3. Qualified Tenants; Records and Reports. The Borrower shall submit to the County (i) not later than July 15, of each year, a report showing the necessary information to allow the County to determine the Owner's compliance with this Regulatory Agreement, and (ii) within fifteen (15) days after receipt of a written request, any other information or completed forms requested by the County in order to comply with reporting requirements of HUD, or the State of California.

4. Management. Borrower shall manage the Restricted Units in accordance with a management plan prepared by Borrower and approved by the Director (such approval not to be unreasonably withheld or delayed), describing Borrower's standards for operating, managing, and maintaining the Restricted Units, including, but not limited to, the components listed below (the "**Management Plan**"). The Management Plan shall provide for occupancy standards that are appropriate for the Restricted Units. Borrower shall manage the Restricted Units in accordance with the approved Management Plan, including such amendments as may be approved in writing from time to time by the Director, for the Qualified Project Period. The components of the Management Plan shall include:

(a) **Management Agent:** Borrower shall be the management agent or Borrower shall submit the name and qualifications of the proposed management

agent. If the management agent is not Borrower, the County shall approve or disapprove the proposed management agent in writing based on the experience and qualifications of the management agent.

(b) Management Agreement: Borrower shall submit a copy of the proposed management agreement specifying the amount of the management fee, and the relationship and division of responsibilities between Borrower and management agent. County acknowledges that prior to the date of this Regulatory Agreement, Borrower submitted to County and County approved, a management agreement.

(c) Marketing Plan: The marketing plan will apply to all of the units in the Project, including the Restricted Units (but not including the Manager's Unit). The Borrower shall submit a marketing plan for review and approval by the Director (such approval not to be unreasonably withheld or delayed). The marketing plan must contain procedures that ensure marketing of the Restricted Units to Qualified Tenants throughout Orange County (including both unincorporated areas and other incorporated cities). Such procedures shall be applicable for initial rent-up and ongoing marketing of the units throughout the Qualified Project Period. County acknowledges that prior to the date of this Regulatory Agreement, Borrower submitted to County and County approved, a management agreement. Borrower shall advertise vacancies of the Restricted Units in general distribution newspapers that circulate throughout the County. Where the Borrower utilizes other forms of advertising, such advertising shall also be distributed throughout the County.

(d) Annual Budget and Projected Cash Flows: Concurrently with the execution of this Regulatory Agreement, and annually thereafter not later than seventy-five (75) days after the close of each calendar year (December 31) thereafter, Owner shall submit, in a form that is acceptable to the County, a projected operating budget and cash flow for the Project to the County.

(e) County Right to Replace Management Agent. If at any time the County reasonably determines that the Project is not being managed or maintained in accordance with the approved Management Plan, Borrower shall change the noncompliant practices complained of within sixty (60) days after Borrower's receipt of written notice from the County in accordance with Paragraph 12 (b) hereof. If such noncompliant practices are material and continue following expiration of the foregoing sixty (60) day cure period, then subject to approval by Borrower's limited partner, County may require Borrower to terminate the management contract and designate and retain a different management agent, to be approved by the County (such approval not to be unreasonably withheld or delayed). The management agreement shall provide that it is subject to termination by Borrower without penalty, upon thirty (30) days prior written notice, at the direction of the County. Within thirty (30) days following a direction of the County to replace the management agent, Borrower shall select another management agent or make other arrangements satisfactory to the County for continuing management of the Project.

5. Maintenance: Compliance with Law. Borrower agrees to maintain all interior and

exterior improvements, including landscaping, on the Project in good condition, repair and sanitary condition (and, as to landscaping, in a healthy condition) and in accordance with any Management Plan approved by the County under this Agreement (including without limitation any landscaping and signage), as the same may be amended from time to time, and all other applicable laws, rules, ordinances, orders, and regulations of all federal, state, county, municipal, and other governmental agencies and bodies having or claiming jurisdiction and all their respective departments, bureaus, and officials. Borrower acknowledges the great emphasis the County places on quality maintenance to protect its investment and to provide quality low-income housing for its constituents and to ensure that all County subsidized affordable housing projects within the County are not allowed to deteriorate due to deficient maintenance. In addition, Borrower shall keep the Project free from all graffiti and any accumulation of debris or waste material. Borrower shall promptly make all repairs and replacements necessary to keep the Project in good condition and repair and shall promptly eliminate all graffiti and replace dead and diseased plants and landscaping with comparable approved materials.

