CONTRACT

This Agreement is made and entered into the _ day of _ , 20 _ , by and between the COUNTY OF ORANGE, a political subdivision of the State of California (“COUNTY”), and L&S Construction, Inc. (“CONTRACTOR”).

COUNTY and CONTRACTOR agree as follows:

1. CONTRACT DOCUMENTS

Contract Documents, which together comprise the complete agreement between COUNTY and CONTRACTOR, consist of the following: the Bid; this Agreement; the General Conditions; Supplementary General Conditions; the Non-collusion Declaration; Special Provisions; Addenda and Bulletins; Attachments; Appendices; Plans; Standard Plans; Standard Specifications; all Reference Specifications mentioned in any Contract Documents; and all modifications and amendments to the foregoing issued after the date of execution of the Agreement, including Amendments and Change Orders. The Contract Documents also include the Faithful Performance Bond and the Labor and Material Payment Bond unless such bonds are expressly not required for this Project by the Supplementary General Conditions or Special Provisions. The Contract Documents are complementary, and what is called for by any one shall be as binding as if called for by all.

2. SCOPE OF WORK

CONTRACTOR shall perform all work as required by, and in strict accordance with, the Contract Documents (the “Project”), which consists of

The Project consists of minor grading, drainage and surface improvements, including asphalt and gutter to support the installation of Modular Subsurface Flow Wetland System (MSFWS) at three locations along the Coyote Canyon Landfill Flare Station access road. The work area is adjacent to ESA and ERA restricted areas that the Contractor shall not enter unless authorized by OCWR. Modular Wetland Systems are used for bio-filtration of stormwater runoff and dry weather flows. Due to approximately 8-week lead time to secure the MSFWS units, OCWR will issue a “Notice to Procure” for the units prior to issuance of Notice to Proceed (NTP) to the contractor. A NTP will be issued approximately a week prior to manufacturer’s scheduled delivery of the MSFWS units. Except as otherwise specifically stated in applicable parts of these Contract Documents, the Contractor shall provide and pay for labor, materials, inspection, equipment, tools, construction equipment, facilities, and services necessary for proper execution, testing, and completion of the Work. The above description of the Work is for general information only, and in no way, limits the responsibility of the Contractor for accomplishing the Work in strict accordance with the Contract Documents.

3. CONTRACT PRICE AND TIME**3.1. CONTRACT PRICE**

COUNTY shall pay CONTRACTOR for all work required by the Contract Documents the Contract Price of **Two Hundred Three Thousand Three Hundred Fifteen** Dollars (**\$203,315.00**), as it may be adjusted pursuant to the “CHANGES” Section of the General Conditions, and in accordance with the “PAYMENTS” Section of the General Conditions.

3.2. CONTRACT TIME

Within 10 calendar days of the award of the Contract, CONTRACTOR shall submit to COUNTY for its review: acceptable bonds; proof of insurance; initial job progress schedule; and any additional documentation required prior to execution of this Contract by the Contract Documents, Supplementary General Conditions or Special Provisions. If COUNTY rejects the submitted documents, CONTRACTOR will have 5 additional calendar days to resubmit. If CONTRACTOR fails to submit documents within the required time(s), the Contract Time (as defined below) will be reduced by the number of days which exceed the time for submittal. If CONTRACTOR fails to submit acceptable documents by the second submission, COUNTY may, at its sole discretion, proceed to award the Contract to the next lowest responsive, responsible bidder or reduce the Contract Time by the number of days between COUNTY's rejection of the second submission and COUNTY's approval of the documents.

Upon COUNTY's approval of the bonds, insurance, initial job progress schedule, and any other required submitted documents, COUNTY will deliver to CONTRACTOR a signed copy of the Agreement and a Notice to Proceed with the work. CONTRACTOR shall not commence construction until COUNTY issues the Notice to Proceed. CONTRACTOR shall complete all work required by the Contract Documents within **30 calendar** days of the effective date of the Notice to Proceed ("Contract Time"). The Contract Time includes **3** weather days of anticipated weather days necessitating stoppage of work, and a time extension due to rain or other adverse weather conditions will only be granted in accordance with the "DELAYS DUE TO WEATHER AND FORCE MAJEURE" Section of the General Conditions.

