Subject: Item 48, June 25, 2024, E-bikes

Attention: This email originated from outside the County of Orange. Use caution when opening attachments or links.

Dear Chair and Board Members:

Endangered Habitat League supports moving forward on these regulations. E-bikes are out of control, not only on the streets but in parks and natural areas. Please add additional enforcement resources to ensure public safety and safety for wildlife.

Thank you

Dan Silver