In the event that Borrower breaches any of the covenants contained in this Section 5 and Borrower fails to commence to cure said default within of thirty (30) days after written notice from County and/or fails to thereafter complete said cure within sixty (60) days from the date of said notice, then County, in addition to whatever other remedies it may have under this Agreement, the other Loan Documents or at law or in equity, shall have the right to enter upon the Project and perform or cause to be performed all such acts and work necessary to cure the default. Pursuant to such right of entry, the County shall be permitted (but is not required) to enter upon the Project and perform all acts and work necessary to protect, maintain and preserve the improvements and landscaped areas on the Project. Borrower shall promptly pay to the County, as applicable, the amount of the expenditure arising from such acts and work of protection, maintenance, and preservation by the County and/or costs of such cure, including a fifteen percent (15%) administrative charge.

6. Consideration. The County has made the Loan for the purpose, among others, of inducing the Borrower to provide affordable housing in the County of Orange. In consideration of the Loan to the Borrower, the Borrower has entered into this Agreement and has agreed to restrict the Restricted Units of the Project on the terms and conditions set forth herein.

7. Sale or Transfer of the Project. The Borrower hereby covenants and agrees not to voluntarily sell, transfer or otherwise dispose of the Project, or any portion thereof (other than for individual tenant use as contemplated hereunder), without obtaining the prior written consent of the County; provided that any transfer of the Project permitted under the Loan Agreement shall be a permitted transfer under this Agreement. It is hereby expressly stipulated and agreed that any sale, transfer or other disposition of the Project in violation of this Section 7 shall be null, void and without effect, shall cause a reversion of title to the Borrower and shall be ineffective to relieve the Borrower of its obligations under this Agreement. Any transfer of the Project to any entity, whether affiliated with the Borrower, shall be subject to the provisions of this Section 7.

8. Term This Agreement and all and each of the provisions hereof shall become effective upon its execution and delivery, shall remain in full force and effect for the period provided herein and shall terminate in its entirety at the expiration of the Qualified Project Period.

9. Covenants to Run with the Land.

(a) All conditions, covenants, and restrictions contained in this Agreement shall be covenants running with the land, and shall, in any event, and without regard to technical classification or designation, legal or otherwise, be, to the fullest extent permitted by law and equity, binding for the benefit and in favor of, and enforceable by County, its successors and assigns, and the County and its successors and assigns, against Borrower, its successors and assigns, to or of the Project or any portion thereof or any interest therein, and any party in possession or occupancy of said Project or portion thereof.

(b) In amplification and not in restriction of the provisions set forth hereinabove, it is intended and agreed that County shall be deemed a beneficiary of the agreements and covenants provided hereinabove both for and in its own right and for the purposes of protecting the interests of the community. All covenants without regard to technical classification or designation shall be binding for the benefit of County and such covenants shall run in favor of County for the entire period during which such covenants shall be in force and effect, without regard to whether County is or remains an owner of any land or interest therein to which such covenants relate. County shall have the right, in the event of any breach of any such agreement or covenant, to exercise all the rights and remedies, and to maintain any action at law or suit in equity or other proper proceedings to enforce the curing of such breach of agreement or covenant.

(c) The County and its successors and assigns, and Borrower and the permitted successors and assigns of Borrower in and to all or any part of the fee title to the Project, shall jointly have the right upon written agreement signed by both parties to consent and agree to changes in, or to eliminate in whole or in part, any of the covenants, easements, or restrictions contained in this Agreement without the consent of any tenant, lessee, easement holder, licensee, mortgagee, trustee, beneficiary under a deed of trust, or any other person or entity having any interest less than a fee in the Project. The covenants contained in this Agreement, without regard to technical classification shall not benefit or be enforceable by any owner of any other real property within or outside the Project, or any person or entity having any interest in any other such realty.

