Subject: 3/24 BOS Meeting- Agenda Item: 32 - TRUTH Act

Attention: This email originated from outside the County of Orange. Use caution when opening attachments or links.

To Whom It May Concern:

Please work to enforce the TRUTH Act which was enacted 9 years ago to keep things transparent and fair.

If local law enforcement, namely the Sheriff's Department, works with ICE, as ICE is currently operating (no due process, no judicial warrants), then trust is lost.

That is counter productive to any work local law enforcement is doing. If trust is compromised, people won't report crime. That puts all of us at risk.

I am asking that the Sheriff's Department stop transferring people to ICE detention. It is well known that ICE facilities are tantamount to concentration camps with deplorable conditions. These transfers result in over-policing, racial profiling, and family separation.

Thank you for your consideration.

Sincerely,

Susan Burgess
