26	E. If CONTRACTOR fails to maintain insurance as required in this Paragraph XII
27	(INDEMNIFICATION AND INSURANCE) for the full term of this Agreement, such failure shall

#### I. COMMON TERMS AND DEFINITIONS

- A. The parties agree to the following terms and definitions, and to those terms and definitions which, for convenience, are set forth elsewhere in the Contract.
  - 1. AOD means Alcohol and Other Drug.
- 2. <u>Center for Substance Abuse Prevention (CSAP)</u> is part of the Substance Abuse and Mental Health Services Administration (SAMHSA) and is the sole federal organization providing national leadership in the development of policies, programs, and services to prevent the onset of illegal drug use and underage alcohol and tobacco use, and to reduce the negative consequences of using substances. CSAP has identified six prevention strategies that can be directed at any segment of the population: Information Dissemination, Education, Alternatives, Problem Identification and Referral, Community-based Process, and Environmental.

  - 4. <u>Information Dissemination</u> means the distribution of a collection of facts or data.
- 5. <u>Institute of Medicine (IOM)</u> Model of or Framework for Prevention is a classification of prevention services adopted by the IOM, where prevention programs are organized along a targeted audience and the prevention intervention is based on a combination of risk and protective factors associated with substance abuse. This continuum is divided into prevention, treatment, and maintenance categories, and the prevention category is divided into universal, selective, and indicated prevention classifications.
- 6. <u>Outcome</u> is a measureable change that occurs as a result of a program's overall performance in implementing its planned services.
- 7. <u>Participant</u> means an individual who engages in program activities aimed at preventing and/or eliminating the development of a behavioral health condition.
- 8. <u>Presentation/Speaking Engagement</u> means structured, culturally relevant alcohol and drug related education and prevention activities which are directed to service providers, community groups, youth, school staff, parents, and the general population and which address problem areas that have been

12	prevention activities.
13	13. Units of Service means the number and/or type of activities the CONTRACTOR will fulfil
14	during a contractual Contract period.
