- 1.5.2. For completion and approval of all PROJECTS/SERVICES where "Extra Work" (defined as changes in approved portions of the PROJECT/SERVICES required by and ordered in writing by DIRECTOR which changes constitute a change in or departure from said approved portions of PROJECTS/SERVICES) is not authorized, compensation including reimbursables shall be described and payable as stipulated in Fee Schedule, herein after referred to as "Attachment B", attached hereto and incorporated herein by reference.

2. LABOR

2.1 Non-Employment of COUNTY Personnel

2.1.1 A-E agrees that it will neither negotiate, offer, or give employment to any full-time, regular employee of COUNTY in professional classifications of the same skills required for the performance of this CONTRACT who is involved in this Project in a participatory status during the life of this CONTRACT regardless of the assignments said employee may be given or the days or hours employee may work.

2.1.2 Nothing in this CONTRACT shall be deemed to make A-E, or any of A-E's employees or agents, agents or employees of the COUNTY. A-E shall be an independent contractor and shall have responsibility for and control over the details and means for performing the work, provided that A-E is in compliance with the terms of this CONTRACT. Anything in the CONTRACT which may appear to give COUNTY the right to direct A-E as to the details of the performance of the work or to exercise a measure of control over A-E shall mean that A-E shall follow the desires of COUNTY, only in the results of the work.

2.2 Non-Discrimination

2.2.1 In the performance of this CONTRACT, A-E agrees that it will comply with the requirements of the California Labor Code and not engage nor permit any subcontractors to engage in discrimination in employment of persons because of the race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, or sex of such persons.

2.2.2 A-E acknowledges that a violation of this provision shall subject A-E to all the penalties imposed for a violation of the California Labor Code.

2.3 Employee Eligibility Verification

- 2.3.1** A-E warrants that it fully complies with all Federal and State statutes and regulations regarding the employment of aliens, and others and that all its employees performing work under this CONTRACT meet the citizenship or alien status requirement set forth in Federal statutes and regulations. A-E shall obtain, from all employees performing work hereunder, all verification and other documentation of employment eligibility status required by Federal or State statutes and regulations, including but not limited to, the Immigration Reform and Control Act of 1986, 8 U.S.C. § 1324 et seq., as they currently exist and as they may be hereafter amended. A-E shall retain all such documentation for all covered employees for the period prescribed by the law.

2.4 Independent Contractor

- 2.4.1** As referenced in Section 2.1.2 of this CONTRACT, A-E shall be considered an independent contractor.
- 2.4.2** Neither A-E, its employees, nor anyone working under A-E shall qualify for workers' compensation or other fringe benefits of any kind through COUNTY.

2.5 Conflict of Interest Contractor Personnel

- 2.5.1** The A-E shall exercise reasonable care and diligence to prevent any actions or conditions that could result in a conflict with the best interests of the COUNTY. This obligation shall apply to the A-E; the A-E's employees, agents, and relatives; sub-tier contractors; and third parties associated with accomplishing work and PROJECTS/SERVICES hereunder.
- 2.5.2** A-E's efforts shall include, but not be limited to establishing precautions to prevent its employees or agents from: making, receiving, providing or offering gifts, entertainment, payments, loans or other considerations which could be deemed to appear to influence individuals to act contrary to the best interests of the COUNTY.

2.6 Labor Code Notice

- 2.6.1** All A-E and subcontractors must comply with the requirements of California Labor Code 1770 et seq. if the work performed is considered a "public works" under California Labor Code 1720 et seq. A-E is encouraged to contact the California Department of Industrial Relations for clarification if the A-E is unsure if some or any of the work performed under this CONTRACT qualifies as "public works".

3. INSURANCE

- 3.1.1** Prior to the provision of services under this CONTRACT, the A-E agrees to purchase all required insurance at A-E's expense, including all endorsements required herein, necessary to satisfy the COUNTY that the insurance provisions of this CONTRACT have been complied with. A-E agrees to keep such insurance coverage, Certificates of Insurance, and endorsements on deposit with the COUNTY during the entire term of this CONTRACT. The COUNTY reserves the right to request the declarations page showing all endorsements and a certified copy of the policy. In addition, all subcontractors performing work on behalf of A-E pursuant to this CONTRACT shall

obtain insurance subject to the same terms and conditions as set forth herein for A-E.

3.1.2 A-E shall ensure that all subcontractors performing work on behalf of A-E pursuant to this CONTRACT shall be covered under A-E's insurance as an Additional Insured or maintain insurance subject to the same terms and conditions as set forth herein for A-E. A-E shall not allow subcontractors to work if subcontractors have less than the level of coverage required by COUNTY from A-E under this CONTRACT. It is the obligation of A-E to provide notice of the insurance requirements to every subcontractor and to receive proof of insurance prior to allowing any subcontractor to begin work. Such proof of insurance must be maintained by A-E through the entirety of this CONTRACT for inspection by COUNTY representative(s) at any reasonable time.

3.1.3 All self-insured retentions (SIRs) shall be clearly stated on the Certificate of Insurance. Any self-insured retention (SIR) in an amount in excess of Fifty Thousand Dollars (\$50,000) shall specifically be approved by the COUNTY's Risk Manager, or designee, upon review of A-E's current audited financial report. If A-E's SIR is approved, A-E, in addition to, and without limitation of, any other indemnity provision(s) in this CONTRACT, agrees to all of the following:

1. In addition to the duty to indemnify and hold the COUNTY harmless against any and all liability, claim, demand or suit resulting from A-E's, its agents, employee's or subcontractor's performance of this CONTRACT, A-E shall defend the COUNTY at its sole cost and expense with counsel approved by Board of Supervisors against same; and
2. A-E's duty to defend, as stated above, shall be absolute and irrespective of any duty to indemnify or hold harmless; and
3. The provisions of California Civil Code Section 2860 shall apply to any and all actions to which the duty to defend stated above applies, and the A-E's SIR provision shall be interpreted as though the A-E was an insurer and the COUNTY was the insured.

