

FY 2024-25  
RECOMMENDED PERFORMANCE AUDITS

The FY 2024-25 Proposed Budget includes \$802,765 for the cost of performance audits performed by third party consultants.

Department	Scope Summary
OC Public Works: Development Services (Program Review)	A performance audit is requested to review OCPW Development Services current operations, policies, practices, and procedures of its core service areas. The audit will identify opportunities for streamlining processes and reducing costs, expanding efficiencies, and applying best practices to enhance service delivery.
