Item No. 26

## County of Orange Report on Grant Applications/Awards

*The Grants Report is a condensed list of grant requests by County Agencies/Departments that allows the Board of Supervisors to discuss and approve grant submittals in one motion at a Board meeting. County policy dictates that the Board of Supervisors must approve all grant applications prior to submittal to the grantor. This applies to grants of all amounts, as well as to new grants and those that have been received by the County for many years as part of an ongoing grant. Receipt of grants \$50,000 or less is delegated to the County Executive Officer. Grant awards greater than \$50,000 must be presented to the Board of Supervisors for receipt of funds. This report allows for better tracking of county grant requests, the success rate of our grants, and monitoring of County's grants activities. It also serves to inform Orange County's Sacramento and Washington, D.C. advocates of County grant activities involving the State or Federal Governments.*

On July 17, 2018 the Board of Supervisors will consider the following actions:

**RE:** California State Preschool Program Grant  
**SUBJECT:** Ratification of Grant Acceptance

On December 5, 2017, the Board approved the Social Services Agency's (SSA) request to submit a grant application for the California State Preschool Program for a total of \$209,201. On May 29, 2018, SSA received notification of the award in the amount of \$136,569. The awarded amount is significantly lower than the amount we requested; however, it is consistent with the level of grant utilization for previous years. Additionally, this grant does not require a county match and will save the County additional money by removing barriers for families including CalWORKs clients looking for or continuing employment, Resource Families who are fostering children, and parents trying to reunify with their children in the dependency system.

Due to final funding terms and conditions being released by the California Department of Education after the initial notification, there was a temporary delay in grant acceptance.

SSA is requesting ratification of this grant award request for the California State Preschool Program on the Grants Report for the Board meeting on July 17, 2018.

## OFFICE OF THE DIRECTOR

**DATE:** June 29, 2018

**TO:** Frank Kim  
County Executive Officer

**FROM:** Richard Sanchez  
Director, HCA

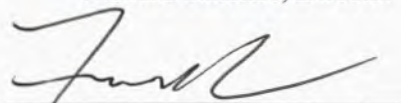

**SUBJECT:** **Request for CEO to Approve Ratification Grant Application/Award – Expanding MAT in County Criminal Justice Settings: A Learning Collaborative**

*The Expanding Medication Assisted Treatment (MAT) in County Criminal Justice Settings: A Learning Collaborative*, a joint effort of the California Department of Health Care Services MAT Expansion Project and Health Management Associates, is a technical assistance program available to teams from all California Counties interested in developing or expanding access to MAT for opioid addiction in the jails and drug court systems. Each County Team will receive up to \$25,000 across the project period, and these funds may be used to offset team travel expenses to the Learning Collaboratives. Mid-way through the project, additional funds will be made available to participating counties to purchase naloxone for treating drug overdoses in jail and in the community. At this time, stakeholders from HCA, Probation, OCSD, Collaborative Courts, and CEO have committed to participating in this project.

The Health Care Agency (HCA) was notified of the funding opportunity on June 5, 2018, with an application due date of July 13, 2018. Due to the short turnaround time to gather the required information, participation, and supporting documentation, HCA was unable to obtain Board approval prior to the application submission. The July 17, 2018, Board meeting is the first opportunity to submit the funding application for Board Approval. HCA is requesting that this item be placed on the July 17, 2018, Grants Report for ratification of the funding application/award by the Board of Supervisors.

SUBJECT: Retroactive Approval to Accept Grant Award for California Victim Compensation Funds

---

On March 19, 2018, the Board of Supervisors (Board) Authorized the District Attorney to apply for the grant to continue the Criminal Restitution Compensation Program via Annual Recurring Grant Matrix for FY 18-19.

On May 24, 2018, the District Attorney received the official award notice from the granting agency, California Victim Compensation Board, along with the Standard Agreement notifying the allocation for a 3-year period of FY 2018/19 through FY 2020/21, in the total amount of \$1,605,549. Since then, the District Attorney's office had been working with the State finalizing necessary documents. Due to the short turnaround time, the attached eForm, Resolution, and the Standard Agreement to obtain the Board authorization to accept the grant award are being presented to the Board more than 30 days since the notification of the grant award.

The July 17, 2018 Board Meeting is the first opportunity to submit this for the Board approval, as a result, the District Attorney is requesting the retroactive approval of the grant award. The grant funds will be utilized to ensure restitution fines and orders are properly administered in accordance with applicable statutes.

Please contact me at 714-347-8443, if you need further information.

Thank you.
