B. The terms and definitions of this paragraph have the meanings set out in the Definitions and Coverage sections of the rules implementing 51 F.R. 6370.

VIII. DELEGATION, ASSIGNMENT AND SUBCONTRACTS

A. CONTRACTOR may not delegate the obligations hereunder, either in whole or in part, without prior written consent of COUNTY. CONTRACTOR shall provide written notification of CONTRACTOR's intent to delegate the obligations hereunder, either in whole or part, to ADMINISTRATOR not less than sixty (60) calendar days prior to the effective date of the delegation. Any attempted assignment or delegation in derogation of this paragraph shall be void.

B. CONTRACTOR may not assign the rights hereunder, either in whole or in part, without the prior written consent of COUNTY.

1. If CONTRACTOR is a nonprofit organization, any change from a nonprofit corporation to any other corporate structure of CONTRACTOR, including a change in more than fifty percent (50%) of the composition of the Board of Directors within a two (2) month period of time, shall be deemed an

1 assignment for purposes of this paragraph, unless CONTRACTOR is transitioning from a community
2 clinic/health center to a Federally Qualified Health Center and has been so designated by the Federal
3 Government. Any attempted assignment or delegation in derogation of this subparagraph shall be void.

4 2. If CONTRACTOR is a for-profit organization, any change in the business structure,
5 including but not limited to, the sale or transfer of more than ten percent (10%) of the assets or stocks of

17 hereunder, either in whole or part, to ADMINISTRATOR not less than sixty (60) calendar days prior to
18 the effective date of the assignment.

19 5. Whether CONTRACTOR is a nonprofit, for-profit, or a governmental organization,
20 CONTRACTOR shall provide written notification within thirty (30) calendar days to

23 C. CONTRACTOR's obligations undertaken pursuant to this Agreement may be carried out by
24 means of subcontracts, provided such subcontracts are approved in advance, in writing by
25 ADMINISTRATOR, meet the requirements of this Agreement as they relate to the service or activity
26 under subcontract, and include any provisions that ADMINISTRATOR may require.

27 1. After approval of a subcontract, ADMINISTRATOR may revoke the approval of a
28 subcontract upon five (5) calendar days' written notice to CONTRACTOR if the subcontract
29 subsequently fails to meet the requirements of this Agreement or any provisions that
30 ADMINISTRATOR has required.

31 2. No subcontract shall terminate or alter the responsibilities of CONTRACTOR to COUNTY
32 pursuant to this Agreement.

33 3. ADMINISTRATOR may disallow, from payments otherwise due CONTRACTOR,
34 amounts claimed for subcontracts not approved in accordance with this paragraph.

35 4. This provision shall not be applicable to service agreements usually and customarily
36 entered into by CONTRACTOR to obtain or arrange for supplies, technical support, and professional
37 services provided by consultants.

IX. EMPLOYEE ELIGIBILITY VERIFICATION

CONTRACTOR warrants that it shall fully comply with all federal and state statutes and regulations regarding the employment of aliens and others and to ensure that employees, subcontractors, and consultants performing work under this Agreement meet the citizenship or alien status requirements set forth in federal statutes and regulations. CONTRACTOR shall obtain, from all employees, subcontractors, and consultants performing work hereunder, all verification and other documentation of employment eligibility status required by federal or state statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986, 8 USC §1324 et seq., as they currently exist and as they may be hereafter amended. CONTRACTOR shall retain all such documentation for all covered employees, subcontractors, and consultants for the period prescribed by the law.

X. EQUIPMENT

A. Unless otherwise specified in writing by ADMINISTRATOR, Equipment is defined as all property of a Relatively Permanent nature with significant value, purchased in whole or in part by ADMINISTRATOR to assist in performing the services described in this Agreement. “Relatively Permanent” is defined as having a useful life of one year or longer. Equipment which costs \$5,000 or over, including freight charges, sales taxes, and other taxes, and installation costs are defined as Capital Assets. Equipment which costs between \$600 and \$5,000, including freight charges, sales taxes and other taxes, and installation costs, or electronic equipment that costs less than \$600 but may contained PHI or PII, are defined as Controlled Equipment. Controlled Equipment includes, but is not limited to phones, tablets, audio/visual equipment, computer equipment, and lab equipment. The cost of Equipment purchased, in whole or in part, with funds paid pursuant to this Agreement shall be depreciated according to GAAP.

