8. GENERAL PROVISIONS

- A. This document constitutes the entire agreement between the parties. Any condition, provision, agreement, or understanding not stated in the Articles of this Agreement shall not affect any rights, duties, or privileges in connection with this Agreement.
- B. The term "days" as used in this Agreement shall mean calendar days unless specified otherwise.
- C. The State shall have the right to access, examine, monitor, and audit all records, documents, conditions, and activities of the Provider and its subcontractor related to the TCM services provided pursuant to this Agreement.
- D. No covenant, condition, duty, obligation, or undertaking made a part of this Agreement shall be waived except by amendment of the Agreement by the parties herein, and forbearance or indulgence in any other form or manner by either party in any regard whatsoever shall not constitute a waiver of the covenant, condition, duty, obligation, or undertaking to be kept, performed or discharged by the party to which the same may apply; and, until performance or satisfaction of all covenants, duties, obligations, or undertakings is complete, the other party shall have the right to invoke any remedy available under this Agreement, or under law, notwithstanding such forbearance or indulgence.
- E. None of the provisions of this Agreement are or shall be construed as for the benefit of, or enforceable by, any person not a party to this Agreement.
- F. DHCS intends to avoid any real or apparent conflict of interest on the part of the Provider, subcontractors, or employees, officers and directors of the Provider or subcontractors. Thus, DHCS reserves the right to determine, at its sole discretion, whether any information, assertion or claim received from any source indicates the existence of a real or apparent conflict of interest; and, if a conflict is found to exist, to require the Provider to submit additional information or a plan for resolving the conflict, subject to DHCS' review and prior approval.
 - 1) Conflicts of interest include, but are not limited to:
 - a) An instance where the Provider or any of its subcontractors, or any employee, officer, or director of the Provider or any subcontractor has an interest, financial or otherwise, whereby the use or disclosure of information obtained while performing services under the contract would allow for private or personal benefit or for any purpose that is contrary to the goals and objectives of this Agreement.

A Provider with a suspected conflict of interest will have five (5) working days from the date of notification of the conflict by DHCS to provide complete information regarding the suspected conflict. If a conflict of interest is determined to exist by DHCS and cannot be resolved to the satisfaction of DHCS, the conflict will be grounds for terminating the contract. DHCS may, at its discretion upon receipt of a written request from the Provider, authorize an extension of the timeline indicated herein.

9. FISCAL PROVISIONS

Reimbursement under this Agreement shall be made in the following manner:

- A. Upon the Provider's compliance with all provisions pursuant to W&I Code Section 14132.44, Title 22 CCR Division 3 (commencing with Section 50000), and this Agreement, and upon the submission of a TCM Summary Invoice, based on valid and substantiated information, DHCS agrees to process the TCM Summary Invoice for reimbursement.

- C. The Provider shall verify the certified public expenditure (CPE) from the Provider's General Fund, or from any other funds allowed under federal law and regulation, for Title XIX funds claimed for TCM services performed pursuant to W&I Code Section 14132.44. DHCS shall deny payment of any TCM Summary Invoice submitted under this Agreement, if it determines that the certification is not adequately supported for purposes of FFP. Expenditures certified for TCM costs shall not duplicate, in whole or in part, claims made for the costs of direct patient services.
- D. It is mutually agreed that if the Budget Act for the current year and/or any subsequent years covered under this Agreement does not appropriate sufficient funds for the program, this Agreement shall be of no further force and effect. In this event DHCS shall have no liability to pay any funds whatsoever to the Provider or to furnish any other considerations under this Agreement and the Provider shall not be obligated to perform any provisions of this Agreement.
- E. If funding for any FY is reduced or deleted by the Budget Act for purposes of the TCM Program, DHCS shall have the option to either cancel this Agreement, with

no liability occurring to DHCS, or offer an agreement amendment to the Provider to reflect the reduced amount.

10. LIMITATION OF STATE LIABILITY

- A. Notwithstanding any other provision of this Agreement, DHCS shall be held harmless from any federal audit disallowance and interest resulting from payments made by the federal Medicaid program as reimbursement for claims providing TCM services pursuant to W&I Code Section 14132.44, for the disallowed claim or claims, less the amounts already remitted to DHCS pursuant to W&I Code Section 14132.44(m).
- B. To the extent that a federal audit disallowance and interest results from a claim or claims for which the Provider has received reimbursement for TCM services, DHCS shall recoup from the Provider, upon written notice, amounts equal to the amount of the disallowance and interest in that FY for the disallowed claim or claims. All subsequent TCM Summary Invoices submitted to DHCS applicable to any previously disallowed claim or claims, may be held in abeyance, with no payment made, until the federal disallowance issue is resolved, less the amounts already remitted to DHCS pursuant to W&I Code Section 14132.44(m).
- C. Notwithstanding paragraphs 10.A. and B., to the extent that a federal audit disallowance and interest results from a claim or claims for which the Provider has received reimbursement for TCM services provided by a nongovernmental entity under contract with, and on behalf of the Provider, DHCS shall be held harmless by the Provider for 100 percent of the amount of any such federal audit disallowance and interest, for the disallowed claim or claims, less the amounts already remitted to DHCS pursuant to W&I Code Section 14132.44(m).
- D. The Provider agrees that when it is established upon audit that an overpayment has been made, DHCS and Provider shall follow current laws, regulations, and State issued policy directives, including PPLs for the proper treatment of identified overpayment.
- E. DHCS reserves the right to select the method to be employed for the recovery of an overpayment.
