Leverage Resources	\$ 285,000.00

DISLOCATED WORKER CAREER SERVICES - SOUTH	
Direct Program	\$ 765,000.00
Indirect Cost	\$ 85,000.00
Total Contract	\$ 850,000.00
Leverage Resources	\$ 255,000.00

Note: Indirect Cost (including administrative) shall not exceed more than 10% of the budget.

Budgets contained in Attachment C-4 of this Agreement are high-level budgets. Upon approval by the Orange County Board of Supervisors – but prior to submission of July 2021 invoices, a detailed budget must be submitted to the County of Orange office for approval. Budget templates will be provided by the County of Orange. Invoices shall be submitted based upon these detailed budgets.

Subrecipient may request to shift funds between programs, or between budgeted line items within a program, for the purpose of meeting specific program needs by utilizing a Budget/Staffing Modification Request form provided by Contract Administrator. Subrecipient must include a justification narrative specifying the purpose of the request, the amount of said funds to be shifted, and the sustaining annual impact of the shift as may be applicable to the current Fiscal Year Budget and/or future Fiscal Year Budgets. Subrecipient shall obtain written approval of any Budget/Staffing Modification Request(s) from Contract Administrator prior to implementation by Subrecipient.

In support of the monthly invoice, Subrecipient shall submit monthly Expenditure Reports and support documentation on a form acceptable to, or provided by, the Contract Administrator and will report actual costs.

Subrecipients of WIOA funds are not required to claim indirect costs (to include administrative cost), however, if indirect and/or administrative costs are claimed, subrecipients must have an indirect cost rate approved by their cognizant agency, an approved cost allocation plan, or elect to use the 10% de minimis rate. De minimis

Attachment C-4

Rate – In place of calculating a rate, a de minimis rate of 10% of the Modified Total Direct Costs (MTDC) can be used.

Subrecipients that will claim indirect costs and have a federally approved indirect cost rate agreement(s) with their cognizant agency must submit a copy of the entity's approval letter or cost allocation plan with during the contract negotiation period, or as soon as the indirect cost rate approval documentation is received from the cognizant agency. After the County of Orange has received proper documentation to substantiate cognizant agency approval of indirect costs or a cost allocation plan, the County of Orange will send the subrecipient a letter of acknowledgement and approval.

Subrecipients that have not previously established an indirect cost rate, must either opt to use the 10% de minimis rate with a negotiated and approved indirect cost rate proposal or cost allocation plan. The County of Orange may use the 10% de minimis rate for indirect cost to serve as the predetermined rate. The predetermined rate is a rate that is established for a current or future period, which is in most cases not subject to adjustment.

Failure to provide or negotiate a proposed indirect cost rate can lead to disallowance of indirect costs and/or other remedies of noncompliance (Uniform Guidance 200.207 and 200.338).

If a subrecipient does not have a prior approved indirect cost rate or cost allocation plan from their cognizant agency, an approved de minimis rate of 10%, or only receives federal funds as a subrecipient, the subrecipient must request approval of indirect costs from the County of Orange.

A subrecipient requiring approval of indirect costs by the County of Orange must develop and submit its indirect cost rate proposal to the County of Orange immediately after the organization is advised that an award will be made.