B. CONTRACTOR shall obtain ADMINISTRATOR’s prior written approval to purchase any Equipment with funds paid pursuant to this Agreement. Upon delivery of Equipment, CONTRACTOR shall forward to ADMINISTRATOR, copies of the purchase order, receipt, and other supporting documentation, which includes delivery date, unit price, tax, shipping and serial numbers. CONTRACTOR shall request an applicable asset tag for said Equipment and shall include each purchased asset in an Equipment inventory.

C. Upon ADMINISTRATOR’s prior written approval, CONTRACTOR may expense to COUNTY the cost of the approved Equipment purchased by CONTRACTOR. To “expense,” in relation to Equipment, means to charge the proportionate cost of Equipment in the fiscal year in which it is purchased. Title of expensed Equipment shall be vested with COUNTY.

D. CONTRACTOR shall maintain an inventory of all Equipment purchased in whole or in part with funds paid through this Agreement, including date of purchase, purchase price, serial number, model and type of Equipment. Such inventory shall be available for review by ADMINISTRATOR,

//

1 and shall include the original purchase date and price, useful life, and balance of depreciated Equipment
2 cost, if any.

3 E. CONTRACTOR shall cooperate with ADMINISTRATOR in conducting periodic physical
4 inventories of all Equipment. Upon demand by ADMINISTRATOR, CONTRACTOR shall return any
5 or all Equipment to COUNTY.

6 F. CONTRACTOR must report any loss or theft of Equipment in accordance with the procedure
7 approved by ADMINISTRATOR and the Notices Paragraph of this Agreement. In addition,
8 CONTRACTOR must complete and submit to ADMINISTRATOR a notification form when items of
9 Equipment are moved from one location to another or returned to COUNTY as surplus.

10 G. Unless this Agreement is followed without interruption by another agreement between the
11 parties for substantially the same type and scope of services, at the termination of this Agreement for
12 any cause, CONTRACTOR shall return to COUNTY all Equipment purchased with funds paid through
13 this Agreement.

14 H. CONTRACTOR shall maintain and administer a sound business program for ensuring the
15 proper use, maintenance, repair, protection, insurance, and preservation of COUNTY Equipment.
16

17 **XI. FACILITIES, PAYMENTS AND SERVICES**

18 A. CONTRACTOR agrees to provide the services, staffing, facilities, and supplies in accordance
19 with this Agreement. COUNTY shall compensate, and authorize, when applicable, said services.
20 CONTRACTOR shall operate continuously throughout the term of this Agreement with at least the
21 minimum number and type of staff which meet applicable federal and state requirements, and which are
22 necessary for the provision of the services hereunder.

23 B. In the event that CONTRACTOR is unable to provide the services, staffing, facilities, or
24 supplies as required, ADMINISTRATOR may, at its sole discretion, reduce the Maximum Obligation
25 for the appropriate Period as well as the Total Maximum Obligation. The reduction to the Maximum
26 Obligation for the appropriate Period as well as the Total Maximum Obligation shall be in an amount
27 proportionate to the number of days in which CONTRACTOR was determined to be unable to provide
28 services, staffing, facilities or supplies.
29

30 **XII. INDEMNIFICATION AND INSURANCE**

31 A. CONTRACTOR agrees to indemnify, defend with counsel approved in writing by COUNTY,
32 and hold COUNTY, its elected and appointed officials, officers, employees, agents and those special
33 districts and agencies for which COUNTY's Board of Supervisors acts as the governing Board
34 ("COUNTY INDEMNITEES") harmless from any claims, demands or liability of any kind or nature,
35 including but not limited to personal injury or property damage, arising from or related to the services,
36 products or other performance provided by CONTRACTOR pursuant to this Agreement. If judgment is
37 entered against CONTRACTOR and COUNTY by a court of competent jurisdiction because of the

1 concurrent active negligence of COUNTY or COUNTY INDEMNITEES, CONTRACTOR and
2 COUNTY agree that liability will be apportioned as determined by the court. Neither Party shall
3 request a jury apportionment.

4 B. Prior to the provision of services under this Agreement, CONTRACTOR agrees to purchase all
5 required insurance at CONTRACTOR's expense, including all endorsements required herein, necessary
6 to satisfy COUNTY that the insurance provisions of this Agreement have been complied with.
7 CONTRACTOR agrees to keep such insurance coverage, Certificates of Insurance, and endorsements
8 on deposit with COUNTY during the entire term of this Agreement. In addition, all subcontractors
9 performing work on behalf of CONTRACTOR pursuant to this Agreement shall obtain insurance
10 subject to the same terms and conditions as set forth herein for CONTRACTOR.

