**Background**

The Health Care Agency (HCA) issued a Request For Proposals (RFP) for qualified organizations to provide Children's Crisis Residential services.

- Services include crisis intervention through a three-phase model for children and youth who have been diverted from psychiatric inpatient care but continue to experience significant mental health needs or familial conflict.
- The primary goal of the services is to provide an alternative, less restrictive environment for children and youth experiencing crisis related to their status as seriously emotionally disturbed and/or seriously mentally ill youth.
- Services are funded with Mental Health Services Act (MHSA) Prop 63 funds and other fees including Medi-Cal, and is \$11,030,226 for the period July 1, 2017 through June 30, 2020.
- Of the one bid received, one was responsive.

**Evaluation of Proposals**

**Recommendation**

Program reviewed the one proposal received. The recommendation is to select and negotiate with Community Service Programs, Inc. for the period July 1, 2017 through June 30, 2020.
