Subject: Call for Orange County to Opt-Out of California Sanctuary State Law

Dear OC Supervisors:

As residents of Yorba Linda, we are writing to call on Orange County to follow the leadership demonstrated by the city of Los Alamitos and pass a measure to formally opt-out of the dangerous and unconstitutional California Sanctuary State Law.

We do not view this as an issue of immigration policy or simple immigration enforcement, but rather, an issue of public safety. When a convicted criminal who is also an illegal immigrant is permitted to be returned to the public, bypassing a safe and orderly deportation process, the public safety is clearly compromised.

A secondary effect of immigration sanctuary policies is to force ICE to apprehend the released criminals in uncontrolled, public venues putting ICE officers and the public at significant risk. It is lost on us how immigration advocates can support sanctuary policies since immigration enforcement activities performed in uncontrolled environments naturally results in non-criminal illegal immigrants being caught up in enforcement sweeps.

Your most important jobs as our Supervisors is to do everything within your power to ensure public safety. As a family composed of both immigrants and non-immigrants, we call on you to demonstrate the same leadership already shown by Los Alamitos and take the appropriate measures to opt-out of the dangerous immigration sanctuary laws.

Respectfully yours,
Kelly Stone and Xiong Zhen Tang Stone

My husband and I agree with this neighbors sentiments pasted below. Doug and Kris Johnson (long time Yorba Linda residents)

As residents of Yorba Linda, we are writing to call on the City of Yorba Linda to follow the leadership demonstrated by the city of Los Alamitos and pass a measure to formally opt-out of the dangerous and unconstitutional California Sanctuary State Laws. We recognize that police services are contracted to Orange County and we have also called on the county to opt-out of sanctuary policies, but we feel it is important for you as Yorba Linda city leaders to demonstrate that you support common sense collaboration of law enforcement officials even if the resulting legislation is largely symbolic in nature.

It is important to note that we do not view this as an issue of immigration policy or simple immigration enforcement, but rather, an issue of public safety. When a convicted criminal who is also an illegal immigrant is permitted to be returned to the public, bypassing a safe and orderly deportation process, the public safety is clearly compromised.

It is ridiculous that immigration advocates can support sanctuary policies since immigration enforcement activities performed in uncontrolled environments naturally results in non-criminal illegal immigrants being caught up in enforcement sweeps. Your most important jobs is to do everything within your power to ensure public safety. I also believe that you are sworn to uphold the laws of the this country. I ask you to demonstrate the same leadership already shown by Los Alamitos and take the appropriate measures to opt-out of the dangerous immigration sanctuary laws. Make this stance public to all. We need to show that the majority of the citizens is not behind the misguided California Sanctuary Law!

Please do your part to restore sanity to our county for the good of all law abiding citizens.

Subject: OPT OUT!!! SB 54 TODAY!

Dear Supervisors of Orange County

I have always been a proud Citizen of Orange County for the last 50 years! Our laws are impeccable here and are followed to the tee!

Our Law enforcers are number one in the Nation as far as I am concerned. As such, you need to stop this craziness that tells us to "BREAK OUR FEDERAL LAWS!"

What kind of example is this for our kids and our future Citizens? If they can break this law, then I guess they do not need to attend school or pay for items in stores....what OTHER LAWS will they be able to ignore?!!

Also...you are putting me and my family in harms way...as well as our Superior Officers who are just trying to do their jobs and protect us.

Listen....We live in the quaint streets called flower streets of Corona del mar, CA. My husband and i are about to retire here after working super hard and raising our family in California. NOW we are threatened every DAY BY illegals who come to the beach here and do their GRAFFITI as well as throw Modelo cans everywhere and even have chased a few peeing on our telephone polls right behind our homes in the alley...what?! (I just reported more graffiti near the beach bench on top where all our neighbors walk each day.

My husband has come close to physical confrontations as they stand on our street corners playing loud mexican music in front of our dear sweet neighbors homes who are elderly and ill.....Who nap and just want a peaceful existence! Frankly I am so concerned about my 4 Grandkids and their well being now that Brown and the law breaking Government here have endangered them with criminals walking our streets!
Even warning the CRIMINALS! HOW AOBUT WARNING US?!