4. LIQUIDATED DAMAGES

In accordance with Government Code Section 53069.85, CONTRACTOR agrees to forfeit and pay to COUNTY the sum of \$1,000.00 per day ("Liquidated Damages") for each calendar day that completion of all the work required by the Contract Documents is delayed beyond the Contract Time, as may be adjusted by Change Order. COUNTY may deduct such sum from any payments due or to become due to CONTRACTOR. If the Liquidated Damages exceed the unpaid balance of the Contract Price otherwise owed to CONTRACTOR, then CONTRACTOR shall immediately pay COUNTY the difference.

5. CONTRACTOR SHALL PERFORM (50 %) OR MORE OF THE WORK

CONTRACTOR shall be capable of performing, and shall perform with its own organization, work amounting to at least 50% of the Base Bid Amount. However, any Bid Item designated as a Specialty Bid Item will be excluded from the Base Bid Amount for purposes of this Section only.

6. EMPLOYEE ELIGIBILITY VERIFICATION

CONTRACTOR hereby certifies that it complies with all applicable laws and regulations regarding the eligibility of its employees to work in the United States, and that all of its employees performing work under this Contract meet all citizenship or immigration status requirements to do so. CONTRACTOR shall obtain all documentation necessary to verify the employment eligibility status of covered employees as described by U.S. Citizenship and Immigration Services Form I-9. CONTRACTOR shall retain such documentation for the period prescribed by law. CONTRACTOR shall indemnify, defend with counsel approved in writing by COUNTY, and hold harmless the COUNTY, its agents, officers, and employees from any sanctions or liability that may be assessed in connection with any alleged violation of federal or State laws or regulations pertaining to the eligibility for employment of any persons performing work under this Contract.

7. SECURING WORKERS' COMPENSATION INSURANCE CERTIFICATION

CONTRACTOR, by executing this Agreement, hereby certifies:

"I am aware of the provisions of Section 3700 of the Labor Code which require every employer to be insured against liability for workers' compensation or to undertake self-insurance in accordance with the provisions of that code, and I will comply with such provisions before commencing the performance of the work of this contract."

8. PARTIES' REPRESENTATIVES

COUNTY's decision is final and binding on all questions relating to: quantities; acceptability of material, equipment, or work; execution, progress, or sequence of work; and interpretation of the Contract Documents. All labor, materials, tools, equipment furnished by CONTRACTOR and all work performed by CONTRACTOR shall be subject to COUNTY's approval.

8.3. CONTRACTOR'S REPRESENTATIVES

8.3.1. Representative and Alternate: Before starting work, CONTRACTOR shall designate in writing a representative who shall have complete authority to act for it. CONTRACTOR may also designate an alternate representative with complete authority to act for it. COUNTY may rely on such representative or alternate as having the authority to execute Change Orders in any amount unless CONTRACTOR identifies to COUNTY in writing the officer(s) or employee(s) with such authority. The representative or alternate shall be present at the work site whenever work is in progress or whenever weather conditions necessitate its presence to take measures necessary to protect the work, persons, or property. Any order or communication given to this representative shall be deemed delivered to CONTRACTOR. A joint venture shall designate only one representative and alternate. CONTRACTOR's superintendent shall represent CONTRACTOR in the absence of CONTRACTOR's designated representative or alternate, and all directions given to the superintendent shall be binding as if given to CONTRACTOR. The superintendent must read, write, and speak English fluently. COUNTY may require CONTRACTOR to replace a superintendent whose conduct or performance is unsatisfactory. CONTRACTOR shall not change its superintendent without COUNTY's consent unless the superintendent is unsatisfactory to CONTRACTOR or ceases to be in CONTRACTOR's employ. If CONTRACTOR's superintendent leaves the Project, CONTRACTOR shall replace him or her within 24 hours with a new, well-qualified superintendent acceptable to COUNTY.
- 8.3.3. Alternate Supervision Plan: For Projects on which the original Contract Price is \$50,000 or less, CONTRACTOR may propose for COUNTY's consideration a plan for providing supervision on the site that does not involve the presence of a full-time superintendent, representative, or alternate, as required by the preceding paragraphs. Any such plan must ensure that CONTRACTOR's supervision of the work is adequate and effective for purposes of completing the work timely and in compliance with the Contract Documents. COUNTY may approve or reject CONTRACTOR's proposed plan in its sole and absolute discretion.
- 8.3.4. Emergency Contacts: CONTRACTOR shall provide COUNTY with a list of names and telephone numbers at which CONTRACTOR's representative, alternate, superintendent, and other key personnel can be reached during non-working hours in the case of an emergency.