3.1.4 If the A-E fails to maintain insurance acceptable to the COUNTY for the full term of this CONTRACT, the COUNTY may terminate this CONTRACT.

A. Qualified Insurer

1. The policy or policies of insurance must be issued by an insurer with a minimum rating of A- (Secure A.M. 7. The Commercial General Liability policy shall contain a severability of interests clause (standard in the ISO CG 001 policy).

within thirty (30) days of receipt of such notice, this CONTRACT may be in breach without further notice to A-E, and COUNTY shall be entitled to all legal remedies.

4. INDEMNITY/COMPLIANCE

- 4.1 A-E shall indemnify, defend with counsel approved in writing by COUNTY, and hold harmless, the COUNTY, Orange County Flood Control District and their respective agents, officers, and employees from employer sanctions and any other liability which may be assessed against A-E or the COUNTY or both in connection with any alleged violation of any Federal or State statutes or regulations pertaining to the eligibility for employment of any persons performing work under this CONTRACT.

- 4.2 All PROJECTS/SERVICES submitted by A-E shall be complete and shall be carefully checked prior to submission. A-E understands that COUNTY's checking is discretionary, and A-E shall not assume that COUNTY will discover errors and/or omissions. If COUNTY discovers any errors or omissions prior to approving A-E's PROJECTS/SERVICES, the PROJECTS/SERVICES will be returned to A-E for correction. Should COUNTY or others discover errors or omissions in the work submitted by A-E after COUNTY's approval thereof, COUNTY's approval of A-E's PROJECTS/SERVICES shall not be used as a defense by A-E.

- a. afford the A-E written notice of the breach and ten (10) calendar days or such shorter time that may be specified in this CONTRACT within which to cure the breach;
- b. discontinue payment to the A-E for and during the period in which the A-E is in breach; and
- c. offset those monies disallowed pursuant to the above, against any monies billed by the A-E but yet unpaid by the COUNTY.

- 5.4.2** In the event the A-E shall fail to make prompt delivery as specified of any equipment or service, the same conditions as to the rights of the COUNTY to purchase on the open market and to reimbursement set forth above shall apply, except as otherwise provided in this CONTRACT.

- 5.4.3** In the event of the cancellation of this CONTRACT, either in whole or in part, by reason of the default or breach by the A-E, any loss or damage sustained by the COUNTY in procuring any equipment or service which the A-E agreed to supply under this CONTRACT shall be borne and paid for by the A-E.

- 5.4.4** Default shall include failure to carry out any of the requirements of this CONTRACT, including, but not limited to not providing enough properly skilled workers or proper materials, persistently disregarding laws and or ordinances, not proceeding with the PROJECTS/SERVICES as agreed to herein, or otherwise substantially violating any provision of this CONTRACT.

5.4.5 Upon termination of the CONTRACT with A-E, the COUNTY may begin negotiations with a third-party A-E to provide goods and/or PROJECTS/SERVICES as specified in this CONTRACT.

The coastal engineers need to be civil engineers who understand the principles of nearshore oceanography and marine geology. Activities shall include but not limited to: the prevention & repair of coastal erosion, design & construction and/or repair of seawalls and coastal/waterway bridges, dredging, dredged material placement, ports & harbors engineering, design & construction of offshore structures such as breakwaters, hydrographic surveys, moored & towed systems, drain repair, sediment management, and underwater acoustics. - **Hydrology/Hydraulics** – A-E shall perform a complete hydrologic evaluation of all contributing drainage areas with recommendations in structures and pipe sizes for interim and ultimate conditions. The evaluation shall include a determination of street and system capacity, catch basin location, lengths and hydraulic analysis.
- **Environmental** – A-E may be tasked with the preparation of CEQA and NEPA documents, permit applications, interactions and/or meetings with regulatory agencies to respond to inquiries, underwater inspection reports, processing of permits, performance of necessary environmental assessments and incorporation of these findings in the project. Pertinent items from certified environmental impact reports (EIRs) and/or any mitigation program that have an impact on the final design shall be evaluated and included in the final design.
- **Plans, Specifications & Cost Estimates (PS&E)** – A-E shall provide plans including conceptual design and/or through final construction bid documents. A-E shall coordinate and provide quality control on all subconsultants work packages. A-E shall provide specifications including categories for general, materials and execution for each area of trade required in the project. Minimum specifications requirements shall follow the latest edition of CSI format and Standard Specifications for Public Works Construction “Greenbook”. A-E shall provide cost estimates, including conceptual design through final construction bid documents. Estimates shall reflect accurate and detailed material quantities and current costs based on bidding climate, and the design engineer’s own judgment. Cost estimates for Final PS&E shall be verified prior to project bidding.
- **Grant Application Assistance** - At the request of County, A-E shall provide assistance in County’s grant application efforts to obtain funds that could be utilized for County’s coastal project(s) whose conceptual design and/or construction documents the A-E may have worked on, or for projects where their technical expertise may have been called upon. A-E’s responsibilities may

include, but are not limited to, writing the grant narratives, providing the cost estimate(s) and other grant requirements for the proper processing and submittal of the grant paperwork.