11 C. CONTRACTOR shall ensure that all subcontractors performing work on behalf of
12 CONTRACTOR pursuant to this Agreement shall be covered under CONTRACTOR's insurance as an
13 Additional Insured or maintain insurance subject to the same terms and conditions as set forth herein for
14 CONTRACTOR. CONTRACTOR shall not allow subcontractors to work if subcontractors have less
15 than the level of coverage required by COUNTY from CONTRACTOR under this Agreement. It is the
16 obligation of CONTRACTOR to provide notice of the insurance requirements to every subcontractor
17 and to receive proof of insurance prior to allowing any subcontractor to begin work. Such proof of
18 insurance must be maintained by CONTRACTOR through the entirety of this Agreement for inspection
19 by COUNTY representative(s) at any reasonable time.

20 D. All SIRs and deductibles shall be clearly stated on the COI. If no SIRs or deductibles apply,
21 indicate this on the COI with a zero (0) by the appropriate line of coverage. Any SIR or deductible in an
22 amount in excess of \$50,000 (\$5,000 for automobile liability) shall specifically be approved by the
23 CEO/Office of Risk Management upon review of CONTRACTOR's current audited financial report. If
24 CONTRACTOR's SIR is approved, CONTRACTOR, in addition to, and without limitation of, any
25 other indemnity provision(s) in this Agreement, agrees to all of the following:

26 1. In addition to the duty to indemnify and hold the COUNTY harmless against any and all
27 liability, claim, demand or suit resulting from CONTRACTOR's, its agents, employee's or
28 subcontractor's performance of this Agreement, CONTRACTOR shall defend the COUNTY at its sole
29 cost and expense with counsel approved by Board of Supervisors against same; and

30 2. CONTRACTOR's duty to defend, as stated above, shall be absolute and irrespective of any
31 duty to indemnify or hold harmless; and

32 3. The provisions of California Civil Code Section 2860 shall apply to any and all actions to
33 which the duty to defend stated above applies, and the CONTRACTOR's SIR provision shall be
34 interpreted as though the CONTRACTOR was an insurer and the COUNTY was the insured.

35 //

36 //

37 //

1 E. If CONTRACTOR fails to maintain insurance as required in this Paragraph XII
 2 (INDEMNIFICATION AND INSURANCE) for the full term of this Agreement, such failure shall
 3 constitute a breach of CONTRACTOR’s obligation hereunder and grounds for COUNTY to terminate
 4 this Agreement.

5 F. QUALIFIED INSURER

6 1. The policy or policies of insurance must be issued by an insurer with a minimum rating of
 7 A- (Secure A.M. Best’s Rating) and VIII (Financial Size Category as determined by the most current
 8 edition of the Best’s Key Rating Guide/Property-Casualty/United States or ambest.com). It is preferred,
 9 but not mandatory, that the insurer be licensed to do business in the state of California (California
 10 Admitted Carrier).

11 2. If the insurance carrier does not have an A.M. Best Rating of A-/VIII, the CEO/Office of
 12 Risk Management retains the right to approve or reject a carrier after a review of the company’s
 13 performance and financial ratings.

14 G. The policy or policies of insurance maintained by CONTRACTOR shall provide the minimum
 15 limits and coverage as set forth below:

<u>Coverage</u>	<u>Minimum Limits</u>

I. REQUIRED ENDORSEMENTS

1. The Commercial General Liability policy shall contain the following endorsements, which shall accompany the COI:

a. An Additional Insured endorsement using ISO form CG 20 26 04 13 or a form at least as broad naming the County of Orange, its elected and appointed officials, officers, employees, and agents as Additional Insureds, or provide blanket coverage, which will state **AS REQUIRED BY WRITTEN AGREEMENT.**

b. A primary non-contributing endorsement using ISO form CG 20 01 04 13, or a form at least as broad evidencing that the CONTRACTOR's insurance is primary and any insurance or self-insurance maintained by the County of Orange shall be excess and non-contributing.

L. CONTRACTOR shall notify COUNTY in writing within thirty (30) days of any policy cancellation and within ten (10) days for non-payment of premium and provide a copy of the cancellation notice to COUNTY. Failure to provide written notice of cancellation shall constitute a breach of CONTRACTOR's obligation hereunder and ground for COUNTY to terminate this Agreement.