I feel this should be opted out immediately as well as vilified by our Citizens and YOU WHO ARE OUR REPRESENTATIVES! remember ...we own this country not lawbreaking foreigners!

If no opting out....Then what is next?! NO SCHOOL ATTENDENCE?! WHY NOTAS THIS IS THE EXAMPLE THAT IS SET BY LAWBREAKING GOVT. WHO TOOK AN OATH TO ROTECT US!

Thank youAs I will be forever grateful and will NOT have to move out of state as my oldest son did and my friends.

Dear Supervisors:

I support the resolution to reject California's sanctuary state law sb54. California is a state and part of the country which is obligated to comply with federal law. Politicians should not ignore the U.S. Constitution or the rule of law. I cannot decide which laws that I should follow and neither should the politicians of this state decide which laws they approve of and ignore or resist complying with. This country experienced a horrific civil war when some states believed that they could defy the laws of the federal government. It seems that California politicians did not learn from history nor do they seem to understand the Constitution that this federal republic was founded upon.

I am definitely in agreement with opting out of SB 54. It makes no sense to support or participate as a sanctuary city. I feel that the hard left democratic party in Sacramento has hijacked the agenda and it is not in the best interest of Californians.

This is not about race, ethnicity, or socioeconomic status. It is about adhering to the rule of law, fiscal responsibility, safety, and an already-overburdened system.

Sanctuary cities are choosing to NOT follow the rule of law, which is setting a bad precedent and creating chaos. Definitely follow Los Alamitos's lead and take a stand for law-abiding Californians who feel taken advantage of and disrespected.

As a former resident of Los Alamitos, I was thrilled to hear they lead the way in this most important resolution to reject SB 54. Over the 58 years of my life living in North Orange county (Los Alamitos, Santa Ana, and the city of Orange for the past 20 years) I have seen a tremendous change in our cities, crime, taxes, education and quality of life. It deeply saddens me to say my life's work as a teacher in Santa Ana and Orange, the quality of my own children's public education and the decline of my community has lead me to desire to leave this state. I feel completely abandoned as a law abiding citizen here. And am now feel increasing unsafe due to the sanctuary policies instituted WITHOUT MY VOTE OR CONSENT. My indignation has even affected my health- both mental and physical and I would leave California in a heartbeat if we could afford to before I retire (not feasible with 30+ years of teaching...would jeopardize my pension). I am angry every day. EVERY day when I turn on the news and some new atrocity has been committed by an illegal and the law has been thwarted by state/city officials. Unfortunately, we do not vocalize our opinions because we would probably be called racist and worse would be done to our homes, families and our property. Ironically, I am married to a person who came here from Mexico and earned his citizenship THE RIGHT WAY. He is also outraged...perhaps more so than I because he recognizes HOW MUCH THIS COUNTRY AND STATE HAVE DONE FOR HIM AND HIS FAMILY OF 11 who got FREE MEDICAL care for his crippled sister and welfare benefits when his parents brought them here illegally. This is NOT a matter of race or country of origin. We all know our state is absolutely falling apart... Please help save what was once a wonderful place to live!!

I support the BOS stand to oppose Sacramento legislators & SB54. It is an outrage to the legal, law abiding citizens of California for its law makers to ignore federal immigration laws, oppose efforts by ICE to enforce the laws & endanger all legal, law abiding citizens by harboring criminal, illegal aliens with known records & outstanding warrants. If funding is available, I would also encourage your Board to join the lawsuit against Jerry Brown & his liberal co horts for their illegal actions in defying Federal law. Only the Federal government has the authority to make laws & regulate immigration to the U.S.

Subject: California's Sanctuary State Law (I oppose)

To Whom it May Concern,

I want to express my support for the Orange County Board of Supervisors challenge to the State of California's unconstitutional sanctuary state laws.

My family and I have been residents of Orange County for over 50 years. There is a school in Tustin named after my Aunt. This is my home. I don't want to lose it.

I applaud fully support and the County's efforts in fighting back against this.

Sincerely,
Roger Fuller

Orange County Supervisors,

I applaud any and all efforts you make to reject SB54. I am embarrassed that our state lawmakers and governor would pass such a law. I sincerely believe we need to comply with Federal laws on immigration. I have lived in Orange County for the past 45 years and been a homeowner here the past 30 years. Things are changing rapidly in the State of California and mostly not for the better. It is time for California cities and counties to stand up to the State and reject/resist laws that we know are not right.

