Proposal Evaluation Form
RFP No.: 042-1581405-RM Public Health

Bidder _____

Date: _____

Evaluator Number _____

Total Final Score: 0

Maximum Score Possible: 100

Instructions:

This form is to be used to objectively evaluate each bidder's response to the Request for Proposals (RFP). Your evaluation is to be based solely on the information provided in each bidder's proposal, in accordance with the rating criteria set forth in the RFP. **You may not use your own personal knowledge of any bidder in your evaluation.**

References to **RFP sections are included under each rating category** to help you in locating significant related information in the RFP. You may also refer to other sections in the RFP, and any other information provided to you by Health Care Agency Procurement and Contract Services to assist you in evaluating the proposal. From your review of the proposal, the RFP, and any additional information provided, you are to select the score that best reflects your assessment of the bidder's proposal for that category.

You will score each section of the RFP, as indicated by the colored tabs below, e.g., Services, Staffing, etc, by entering your score under the "Score" column. The form will automatically calculate the scores and populate the Summary of Scores tab. Complete one (1) form for each proposal, then save the form under the bidder's name, e.g., if you are evaluating four (4) proposals, you will save four (4) separate files.

Any notes taken during the course of evaluating each bidder's proposal should be kept separate and not recorded in this spreadsheet. **Your separate notes are yours to keep and should not be return to the Facilitator.** If you score any area with a zero (0), your personal notes will need to justify your score. If you feel you cannot adequately evaluate any area based on the information provided, you may submit questions to the Facilitator to be discussed at the consensus meeting and/or to ask the bidder at clarifying interviews. If additional space is needed for comments, you may use additional sheets of paper.

All panel members must attend the consensus meeting. The consensus meeting is a roundtable discussion with other panel members where you will share the reasons for giving a specific score to a specific category for each proposal. During the consensus meeting, you will be given an opportunity to revise your scores or leave them unchanged. The revised scores from the consensus meeting will serve as the final and official scores of the panel, which will serve as the basis of the Recommendation Memo, which all panel members will sign electronically at the conclusion of the evaluation process.

The evaluation process is confidential. Bidder names and the contents of proposals are not to be discussed with anyone outside of the evaluation panel other than the Facilitator. Any breach in confidentiality may cause this RFP to be cancelled.

You must report any of the following to the Facilitator:

- Any inquiries received regarding the RFP, policies and/or procedures.
- Any attempts by anyone outside of the process to obtain information about the RFP, proposals and/or process.
- Any evidence or allegations of improper disclosure or misconduct of any kind.

Please return this form to the Facilitator by email no later than, 05/19/2023. Please only use your evaluator number to identify yourself on this form. If you have not received your evaluator number please contact your Facilitator.