M. If CONTRACTOR's Professional Liability and/or Network Security & Privacy Liability are "Claims Made" policy(ies), CONTRACTOR shall agree to maintain coverage for two (2) years following the completion of the Agreement.

1 N. The Commercial General Liability policy shall contain a “severability of interests” clause also
2 known as a “separation of insureds” clause (standard in the ISO CG 0001 policy).

3 O. COUNTY expressly retains the right to require CONTRACTOR to increase or decrease
4 insurance of any of the above insurance types throughout the term of this Agreement. Any increase or
5 decrease in insurance will be as deemed by County of Orange Risk Manager as appropriate to
6 adequately protect COUNTY.

7 P. COUNTY shall notify CONTRACTOR in writing of changes in the insurance requirements. If
8 CONTRACTOR does not deposit copies of acceptable COIs and endorsements with COUNTY
9 incorporating such changes within thirty (30) calendar days of receipt of such notice, such failure shall
10 constitute a breach of CONTRACTOR’s obligation hereunder and ground for termination of this
11 Agreement by COUNTY.

12 Q. The procuring of such required policy or policies of insurance shall not be construed to limit
13 CONTRACTOR’s liability hereunder nor to fulfill the indemnification provisions and requirements of
14 this Agreement, nor act in any way to reduce the policy coverage and limits available from the insurer.

15 R. SUBMISSION OF INSURANCE DOCUMENTS

16 1. The COI and endorsements shall be provided to COUNTY as follows:

- 17 a. Prior to the start date of this Agreement.

22 the Referenced Contract Provisions of this Agreement.

23 3. If CONTRACTOR fails to submit the COI and endorsements that meet the insurance
24 provisions stipulated in this Agreement by the above specified due dates, ADMINISTRATOR shall
25 have sole discretion to impose one or both of the following:

26 a. ADMINISTRATOR may withhold or delay any or all payments due CONTRACTOR
27 pursuant to any and all Agreements between COUNTY and CONTRACTOR until such time that the
28 required COI and endorsements that meet the insurance provisions stipulated in this Agreement are
29 submitted to ADMINISTRATOR.

30 b. CONTRACTOR may be assessed a penalty of one hundred dollars (\$100) for each late
31 COI or endorsement for each business day, pursuant to any and all Agreements between COUNTY and
32 CONTRACTOR, until such time that the required COI and endorsements that meet the insurance
33 provisions stipulated in this Agreement are submitted to ADMINISTRATOR.

34 c. If CONTRACTOR is assessed a late penalty, the amount shall be deducted from
35 CONTRACTOR’s monthly invoice.

36 //

37 //

1 4. In no cases shall assurances by CONTRACTOR, its employees, agents, including any
2 insurance agent, be construed as adequate evidence of insurance. COUNTY will only accept valid COIs
3 and endorsements, or in the interim, an insurance binder as adequate evidence of insurance coverage.
4

5 **XIII. INSPECTIONS AND AUDITS**

6 A. ADMINISTRATOR, any authorized representative of COUNTY, any authorized representative
7 of the State of California, the Secretary of the United States Department of Health and Human Services,
8 the Comptroller General of the United States, or any other of their authorized representatives, shall have
9 access to any books, documents, and records, including but not limited to, financial statements, general
10 ledgers, relevant accounting systems, medical and client records, of CONTRACTOR that are directly

12 audit, review, evaluation, or examination, or making transcripts during the periods of retention set forth
13 in the Records Management and Maintenance Paragraph of this Agreement. Such persons may at all
14 reasonable times inspect or otherwise evaluate the services provided pursuant to this Agreement, and the
15 premises in which they are provided.

16 B. CONTRACTOR shall actively participate and cooperate with any person specified in
17 Subparagraph A. above in any evaluation or monitoring of the services provided pursuant to this
18 Agreement, and shall provide the above-mentioned persons adequate office space to conduct such
19 evaluation or monitoring.

20 C. AUDIT RESPONSE

21 1. Following an audit report, in the event of non-compliance with applicable laws and
22 regulations governing funds provided through this Agreement, COUNTY may terminate this Agreement
23 as provided for in the Termination Paragraph or direct CONTRACTOR to immediately implement
24 appropriate corrective action. A plan of corrective action shall be submitted to ADMINISTRATOR in
25 writing within thirty (30) calendar days after receiving notice from ADMINISTRATOR.

