shall exercise reasonable care and diligence to prevent any actions or conditions that could result in a conflict with County interests. In addition to the Subrecipient, this obligation shall apply to the Subrecipient's employees, agents, and subcontractors associated with the provision of goods and services provided under this Contract. The Subrecipient's efforts shall include, but not be limited to establishing rules and procedures preventing its employees, agents, and subcontractors from providing or offering gifts, entertainment, payments,

loans or other considerations which could be deemed to influence or appear to influence County staff or elected officers in the performance of their duties.

- R. **Force Majeure:** Subrecipient shall not be assessed with liquidated damages or unsatisfactory performance penalties during any delay beyond the time named for the performance of this Contract caused by any act of God, war, civil disorder, employment strike or other cause beyond its reasonable control, provided Subrecipient gives written notice of the cause of the delay to County within 36 hours of the start of the delay and Subrecipient avails himself of any available remedies.
- S. **Confidentiality:** Subrecipient agrees to maintain the confidentiality of all County and County-related records and information pursuant to all statutory laws relating to privacy and confidentiality that currently exist or exist at any time during the term of this Contract. All such records and information shall be considered confidential and kept confidential by Subrecipient and Subrecipient's staff, agents and employees.
- T. **Compliance with Laws:** Subrecipient represents and warrants that services to be provided under this Contract shall fully comply, at Subrecipient's expense, with all standards, laws, statutes, restrictions, ordinances, requirements, and regulations, including, but not limited to those issued by County in its governmental capacity, the laws, regulations, and requirements set forth in of this Contract, and all other laws applicable to the services at the time services are provided to and accepted by County (collectively "laws"). Subrecipient acknowledges that County is relying on Subrecipient to ensure such compliance, and pursuant to the requirements of Paragraph Z below, Subrecipient agrees that it shall defend, indemnify and hold County and County Indemnitees harmless from all liability, damages, costs and expenses arising from or related to a violation of such laws.
- U. **Freight: Intentionally left blank**
- V. **Severability:** If any term, covenant, condition or provision of this Contract is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remainder of the provisions hereof shall remain in full force and effect and shall in no way be affected, impaired or invalidated thereby.
- W. **Attorney Fees:** In any action or proceeding to enforce or interpret any provision of this Contract, each party shall bear their own attorney's fees, costs and expenses.
- X. **Interpretation:** This Contract has been negotiated at arm's length and between persons sophisticated and knowledgeable in the matters dealt with in this Contract. In addition, each party had been represented by experienced and knowledgeable independent legal counsel of their own choosing or has knowingly declined to seek such counsel despite being encouraged and given the opportunity to do so. Each party further acknowledges that they have not been influenced to any extent whatsoever in executing this Contract by any other party hereto or by any person representing them, or both. Accordingly, any rule or law (including California Civil Code Section 1654) or legal decision that would require interpretation of any ambiguities in this Contract against the party that has drafted it is not applicable and is waived. The provisions of this Contract shall be interpreted in a reasonable manner to affect the purpose of the Parties and this Contract.

- Y. **Employee Eligibility Verification:** The Subrecipient warrants that it fully complies with all Federal and State statutes and regulations regarding the employment of aliens and others and that all its employees performing work under this Contract meet the citizenship or alien status requirement set forth in Federal statutes and regulations. The Subrecipient shall obtain, from all employees performing work hereunder, all verification and other documentation of employment eligibility status required by Federal or State statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986, 8 U.S.C. §1324 et seq., as they currently exist and as they may be hereafter amended. The Subrecipient shall retain all such documentation for all covered employees for the period prescribed by the law. The Subrecipient shall indemnify, defend with counsel approved in writing by County, and hold harmless, the County, and its County Indemnitees, its agents, officers, and employees from employer sanctions and any other liability which may be assessed against the Subrecipient or the County or County Indemnitees, any combination of the three in connection with any alleged violation of any Federal or State statutes or regulations pertaining to the eligibility for employment of any persons performing work under this Contract.
- Z. **Indemnification:** Subrecipient agrees to indemnify, defend with counsel approved in writing by County, and hold County, its elected and appointed officials, officers, employees, agents and those special districts and agencies which County's Board of Supervisors acts as the governing Board ("County Indemnitees") harmless from any claims, demands or liability of any kind or nature, including but not limited to personal injury or property damage, arising from or related to the services, products or other performance provided by Subrecipient, its agents, employees, affiliates or subcontractors, pursuant to this Contract. If judgment is entered against Subrecipient and County by a court of competent jurisdiction because of the concurrent active negligence of County or County Indemnitees, Subrecipient and County agree that liability will be apportioned as determined by the court. Neither party shall request a jury apportionment.
- AA. **Audits/Inspections:** Subrecipient agrees to permit the County's Auditor-Controller or the Auditor-Controller's authorized representative (including auditors from a private auditing firm hired by the County) access during normal working hours to all books, accounts, records, reports, files, financial records, supporting documentation, including payroll and accounts payable/receivable records, and other papers or property of Subrecipient for the purpose of auditing or inspecting any aspect of performance under this Contract. The inspection and/or audit will be confined to those matters connected with the performance of the Contract including, but not limited to, the costs of administering the Contract. The County will provide reasonable notice of such an audit or inspection.

