1. PURPOSE AND SCOPE

1.1. OCTAP.

- 1.1.1. The Orange County Taxi Administration Program (OCTAP) is a voluntary association of Orange County Agencies created to coordinate taxicab service permitting and other administrative functions with the Orange County Transportation Authority (OCTA) in compliance with California Government Code § 53075.5 as authorized by participating Agencies.
- 1.1.2. OCTAP has been in operation since 1998 pursuant to interagency agreements between OCTA and participating Agencies. The OCTAP Regulations have been adopted and have evolved during OCTAP's operation.
- 1.1.3. The OCTAP Regulations are intended to continue the interagency relationship between OCTA, OCTAP and participating Agencies while at the same time reducing the multiplicity of documentation involved in the regulation of taxicab services in Orange County.

1.2. Objective.

The objective of OCTAP is to increase public safety, to reduce administrative costs for the public and private sector, and to expand the provision of private transportation service in Orange County.

11. NON-PERMITTED TAXICAB OPERATION AND ADVERTISING

11.1. Purpose.

The purpose of this section is to implement the administrative regulation of S.B. 1519 (Chapter 721, 2008 Statutes), which added Sections 53075.7 and 53075.9 to the California Government Code pertaining to non-permitted taxicab operations (bandit cabs) and advertising.

11.2. Information Warranting an Investigation.

- 11.2.1. The following information, which if provided by member Agency or OCTAP staff, law enforcement, or a member of the public, will be deemed sufficient to warrant an investigation to determine whether OCTAP should commence proceedings against the alleged illegal operation of a Taxicab or an alleged violation of the advertising requirements of California Government Code Section 53075.9:
- 11.2.1.1. As to the alleged illegal operation of a Taxicab, the date, time and location of the alleged illegal operation, and information indicative of a Taxicab operation (such as advertising a Taxicab service on the vehicle

and/or picking up passengers at a location reserved for Taxicab service or other such indicative information); information pertaining to the type of vehicle involved (sedan, van, station wagon), the vehicle's license plate number, color, make, model, and any distinctive characteristics, if any (such as signs, markings, condition or visible damage to the vehicle). The absence of distinctive characteristics shall not be a basis for not pursuing an investigation into the alleged illegal operation of a Taxicab.

11.2.1.2. As to an alleged violation of Government Code Section 53075.9 pertaining to advertising, a copy or exemplar of the advertising information (such as the sign, business card, advertising display, webpage, electronic recording or phone directory) evidencing non-compliance with the statute.

11.2.2. The person providing the information in subsection 11.2.1 above shall provide his/her identity and be available to testify in administrative proceedings pertaining to the alleged violation. The identity of members of the public shall not be released under Public Records Act requests, but shall be available to parties against whom the proceedings are brought.

11.3. OCTAP Administrator Review and Authority.

11.3.1. Upon review of the information required hereunder, and if the OCTAP Administrator or designee determines that the evidence warrants it, the OCTAP Administrator or designee may notify the alleged offending Company and/or Driver of the alleged violation evidenced by the information, and give notice of, and hold within 60 days of such notice, an administrative hearing to consider the Company's and/or Driver's response to the evidence of violation, and to consider the imposition of administrative penalties for the violation pursuant to Government Code Section 53075.9(c), and an assessment sufficient to cover the reasonable expense of investigating the violation. Within ten (10) days of the administrative hearing, the OCTAP Administrator or designee shall notify the Company and/or Driver in writing of his/her decision. Any administrative penalty in the form of a monetary fine shall be due and payable within thirty (30) days of the date of the decision. The decision of the OCTAP Administrator or designee and imposition of the cost recovery assessment is subject to appeal within ten (10) days of the decision pursuant to Section 12 below.

- 11.3.2. In lieu of notifying the Company and/or Driver of the alleged violation evidenced by the information required hereunder, the OCTAP Administrator or designee may forward the information with a recommendation for prosecution or appropriate civil proceedings against the Company and/or Driver to the prosecutor for the member Agency in whose jurisdiction the alleged violations occurred. The recommendation shall include a statement of the costs to OCTAP for investigating the alleged violation.
- 11.3.3. Pursuant to Government Code Section 53075.9(c), OCTAP shall collect interest at the rate of 10% per annum for all unpaid fines and assessments, commencing on the day following when the payment of the fine and assessment is due. All fines, assessments, and interest collected shall be deposited at least once each month in a fund established for the purpose of enforcing the provisions of this Section.