26 2. If the audit reveals that money is payable from one party to the other, that is, reimbursement
27 by CONTRACTOR to COUNTY, or payment of sums due from COUNTY to CONTRACTOR, said
28 funds shall be due and payable from one party to the other within sixty (60) calendar days of receipt of
29 the audit results. If reimbursement is due from CONTRACTOR to COUNTY, and such reimbursement
30 is not received within said sixty (60) calendar days, COUNTY may, in addition to any other remedies
31 provided by law, reduce any amount owed CONTRACTOR by an amount not to exceed the
32 reimbursement due COUNTY.

33 D. CONTRACTOR shall retain a licensed certified public accountant, who will prepare an annual
34 Single Audit as required by 31 USC 7501 – 7507, as well as its implementing regulations under 2 CFR

2 fourteen (14) calendar days of receipt. Such audit shall include, but not be limited to, management,
3 financial, programmatic or any other type of audit of CONTRACTOR's operations, whether or not the
4 cost of such operation or audit is reimbursed in whole or in part through this Agreement.
5

6 **XIV. LICENSES AND LAWS**

7 A. CONTRACTOR, its officers, agents, employees, affiliates, and subcontractors shall, throughout
8 the term of this Agreement, maintain all necessary licenses, permits, approvals, certificates,
9 accreditations, waivers, and exemptions necessary for the provision of the services hereunder and
10 required by the laws, regulations and requirements of the United States, the State of California,
11 COUNTY, and all other applicable governmental agencies. CONTRACTOR shall notify
12 ADMINISTRATOR immediately and in writing of its inability to obtain or maintain, irrespective of the
13 pendency of any hearings or appeals, permits, licenses, approvals, certificates, accreditations, waivers
14 and exemptions. Said inability shall be cause for termination of this Agreement.

15 **B. ENFORCEMENT OF CHILD SUPPORT OBLIGATIONS**

16 1. CONTRACTOR agrees to furnish to ADMINISTRATOR within thirty (30) calendar days

24 state reporting requirements regarding its employees;

25 d. A certification that CONTRACTOR has fully complied with all lawfully served Wage

28 Subparagraphs 1.a., 1.b., 1.c., or 1.d. above, or to comply with all federal and state employee reporting
29 requirements for child support enforcement, or to comply with all lawfully served Wage and Earnings
30 Assignment Orders and Notices of Assignment, shall constitute a material breach of this Agreement;
31 and failure to cure such breach within sixty (60) calendar days of notice from COUNTY shall constitute
32 grounds for termination of this Agreement.

33 3. It is expressly understood that this data will be transmitted to governmental agencies
34 charged with the establishment and enforcement of child support orders, or as permitted by federal
35 and/or state statute.

4 year-to-date provisional amount payments to CONTRACTOR's and the year-to-date actual cost incurred
5 by CONTRACTOR.

6 3. If, at any time, CONTRACTOR's Expenditure and Revenue Reports indicate that the
7 provisional amount payments are less than the actual cost of providing services, ADMINISTRATOR
8 may authorize an increase in the provisional amount payment to CONTRACTOR by an amount not to

- 8 3. Co-occurring substance use disorders; or
- 9 4. Unserved or underserved or not successfully engaged in traditional mental health services.

10 C. PROGRAM PHILOSOPHIES – CONTRACTOR’s program shall be guided by the following
11 values, philosophies, and approaches to recovery in the services provided:

13 worldview and belief systems and to enhance the therapeutic relationship, intervention, and outcome.
14 Consideration to how Clients’ identify in terms of race, ethnicity, sexual orientation, and spirituality
15 shall be considered when developing and providing services.

16 2. Being Fully Served, Ensuring Integrated Experience – To begin to understand and apply
17 FSP practices, one must first understand the concepts inherent in the carefully selected phrase Full
18 Service Partnership, including the idea of what it means to “be fully served” and providing an integrated
19 service experience within the FSP. Individuals who have been diagnosed with a serious mental illness
20 shall receive mental health services through an individual service plan where both the Client and their
21 PSC agree that they are getting the services they want and need, in order to achieve their wellness and
22 recovery goals.

23 3. Tailoring Service Coordination to Client Stage of Recovery – CONTRACTOR shall
24 identify and define levels of service and supports that create a continuum of services based on the
25 Clients’ stages of recovery to ensure that Clients are “fully served.”