The County reserves the right to audit and verify the Subrecipient's records before final payment is made.

Subrecipient agrees to maintain such records for possible audit for a minimum of three (3) years after final payment, unless a longer period of records retention is stipulated under this Contract or by law. Subrecipient agrees to allow interviews of any employees or others who might reasonably have information related to such records. Further, Subrecipient agrees to include a similar right to the County to audit records and interview staff of any subcontractor related to performance of this Contract.

Should the Subrecipient cease to exist as a legal entity, the Subrecipient's records pertaining to this Contract shall be forwarded to the County's Project Manager.

- BB. Such changes shall be agreed to in writing and incorporated into a Contract amendment. Said amendment shall be issued by the County-assigned Contract Administrator, shall require the

Any failure by the Subrecipient to do so will not relieve Subrecipient from responsibility for successfully performing the work without additional cost to the County. The County assumes no responsibility for any understanding or representations concerning the nature, location(s) or general conditions made by any of its officers or agents prior to the execution of this Contract, unless such understanding or representations by the County are expressly stated in this Contract.

The Subrecipient’s Project Manager, in consultation and agreement with the County, shall be assigned to this project for the duration of the Contract and shall diligently pursue all work and services to meet the project time lines. The County’s Project Manager, in consultation and agreement with the Administrator, shall have the right to require the removal and replacement of the Subrecipient’s Project Manager from providing services to the County under this Contract. The County’s Project Manager shall notify the Subrecipient in writing of such action. The Subrecipient shall accomplish the removal within five (5) business days after written notice by the County’s Project Manager. The County’s Project Manager shall review and approve the appointment of the replacement for the Subrecipient’s Project Manager. The County is not required to provide any additional information, reason or rationale in the event it requires the removal of Subrecipient’s Project Manager from providing further services under the Contract.

Subrecipient’s Project Manager shall (1) not layoff staff unless and until the County has approved Subrecipient’s plan for replacing such personnel in a manner that ensures Subrecipient’s continued performance of all obligations under the Contract including, but not limited to, staffing obligations, and (2) give the County ten (10) days written notice of intent to lay off staff and/or dissolve classifications listed and approved in the staffing plan made a part of this Contract as Attachment D (Staffing Plan).

- 19. Disputes – Contract:**
- A. The Parties shall deal in good faith and attempt to resolve potential disputes informally. If the dispute concerning a question of fact arising under the terms of this Contract is not disposed of in a reasonable period of time by the Subrecipient's Project Manager and the County's Project Manager, such matter shall be brought to the attention of the Contract Administrator by way of the following process:
1. The Subrecipient shall submit to the agency/department assigned Contract Administrator a written demand for a final decision regarding the disposition of any dispute between the Parties arising under, related to, or involving this Contract, unless the County, on its own initiative, has already rendered such a final decision.
 2. The Subrecipient's written demand shall be fully supported by factual information, and, if such demand involves a cost adjustment to the Contract, the Subrecipient shall include with the demand a written statement signed by a senior official indicating that the demand is made in good faith, that the supporting data are accurate and complete, and that the amount requested accurately reflects the Contract adjustment for which the Subrecipient believes the County is liable.
- B. Pending the final resolution of any dispute arising under, related to, or involving this Contract, the Subrecipient agrees to diligently proceed with the performance of this Contract, including the delivery of goods and/or provision of services. The Subrecipient's failure to diligently proceed shall be considered a material breach of this Contract.
- C. Subrecipient will provide the County the opportunity to cure an alleged material breach. If Parties are unable to successfully resolve the alleged material breach, the Subrecipient will provide the County 180 days to transition contracted services with the intent to terminate the Contract.

