CONTRACT OPERATING EXPENSES

This contract is for a three-year term, effective February 1, 2022, through January 31, 2025, in an amount not to exceed \$21,810,000, with unused funds to be carried over from year to year, renewable for one additional two-year term.

Total costs incurred are unknown as costs are dependent on the specific types and quantities of the hazardous waste material delivered by County's residents to the Household Hazardous Waste Collection Centers, and also the types and quantities of hazardous waste material recovered at the active landfills through the Load Check Program. Therefore, expenses are not known at this time.