26 4. Outreach and Engagement – CONTRACTOR shall form the foundation of a partnership by
27 bringing individuals successfully into the FSP as well as to retain Clients in the FSP while they need
28 services.

29 5. Welcoming Environments – CONTRACTOR shall convey a sense of welcoming to Clients
30 that reflects the belief in recovery. The healing and recovery process will not truly begin until a Client
31 feels welcomed and accepted into the services and supports provided by the FSP team.

32 6. Stage of Readiness for Change – CONTRACTOR shall effect change by first focusing
33 interventions based on Clients’ Stage of Readiness of Change toward changing behaviors and have
34 concrete interventions and supports to support the Client’s move towards recovery in that specific area
35 of their life.

36 7. Client or Person Centered Treatment Planning and Service Delivery – CONTRACTOR
37 shall promote a foundation for healing through the relationship between the Client and Personal Services

1 Coordinator or FSP team through the use of Client or Person Centered Treatment Planning and Service
2 Delivery.

3 8. Fostering Independence, Self-Determination and Transitioning to Community Supports –
4 CONTRACTOR shall assist Clients in becoming more engaged in their recovery to reduce reliance on
5 the mental health system, as mental health interventions become less necessary.

6 9. Community Capacity Building – CONTRACTOR shall assist Clients in managing and
7 living productive lives in their community; to reduce unnecessary Client reliance on the mental health
8 system; and to increase capacity within the system to serve new Clients.

9 10. Use of Strength-Based Approach – CONTRACTOR shall help Clients identify and use
10 their individual strengths in treatment as an effective way to help Clients achieve their goals and believe
11 that recovery is possible.

12 11. Client Self-Management – CONTRACTOR shall assist Clients in learning to assume more
13 responsibility for their overall care by becoming more involved in decision-making and successfully
14 manage their symptoms.

15 12. Integrated Services for Clients with Co-Occurring Substance Use and Mental Health
16 Disorders – CONTRACTOR shall integrate substance use and mental health services into one treatment
17 plan as it is critical to the recovery process for both disorders. Integrated Dual Disorder Treatment
18 model is an approach that helps people recover by offering treatments that combine or integrate mental
19 health and substance use interventions at the level of the clinical encounter. Ultimately, the goal of
20 Integrated Dual Disorder Treatment is to help people manage both their mental illness and substance use
21 disorders so that they can pursue their own meaningful life goals.

22 13. Role of Medication and Therapy – CONTRACTOR shall understand the potential role and
23 value of therapy, counseling, and role modeling as treatment modalities within a FSP. CONTRACTOR

25 support his/her success.

26 14. Reconnecting with Family – CONTRACTOR shall facilitate the recovery process and add
27 an element of social support to the Client and include the family in services.

28 15. Increasing Social Supports and Community Integration – CONTRACTOR shall work with
29 Clients to shift Clients’ support from weighing heavily on the mental health system to weighing more
30 heavily in the community. CONTRACTOR shall focus on increasing Clients’ social network and
31 increasing their opportunities to meet new people as Clients recovery progresses.

32 16. Education, Employment and Volunteering – CONTRACTOR shall work with Clients to
33 engage in activities that are meaningful, create self-sufficiency, and give back to the community.

34 17. Reducing Involvement in the Criminal Justice System – CONTRACTOR shall minimize
35 Client contact with law enforcement and the judicial system.

36 18. Linkage to and Coordination of Health Care – CONTRACTOR shall ensure all FSP Clients
37 have access to needed comprehensive health care. Access to these services is particularly critical since

1 mental health Clients often have undiagnosed and untreated medical conditions that result in chronic
2 medical conditions and premature death.

3 19. Coordination of Inpatient Care/Incarceration – CONTRACTOR shall ensure coordination
4 of services when FSP Clients are in a psychiatric hospital or incarcerated and plan for a successful
5 discharge.

6 20. Team Service Approach and Meeting Structure – CONTRACTOR shall utilize the FSP
7 team as a whole in treatment and service planning.

8 21. Use of Peer Staff – CONTRACTOR shall identify meaningful roles for peer employees as
9 part of a FSP team. Employing Clients is transformational and not only helps Clients give back to the
10 system that helped them recover, but also, if done with care, will reduce the stigma associated with
11 mental illness.

12 22. Creating an Array of Readily Available Housing Options – CONTRACTOR shall establish
13 safe, affordable, and permanent housing for each Client.