Thank you for looking out for the citizens of Orange County.

I fully support the OC opposition to this law. It is unfair to Americans to release foreign criminals back into our communities. As recent Berkeley survey revealed most Californians do not support the sanctuary city laws. These lawmakers should be ashamed for providing cover to these criminals instead of protecting our communities.

Thanks

Subject: Please Pass Resolution 14A -- Reject Sanctuary State and Opt Out of SB 54 entirely
Attachments: Template for Proposed Constitutional Compliance Ordinance Overriding SB 54.docx

Dear OC Board of Supervisors:

I am writing this extended letter to all of you urging the county Board to pass an ordinance rejecting compliance with the unconstitutional California Values Act, i.e. SB 54. The legislation creates a direct conflict for municipal governments between compliance with state and federal law.

This must be resolved, especially for private firms who must comply with federal law, yet face fines and prosecution from the state attorney general for doing so. The same holds true for police and other public safety and civil servants in the state of California. This schism between federal and state law is untenable.

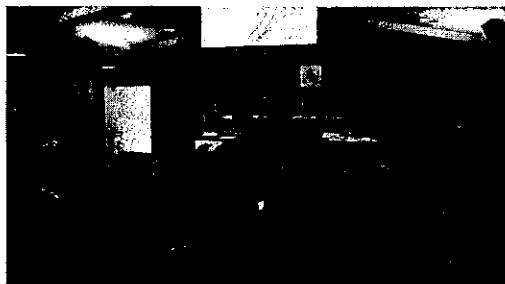

We are a nation of laws, and we as a charter city can draft ordinances that reflect not just the oaths of office taken by every elected official, but also the Supremacy Clause of the United States Constitution (Art. VI, Sec. 2)

The City of Los Alamitos has submitted and approved an ordinance called "Constitution of the United States Compliance," which resolves the above conflict for their city, civil staff, residents, and businesses. They have opted to disregard SB 54 and comply with federal law.

Entire counties in Northern California have already opted out of SB 54, refusing to disobey federal law. The cities of Tustin, Aliso Viejo, Buena Park, and Mission Viejo will be voting on similar ordinances very soon.

In Los Angeles County, Sheriff Jim McDonnell has taken every step possible to ensure public safety and cooperate with ICE in spite of repeated pressure from Sacramento politicians and open-border advocates.

Here are the news articles announcing Los Alamitos' decision to opt out of SB 54:

Los Alamitos Opts Out of So Called Sanctuary Law

A Southern California city has opted exempt itself from a state law that limits cooperation between local police and federal immigration agents.

The OC Board of Supervisors can and must do the same. They have the authority and the responsibility to do so.

I have provided a template attached with the exact same language as the ordinance passed in Los Alamitos.

Of course, the city council should direct legal and civil staff to look over the language of the ordinance to affirm that everything is in proper order.

From:

Subject: Introduce Ordinance Adding Chapter X Constitution
of the United States Compliance

Summary: This is an opportunity to discuss the Council's desire to show its resolve and support for the Constitution of the United States by adopting a Resolution or Ordinance.

Recommendations:

1. Introduce for first reading, read by title only, and waive further reading of Ordinance No. X; and,
2. Title of Ordinance: "AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF [CITY], CALIFORNIA: CONSTITUTION OF THE UNITED STATES COMPLIANCE."

Background and Discussion

The California Values Act (SB54) is contrary to the United States Constitution and infringes on the rights of the citizens of the City of [CITY]. Furthermore, it affects the City Council's oath to support and defend the Constitution of the United States. In view of this contradiction, it is impossible to comply with both the Constitution of the United States and the Constitution of the State of California. When two governing documents contradict each other, the order of precedence needs to be invoked and followed.

In this situation, my belief is that the Constitution of the United States has precedence over the Constitution of the State of California, so therefore I am proposing that the City Council discuss and adopt Ordinance No. 2018-03 to exempt the City of [CITY] from the California Values Act.