Any final decision of the County shall be expressly identified as such, shall be in writing, and shall be signed by the Administrator. If the County fails to render a decision within 90 days after receipt of the Subrecipient's demand, it shall be deemed a final decision adverse to the Subrecipient's contentions. Nothing in this section shall be construed as affecting the County's right to terminate the Contract for cause or termination for convenience as stated in Paragraph K herein.

The purpose of this reporting requirement is to increase child support collection by helping to locate parents who are delinquent in their child support obligations.

The term "service provider" is defined in California Unemployment Insurance Code Section 1088.8, Subparagraph B.2 as "an individual who is not an employee of the service recipient for California purposes and who received compensation or executes a contract for services performed for that service recipient within or without the State." The term is further defined by the California Employment Development Department to refer specifically to independent Subrecipients. An independent Subrecipient is defined as "an individual who is not an employee of the County government entity for California purposes and who receives compensation or executes a contract for services performed for that County government entity either in or outside of California."

The reporting requirement does not apply to corporations, general partnerships, limited liability partnerships, and limited liability companies.

Additional information on this reporting requirement can be found at the California Employment Development Department web site located at http://www.edd.ca.gov/Employer_Services.htm.

Additional mark-up and/or costs increases as a result of supplying goods/services during an emergency or a declared disaster shall not be permitted beyond Subrecipients actual costs, which shall be reasonably mitigated. In the event of an emergency or declared disaster, emergency purchase order numbers will be assigned. All applicable invoices from the Subrecipient shall show both the emergency purchase order number and the Contract number.

If the County discovers any errors or omissions prior to approving Subrecipient's reports, files and other written documents, the reports, files or documents will be returned to Subrecipient for correction. Should the County or others discover errors or omissions in the reports, files or other written documents submitted by the Subrecipient after County approval thereof, County approval of Subrecipient's reports, files or documents shall not be used as a defense by Subrecipient in any action between the County and Subrecipient, and the reports, files or documents will be returned to Subrecipient for correction.

23. **Non-Supplantation of Funds:** Subrecipient shall not supplant any Federal, State, or County funds intended for the purposes of this Contract with any funds made available under this Contract. Subrecipient shall not claim reimbursement from County for, or apply sums received from County with respect to, that portion of its obligations which have been paid by another source of revenue. Subrecipient shall insert this condition in each Contract between Subrecipient and a subcontractor that is approved pursuant to this Contract and shall require the subcontractor to agree to this condition. Such departments or representatives shall have the right to make excerpts, transcripts and photocopies of such records and to schedule on site monitoring at their discretion. Monitoring activities also may include, but are not limited to, questioning employees and participants and entering any premises or onto any site in which any of the services or activities funded hereunder are conducted or in which any of the records of Subrecipient are kept. Subrecipient shall make available its books, documents, papers, financial records, etc., within three (3) days after receipt of written demand by Administrator which shall be deemed received upon date of sending. The Subrecipient shall provide such information that is requested by the County for the purpose of monitoring progress under this contract.
28. **Subcontracting:** No performance of this Contract or any portion thereof may be subcontracted by the Subrecipient without advance written consent of the County. Any attempt by the Subrecipient to subcontract any performance of this Contract without the advance written consent of the County shall be invalid and shall constitute a breach of this Contract.

In the event that the Subrecipient is authorized by the County to subcontract, this Contract shall take precedence over the terms of the Contract between Subrecipient and subcontractor and shall incorporate by reference the terms of this Contract. The Subrecipient shall select a subcontractor in accordance to Federal and/or State procurement standards. The County shall look to the Subrecipient for performance and indemnification and not deal directly with any subcontractor. The D-U-N-S Number must be provided to County at the County's request and prior to the execution of this Contract. Subrecipient shall ensure all D-U-N-S information is up to date and the D-U-N-S number status is "active," with no active exclusions prior to execution of this Contract. If County cannot access the Subrecipient's D-U-N-S information related to this Federal subaward on the Federal Funding Accountability and Transparency Act subaward Reporting system (SAM.GOV) due to errors in the Subrecipient's data entry for its D-U-N-S number, the Subrecipient must immediately update the information as required.

The County reserves the right to verify and validate any information prior to contract award and during the entire term of the Contract.