14 23. Graduation is the expected outcome for all Clients and is not only crucial to the Clients as
15 validation of their accomplishments and belief in their potential, but is also crucial for capacity and flow
16 through our system. CONTRACTOR shall work with Clients to provide enough support for Clients to
17 develop the confidence to move to lower levels of care or full community integration.

18 24. Evidence-Based Practices – CONTRACTOR shall focus on using EBPs whenever possible.
19 CONTRACTOR shall have the needed expertise to collect and analyze data and outcomes in line with
20 established fidelity measures. This expertise will ensure desired outcomes are achieved and routinely
21 tested for accuracy.

22 25. CONTRACTOR shall conduct ongoing evaluation of practices and outcomes to ensure that
23 all components of MHSA FSP philosophy, as outlined above, are successfully implemented and
24 achieving desired results. These results will be made available to COUNTY and the general public via:
25 the MHSA website, quarterly outcome focused management meetings and public forums upon request
26 and approval of COUNTY.

30 Client to cope with the crisis while maintaining his/her functioning status within the community and aim
31 at preventing further decompensation. This may include assessment for involuntary hospitalization.
32 This service must be available twenty-four (24) hours per day, seven (7) days per week.

3 psychotropic medications shall be discussed with the Client and documented.

4 c. Medication support services may occur in the office or in the field.

5 3. Co-Occurring Services: Follow a program that uses a stage-wise treatment model that is
6 non-confrontational, follows behavioral principles, considers interactions between mental illness and
7 substance use and has gradual expectations of abstinence. Mental illness and substance use research has
8 strongly indicated that to recover fully, a Client with co-occurring disorder needs treatment for both
9 problems as focusing on one does not ensure the other will go away. Co-occurring services integrate
10 assistance for each condition, helping people recover from both in one setting at the same time. All
11 treatment team members shall be co-occurring capable. When appropriate, the American Society of
12 Addiction Medicine (ASAM) criteria shall be utilized to identify an appropriate level of co-occurring
13 treatment indicated. Individuals with co-occurring issues shall be provided a range of co-occurring
14 services including linkage to medical detox, social detox, residential treatment, etc.

15 4. Vocational and Educational Services: As part of the continuum of recovery it is important
16 that Clients develop an "identity" other than that of a mental health Client; towards this end Clients will
17 be supported in exploring a full range of opportunities, including but not limited to, volunteer
18 opportunities, part-time/full-time work, supported employment, competitive employment and
19 educational opportunities. CONTRACTOR's staff shall have a dedicated Vocational/Educational
20 Specialist to assist enrolled Clients with these services.

21 a. Educational Services: CONTRACTOR shall engage Clients in activities to support
22 them in achieving the highest educational functioning possible. Services and activities may include

25 educational goals.

26 b. Pre-Vocational/Vocational Services: CONTRACTOR shall engage Clients in pre-
27 vocational/vocational activities that assist them in determining their skills, interests, values, and realistic
28 career goals, and services that help them in developing work skills, gaining work experience and finding
29 employment. Activities and services may include, but not be limited to the following areas: career
30 exploration, identification of personal strengths, values, and talents, resume writing, job seeking skills,
31 interviewing skills, job coaching, job placement, job retention, and symptom management in the
32 workplace. The intent of these activities and services is to actively involve Clients in identifying and
33 developing their own positive work identities; building self-confidence and vocational skills; and
34 ultimately obtaining and maintaining employment. CONTRACTOR shall assist Clients to find
35 employment settings that match the Clients' interests, abilities, aptitudes, strengths and individualized
36 goals, and provide supportive services to ensure vocational success.

37 //

1 c. Job Coaching/Developing: The Employment Specialist shall assist Clients in the
2 exploration of various career options as well as actively strategizing collaborative relationships in the
3 private and public sector to create job opportunities for Clients. This position will work closely with
4 management staff and the Data Analyst to explore and implement evidence-based best practices in this
5 area.

6 5. Family and Peer Support Services:

7 a. Connection to community, family and friends is a critical element to recovery and shall
8 be an integral part of CONTRACTOR's services. The PSCs will work to include Client's natural
9 support system in treatment and services; peers will be hired as Peer Recovery Specialists to assist
10 Clients in their recovery.

11 b. Supportive Socialization and Meaningful Community Roles: CONTRACTOR shall

15 include, but not be limited to: provision of bus tickets; transportation to appointments deemed necessary
16 for the Client care; or transportation for emergency psychiatric evaluation or treatment.