(d) No breach of any of the provisions of this Agreement shall impair, defeat, or render invalid the lien of any mortgage, deed of trust or like encumbrance made in good faith and for value encumbering the Project or any portion thereof.

10. Burden and Benefit. The County and the Borrower hereby declare their understanding and intent that the burden of the covenants set forth herein touch and

concern the Project in that the Borrower's legal interest in the Project is rendered less valuable thereby. The County and the Borrower hereby further declare their understanding and intent that the benefit of such covenants touching and concerning the land is the enhancement and increased enjoyment and use of the Project by Qualified Tenants, the intended beneficiaries of such covenants, reservations, and restrictions, and by the furthering of public purposes for which the Loan was made.

11. Uniformity: Common Plan. The covenants, reservations and restrictions hereof shall apply uniformly to the entire Project to establish and carry out a common plan for the use, development, and improvement of the Project.

12. Default. Each of the following shall constitute an "Event of Default" by Borrower under this Agreement:

(a) **Failure to Make Payments.** Borrower fails to make any payment due the County under this Agreement within thirty (30) days after receiving written notice for said payment from the County;

(b) **Non-Monetary Failure to Perform.** Borrower fails to timely perform, comply with, or observe any of the terms, covenants, or conditions of this Agreement (other than those provisions elsewhere referred to in this Section 12) and such failure continues uncured or without Borrower commencing to diligently cure for thirty (30) days after notice thereof in writing is given by the County to Borrower;

(d) **Mortgage Loan Document Breach.** Any default or breach of Borrower which continues uncured after the expiration of any applicable cure period under the Loan Agreement, any Loan Document or any other loan document including, but not limited to, the Mortgage Loan Documents;

(e) **Voluntary Suspension.** The voluntary suspension of Borrower's business or the dissolution or termination of the partnership (if any) constituting Borrower;

(f) **Unauthorized Transfer.** Borrower's sale or other transfer of the Project in violation of this Agreement;

(g) **Fraud or Material Misstatement or Omissions.** Any fraudulent act or intentional material omission of Borrower' pertaining to or made in connection with the Loan, Loan Documents, or the Project;

(h) **Insolvency.** A court having jurisdiction shall have made or entered any decree or order (i) adjudging Borrower to be bankrupt or insolvent, (ii) approving as properly filed a petition seeking reorganization of Borrower or seeking any arrangement for Borrower under the bankruptcy law or any other applicable debtor's relief law or statute of the United States or any state or other jurisdiction, (iii) appointing a receiver, trustee, liquidator, or assignee of Borrower in bankruptcy or insolvency or for any of their properties, or (iv) directing the winding up or liquidation of Borrower, if any such decree or order described in clauses (i) to (iv), inclusive, shall have continued unstayed or undischarged for a

period of ninety (90) days unless a lesser time period is permitted for cure under any other mortgage on the Property, in which event such lesser time period will apply under this subsection 8.1(h) as well; or Borrower shall have admitted in writing its inability to pay its debts as they fall due or shall have voluntarily submitted to or filed a petition seeking any decree or order of the nature described in clauses (i) to (iv), inclusive. The occurrence of any of the events of default in this paragraph shall act to accelerate automatically, without the need for any action by the County, the indebtedness evidenced by the Note; or

(i) Project Monies. Borrower's misapplication or embezzlement of Project monies.

13. Remedies. The occurrence of any Event of Default shall, either at the option of the County or automatically where so specified, relieve the County of any obligation to make or continue the Loan and shall give the County the right to proceed with any and all remedies set forth in this Agreement and the Loan Documents or otherwise available at law or in equity or by statute (and all of the County's rights and remedies shall be cumulative), including but not limited to the following:

(a) Acceleration of Note. The County shall have the right to cause all indebtedness of the Borrower to the County under the Note, together with any accrued interest thereon, to become immediately due and payable. The Borrower waives all right to presentment, demand, protest or notice of protest, or dishonor. The County may proceed to enforce payment of the indebtedness and to exercise any or all rights afforded to the County as a creditor and secured party under the law including the Uniform Commercial Code, including foreclosure under the Deed of Trust. The Borrower shall be liable to pay the County on demand all expenses, costs, and fees (including, without limitation, attorneys' fees, and expenses) paid or incurred by the County in connection with the collection of the Loan and the preservation, maintenance, protection, sale, or other disposition of the security given for the Loan.

