CONTRACT OPERATING EXPENSES

The Contract increase of \$2,500,000 results in a new cumulative Contract amount not to exceed \$12,400,000 for the current term ending April 9, 2021. This Contract is also renewing for one year, effective April 10, 2021, through April 9, 2022, in the amount of \$2,500,000, for a revised cumulative Contract total not to exceed \$14,900,000. Unused funds carry over from year to year,

not to exceed the cumulative Contract amount. The Contract is renewable one more year in an amount not to exceed \$2,500,000. The cost of services provided by a Subcontractor continues to be at the actual cost of services and equipment plus a 10% mark-up by Tetra Tech BAS, Inc. The amount for services anticipated to be performed by subcontractors is unknown as services are determined on an as-needed basis by the County Project Manager.