17 7. Money Management/Representative Payee Support Services: CONTRACTOR shall
18 designate a bonded Representative Payee to provide money management services to those Clients who
19 are not able to manage their finances independently. These Clients include those that have funding, but
20 are not able to or willing to meet their basic needs without assistance. Money management will also
21 include individual and/or group education regarding personal budgeting.

22 8. On-call Services: CONTRACTOR shall provide on-call services. CONTRACTOR staff
23 must be available twenty-four (24) hours per day, seven (7) days per week for intensive case

25 in person in a timely manner when indicated.

26 9. Linkage to Financial Benefits/Entitlements: CONTRACTOR shall employ a Benefits
27 Specialist to assist Clients in accessing financial benefits and/or entitlements, or other needed
28 community services for eligible individuals. The specialist shall be knowledgeable of entitlements, such
29 as SSI/SSDI, CalFresh, General Relief, and will work with Clients to gather records, complete the
30 application process, and secure benefits/entitlements as quickly as possible.

31 10. Housing Services: CONTRACTOR shall provide a continuum of housing and housing
32 support to Full Service Partnership Clients. This service category includes a comprehensive needs
33 assessment, linkage and placement in a safe living arrangement, and ongoing support to sustain an
34 appropriate level of housing. CONTRACTOR shall prioritize obtaining appropriate housing and
35 providing supportive services for individuals immediately upon enrollment, and throughout the recovery
36 process. CONTRACTOR shall use a Housing First model, an approach that is centered on the belief
37 that individuals can achieve stability in permanent housing directly from homelessness and that stable

1 housing is the foundation for pursuing other health and life goals; thus services are oriented to help
2 individuals obtain permanent housing as quickly and with as few intermediate steps as possible.
3 CONTRACTOR shall provide services and supports to help Clients engage in needed services, and
4 identify and address housing issues in order to achieve and maintain housing stability. CONTRACTOR
5 shall develop working relationships and collaborations with COUNTY's Housing Services, local
6 housing authorities, housing providers, property owners, property management staff, etc. to ensure that
7 Clients have access to an array of readily available housing options, facilitate successful transition and
8 placement, and maximize the Clients' ability to live independently in the community. All housing
9 options provided by a FSP must meet minimum requirements set by the COUNTY. CONTRACTOR's
10 staff shall include a Housing Specialist and, if needed, a Supportive Housing PSC to provide housing
11 services and supports to all enrolled Clients. Housing options shall include, but not be limited to:

12 a. Emergency Housing: Immediate shelter for critical access for individuals who are
13 homeless or have no other immediate housing options available. Emergency housing is a time-limited
14 event and shall only be utilized until a more suitable housing arrangement can be secured.

15 b. Motel Housing: For individuals who may be unwilling or are inappropriate for a
16 shelter, or when no shelter is available, motel housing may be utilized. Motel housing is time-limited in
17 nature and shall only be utilized as a last resort until a more appropriate housing arrangement can be
18 secured. Pre-purchase of motel rooms shall be in accordance with CONTRACTOR's P&P, as identified
19 in the Flexible Funds Paragraph of this Exhibit A.

20 c. Transitional Housing: For individuals who will benefit from an intermediate step
21 between shelter and permanent housing. Transitional housing provides structures and programming in
22 the context of housing such as Board and Care or Room and Board. CONTRACTOR may look into
23 housing options such as master leasing.

24 d. Permanent Housing: Obtaining permanent housing is an overarching goal for all FSP
25 members. Permanent housing refers to housing where tenants have leases that confer the full rights,
26 responsibilities and legal protections under housing laws; and includes, but is not limited to, utilization
27 of Continuum of Care Vouchers, and living independently in homes/apartments and County based
28 housing projects.

29 e. Residential Substance Use Treatment Programs and Sober Living Homes as a housing
30 option shall be available when appropriate to provide the Clients the highest probability of success
31 towards recovery.

32 11. Integration and Linkage to Primary Care: CONTRACTOR shall work to provide every
33 client with a Nursing Assessment, and linkage to a Primary Care Provider to meet the ongoing medical
34 needs of the Client. CONTRACTOR shall routinely coordinate care planning and treatment with the
35 primary care physician through obtaining records and consultation. CONTRACTOR shall provide to
36 the Primary Care Provider when indicated.

37 //

1 12. Peer-Run Center: CONTRACTOR shall operate a Peer-run Center. This center will be
