

Attachment C

Declaration for County Agencies and Departments

I have been designated as the appropriate official to submit this agency's proposed conflict of interest code amendment.

I certify that this agency's conflict of interest code exhibits accurately designate all positions that make or participate in the making of governmental decisions, and that the disclosure categories assigned to those positions accurately require the disclosure of all investments, business positions, interests in real property, and sources of income that may foreseeably be affected materially by the decisions made by those holding designated positions. I further certify that the exhibits include all other provisions required by Government Code section 87302.

I certify that the proposed code amendment has been reviewed and approved by the agency/department head.

I declare that the above is true and correct.