12. APPEAL

12.1. Notice of adverse action.

In the event a permit is proposed to be denied, suspended revoked, or a penalty imposed, the applicant, Permittee or Driver shall be notified in writing of the proposed adverse action and the reason(s) supporting it.

12.2. Notice of appeal.

No later than ten (10) days following the date on the notice of proposed adverse action, the applicant, Permittee, or Driver may submit a written appeal on a form provided by OCTAP. The applicant, Permittee, or Driver shall set forth in the appeal the reason(s) why such action is not proper. Failure to file a timely appeal shall constitute a waiver of the right to an appeal.

12.3. Stay.

Except as provided in Section 12.4, once an appeal is filed, the proposed adverse action shall be stayed pending the final determination on appeal.

12.4. Stay, exception.

If, in the OCTAP Administrator's opinion, the continued operation of a Taxicab, possession of a Company Permit, or possession of a Driver Permit represents a health or safety hazard for the public, the adverse action shall not be stayed pending the final determination on appeal.

12.5. Initial review of appeal.

If an appeal is timely filed, the OCTAP Administrator shall either make the final decision regarding the appeal or shall assign a hearing officer to make the final decision regarding the appeal. The OCTAP Administrator may review the appeal and any additional information provided therein and shall have the discretion to determine the appropriate action in response to the appeal.

12.6. Hearing Officer.

In the event the OCTAP Administrator elects to assign a hearing officer to decide the appeal then the following shall apply:

- 12.6.1. The hearing officer shall not be an OCTA employee;
- 12.6.2. The hearing officer shall expeditiously schedule the appeal hearing.
- 12.6.3. The appellant and the OCTAP Administrator or the Administrator's designee shall each have the right to appear in person and be represented by legal counsel or other representative, to present evidence, to call and cross-examine witnesses under oath, and to present argument.
- 12.6.4. The formal rules of evidence shall not apply, and any relevant evidence that is the sort of evidence upon which responsible persons are accustomed to rely in the conduct of serious affairs shall be admissible.
- 12.6.5. Hearsay evidence may be considered by the hearing officer, but no findings may be based solely on hearsay evidence unless supported or corroborated by other relevant and competent evidence.
- 12.6.6. The OCTAP Administrator may promulgate supplementary rules and procedures for the conduct of the hearing, the forms of notice and proceedings, and the preparation and submission of the record.
- 12.6.7. The hearing officer shall have the discretion to determine the appropriate action in response to the appeal.
- 12.6.8. The decision of the hearing officer shall be the final administrative remedy and shall be binding upon the parties to the appeal.

- 12.6.9. If the hearing officer decides to suspend or revoke a permit, the appellant shall immediately surrender the permit to the OCTAP Administrator.

13. AMENDMENT(S) TO REGULATIONS

13.1. Administrative Amendment(s).

The Steering Committee may adopt administrative amendment(s) to the OCTAP Regulations. OCTAP shall forthwith notify each Agency and the OCTA Board of Directors of any changes adopted pursuant to this section.

13.2. Substantive Amendment(s).

Notwithstanding section 13.1 above, the Steering Committee is not authorized to adopt substantive amendment(s) to the OCTAP Regulations. Substantive amendment(s) shall be recommended by the Steering Committee and substantive amendment(s) must be approved by each Agency and shall be effective only in the Area of Jurisdiction of each Agency that has approved the amendment(s). For purposes of this section, a substantive amendment is defined as an amendment likely to have any of the following effects:

- 13.2.2. Decrease the number of Companies or the number of Taxicabs operating in the Area of Jurisdiction of any Agency; or
- 13.2.3. Affect the purpose of the OCTAP Regulations.

13.3. OCTAP Permit Fees and Taxicab Passenger Fares.

- 13.3.1. Sections 13.1 and 13.2 above shall not apply to an amendment to the OCTAP fee schedule, attached hereto as Attachment "1," which is adopted by the OCTA Board of Directors.
- 13.3.2. An amendment of the Taxicab passenger fares attached hereto as Attachment "2" and adopted pursuant to Section 10.2.2.6 of these Regulations shall be considered an administrative amendment pursuant to Section 13.1 in order to ensure uniformity of fares within Orange County.