56. **Modification of Program Components and Service Levels:** The Parties hereto agree that those program components and service levels detailed in Attachments A, B, C, D, and/or E, may be modified upon mutual written agreement of the Administrator and Subrecipient so long as the total payments under this Contract are not increased and the basic goals and objectives of the program are not altered. Should the Federal Government and/or the State of California modify any program component and/or service level detailed in Attachments A, B, C, D, and/or E, then the County shall have the right to unilaterally modify this Contract to meet such requirements.

- A. County may at any time, unilaterally, by written notification to Subrecipient, make changes within the general scope of this Contract, including, in the definition of services and tasks to be performed, the manner in which services are performed, the time and place of performance thereof and additional related provisions. The Subrecipient shall review the County's written notification, resolve any questions regarding the change, and indicate its understanding of the additional expectation within three (3) business days after receipt of notification. Subrecipient shall perform all such changes promptly but in no event later than ten (10) business days after receiving County's notification unless otherwise directed by the County. Such changes will be memorialized into the Contract through a Contract amendment, as soon as practicable, but shall be effective upon the County's issuance of the notification.

- B. Subrecipient and County shall make a good faith effort to reach agreement with respect to changes to the scope, which affect the price of services under the Contract. Subrecipient's protest or failure to agree to the amount of any adjustment to be made as a result of the anticipated amendment shall be a dispute for which an appeal may be made pursuant to this Contract. Notwithstanding the foregoing, the price of services under this Contract shall not be increased except by written amendment of this Contract indicating the new services and price of this Contract if applicable. Until the Parties reach agreement, Subrecipient shall not be obligated to assume increased performance under the anticipated amendment beyond the limitation of funds established within this Contract.
- C. Subrecipient may request changes in the scope of performance or services under this Contract, by submitting a written request to the County's Project Manager describing the request and its impact on the Scope of Services and Budget Schedule. This Contract will be administered in an impartial manner, free from efforts to attain personal, financial or political gain. - B. Employment of Former State or County Employees. Subrecipient will ensure that any of its employees who were formerly employed by the State of California or County, in a position that could have enabled such individuals to impact policy regarding or implementation of programs covered by this Contract, will not be assigned to any part or phase of the activities conducted pursuant to this Contract for a period of not less than two years following the termination of such employment.

The purchase of any Equipment by Subrecipient shall be requested by Subrecipient in writing, shall require the prior written approval of the Administrator and shall fulfill the provisions of this Contract which are appropriate and directly related to Subrecipient's service or activity under the terms of this Contract. County may refuse reimbursement for any costs resulting from Equipment purchased, which are incurred by Subrecipient, if prior written approval has not been obtained from County's Project Manager.

I. **PURPOSE**

The purpose of this Contract is to provide domestic violence shelter-based services programs that are consistent with the California Welfare and Institution Code, Sections 18294-18298, that provide direct emergency crisis shelter services to victims of domestic violence and their children. The California Welfare and Institution Code, Sections 18294-18298, were revised by Assembly Bill (AB) 2084. The vision of the Domestic Violence Shelter-Based Services Program is to strengthen and increase the services available to the victims of domestic violence and their children.

II. **BACKGROUND**

California Welfare and Institutions Code, Section 18290, provides the background information for the Domestic Violence Shelter-Based Services Program:

The Legislature hereby finds and declares that there is a present and growing need to develop innovative strategies and services to ameliorate and reduce the trauma of domestic violence. There are hundreds of thousands of persons in California who are regularly abused. In many cases, the acts of domestic violence lead to the death of one of the involved parties. Victims of domestic violence come from all socioeconomic classes and ethnic groups, though it is the poor who suffer most from domestic violence, since they have no immediate access to private counseling and shelter for themselves and their children. Children, even when they are not physically assaulted, very often suffer deep and lasting emotional effects.

The Legislature further finds and declares that there is a high incidence of death and injury sustained by law enforcement officers in the handling of domestic disturbances. Police arrests for domestic violence are low, and victims are reluctant to press charges or make citizens arrests. Furthermore, instances of domestic violence are considered to be the single most unreported crime in the state. It is the intention of the Legislature to begin to explore and determine ways of achieving reductions in serious and fatal injuries to the victims of domestic violence and begin to clarify the problems, causes, and cures of domestic violence. In order to achieve these results, it is the intent of the Legislature that the State shall support projects in several areas throughout the state for the purpose of aiding victims of domestic violence by providing them a place to escape the destructive environment in an undisclosed and secured location, on a 24-hour basis, where staff meet the requirements set forth in Section 1037.1 of the Evidence Code.

III. **DEFINITIONS**