(b) Specific Performance. The County shall have the right to mandamus or other suit, action or proceeding at law or in equity to require Borrower to perform its obligations and covenants under this Agreement and/or the Loan Documents or to enjoin acts on things which may be unlawful or in violation of the provisions of this Agreement and/or the Loan Documents.

(c) Right to Cure at Borrower's Expense. The County shall have the right to cure any monetary default by Borrower under this Agreement. The Borrower agrees to reimburse the County for any funds advanced by the County to cure a monetary default by Borrower upon demand therefore, together with interest thereon at the rate of ten percent (10%) per annum or the maximum rate permitted by law, whichever rate is lesser, from the date of expenditure until the date of reimbursement.

(d) Remedies Cumulative. No right, power, or remedy given to the County by the terms of this Agreement or the Loan Documents is intended to be exclusive of

any other right, power, or remedy; and each and every such right, power, or remedy shall be cumulative and in addition to every other right, power, or remedy given to the County by the terms of any such instrument, or by any statute or otherwise against Borrower and any other person. Neither the failure nor any delay on the part of the County to exercise any such rights and remedies shall operate as a waiver thereof, nor shall any single or partial exercise by the County of any such right or remedy preclude any other or further exercise of such right or remedy, or any other right or remedy.

(e) **Waiver of Terms and Conditions.** No waiver of any default or breach by Borrower hereunder shall be implied from any omission by the County to take action on account of such default if such default persists or is repeated, and no express waiver shall affect any default other than the default specified in the waiver, and such waiver shall be operative only for the time and to the extent therein stated. Waivers of any covenant, term, or condition contained herein shall not be construed as a waiver of any subsequent breach of the same covenant, term, or condition. The consent or approval by the County to or of any act by Borrower requiring further consent or approval shall not be deemed to waive or render unnecessary the consent or approval to or of any subsequent similar act. The exercise of any right, power, or remedy shall in no event constitute a cure or a waiver of any default under this Agreement or the Loan Documents, nor shall it invalidate any act done pursuant to notice of default, or prejudice the County in the exercise of any right, power, or remedy hereunder or under the Loan Documents, unless in the exercise of any such right, power, or remedy all obligations of Borrower to County are paid and discharged in full.

14. Recording and Filing. The Borrower shall cause this Agreement, and all amendments and supplements hereto and thereto, to be recorded and filed in the real property records of the County of Orange and in such other places as the County may reasonably request. The Borrower shall pay all fees and charges incurred in connection with any such recording.

15. Governing Law. This Agreement shall be governed by the laws of the State of California. In the event of any legal action to enforce or interpret this Agreement, the sole and exclusive venue shall be a court of competent jurisdiction located in Orange County, California, and the parties hereto agree to and do hereby submit to the jurisdiction of such court, notwithstanding Code of Civil Procedure Section 394

16. Amendments. This Agreement shall be amended only by a written instrument executed by the parties hereto, or their successors in title and duly recorded in the real property records of the County of Orange.

17. Notices.

(iv) any violation of any environmental law, rule, or regulation with respect to, or the release of any toxic substance from, the Project or any part thereof;

except to the extent such damages are caused by the gross negligence or willful misconduct of such Indemnified Party. In the event that any action or proceeding is brought against any Indemnified Party with respect to which indemnity may be sought hereunder, the Borrower, upon written notice from the Indemnified Party, shall assume the investigation and defense thereof, including the employment and payment for of counsel selected by the Indemnified Party, and shall assume the payment of all expenses related thereto, with full power to litigate, compromise or settle the same; provided that the Indemnified Party shall have the right to review and approve or disapprove any such compromise or settlement.