ORDINANCE NO. X

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF [CITY] CALIFORNIA, ADDING CHAPTER X CONSTITUTION OF THE UNITED STATES COMPLIANCE

WHEREAS, the members of the City of [CITY] City Council have taken an oath to support and defend the Constitution of the United States and the Constitution of the State of California, and

WHEREAS, the State of California enacted SB54, called the California Values Act, and

WHEREAS, the California Values Act is codified into Government Code Title 1, Division 7, Chapter 17.25 entitled "Cooperation with Immigration Authorities", and

WHEREAS, the Council of the City of [CITY], a Charter City, finds that it is impossible to honor our oath to support and defend the Constitution of the United States and to be in compliance with California Government Code Title 1, Division 7, Chapter 17.25, and

WHEREAS, employees of the City of [CITY], residents, business owners, guests, visitors, employees and employees of the United States Department of Defense who proudly serve our Nation while stationed on the Joint Forces Training Base, are entitled to the protections afforded by the Constitution of the United States, the Bill of Rights, and the Amendments to the Constitution, and

WHEREAS, employers, including the City of [CITY], operating within the jurisdiction of the City of [CITY] who accept Federal Contracts and must comply with Federal Law, including lawful requests for access to premises, and

WHEREAS, the entire Joint Forces Training Base may be required to comply with Federal Laws and is wholly located within the boundaries of the City of [CITY], and

WHEREAS, the California Values Act may be in direct conflict with Federal Laws and the Constitution of the United States;

NOW THEREFORE, THE CITY COUNCIL OF THE CITY OF [CITY]
DOES HEREBY ORDAIN AS FOLLOWS:

SECTION 1. The City Council of the City of [CITY], California finds that the above recitals are true and correct and incorporates them by reference herein.
CC ORD 2018-03

SECTION 2. Chapter 9.30 Constitution of the United States Compliance is hereby added to the [CITY]Municipal Code as follows:
X Constitution of the United States Compliance

The City of [CITY], a Charter City, does hereby exempt the City of [CITY] from the California Values Act, Government Code Title 1, Division 7, Chapter 17.25 and instead will comply with the appropriate Federal Laws and the Constitution of the United States.

SECTION 3. If any section, subsection, subdivision, sentence, clause, phrase, or portion of this Ordinance for any reason is held to be invalid or unconstitutional by the decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of this Ordinance. The City Council hereby declares that it would have adopted this Ordinance, and each section, subsection, subdivision, sentence, clause, phrase, or portion thereof, irrespective of the fact that any one or more sections, subsections, subdivisions, sentences, clauses, phrases, or portions thereof be declared invalid or unconstitutional.

SECTION 4. The City Clerk shall certify as to the adoption of this Ordinance and shall cause a summary thereof to be published within fifteen (15) days of the adoption and shall post a Certified copy of this Ordinance, including the vote for and against the

same, in the Office of the City Clerk, in accordance with Government Code Section 36933.

Dear OC Board:

Please reject SB 54 out of hand and ASAP. So many US citizens who are also CA residents are absolutely livid at the temerity, insolence, and ignorance of Gov. Jerry Brown and his uber-liberal cronies. Frankly, we have had it with Sacramento, Los Angeles, San Francisco, etc. No one seems to care about the quiet yet hard-working, law-abiding majority. Well, we are silent no more. We support you with applause, hugs, and open arms for your courage in rising up against the Left. We want secure borders, we want a wall, and we do NOT want more illegals, immigrants, invaders, criminals, and drugs. We have had it! Please PROTECT our way of life; do not give it away. Go GOP! Hello,

I'm writing to applaud the proposed rejection of the illegal and ridiculous SB-54. I'm thankful that my county is standing up to the duplicitous Sacramento politicians who passed this illegal bill. These are the same politicians who (correctly) stated that immigration law is the responsibility of the Federal government until their party fell out of power and then took it upon themselves to reject the Federal government's immigration orders. This is a democracy and a country of laws which means you can't do whatever you want to when you don't like the law. I personally feel that many of these politicians should be charged with aiding and abetting known criminals (all illegal aliens are criminals by definition) then handcuffed and led out of the State offices to show that you can't break the law and get away with it. Actively opposing their illegal activities is a good start though and I support our County's efforts to do that.

Jamie Boelter
