Attachment B

Payment/Compensation

1. **Compensation:** This is a firm-fixed fee Contract between the County and Contractor for Hardware Database Server as set forth in Attachment A, "Scope of Work."

The Contractor agrees to accept the specified compensation as set forth in this Contract as full payment for performing all services and furnishing all staffing and materials required, for any reasonably unforeseen difficulties which may arise or be encountered in the execution of the services until acceptance, for risks connected with the services, and for performance by the Contractor of all its duties and obligations hereunder. The Contractor shall only be compensated as set forth herein for work performed in accordance with the Scope of Work. **The County shall have no obligation to pay any sum in excess of the fixed rates specified herein unless authorized by amendment in accordance with Articles C and P of the County Contract Terms and Conditions.**

2. **Fees and Charges:** County will pay the following fees in accordance with the provisions of this Contract. Payment shall be as follows:
