#### LEGISLATIVE COUNSEL'S DIGEST

AB 403, Mark Stone. Public social services: foster care placement: funding.

Existing law, the California Community Care Facilities Act, requires the State Department of Social Services to license and regulate various out-of-home facilities and entities responsible for children and nonminor dependents in foster care, including foster family homes, group homes, and out-of-state group homes, and imposes training requirements on foster parents. A violation of the act is a misdemeanor.

Existing law provides for the placement of certain children in foster care under the supervision of the department and county welfare departments. Existing law also establishes the Aid to Families with Dependent Children-Foster Care (AFDC-FC) program, under which counties provide payments to foster care providers on behalf of qualified children in foster care. Existing law requires the department to establish procedures to recover overpayments made to providers.

This bill would provide for the reclassification of treatment facilities and the transition from the use of group homes for children in foster care to the use of short-term residential treatment centers, as defined. The bill would impose licensing requirements on those facilities, the violation of which would be a crime pursuant to the act, thereby imposing a state-mandated local program.

The bill would revise the foster parent training requirements imposed by the act. The bill would also provide for the development of child and family teams, as defined, to inform the process of placement and services to foster children and to children at risk of foster care placement. The bill would make conforming and related changes, including requiring the department to develop a new payment structure for funding placement options for children in foster care. The bill would also revise the procedures for recovering overpayments, and would make the failure to repay an overpayment grounds for termination of the provider's rate and cause the referral of the provider for license revocation.

The bill would require, on and after January 1, 2017, all licensed foster family agencies to approve resource families, in lieu of certifying foster homes, in accordance with specified standards and requirements set forth in the bill.

The bill would require the State Department of Social Services to provide periodic progress updates to the Legislature on the implementation of the provisions of the bill. The bill would also include a statement of legislative intent.

This bill would incorporate additional changes made by AB 1387, SB 238, SB 484, SB 524, and SB 794, that would become operative only if this bill is chaptered last.

Existing constitutional provisions require that a statute that limits the right of access to the meetings of public bodies or the writings of public officials and agencies be adopted with findings demonstrating the interest protected by the limitation and the need for protecting that interest.

This bill would make legislative findings to that effect.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that with regard to certain mandates no reimbursement is required by this act for a specified reason.

With regard to any other mandates, this bill would provide that, if the Commission on State Mandates determines that the bill contains costs so mandated by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above.

*The people of the State of California do enact as follows:*

SECTION 1. (a) It is the intent of the Legislature in adopting this act to improve California's child welfare system and its outcomes by using

comprehensive initial child assessments, increasing the use of home-based family care and the provision of services and supports to home-based family care, reducing the use of congregate care placement settings, and creating faster paths to permanency resulting in shorter durations of involvement in the child welfare and juvenile justice systems. These changes, along with other provisions in this act, require initial investments in the child welfare system. It is expected that this act, and the initial short-term funding provided by the state to local agencies to implement this act, will reduce overall costs to local agencies and allow local savings to be reinvested in child welfare services. If overall costs to a local agency are reduced, annual funding by the state to the local agency will only be provided as described in Section 36 of Article XIII of the California Constitution.

(b) Federal law requires that placements of children in foster care be in the least restrictive, most family-like environment. Federal law requires the review of the child's case plan to assess the necessity for and appropriateness of the placement, to assess the progress that has been made toward the case plan goals, and project a likely date by which the child can be safely reunified, or placed for adoption or legal guardianship. Federal law requires the court to periodically, but no less frequently than every six months, review the case plan, the child's status, and the extent of compliance with the case plan.

(c) It is therefore the intent of the Legislature to maintain children's safety, well-being, and healthy development when they are removed from their own families by placing them, whenever possible and appropriate, with relatives or someone familiar, or, when this is not possible or appropriate, with other caregiving families that are able to meet their physical, social, and emotional needs until they can return home. When reunifying children with their family is not possible, the obligation remains to seek other forms of permanency, such as adoption or guardianship. To achieve this intent, the Legislature recognizes the following:

(1) That the experience and outcomes of foster youth will be improved by assessing the individual needs of each child and youth at the outset of his or her entry into foster care in order to identify and secure the most appropriate services and placement setting to meet those individualized needs.

(A) Services are consistent with the objectives of the Katie A. Settlement Agreement, which include the timely provision of an array of appropriate services that are coordinated, comprehensive, and community-based, and which address the needs of children and youth with more intensive needs requiring medically necessary specialty mental health services in their own home, or an appropriate homelike setting in order to facilitate reunification and to ensure their safety, permanence, and well-being. Children in need of services are identified and assessed promptly. Child welfare and mental health agencies work together in the provision of coordinated services to these children and youth, and the child's or youth's family's voice and choice are taken into account as demonstrated through the Core Practice Model.

(B) Efforts to achieve legal permanency and emotional permanency are necessary for every child and youth. These include establishing and maintaining connections to siblings, extended family, culture, and, if applicable, tribes.

(C) If necessary to meet their treatment and safety needs, some youth who enter foster care may benefit from an initial, upfront, short-term residential care placement to provide crisis stabilization and the structure they require, with the goal of returning them back home or to a less restrictive, family-based setting as soon as possible. Children should not have to first exhaust a number and variety of less restrictive placements regardless of their individual need, which would be detrimental to their well-being.

(2) That children and youth in foster care have been affected by trauma, both by the fact that they have been separated from their family, and by the circumstances that led to their removal. Recognizing this trauma and minimizing additional trauma should be structured into how practice is implemented for children and youth in foster care.

(3) That youth in foster care under the supervision of county probation departments may require additional considerations when being placed outside of the parental home. When ordering placement, the court and probation officers must consider the safety and needs of the youth and the public safety of the community. Significant reforms have been adopted in the juvenile justice system by the state and by the counties in recognition of the fact that detaining youth far from home is not ideal, but may be necessary for a small percentage of probation youth who have committed the most serious offenses. At the same time, in order to serve those probation youth whose needs can be appropriately met safely in least restrictive, family-based settings, sufficient capacity in home-based family care must be developed.

(4) That research demonstrates that being cared for in a family improves outcomes for children who have experienced abuse and neglect. Therefore, children who cannot safely be placed in home-based family care can go into residentially based care with individualized, specific care plans and intensive therapeutic interventions, while emphasizing continuity of care, as demonstrated by the residentially based services pilot program, established pursuant to Chapter 12.87 (commencing with Section 18987.7) of Part 6 of Division 9 of the Welfare and Institutions Code. These placements should be short-term in nature and designed to enable children and youth to return to their birth, kin, foster, or adoptive families as quickly and safely as possible, supported by services designed to help the child, youth, and family in this transition. With these services, relatives and foster families can care for children and youth with behavioral and mental health challenges that often are associated with neglect and abuse. Placing agency decisions regarding a specific family need to be based on a determination that the family has the ability and capacity to meet the needs of the specific child or youth.

(5) That working with the child, youth, and family as part of a team results in better outcomes. The child and family team, including extended

family and community or tribe, is the primary vehicle for collaboration on the assessment, case planning, and placement decisions that are made by placing agencies. Use of these teams is based upon the wraparound model of care and is intended to support social work, practice, and decisionmaking.

(6) That culturally relevant services and supports need to be made available to children, youth, and their caregivers, regardless of the placement setting, and individually tailored to their needs.

(7) That the practice of public agencies, private agencies, and service providers should be aligned through a common core practice model, with county child welfare and probation agencies retaining their case management responsibilities.

(8) That there is a shift in the terminology used with respect to foster care to describe “resource families” as “home-based family care.” These families must parent and nurture vulnerable, traumatized children in emergencies, through transitions and crises, and sometimes make them a permanent part of their own families. These families are inclusive of related or unrelated caregivers who are approved to foster, adopt, or take guardianship of children in foster care, regardless of whether they are approved by a public or private agency.

(9) That the needs of children placed in residential group placements can most effectively be met when there is system accountability. Placement decisions should be informed by the provider’s performance on common indicators that are publicly available. Providers should continuously work to improve the quality of the care they provide by using available data to manage performance.

(d) The Legislature further declares its intent to continue to adhere to the declarations in Section 175 of the Family Code, Section 1459 of the Probate Code, and Section 224 of the Welfare and Institutions Code pertaining to Indian children, including that the state is committed to protecting the essential tribal relations and best interests of an Indian child by promoting practices, in accordance with the federal Indian Child Welfare Act (25 U.S.C. Sec. 1901 et seq.) and other applicable laws, designed to prevent the child’s involuntary out-of-home placement and, whenever that placement is necessary or ordered, by placing the child, whenever possible, in a placement that reflects the unique values of the child’s tribal culture and is best able to assist the child in establishing, developing, and maintaining a political, cultural, and social relationship with the child’s tribe and tribal community. To that end this legislation is not intended to displace or preclude options available to Indian children, such as placement in tribally approved homes as allowed under the federal Indian Child Welfare Act, or tribal customary adoptions pursuant to Section 366.24 of the Welfare and Institutions Code.

SEC. 2. Section 7911 of the Family Code is amended to read:

7911. The Legislature finds and declares all of the following:

(a) The health and safety of California children placed by a county social services agency or probation department out of state pursuant to the

provisions of the Interstate Compact on the Placement of Children are a matter of statewide concern.

(b) The Legislature therefore affirms its intention that the State Department of Social Services has full authority to require an assessment and placement recommendation by a county multidisciplinary team prior to placement of a child in an out-of-state group home, to investigate allegations of child abuse or neglect of minors so placed, and to ensure that out-of-state group homes, accepting California children, meet all California group home licensing standards.

(c) The Legislature also affirms its intention that, on and after January 1, 2017, the licensing standards applicable to out-of-state group homes certified by the department shall be those required of short-term residential treatment centers operated in this state.

(d) This section is declaratory of existing law with respect to the Governor's designation of the State Department of Social Services to act as the compact administrator and of that department to act as the single state agency charged with supervision of public social services under Section 10600 of the Welfare and Institutions Code.

SEC. 3. Section 7911.1 of the Family Code is amended to read:

7911.1. (a) Notwithstanding any other law, the State Department of Social Services or its designee shall investigate any threat to the health and safety of children placed by a California county social services agency or probation department in an out-of-state group home pursuant to the provisions of the Interstate Compact on the Placement of Children. This authority shall include the authority to interview children or staff in private or review their file at the out-of-state facility or wherever the child or files may be at the time of the investigation. Notwithstanding any other law, the State Department of Social Services or its designee shall require certified out-of-state group homes to comply with the reporting requirements applicable to group homes licensed in California pursuant to Title 22 of the California Code of Regulations for each child in care regardless of whether he or she is a California placement, by submitting a copy of the required reports to the Compact Administrator within regulatory timeframes. The Compact Administrator within one business day of receiving a serious events report shall verbally notify the appropriate placement agencies and within five working days of receiving a written report from the out-of-state group home, forward a copy of the written report to the appropriate placement agencies.

(b) Any contract, memorandum of understanding, or agreement entered into pursuant to paragraph (b) of Article 5 of the Interstate Compact on the Placement of Children regarding the placement of a child out of state by a California county social services agency or probation department shall include the language set forth in subdivision (a).

(c) (1) The State Department of Social Services or its designee shall perform initial and continuing inspection of out-of-state group homes in order to either certify that the out-of-state group home meets all licensure standards required of group homes operated in California or that the

department has granted a waiver to a specific licensing standard upon a finding that there exists no adverse impact to health and safety.

(4) Any failure by an out-of-state group home facility to make children or staff available as required by subdivision (a) for a private interview or make files available for review shall be grounds to deny or discontinue the certification. Certifications made pursuant to this subdivision shall be reviewed annually.

(d) A county shall be required to obtain an assessment and placement recommendation by a county multidisciplinary team prior to placement of a child in an out-of-state group home facility.

(e) Any failure by an out-of-state group home to obtain or maintain its certification as required by subdivision (c) shall preclude the use of any public funds, whether county, state, or federal, in the payment for the placement of any child in that out-of-state group home, pursuant to the Interstate Compact on the Placement of Children.

(f) (1) A multidisciplinary team shall consist of participating members from county social services, county mental health, county probation, county superintendents of schools, and other members as determined by the county.

(2) Participants shall have knowledge or experience in the prevention, identification, and treatment of child abuse and neglect cases, and shall be qualified to recommend a broad range of services related to child abuse or neglect.

(g) (1) The department may deny, suspend, or discontinue the certification of the out-of-state group home if the department makes a finding that the group home is not operating in compliance with the requirements of subdivision (c).

(2) Any judicial proceeding to contest the department's determination as to the status of the out-of-state group home certificate shall be held in California pursuant to Section 1085 of the Code of Civil Procedure.

(h) The certification requirements of this section shall not impact placements of emotionally disturbed children made pursuant to an individualized education program developed pursuant to the federal Individuals with Disabilities Education Act (20 U.S.C. Sec. 1400 et seq.) if the placement is not funded with federal or state foster care funds.

(i) Only an out-of-state group home authorized by the Compact Administrator to receive state funds for the placement by a county social services agency or probation department of any child in that out-of-state group home from the effective date of this section shall be eligible for public funds pending the department's certification under this section.

SEC. 4. Section 7912 of the Family Code is amended to read:

7912. (a) The Legislature finds and declares that the health and safety of children in out-of-state group home care pursuant to the Interstate Compact on the Placement of Children is a matter of statewide concern. The Legislature therefore affirms its intention that children placed by a county social services agency or probation department in out-of-state group homes be accorded the same personal rights and safeguards of a child placed in a California group home. This section is in clarification of existing law.

(b) (1) The Compact Administrator may temporarily suspend any new placements in an out-of-state group home, for a period not to exceed 100 days, pending the completion of an investigation, pursuant to subdivision (a) of Section 7911.1, regarding a threat to the health and safety of children in care. During any suspension period the department or its designee shall have staff daily onsite at the out-of-state group home.

(2) On and after January 1, 2017, the licensing standards applicable to out-of-state group homes certified by the State Department of Social Services shall be those required of short-term residential treatment centers operated in this state.

(6) A certificate that is not renewed within four years after its expiration shall not be renewed, restored, reissued, or reinstated except upon completion of a certification training program, passing any test that may be required of an applicant for a new certificate at that time, and paying the appropriate fees provided for in this section.

(7) A fee of twenty-five dollars (\$25) shall be charged for the reissuance of a lost certificate.

(C) The applicant public or private agency has a conflict of interest in that the agency is mandated to place clients in group homes or short-term residential treatment centers and to pay directly for the services. The department may deny vendorization to this type of agency only as long as there are other vendor programs available to conduct the certification training programs and conduct education courses.

(2) The department may authorize vendors to conduct the administrator's certification training program pursuant to this section. The department shall conduct the written test pursuant to regulations adopted by the department.

(3) The department shall prepare and maintain an updated list of approved training vendors.

(4) The department may inspect administrator certification training programs and continuing education courses, including online courses, at no charge to the department, to determine if content and teaching methods comply with regulations. (5) The department shall establish reasonable procedures and timeframes not to exceed 30 days for the approval of vendor training programs.

(iii) A final screen displaying a printable statement, to be signed by the participant, certifying that the identified participant completed the course. The vendor shall obtain a copy of the final screen statement with the original signature of the participant prior to the issuance of a certificate of completion. The signed statement of completion shall be maintained by the vendor for a period of three years and be available to the department upon demand. Any person who certifies as true any material matter pursuant to this clause that he or she knows to be false is guilty of a misdemeanor.

(B) Nothing in this subdivision shall prohibit the department from approving online programs for continuing education that do not meet the requirements of subparagraph (A) if the vendor demonstrates to the department's satisfaction that, through advanced technology, the course and the course delivery meet the requirements of this section.

(k) The department shall establish a registry for holders of certificates that shall include, at a minimum, information on employment status and criminal record clearance.

(l) Notwithstanding any law to the contrary, vendors approved by the department who exclusively provide either initial or continuing education courses for certification of administrators of a group home or short-term residential treatment center as defined by regulations of the department, an adult residential facility as defined by regulations of the department, or a residential care facility for the elderly as defined in subdivision (k) of Section 1569.2, shall be regulated solely by the department pursuant to this chapter. No other state or local governmental entity shall be responsible for regulating the activity of those vendors.

(b) (1) The department may review a group home's or short-term residential treatment center's plan of operation to determine if the plan of operation is sufficient to ensure that the facility will operate in compliance with applicable licensing laws and regulations. As part of the review, the department may request that a peer review panel review the plan of operation for a group home as prescribed in paragraph (2), or for a short-term residential treatment center as prescribed in paragraph (3).

(2) The peer review panel shall consist of two representatives from the department, including one from the unit that governs programs and one from the unit that governs licensing, a qualified group home administrator, an experienced group home provider in good standing, and a member or members from the placement agency or agencies that place children in group homes, and may also include the local county behavioral health department, as appropriate.

The facility shall have this schedule available for inspection by the department. The activities in which the children are scheduled to participate shall be designed to meet the needs of the individual child, and shall be based on that child's needs and services plan.

(d) The department shall establish a process, no later than January 1, 2017, for convening the peer review panel as set forth in subdivision (b) for review of the plans of operation for short-term residential treatment centers, and shall develop this process in consultation with the County Welfare Directors Association of California, Chief Probation Officers of California, County Behavioral Health Directors Association of California, and stakeholders.

(b) This section shall not apply to foster family homes.

(c) Notwithstanding subdivision (a), the department may extend the term of a provisional license issued to a foster family agency, not to exceed two years, if it determines that this additional time is required to secure

(e) The facility shall be subject to all fire and building codes, regulations, and standards applicable to residential care facilities for the elderly utilizing delayed egress devices, and shall receive approval by the county or city fire department, the local fire prevention district, or the State Fire Marshal for the installed delayed egress devices.

(ii) The regional center requests placement of the child in a licensed group home described in subdivision (a) using secured perimeters on the basis that the placement is necessary to prevent out-of-state placement or placement in a more restrictive, locked residential setting such as a developmental center, institution for mental disease or psychiatric facility, and the State Department of Developmental Services approves the request.

(4) The person is not a foster child under the jurisdiction of the juvenile court pursuant to Section 300, 450, 601, or 602 of the Welfare and Institutions Code.

(5) (A) An interdisciplinary team, through the individual program plan (IPP) process pursuant to Section 4646.5 of the Welfare and Institutions Code, shall have determined the person lacks hazard awareness or impulse control and, for his or her safety and security, requires the level of supervision afforded by a facility equipped with secured perimeters, and, but for this placement, the person would be at risk of admission to, or would have no option but to remain in, a more restrictive placement. The individual program planning team shall convene every 90 days after admission to determine and document the continued appropriateness of the current placement and progress in implementing the transition plan.

(B) The clients' rights advocate for the regional center shall be notified of the proposed admission and the individual program plan meeting and may participate in the individual program plan meeting unless the consumer objects on his or her own behalf.

fire department, the local fire prevention district, or the State Fire Marshal for the installed secured perimeters.

(e) The licensee shall provide staff training regarding the use and operation of the secured perimeters, protection of residents' personal rights, lack of hazard awareness and impulse control behavior, and emergency evacuation procedures.

(f) The licensee shall revise its facility plan of operation. These revisions shall first be approved by the State Department of Developmental Services. The plan of operation shall not be approved by the State Department of Social Services unless the licensee provides certification that the plan was approved by the State Department of Developmental Services. The plan shall include, but not be limited to, all of the following:

(3) A description of how the facility will ensure the protection of the residents' personal rights consistent with Sections 4502, 4503, and 4504 of the Welfare and Institutions Code, and any applicable personal rights provided in Title 22 of the California Code of Regulations.

(4) A description of how the facility will manage residents' lack of hazard awareness and impulse control behavior, which shall emphasize positive behavioral supports and techniques that are alternatives to physical, chemical, or mechanical restraints, or seclusion.

(5) A description of the facility's emergency evacuation procedures.

(6) A description of how the facility will comply with applicable health and safety standards.

(g) Secured perimeters shall not substitute for adequate staff.

(h) Emergency fire and earthquake drills shall be conducted on each shift in accordance with existing licensing requirements, and shall include all facility staff providing resident care and supervision on each shift.

(i) Interior and exterior space shall be available on the facility premises to permit clients to move freely and safely.

(j) For the purpose of using secured perimeters, the licensee shall not be required to obtain a waiver or exception to a regulation that would otherwise prohibit the locking of a perimeter fence or gate.

(k) Except as provided in subdivision (k) of Section 4684.81 of the Welfare and Institutions Code, the state shall not authorize or fund more than a combined total of 150 beds statewide in facilities with secured perimeters under this section and under Section 1267.75. The department shall notify the appropriate fiscal and policy committees of the Legislature through the January and May budget estimates prior to authorizing an increase above a combined total of 100 beds statewide in facilities with secured perimeters under this section and under Section 1267.75.

(1) A minimum of 50 beds shall be available within programs designed for individuals who are designated incompetent to stand trial pursuant to Section 1370.1 of the Penal Code. These beds shall be within facilities that

are exclusively used to provide care for individuals who are placed and participating in forensic competency training pursuant to Section 1370.1 of the Penal Code, except as provided in paragraph (2). No more than half of these facilities may have more than six beds and no facility may have more than 15 beds.

(2) When, in the joint determination of the regional center and the facility administrator, an individual would be most appropriately served in a specific program, regardless of whether the facility meets the criteria established in paragraph (1), individuals who are not similarly designated may be placed in the same facility. That placement may occur only when the individual's planning team determines that the placement and the facility plan of operation meet the individual's needs and that placement is not incompatible with the needs and safety of other facility residents.

(l) This section shall become operative only upon the publication in Title 17 of the California Code of Regulations of emergency regulations filed by the State Department of Developmental Services. These regulations shall be developed with stakeholders, including the State Department of Social Services, consumer advocates, and regional centers. The regulations shall establish program standards for homes that include secured perimeters, including requirements and timelines for the completion and updating of a comprehensive assessment of each consumer's needs, including the identification through the individual program plan process of the services and supports needed to transition the consumer to a less restrictive living arrangement, and a timeline for identifying or developing those services and supports. The regulations shall establish a statewide limit on the total number of beds in homes with secured perimeters. The adoption of these regulations shall be deemed to be an emergency and necessary for the immediate preservation of the public peace, health and safety, or general welfare.

(g) As used in this section a “tribal agency” means an entity designated by a federally recognized tribe as authorized to approve a home consistent with the federal Indian Child Welfare Act (25 U.S.C. 1903 et seq.), for the purpose of placement of an Indian child into foster or adoptive care, including the authority to conduct a criminal or child abuse background check of, and grant exemptions to, an individual who is a prospective foster or adoptive parent, an adult who resides or is employed in the home of an applicant for approval, any person who has a familial or intimate relationship with any person living in the home of an applicant, or an employee of a tribal child welfare agency who may have contact with a child.

SEC. 43. Section 11105.2 of the Penal Code is amended to read:

11105.2. (a) The Department of Justice may provide subsequent state or federal arrest or disposition notification to any entity authorized by state or federal law to receive state or federal summary criminal history information to assist in fulfilling employment, licensing, certification duties, or the duties of approving relative caregivers, nonrelative extended family members, and resource families upon the arrest or disposition of any person whose fingerprints are maintained on file at the Department of Justice or the Federal Bureau of Investigation as the result of an application for licensing, employment, certification, or approval. Nothing in this section shall authorize the notification of a subsequent disposition pertaining to a disposition that does not result in a conviction, unless the department has previously received notification of the arrest and has previously lawfully notified a receiving entity of the pending status of that arrest. When the department supplies subsequent arrest or disposition notification to a receiving entity, the entity shall, at the same time, expeditiously furnish a copy of the information to the person to whom it relates if the information is a basis for an adverse employment, licensing, or certification decision. When furnished other than in person, the copy shall be delivered to the last contact information provided by the applicant.

(b) For purposes of this section, “approval” means those duties described in subdivision (d) of Section 309 of the Welfare and Institutions Code for approving the home of a relative caregiver or of a nonrelative extended family member for placement of a child supervised by the juvenile court, and those duties in Section 16519.5 of the Welfare and Institutions Code for resource families.

(c) Any entity, other than a law enforcement agency employing peace officers as defined in Section 830.1, subdivisions (a) and (e) of Section 830.2, subdivision (a) of Section 830.3, subdivisions (a) and (b) of Section 830.5, and subdivision (a) of Section 830.31, shall enter into a contract with the Department of Justice in order to receive notification of subsequent state or federal arrests or dispositions for licensing, employment, or certification purposes.

(d) Any entity that submits the fingerprints of applicants for licensing, employment, certification, or approval to the Department of Justice for the purpose of establishing a record of the applicant to receive notification of subsequent state or federal arrests or dispositions shall immediately notify the department when the employment of the applicant is terminated, when the applicant’s license or certificate is revoked, when the applicant may no longer renew or reinstate the license or certificate, or when a relative caregiver’s or nonrelative extended family member’s approval is terminated. The Department of Justice shall terminate state or federal subsequent notification on any applicant upon the request of the licensing, employment, certifying, or approving authority.

(e) Any entity that receives a notification of a state or federal subsequent arrest or disposition for a person unknown to the entity, or for a person no longer employed by the entity, or no longer eligible to renew the certificate

or license for which subsequent notification service was established shall immediately return the subsequent notification to the Department of Justice, informing the department that the entity is no longer interested in the applicant. The entity shall not record or otherwise retain any information received as a result of the subsequent notice.

(f) Any entity that submits the fingerprints of an applicant for employment, licensing, certification, or approval to the Department of Justice for the purpose of establishing a record at the department or the Federal Bureau of Investigation to receive notification of subsequent arrest or disposition shall immediately notify the department if the applicant is not subsequently employed, or if the applicant is denied licensing certification, or approval.

(g) An entity that fails to provide the Department of Justice with notification as set forth in subdivisions (c), (d), and (e) may be denied further subsequent notification service.

(h) Notwithstanding subdivisions (c), (d), and (f), subsequent notification by the Department of Justice and retention by the employing agency shall continue as to retired peace officers listed in subdivision (c) of Section 830.5.

SEC. 44. Section 11105.3 of the Penal Code is amended to read:

11105.3. (a) Notwithstanding any other law, a human resource agency or an employer may request from the Department of Justice records of all convictions or any arrest pending adjudication involving the offenses specified in subdivision (a) of Section 15660 of the Welfare and Institutions Code of a person who applies for a license, employment, or volunteer position, in which he or she would have supervisory or disciplinary power over a minor or any person under his or her care. The department shall furnish the information to the requesting employer and shall also send a copy of the information to the applicant.

(b) Any request for records under subdivision (a) shall include the applicant's fingerprints, which may be taken by the requester, and any other data specified by the department. The request shall be on a form approved by the department, and the department may charge a fee to be paid by the employer, human resource agency, or applicant for the actual cost of processing the request. However, no fee shall be charged to a nonprofit organization. Requests received by the department for federal level criminal offender record information shall be forwarded to the Federal Bureau of Investigation by the department to be searched for any record of arrests or convictions.

(c) (1) When a request pursuant to this section reveals that a prospective employee or volunteer has been convicted of a violation or attempted violation of Section 220, 261.5, 262, 273a, 273d, or 273.5, or any sex offense listed in Section 290, except for the offense specified in subdivision (d) of Section 243.4, and where the agency or employer hires the prospective employee or volunteer, the agency or employer shall notify the parents or guardians of any minor who will be supervised or disciplined by the employee or volunteer. A conviction for a violation or attempted violation

of an offense committed outside the State of California shall be included in this notice if the offense would have been a crime specified in this subdivision if committed in California. The notice shall be given to the parents or guardians with whom the child resides, and shall be given at least 10 days prior to the day that the employee or volunteer begins his or her duties or tasks. Notwithstanding any other law, any person who conveys or receives information in good faith and in conformity with this section is exempt from prosecution under Section 11142 or 11143 for that conveying or receiving of information. Notwithstanding subdivision (d), the notification requirements of this subdivision shall apply as an additional requirement of any other provision of law requiring criminal record access or dissemination of criminal history information.

(2) The notification requirement pursuant to paragraph (1) shall not apply to a misdemeanor conviction for violating Section 261.5 or to a conviction for violating Section 262 or 273.5. Nothing in this paragraph shall preclude an employer from requesting records of convictions for violating Section 261.5, 262, or 273.5 from the Department of Justice pursuant to this section.

(d) Nothing in this section supersedes any law requiring criminal record access or dissemination of criminal history information. In any conflict with another statute, dissemination of criminal history information shall be pursuant to the mandatory statute. This subdivision applies to, but is not limited to, requirements pursuant to Article 1 (commencing with Section 1500) of Chapter 3 of, and Chapter 3.2 (commencing with Section 1569) and Chapter 3.4 (commencing with Section 1596.70) of, Division 2 of, and Section 1522 of, the Health and Safety Code, and Sections 8712, 8811, and 8908 of the Family Code, and Section 16519.5 of the Welfare and Institutions Code.

(e) The department may adopt regulations to implement the provisions of this section as necessary.

(f) As used in this section, “employer” means any nonprofit corporation or other organization specified by the Attorney General that employs or uses the services of volunteers in positions in which the volunteer or employee has supervisory or disciplinary power over a child or children.

(g) As used in this section, “human resource agency” means a public or private entity, excluding any agency responsible for licensing of facilities pursuant to the California Community Care Facilities Act (Chapter 3 (commencing with Section 1500)), the California Residential Care Facilities for the Elderly Act (Chapter 3.2 (commencing with Section 1569)), Chapter 3.01 (commencing with Section 1568.01), and the California Child Day Care Facilities Act (Chapter 3.4 (commencing with Section 1596.70)) of Division 2 of the Health and Safety Code, responsible for determining the character and fitness of a person who is:

(1) Applying for a license, employment, or as a volunteer within the human services field that involves the care and security of children, the elderly, the handicapped, or the mentally impaired.

(2) Applying to be a volunteer who transports individuals impaired by drugs or alcohol.

(3) Applying to adopt a child or to be a foster parent.

(h) Except as provided in subdivision (c), any criminal history information obtained pursuant to this section is confidential and no recipient shall disclose its contents other than for the purpose for which it was acquired.

(i) As used in this subdivision, “community youth athletic program” means an employer having as its primary purpose the promotion or provision of athletic activities for youth under 18 years of age.

(j) A community youth athletic program, as defined in subdivision (i), may request state and federal level criminal history information pursuant to subdivision (a) for a volunteer coach or hired coach candidate. The director of the community youth athletic program shall be the custodian of records.

(k) The community youth athletic program may request from the Department of Justice subsequent arrest notification service, as provided in Section 11105.2, for a volunteer coach or a hired coach candidate.

(l) Compliance with this section does not remove or limit the liability of a mandated reporter pursuant to Section 11166.

SEC. 45. Section 11170 of the Penal Code is amended to read:

11170. (a) (1) The Department of Justice shall maintain an index of all reports of child abuse and severe neglect submitted pursuant to Section 11169. The index shall be continually updated by the department and shall not contain any reports that are determined to be not substantiated. The department may adopt rules governing recordkeeping and reporting pursuant to this article.

(2) The department shall act only as a repository of reports of suspected child abuse and severe neglect to be maintained in the Child Abuse Central Index (CACI) pursuant to paragraph (1). The submitting agencies are responsible for the accuracy, completeness, and retention of the reports described in this section. The department shall be responsible for ensuring that the CACI accurately reflects the report it receives from the submitting agency.

(3) Only information from reports that are reported as substantiated shall be filed pursuant to paragraph (1), and all other determinations shall be removed from the central list. If a person listed in the CACI was under 18 years of age at the time of the report, the information shall be deleted from the CACI 10 years from the date of the incident resulting in the CACI listing, if no subsequent report concerning the same person is received during that time period.

(b) The provisions of subdivision (c) of Section 11169 apply to any information provided pursuant to this subdivision.

(1) The Department of Justice shall immediately notify an agency that submits a report pursuant to Section 11169, or a prosecutor who requests notification, of any information maintained pursuant to subdivision (a) that is relevant to the known or suspected instance of child abuse or severe neglect reported by the agency. The agency shall make that information available to the reporting health care practitioner who is treating a person reported as a possible victim of known or suspected child abuse. The agency shall make that information available to the reporting child custodian, Child

Abuse Prevention and Treatment Act guardian ad litem appointed under Rule 5.662 of the California Rules of Court, or counsel appointed under Section 317 or 318 of the Welfare and Institutions Code, or the appropriate licensing agency, if he or she or the licensing agency is handling or investigating a case of known or suspected child abuse or severe neglect.

(2) When a report is made pursuant to subdivision (a) of Section 11166, or Section 11166.05, the investigating agency, upon completion of the investigation or after there has been a final disposition in the matter, shall inform the person required or authorized to report of the results of the investigation and of any action the agency is taking with regard to the child or family.

(3) The Department of Justice shall make relevant information from the CACI available to a law enforcement agency, county welfare department, tribal agency pursuant to Section 10553.12 of the Welfare and Institutions Code, or county probation department that is conducting a child abuse investigation.

(4) The department shall make available to the State Department of Social Services, or to any county licensing agency that has contracted with the state for the performance of licensing duties, or to a tribal court or tribal child welfare agency of a tribe, consortium of tribes, or tribal organization that has entered into an agreement with the state pursuant to Section 10553.1 of the Welfare and Institutions Code, information regarding a known or suspected child abuser maintained pursuant to this section and subdivision (a) of Section 11169 concerning any person who is an applicant for licensure or approval, or any adult who resides or is employed in the home of an applicant for licensure or approval, or who is an applicant for employment in a position having supervisory or disciplinary power over a child or children, or who will provide 24-hour care for a child or children in a residential home or facility, pursuant to Section 1522.1 or 1596.877 of the Health and Safety Code, or Section 8714, 8802, 8912, or 9000 of the Family Code, or Section 11403.2 of the Welfare and Institutions Code.

(5) The Department of Justice shall make available to a Court Appointed Special Advocate program that is conducting a background investigation of an applicant seeking employment with the program or a volunteer position as a Court Appointed Special Advocate, as defined in Section 101 of the Welfare and Institutions Code, information contained in the index regarding known or suspected child abuse by the applicant.

(6) For purposes of child death review, the Department of Justice shall make available to the chairperson, or the chairperson's designee, for each county child death review team, or the State Child Death Review Council, information for investigative purposes only that is maintained in the CACI pursuant to subdivision (a) relating to the death of one or more children and any prior child abuse or neglect investigation reports maintained involving the same victims, siblings, or suspects. Local child death review teams may share any relevant information regarding case reviews involving child death with other child death review teams.

(7) The department shall make available to investigative agencies or probation officers, or court investigators acting pursuant to Section 1513 of the Probate Code, responsible for placing children or assessing the possible placement of children pursuant to Article 6 (commencing with Section 300), Article 7 (commencing with Section 305), Article 10 (commencing with Section 360), or Article 14 (commencing with Section 601) of Chapter 2 of Part 1 of Division 2 of the Welfare and Institutions Code, or Article 2 (commencing with Section 1510) or Article 3 (commencing with Section 1540) of Chapter 1 of Part 2 of Division 4 of the Probate Code, information regarding a known or suspected child abuser contained in the index concerning any adult residing in the home where the child may be placed, when this information is requested for purposes of ensuring that the placement is in the best interest of the child. Upon receipt of relevant information concerning child abuse or neglect investigation reports contained in the CACI from the Department of Justice pursuant to this subdivision, the agency or court investigator shall notify, in writing, the person listed in the CACI that he or she is in the index. The notification shall include the name of the reporting agency and the date of the report.

(8) Pursuant to Section 10553.12 of the Welfare and Institutions Code, the department shall make available to a tribal agency information regarding a known or suspected child abuser maintained pursuant to this section or subdivision (a) of Section 11169 who is being considered as a prospective foster or adoptive parent, an adult who resides or is employed in the home of an applicant for approval, any person who has a familial or intimate relationship with any person living in the home of an applicant, or an employee of the tribal agency who may have contact with children.

(9) The Department of Justice shall make available to a government agency conducting a background investigation pursuant to Section 1031 of the Government Code of an applicant seeking employment as a peace officer, as defined in Section 830, information regarding a known or suspected child abuser maintained pursuant to this section concerning the applicant.

(10) The Department of Justice shall make available to a county child welfare agency or delegated county adoption agency, as defined in Section 8515 of the Family Code, conducting a background investigation, or a government agency conducting a background investigation on behalf of one of those agencies, information regarding a known or suspected child abuser maintained pursuant to this section and subdivision (a) of Section 11169 concerning any applicant seeking employment or volunteer status with the agency who, in the course of his or her employment or volunteer work, will have direct contact with children who are alleged to have been, are at risk of, or have suffered, abuse or neglect.

(11) (A) Persons or agencies, as specified in subdivision (b), if investigating a case of known or suspected child abuse or neglect, or the State Department of Social Services or any county licensing agency pursuant to paragraph (4), or a Court Appointed Special Advocate (CASA) program conducting a background investigation for employment or volunteer candidates pursuant to paragraph (5), or an investigative agency, probation

officer, or court investigator responsible for placing children or assessing the possible placement of children pursuant to paragraph (7), or a government agency conducting a background investigation of an applicant seeking employment as a peace officer pursuant to paragraph (9), or a county child welfare agency or delegated county adoption agency conducting a background investigation of an applicant seeking employment or volunteer status who, in the course of his or her employment or volunteer work, will have direct contact with children who are alleged to have been, are at risk of, or have suffered, abuse or neglect, pursuant to paragraph (10), to whom disclosure of any information maintained pursuant to subdivision (a) is authorized, are responsible for obtaining the original investigative report from the reporting agency, and for drawing independent conclusions regarding the quality of the evidence disclosed, and its sufficiency for making decisions regarding investigation, prosecution, licensing, placement of a child, employment or volunteer positions with a CASA program, or employment as a peace officer.

(B) If CACI information is requested by an agency for the temporary placement of a child in an emergency situation pursuant to Article 7 (commencing with Section 305) of Chapter 2 of Part 1 of Division 2 of the Welfare and Institutions Code, the department is exempt from the requirements of Section 1798.18 of the Civil Code if compliance would cause a delay in providing an expedited response to the agency's inquiry and if further delay in placement may be detrimental to the child.

(12) (A) Whenever information contained in the Department of Justice files is furnished as the result of an application for employment or licensing or volunteer status pursuant to paragraph (4), (5), (8), (9), or (10), the Department of Justice may charge the person or entity making the request a fee. The fee shall not exceed the reasonable costs to the department of providing the information. The only increase shall be at a rate not to exceed the legislatively approved cost-of-living adjustment for the department. In no case shall the fee exceed fifteen dollars (\$15).

(B) All moneys received by the department pursuant to this section to process trustline applications for purposes of Chapter 3.35 (commencing with Section 1596.60) of Division 2 of the Health and Safety Code shall be deposited in a special account in the General Fund that is hereby established and named the Department of Justice Child Abuse Fund. Moneys in the fund shall be available, upon appropriation by the Legislature, for expenditure by the department to offset the costs incurred to process trustline automated child abuse or neglect system checks pursuant to this section.

(C) All moneys, other than those described in subparagraph (B), received by the department pursuant to this paragraph shall be deposited in a special account in the General Fund which is hereby created and named the Department of Justice Sexual Habitual Offender Fund. The funds shall be available, upon appropriation by the Legislature, for expenditure by the department to offset the costs incurred pursuant to Chapter 9.5 (commencing with Section 13885) and Chapter 10 (commencing with Section 13890) of Title 6 of Part 4, and the DNA and Forensic Identification Data Base and

Data Bank Act of 1998 (Chapter 6 (commencing with Section 295) of Title 9 of Part 1), and for maintenance and improvements to the statewide Sexual Habitual Offender Program and the California DNA offender identification file (CAL-DNA) authorized by Chapter 9.5 (commencing with Section 13885) of Title 6 of Part 4 and the DNA and Forensic Identification Data Base and Data Bank Act of 1998 (Chapter 6 (commencing with Section 295) of Title 9 of Part 1).

(c) (1) The Department of Justice shall make available to any agency responsible for placing children pursuant to Article 7 (commencing with Section 305) of Chapter 2 of Part 1 of Division 2 of the Welfare and Institutions Code, upon request, relevant information concerning child abuse or neglect reports contained in the index, when making a placement with a responsible relative pursuant to Sections 281.5, 305, and 361.3 of the Welfare and Institutions Code. Upon receipt of relevant information concerning child abuse or neglect reports contained in the index from the Department of Justice pursuant to this subdivision, the agency shall also notify in writing the person listed in the CACI that he or she is in the index. The notification shall include the location of the original investigative report and the submitting agency. The notification shall be submitted to the person listed at the same time that all other parties are notified of the information, and no later than the actual judicial proceeding that determines placement.

(2) If information is requested by an agency for the placement of a child with a responsible relative in an emergency situation pursuant to Article 7 (commencing with Section 305) of Chapter 2 of Part 1 of Division 2 of the Welfare and Institutions Code, the department is exempt from the requirements of Section 1798.18 of the Civil Code if compliance would cause a delay in providing an expedited response to the child protective agency's inquiry and if further delay in placement may be detrimental to the child.

(d) The department shall make available any information maintained pursuant to subdivision (a) to out-of-state law enforcement agencies conducting investigations of known or suspected child abuse or neglect only when an agency makes the request for information in writing and on official letterhead, or as designated by the department, identifying the suspected abuser or victim by name and date of birth or approximate age. The request shall be signed by the department supervisor of the requesting law enforcement agency. The written requests shall cite the out-of-state statute or interstate compact provision that requires that the information contained within these reports shall be disclosed only to law enforcement, prosecutorial entities, or multidisciplinary investigative teams, and shall cite the safeguards in place to prevent unlawful disclosure of any confidential information provided by the requesting state or the applicable interstate compact provision.

(e) (1) The department shall make available to an out-of-state agency, for purposes of approving a prospective foster or adoptive parent in compliance with the Adam Walsh Child Protection and Safety Act of 2006 (Public Law 109-248), information regarding a known or suspected child

abuser maintained pursuant to subdivision (a) concerning the prospective foster or adoptive parent, and any other adult living in the home of the prospective foster or adoptive parent. The department shall make that information available only when the out-of-state agency makes the request indicating that continual compliance will be maintained with the requirement in paragraph (20) of subsection (a) of Section 671 of Title 42 of the United States Code that requires the state to have in place safeguards to prevent the unauthorized disclosure of information in any child abuse and neglect registry maintained by the state and prevent the information from being used for a purpose other than the conducting of background checks in foster or adoption placement cases.

(2) With respect to any information provided by the department in response to the out-of-state agency's request, the out-of-state agency is responsible for obtaining the original investigative report from the reporting agency, and for drawing independent conclusions regarding the quality of the evidence disclosed and its sufficiency for making decisions regarding the approval of prospective foster or adoptive parents.

(3) (A) Whenever information contained in the index is furnished pursuant to this subdivision, the department shall charge the out-of-state agency making the request a fee. The fee shall not exceed the reasonable costs to the department of providing the information. The only increase shall be at a rate not to exceed the legislatively approved cost-of-living adjustment for the department. In no case shall the fee exceed fifteen dollars (\$15).

(B) All moneys received by the department pursuant to this subdivision shall be deposited in the Department of Justice Child Abuse Fund, established under subparagraph (B) of paragraph (12) of subdivision (b). Moneys in the fund shall be available, upon appropriation by the Legislature, for expenditure by the department to offset the costs incurred to process requests for information pursuant to this subdivision.

(f) (1) Any person may determine if he or she is listed in the CACI by making a request in writing to the Department of Justice. The request shall be notarized and include the person's name, address, date of birth, and either a social security number or a California identification number. Upon receipt of a notarized request, the Department of Justice shall make available to the requesting person information identifying the date of the report and the submitting agency. The requesting person is responsible for obtaining the investigative report from the submitting agency pursuant to paragraph (11) of subdivision (b) of Section 11167.5.

(2) No person or agency shall require or request another person to furnish a copy of a record concerning himself or herself, or notification that a record concerning himself or herself exists or does not exist, pursuant to paragraph (1).

(g) If a person is listed in the CACI only as a victim of child abuse or neglect, and that person is 18 years of age or older, that person may have his or her name removed from the index by making a written request to the

Department of Justice. The request shall be notarized and include the person's name, address, social security number, and date of birth.

SEC. 46. Section 319.3 of the Welfare and Institutions Code is amended to read:

319.3. Notwithstanding Section 319, a dependent child who is 6 to 12 years of age, inclusive, may be placed in a community care facility licensed as a group home for children, a short-term residential treatment center, or in a temporary shelter care facility, as defined in Section 1530.8 of the Health and Safety Code, only when the court finds that placement is necessary to secure a complete and adequate evaluation, including placement planning and transition time. The placement period shall not exceed 60 days unless a case plan has been developed and the need for additional time is documented in the case plan and has been approved by a deputy director or director of the county child welfare department or an assistant chief probation officer or chief probation officer of the county probation department.

SEC. 47. Section 361.2 of the Welfare and Institutions Code is amended to read:

361.2. (a) When a court orders removal of a child pursuant to Section 361, the court shall first determine whether there is a parent of the child, with whom the child was not residing at the time that the events or conditions arose that brought the child within the provisions of Section 300, who desires to assume custody of the child. If that parent requests custody, the court shall place the child with the parent unless it finds that placement with that parent would be detrimental to the safety, protection, or physical or emotional well-being of the child. The fact that the parent is enrolled in a certified substance abuse treatment facility that allows a dependent child to reside with his or her parent shall not be, for that reason alone, prima facie evidence that placement with that parent would be detrimental.

(b) If the court places the child with that parent it may do any of the following:

(1) Order that the parent become legal and physical custodian of the child. The court may also provide reasonable visitation by the noncustodial parent. The court shall then terminate its jurisdiction over the child. The custody order shall continue unless modified by a subsequent order of the superior court. The order of the juvenile court shall be filed in any domestic relation proceeding between the parents.

(2) Order that the parent assume custody subject to the jurisdiction of the juvenile court and require that a home visit be conducted within three months. In determining whether to take the action described in this paragraph, the court shall consider any concerns that have been raised by the child's current caregiver regarding the parent. After the social worker conducts the home visit and files his or her report with the court, the court may then take the action described in paragraph (1), (3), or this paragraph. However, nothing in this paragraph shall be interpreted to imply that the court is required to take the action described in this paragraph as a prerequisite to the court taking the action described in either paragraph (1) or (3).

(3) Order that the parent assume custody subject to the supervision of the juvenile court. In that case the court may order that reunification services be provided to the parent or guardian from whom the child is being removed, or the court may order that services be provided solely to the parent who is assuming physical custody in order to allow that parent to retain later custody without court supervision, or that services be provided to both parents, in which case the court shall determine, at review hearings held pursuant to Section 366, which parent, if either, shall have custody of the child.

(c) The court shall make a finding either in writing or on the record of the basis for its determination under subdivisions (a) and (b).

(d) Part 6 (commencing with Section 7950) of Division 12 of the Family Code shall apply to the placement of a child pursuant to paragraphs (1) and (2) of subdivision (e).

(e) When the court orders removal pursuant to Section 361, the court shall order the care, custody, control, and conduct of the child to be under the supervision of the social worker who may place the child in any of the following:

(1) The home of a noncustodial parent as described in subdivision (a), regardless of the parent's immigration status.

(2) The approved home of a relative, regardless of the relative's immigration status.

(3) The approved home of a nonrelative extended family member as defined in Section 362.7.

(4) The approved home of a resource family as defined in Section 16519.5.

(5) A foster home in which the child has been placed before an interruption in foster care, if that placement is in the best interest of the child and space is available.

(6) A suitable licensed community care facility, except a runaway and homeless youth shelter licensed by the State Department of Social Services pursuant to Section 1502.35 of the Health and Safety Code.

(7) With a foster family agency to be placed in a suitable licensed foster family home or certified family home which has been certified by the agency as meeting licensing standards.

(8) A home or facility in accordance with the federal Indian Child Welfare Act (25 U.S.C. Sec. 1901 et seq.).

(9) A child under six years of age may be placed in a community care facility licensed as a group home for children, or a temporary shelter care facility as defined in Section 1530.8 of the Health and Safety Code, only under any of the following circumstances:

(A) (i) When a case plan indicates that placement is for purposes of providing short term, specialized, and intensive treatment to the child, the case plan specifies the need for, nature of, and anticipated duration of this treatment, pursuant to paragraph (2) of subdivision (c) of Section 16501.1, the facility meets the applicable regulations adopted under Section 1530.8 of the Health and Safety Code and standards developed pursuant to Section 11467.1 of this code, and the deputy director or director of the county child

welfare department or an assistant chief probation officer or chief probation officer of the county probation department has approved the case plan.

(ii) The short term, specialized, and intensive treatment period shall not exceed 120 days, unless the county has made progress toward or is actively working toward implementing the case plan that identifies the services or supports necessary to transition the child to a family setting, circumstances beyond the county's control have prevented the county from obtaining those services or supports within the timeline documented in the case plan, and the need for additional time pursuant to the case plan is documented by the caseworker and approved by a deputy director or director of the county child welfare department or an assistant chief probation officer or chief probation officer of the county probation department.

(iii) To the extent that placements pursuant to this paragraph are extended beyond an initial 120 days, the requirements of clauses (i) and (ii) shall apply to each extension. In addition, the deputy director or director of the county child welfare department or an assistant chief probation officer or chief probation officer of the county probation department shall approve the continued placement no less frequently than every 60 days.

(B) When a case plan indicates that placement is for purposes of providing family reunification services. In addition, the facility offers family reunification services that meet the needs of the individual child and his or her family, permits parents to have reasonable access to their children 24 hours a day, encourages extensive parental involvement in meeting the daily needs of their children, and employs staff trained to provide family reunification services. In addition, one of the following conditions exists:

(i) The child's parent is also a ward of the court and resides in the facility.

(ii) The child's parent is participating in a treatment program affiliated with the facility and the child's placement in the facility facilitates the coordination and provision of reunification services.

(iii) Placement in the facility is the only alternative that permits the parent to have daily 24-hour access to the child in accordance with the case plan, to participate fully in meeting all of the daily needs of the child, including feeding and personal hygiene, and to have access to necessary reunification services.

(10) (A) A child who is 6 to 12 years of age, inclusive, may be placed in a community care facility licensed as a group home for children only when a case plan indicates that placement is for purposes of providing short term, specialized, and intensive treatment for the child, the case plan specifies the need for, nature of, and anticipated duration of this treatment, pursuant to paragraph (2) of subdivision (c) of Section 16501.1, and is approved by the deputy director or director of the county child welfare department or an assistant chief probation officer or chief probation officer of the county probation department.

(B) The short term, specialized, and intensive treatment period shall not exceed six months, unless the county has made progress or is actively working toward implementing the case plan that identifies the services or supports necessary to transition the child to a family setting, circumstances

beyond the county's control have prevented the county from obtaining those services or supports within the timeline documented in the case plan, and the need for additional time pursuant to the case plan is documented by the caseworker and approved by a deputy director or director of the county child welfare department or an assistant chief probation officer or chief probation officer of the county probation department.

(C) To the extent that placements pursuant to this paragraph are extended beyond an initial six months, the requirements of subparagraphs (A) and (B) shall apply to each extension. In addition, the deputy director or director of the county child welfare department or an assistant chief probation officer or chief probation officer of the county probation department shall approve the continued placement no less frequently than every 60 days.

(11) Nothing in this subdivision shall be construed to allow a social worker to place any dependent child outside the United States, except as specified in subdivision (f).

(f) (1) A child under the supervision of a social worker pursuant to subdivision (e) shall not be placed outside the United States prior to a judicial finding that the placement is in the best interest of the child, except as required by federal law or treaty.

(2) The party or agency requesting placement of the child outside the United States shall carry the burden of proof and shall show, by clear and convincing evidence, that placement outside the United States is in the best interest of the child.

(3) In determining the best interest of the child, the court shall consider, but not be limited to, the following factors:

(A) Placement with a relative.

(B) Placement of siblings in the same home.

(C) Amount and nature of any contact between the child and the potential guardian or caretaker.

(D) Physical and medical needs of the dependent child.

(E) Psychological and emotional needs of the dependent child.

(F) Social, cultural, and educational needs of the dependent child.

(G) Specific desires of any dependent child who is 12 years of age or older.

(4) If the court finds that a placement outside the United States is, by clear and convincing evidence, in the best interest of the child, the court may issue an order authorizing the social worker to make a placement outside the United States. A child subject to this subdivision shall not leave the United States prior to the issuance of the order described in this paragraph.

(5) For purposes of this subdivision, "outside the United States" shall not include the lands of any federally recognized American Indian tribe or Alaskan Natives.

(6) This subdivision shall not apply to the placement of a dependent child with a parent pursuant to subdivision (a).

(g) (1) If the child is taken from the physical custody of the child's parent or guardian and unless the child is placed with relatives, the child shall be

placed in foster care in the county of residence of the child's parent or guardian in order to facilitate reunification of the family.

(2) In the event that there are no appropriate placements available in the parent's or guardian's county of residence, a placement may be made in an appropriate place in another county, preferably a county located adjacent to the parent's or guardian's community of residence.

(3) Nothing in this section shall be interpreted as requiring multiple disruptions of the child's placement corresponding to frequent changes of residence by the parent or guardian. In determining whether the child should be moved, the social worker shall take into consideration the potential harmful effects of disrupting the placement of the child and the parent's or guardian's reason for the move.

(4) When it has been determined that it is necessary for a child to be placed in a county other than the child's parent's or guardian's county of residence, the specific reason the out-of-county placement is necessary shall be documented in the child's case plan. If the reason the out-of-county placement is necessary is the lack of resources in the sending county to meet the specific needs of the child, those specific resource needs shall be documented in the case plan.

(5) When it has been determined that a child is to be placed out of county either in a group home or with a foster family agency for subsequent placement in a certified foster family home, and the sending county is to maintain responsibility for supervision and visitation of the child, the sending county shall develop a plan of supervision and visitation that specifies the supervision and visitation activities to be performed and specifies that the sending county is responsible for performing those activities. In addition to the plan of supervision and visitation, the sending county shall document information regarding any known or suspected dangerous behavior of the child that indicates the child may pose a safety concern in the receiving county. Upon implementation of the Child Welfare Services Case Management System, the plan of supervision and visitation, as well as information regarding any known or suspected dangerous behavior of the child, shall be made available to the receiving county upon placement of the child in the receiving county. If placement occurs on a weekend or holiday, the information shall be made available to the receiving county on or before the end of the next business day.

(6) When it has been determined that a child is to be placed out of county and the sending county plans that the receiving county shall be responsible for the supervision and visitation of the child, the sending county shall develop a formal agreement between the sending and receiving counties. The formal agreement shall specify the supervision and visitation to be provided the child, and shall specify that the receiving county is responsible for providing the supervision and visitation. The formal agreement shall be approved and signed by the sending and receiving counties prior to placement of the child in the receiving county. In addition, upon completion of the case plan, the sending county shall provide a copy of the completed case plan to the receiving county. The case plan shall include information

regarding any known or suspected dangerous behavior of the child that indicates the child may pose a safety concern to the receiving county.

(h) Whenever the social worker must change the placement of the child and is unable to find a suitable placement within the county and must place the child outside the county, the placement shall not be made until he or she has served written notice on the parent or guardian at least 14 days prior to the placement, unless the child's health or well-being is endangered by delaying the action or would be endangered if prior notice were given. The notice shall state the reasons that require placement outside the county. The parent or guardian may object to the placement not later than seven days after receipt of the notice and, upon objection, the court shall hold a hearing not later than five days after the objection and prior to the placement. The court shall order out-of-county placement if it finds that the child's particular needs require placement outside the county.

(i) If the court has ordered removal of the child from the physical custody of his or her parents pursuant to Section 361, the court shall consider whether the family ties and best interest of the child will be served by granting visitation rights to the child's grandparents. The court shall clearly specify those rights to the social worker.

(j) If the court has ordered removal of the child from the physical custody of his or her parents pursuant to Section 361, the court shall consider whether there are any siblings under the court's jurisdiction, or any nondependent siblings in the physical custody of a parent subject to the court's jurisdiction, the nature of the relationship between the child and his or her siblings, the appropriateness of developing or maintaining the sibling relationships pursuant to Section 16002, and the impact of the sibling relationships on the child's placement and planning for legal permanence.

(k) (1) An agency shall ensure placement of a child in a home that, to the fullest extent possible, best meets the day-to-day needs of the child. A home that best meets the day-to-day needs of the child shall satisfy all of the following criteria:

(A) The child's caregiver is able to meet the day-to-day health, safety, and well-being needs of the child.

(B) The child's caregiver is permitted to maintain the least restrictive family setting that promotes normal childhood experiences and serves the day-to-day needs of the child.

(C) The child is permitted to engage in reasonable, age-appropriate day-to-day activities that promote normal childhood experiences for the foster child.

(2) The foster child's caregiver shall use a reasonable and prudent parent standard, as defined in paragraph (2) of subdivision (a) of Section 362.04, to determine day-to-day activities that are age appropriate to meet the needs of the child. Nothing in this section shall be construed to permit a child's caregiver to permit the child to engage in day-to-day activities that carry an unreasonable risk of harm, or subject the child to abuse or neglect.

(3) This section shall remain in effect only until January 1, 2017, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2017, deletes or extends that date.

SEC. 48. Section 361.2 is added to the Welfare and Institutions Code, to read:

361.2. (a) When a court orders removal of a child pursuant to Section 361, the court shall first determine whether there is a parent of the child, with whom the child was not residing at the time that the events or conditions arose that brought the child within the provisions of Section 300, who desires to assume custody of the child. If that parent requests custody, the court shall place the child with the parent unless it finds that placement with that parent would be detrimental to the safety, protection, or physical or emotional well-being of the child. The fact that the parent is enrolled in a certified substance abuse treatment facility that allows a dependent child to reside with his or her parent shall not be, for that reason alone, prima facie evidence that placement with that parent would be detrimental.

(b) If the court places the child with that parent it may do any of the following:

(1) Order that the parent become legal and physical custodian of the child. The court may also provide reasonable visitation by the noncustodial parent. The court shall then terminate its jurisdiction over the child. The custody order shall continue unless modified by a subsequent order of the superior court. The order of the juvenile court shall be filed in any domestic relation proceeding between the parents.

(2) Order that the parent assume custody subject to the jurisdiction of the juvenile court and require that a home visit be conducted within three months. In determining whether to take the action described in this paragraph, the court shall consider any concerns that have been raised by the child's current caregiver regarding the parent. After the social worker conducts the home visit and files his or her report with the court, the court may then take the action described in paragraph (1), (3), or this paragraph. However, nothing in this paragraph shall be interpreted to imply that the court is required to take the action described in this paragraph as a prerequisite to the court taking the action described in either paragraph (1) or (3).

(3) Order that the parent assume custody subject to the supervision of the juvenile court. In that case the court may order that reunification services be provided to the parent or guardian from whom the child is being removed, or the court may order that services be provided solely to the parent who is assuming physical custody in order to allow that parent to retain later custody without court supervision, or that services be provided to both parents, in which case the court shall determine, at review hearings held pursuant to Section 366, which parent, if either, shall have custody of the child.

(c) The court shall make a finding either in writing or on the record of the basis for its determination under subdivisions (a) and (b).

(d) Part 6 (commencing with Section 7950) of Division 12 of the Family Code shall apply to the placement of a child pursuant to paragraphs (1) and (2) of subdivision (e).

(e) When the court orders removal pursuant to Section 361, the court shall order the care, custody, control, and conduct of the child to be under the supervision of the social worker who may place the child in any of the following:

(1) The home of a noncustodial parent as described in subdivision (a), regardless of the parent's immigration status.

(2) The approved home of a relative, regardless of the relative's immigration status.

(3) The approved home of a nonrelative extended family member as defined in Section 362.7.

(4) The approved home of a resource family as defined in Section 16519.5.

(5) A foster home considering first a foster home in which the child has been placed before an interruption in foster care, if that placement is in the best interest of the child and space is available.

(6) A home or facility in accordance with the federal Indian Child Welfare Act (25 U.S.C. Sec. 1901 et seq.).

(7) A suitable licensed community care facility, except a runaway and homeless youth shelter licensed by the State Department of Social Services pursuant to Section 1502.35 of the Health and Safety Code.

(8) With a foster family agency, as defined in subdivision (g) of Section 11400 and paragraph (4) of subdivision (a) of Section 1502 of the Health and Safety Code, to be placed in a suitable family home certified or approved by the agency.

(9) A child of any age who is placed in a community care facility licensed as a group home for children or a short-term residential treatment center, as defined in subdivision (ad) of Section 11400 and paragraph (18) of subdivision (a) of Section 1502 of the Health and Safety Code, shall have a case plan that indicates that placement is for purposes of providing short term, specialized, and intensive treatment for the child, the case plan specifies the need for, nature of, and anticipated duration of this treatment, pursuant to paragraph (2) of subdivision (c) of Section 16501.1, and the case plan includes transitioning the child to a less restrictive environment and the projected timeline by which the child will be transitioned to a less restrictive environment. If the placement is longer than six months, the placement shall be documented consistent with paragraph (3) of subdivision (a) of Section 16501.1 and shall be approved by the deputy director or director of the county child welfare department.

(A) A child under six years of age shall not be placed in a community care facility licensed as a group home for children, or a short-term residential treatment center, except under the following circumstances:

(i) When the facility meets the applicable regulations adopted under Section 1530.8 of the Health and Safety Code and standards developed

pursuant to Section 11467.1 of this code, and the deputy director or director of the county child welfare department has approved the case plan.

(ii) The short term, specialized, and intensive treatment period shall not exceed 120 days, unless the county has made progress toward or is actively working toward implementing the case plan that identifies the services or supports necessary to transition the child to a family setting, circumstances beyond the county's control have prevented the county from obtaining those services or supports within the timeline documented in the case plan, and the need for additional time pursuant to the case plan is documented by the caseworker and approved by a deputy director or director of the county child welfare department.

(iii) To the extent that placements pursuant to this paragraph are extended beyond an initial 120 days, the requirements of clauses (i) and (ii) shall apply to each extension. In addition, the deputy director or director of the county child welfare department shall approve the continued placement no less frequently than every 60 days.

(iv) In addition, when a case plan indicates that placement is for purposes of providing family reunification services. The facility shall offer family reunification services that meet the needs of the individual child and his or her family, permit parents to have reasonable access to their children 24 hours a day, encourage extensive parental involvement in meeting the daily needs of their children, and employ staff trained to provide family reunification services. In addition, one of the following conditions exists:

(I) The child's parent is also under the jurisdiction of the court and resides in the facility.

(II) The child's parent is participating in a treatment program affiliated with the facility and the child's placement in the facility facilitates the coordination and provision of reunification services.

(III) Placement in the facility is the only alternative that permits the parent to have daily 24-hour access to the child in accordance with the case plan, to participate fully in meeting all of the daily needs of the child, including feeding and personal hygiene, and to have access to necessary reunification services.

(B) A child who is 6 to 12 years of age, inclusive, may be placed in a community care facility licensed as a group home for children or a short-term residential treatment center under the following conditions.

(i) The short-term, specialized, and intensive treatment period shall not exceed six months, unless the county has made progress or is actively working toward implementing the case plan that identifies the services or supports necessary to transition the child to a family setting, circumstances beyond the county's control have prevented the county from obtaining those services or supports within the timeline documented in the case plan, and the need for additional time pursuant to the case plan is documented by the caseworker and approved by a deputy director or director of the county child welfare department.

(ii) To the extent that placements pursuant to this paragraph are extended beyond an initial six months, the requirements of this subparagraph shall

apply to each extension. In addition, the deputy director or director of the county child welfare department shall approve the continued placement no less frequently than every 60 days.

(10) Any child placed in a short-term residential treatment center shall be either of the following:

(A) A child who has been assessed as meeting one of the placement requirements set forth in subdivisions (d) and (e) of Section 11462.01.

(B) A child under 6 years of age who is placed with his or her minor parent or for the purpose of reunification pursuant to clause (iv) of subparagraph (A) of paragraph (9).

(11) Nothing in this subdivision shall be construed to allow a social worker to place any dependent child outside the United States, except as specified in subdivision (f).

(f) (1) A child under the supervision of a social worker pursuant to subdivision (e) shall not be placed outside the United States prior to a judicial finding that the placement is in the best interest of the child, except as required by federal law or treaty.

(2) The party or agency requesting placement of the child outside the United States shall carry the burden of proof and shall show, by clear and convincing evidence, that placement outside the United States is in the best interest of the child.

(3) In determining the best interest of the child, the court shall consider, but not be limited to, the following factors:

(A) Placement with a relative.

(B) Placement of siblings in the same home.

(C) Amount and nature of any contact between the child and the potential guardian or caretaker.

(D) Physical and medical needs of the dependent child.

(E) Psychological and emotional needs of the dependent child.

(F) Social, cultural, and educational needs of the dependent child.

(G) Specific desires of any dependent child who is 12 years of age or older.

(4) If the court finds that a placement outside the United States is, by clear and convincing evidence, in the best interest of the child, the court may issue an order authorizing the social worker to make a placement outside the United States. A child subject to this subdivision shall not leave the United States prior to the issuance of the order described in this paragraph.

(5) For purposes of this subdivision, "outside the United States" shall not include the lands of any federally recognized American Indian tribe or Alaskan Natives.

(6) This subdivision shall not apply to the placement of a dependent child with a parent pursuant to subdivision (a).

(g) (1) If the child is taken from the physical custody of the child's parent or guardian and unless the child is placed with relatives, the child shall be placed in foster care in the county of residence of the child's parent or guardian in order to facilitate reunification of the family.

(2) In the event that there are no appropriate placements available in the parent's or guardian's county of residence, a placement may be made in an appropriate place in another county, preferably a county located adjacent to the parent's or guardian's community of residence.

(3) Nothing in this section shall be interpreted as requiring multiple disruptions of the child's placement corresponding to frequent changes of residence by the parent or guardian. In determining whether the child should be moved, the social worker shall take into consideration the potential harmful effects of disrupting the placement of the child and the parent's or guardian's reason for the move.

(4) When it has been determined that it is necessary for a child to be placed in a county other than the child's parent's or guardian's county of residence, the specific reason the out-of-county placement is necessary shall be documented in the child's case plan. If the reason the out-of-county placement is necessary is the lack of resources in the sending county to meet the specific needs of the child, those specific resource needs shall be documented in the case plan.

(5) When it has been determined that a child is to be placed out of county either in a group home or with a foster family agency for subsequent placement in a certified foster family home, and the sending county is to maintain responsibility for supervision and visitation of the child, the sending county shall develop a plan of supervision and visitation that specifies the supervision and visitation activities to be performed and specifies that the sending county is responsible for performing those activities. In addition to the plan of supervision and visitation, the sending county shall document information regarding any known or suspected dangerous behavior of the child that indicates the child may pose a safety concern in the receiving county. Upon implementation of the Child Welfare Services Case Management System, the plan of supervision and visitation, as well as information regarding any known or suspected dangerous behavior of the child, shall be made available to the receiving county upon placement of the child in the receiving county. If placement occurs on a weekend or holiday, the information shall be made available to the receiving county on or before the end of the next business day.

(6) When it has been determined that a child is to be placed out of county and the sending county plans that the receiving county shall be responsible for the supervision and visitation of the child, the sending county shall develop a formal agreement between the sending and receiving counties. The formal agreement shall specify the supervision and visitation to be provided the child, and shall specify that the receiving county is responsible for providing the supervision and visitation. The formal agreement shall be approved and signed by the sending and receiving counties prior to placement of the child in the receiving county. In addition, upon completion of the case plan, the sending county shall provide a copy of the completed case plan to the receiving county. The case plan shall include information regarding any known or suspected dangerous behavior of the child that indicates the child may pose a safety concern to the receiving county.

(h) Whenever the social worker must change the placement of the child and is unable to find a suitable placement within the county and must place the child outside the county, the placement shall not be made until he or she has served written notice on the parent or guardian at least 14 days prior to the placement, unless the child's health or well-being is endangered by delaying the action or would be endangered if prior notice were given. The notice shall state the reasons that require placement outside the county. The parent or guardian may object to the placement not later than seven days after receipt of the notice and, upon objection, the court shall hold a hearing not later than five days after the objection and prior to the placement. The court shall order out-of-county placement if it finds that the child's particular needs require placement outside the county.

(i) If the court has ordered removal of the child from the physical custody of his or her parents pursuant to Section 361, the court shall consider whether the family ties and best interest of the child will be served by granting visitation rights to the child's grandparents. The court shall clearly specify those rights to the social worker.

(j) If the court has ordered removal of the child from the physical custody of his or her parents pursuant to Section 361, the court shall consider whether there are any siblings under the court's jurisdiction, or any nondependent siblings in the physical custody of a parent subject to the court's jurisdiction, the nature of the relationship between the child and his or her siblings, the appropriateness of developing or maintaining the sibling relationships pursuant to Section 16002, and the impact of the sibling relationships on the child's placement and planning for legal permanence.

(k) (1) An agency shall ensure placement of a child in a home that, to the fullest extent possible, best meets the day-to-day needs of the child. A home that best meets the day-to-day needs of the child shall satisfy all of the following criteria:

(A) The child's caregiver is able to meet the day-to-day health, safety, and well-being needs of the child.

(B) The child's caregiver is permitted to maintain the least restrictive family setting that promotes normal childhood experiences and that serves the day-to-day needs of the child.

(C) The child is permitted to engage in reasonable, age-appropriate day-to-day activities that promote normal childhood experiences for the foster child.

(2) The foster child's caregiver shall use a reasonable and prudent parent standard, as defined in paragraph (2) of subdivision (a) of Section 362.04, to determine day-to-day activities that are age appropriate to meet the needs of the child. Nothing in this section shall be construed to permit a child's caregiver to permit the child to engage in day-to-day activities that carry an unreasonable risk of harm, or subject the child to abuse or neglect.

(l) This section shall become operative on January 1, 2017.

SEC. 49. Section 706.6 of the Welfare and Institutions Code is amended to read:

706.6. (a) Services to minors are best provided in a framework that integrates service planning and delivery among multiple service systems, including the mental health system, using a team-based approach, such as a child and family team. A child and family team brings together individuals that engage with the child or youth and family in assessing, planning, and delivering services. Use of a team approach increases efficiency, and thus reduces cost, by increasing coordination of formal services and integrating the natural and informal supports available to the child or youth and family.

(b) (1) For the purposes of this section, “child and family team” has the same meaning as in paragraph (4) of subdivision (a) of Section 16501.

(2) In its development of the case plan, the probation agency shall consider any recommendations of the child and family team, as defined in paragraph (4) of subdivision (a) of Section 16501. The agency shall document the rationale for any inconsistencies between the case plan and the child and family team recommendations.

(c) A case plan prepared as required by Section 706.5 shall be submitted to the court. It shall either be attached to the social study or incorporated as a separate section within the social study. The case plan shall include, but not be limited to, the following information:

(1) A description of the circumstances that resulted in the minor being placed under the supervision of the probation department and in foster care.

(2) Documentation of the preplacement assessment of the minor’s and family’s strengths and service needs showing that preventive services have been provided, and that reasonable efforts to prevent out-of-home placement have been made. The assessment shall include the type of placement best equipped to meet those needs.

(3) (A) A description of the type of home or institution in which the minor is to be placed, and the reasons for that placement decision, including a discussion of the safety and appropriateness of the placement, including the recommendations of the child and family team, if available.

(B) An appropriate placement is a placement in the least restrictive, most family-like environment that promotes normal childhood experiences, in closest proximity to the minor’s home, that meets the minor’s best interests and special needs.

(d) The following shall apply:

(1) The agency selecting a placement shall consider, in order of priority:

(A) Placement with relatives, nonrelated extended family members, and tribal members.

(B) Foster family homes and certified homes or resource families of foster family agencies.

(C) Treatment and intensive treatment certified homes or resource families of foster family agencies, or multidimensional treatment foster homes or therapeutic foster care homes.

(D) Group care placements in the following order:

(i) Short-term residential treatment centers.

(ii) Group homes.

(iii) Community treatment facilities.

(iv) Out-of-state residential treatment pursuant to Part 5 (commencing with Section 7900) of Division 12 of the Family Code.

(2) Although the placement options shall be considered in the preferential order specified in paragraph (1), the placement of a child may be with any of these placement settings in order to ensure the selection of a safe placement setting that is in the child's best interests and meets the child's special needs.

(3) A minor may be placed into a community care facility licensed as a short-term residential treatment center, as defined in subdivision (ad) of Section 11400, provided the case plan indicates that the placement is for the purposes of providing short-term, specialized, and intensive treatment for the minor, the case plan specifies the need for, nature of, and anticipated duration of this treatment, and the case plan includes transitioning the minor to a less restrictive environment and the projected timeline by which the minor will be transitioned to a less restrictive environment.

(e) Effective January 1, 2010, a case plan shall ensure the educational stability of the child while in foster care and shall include both of the following:

(1) Assurances that the placement takes into account the appropriateness of the current educational setting and the proximity to the school in which the child is enrolled at the time of placement.

(2) An assurance that the placement agency has coordinated with appropriate local educational agencies to ensure that the child remains in the school in which the child is enrolled at the time of placement, or, if remaining in that school is not in the best interests of the child, assurances by the placement agency and the local educational agency to provide immediate and appropriate enrollment in a new school and to provide all of the child's educational records to the new school.

(f) Specific time-limited goals and related activities designed to enable the safe return of the minor to his or her home, or in the event that return to his or her home is not possible, activities designed to result in permanent placement or emancipation. Specific responsibility for carrying out the planned activities shall be assigned to one or more of the following:

(1) The probation department.

(2) The minor's parent or parents or legal guardian or guardians, as applicable.

(3) The minor.

(4) The foster parents or licensed agency providing foster care.

(g) The projected date of completion of the case plan objectives and the date services will be terminated.

(2) Whether the child has other siblings, and, if any siblings exist, all of the following:

(A) The nature of the relationship between the child and his or her siblings.

(B) The appropriateness of developing or maintaining the sibling relationships pursuant to Section 16002.

(C) If the siblings are not placed together in the same home, why the siblings are not placed together and what efforts are being made to place the siblings together, or why those efforts are not appropriate.

(D) If the siblings are not placed together, all of the following:

(i) The frequency and nature of the visits between the siblings.

(ii) If there are visits between the siblings, whether the visits are supervised or unsupervised. If the visits are supervised, a discussion of the reasons why the visits are supervised, and what needs to be accomplished in order for the visits to be unsupervised.

(iii) If there are visits between the siblings, a description of the location and length of the visits.

(iv) Any plan to increase visitation between the siblings.

(E) The impact of the sibling relationships on the child's placement and planning for legal permanence.

(F) The continuing need to suspend sibling interaction, if applicable, pursuant to subdivision (c) of Section 16002.

(3) The factors the court may consider in making a determination regarding the nature of the child's sibling relationships may include, but are not limited to, whether the siblings were raised together in the same home, whether the siblings have shared significant common experiences or have existing close and strong bonds, whether either sibling expresses a desire to visit or live with his or her sibling, as applicable, and whether ongoing contact is in the child's best emotional interests.

(i) (1) When placement is made in a foster family home, group home, or other child care institution that is either a substantial distance from the home of the minor's parent or legal guardian or out-of-state, the case plan shall specify the reasons why the placement is the most appropriate and is in the best interest of the minor.

(2) When an out-of-state group home placement is recommended or made, the case plan shall comply with Section 727.1 and Section 7911.1 of the Family Code. In addition, documentation of the recommendation of the multidisciplinary team and the rationale for this particular placement shall be included. The case plan shall also address what in-state services or facilities were used or considered and why they were not recommended.

(j) If applicable, efforts to make it possible to place siblings together, unless it has been determined that placement together is not in the best interest of one or more siblings.

(k) A schedule of visits between the minor and the probation officer, including a monthly visitation schedule for those children placed in group homes.

(l) Health and education information about the minor, school records, immunizations, known medical problems, and any known medications the minor may be taking, names and addresses of the minor's health and educational providers; the minor's grade level performance; assurances that the minor's placement in foster care takes into account proximity to the

school in which the minor was enrolled at the time of placement; and other relevant health and educational information.

(m) When out-of-home services are used and the goal is reunification, the case plan shall describe the services that were provided to prevent removal of the minor from the home, those services to be provided to assist in reunification and the services to be provided concurrently to achieve legal permanency if efforts to reunify fail.

(n) The updated case plan prepared for a permanency planning hearing shall include a recommendation for a permanent plan for the minor. If, after considering reunification, adoptive placement, legal guardianship, or permanent placement with a fit and willing relative the probation officer recommends placement in a planned permanent living arrangement, the case plan shall include documentation of a compelling reason or reasons why termination of parental rights is not in the minor's best interest. For purposes of this subdivision, a "compelling reason" shall have the same meaning as in subdivision (c) of Section 727.3.

(o) Each updated case plan shall include a description of the services that have been provided to the minor under the plan and an evaluation of the appropriateness and effectiveness of those services.

(p) A statement that the parent or legal guardian, and the minor have had an opportunity to participate in the development of the case plan, to review the case plan, to sign the case plan, and to receive a copy of the plan, or an explanation about why the parent, legal guardian, or minor was not able to participate or sign the case plan.

(q) For a minor in out-of-home care who is 16 years of age or older, a written description of the programs and services, which will help the minor prepare for the transition from foster care to independent living.

SEC. 49.5. Section 706.6 of the Welfare and Institutions Code is amended to read:

706.6. (a) Services to minors are best provided in a framework that integrates service planning and delivery among multiple service systems, including the mental health system, using a team-based approach, such as a child and family team. A child and family team brings together individuals that engage with the child or youth and family in assessing, planning, and delivering services. Use of a team approach increases efficiency, and thus reduces cost, by increasing coordination of formal services and integrating the natural and informal supports available to the child or youth and family.

(b) (1) For the purposes of this section, "child and family team" has the same meaning as in paragraph (4) of subdivision (a) of Section 16501.

(2) In its development of the case plan, the probation agency shall consider any recommendations of the child and family team, as defined in paragraph (4) of subdivision (a) of Section 16501. The agency shall document the rationale for any inconsistencies between the case plan and the child and family team recommendations.

(c) A case plan prepared as required by Section 706.5 shall be submitted to the court. It shall either be attached to the social study or incorporated as

a separate section within the social study. The case plan shall include, but not be limited to, the following information:

(1) A description of the circumstances that resulted in the minor being placed under the supervision of the probation department and in foster care.

(2) Documentation of the preplacement assessment of the minor's and family's strengths and service needs showing that preventive services have been provided, and that reasonable efforts to prevent out-of-home placement have been made. The assessment shall include the type of placement best equipped to meet those needs.

(3) (A) A description of the type of home or institution in which the minor is to be placed, and the reasons for that placement decision, including a discussion of the safety and appropriateness of the placement, including the recommendations of the child and family team, if available.

(B) An appropriate placement is a placement in the least restrictive, most family-like environment that promotes normal childhood experiences, in closest proximity to the minor's home, that meets the minor's best interests and special needs.

(d) The following shall apply:

(1) The agency selecting a placement shall consider, in order of priority:

(A) Placement with relatives, nonrelated extended family members, and tribal members.

(B) Foster family homes and certified homes or resource families of foster family agencies.

(C) Treatment and intensive treatment certified homes or resource families of foster family agencies, or multidimensional treatment foster homes or therapeutic foster care homes.

(D) Group care placements in the following order:

(i) Short-term residential treatment centers.

(ii) Group homes.

(iii) Community treatment facilities.

(iv) Out-of-state residential treatment pursuant to Part 5 (commencing with Section 7900) of Division 12 of the Family Code.

(2) Although the placement options shall be considered in the preferential order specified in paragraph (1), the placement of a child may be with any of these placement settings in order to ensure the selection of a safe placement setting that is in the child's best interests and meets the child's special needs.

(3) A minor may be placed into a community care facility licensed as a short-term residential treatment center, as defined in subdivision (ad) of Section 11400, provided the case plan indicates that the placement is for the purposes of providing short-term, specialized, and intensive treatment for the minor, the case plan specifies the need for, nature of, and anticipated duration of this treatment, and the case plan includes transitioning the minor to a less restrictive environment and the projected timeline by which the minor will be transitioned to a less restrictive environment.

(e) Effective January 1, 2010, a case plan shall ensure the educational stability of the child while in foster care and shall include both of the following:

(1) Assurances that the placement takes into account the appropriateness of the current educational setting and the proximity to the school in which the child is enrolled at the time of placement.

(2) An assurance that the placement agency has coordinated with appropriate local educational agencies to ensure that the child remains in the school in which the child is enrolled at the time of placement, or, if remaining in that school is not in the best interests of the child, assurances by the placement agency and the local educational agency to provide immediate and appropriate enrollment in a new school and to provide all of the child's educational records to the new school.

(f) Specific time-limited goals and related activities designed to enable the safe return of the minor to his or her home, or in the event that return to his or her home is not possible, activities designed to result in permanent placement or emancipation. Specific responsibility for carrying out the planned activities shall be assigned to one or more of the following:

(1) The probation department.

(2) The minor's parent or parents or legal guardian or guardians, as applicable.

(3) The minor.

(4) The foster parents or licensed agency providing foster care.

(g) The projected date of completion of the case plan objectives and the date services will be terminated.

(h) (1) Scheduled visits between the minor and his or her family and an explanation if no visits are made.

(2) Whether the child has other siblings, and, if any siblings exist, all of the following:

(A) The nature of the relationship between the child and his or her siblings.

(B) The appropriateness of developing or maintaining the sibling relationships pursuant to Section 16002.

(C) If the siblings are not placed together in the same home, why the siblings are not placed together and what efforts are being made to place the siblings together, or why those efforts are not appropriate.

(D) If the siblings are not placed together, all of the following:

(i) The frequency and nature of the visits between the siblings.

(ii) If there are visits between the siblings, whether the visits are supervised or unsupervised. If the visits are supervised, a discussion of the reasons why the visits are supervised, and what needs to be accomplished in order for the visits to be unsupervised.

(iii) If there are visits between the siblings, a description of the location and length of the visits.

(iv) Any plan to increase visitation between the siblings.

(E) The impact of the sibling relationships on the child's placement and planning for legal permanence.

(F) The continuing need to suspend sibling interaction, if applicable, pursuant to subdivision (c) of Section 16002.

(3) The factors the court may consider in making a determination regarding the nature of the child's sibling relationships may include, but are not limited to, whether the siblings were raised together in the same home, whether the siblings have shared significant common experiences or have existing close and strong bonds, whether either sibling expresses a desire to visit or live with his or her sibling, as applicable, and whether ongoing contact is in the child's best emotional interests.

(i) (1) When placement is made in a foster family home, group home, or other child care institution that is either a substantial distance from the home of the minor's parent or legal guardian or out of state, the case plan shall specify the reasons why the placement is the most appropriate and is in the best interest of the minor.

(2) When an out-of-state group home placement is recommended or made, the case plan shall comply with Section 727.1 of this code and Section 7911.1 of the Family Code. In addition, documentation of the recommendation of the multidisciplinary team and the rationale for this particular placement shall be included. The case plan shall also address what in-state services or facilities were used or considered and why they were not recommended.

(j) If applicable, efforts to make it possible to place siblings together, unless it has been determined that placement together is not in the best interest of one or more siblings.

(k) A schedule of visits between the minor and the probation officer, including a monthly visitation schedule for those children placed in group homes.

(l) Health and education information about the minor, school records, immunizations, known medical problems, and any known medications the minor may be taking, names and addresses of the minor's health and educational providers; the minor's grade level performance; assurances that the minor's placement in foster care takes into account proximity to the school in which the minor was enrolled at the time of placement; and other relevant health and educational information.

(m) When out-of-home services are used and the goal is reunification, the case plan shall describe the services that were provided to prevent removal of the minor from the home, those services to be provided to assist in reunification and the services to be provided concurrently to achieve legal permanency if efforts to reunify fail.

(n) (1) The updated case plan prepared for a permanency planning hearing shall include a recommendation for a permanent plan for the minor. The identified permanent plan for a minor under 16 years of age shall be return home, adoption, legal guardianship, or placement with a fit and willing relative. The case plan shall identify any barriers to achieving legal permanence and the steps the agency will take to address those barriers.

(2) If, after considering reunification, adoptive placement, legal guardianship, or permanent placement with a fit and willing relative the

probation officer recommends placement in a planned permanent living arrangement for a minor 16 years of age or older, the case plan shall include documentation of a compelling reason or reasons why termination of parental rights is not in the minor's best interest. For purposes of this subdivision, a "compelling reason" shall have the same meaning as in subdivision (c) of Section 727.3. The case plan shall also identify the intensive and ongoing efforts to return the minor to the home of the parent, place the minor for adoption, establish a legal guardianship, or place the minor with a fit and willing relative, as appropriate. Efforts shall include the use of technology, including social media, to find biological family members of the minor.

(o) Each updated case plan shall include a description of the services that have been provided to the minor under the plan and an evaluation of the appropriateness and effectiveness of those services.

(p) A statement that the parent or legal guardian, and the minor have had an opportunity to participate in the development of the case plan, to review the case plan, to sign the case plan, and to receive a copy of the plan, or an explanation about why the parent, legal guardian, or minor was not able to participate or sign the case plan.

(q) For a minor in out-of-home care who is 16 years of age or older, a written description of the programs and services, which will help the minor prepare for the transition from foster care to successful adulthood.

SEC. 50. Section 727 of the Welfare and Institutions Code is amended to read:

727. (a) (1) If a minor or nonminor is adjudged a ward of the court on the ground that he or she is a person described by Section 601 or 602, the court may make any reasonable orders for the care, supervision, custody, conduct, maintenance, and support of the minor or nonminor, including medical treatment, subject to further order of the court.

(2) In the discretion of the court, a ward may be ordered to be on probation without supervision of the probation officer. The court, in so ordering, may impose on the ward any and all reasonable conditions of behavior as may be appropriate under this disposition. A minor or nonminor who has been adjudged a ward of the court on the basis of the commission of any of the offenses described in subdivision (b) or paragraph (2) of subdivision (d) of Section 707, Section 459 of the Penal Code, or subdivision (a) of Section 11350 of the Health and Safety Code, shall not be eligible for probation without supervision of the probation officer. A minor or nonminor who has been adjudged a ward of the court on the basis of the commission of any offense involving the sale or possession for sale of a controlled substance, except misdemeanor offenses involving marijuana, as specified in Chapter 2 (commencing with Section 11053) of Division 10 of the Health and Safety Code, or of an offense in violation of Section 32625 of the Penal Code, shall be eligible for probation without supervision of the probation officer only when the court determines that the interests of justice would best be served and states reasons on the record for that determination.

(3) In all other cases, the court shall order the care, custody, and control of the minor or nonminor to be under the supervision of the probation officer.

(4) It is the sole responsibility pursuant to 42 U.S.C. Section 672(a)(2)(B) of the probation agency to determine the appropriate placement for the ward once the court issues a placement order. In determination of the appropriate placement for the ward, the probation officer shall consider any recommendations of the child and family. The probation agency may place the minor or nonminor in any of the following:

(A) The approved home of a relative or the approved home of a nonrelative, extended family member, as defined in Section 362.7. If a decision has been made to place the minor in the home of a relative, the court may authorize the relative to give legal consent for the minor's medical, surgical, and dental care and education as if the relative caregiver were the custodial parent of the minor.

(B) A foster home, the approved home of a resource family as defined in Section 16519.5, or a home or facility in accordance with the federal Indian Child Welfare Act (25 U.S.C. Sec. 1901 et seq.).

(C) A suitable licensed community care facility, as identified by the probation officer, except a runaway and homeless youth shelter licensed by the State Department of Social Services pursuant to Section 1502.35 of the Health and Safety Code.

(D) A foster family agency, as defined in subdivision (g) of Section 11400 and paragraph (4) of subdivision (a) of Section 1502 of the Health and Safety Code, in a suitable program in a family home, which has been certified by the agency as meeting licensing standards. Commencing January 1, 2017, the requirements of Section 11462.01 shall be met.

(E) Commencing January 1, 2017, a minor or nonminor dependent may be placed in a short-term residential treatment center as defined in subdivision (ad) of Section 11400 and paragraph (18) of subdivision (a) of Section 1502 of the Health and Safety Code, or a foster family agency, as defined in paragraph (4) of subdivision (a) of Section 1502 of the Health and Safety Code. The placing agency shall also comply with requirements set forth in paragraph (9) of subdivision (e) of Section 361.2, which includes, but is not limited to, authorization, limitation on length of stay, extensions, and additional requirements related to minors. If the placement is longer than 12 months, the placement shall be approved by the chief probation officer of the county probation department, or his or her designee.

(F) (i) Every minor adjudged a ward of the juvenile court shall be entitled to participate in age-appropriate extracurricular, enrichment, and social activities. A state or local regulation or policy shall not prevent, or create barriers to, participation in those activities. Each state and local entity shall ensure that private agencies that provide foster care services to wards have policies consistent with this section and that those agencies promote and protect the ability of wards to participate in age-appropriate extracurricular, enrichment, and social activities. A group home administrator, a facility manager, or his or her responsible designee, and a caregiver, as defined in paragraph (1) of subdivision (a) of Section 362.04, shall use a reasonable and prudent parent standard, as defined in paragraph (2) of subdivision (a) of Section 362.04, in determining whether to give permission for a minor

residing in foster care to participate in extracurricular, enrichment, and social activities. A group home administrator, a facility manager, or his or her responsible designee, and a caregiver shall take reasonable steps to determine the appropriateness of the activity taking into consideration the minor's age, maturity, and developmental level.

(ii) A group home administrator or a facility manager, or his or her responsible designee, is encouraged to consult with social work or treatment staff members who are most familiar with the minor at the group home in applying and using the reasonable and prudent parent standard.

(G) For nonminors, an approved supervised independent living setting as defined in Section 11400, including a residential housing unit certified by a licensed transitional housing placement provider.

(5) The minor or nonminor shall be released from juvenile detention upon an order being entered under paragraph (3), unless the court determines that a delay in the release from detention is reasonable pursuant to Section 737.

(b) (1) To facilitate coordination and cooperation among agencies, the court may, at any time after a petition has been filed, after giving notice and an opportunity to be heard, join in the juvenile court proceedings any agency that the court determines has failed to meet a legal obligation to provide services to a minor, for whom a petition has been filed under Section 601 or 602, to a nonminor, as described in Section 303, or to a nonminor dependent, as defined in subdivision (v) of Section 11400. In any proceeding in which an agency is joined, the court shall not impose duties upon the agency beyond those mandated by law. The purpose of joinder under this section is to ensure the delivery and coordination of legally mandated services to the minor. The joinder shall not be maintained for any other purpose. Nothing in this section shall prohibit agencies that have received notice of the hearing on joinder from meeting prior to the hearing to coordinate services.

(2) The court has no authority to order services unless it has been determined through the administrative process of an agency that has been joined as a party, that the minor, nonminor, or nonminor dependent is eligible for those services. With respect to mental health assessment, treatment, and case management services pursuant to an individualized education program developed pursuant to Article 2 (commencing with Section 56320) of Chapter 4 of Part 30 of Division 4 of Title 2 of the Education Code, the court's determination shall be limited to whether the agency has complied with that chapter.

(3) For the purposes of this subdivision, "agency" means any governmental agency or any private service provider or individual that receives federal, state, or local governmental funding or reimbursement for providing services directly to a child, nonminor, or nonminor dependent.

(c) If a minor has been adjudged a ward of the court on the ground that he or she is a person described in Section 601 or 602, and the court finds that notice has been given in accordance with Section 661, and if the court orders that a parent or guardian shall retain custody of that minor either

subject to or without the supervision of the probation officer, the parent or guardian may be required to participate with that minor in a counseling or education program, including, but not limited to, parent education and parenting programs operated by community colleges, school districts, or other appropriate agencies designated by the court.

(d) The juvenile court may direct any reasonable orders to the parents and guardians of the minor who is the subject of any proceedings under this chapter as the court deems necessary and proper to carry out subdivisions (a), (b), and (c), including orders to appear before a county financial evaluation officer, to ensure the minor's regular school attendance, and to make reasonable efforts to obtain appropriate educational services necessary to meet the needs of the minor.

If counseling or other treatment services are ordered for the minor, the parent, guardian, or foster parent shall be ordered to participate in those services, unless participation by the parent, guardian, or foster parent is deemed by the court to be inappropriate or potentially detrimental to the minor.

SEC. 51. Section 727.1 of the Welfare and Institutions Code is amended to read:

727.1. (a) When the court orders the care, custody, and control of the minor to be under the supervision of the probation officer for foster care placement pursuant to subdivision (a) of Section 727, the decision regarding choice of placement, pursuant to Section 706.6, shall be based upon selection of a safe setting that is the least restrictive or most family like, and the most appropriate setting that meets the individual needs of the minor and is available, in proximity to the parent's home, consistent with the selection of the environment best suited to meet the minor's special needs and best interests. The selection shall consider, in order of priority, placement with relatives, tribal members, and foster family, group care, and residential treatment pursuant to Section 7950 of the Family Code.

(b) Unless otherwise authorized by law, the court may not order the placement of a minor who is adjudged a ward of the court on the basis that he or she is a person described by either Section 601 or 602 in a private residential facility or program that provides 24-hour supervision, outside of the state, unless the court finds, in its order of placement, that all of the following conditions are met:

(1) In-state facilities or programs have been determined to be unavailable or inadequate to meet the needs of the minor.

(2) The State Department of Social Services or its designee has performed initial and continuing inspection of the out-of-state residential facility or program and has either certified that the facility or program meets the greater of all licensure standards required of group homes or of short-term residential treatment centers operated in California, or that the department has granted a waiver to a specific licensing standard upon a finding that there exists no adverse impact to health and safety, pursuant to subdivision (c) of Section 7911.1 of the Family Code.

(3) The requirements of Section 7911.1 of the Family Code are met.

(c) If, upon inspection, the probation officer of the county in which the minor is adjudged a ward of the court determines that the out-of-state facility or program is not in compliance with the standards required under paragraph (2) of subdivision (b) or has an adverse impact on the health and safety of the minor, the probation officer may temporarily remove the minor from the facility or program. The probation officer shall promptly inform the court of the minor's removal, and shall return the minor to the court for a hearing to review the suitability of continued out-of-state placement. The probation officer shall, within one business day of removing the minor, notify the State Department of Social Services' Compact Administrator, and, within five working days, submit a written report of the findings and actions taken.

(d) The court shall review each of these placements for compliance with the requirements of subdivision (b) at least once every six months.

(e) The county shall not be entitled to receive or expend any public funds for the placement of a minor in an out-of-state group home or short-term residential treatment center, unless the conditions of subdivisions (b) and (d) are met.

SEC. 52. Section 827.11 is added to the Welfare and Institutions Code, to read:

827.11. (a) The Legislature finds and declares all of the following:

(1) It is the intent of the Legislature to ensure quality care for children and youth who are placed in the continuum of foster care settings.

(2) Attracting and retaining quality caregivers is critical to achieving positive outcomes for children, youth, and families, and to ensuring the success of child welfare improvement efforts.

(3) Quality caregivers strengthen foster care by ensuring that a foster or relative family caring for a child provides the loving, committed, and skilled care that the child needs, while working effectively with the child welfare system to reach the child's goals.

(4) Caregivers who are informed of the child's educational, medical, dental, and mental health history and current needs are better able to meet those needs and address the effects of trauma, increasing placement stability and improving permanency outcomes.

(5) Sharing necessary information with the caregiver is a critical component of effective service delivery for children and youth in foster care.

(b) Therefore, consistent with state and federal law, information shall be provided to a caregiver regarding the child's or youth's educational, medical, dental, and mental health history and current needs.

(c) This section is declaratory of existing law and is not intended to impose a new program or higher level of service upon any local agency. It is intended, however, that this restatement of existing law should engender a renewed sense of commitment to engaging foster parents in order to provide quality care to children and youth in foster care.

(d) No later than January 1, 2017, the department shall consult with representatives of the County Counsels' Association of California, County

Welfare Directors Association of California, and stakeholders to develop regulations or identify policy changes necessary to allow for the sharing of information as described in this section.

SEC. 53. Section 832 is added to the Welfare and Institutions Code, to read:

832. (a) (1) To promote more effective communication needed for the development of a plan to address the needs of the child or youth and family, a person designated as a member of a child and family team as defined in paragraph (4) of subdivision (a) of Section 16501 may receive and disclose relevant information and records, subject to the confidentiality provisions of state and federal law.

(2) Information exchanged among the team shall be received in confidence for the limited purpose of providing necessary services and supports to the child or youth and family and shall not be further disclosed except to the juvenile court with jurisdiction over the child or as otherwise required by law. Civil and criminal penalties may apply to the inappropriate disclosure of information held by the team.

(b) (1) Each participant in the child and family team with legal power to consent shall sign an authorization to release information to team members. In the event that a child or youth who is a dependent or ward of the juvenile court does not have the legal power to consent to the release of information, the child's attorney or other authorized individual may consent on behalf of the child.

(2) Authorization to release information shall be in writing and shall comply with all other applicable state law governing release of medical, mental health, social service, and educational records, and that covers identified team members, including service providers, in order to permit the release of records to the team.

(3) This authorization shall not include release of adoption records.

(4) The knowing and informed consent to release information given pursuant to this section shall only be in force for the time that the child or youth, or family, or nonminor dependent, is participating in the child and family team.

(c) Upon obtaining the authorization to release information as described in subdivision (b), relevant information and records may be shared with members of the team. If the team determines that the disclosure of information would present a reasonable risk of a significant adverse or detrimental effect on the child's or youth's psychological or physical safety, the information shall not be released.

(d) Information and records communicated or provided to the team, by all providers, programs, and agencies, as well as information and records created by the team in the course of serving its children, youth, and their families, shall be deemed private and confidential and shall be protected from discovery and disclosure by all applicable statutory and common law. Nothing in this section shall be construed to affect the authority of a health care provider to disclose medical information pursuant to paragraph (1) of subdivision (c) of Section 56.10 of the Civil Code.

(e) If the child welfare agency files or records, or any portions thereof, are privileged or confidential, pursuant to any other state law, except Section 827, or federal law or regulation, the requirements of that state law or federal law or regulation prohibiting or limiting release of the child welfare agency files or records, or any portions thereof, shall prevail.

(f) All discussions during team meetings are confidential unless disclosure is required by law. Notwithstanding any other law, testimony concerning any team meeting discussion is not admissible in any criminal or civil proceeding except as provided in paragraph (2) of subdivision (a).

(g) As used in this section, “privileged information” means any information subject to a privilege pursuant to Division 8 (commencing with Section 900) of the Evidence Code. Disclosure of otherwise privileged information to team members shall not be construed to waive the privilege.

SEC. 54. Section 4094.2 of the Welfare and Institutions Code is amended to read:

4094.2. (a) For the purpose of establishing payment rates for community treatment facility programs, the private nonprofit agencies selected to operate these programs shall prepare a budget that covers the total costs of providing residential care and supervision and mental health services for their proposed programs. These costs shall include categories that are allowable under California’s Foster Care program and existing programs for mental health services. They shall not include educational, nonmental health medical, and dental costs.

(b) Each agency operating a community treatment facility program shall negotiate a final budget with the local mental health department in the county in which its facility is located (the host county) and other local agencies, as appropriate. This budget agreement shall specify the types and level of care and services to be provided by the community treatment facility program and a payment rate that fully covers the costs included in the negotiated budget. All counties that place children in a community treatment facility program shall make payments using the budget agreement negotiated by the community treatment facility provider and the host county.

(c) A foster care rate shall be established for each community treatment facility program by the State Department of Social Services.

(1) These rates shall be established using the existing foster care ratesetting system for group homes, or the rate for a short-term residential treatment center as defined in subdivision (ad) of Section 11400, with modifications designed as necessary. It is anticipated that all community treatment facility programs will offer the level of care and services required to receive the highest foster care rate provided for under the current ratesetting system.

(2) Except as otherwise provided in paragraph (3), commencing January 1, 2017, the program shall have accreditation from a nationally recognized accrediting entity identified by the State Department of Social Services pursuant to the process described in paragraph (4) of subdivision (b) of Section 11462.

(3) With respect to a program that has been granted an extension pursuant to the exception process described in subdivision (d) of Section 11462.04, the requirement described in paragraph (2) shall apply to that program commencing January 1, 2018.

(d) For the 2001–02 fiscal year, the 2002–03 fiscal year, the 2003–04 fiscal year, and the 2004–05 fiscal year, community treatment facility programs shall also be paid a community treatment facility supplemental rate of up to two thousand five hundred dollars (\$2,500) per child per month on behalf of children eligible under the foster care program and children placed out of home pursuant to an individualized education program developed under Section 7572.5 of the Government Code. Subject to the availability of funds, the supplemental rate shall be shared by the state and the counties. Counties shall be responsible for paying a county share of cost equal to 60 percent of the community treatment rate for children placed by counties in community treatment facilities and the state shall be responsible for 40 percent of the community treatment facility supplemental rate. The community treatment facility supplemental rate is intended to supplement, and not to supplant, the payments for which children placed in community treatment facilities are eligible to receive under the foster care program and the existing programs for mental health services.

(e) For initial ratesetting purposes for community treatment facility funding, the cost of mental health services shall be determined by deducting the foster care rate and the community treatment facility supplemental rate from the total allowable cost of the community treatment facility program. Payments to certified providers for mental health services shall be based on eligible services provided to children who are Medi-Cal beneficiaries, up to the approved federal rate for these services.

(f) The State Department of Health Care Services shall provide the community treatment facility supplemental rates to the counties for advanced payment to the community treatment facility providers in the same manner as the regular foster care payment and within the same required payment time limits.

(g) In order to facilitate the study of the costs of community treatment facilities, licensed community treatment facilities shall provide all documents regarding facility operations, treatment, and placements requested by the department.

(h) It is the intent of the Legislature that the State Department of Health Care Services and the State Department of Social Services work to maximize federal financial participation in funding for children placed in community treatment facilities through funds available pursuant to Titles IV-E and XIX of the federal Social Security Act (Title 42 U.S.C. Sec. 670 et seq. and Sec. 1396 et seq.) and other appropriate federal programs.

(i) The State Department of Health Care Services and the State Department of Social Services may adopt emergency regulations necessary to implement joint protocols for the oversight of community treatment facilities, to modify existing licensing regulations governing reporting requirements and other procedural and administrative mandates to take into

account the seriousness and frequency of behaviors that are likely to be exhibited by seriously emotionally disturbed children placed in community treatment facility programs, to modify the existing foster care ratesetting regulations, and to pay the community treatment facility supplemental rate. The adoption of these regulations shall be deemed to be an emergency and necessary for the immediate preservation of the public peace, health and safety, and general welfare. The regulations shall become effective immediately upon filing with the Secretary of State. The person participating under this paragraph shall inform the county of any changes to conditions specified in the agreed-upon plan that affect eligibility,

including changes in address, living circumstances, and the educational or training program.

(B) A county may, at its option, extend the services provided under subparagraph (A) to former foster youth not more than 25 years of age, and for a total of 36 months, whether or not consecutive, if the former foster youth, in addition to the requirements specified in subparagraph (A), meets either of the following criteria:

(3) The department, in consultation with the California State Foster Parent Association, and other interested stakeholders, shall provide information to the Legislature, no later than January 1, 2017, regarding the availability and cost for liability and property insurance covering acts committed by children in care, and shall make recommendations for any needed program development in this area.

(d) A foster care provider that accepts payments, following the effective date of this section, based on a rate established under this section, shall not receive rate increases or retroactive payments as the result of litigation challenging rates established prior to the effective date of this section. This shall apply regardless of whether a provider is a party to the litigation or a member of a class covered by the litigation.

(e) Nothing shall preclude a county from using a portion of its county funds to increase rates paid to family homes, foster family agencies, group homes, and short-term residential treatment centers within that county, and to make payments for specialized care increments, clothing allowances, or infant supplements to homes within that county, solely at that county's expense.

(f) Nothing shall preclude a county from providing a supplemental rate to serve commercially sexually exploited foster children to provide for the additional care and supervision needs of these children. To the extent that federal financial participation is available, it is the intent of the Legislature that the federal funding shall be utilized.

This may include a process for matching the child's strengths and needs to the appropriate placement setting.

(2) How the provision of an integrated, comprehensive set of services including mental health and other critical services for children and youth support the achievement of well-being, permanency, and safety outcomes.

(3) How to ensure the provision of services in a family setting that promotes normal childhood experiences and that serves the needs of the child, including aftercare services, when appropriate.

(4) How to provide outcome-based evaluations of foster care providers or other methods of measuring quality improvement including measures of youth and families' satisfaction with services provided and program effectiveness.

(5) How changes in the licensing, ratesetting, and auditing processes can improve the quality of foster care providers, the quality of services and programs provided, and enhance the oversight of care provided to children, including, but not limited to, accreditation, administrator qualifications, and the reassignment of these responsibilities within the department.

(d) In addition to the considerations in subdivision (c), the workgroup recommendations shall be based on the review and evaluation of the current ratesetting systems, actual cost data, and information from the provider community as well as research on other applicable ratesetting methodologies, evidence-based practices, information developed as a result of pilots approved by the director, and any other relevant information.

(e) (1) The workgroup shall develop the content, format, and data sources for reports to be posted by the department on a public Internet Web site describing the outcomes achieved by providers with foster care rates set by the department.

(2) Commencing January 1, 2017, and at least semiannually after that date, the department shall publish and make available on a public Internet Web site, short-term residential treatment center and foster family agency provider performance indicators.

(f) (1) Recommendations developed pursuant to this section shall include the plan required under subdivision (d) of Section 18987.7. The revisions recommended pursuant to the requirements of subdivision (b) shall be submitted in a report to the

appropriate policy and fiscal committees of the Legislature by October 1, 2014.

(2) The requirement for submitting a report pursuant to this subdivision is inoperative on October 1, 2018, pursuant to Section 10231.5 of the Government Code.

(g) The department shall retain the authority to extend the workgroup after October 1, 2014, to ensure that the objectives of this section are met and to reconvene this workgroup as necessary to address any future recommended changes to the continuum of AFDC-FC eligible placement settings pursuant to this section.

(B) The department shall adopt regulations to implement this paragraph. The adoption, amendment, repeal, or readoption of a regulation authorized by this paragraph is deemed to be necessary for the immediate preservation of the public peace, health and safety, or general welfare, for purposes of Sections 11346.1 and 11349.6 of the Government Code, and the department is hereby exempted from the requirement to describe specific facts showing the need for immediate action.

(b) A group home program shall be initially classified, for purposes of emergency regulations, according to the level of care and services to be provided using a point system developed by the department and described in the report, "The Classification of Group Home Programs under the Standardized Schedule of Rates System," prepared by the State Department of Social Services, August 30, 1989.

(c) The rate for each RCL has been determined by the department with data from the AFDC-FC Group Home Rate Classification Pilot Study. The rates effective July 1, 1990, were developed using 1985 calendar year costs and reflect adjustments to the costs for each fiscal year, starting with the

1986–87 fiscal year, by the amount of the California Necessities Index computed pursuant to the methodology described in Section 11453. The data obtained by the department using 1985 calendar year costs shall be updated and revised by January 1, 1993.

(d) As used in this section, “standardized schedule of rates” means a listing of the 14 rate classification levels, and the single rate established for each RCL.

(e) Except as specified in paragraph (1), the department shall determine the RCL for each group home program on a prospective basis, according to the level of care and services that the group home operator projects will be provided during the period of time for which the rate is being established.

(1) (A) (i) For new and existing providers requesting the establishment of an RCL, and for existing group home programs requesting an RCL increase, the department shall determine the RCL no later than 13 months after the effective date of the provisional rate. The determination of the RCL shall be based on a program audit of documentation and other information that verifies the level of care and supervision provided by the group home program during a period of the two full calendar months or 60 consecutive days, whichever is longer, preceding the date of the program audit, unless the group home program requests a lower RCL. The program audit shall not cover the first six months of operation under the provisional rate.

(ii) For audit purposes, if the group home program serves a mixture of AFDC-FC eligible and ineligible children, the weighted hours for child care and social work services provided and the capacity of the group home shall be adjusted by the ratio of AFDC-FC eligible children to all children in placement.

(iii) Pending the department’s issuance of the program audit report that determines the RCL for the group home program, the group home program shall be eligible to receive a provisional rate that shall be based on the level of care and service that the group home program proposes it will provide. The group home program shall be eligible to receive only the RCL determined by the department during the pendency of any appeal of the department’s RCL determination.

(B) A group home program may apply for an increase in its RCL no earlier than two years from the date the department has determined the group home program’s rate, unless the host county, the primary placing county, or a regional consortium of counties submits to the department in writing that the program is needed in that county, that the provider is capable of effectively and efficiently operating the proposed program, and that the provider is willing and able to accept AFDC-FC children for placement who are determined by the placing agency to need the level of care and services that will be provided by the program.

(C) To ensure efficient administration of the department’s audit responsibilities, and to avoid the fraudulent creation of records, group home programs shall make records that are relevant to the RCL determination available to the department in a timely manner. Except as provided in this section, the department may refuse to consider, for purposes of determining

the rate, any documents that are relevant to the determination of the RCL that are not made available by the group home provider by the date the group home provider requests a hearing on the department's RCL determination. The department may refuse to consider, for purposes of determining the rate, the following records, unless the group home provider makes the records available to the department during the fieldwork portion of the department's program audit:

- (i) Records of each employee's full name, home address, occupation, and social security number.
- (ii) Time records showing when the employee begins and ends each work period, meal periods, split shift intervals, and total daily hours worked.
- (iii) Total wages paid each payroll period.
- (iv) Records required to be maintained by licensed group home providers under Title 22 of the California Code of Regulations that are relevant to the RCL determination.

(D) To minimize financial abuse in the startup of group home programs, when the department's RCL determination is more than three levels lower than the RCL level proposed by the group home provider, and the group home provider does not appeal the department's RCL determination, the department shall terminate the rate of a group home program 45 days after issuance of its program audit report. When the group home provider requests a hearing on the department's RCL determination, and the RCL determined by the director under subparagraph (E) is more than three levels lower than the RCL level proposed by the group home provider, the department shall terminate the rate of a group home program within 30 days of issuance of the director's decision. Notwithstanding the reapplication provisions in subparagraph (B), the department shall deny any request for a new or increased RCL from a group home provider whose RCL is terminated pursuant to this subparagraph, for a period of no greater than two years from the effective date of the RCL termination.

(E) A group home provider may request a hearing of the department's RCL determination under subparagraph (A) no later than 30 days after the date the department issues its RCL determination. The department's RCL determination shall be final if the group home provider does not request a hearing within the prescribed time. Within 60 days of receipt of the request for hearing, the department shall conduct a hearing on the RCL determination. The standard of proof shall be the preponderance of the evidence and the burden of proof shall be on the department. The hearing officer shall issue the proposed decision within 45 days of the close of the evidentiary record. The director shall adopt, reject, or modify the proposed decision, or refer the matter back to the hearing officer for additional evidence or findings within 100 days of issuance of the proposed decision. If the director takes no action on the proposed decision within the prescribed time, the proposed decision shall take effect by operation of law.

(2) Group home programs that fail to maintain at least the level of care and services associated with the RCL upon which their rate was established shall inform the department. The department shall develop regulations

specifying procedures to be applied when a group home fails to maintain the level of services projected, including, but not limited to, rate reduction and recovery of overpayments.

(3) The department shall not reduce the rate, establish an overpayment, or take other actions pursuant to paragraph (2) for any period that a group home program maintains the level of care and services associated with the RCL for children actually residing in the facility. Determinations of levels of care and services shall be made in the same way as modifications of overpayments are made pursuant to paragraph (2) of subdivision (b) of Section 11466.2.

(4) A group home program that substantially changes its staffing pattern from that reported in the group home program statement shall provide notification of this change to all counties that have placed children currently in care. This notification shall be provided whether or not the RCL for the program may change as a result of the change in staffing pattern.

(B) Notwithstanding subparagraph (A), foster care providers operating group homes during the 2009–10 fiscal year shall remain responsible for ensuring the health and safety of the children placed in their programs in accordance with existing applicable provisions of the Health and Safety Code and community care licensing regulations as contained in Title 22 of the California Code of Regulations.

(C) Subparagraph (A) shall not apply to program audits of group home programs with provisional rates established pursuant to paragraph (1) of subdivision (e). For those program audits, the RCL point ranges in paragraph (1) shall be used.

(g) (1) (A) For the 1999–2000 fiscal year, the standardized rate for each RCL shall be adjusted by an amount equal to the California Necessities Index computed pursuant to the methodology described in Section 11453. The resultant amounts shall constitute the new standardized schedule of rates, subject to further adjustment pursuant to subparagraph (B).

(B) In addition to the adjustment in subparagraph (A), commencing January 1, 2000, the standardized rate for each RCL shall be increased by 2.36 percent, rounded to the nearest dollar. The resultant amounts shall constitute the new standardized schedule of rates.

(2) Beginning with the 2000–01 fiscal year, the standardized schedule of rates shall be adjusted annually by an amount equal to the CNI computed pursuant to Section 11453, subject to the availability of funds. The resultant amounts shall constitute the new standardized schedule of rates.

(3) Effective January 1, 2001, the amount included in the standard rate for each Rate Classification Level (RCL) for the salaries, wages, and benefits for staff providing child care and supervision or performing social work activities, or both, shall be increased by 10 percent. This additional funding shall be used by group home programs solely to supplement staffing, salaries, wages, and benefit levels of staff specified in this paragraph. The standard rate for each RCL shall be recomputed using this adjusted amount and the resultant rates shall constitute the new standardized schedule of rates. The department may require a group home receiving this additional funding to certify that the funding was utilized in accordance with the provisions of this section.

(4) Effective January 1, 2008, the amount included in the standard rate for each RCL for the wages for staff providing child care and supervision or performing social work activities, or both, shall be increased by 5 percent,

and the amount included for the payroll taxes and other employer-paid benefits for these staff shall be increased from 20.325 percent to 24 percent. The standard rate for each RCL shall be recomputed using these adjusted amounts, and the resulting rates shall constitute the new standardized schedule of rates.

(5) The new standardized schedule of rates as provided for in paragraph (4) shall be reduced by 10 percent, effective October 1, 2009, and the resulting rates shall constitute the new standardized schedule of rates.

(6) The rates of licensed group home providers, whose rates are not established under the standardized schedule of rates, shall be reduced by 10 percent, effective October 1, 2009.

(h) The standardized schedule of rates pursuant to subdivisions (f) and (g) shall be implemented as follows:

(1) Any group home program that received an AFDC-FC rate in the prior fiscal year at or above the standard rate for the RCL in the current fiscal year shall continue to receive that rate.

(2) Any group home program that received an AFDC-FC rate in the prior fiscal year below the standard rate for the RCL in the current fiscal year shall receive the RCL rate for the current year.

(i) (1) The department shall not establish a rate for a new program of a new or existing provider, or for an existing program at a new location of an existing provider, unless the provider submits a letter of recommendation from the host county, the primary placing county, or a regional consortium of counties that includes all of the following:

(A) That the program is needed by that county.

(B) That the provider is capable of effectively and efficiently operating the program.

(C) That the provider is willing and able to accept AFDC-FC children for placement who are determined by the placing agency to need the level of care and services that will be provided by the program.

(D) That, if the letter of recommendation is not being issued by the host county, the primary placing county has notified the host county of its intention to issue the letter and the host county was given the opportunity of 30 days to respond to this notification and to discuss options with the primary placing county.

(2) The department shall encourage the establishment of consortia of county placing agencies on a regional basis for the purpose of making decisions and recommendations about the need for, and use of, group home programs and other foster care providers within the regions.

(3) The department shall annually conduct a county-by-county survey to determine the unmet placement needs of children placed pursuant to Section 300 and Section 601 or 602, and shall publish its findings by November 1 of each year.

(j) The department shall develop regulations specifying ratesetting procedures for program expansions, reductions, or modifications, including increases or decreases in licensed capacity, or increases or decreases in level of care or services.

(k) For the purpose of this subdivision, “program change” means any alteration to an existing group home program planned by a provider that will increase the RCL or AFDC-FC rate. An increase in the licensed capacity or other alteration to an existing group home program that does not increase the RCL or AFDC-FC rate shall not constitute a program change.

(l) General unrestricted or undesignated private charitable donations and contributions made to charitable or nonprofit organizations shall not be deducted from the cost of providing services pursuant to this section. The donations and contributions shall not be considered in any determination of maximum expenditures made by the department.

(m) This section shall remain in effect only until January 1, 2017, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2017, deletes or extends that date.

SEC. 72. Section 11462 is added to the Welfare and Institutions Code, to read:

(ii) If a short-term residential treatment center elects to approve and monitor resource families directly, the center shall comply with all laws

applicable to foster family agencies, including, but not limited to, those set forth in the Community Care Facilities Act (Chapter 3 (commencing with Section 1500) of Division 2 of the Health and Safety Code).

(iii) For short-term residential treatment centers that elect to approve and monitor resource families directly, the department shall have all the same duties and responsibilities as those centers have for licensed foster family agencies, as set forth in applicable law, including, but not limited to, those set forth in the Community Care Facilities Act (Chapter 3 (commencing with Section 1500) of Division 2 of the Health and Safety Code).

(2) The core services specified in subparagraphs (A) to (G), inclusive, of paragraph (1) are not intended to duplicate services already available to foster children in the community, but to support access to those services and supports to the extent they are already available. Those services and supports may include, but are not limited to, foster youth services available through county offices of education, Indian Health Services, or school-based extra-curricular activities.

(8) Maximization of federal financial participation under Title IV-E and Title XIX of the Social Security Act.

(c) The department shall develop a system of governmental monitoring and oversight that shall be carried out in coordination with the State Department of Health Care Services. Oversight responsibilities shall include, but not be limited to, ensuring conformity with federal and state law, including program, fiscal, and health and safety audits and reviews. The state agencies shall attempt to minimize duplicative audits and reviews to reduce the administrative burden on providers.

(d) This section shall become operative on January 1, 2017.

SEC. 73. Section 11462.001 is added to the Welfare and Institutions Code, immediately following Section 11462, to read:

11462.001. (a) (1) Foster care providers licensed as group homes, as defined in departmental regulations, including public child care institutions, as defined in Section 11402.5, shall have rates established by classifying each group home program and applying the standardized schedule of rates. The department shall collect information from group providers in order to classify each group home program.

(2) Notwithstanding paragraph (1), foster care providers licensed as group homes shall have rates established only if the group home is organized and operated on a nonprofit basis as required under subdivision (h) of Section 11400. The department shall terminate the rate of any group home not organized and operated on a nonprofit basis as required under subdivision (h) of Section 11400.

(3) (A) The department shall determine, consistent with the requirements of this chapter and other relevant requirements under law, the rate classification level (RCL) for each group home program on a biennial basis. Submission of the biennial rate application shall be made according to a schedule determined by the department.

(B) The department shall adopt regulations to implement this paragraph. The adoption, amendment, repeal, or readoption of a regulation authorized by this paragraph is deemed to be necessary for the immediate preservation of the public peace, health and safety, or general welfare, for purposes of Sections 11346.1 and 11349.6 of the Government Code, and the department is hereby exempted from the requirement to describe specific facts showing the need for immediate action.

(b) A group home program shall be initially classified, for purposes of emergency regulations, according to the level of care and services to be provided using a point system developed by the department and described in the report, "The Classification of Group Home Programs under the Standardized Schedule of Rates System," prepared by the State Department of Social Services, August 30, 1989.

(c) The rate for each RCL has been determined by the department with data from the AFDC-FC Group Home Rate Classification Pilot Study.

(d) As used in this section, "standardized schedule of rates" means a listing of the 14 rate classification levels, and the single rate established for each RCL.

(e) Except as specified in paragraph (1), the department shall determine the RCL for each group home program on a prospective basis, according to the level of care and services that the group home operator projects will be provided during the period of time for which the rate is being established.

(1) (A) (i) For new and existing providers requesting the establishment of an RCL, and for existing group home programs requesting an RCL increase, the department shall determine the RCL no later than 13 months after the effective date of the provisional rate. The determination of the RCL shall be based on a program audit of documentation and other information that verifies the level of care and supervision provided by the group home program during a period of the two full calendar months or 60 consecutive days, whichever is longer, preceding the date of the program audit, unless

the group home program requests a lower RCL. The program audit shall not cover the first six months of operation under the provisional rate.

(ii) For audit purposes, if the group home program serves a mixture of AFDC-FC eligible and ineligible children, the weighted hours for child care and social work services provided and the capacity of the group home shall be adjusted by the ratio of AFDC-FC eligible children to all children in placement.

(iii) Pending the department's issuance of the program audit report that determines the RCL for the group home program, the group home program shall be eligible to receive a provisional rate that shall be based on the level of care and service that the group home program proposes it will provide. The group home program shall be eligible to receive only the RCL determined by the department during the pendency of any appeal of the department's RCL determination.

(B) A group home program may apply for an increase in its RCL no earlier than two years from the date the department has determined the group home program's rate, unless the host county, the primary placing county, or a regional consortium of counties submits to the department in writing that the program is needed in that county, that the provider is capable of effectively and efficiently operating the proposed program, and that the provider is willing and able to accept AFDC-FC children for placement who are determined by the placing agency to need the level of care and services that will be provided by the program.

(C) To ensure efficient administration of the department's audit responsibilities, and to avoid the fraudulent creation of records, group home programs shall make records that are relevant to the RCL determination available to the department in a timely manner. Except as provided in this section, the department may refuse to consider, for purposes of determining the rate, any documents that are relevant to the determination of the RCL that are not made available by the group home provider by the date the group home provider requests a hearing on the department's RCL determination. The department may refuse to consider, for purposes of determining the rate, the following records, unless the group home provider makes the records available to the department during the fieldwork portion of the department's program audit:

(i) Records of each employee's full name, home address, occupation, and social security number.

(ii) Time records showing when the employee begins and ends each work period, meal periods, split shift intervals, and total daily hours worked.

(iii) Total wages paid each payroll period.

(iv) Records required to be maintained by licensed group home providers under Title 22 of the California Code of Regulations that are relevant to the RCL determination.

(D) To minimize financial abuse in the startup of group home programs, when the department's RCL determination is more than three levels lower than the RCL level proposed by the group home provider, and the group home provider does not appeal the department's RCL determination, the

department shall terminate the rate of a group home program 45 days after issuance of its program audit report. When the group home provider requests a hearing on the department's RCL determination, and the RCL determined by the director under subparagraph (E) is more than three levels lower than the RCL level proposed by the group home provider, the department shall terminate the rate of a group home program within 30 days of issuance of the director's decision. Notwithstanding the reapplication provisions in subparagraph (B), the department shall deny any request for a new or increased RCL from a group home provider whose RCL is terminated pursuant to this subparagraph, for a period of no greater than two years from the effective date of the RCL termination.

(E) A group home provider may request a hearing of the department's RCL determination under subparagraph (A) no later than 30 days after the date the department issues its RCL determination. The department's RCL determination shall be final if the group home provider does not request a hearing within the prescribed time. Within 60 days of receipt of the request for hearing, the department shall conduct a hearing on the RCL determination. The standard of proof shall be the preponderance of the evidence and the burden of proof shall be on the department. The hearing officer shall issue the proposed decision within 45 days of the close of the evidentiary record. The director shall adopt, reject, or modify the proposed decision, or refer the matter back to the hearing officer for additional evidence or findings within 100 days of issuance of the proposed decision. If the director takes no action on the proposed decision within the prescribed time, the proposed decision shall take effect by operation of law.

(2) Group home programs that fail to maintain at least the level of care and services associated with the RCL upon which their rate was established shall inform the department. The department shall develop regulations specifying procedures to be applied when a group home fails to maintain the level of services projected, including, but not limited to, rate reduction and recovery of overpayments.

(3) The department shall not reduce the rate, establish an overpayment, or take other actions pursuant to paragraph (2) for any period that a group home program maintains the level of care and services associated with the RCL for children actually residing in the facility. Determinations of levels of care and services shall be made in the same way as modifications of overpayments are made pursuant to paragraph (2) of subdivision (b) of Section 11466.2.

(4) A group home program that substantially changes its staffing pattern from that reported in the group home program statement shall provide notification of this change to all counties that have placed children currently in care. This notification shall be provided whether or not the RCL for the program may change as a result of the change in staffing pattern.

(f) The standardized schedule of rates pursuant to subdivisions (f) and (g) of Section 11462, as that section read on January 1, 2015, shall be implemented as follows:

(1) Any group home program that received an AFDC-FC rate in the prior fiscal year at or above the standard rate for the RCL in the current fiscal year shall continue to receive that rate.

(2) Any group home program that received an AFDC-FC rate in the prior fiscal year below the standard rate for the RCL in the current fiscal year shall receive the RCL rate for the current year.

(g) (1) The department shall not establish a rate for a new program of a new or existing provider, or for an existing program at a new location of an existing provider, unless the provider submits a letter of recommendation from the host county, the primary placing county, or a regional consortium of counties that includes all of the following:

(A) That the program is needed by that county.

(B) That the provider is capable of effectively and efficiently operating the program.

(C) That the provider is willing and able to accept AFDC-FC children for placement who are determined by the placing agency to need the level of care and services that will be provided by the program.

(D) That, if the letter of recommendation is not being issued by the host county, the primary placing county has notified the host county of its intention to issue the letter and the host county was given the opportunity of 30 days to respond to this notification and to discuss options with the primary placing county.

(2) The department shall encourage the establishment of consortia of county placing agencies on a regional basis for the purpose of making decisions and recommendations about the need for, and use of, group home programs and other foster care providers within the regions.

(3) The department shall annually conduct a county-by-county survey to determine the unmet placement needs of children placed pursuant to Section 300 and Section 601 or 602, and shall publish its findings by November 1 of each year.

(h) The department shall develop regulations specifying ratesetting procedures for program expansions, reductions, or modifications, including increases or decreases in licensed capacity, or increases or decreases in level of care or services.

(i) For the purpose of this subdivision, “program change” means any alteration to an existing group home program planned by a provider that will increase the RCL or AFDC-FC rate. An increase in the licensed capacity or other alteration to an existing group home program that does not increase the RCL or AFDC-FC rate shall not constitute a program change.

(j) General unrestricted or undesignated private charitable donations and contributions made to charitable or nonprofit organizations shall not be deducted from the cost of providing services pursuant to this section. The donations and contributions shall not be considered in any determination of maximum expenditures made by the department.

(k) This section shall only apply to a group home that has been granted an extension pursuant to the exception process described in subdivision (d) of Section 11462.04.

(l) This section shall become operative on January 1, 2017.

SEC. 74. Section 11462.01 of the Welfare and Institutions Code is amended to read:

11462.01. (a) Commencing July 1, 1994, a group home program shall be classified at RCL 13 or RCL 14 if the program meets all of the following requirements:

(1) The group home program is providing, or has proposed to provide, the level of care and services necessary to generate sufficient points in the ratesetting process to be classified at RCL 13 if the rate application is for RCL 13 or to be classified at RCL 14 if the rate application is for RCL 14.

(2) (A) (i) The group home provider shall agree not to accept for placement into a group home program AFDC-FC funded children, including voluntary placements and seriously emotionally disturbed children placed out-of-home pursuant to an individualized education program developed under Article 2 (commencing with Section 56320) of Chapter 4 of Part 30 of Division 4 of Title 2 of the Education Code, who have not been approved for placement by an interagency placement committee, as described by Section 4096. The approval shall be in writing and shall indicate that the interagency placement committee has determined that the child is seriously emotionally disturbed and subject to Section 1502.4 of the Health and Safety Code, and that the child needs the level of care provided by the group home.

(ii) For purposes of clause (i), group home providers who accept seriously emotionally disturbed children who are placed out-of-home pursuant to an individualized education program developed under Article 2 (commencing with Section 56320) of Chapter 4 of Part 30 of Division 4 of Title 2 of the Education Code shall be deemed to have met the interagency placement committee approval for placement requirements of clause (i) if the individualized education program assessment indicates that the child has been determined to be seriously emotionally disturbed, as described in subdivision (a) of Section 5600.3 and subject to Section 1502.4 of the Health and Safety Code, and needs the level of care described in clause (i).

(B) (i) Nothing in this subdivision shall prevent the emergency placement of a child into a group home program prior to the determination by the interagency placement committee pursuant to clause (i) of subparagraph (A) if a licensed mental health professional, as defined in the department's AFDC-FC ratesetting regulations, has evaluated, in writing, the child within 72 hours of placement, and determined the child to be seriously emotionally disturbed, as described in subdivision (a) of Section 5600.3, and in need of the care and services provided by the group home program.

(ii) The interagency placement committee shall, within 30 days of placement pursuant to clause (i), make the determination required by clause (i) of subparagraph (A).

(iii) If, pursuant to clause (ii), the placement is determined to be appropriate, the committee shall transmit the approval, in writing, to the county placing agency and the group home provider.

(iv) If, pursuant to clause (ii) the placement is determined not to be appropriate, the child shall be removed from the group home and referred to a more appropriate placement, as specified in subdivision (f).

(C) Commencing December 15, 1992, with respect to AFDC-FC funded children, only those children who are approved for placement by an interagency placement committee may be accepted by a group home under this subdivision.

(3) The group home program is certified by the State Department of Health Care Services pursuant to Section 4096.5.

(b) The department shall not establish a rate for a group home requesting a program change to RCL 13 or RCL 14 unless the group home provider submits a recommendation from the host county or the primary placing county that the program is needed and that the provider is willing and capable of operating the program at the level sought. For purposes of this subdivision, “host county,” “primary placing county,” and “program change” mean the same as defined in the department’s AFDC-FC ratesetting regulations.

(c) The effective date of rates set at RCL 13 or RCL 14 shall be the date that all the requirements are met, but not prior to July 1 of that fiscal year. Nothing in this section shall affect RCL 13 or RCL 14 ratesetting determinations in prior years.

(d) Any group home program that has been classified at RCL 13 or RCL 14 pursuant to the requirements of subdivision (a) shall be reclassified at the appropriate lower RCL with a commensurate reduction in rate if either of the following occurs:

(1) The group home program fails to maintain the level of care and services necessary to generate the necessary number of points for RCL 13 or RCL 14, as required by paragraph (1) of subdivision (a). The determination of points shall be made consistent with the department’s AFDC-FC ratesetting regulations for other rate classification levels.

(2) The group home program fails to maintain a certified mental health treatment program as required by paragraph (3) of subdivision (a).

(3) In the event of a determination under paragraph (1), the group home may appeal the finding or submit a corrective action plan. The appeal process specified in Section 11466.6 shall be available to RCL 13 and RCL 14 group home providers. During any appeal, the group home shall maintain the appropriate level of care.

(e) The interagency placement committee shall periodically review, but no less often than that required by current law, the placement of the child. If the committee determines that the child no longer needs, or is not benefiting from, placement in a RCL 13 or RCL 14 group home, the committee shall require the removal of the child and a new disposition.

(f) (1) (A) If, at any time subsequent to placement in an RCL 13 or RCL 14 group home program, the interagency placement committee determines either that the child is not seriously emotionally disturbed, as described in

subdivision (a) of Section 5600.3, or is not in need of the care and services provided by the group home program, it shall notify, in writing, both the county placing agency and the group home provider within 10 days of the determination.

(B) The county placing agency shall notify the group home provider, in writing, within five days from the date of the notice from the committee, of the county's plan for removal of the child.

(C) The county placing agency shall remove the child from the group home program within 30 days from the date of the notice from the interagency placement committee.

(2) (A) If a county placing agency does not remove a child within 30 days from the date of the notice from the interagency placement committee, the group home provider shall notify the interagency placement committee and the department, in writing, of the county's failure to remove the child from the group home program.

(B) The group home provider shall make the notification required by subparagraph (A) within five days of the expiration of the 30-day removal period. If notification is made, a group home provider shall not be subject to an overpayment determination due to failure of the county placing agency to remove the child.

(3) Any county placing agency that fails to remove a child from a group home program under this paragraph within 30 days from the date of the notice from the interagency placement committee shall be assessed a penalty in the amount of the state and federal financial participation in the AFDC-FC rate paid on behalf of the child commencing on the 31st day and continuing until the child is removed.

(g) (1) If any RCL 13 or RCL 14 group home provider discovers that it does not have written approval for placement of any AFDC-FC funded child placed on or after December 15, 1992, from the interagency placement committee, it shall notify the county placing agency, in writing, and shall request the county to obtain approval from the interagency placement committee or remove the child from the group home program. A group home provider shall have 30 days from the child's first day of placement to discover the placement error and to notify the county placing agency.

(2) Any county placing agency that receives notification pursuant to paragraph (2) of subdivision (f) shall obtain approval for placement from the interagency placement committee or remove the child from the group home program within 30 days from the date of the notice from the group home provider. The program shall not be reclassified to a lower RCL for a violation of the provisions referred to in this paragraph.

(3) (A) If a county placing agency does not have the placement of a child approved by the interagency placement committee or removed from the group home within 30 days from the date of the notice from the group home provider, the group home provider shall notify the county placing agency and the department, in writing, of the county's failure to have the placement of the child approved or remove the child from the group home program.

(B) The group home provider shall make the notification required by subparagraph (A) within five days after the expiration of the 30-day approval or removal period. If notification is made, a group home provider shall not be subject to an overpayment determination due to failure of the county placing agency to remove the child.

(C) Any group home provider that fails to notify the county placing agency pursuant to subparagraph (A) shall be assessed a penalty in the amount of the AFDC-FC rate paid to the group home provider on behalf of the child commencing on the 31st day of placement and continuing until the county placing agency is notified.

(4) Any county placing agency that fails to have the placement of a child approved or to have the child removed from the group home program within 30 days shall be assessed a penalty in the amount of the state and federal financial participation in the AFDC-FC rate paid on behalf of the child commencing on the 31st day of placement and continuing until the child is removed.

(h) The department shall develop regulations to obtain payment of assessed penalties as provided in this section. For audit purposes and the application of penalties for RCL 13 and RCL 14 programs, the department shall apply statutory provisions that were in effect during the period for which the audit was conducted.

(i) (1) Nothing in this subparagraph shall prohibit a group home classified at RCL 13 or RCL 14 for purposes of the AFDC-FC program, from accepting private placements of children.

(2) When a referral is not from a public agency and no public funding is involved, there shall be no requirement for public agency review or determination of need.

(3) Children subject to paragraphs (1) and (2) shall have been assessed as seriously emotionally disturbed, as described in subdivision (a) of Section 5600.3, and subject to Section 1502.4 of the Health and Safety Code, by a licensed mental health professional, as defined in subdivision (g) of Section 4096.

(j) A child shall not be placed in a group home program classified at an RCL 13 or RCL 14 if the placement is paid for with county-only funds unless the child is assessed as seriously emotionally disturbed, as described in subdivision (a) of Section 5600.3, subject to Section 1502.4 of the Health and Safety Code, by a licensed mental health professional, as defined in subdivision (g) of Section 4096.

(k) This section shall remain in effect only until January 1, 2017, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2017, deletes or extends that date.

(m) The department shall not establish a rate for a short-term residential treatment center or foster family agency unless the provider submits a recommendation from the host county or the primary placing county that the program is needed and that the provider is willing and capable of operating the program at the level sought. (n) Any certified short-term residential treatment center or foster family agency shall be reclassified and paid at the appropriate program rate for which it is qualified if either of the following occurs:

(p) The department shall develop a process to address placements when, subsequent to the child's or youth's placement, a determination is made by the interagency placement team and shall consider the recommendations of the child and family team, either that the child or youth is not in need of the care and services provided by the certified program. The process shall include, but not be limited to:

(f) (1) (A) If, at any time subsequent to placement in an RCL 13 or RCL 14 group home program, the interagency placement committee determines either that the child is not seriously emotionally disturbed or is not in need of the care and services provided by the group home program, it shall notify, in writing, both the county placing agency and the group home provider within 10 days of the determination.

(2) (A) If a county placing agency does not remove a child within 30 days from the date of the notice from the interagency placement committee, the group home provider shall notify the interagency placement committee and the department, in writing, of the county's failure to remove the child from the group home program.

(B) The group home provider shall make the notification required by subparagraph (A) within five days of the expiration of the 30-day removal period. If notification is made, a group home provider shall not be subject to an overpayment determination due to failure of the county placing agency to remove the child.

(3) Any county placing agency that fails to remove a child from a group home program under this paragraph within 30 days from the date of the notice from the interagency placement committee shall be assessed a penalty in the amount of the state and federal financial participation in the AFDC-FC rate paid on behalf of the child commencing on the 31st day and continuing until the child is removed.

(g) (1) If any RCL 13 or RCL 14 group home provider discovers that it does not have written approval for placement of any AFDC-FC funded child from the interagency placement committee, it shall notify the county placing agency, in writing, and shall request the county to obtain approval from the interagency placement committee or remove the child from the group home program. A group home provider shall have 30 days from the child's first day of placement to discover the placement error and to notify the county placing agency.

(2) Any county placing agency that receives notification pursuant to paragraph (2) of subdivision (f) shall obtain approval for placement from the interagency placement committee or remove the child from the group home program within 30 days from the date of the notice from the group home provider. The program shall not be reclassified to a lower RCL for a violation of the provisions referred to in this paragraph.

(3) (A) If a county placing agency does not have the placement of a child approved by the interagency placement committee or removed from the group home within 30 days from the date of the notice from the group home provider, the group home provider shall notify the county placing agency and the department, in writing, of the county's failure to have the

placement of the child approved or remove the child from the group home program.

(B) The group home provider shall make the notification required by subparagraph (A) within five days after the expiration of the 30-day approval or removal period. If notification is made, a group home provider shall not be subject to an overpayment determination due to failure of the county placing agency to remove the child.

(C) Any group home provider that fails to notify the county placing agency pursuant to subparagraph (A) shall be assessed a penalty in the amount of the AFDC-FC rate paid to the group home provider on behalf of the child commencing on the 31st day of placement and continuing until the county placing agency is notified.

(4) Any county placing agency that fails to have the placement of a child approved or to have the child removed from the group home program within 30 days shall be assessed a penalty in the amount of the state and federal financial participation in the AFDC-FC rate paid on behalf of the child commencing on the 31st day of placement and continuing until the child is removed.

(h) The department shall develop regulations to obtain payment of assessed penalties as provided in this section. For audit purposes and the application of penalties for RCL 13 and RCL 14 programs, the department shall apply statutory provisions that were in effect during the period for which the audit was conducted.

(i) (1) Nothing in this subdivision shall prohibit a group home classified at RCL 13 or RCL 14 for purposes of the AFDC-FC program, from accepting private placements of children.

(2) When a referral is not from a public agency and no public funding is involved, there shall be no requirement for public agency review or determination of need.

(3) Children subject to paragraphs (1) and (2) shall have been assessed as seriously emotionally disturbed, as described in subdivision (a) of Section 5600.3, and subject to Section 1502.45 of the Health and Safety Code, by a licensed mental health professional, as defined in subdivision (g) of Section 4096.

(j) A child shall not be placed in a group home program classified at an RCL 13 or RCL 14 if the placement is paid for with county-only funds unless the child is assessed as seriously emotionally disturbed, as described in subdivision (a) of Section 5600.3, and subject to Section 1502.45 of the Health and Safety Code, by a licensed mental health professional, as defined in subdivision (g) of Section 4096.

(k) This section shall only apply to a group home that has been granted an extension pursuant to the exception process described in subdivision (d) of Section 11462.04.

(l) This section shall become operative on January 1, 2017.

(m) This section shall remain in effect only until January 1, 2019, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2019, deletes or extends that date.

SEC. 77. Section 11462.02 of the Welfare and Institutions Code is amended to read:

11462.02. (a) Notwithstanding paragraph (2) of subdivision (a) of Section 11462, a foster care provider licensed as a group home also may have a rate established if the group home is operated by the County of San Mateo, as provided by subdivision (h) of Section 11400.

(b) This section shall remain in effect only until January 1, 2017, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2017, deletes or extends that date.

SEC. 78. Section 11462.02 is added to the Welfare and Institutions Code, to read:

11462.02. (a) Any existing county-operated foster family agency or group home, including the group home operated by the County of San Mateo, shall, commencing January 1, 2017, be classified as, and shall meet all of the requirements of, a foster family agency or a short-term residential treatment center, as defined respectively in subdivisions (g) and (ad) of Section 11400, to be eligible to receive AFDC-FC funds.

(b) Notwithstanding any other law, the State Department of Social Services may license a county as a foster family agency or as a short-term residential treatment center.

(c) If a county exercises its option to operate a foster family agency or a short-term residential treatment center, the county shall submit an application and shall comply with the requirements of Chapter 3 (commencing with Section 1500) of Division 2 of the Health and Safety Code related to foster family agency programs or a short-term residential treatment center, as applicable.

(d) A county that requests, and is granted, a license for a foster family agency or short-term residential treatment center shall apply for an AFDC-FC rate pursuant to Section 11462 or 11463, as applicable.

(e) As a condition for eligibility for an AFDC-FC rate for a short-term residential treatment center or a foster family agency, the county shall comply with all applicable law concerning a short-term residential treatment center or foster family agency, including, but not limited to, the following provisions related to licensing, rate, audit, due process, enforcement, and overpayment collection:

(1) Chapter 3 (commencing with Section 1500) of Division 2 of the Health and Safety Code.

(2) Article 10 (commencing with Section 360) of Chapter 2 of Part 1 of Division 2 of this code.

(3) Article 18 (commencing with Section 725) of Chapter 2 of Part 1 of Division 2 of this code.

(4) Article 22 (commencing with Section 825) of Chapter 2 of Part 1 of Division 2 of this code.

(5) Article 5 (commencing with Section 11400) of Chapter 2 of Part 3 of Division 9 of this code.

(6) Article 6 (commencing with Section 11450) of Chapter 2 of Part 3 of Division 9 of this code.

(f) The state is not obligated under Section 36 of Article XIII of the California Constitution to provide any annual funding to a county to comply with this section; with any regulation, executive order, or administrative order implementing this section; or with any federal statute or regulation related to this section, because the county's operation of a licensed short-term residential treatment center or foster family agency is optional for the county and is not required by this section.

(g) Counties licensed to operate a foster family agency or short-term residential treatment center shall, as a condition to receiving payment, ensure that its conflict-of-interest mitigation plan, submitted to the department pursuant to subdivision (d) of Section 1506.1 and subdivision (d) of Section 1562.01 of the Health and Safety Code, addresses, but is not limited to, the following:

(1) A decision to place children and youth in a county-operated facility when alternative appropriate placement options exist.

(2) The reporting by county staff to the department or other agencies of observed noncompliant conditions or health and safety concerns in county-operated foster family agencies or short-term residential treatment centers.

(3) The cross-reporting of reports received from mandatory child abuse and neglect reporters involving county-operated foster family agencies and short-term residential treatment center programs.

(4) Disclosures of fatalities and near fatalities of children placed in county-operated foster family agencies and short-term residential treatment centers.

(h) This section shall become operative on January 1, 2017.

SEC. 79. Section 11462.021 is added to the Welfare and Institutions Code, to read:

11462.021. (a) Notwithstanding paragraph (2) of subdivision (a) of Section 11462, a foster care provider licensed as a group home also may have a rate established if the group home is operated by the County of San Mateo, as provided by subdivision (h) of Section 11400.

(b) This section shall only apply to a group home that has been granted an extension pursuant to the exception process described in subdivision (d) of Section 11462.04.

(c) This section shall become operative on January 1, 2017.

(d) This section shall remain in effect only until January 1, 2019, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2019, deletes or extends that date.

SEC. 80. Section 11462.022 is added to the Welfare and Institutions Code, to read:

11462.022. (a) Upon meeting the licensure requirements pursuant to Section 1530.8 of the Health and Safety Code, a county child welfare agency operating a temporary shelter care facility, as defined in Section 1530.8 of the Health and Safety Code, shall comply with this section.

(b) Prior to detaining the child in the temporary shelter care facility, the child welfare agency shall make reasonable efforts, consistent with current

law, to place the child with a relative, tribal member, nonrelative extended family member, or in a licensed, certified, approved or tribally approved foster family home or approved resource family. When the child welfare agency has reason to believe that the child is or may be an Indian child, the agency shall make active efforts to comply with the federal Indian Child Welfare Act placement preferences, as required by subdivision (k) of Section 361.31.

(c) A child may be detained or placed in a temporary shelter care facility only for the duration necessary to enable the county placing agency to perform the required assessments and to appropriately place the child.

(d) Upon admission, the temporary shelter care facility shall provide each child with health, mental health, and developmental screenings, as applicable. Commencing when a child is admitted into a temporary shelter care facility, and continuing until the child's discharge from the facility, the county welfare agency shall continuously strive to identify and place the child in an appropriate licensed or approved home or facility.

(e) The temporary shelter care facility shall ensure that the following services, at a minimum, are identified in the facility's plan of operation and are available to children detained at the facility:

(1) Medical, developmental, behavioral, and mental health assessments based on the information obtained through the screenings required pursuant to subdivision (d).

(2) Based on the screening, assessments, and other information obtained about the child, identification of the appropriate placement resources that meet the child's needs.

(3) Trauma-informed services and interventions.

(4) Crisis intervention services.

(5) Care and supervision provided by trauma-informed trained and qualified staff.

(6) Referrals to and coordination with service providers who can meet the medical, developmental, behavioral, or mental health needs of the child identified upon admission.

(7) Educational services to ensure the child's educational progress, including efforts to maintain the child in his or her school of origin if practical.

(8) Visitation services, including the ability to provide court-ordered, supervised visitation.

(9) Structured indoor and outdoor activities, including recreational and social programs.

(10) Transportation and other forms of support to ensure, to the extent possible, the child's ability to attend and participate in important milestone events.

(11) Mentorship and peer support-type programs.

(f) (1) In no case shall the detention or placement in a temporary shelter care facility exceed 10 calendar days. For any stay that exceeds 10 calendar days, the child welfare agency shall submit a written report to the department, within 24 hours of an overstay, that shall include a description of the reasons

and circumstances for the child's overstay, and shall be signed by the county child welfare agency director or his or her designee. The department may choose not to issue a citation to the county for a violation of the 10-day placement limit when, based on the information contained in the report, the overstay is reasonable and the county is complying with subdivision (d).

(2) The child welfare agency may permit any child or youth to access assessment and other services described in subdivision (d) or (e) while in an out-of-home placement.

(3) To ensure the protection of children placed in temporary shelter care facilities, the child welfare agency shall separate children placed in temporary shelter care facilities pursuant to subdivision (b) from children returning to the shelter due to a failed placement, when possible, when circumstances warrant that separation. Temporary shelters shall staff as necessary to adequately supervise children to ensure an appropriate environment for all children present.

(g) At the request of the county, the department shall provide technical assistance necessary for the implementation of this section.

(h) The department, in consultation with the counties, shall provide a report to the Legislature no later than January 1, 2021, that shall include the number of children and youth served by temporary shelter care facilities, characteristics of children detained in these facilities, and whether there is a continued need for the licensing and operation of temporary shelter care facilities.

SEC. 81. Section 11462.04 of the Welfare and Institutions Code is amended to read:

11462.04. (a) Notwithstanding any other law, no new group home rate or change to an existing rate shall be established pursuant to Section 11462. An application shall not be accepted or processed for any of the following:

- (1) A new program.
- (2) A new provider.
- (3) A program change, such as a rate classification level (RCL) increase.
- (4) A program capacity increase.
- (5) A program reinstatement.

(b) Notwithstanding subdivision (a), the department may grant exceptions as appropriate on a case-by-case basis, based upon a written request and supporting documentation provided by county placing agencies, including county welfare or probation directors.

(c) (1) For the 2012–13, 2013–14, and 2014–15 fiscal years, notwithstanding subdivision (b), for any program below RCL 10, the only exception that may be sought and granted pursuant to this section is for an application requesting a program change, such as an RCL increase. The authority to grant other exceptions does not apply to programs below RCL 10 during these fiscal years.

(2) Notwithstanding paragraph (1), commencing January 1, 2017, no exception shall be granted for any program below RCL 10.

(d) This section shall remain in effect only until January 1, 2017, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2017, deletes or extends that date.

SEC. 82. Section 11462.04 is added to the Welfare and Institutions Code, to read:

11462.04. (a) Notwithstanding any other law, commencing January 1, 2017, no new group home rate or change to an existing rate shall be established pursuant to the Rate Classification Level (RCL) system.

(b) Notwithstanding subdivision (a), the department may grant an exception as appropriate, on a case-by-case basis, when a written request and supporting documentation are provided by a county placing agency, including a county welfare or probation director, that absent the granting of that exception, there is a material risk to the welfare of children due to an inadequate supply of appropriate alternative placement options to meet the needs of children.

(c) For group homes being paid under the RCL system, and those granted an exception pursuant to paragraph (b), group home rates shall terminate on December 31, 2016, unless granted an extension under the exception process in subdivision (d).

(d) A group home may request an exception to extend its rate as follows:

(1) The department may grant an extension for up to two years, through December 31, 2018, except as provided in paragraph (2), on a case-by-case basis, when a written request and supporting documentation are provided by a county placing agency, including a county welfare or probation director, that absent the granting of that exception, there is a material risk to the welfare of children due to an inadequate supply of appropriate alternative placement options to meet the needs of children. The exception may include time to meet the program accreditation requirement or the mental health certification requirement.

(2) Pursuant to Section 11462.041, the department may grant an extension to a group home beyond December 31, 2018, upon a provider submitting a written request and the county probation department providing documentation stating that absent the grant of that extension, there is a significant risk to the safety of the youth or the public, due to an inadequate supply of short-term residential treatment centers or resource families necessary to meet the needs of probation youth. The extension granted to any provider through this section may be reviewed annually by the department if concerns arise regarding that provider's facility. Pursuant to subdivision (e) of Section 11462.041, the final report submitted to the Legislature shall address whether or not the extensions are still necessary.

(3) The exception shall allow the provider to continue to receive the rate under the prior ratesetting system.

(4) A provider granted an extension pursuant to this section shall continue to operate and be governed by the applicable laws and regulations that were operative on December 31, 2018.

(e) Upon termination of an existing group home rate under the RCL system, a new rate shall not be paid until an application is approved and a

rate is granted by the department pursuant to Section 11462 as a short-term residential treatment center or pursuant to Section 11463 as a foster family agency.

(f) The department shall, in the development of the new rate structures, consider and provide for placement of all children who are displaced as a result of reclassification of treatment facilities.

(g) This section shall become operative on January 1, 2017.

SEC. 83. Section 11462.041 is added to the Welfare and Institutions Code, to read:

11462.041. (a) The Legislature recognizes that group homes are one of the primary placement options utilized by probation departments to avoid inappropriate housing of youth in a detention hall, more so since the 2007 realignment of most juvenile offenders from state supervision to county supervision. In order to further improve outcomes for these youth, targeted efforts will be required at the state and local levels to create sufficient capacity in home-based family care and in short-term residential treatment centers in order to serve these youth safely in the least restrictive, family-based settings, whenever possible. This increased capacity is needed in both the number of related and unrelated family-based caregivers, in the caregivers' ability to meet the needs of probation youth, and in the services and supports available to these caregivers. Additionally, there must be sufficient capacity in short-term residential treatment centers to meet the needs of probation youth and ensure public safety.

(b) To meet the capacity needs described in subdivision (a), commencing on January 1, 2016, county probation departments shall do all of the following:

(1) Work with group home providers to develop short-term residential treatment center programs that meet the treatment needs of probation supervised youth in foster care.

(2) Work with foster family agencies and other community-based organizations to develop strategies to recruit, retain, and support specialized foster homes for probation youth.

(3) Work with the department on strategies to identify, engage, and support relative caregivers.

(4) Work with the department to define probation youth outcome measures to be collected and analyzed to assess implementation of this act.

(c) To support the activities described in subdivision (b), commencing on January 1, 2016, the department, in consultation with the Chief Probation Officers of California, shall do all of the following:

(1) Work with providers, courts, and county probation departments to develop capacity for home-based family care.

(2) Work with short-term residential treatment centers and foster family agencies to address the treatment needs of specific probation populations, including, but not limited to, sex offenders, youth with gang affiliations, youth who currently are placed out of state, and youth with mental illness.

(3) Develop appropriate rate structures to support probation foster youth in home-based family care.

(4) Identify strategies to address the systemic challenges specific to small and rural counties in meeting the needs of probation foster youth in need of placement or treatment services.

(5) Provide technical assistance to existing group home providers interested in serving probation youth during the transition to the short-term residential treatment center or foster family agency models outlined in this act.

(6) Provide technical assistance related to implementation of this section to any requesting county probation department.

(d) Beginning January 1, 2018, the department, in consultation with the Chief Probation Officers of California, shall assess the capacity and quality of placement options for probation youth in foster care, including home-based family care and short-term residential treatment centers. This assessment shall include:

(1) The number and type of placement options.

(2) Whether short-term residential treatment centers have developed programming tailored to address the propensity of probation youth to run away.

(3) The degree to which foster family agencies, community-based service providers, and county probation departments have developed the programs and services necessary to recruit, retain, and support foster families and relative caregivers serving foster youth supervised by probation departments.

(4) Any need for additional training and technical assistance to be provided to short-term residential treatment centers or foster family agency providers.

(e) The department, in consultation with the Chief Probation Officers of California and the counties, shall provide an interim report, pursuant to Section 9795 of the Government Code, to the Legislature no later than January 10, 2019, and a final report, pursuant to Section 9795 of the Government Code, to the Legislature no later than January 10, 2021, which shall include the number of youth served in home-based family care, in short-term residential treatment centers, and in group homes, characteristics of youth in these placement types, and whether there is a continued need for probation placement in group homes. The reports also shall provide recommendations on any further technical assistance and training, if needed, to facilitate county probation departments, county child welfare departments, DSS, and providers in strengthening the continuum of care for justice-involved youth.

SEC. 84. Section 11463 of the Welfare and Institutions Code is amended to read:

11463. (a) (1) The department, with the advice, assistance, and cooperation of the counties and foster care providers, shall develop, implement, and maintain a ratesetting system for foster family agencies.

(2) No county shall be reimbursed for any percentage increases in payments, made on behalf of AFDC-FC funded children who are placed with foster family agencies, that exceed the percentage cost-of-living increase

provided in any fiscal year beginning on January 1, 1990, as specified in subdivision (c) of Section 11461.

(b) The department shall develop regulations specifying the purposes, types, and services of foster family agencies, including the use of those agencies for the provision of emergency shelter care. A distinction, for ratesetting purposes, shall be drawn between foster family agencies that provide treatment of children in foster families and those that provide nontreatment services.

(c) The department shall develop and maintain regulations specifying the procedure for the appeal of department decisions about the setting of an agency's rate.

(d) On and after July 1, 1998, the schedule of rates, and the components used in the rate calculations specified in the department's regulations, for foster family agencies shall be increased by 6 percent, rounded to the nearest dollar. The resultant amounts shall constitute the new schedule of rates for foster family agencies.

(e) (1) On and after July 1, 1999, the schedule of rates and the components used in the rate calculations specified in the department's regulations for foster family agencies shall be adjusted by an amount equal to the California Necessities Index computed pursuant to Section 11453, rounded to the nearest dollar, subject to the availability of funds. The resultant amounts shall constitute the new schedule of rates for foster family agencies, subject to further adjustment pursuant to paragraph (2).

(2) In addition to the adjustment specified in paragraph (1), commencing January 1, 2000, the schedule of rates and the components used in the rate calculations specified in the department's regulations for foster family agencies shall be increased by 2.36 percent, rounded to the nearest dollar. The resultant amounts shall constitute the new schedule of rates for foster family agencies.

(f) For the 1999–2000 fiscal year, foster family agency rates that are not determined by the schedule of rates set forth in the department's regulations, shall be increased by the same percentage as provided in subdivision (e).

(g) (1) For the 2000–01 fiscal year and each fiscal year thereafter, the foster family agency rate shall be supplemented by one hundred dollars (\$100) for clothing per year per child in care, subject to the availability of funds. The supplemental payment shall be used to supplement, and shall not be used to supplant, any clothing allowance paid in addition to the foster family agency rate.

(2) Notwithstanding paragraph (1), commencing with the 2012–13 fiscal year, and each fiscal year thereafter, no supplemental clothing allowance shall be provided, because the rate issued in accordance with paragraph (1) of subdivision (m) takes the cost of clothing into account.

(h) In addition to the adjustment made pursuant to subdivision (e), the component for social work activities in the rate calculation specified in the department's regulations for foster family agencies shall be increased by 10 percent, effective January 1, 2001. This additional funding shall be used by foster family agencies solely to supplement staffing, salaries, wages, and

benefit levels of staff performing social work activities. The schedule of rates shall be recomputed using the adjusted amount for social work activities. The resultant amounts shall constitute the new schedule of rates for foster family agencies. The department may require a foster family agency receiving this additional funding to certify that the funding was utilized in accordance with the provisions of this section.

(i) The increased rate provided by subparagraph (C) of paragraph (1) of subdivision (d) of Section 11461 shall not be used to compute the monthly amount that may be paid to licensed foster family agencies for the placement of children in certified foster homes.

(j) The total foster family agency rate by age group in effect as of January 1, 2008, paid to licensed foster family agencies for the placement of children in certified foster family homes, shall be reduced by 10 percent, effective October 1, 2009. The foster family agency shall have flexibility in applying the reduction, however, nothing shall be deducted from the child base rate, as defined in departmental regulations. When the rate is restored to at least the rate in effect on September 1, 2009, the director shall issue the declaration described in Section 1506.3 of the Health and Safety Code.

(k) Effective October 1, 2009, the total foster family agency rate by age group, in effect for those agency rates that are not determined by the schedule of rates set forth in the department's regulations, shall be reduced by the same percentage and in the same manner as provided for in subdivision (j).

(l) (1) The department shall determine, consistent with the requirements of this section and other relevant requirements under law, the rate category for each foster family agency on a biennial basis. Submission of the biennial rate application shall be according to a schedule determined by the department.

(2) The department shall adopt regulations to implement this subdivision. The adoption, amendment, repeal, or readoption of a regulation authorized by this subdivision is deemed to be necessary for the immediate preservation of the public peace, health and safety, or general welfare, for purposes of Sections 11346.1 and 11349.6 of the Government Code, and the department is hereby exempted from the requirement to describe specific facts showing the need for immediate action.

(m) (1) On and after July 1, 2012, the basic rate payment that shall be made to the certified parent pursuant to this section for care and supervision of a child who is living in a certified home of a foster family agency, as defined in Section 11400, shall equal the basic rate for children based in a licensed or approved home, as specified in paragraph (1) of subdivision (g) of Section 11461.

(2) The basic rate payment to the certified parent made pursuant to paragraph (1) shall be adjusted annually on July 1, by the annual percentage change in the California Necessities Index, in accordance with paragraph (2) of subdivision (g) of Section 11461. The adjustment in this paragraph shall be in lieu of any adjustment pursuant to subdivision (e).

(n) Notwithstanding any other law, the changes to the basic rate payment specified in subdivision (m) shall not change the remaining components of

the foster family agency rate. The new foster family agency rate shall be increased only by the amounts specified pursuant to subdivision (m). The resulting amounts shall constitute the new schedule of rates for foster family agencies, which shall be issued by all-county letters or similar instructions from the department.

(o) Beginning in the 2011–12 fiscal year, and for each fiscal year thereafter, funding and expenditures for programs and activities under this section shall be in accordance with the requirements provided in Sections 30025 and 30026.5 of the Government Code.

(p) (1) Notwithstanding the rulemaking provisions of the Administrative Procedure Act (Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code), the department may implement, interpret, or make specific the changes to this section made by the act that added this section, and amend and repeal regulations and orders subject to this section and adopted by the department by means of all-county letters or similar instructions from the department until regulations are adopted. The department shall adopt emergency regulations no later than July 1, 2014. The department may readopt any emergency regulation authorized by this section that is the same as, or substantially equivalent to, an emergency regulation previously adopted under this section.

(2) The initial adoption of emergency regulations pursuant to this section and one readoption of emergency regulations shall be deemed an emergency and necessary for the immediate preservation of the public peace, health, safety, or general welfare. Initial emergency regulations and the one readoption of emergency regulations authorized by this section shall be exempt from review by the Office of Administrative Law. The initial emergency regulations and the one readoption of emergency regulations authorized by this section shall be submitted to the Office of Administrative Law for filing with the Secretary of State and each shall remain in effect for no more than 180 days, by which time final regulations may be adopted.

(q) This section shall remain in effect only until January 1, 2017, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2017, deletes or extends that date.

SEC. 85. Section 11463 is added to the Welfare and Institutions Code, to read:

11463. (a) The department shall commence development of a new payment structure for the Title IV-E funded foster family agency placement option that maximizes federal funding, in consultation with county placing agencies.

(b) The department shall develop a payment system for foster family agencies that provide treatment, intensive treatment, and therapeutic foster care programs, and shall consider all of the following factors:

(1) Administrative activities that are eligible for federal financial participation provided, at county request, for and to county-licensed or approved family homes and resource families, intensive case management and supervision, and services to achieve legal permanency or successful transition to adulthood.

(2) Social work activities that are eligible for federal financial participation under Title IV-E of the Social Security Act.

(3) Social work and mental health services eligible for federal financial participation under Title XIX of the Social Security Act.

(4) Intensive treatment or therapeutic services in the foster family agency.

(5) Core services, made available to children and nonminor dependents either directly or secured through formal agreements with other agencies, which are trauma informed and culturally relevant and include:

(A) Specialty mental health services for children who meet medical necessity criteria for specialty mental health services under the Medi-Cal Early and Periodic Screening, Diagnosis, and Treatment program, as the criteria are described in Section 1830.210 of Title 9, of the California Code of Regulations.

(B) Transition support services for children, youth, and families upon initial entry and placement changes and for families who assume permanency through reunification, adoption, or guardianship.

(C) Educational and physical, behavioral, and mental health supports, including extracurricular activities and social supports.

(D) Activities designed to support transition-age youth and nonminor dependents in achieving a successful adulthood.

(G) The core services specified in subparagraphs (A) to (F), inclusive, are not intended to duplicate services already available to foster children in the community, but to support access to those services and supports to the extent already available. Those services and supports may include, but are not limited to, foster youth services available through county offices of education, Indian Health Services, and school-based extracurricular activities.

(d) The department shall consider the impact on children and youth being transitioned to alternate programs as a result of the new ratesetting system.

(e) This section shall become operative on January 1, 2017.

SEC. 86. Section 11463.01 is added to the Welfare and Institutions Code, immediately after Section 11463, to read:

11463.01. (a) (1) The department, with the advice, assistance, and cooperation of the counties and foster care providers, shall develop, implement, and maintain a ratesetting system for foster family agencies.

(2) No county shall be reimbursed for any percentage increases in payments, made on behalf of AFDC-FC funded children who are placed with foster family agencies, that exceed the percentage cost-of-living increase provided in any fiscal year, as specified in subdivision (c) of Section 11461.

(b) The department shall develop regulations specifying the purposes, types, and services of foster family agencies, including the use of those agencies for the provision of emergency shelter care.

(c) The department shall develop and maintain regulations specifying the procedures for the appeal of department decisions about the setting of an agency's rate.

(d) No supplemental clothing allowance shall be provided, because the rate issued in accordance with paragraph (1) of subdivision (g) takes the cost of clothing into account.

(e) The schedule of rates for foster family agencies as set forth in Section 11463, as that section read on January 1, 2015, shall apply for purposes of, and may be modified pursuant to, this section.

(f) (1) The department shall determine, consistent with the requirements of this section and other relevant requirements under law, the rate category for each foster family agency on a biennial basis. Submission of the biennial rate application shall be according to a schedule determined by the department.

(2) The department shall adopt regulations to implement this subdivision. The adoption, amendment, repeal, or readoption of a regulation authorized by this subdivision is deemed to be necessary for the immediate preservation of the public peace, health and safety, or general welfare, for purposes of Sections 11346.1 and 11349.6 of the Government Code, and the department is hereby exempted from the requirement to describe specific facts showing the need for immediate action.

(g) (1) The basic rate payment that shall be made to the certified parent pursuant to this section for care and supervision of a child who is living in a certified home of a foster family agency, as defined in Section 11400, shall equal the basic rate for children placed in a licensed or approved home, as specified in paragraph (1) of subdivision (g) of Section 11461.

(2) The basic rate payment to the certified parent made pursuant to paragraph (1) shall be adjusted annually on July 1, by the annual percentage change in the California Necessities Index, in accordance with paragraph (2) of subdivision (g) of Section 11461. The adjustment in this paragraph shall be in lieu of any adjustment pursuant to subdivision (e) of Section 11463, as that section read on January 1, 2015.

(h) Notwithstanding any other law, the changes to the basic rate payment specified in subdivision (g) shall not change the remaining components of the foster family agency rate. The new foster family agency rate shall be increased only by the amounts specified pursuant to subdivision (g). The resulting amounts shall constitute the new schedule of rates for foster family agencies, which shall be issued by all-county letters or similar instructions from the department.

(i) For each fiscal year, funding and expenditures for programs and activities under this section shall be in accordance with the requirements provided in Sections 30025 and 30026.5 of the Government Code.

(j) (1) Notwithstanding the rulemaking provisions of the Administrative Procedure Act (Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code), the department may implement, interpret, or make specific the changes to this section made by the act that added this section, and amend and repeal regulations and orders subject to this section and adopted by the department by means of all-county letters or similar instructions from the department until regulations are adopted. The department shall adopt emergency regulations no later than July 1, 2016. The department may readopt any emergency regulation authorized by this section that is the same as, or substantially equivalent to, an emergency regulation previously adopted under this section.

(2) The initial adoption of emergency regulations pursuant to this section and one readoption of emergency regulations shall be deemed an emergency and necessary for the immediate preservation of the public peace, health, safety, or general welfare. Initial emergency regulations and the one readoption of emergency regulations authorized by this section shall be exempt from review by the Office of Administrative Law. The initial emergency regulations and the one readoption of emergency regulations authorized by this section shall be submitted to the Office of Administrative Law for filing with the Secretary of State and each shall remain in effect for no more than 180 days, by which time final regulations may be adopted.

(k) This section shall only apply to a foster family agency that has been granted an extension pursuant to the exception process described in subdivision (d) of Section 11463.1.

(l) This section shall become operative on January 1, 2017.

(m) This section shall remain in effect only until January 1, 2018, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2018, deletes or extends that date.

SEC. 87. Section 11463.1 is added to the Welfare and Institutions Code, to read:

11463.1. (a) Notwithstanding any other law, commencing January 1, 2017, no new foster family agency shall be established pursuant to the rate in effect through December 31, 2016.

(b) Notwithstanding subdivision (a), the department may grant an exception as appropriate, on a case-by-case basis, when a written request and supporting documentation are provided by a county placing agency, including a county welfare or probation director, that absent the granting of that exception, there is a material risk to the welfare of children due to an inadequate supply of appropriate alternative placement options to meet the needs of children or youth.

(c) Rates for foster family agencies paid under the prior rate system, and those granted an exception pursuant to subdivision (b), shall terminate on December 31, 2016, unless granted an extension under the exception process in subdivision (d).

(d) A foster family agency may request an exception to extend its rate as follows:

(1) The department may grant an extension for up to two years, through December 31, 2018, on a case-by-case basis, when a written request and supporting documentation are provided by a county placing agency, including a county welfare or probation director, that absent the granting of that exception, there is a material risk to the welfare of children or youth due to an inadequate supply of appropriate alternative placement options to meet the needs of children. The exception may include time to meet the accreditation requirement or the mental health certification requirement.

(2) The exception shall allow the provider to continue to receive the rate under the prior ratesetting system.

(e) Upon termination of an existing foster family agency rate under the prior rate system, a new rate shall not be paid until an application is approved

and a rate is granted by the department pursuant to Section 11463 as a foster family agency or Section 11462 as a short-term residential treatment center.

(f) The department shall, in the development of the new rate structures, consider and provide for placement of all children who are displaced as a result of reclassification of treatment facilities.

(g) This section shall remain in effect only until January 1, 2019, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2019, deletes or extends that date.

SEC. 88. Section 11465 of the Welfare and Institutions Code is amended to read:

11465. (a) When a child is living with a parent who receives AFDC-FC or Kin-GAP benefits, the rate paid to the provider on behalf of the parent shall include an amount for care and supervision of the child.

(b) For each category of eligible licensed community care facility, as defined in Section 1502 of the Health and Safety Code, the department shall adopt regulations setting forth a uniform rate to cover the cost of care and supervision of the child in each category of eligible licensed community care facility.

(c) (1) On and after July 1, 1998, the uniform rate to cover the cost of care and supervision of a child pursuant to this section shall be increased by 6 percent, rounded to the nearest dollar. The resultant amounts shall constitute the new uniform rate.

(2) (A) On and after July 1, 1999, the uniform rate to cover the cost of care and supervision of a child pursuant to this section shall be adjusted by an amount equal to the California Necessities Index computed pursuant to Section 11453, rounded to the nearest dollar. The resultant amounts shall constitute the new uniform rate, subject to further adjustment pursuant to subparagraph (B).

(B) In addition to the adjustment specified in subparagraph (A), on and after January 1, 2000, the uniform rate to cover the cost of care and supervision of a child pursuant to this section shall be increased by 2.36 percent, rounded to the nearest dollar. The resultant amounts shall constitute the new uniform rate.

(3) Subject to the availability of funds, for the 2000–01 fiscal year and annually thereafter, these rates shall be adjusted for cost of living pursuant to procedures in Section 11453.

(4) On and after January 1, 2008, the uniform rate to cover the cost of care and supervision of a child pursuant to this section shall be increased by 5 percent, rounded to the nearest dollar. The resulting amount shall constitute the new uniform rate.

(d) (1) Notwithstanding subdivisions (a) to (c), inclusive, the payment made pursuant to this section for care and supervision of a child who is living with a teen parent in a whole family foster home, as defined in Section 11400, shall equal the basic rate for children placed in a licensed or approved home as specified in subdivisions (a) to (d), inclusive, and subdivision (g), of Section 11461.

(2) (A) The amount paid for care and supervision of a dependent infant living with a dependent teen parent receiving AFDC-FC benefits in a group home placement shall equal the infant supplement rate for group home placements.

(B) Commencing January 1, 2017, the amount paid for care and supervision of a dependent infant living with a dependent teenage parent receiving AFDC-FC benefits in a short-term residential treatment center shall equal the infant supplement rate for short-term residential treatment centers established by the department.

(3) (A) The caregiver shall provide the county child welfare agency or probation department with a copy of the shared responsibility plan developed pursuant to Section 16501.25 and shall advise the county child welfare agency or probation department of any subsequent changes to the plan. Once the plan has been completed and provided to the appropriate agencies, the payment made pursuant to this section shall be increased by an additional two hundred dollars (\$200) per month to reflect the increased care and supervision while he or she is placed in the whole family foster home.

(B) A nonminor dependent parent residing in a supervised independent living placement, as defined in subdivision (w) of Section 11400, who develops a written parenting support plan pursuant to Section 16501.26 shall provide the county child welfare agency or probation department with a copy of the plan and shall advise the county child welfare agency or probation department of any subsequent changes to the plan. The payment made pursuant to this section shall be increased by an additional two hundred dollars (\$200) per month after all of the following have been satisfied:

(i) The plan has been completed and provided to the appropriate county agency.

(ii) The plan has been approved by the appropriate county agency.

(iii) The county agency has determined that the identified responsible adult meets the criteria specified in Section 16501.27.

(4) In a year in which the payment provided pursuant to this section is adjusted for the cost of living as provided in paragraph (1) of subdivision (c), the payments provided for in this subdivision shall also be increased by the same procedures.

(5) A Kin-GAP relative who, immediately prior to entering the Kin-GAP program, was designated as a whole family foster home shall receive the same payment amounts for the care and supervision of a child who is living with a teen parent they received in foster care as a whole family foster home.

(6) On and after January 1, 2012, the rate paid for a child living with a teen parent in a whole family foster home as defined in Section 11400 shall also be paid for a child living with a nonminor dependent parent who is eligible to receive AFDC-FC or Kin-GAP pursuant to Section 11403.

SEC. 89. Section 11466 is added to the Welfare and Institutions Code, to read:

11466. For the purposes of this section to Section 114691.1, inclusive, “provider” shall mean a group home, short-term residential treatment center,

a foster family agency that provides treatment services, and similar foster care business entities.

SEC. 90. Section 11466.2 of the Welfare and Institutions Code is amended to read:

11466.2. (a) (1) The department shall perform or have performed group home program and fiscal audits as needed. Group home programs shall maintain all child-specific, programmatic, personnel, fiscal, and other information affecting group home ratesetting and AFDC-FC payments for a period not less than five years.

(2) Notwithstanding paragraph (1), the department shall not establish an overpayment based upon a nonprovisional program audit conducted on less than a one-year audit period.

(3) Notwithstanding paragraph (2), the department may conduct audits covering a period of less than 12 months. Based upon the findings of these audits, the department may reduce a group home program's AFDC-FC rate or RCL pursuant to this paragraph.

(A) In an audit of a period of less than 12 months, if a provider's audited RCL is no more than three levels below the paid RCL, the provider's rate and RCL will be reduced to the audited RCL. The provider will be allowed the opportunity to bring a program into compliance with the paid RCL.

(B) In an audit of a period of less than 12 months, if the provider's audited RCL is more than three levels below the paid RCL, the department shall conduct an audit as identified in paragraph (2) of subdivision (a) of Section 11466.2. The provider will be allowed the opportunity to bring a program into compliance with the paid RCL.

(C) For audit purposes, when the group home program serves a mixture of AFDC-FC eligible and ineligible children, the weighted hours for child care and social work services provided and the capacity of the group home shall be adjusted by the ratio of AFDC-FC eligible children to all children in placement.

(D) A group home provider may request a hearing of the department's RCL determination under subparagraph (A) no later than 30 days after the date the department issues its RCL determination. The department's RCL determination shall be final if the group home provider does not request a hearing within the prescribed time. Within 60 days of receipt of the request for hearing, the department shall conduct a hearing on the RCL determination. The standard of proof shall be the preponderance of the evidence and the burden of proof shall be on the department. The hearing officer shall issue the proposed decision within 45 days of the close of the evidentiary record. The director shall adopt, reject, or modify the proposed decision, or refer the matter back to the hearing officer for additional evidence or findings within 100 days of issuance of the proposed decision. If the director takes no action on the proposed decision within the prescribed time, the proposed decision shall take effect by operation of law.

(b) (1) The department shall develop regulations to correct a group home program's RCL, and to adjust the rate and to recover any overpayments resulting from an overstatement of the projected level of care and services.

(2) The department shall modify the amount of the overpayment pursuant to paragraph (1) in cases where the level of care and services provided per child in placement equals or exceeds the level associated with the program's RCL. In making this modification, the department shall determine whether services other than child care supervision were provided to children in placement in an amount that is at least proportionate, on a per child basis, to the amount projected in the group home's rate application. In cases where these services are provided in less than a proportionate amount, staffing for child care supervision in excess of its proportionate share shall not be substituted for nonchild care supervision staff hours.

(c) (1) In any audit conducted by the department, the department, or other public or private audit agency with which the department contracts, shall coordinate with the department's licensing and ratesetting entities so that a consistent set of standards, rules, and auditing protocols are maintained. The department, or other public or private audit agency with which the department contracts, shall make available to all group home providers, in writing, any standards, rules, and auditing protocols to be used in those audits.

(2) The department shall provide exit interviews with providers whenever deficiencies found are explained and the opportunity exists for providers to respond. The department shall adopt regulations specifying the procedure for the appeal of audit findings.

(d) This section shall remain in effect only until January 1, 2017, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2017, deletes or extends that date.

SEC. 91. Section 11466.2 is added to the Welfare and Institutions Code, to read:

11466.2. (a) (1) The department shall perform or have performed provider program and fiscal audits as needed. Provider programs shall maintain all child-specific, programmatic, personnel, fiscal, and other information affecting ratesetting and AFDC-FC payments for a period of not less than five years.

(2) A provider may request a hearing of the department's audit determination under this section no later than 30 days after the date the department issues its audit determination. The department's audit determination shall be final if the provider does not request a hearing within the prescribed time. Within 60 days of receipt of the request for hearing, the department shall conduct a hearing on the audit determination. The standard of proof shall be the preponderance of the evidence and the burden of proof shall be on the department. The hearing officer shall issue the proposed decision within 45 days of the close of the evidentiary record. The director shall adopt, reject, or modify the proposed decision, or refer the matter back to the hearing officer for additional evidence or findings within 100 days of issuance of the proposed decision. If the director takes no action on the proposed decision within the prescribed time, the proposed decision shall take effect by operation of law.

(b) The department shall develop regulations to correct a program's audit findings, adjust the rate, and recover any overpayments resulting from an overstatement of the projected level of care and services and other audit findings.

(c) (1) In any audit conducted by the department, the department, or other public or private audit agency with which the department contracts, shall coordinate with the department's licensing and ratesetting entities so that a consistent set of standards, rules, and auditing protocols are maintained. The department, or other public or private audit agency with which the department contracts, shall make available to all providers, in writing, any standards, rules, and auditing protocols to be used in those audits.

(2) The department shall provide exit interviews with providers, whenever deficiencies are found, in which those deficiencies may be explained and permit providers an opportunity to respond. The department shall adopt regulations specifying the procedure for the appeal of audit findings.

(d) This section shall become operative on January 1, 2017.

SEC. 92. Section 11466.21 of the Welfare and Institutions Code is amended to read:

11466.21. (a) In accordance with subdivision (b), as a condition to receive an AFDC-FC rate for a program including, but not limited to, a group home, a foster family agency that provides treatment services, a short-term residential treatment center, and other similar business entities providing foster care, the following shall apply:

(1) Any provider who expends in combined federal funds an amount at or above the federal funding threshold in accordance with the federal Single Audit Act, as amended, and Section 200.501 of Title 2 of the Code of Federal Regulations shall arrange to have a financial audit conducted on an annual basis, and shall submit the annual financial audit to the department in accordance with regulations adopted by the department, all-county letter, or similar written instructions.

(2) Any provider who expends in combined federal funds an amount below the federal funding threshold in accordance with the federal Single Audit Act, as amended, and Section 200.501 of Title 2 of the Code of Federal Regulations shall annually submit to the department a financial audit on its most recent fiscal period. The department shall provide timely notice to the providers of the date that submission of the financial audit is required. That date of submission of the financial audit shall be established in accordance with regulations adopted by the department.

(3) The scope of the financial audit shall include all of the programs and activities operated by the provider and shall not be limited to those funded in whole or in part by the AFDC-FC program. The financial audits shall include, but not be limited to, an evaluation of the expenditures and accounting and control systems of the provider.

(4) The provider shall have its financial audit conducted by certified public accountants or by state-licensed public accountants, with audit designation, who have no direct or indirect relationship with the functions

or activities being audited, or with the provider, its board of directors, or other governing body, officers, or staff.

(5) The provider shall have its financial audits conducted in accordance with Government Auditing Standards issued by the Comptroller General of the United States and in compliance with generally accepted accounting principles applicable to private entities organized and operated on a nonprofit basis.

(6) (A) Each provider shall have the flexibility to define the calendar months included in its fiscal year.

(B) A provider may change the definition of its fiscal year. However, the financial audit conducted following the change shall cover all of the months since the last audit, even though this may cover a period that exceeds 12 months.

(b) (1) In accordance with subdivision (a), as a condition to receive an AFDC-FC rate, a provider shall submit a copy of its most recent financial audit report, except as provided in paragraph (3).

(2) The department shall terminate the rate of a provider who fails to submit a copy of its most recent financial audit pursuant to subdivision (a). A terminated rate shall only be reinstated upon the provider's submission to the department of an acceptable financial audit.

(3) A new provider that has been incorporated for fewer than 12 calendar months shall not be required to submit a copy of a financial audit to receive an AFDC-FC rate for a new program. The financial audit shall be conducted on the provider's next full fiscal year of operation. The provider shall submit the financial audit to the department in accordance with subdivision (a).

(4) Repeated late financial audits may result in monetary penalties or termination of the provider's rate as set forth in regulation, all-county letter, or similar written directive by the department.

(c) The department shall issue a management decision letter on audit findings within six months of receipt of the financial audit report. The management decision letter shall clearly state whether or not the audit finding is sustained, the reasons for the decision, and the action or actions expected of the nonprofit organization provider to repay disallowed costs, make financial adjustments, or take other action.

SEC. 93. Section 11466.22 of the Welfare and Institutions Code is amended to read:

11466.22. (a) It is the intent of the Legislature to ensure overall program integrity in the AFDC-FC program through the establishment of an effective and efficient process for the collection of provider sustained overpayments. Furthermore, the intent of the Legislature is to ensure that children placed in AFDC-FC programs, including, but not limited to, group homes, short-term residential treatment centers, and foster family agencies, receive the level of care and supervision commensurate with the program's paid rate.

(b) For the purposes of this section, a provider is a licensee of an AFDC-FC program listed in Section 11402, including, but not limited to, a group home, short-term residential treatment center, foster family agency

that provides treatment services, or a similar business entity, receiving foster care maintenance payments under the AFDC-FC program. The department may collect a sustained overpayment from the party responsible for the sustained overpayment, regardless of whether the party remains in the business of providing any AFDC-FC programs, and regardless of whether the provider remains licensed by the department.

(c) For the purposes of this section, a provider overpayment is an overpayment that results in an audit period when a provider receives a rate reimbursement to which it is not entitled. If a provider receives a rate reimbursement to which it is not entitled, including, but not limited to, the provider failing to maintain a license, or failing to maintain its status as a nonprofit organization, or due to an overpayment determined as described in paragraph (1) of subdivision (d). If a provider receives a rate to which it is not entitled it shall be liable to repay the overpayment.

(d) (1) Overpayments shall be determined by either a provider audit pursuant to Section 11466.21, a department audit conducted pursuant to Section 11466.2, a management decision letter, or a provider self-reporting an overpayment. A self-reported overpayment may include a finding in the financial audit report submitted by the provider whether that finding is formally made in the financial audit report or discovered through department review of the report or other provider submission.

(2) If a hearing is not requested, or on the 60th day after an informal decision if a provider or the department does not file a notice of intent to file a formal appeal, or on the 30th day following a formal appeal hearing decision, whichever is latest, a provider overpayment shall be sustained for collection purposes and the department shall issue a demand letter for repayment of the sustained overpayment.

(3) The department shall establish a voluntary repayment agreement procedure with a maximum repayment period of nine years. The procedure shall take into account the amount of the overpayment, projected annual income of the program that caused the overpayment, a minimum repayment amount, including principal and interest, of 3 percent of annual income prorated on a monthly basis, simple interest for the first seven years of the voluntary repayment agreement on the overpayment amount based on the Surplus Money Investment Fund, and simple interest for the eighth and ninth years of the voluntary repayment agreement based on the prime rate at that time plus 3 percent. The department may consider, at the discretion of the director, renegotiation of a voluntary repayment agreement if the director determines that the agreement would cause severe harm to children in placement.

(4) The department shall establish an involuntary overpayment collection procedure, that shall take into account the amount of the overpayment, projected annual income, a minimum required repayment amount, including principal and interest, of 5 percent of the annual income prorated on a monthly basis, simple interest on the overpayment amount based on the Surplus Money Investment Fund, and a maximum repayment period of seven years. The department may consider, at the discretion of the director,

renegotiation of an involuntary payment agreement if the director determines that the agreement would cause severe harm to children in placement.

(e) The department shall maintain, by regulation, all-county letter, or similar written directive, a procedure for recovery of any provider sustained overpayments. The department shall prioritize collection methods, which shall include voluntary repayment agreement procedures, involuntary overpayment collection procedures, including the use of a statutory lien, rate request denials, rate decreases, and rate terminations. The department may also deny rate requests, including requests for rate increases, or program changes or expansions, while an overpayment is due.

(f) Whenever the department determines that a provider sustained overpayment has occurred, the department shall recover from the provider the full amount of the sustained overpayment, and simple interest on the sustained overpayment amount, pursuant to methods described in subdivision (e), against the provider's income or assets.

(g) If a provider is successful in its appeal of a collected overpayment, it shall be repaid the collected overpayment plus simple interest based on the Surplus Money Investment Fund.

SEC. 94. Section 11466.25 of the Welfare and Institutions Code is amended to read:

11466.25. Interest begins to accrue on a provider overpayment or penalty on the date of the issuance of the penalty or the final audit report, or the date the final audit report is sustained, the date of the issuance of a management decision letter in accordance with Section 11466.21, or the date that a provider self-reports an overpayment.

SEC. 95. Section 11466.3 of the Welfare and Institutions Code is amended to read:

11466.3. (a) The department shall offer a voluntary repayment agreement procedure to providers that owe a sustained overpayment. A provider may enter into a voluntary repayment agreement with the department to repay a sustained overpayment. The voluntary repayment agreement shall, at a minimum, meet the requirements developed pursuant to paragraph (3) of subdivision (d) of Section 11466.22.

(b) The department shall charge simple interest on the voluntary repayment agreement in accordance with paragraph (3) of subdivision (d) of Section 11466.22.

SEC. 96. Section 11466.31 of the Welfare and Institutions Code is amended to read:

11466.31. (a) When it has been determined that a provider participating in the AFDC-FC program owes an overpayment that is due and payable, the department may implement involuntary offset collection procedures to collect sustained overpayments from a provider if the provider does not enter into a voluntary repayment agreement with the department or the provider has three outstanding payments on a voluntary repayment agreement before the overpayment is repaid.

(b) The minimum monthly overpayment offset amount from monthly rate reimbursements shall be determined using the involuntary collection

procedures developed pursuant to paragraph (4) of subdivision (d) of Section 11466.2. Overpayments shall be offset against current monthly rate reimbursement payments due and payable to a provider under this chapter.

(c) Failure to repay an overpayment shall be grounds for termination of the provider's rate and shall result in a referral to the department's Community Care Licensing Division for license revocation.

SEC. 97. Section 11466.32 of the Welfare and Institutions Code is amended to read:

11466.32. (a) If a provider that owes a sustained overpayment pursuant to paragraph (2) of subdivision (d) of Section 11466.2 does not enter into a voluntary repayment agreement with the department, or the provider has three outstanding payments on a voluntary repayment agreement before the overpayment is repaid, in addition to the monthly overpayment offset amount, 50 percent of any increases resulting from California Necessities Index (CNI) adjustments and provider's rate adjustments to the standard rate that are due to a provider shall be withheld until the sustained overpayment amount is collected. Once the overpayment amount is collected, the provider shall begin to prospectively receive the full amount of any California Necessities Index and rate adjustment to which it is entitled.

(b) Any provider subject to involuntary repayment of a sustained overpayment pursuant to Section 11466.31 shall be ineligible to receive any rate increase or program change or expansion, until the repayment is completed or until the host county or the primary placement county provide the department with a request for waiver of this paragraph.

The child welfare services provided on behalf of each child represent a continuum of services, including emergency response services, family preservation services, family maintenance services, family reunification services, and permanent placement services, including supportive transition services. The individual child’s case plan is the guiding principle in the provision of these services. The case plan shall be developed within a maximum of 60 days of the initial removal of the child or of the in-person response required under subdivision (f) if the child has not been removed from his or her home, or by the date of the dispositional hearing pursuant to Section 358, whichever comes first.

(3) “Child welfare services” are best provided in a framework that integrates service planning and delivery among multiple service systems, including the mental health system, using a team-based approach, such as a child and family team. A child and family team brings together individuals that engage with the child or youth and family in assessing, planning, and delivering services consistent with paragraph (1) of subdivision (d) of Section 16501.1. Use of a team approach increases efficiency, and thus reduces cost, by increasing coordination of formal services and integrating the natural and informal supports available to the child or youth and family.

(4) “Child and family team” means a group of individuals who are convened by the placing agency and who are engaged through a variety of team-based processes to identify the strengths and needs of the child or youth and his or her family, and to help achieve positive outcomes for safety, permanency, and well-being.

(A) The activities of the team shall include, but not be limited to, both of the following:

(i) Providing input into the development of a child and family plan that is strengths-based, needs-driven, and culturally relevant.

(ii) Providing input into the placement decision made by the placing agency and the services to be provided in order to support the child or youth.

(B) The child and family team process shall engage the child or youth, the child’s family, and other people important to the family or to the child or youth in meeting the objectives set forth in subparagraph (A). The child and family team shall also include representatives who provide formal supports to the child or youth and family when appropriate, including, but not limited to, the caregiver, the placing agency caseworker, a representative from a foster family agency or short-term residential treatment center with which a child or youth is placed, a county mental health representative, a representative from the regional center when the child is eligible for regional center service, and a representative of the child’s or youth’s tribe or Indian custodian, as applicable. As appropriate, the child and family team also may include other formal supports, such as substance use disorder treatment professionals and educational professionals, providing services to the child or youth and family. For purposes of this definition, the child and family team also may include extended family and informal support persons, such

as friends, coaches, faith-based connections, and tribes as identified by the child or youth and family. If placement into a short-term residential treatment center or a foster family agency that provides treatment services has occurred or is being considered, the mental health representative is required to be a licensed mental health professional. Any party to the child's case who is represented by an attorney may consult with his or her attorney regarding this process. The child or youth and his or her family may request specific persons to be included on the child and family team. Nothing shall preclude another agency serving the child or youth from convening a team in collaboration with the placing agency.

(5) Child welfare services may include, but are not limited to, a range of service-funded activities, including case management, counseling, emergency shelter care, emergency in-home caretakers, temporary in-home caretakers, respite care, therapeutic day services, teaching and demonstrating homemakers, parenting training, substance abuse testing, and transportation. These service-funded activities shall be available to children and their families in all phases of the child welfare program in accordance with the child's case plan and departmental regulations. Funding for services is limited to the amount appropriated in the annual Budget Act and other available county funds.

(6) Service-funded activities to be provided may be determined by each county, based upon individual child and family needs as reflected in the service plan.

(7) As used in this chapter, "emergency shelter care" means emergency shelter provided to children who have been removed pursuant to Section 300 from their parent or parents or their guardian or guardians. The department may establish, by regulation, the time periods for which emergency shelter care shall be funded. For the purposes of this paragraph, "emergency shelter care" may include "transitional shelter care facilities" as defined in paragraph (11) of subdivision (a) of Section 1502 of the Health and Safety Code.

(b) As used in this chapter, "respite care" means temporary care for periods not to exceed 72 hours, and, in order to preserve the placement, may be extended up to 14 days in any one month pending the development of policies and regulations in consultation with county placing agencies and stakeholders. This care may be provided to the child's parents or guardians. This care shall not be limited by regulation to care over 24 hours. These services shall not be provided for the purpose of routine, ongoing child care.

(c) The county shall provide child welfare services as needed pursuant to an approved service plan and in accordance with regulations promulgated, in consultation with the counties, by the department. Counties may contract for service-funded activities as defined in paragraph (1) of subdivision (a). Counties shall not contract for needs assessment, client eligibility determination, or any other activity as specified by regulations of the State Department of Social Services, except as specifically authorized in Section 16100.

(d) Nothing in this chapter shall be construed to affect duties which are delegated to probation officers pursuant to Sections 601 and 654.

(e) Any county may utilize volunteer individuals to supplement professional child welfare services by providing ancillary support services in accordance with regulations adopted by the State Department of Social Services.

(f) As used in this chapter, emergency response services consist of a response system providing in-person response, 24 hours a day, seven days a week, to reports of abuse, neglect, or exploitation, as required by Article 2.5 (commencing with Section 11164) of Chapter 2 of Title 1 of Part 4 of the Penal Code for the purpose of investigation pursuant to Section 11166 of the Penal Code and to determine the necessity for providing initial intake services and crisis intervention to maintain the child safely in his or her own home or to protect the safety of the child. County welfare departments shall respond to any report of imminent danger to a child immediately and all other reports within 10 calendar days. An in-person response is not required when the county welfare department, based upon an evaluation of risk, determines that an in-person response is not appropriate. This evaluation includes collateral, contacts, a review of previous referrals, and other relevant information, as indicated.

(g) As used in this chapter, family maintenance services are activities designed to provide in-home protective services to prevent or remedy neglect, abuse, or exploitation, for the purposes of preventing separation of children from their families.

(h) As used in this chapter, family reunification services are activities designed to provide time-limited foster care services to prevent or remedy neglect, abuse, or exploitation, when the child cannot safely remain at home, and needs temporary foster care, while services are provided to reunite the family.

(i) As used in this chapter, permanent placement services are activities designed to provide an alternate permanent family structure for children who because of abuse, neglect, or exploitation cannot safely remain at home and who are unlikely to ever return home. These services shall be provided on behalf of children for whom there has been a judicial determination of a permanent plan for adoption, legal guardianship, or long-term foster care, and, as needed, shall include supportive transition services to nonminor dependents, as described in subdivision (v) of Section 11400.

(j) As used in this chapter, family preservation services include those services specified in Section 16500.5 to avoid or limit out-of-home placement of children, and may include those services specified in that section to place children in the least restrictive environment possible.

(k) (1) (A) In any county electing to implement this subdivision, all county welfare department employees who have frequent and routine contact with children shall, by February 1, 1997, and all welfare department employees who are expected to have frequent and routine contact with children and who are hired on or after January 1, 1996, and all such employees whose duties change after January 1, 1996, to include frequent

and routine contact with children, shall, if the employees provide services to children who are alleged victims of abuse, neglect, or exploitation, sign a declaration under penalty of perjury regarding any prior criminal conviction, and shall provide a set of fingerprints to the county welfare director.

(B) The county welfare director shall secure from the Department of Justice a criminal record to determine whether the employee has ever been convicted of a crime other than a minor traffic violation. The Department of Justice shall deliver the criminal record to the county welfare director.

(C) If it is found that the employee has been convicted of a crime, other than a minor traffic violation, the county welfare director shall determine whether there is substantial and convincing evidence to support a reasonable belief that the employee is of good character so as to justify frequent and routine contact with children.

(D) No exemption shall be granted pursuant to subparagraph (C) if the person has been convicted of a sex offense against a minor, or has been convicted of an offense specified in Section 220, 243.4, 264.1, 273d, 288, or 289 of the Penal Code, or in paragraph (1) of Section 273a of, or subdivision (a) or (b) of Section 368 of, the Penal Code, or has been convicted of an offense specified in subdivision (c) of Section 667.5 of the Penal Code. The county welfare director shall suspend such a person from any duties involving frequent and routine contact with children.

(E) Notwithstanding subparagraph (D), the county welfare director may grant an exemption if the employee or prospective employee, who was convicted of a crime against an individual specified in paragraph (1) or (7) of subdivision (c) of Section 667.5 of the Penal Code, has been rehabilitated as provided in Section 4852.03 of the Penal Code and has maintained the conduct required in Section 4852.05 of the Penal Code for at least 10 years and has the recommendation of the district attorney representing the employee's or prospective employee's county of residence, or if the employee or prospective employee has received a certificate of rehabilitation pursuant to Chapter 3.5 (commencing with Section 4852.01) of Title 6 of Part 3 of the Penal Code. In that case, the county welfare director may give the employee or prospective employee an opportunity to explain the conviction and shall consider that explanation in the evaluation of the criminal conviction record.

(F) If no criminal record information has been recorded, the county welfare director shall cause a statement of that fact to be included in that person's personnel file.

(2) For purposes of this subdivision, a conviction means a plea or verdict of guilty or a conviction following a plea of nolo contendere. Any action that the county welfare director is permitted to take following the establishment of a conviction may be taken when the time for appeal has elapsed, or the judgment of conviction has been affirmed on appeal or when an order granting probation is made suspending the imposition of sentence, notwithstanding a subsequent order pursuant to Sections 1203.4 and 1203.4a of the Penal Code permitting the person to withdraw his or her plea of guilty

and to enter a plea of not guilty, or setting aside the verdict of guilty, or dismissing the accusation, information, or indictment. For purposes of this subdivision, the record of a conviction, or a copy thereof certified by the clerk of the court or by a judge of the court in which the conviction occurred, shall be conclusive evidence of the conviction.

SEC. 108.5. Section 16501 of the Welfare and Institutions Code is amended to read:

16501. (a) (1) As used in this chapter, “child welfare services” means public social services that are directed toward the accomplishment of any or all of the following purposes: protecting and promoting the welfare of all children, including disabled, homeless, dependent, or neglected children; preventing or remedying, or assisting in the solution of problems which may result in, the neglect, abuse, exploitation, or delinquency of children; preventing the unnecessary separation of children from their families by identifying family problems, assisting families in resolving their problems, and preventing breakup of the family where the prevention of child removal is desirable and possible; restoring to their families children who have been removed, by the provision of services to the child and the families; identifying children to be placed in suitable adoptive homes, in cases where restoration to the biological family is not possible or appropriate; and ensuring adequate care of children away from their homes, in cases where the child cannot be returned home or cannot be placed for adoption.

(2) “Child welfare services” also means services provided on behalf of children alleged to be the victims of child abuse, neglect, or exploitation. The child welfare services provided on behalf of each child represent a continuum of services, including emergency response services, family preservation services, family maintenance services, family reunification services, and permanent placement services, including supportive transition services. The individual child’s case plan is the guiding principle in the provision of these services. The case plan shall be developed within a maximum of 60 days of the initial removal of the child or of the in-person response required under subdivision (f) if the child has not been removed from his or her home, or by the date of the dispositional hearing pursuant to Section 358, whichever comes first.

(3) “Child welfare services” are best provided in a framework that integrates service planning and delivery among multiple service systems, including the mental health system, using a team-based approach, such as a child and family team. A child and family team brings together individuals that engage with the child or youth and family in assessing, planning, and delivering services consistent with paragraph (1) of subdivision (d) of Section 16501.1. Use of a team approach increases efficiency, and thus reduces cost, by increasing coordination of formal services and integrating the natural and informal supports available to the child or youth and family.

(4) “Child and family team” means a group of individuals who are convened by the placing agency and who are engaged through a variety of team-based processes to identify the strengths and needs of the child or

youth and his or her family, and to help achieve positive outcomes for safety, permanency, and well-being.

(A) The activities of the team shall include, but not be limited to, both of the following:

(i) Providing input into the development of a child and family plan that is strengths-based, needs-driven, and culturally relevant.

(ii) Providing input into the placement decision made by the placing agency and the services to be provided in order to support the child or youth.

(B) The child and family team process shall engage the child or youth, the child's family, and other people important to the family or to the child or youth in meeting the objectives set forth in subparagraph (A). The child and family team shall also include representatives who provide formal supports to the child or youth and family when appropriate, including, but not limited to, the caregiver, the placing agency caseworker, a representative from a foster family agency or short-term residential treatment center with which a child or youth is placed, a county mental health representative, a representative from the regional center when the child is eligible for regional center service, and a representative of the child's or youth's tribe or Indian custodian, as applicable. As appropriate, the child and family team also may include other formal supports, such as substance use disorder treatment professionals and educational professionals, providing services to the child or youth and family. For purposes of this definition, the child and family team also may include extended family and informal support persons, such as friends, coaches, faith-based connections, and tribes as identified by the child or youth and family. If placement into a short-term residential treatment center or a foster family agency that provides treatment services has occurred or is being considered, the mental health representative is required to be a licensed mental health professional. Any party to the child's case who is represented by an attorney may consult with his or her attorney regarding this process. The child or youth and his or her family may request specific persons to be included on the child and family team. Nothing shall preclude another agency serving the child or youth from convening a team in collaboration with the placing agency.

(5) Child welfare services may include, but are not limited to, a range of service-funded activities, including case management, counseling, emergency shelter care, emergency in-home caretakers, temporary in-home caretakers, respite care, therapeutic day services, teaching and demonstrating homemakers, parenting training, substance abuse testing, and transportation. These service-funded activities shall be available to children and their families in all phases of the child welfare program in accordance with the child's case plan and departmental regulations. Funding for services is limited to the amount appropriated in the annual Budget Act and other available county funds.

(6) Service-funded activities to be provided may be determined by each county, based upon individual child and family needs as reflected in the service plan.

(7) As used in this chapter, “emergency shelter care” means emergency shelter provided to children who have been removed pursuant to Section 300 from their parent or parents or their guardian or guardians. The department may establish, by regulation, the time periods for which emergency shelter care shall be funded. For the purposes of this paragraph, “emergency shelter care” may include “transitional shelter care facilities” as defined in paragraph (11) of subdivision (a) of Section 1502 of the Health and Safety Code.

(b) As used in this chapter, “respite care” means temporary care for periods not to exceed 72 hours, and, in order to preserve the placement, may be extended up to 14 days in any one month pending the development of policies and regulations in consultation with county placing agencies and stakeholders. This care may be provided to the child’s parents or guardians. This care shall not be limited by regulation to care over 24 hours. These services shall not be provided for the purpose of routine, ongoing child care.

(c) The county shall provide child welfare services as needed pursuant to an approved service plan and in accordance with regulations promulgated, in consultation with the counties, by the department. Counties may contract for service-funded activities as defined in paragraph (1) of subdivision (a). Counties shall not contract for needs assessment, client eligibility determination, or any other activity as specified by regulations of the State Department of Social Services, except as specifically authorized in Section 16100.

(d) Nothing in this chapter shall be construed to affect duties which are delegated to probation officers pursuant to Sections 601 and 654.

(e) Any county may utilize volunteer individuals to supplement professional child welfare services by providing ancillary support services in accordance with regulations adopted by the State Department of Social Services.

(f) As used in this chapter, emergency response services consist of a response system providing in-person response, 24 hours a day, seven days a week, to reports of abuse, neglect, or exploitation, as required by Article 2.5 (commencing with Section 11164) of Chapter 2 of Title 1 of Part 4 of the Penal Code for the purpose of investigation pursuant to Section 11166 of the Penal Code and to determine the necessity for providing initial intake services and crisis intervention to maintain the child safely in his or her own home or to protect the safety of the child. County welfare departments shall respond to any report of imminent danger to a child immediately and all other reports within 10 calendar days. An in-person response is not required when the county welfare department, based upon an evaluation of risk, determines that an in-person response is not appropriate. This evaluation includes collateral, contacts, a review of previous referrals, and other relevant information, as indicated.

(g) As used in this chapter, family maintenance services are activities designed to provide in-home protective services to prevent or remedy neglect, abuse, or exploitation, for the purposes of preventing separation of children from their families.

(h) As used in this chapter, family reunification services are activities designed to provide time-limited foster care services to prevent or remedy neglect, abuse, or exploitation, when the child cannot safely remain at home, and needs temporary foster care, while services are provided to reunite the family.

(i) (1) As used in this chapter, permanent placement services are activities designed to provide an alternate permanent family structure for children who because of abuse, neglect, or exploitation cannot safely remain at home and who are unlikely to ever return home. These services shall be provided on behalf of children for whom there has been a judicial determination of a permanent plan for adoption, legal guardianship, placement with a fit and willing relative, or continued foster care placement, and, as needed, shall include supportive transition services to nonminor dependents, as described in subdivision (v) of Section 11400.

(2) For purposes of this section, “another planned permanent living arrangement” means a permanent plan ordered by the court for a child 16 years of age or older or a nonminor dependent, when there is a compelling reason or reasons to determine that it is not in the best interest of the child or nonminor dependent to return home, be placed for adoption, be placed for tribal customary adoption in the case of an Indian child, or be placed with a fit and willing relative. Placement in a group home, or, on and after January 1, 2017, a short-term residential treatment facility, shall not be the identified permanent plan for any child or nonminor dependent.

(j) As used in this chapter, family preservation services include those services specified in Section 16500.5 to avoid or limit out-of-home placement of children, and may include those services specified in that section to place children in the least restrictive environment possible.

(k) (1) (A) In any county electing to implement this subdivision, all county welfare department employees who have frequent and routine contact with children shall, by February 1, 1997, and all welfare department employees who are expected to have frequent and routine contact with children and who are hired on or after January 1, 1996, and all such employees whose duties change after January 1, 1996, to include frequent and routine contact with children, shall, if the employees provide services to children who are alleged victims of abuse, neglect, or exploitation, sign a declaration under penalty of perjury regarding any prior criminal conviction, and shall provide a set of fingerprints to the county welfare director.

(B) The county welfare director shall secure from the Department of Justice a criminal record to determine whether the employee has ever been convicted of a crime other than a minor traffic violation. The Department of Justice shall deliver the criminal record to the county welfare director.

(C) If it is found that the employee has been convicted of a crime, other than a minor traffic violation, the county welfare director shall determine whether there is substantial and convincing evidence to support a reasonable belief that the employee is of good character so as to justify frequent and routine contact with children.

(D) No exemption shall be granted pursuant to subparagraph (C) if the person has been convicted of a sex offense against a minor, or has been convicted of an offense specified in Section 220, 243.4, 264.1, 273d, 288, or 289 of the Penal Code, or in paragraph (1) of Section 273a of, or subdivision (a) or (b) of Section 368 of, the Penal Code, or has been convicted of an offense specified in subdivision (c) of Section 667.5 of the Penal Code. The county welfare director shall suspend such a person from any duties involving frequent and routine contact with children.

(E) Notwithstanding subparagraph (D), the county welfare director may grant an exemption if the employee or prospective employee, who was convicted of a crime against an individual specified in paragraph (1) or (7) of subdivision (c) of Section 667.5 of the Penal Code, has been rehabilitated as provided in Section 4852.03 of the Penal Code and has maintained the conduct required in Section 4852.05 of the Penal Code for at least 10 years and has the recommendation of the district attorney representing the employee's or prospective employee's county of residence, or if the employee or prospective employee has received a certificate of rehabilitation pursuant to Chapter 3.5 (commencing with Section 4852.01) of Title 6 of Part 3 of the Penal Code. In that case, the county welfare director may give the employee or prospective employee an opportunity to explain the conviction and shall consider that explanation in the evaluation of the criminal conviction record.

(F) If no criminal record information has been recorded, the county welfare director shall cause a statement of that fact to be included in that person's personnel file.

(2) For purposes of this subdivision, a conviction means a plea or verdict of guilty or a conviction following a plea of nolo contendere. Any action that the county welfare director is permitted to take following the establishment of a conviction may be taken when the time for appeal has elapsed, or the judgment of conviction has been affirmed on appeal or when an order granting probation is made suspending the imposition of sentence, notwithstanding a subsequent order pursuant to Sections 1203.4 and 1203.4a of the Penal Code permitting the person to withdraw his or her plea of guilty and to enter a plea of not guilty, or setting aside the verdict of guilty, or dismissing the accusation, information, or indictment. For purposes of this subdivision, the record of a conviction, or a copy thereof certified by the clerk of the court or by a judge of the court in which the conviction occurred, shall be conclusive evidence of the conviction.

SEC. 109. Section 16501.1 of the Welfare and Institutions Code is amended to read:

16501.1. (a) (1) The Legislature finds and declares that the foundation and central unifying tool in child welfare services is the case plan.

(2) The Legislature further finds and declares that a case plan ensures that the child receives protection and safe and proper care and case management, and that services are provided to the child and parents or other caretakers, as appropriate, in order to improve conditions in the parent's home, to facilitate the safe return of the child to a safe home or the permanent

placement of the child, and to address the needs of the child while in foster care.

(3) The agency shall consider the recommendations of the child and family team, as defined in paragraph (4) of subdivision (a) of Section 16501, if any are available. The agency shall document the rationale for any inconsistencies between the case plan and the child and family team recommendations.

(b) (1) A case plan shall be based upon the principles of this section and the input from the child and family team.

(2) The case plan shall document that a preplacement assessment of the service needs of the child and family, and preplacement preventive services, have been provided, and that reasonable efforts to prevent out-of-home placement have been made. Preplacement services may include intensive mental health services in the home or a community setting and the reasonable efforts made to prevent out-of-home placement.

(3) In determining the reasonable services to be offered or provided, the child's health and safety shall be the paramount concerns.

(4) Upon a determination pursuant to paragraph (1) of subdivision (e) of Section 361.5 that reasonable services will be offered to a parent who is incarcerated in a county jail or state prison, detained by the United States Department of Homeland Security, or deported to his or her country of origin, the case plan shall include information, to the extent possible, about a parent's incarceration in a county jail or the state prison, detention by the United States Department of Homeland Security, or deportation during the time that a minor child of that parent is involved in dependency care.

(5) Reasonable services shall be offered or provided to make it possible for a child to return to a safe home environment, unless, pursuant to subdivisions (b) and (e) of Section 361.5, the court determines that reunification services shall not be provided.

(6) If reasonable services are not ordered, or are terminated, reasonable efforts shall be made to place the child in a timely manner in accordance with the permanent plan and to complete all steps necessary to finalize the permanent placement of the child.

(c) If out-of-home placement is used to attain case plan goals, the case plan shall consider the recommendations of the child and family team.

(d) (1) The case plan shall include a description of the type of home or institution in which the child is to be placed, and the reasons for that placement decision. The decision regarding choice of placement shall be based upon selection of a safe setting that is the least restrictive family setting that promotes normal childhood experiences and the most appropriate setting that meets the child's individual needs and is available, in proximity to the parent's home, in proximity to the child's school, and consistent with the selection of the environment best suited to meet the child's special needs and best interests. The selection shall consider, in order of priority, placement with relatives, nonrelated extended family members, and tribal members; foster family homes, resource families, and nontreatment certified homes of foster family agencies; followed by treatment and intensive treatment

certified homes of foster family agencies; or multidimensional treatment foster care homes or therapeutic foster care homes; group care placements in the order of short-term residential treatment centers, group homes, community treatment facilities, and out-of-state residential treatment pursuant to Part 5 (commencing with Section 7900) of Division 12 of the Family Code.

(2) If a short-term intensive treatment center placement is selected for a child, the case plan shall indicate the needs of the child that necessitate this placement, the plan for transitioning the child to a less restrictive environment, and the projected timeline by which the child will be transitioned to a less restrictive environment. This section of the case plan shall be reviewed and updated at least semiannually.

(A) The case plan for placements in a group home, or commencing January 1, 2017, in a short-term residential treatment center, shall indicate that the county has taken into consideration Section 16010.8.

(B) After January 1, 2017, a child and family team meeting as defined in Section 16501 shall be convened by the county placing agency for the purpose of identifying the supports and services needed to achieve permanency and enable the child or youth to be placed in the least restrictive family setting that promotes normal childhood experiences.

(3) On or after January 1, 2012, for a nonminor dependent, as defined in subdivision (v) of Section 11400, who is receiving AFDC-FC benefits up to 21 years of age pursuant to Section 11403, in addition to the above requirements, the selection of the placement, including a supervised independent living placement, as described in subdivision (w) of Section 11400, shall also be based upon the developmental needs of young adults by providing opportunities to have incremental responsibilities that prepare a nonminor dependent to transition to independent living. If admission to, or continuation in, a group home or short-term residential treatment center placement is being considered for a nonminor dependent, the group home or short-term residential treatment center placement approval decision shall include a youth-driven, team-based case planning process, as defined by the department, in consultation with stakeholders. The case plan shall consider the full range of placement options, and shall specify why admission to, or continuation in, a group home placement is the best alternative available at the time to meet the special needs or well-being of the nonminor dependent, and how the placement will contribute to the nonminor dependent's transition to independent living. The case plan shall specify the treatment strategies that will be used to prepare the nonminor dependent for discharge to a less restrictive family setting that promotes normal childhood experiences, including a target date for discharge from the group home placement. The placement shall be reviewed and updated on a regular, periodic basis to ensure that continuation in the group home placement remains in the best interests of the nonminor dependent and that progress is being made in achieving case plan goals leading to independent living. The group home placement planning process shall begin as soon as it becomes clear to the county welfare department or probation office that a

foster child in group home placement is likely to remain in group home placement on his or her 18th birthday, in order to expedite the transition to a less restrictive family setting that promotes normal childhood experiences, if he or she becomes a nonminor dependent. The case planning process shall include informing the youth of all of his or her options, including, but not limited to, admission to or continuation in a group home placement. Consideration for continuation of existing group home placement for a nonminor dependent under 19 years of age may include the need to stay in the same placement in order to complete high school. After a nonminor dependent either completes high school or attains his or her 19th birthday, whichever is earlier, continuation in or admission to a group home placement is prohibited unless the nonminor dependent satisfies the conditions of paragraph (5) of subdivision (b) of Section 11403, and group home placement functions as a short-term transition to the appropriate system of care. Treatment services provided by the group home placement to the nonminor dependent to alleviate or ameliorate the medical condition, as described in paragraph (5) of subdivision (b) of Section 11403, shall not constitute the sole basis to disqualify a nonminor dependent from the group home placement.

(4) In addition to the requirements of paragraphs (1) to (3), inclusive, and taking into account other statutory considerations regarding placement, the selection of the most appropriate home that will meet the child's special needs and best interests shall also promote educational stability by taking into consideration proximity to the child's school of origin, and school attendance area, the number of school transfers the child has previously experienced, and the child's school matriculation schedule, in addition to other indicators of educational stability that the Legislature hereby encourages the State Department of Social Services and the State Department of Education to develop.

(e) A written case plan shall be completed within a maximum of 60 days of the initial removal of the child or of the in-person response required under subdivision (f) of Section 16501 if the child has not been removed from his or her home, or by the date of the dispositional hearing pursuant to Section 358, whichever occurs first. The case plan shall be updated, as the service needs of the child and family dictate. At a minimum, the case plan shall be updated in conjunction with each status review hearing conducted pursuant to Sections 364, 366, 366.3, and 366.31, and the hearing conducted pursuant to Section 366.26, but no less frequently than once every six months. Each updated case plan shall include a description of the services that have been provided to the child under the plan and an evaluation of the appropriateness and effectiveness of those services.

(1) It is the intent of the Legislature that extending the maximum time available for preparing a written case plan from 30 to 60 days will afford caseworkers time to actively engage families, and to solicit and integrate into the case plan the input of the child and the child's family, as well as the input of relatives and other interested parties.

(2) The extension of the maximum time available for preparing a written case plan from the 30 to 60 days shall be effective 90 days after the date that the department gives counties written notice that necessary changes have been made to the Child Welfare Services Case Management System to account for the 60-day timeframe for preparing a written case plan.

(f) The child welfare services case plan shall be comprehensive enough to meet the juvenile court dependency proceedings requirements pursuant to Article 6 (commencing with Section 300) of Chapter 2 of Part 1 of Division 2.

(g) The case plan shall be developed considering the recommendations of the child and family team, as follows:

(1) The case plan shall be based upon an assessment of the circumstances that required child welfare services intervention. The child shall be involved in developing the case plan as age and developmentally appropriate.

(2) The case plan shall identify specific goals and the appropriateness of the planned services in meeting those goals.

(3) The case plan shall identify the original allegations of abuse or neglect, as defined in Article 2.5 (commencing with Section 11164) of Chapter 2 of Title 1 of Part 4 of the Penal Code, or the conditions cited as the basis for declaring the child a dependent of the court pursuant to Section 300, or all of these, and the other precipitating incidents that led to child welfare services intervention.

(4) The case plan shall include a description of the schedule of the placement agency contacts with the child and the family or other caretakers. The frequency of these contacts shall be in accordance with regulations adopted by the State Department of Social Services. If the child has been placed in foster care out of state, the county social worker or probation officer, or a social worker or probation officer on the staff of the agency in the state in which the child has been placed, shall visit the child in a foster family home or the home of a relative, consistent with federal law and in accordance with the department's approved state plan. For children in out-of-state group home facilities, visits shall be conducted at least monthly, pursuant to Section 16516.5. At least once every six months, at the time of a regularly scheduled placement agency contact with the foster child, the child's social worker or probation officer shall inform the child of his or her rights as a foster child, as specified in Section 16001.9. The social worker or probation officer shall provide the information to the child in a manner appropriate to the age or developmental level of the child.

(5) (A) When out-of-home services are used, the frequency of contact between the natural parents or legal guardians and the child shall be specified in the case plan. The frequency of those contacts shall reflect overall case goals, and consider other principles outlined in this section.

(B) Information regarding any court-ordered visitation between the child and the natural parents or legal guardians, and the terms and conditions needed to facilitate the visits while protecting the safety of the child, shall be provided to the child's out-of-home caregiver as soon as possible after the court order is made.

(6) When out-of-home placement is made, the case plan shall include provisions for the development and maintenance of sibling relationships as specified in subdivisions (b), (c), and (d) of Section 16002. If appropriate, when siblings who are dependents of the juvenile court are not placed together, the social worker for each child, if different, shall communicate with each of the other social workers and ensure that the child's siblings are informed of significant life events that occur within their extended family. Unless it has been determined that it is inappropriate in a particular case to keep siblings informed of significant life events that occur within the extended family, the social worker shall determine the appropriate means and setting for disclosure of this information to the child commensurate with the child's age and emotional well-being. These significant life events shall include, but shall not be limited to, the following:

(A) The death of an immediate relative.

(B) The birth of a sibling.

(C) Significant changes regarding a dependent child, unless the child objects to the sharing of the information with his or her siblings, including changes in placement, major medical or mental health diagnoses, treatments, or hospitalizations, arrests, and changes in the permanent plan.

(7) If out-of-home placement is made in a foster family home, group home, or other child care institution that is either a substantial distance from the home of the child's parent or out of state, the case plan shall specify the reasons why that placement is in the best interest of the child. When an out-of-state group home placement is recommended or made, the case plan shall, in addition, specify compliance with Section 7911.1 of the Family Code.

(8) A case plan shall ensure the educational stability of the child while in foster care and shall include both of the following:

(A) An assurance that the placement takes into account the appropriateness of the current educational setting and the proximity to the school in which the child is enrolled at the time of placement.

(B) An assurance that the placement agency has coordinated with the person holding the right to make educational decisions for the child and appropriate local educational agencies to ensure that the child remains in the school in which the child is enrolled at the time of placement or, if remaining in that school is not in the best interests of the child, assurances by the placement agency and the local educational agency to provide immediate and appropriate enrollment in a new school and to provide all of the child's educational records to the new school.

(9) (A) If out-of-home services are used, or if parental rights have been terminated and the case plan is placement for adoption, the case plan shall include a recommendation regarding the appropriateness of unsupervised visitation between the child and any of the child's siblings. This recommendation shall include a statement regarding the child's and the siblings' willingness to participate in unsupervised visitation. If the case plan includes a recommendation for unsupervised sibling visitation, the plan

shall also note that information necessary to accomplish this visitation has been provided to the child or to the child's siblings.

(B) Information regarding the schedule and frequency of the visits between the child and siblings, as well as any court-ordered terms and conditions needed to facilitate the visits while protecting the safety of the child, shall be provided to the child's out-of-home caregiver as soon as possible after the court order is made.

(10) If out-of-home services are used and the goal is reunification, the case plan shall describe the services to be provided to assist in reunification and the services to be provided concurrently to achieve legal permanency if efforts to reunify fail. The plan shall also consider in-state and out-of-state placements, the importance of developing and maintaining sibling relationships pursuant to Section 16002, and the desire and willingness of the caregiver to provide legal permanency for the child if reunification is unsuccessful.

(11) If out-of-home services are used, the child has been in care for at least 12 months, and the goal is not adoptive placement, the case plan shall include documentation of the compelling reason or reasons why termination of parental rights is not in the child's best interest. A determination completed or updated within the past 12 months by the department when it is acting as an adoption agency or by a licensed adoption agency that it is unlikely that the child will be adopted, or that one of the conditions described in paragraph (1) of subdivision (c) of Section 366.26 applies, shall be deemed a compelling reason.

(12) (A) Parents and legal guardians shall have an opportunity to review the case plan, and to sign it whenever possible, and then shall receive a copy of the plan. In a voluntary service or placement agreement, the parents or legal guardians shall be required to review and sign the case plan. Whenever possible, parents and legal guardians shall participate in the development of the case plan. Commencing January 1, 2012, for nonminor dependents, as defined in subdivision (v) of Section 11400, who are receiving AFDC-FC or CalWORKs assistance up to 21 years of age pursuant to Section 11403, the transitional independent living case plan, as set forth in subdivision (y) of Section 11400, shall be developed with, and signed by, the nonminor.

(B) Parents and legal guardians shall be advised that, pursuant to Section 1228.1 of the Evidence Code, neither their signature on the child welfare services case plan nor their acceptance of any services prescribed in the child welfare services case plan shall constitute an admission of guilt or be used as evidence against the parent or legal guardian in a court of law. However, they shall also be advised that the parent's or guardian's failure to cooperate, except for good cause, in the provision of services specified in the child welfare services case plan may be used in any hearing held pursuant to Section 366.21, 366.22, or 366.25 as evidence.

(13) A child shall be given a meaningful opportunity to participate in the development of the case plan and state his or her preference for foster care placement. A child who is 12 years of age or older and in a permanent

placement shall also be given the opportunity to review the case plan, sign the case plan, and receive a copy of the case plan.

(14) The case plan shall be included in the court report and shall be considered by the court at the initial hearing and each review hearing. Modifications to the case plan made during the period between review hearings need not be approved by the court if the casework supervisor for that case determines that the modifications further the goals of the plan. If out-of-home services are used with the goal of family reunification, the case plan shall consider and describe the application of subdivision (b) of Section 11203.

(15) If the case plan has as its goal for the child a permanent plan of adoption or placement in another permanent home, it shall include a statement of the child's wishes regarding their permanent placement plan and an assessment of those stated wishes. The agency shall also include documentation of the steps the agency is taking to find an adoptive family or other permanent living arrangements for the child; to place the child with an adoptive family, an appropriate and willing relative, a legal guardian, or in another planned permanent living arrangement; and to finalize the adoption or legal guardianship. At a minimum, the documentation shall include child-specific recruitment efforts, such as the use of state, regional, and national adoption exchanges, including electronic exchange systems, when the child has been freed for adoption. If the plan is for kinship guardianship, the case plan shall document how the child meets the kinship guardianship eligibility requirements.

(16) (A) When appropriate, for a child who is 16 years of age or older and, commencing January 1, 2012, for a nonminor dependent, the case plan shall include the transitional independent living plan (TILP), a written description of the programs and services that will help the child, consistent with the child's best interests, to prepare for the transition from foster care to independent living, and, in addition, whether the youth has an in-progress application pending for Title XVI Supplemental Security Income benefits or for Special Immigrant Juvenile Status or other applicable application for legal residency and an active dependency case is required for that application. When appropriate, for a nonminor dependent, the transitional independent living case plan, as described in subdivision (v) of Section 11400, shall include the TILP, a written description of the programs and services that will help the nonminor dependent, consistent with his or her best interests, to prepare for transition from foster care and assist the youth in meeting the eligibility criteria set forth in paragraphs (1) to (5), inclusive, of subdivision (b) Section 11403. If applicable, the case plan shall describe the individualized supervision provided in the supervised independent living placement as defined in subdivision (w) of Section 11400. The case plan shall be developed with the child or nonminor dependent and individuals identified as important to the child or nonminor dependent, and shall include steps the agency is taking to ensure that the child or nonminor dependent achieves permanence, including maintaining or obtaining permanent connections to caring and committed adults.

(B) During the 90-day period prior to the participant attaining 18 years of age or older as the state may elect under Section 475(8)(B)(iii) of the federal Social Security Act (42 U.S.C. Sec. 675(8)(B)(iii)), whether during that period foster care maintenance payments are being made on the child's behalf or the child is receiving benefits or services under Section 477 of the federal Social Security Act (42 U.S.C. Sec. 677), a caseworker or other appropriate agency staff or probation officer and other representatives of the participant, as appropriate, shall provide the youth or nonminor dependent with assistance and support in developing the written 90-day transition plan, that is personalized at the direction of the child, information as detailed as the participant elects that shall include, but not be limited to, options regarding housing, health insurance, education, local opportunities for mentors and continuing support services, and workforce supports and employment services, a power of attorney for health care, and information regarding the advance health care directive form.

(C) For youth 16 years of age or older, the case plan shall include documentation that a consumer credit report was requested annually from each of the three major credit reporting agencies at no charge to the youth and that any results were provided to the youth. For nonminor dependents, the case plan shall include documentation that the county assisted the nonminor dependent in obtaining his or her reports. The case plan shall include documentation of barriers, if any, to obtaining the credit reports. If the consumer credit report reveals any accounts, the case plan shall detail how the county ensured the youth received assistance with interpreting the credit report and resolving any inaccuracies, including any referrals made for the assistance.

(h) If the court finds, after considering the case plan, that unsupervised sibling visitation is appropriate and has been consented to, the court shall order that the child or the child's siblings, the child's current caregiver, and the child's prospective adoptive parents, if applicable, be provided with information necessary to accomplish this visitation. This section does not require or prohibit the social worker's facilitation, transportation, or supervision of visits between the child and his or her siblings.

(i) The case plan documentation on sibling placements required under this section shall not require modification of existing case plan forms until the Child Welfare Services Case Management System is implemented on a statewide basis.

(j) When a child is 10 years of age or older and has been in out-of-home placement for six months or longer, the case plan shall include an identification of individuals, other than the child's siblings, who are important to the child and actions necessary to maintain the child's relationship with those individuals, provided that those relationships are in the best interest of the child. The social worker or probation officer shall ask every child who is 10 years of age or older and who has been in out-of-home placement for six months or longer to identify individuals other than the child's siblings who are important to the child, and may ask any other child to provide that information, or may seek that information from

the child and family team, as appropriate. The social worker or probation officer shall make efforts to identify other individuals who are important to the child, consistent with the child's best interests.

(k) The child's caregiver shall be provided a copy of a plan outlining the child's needs and services. The nonminor dependent's caregiver shall be provided with a copy of the nonminor's TILP.

(l) On or before June 30, 2008, the department, in consultation with the County Welfare Directors Association of California and other advocates, shall develop a comprehensive plan to ensure that 90 percent of foster children are visited by their caseworkers on a monthly basis by October 1, 2011, and that the majority of the visits occur in the residence of the child. The plan shall include any data reporting requirements necessary to comply with the provisions of the federal Child and Family Services Improvement Act of 2006 (Public Law 109-288).

(m) The implementation and operation of the amendments to subdivision (i) enacted at the 2005–06 Regular Session shall be subject to appropriation through the budget process and by phase, as provided in Section 366.35.

SEC. 109.5. Section 16501.1 of the Welfare and Institutions Code is amended to read:

16501.1. (a) (1) The Legislature finds and declares that the foundation and central unifying tool in child welfare services is the case plan.

(2) The Legislature further finds and declares that a case plan ensures that the child receives protection and safe and proper care and case management, and that services are provided to the child and parents or other caretakers, as appropriate, in order to improve conditions in the parent's home, to facilitate the safe return of the child to a safe home or the permanent placement of the child, and to address the needs of the child while in foster care.

(3) The agency shall consider the recommendations of the child and family team, as defined in paragraph (4) of subdivision (a) of Section 16501, if any are available. The agency shall document the rationale for any inconsistencies between the case plan and the child and family team recommendations.

(b) (1) A case plan shall be based upon the principles of this section and the input from the child and family team.

(2) The case plan shall document that a preplacement assessment of the service needs of the child and family, and preplacement preventive services, have been provided, and that reasonable efforts to prevent out-of-home placement have been made. Preplacement services may include intensive mental health services in the home or a community setting and the reasonable efforts made to prevent out-of-home placement.

(3) In determining the reasonable services to be offered or provided, the child's health and safety shall be the paramount concerns.

(4) Upon a determination pursuant to paragraph (1) of subdivision (e) of Section 361.5 that reasonable services will be offered to a parent who is incarcerated in a county jail or state prison, detained by the United States Department of Homeland Security, or deported to his or her country of

origin, the case plan shall include information, to the extent possible, about a parent's incarceration in a county jail or the state prison, detention by the United States Department of Homeland Security, or deportation during the time that a minor child of that parent is involved in dependency care.

(5) Reasonable services shall be offered or provided to make it possible for a child to return to a safe home environment, unless, pursuant to subdivisions (b) and (e) of Section 361.5, the court determines that reunification services shall not be provided.

(6) If reasonable services are not ordered, or are terminated, reasonable efforts shall be made to place the child in a timely manner in accordance with the permanent plan and to complete all steps necessary to finalize the permanent placement of the child.

(c) If out-of-home placement is used to attain case plan goals, the case plan shall consider the recommendations of the child and family team.

(d) (1) The case plan shall include a description of the type of home or institution in which the child is to be placed, and the reasons for that placement decision. The decision regarding choice of placement shall be based upon selection of a safe setting that is the least restrictive family setting that promotes normal childhood experiences and the most appropriate setting that meets the child's individual needs and is available, in proximity to the parent's home, in proximity to the child's school, and consistent with the selection of the environment best suited to meet the child's special needs and best interests. The selection shall consider, in order of priority, placement with relatives, nonrelated extended family members, and tribal members; foster family homes, resource families, and nontreatment certified homes of foster family agencies; followed by treatment and intensive treatment certified homes of foster family agencies; or multidimensional treatment foster care homes or therapeutic foster care homes; group care placements in the order of short-term residential treatment centers, group homes, community treatment facilities, and out-of-state residential treatment pursuant to Part 5 (commencing with Section 7900) of Division 12 of the Family Code.

(2) If a short-term intensive treatment center placement is selected for a child, the case plan shall indicate the needs of the child that necessitate this placement, the plan for transitioning the child to a less restrictive environment, and the projected timeline by which the child will be transitioned to a less restrictive environment. This section of the case plan shall be reviewed and updated at least semiannually.

(A) The case plan for placements in a group home, or commencing January 1, 2017, in a short-term residential treatment center, shall indicate that the county has taken into consideration Section 16010.8.

(B) After January 1, 2017, a child and family team meeting as defined in Section 16501 shall be convened by the county placing agency for the purpose of identifying the supports and services needed to achieve permanency and enable the child or youth to be placed in the least restrictive family setting that promotes normal childhood experiences.

(3) On or after January 1, 2012, for a nonminor dependent, as defined in subdivision (v) of Section 11400, who is receiving AFDC-FC benefits up to 21 years of age pursuant to Section 11403, in addition to the above requirements, the selection of the placement, including a supervised independent living placement, as described in subdivision (w) of Section 11400, shall also be based upon the developmental needs of young adults by providing opportunities to have incremental responsibilities that prepare a nonminor dependent to transition to successful adulthood. If admission to, or continuation in, a group home or short-term residential treatment center placement is being considered for a nonminor dependent, the group home or short-term residential treatment center placement approval decision shall include a youth-driven, team-based case planning process, as defined by the department, in consultation with stakeholders. The case plan shall consider the full range of placement options, and shall specify why admission to, or continuation in, a group home placement is the best alternative available at the time to meet the special needs or well-being of the nonminor dependent, and how the placement will contribute to the nonminor dependent's transition to successful adulthood. The case plan shall specify the treatment strategies that will be used to prepare the nonminor dependent for discharge to a less restrictive family setting that promotes normal childhood experiences, including a target date for discharge from the group home placement. The placement shall be reviewed and updated on a regular, periodic basis to ensure that continuation in the group home placement remains in the best interests of the nonminor dependent and that progress is being made in achieving case plan goals leading to successful adulthood. The group home placement planning process shall begin as soon as it becomes clear to the county welfare department or probation office that a foster child in group home placement is likely to remain in group home placement on his or her 18th birthday, in order to expedite the transition to a less restrictive family setting that promotes normal childhood experiences, if he or she becomes a nonminor dependent. The case planning process shall include informing the youth of all of his or her options, including, but not limited to, admission to or continuation in a group home placement. Consideration for continuation of existing group home placement for a nonminor dependent under 19 years of age may include the need to stay in the same placement in order to complete high school. After a nonminor dependent either completes high school or attains his or her 19th birthday, whichever is earlier, continuation in or admission to a group home placement is prohibited unless the nonminor dependent satisfies the conditions of paragraph (5) of subdivision (b) of Section 11403, and group home placement functions as a short-term transition to the appropriate system of care. Treatment services provided by the group home placement to the nonminor dependent to alleviate or ameliorate the medical condition, as described in paragraph (5) of subdivision (b) of Section 11403, shall not constitute the sole basis to disqualify a nonminor dependent from the group home placement.

(4) In addition to the requirements of paragraphs (1) to (3), inclusive, and taking into account other statutory considerations regarding placement, the selection of the most appropriate home that will meet the child's special needs and best interests shall also promote educational stability by taking into consideration proximity to the child's school of origin, and school attendance area, the number of school transfers the child has previously experienced, and the child's school matriculation schedule, in addition to other indicators of educational stability that the Legislature hereby encourages the State Department of Social Services and the State Department of Education to develop.

(e) A written case plan shall be completed within a maximum of 60 days of the initial removal of the child or of the in-person response required under subdivision (f) of Section 16501 if the child has not been removed from his or her home, or by the date of the dispositional hearing pursuant to Section 358, whichever occurs first. The case plan shall be updated, as the service needs of the child and family dictate. At a minimum, the case plan shall be updated in conjunction with each status review hearing conducted pursuant to Sections 364, 366, 366.3, and 366.31, and the hearing conducted pursuant to Section 366.26, but no less frequently than once every six months. Each updated case plan shall include a description of the services that have been provided to the child under the plan and an evaluation of the appropriateness and effectiveness of those services.

(1) It is the intent of the Legislature that extending the maximum time available for preparing a written case plan from 30 to 60 days will afford caseworkers time to actively engage families, and to solicit and integrate into the case plan the input of the child and the child's family, as well as the input of relatives and other interested parties.

(2) The extension of the maximum time available for preparing a written case plan from the 30 to 60 days shall be effective 90 days after the date that the department gives counties written notice that necessary changes have been made to the Child Welfare Services/Case Management System (CWS/CMS) to account for the 60-day timeframe for preparing a written case plan.

(f) The child welfare services case plan shall be comprehensive enough to meet the juvenile court dependency proceedings requirements pursuant to Article 6 (commencing with Section 300) of Chapter 2 of Part 1 of Division 2.

(g) The case plan shall be developed considering the recommendations of the child and family team, as follows:

(1) The case plan shall be based upon an assessment of the circumstances that required child welfare services intervention. The child shall be involved in developing the case plan as age and developmentally appropriate.

(2) The case plan shall identify specific goals and the appropriateness of the planned services in meeting those goals.

(3) The case plan shall identify the original allegations of abuse or neglect, as defined in Article 2.5 (commencing with Section 11164) of Chapter 2 of Title 1 of Part 4 of the Penal Code, or the conditions cited as the basis for

declaring the child a dependent of the court pursuant to Section 300, or all of these, and the other precipitating incidents that led to child welfare services intervention.

(4) The case plan shall include a description of the schedule of the placement agency contacts with the child and the family or other caretakers. The frequency of these contacts shall be in accordance with regulations adopted by the State Department of Social Services. If the child has been placed in foster care out of state, the county social worker or probation officer, or a social worker or probation officer on the staff of the agency in the state in which the child has been placed, shall visit the child in a foster family home or the home of a relative, consistent with federal law and in accordance with the department's approved state plan. For children in out-of-state group home facilities, visits shall be conducted at least monthly, pursuant to Section 16516.5. At least once every six months, at the time of a regularly scheduled placement agency contact with the foster child, the child's social worker or probation officer shall inform the child of his or her rights as a foster child, as specified in Section 16001.9. The social worker or probation officer shall provide the information to the child in a manner appropriate to the age or developmental level of the child.

(5) (A) When out-of-home services are used, the frequency of contact between the natural parents or legal guardians and the child shall be specified in the case plan. The frequency of those contacts shall reflect overall case goals, and consider other principles outlined in this section.

(B) Information regarding any court-ordered visitation between the child and the natural parents or legal guardians, and the terms and conditions needed to facilitate the visits while protecting the safety of the child, shall be provided to the child's out-of-home caregiver as soon as possible after the court order is made.

(6) When out-of-home placement is made, the case plan shall include provisions for the development and maintenance of sibling relationships as specified in subdivisions (b), (c), and (d) of Section 16002. If appropriate, when siblings who are dependents of the juvenile court are not placed together, the social worker for each child, if different, shall communicate with each of the other social workers and ensure that the child's siblings are informed of significant life events that occur within their extended family. Unless it has been determined that it is inappropriate in a particular case to keep siblings informed of significant life events that occur within the extended family, the social worker shall determine the appropriate means and setting for disclosure of this information to the child commensurate with the child's age and emotional well-being. These significant life events shall include, but shall not be limited to, the following:

(A) The death of an immediate relative.

(B) The birth of a sibling.

(C) Significant changes regarding a dependent child, unless the child objects to the sharing of the information with his or her siblings, including changes in placement, major medical or mental health diagnoses, treatments, or hospitalizations, arrests, and changes in the permanent plan.

(7) If out-of-home placement is made in a foster family home, group home, or other child care institution that is either a substantial distance from the home of the child's parent or out of state, the case plan shall specify the reasons why that placement is in the best interest of the child. When an out-of-state group home placement is recommended or made, the case plan shall, in addition, specify compliance with Section 7911.1 of the Family Code.

(8) A case plan shall ensure the educational stability of the child while in foster care and shall include both of the following:

(A) An assurance that the placement takes into account the appropriateness of the current educational setting and the proximity to the school in which the child is enrolled at the time of placement.

(B) An assurance that the placement agency has coordinated with the person holding the right to make educational decisions for the child and appropriate local educational agencies to ensure that the child remains in the school in which the child is enrolled at the time of placement or, if remaining in that school is not in the best interests of the child, assurances by the placement agency and the local educational agency to provide immediate and appropriate enrollment in a new school and to provide all of the child's educational records to the new school.

(9) (A) If out-of-home services are used, or if parental rights have been terminated and the case plan is placement for adoption, the case plan shall include a recommendation regarding the appropriateness of unsupervised visitation between the child and any of the child's siblings. This recommendation shall include a statement regarding the child's and the siblings' willingness to participate in unsupervised visitation. If the case plan includes a recommendation for unsupervised sibling visitation, the plan shall also note that information necessary to accomplish this visitation has been provided to the child or to the child's siblings.

(B) Information regarding the schedule and frequency of the visits between the child and siblings, as well as any court-ordered terms and conditions needed to facilitate the visits while protecting the safety of the child, shall be provided to the child's out-of-home caregiver as soon as possible after the court order is made.

(10) If out-of-home services are used and the goal is reunification, the case plan shall describe the services to be provided to assist in reunification and the services to be provided concurrently to achieve legal permanency if efforts to reunify fail. The plan shall also consider in-state and out-of-state placements, the importance of developing and maintaining sibling relationships pursuant to Section 16002, and the desire and willingness of the caregiver to provide legal permanency for the child if reunification is unsuccessful.

(11) If out-of-home services are used, the child has been in care for at least 12 months, and the goal is not adoptive placement, the case plan shall include documentation of the compelling reason or reasons why termination of parental rights is not in the child's best interest. A determination completed or updated within the past 12 months by the department when it

is acting as an adoption agency or by a licensed adoption agency that it is unlikely that the child will be adopted, or that one of the conditions described in paragraph (1) of subdivision (c) of Section 366.26 applies, shall be deemed a compelling reason.

(12) (A) Parents and legal guardians shall have an opportunity to review the case plan, and to sign it whenever possible, and then shall receive a copy of the plan. In a voluntary service or placement agreement, the parents or legal guardians shall be required to review and sign the case plan. Whenever possible, parents and legal guardians shall participate in the development of the case plan. Commencing January 1, 2012, for nonminor dependents, as defined in subdivision (v) of Section 11400, who are receiving AFDC-FC or CalWORKs assistance up to 21 years of age pursuant to Section 11403, the transitional independent living case plan, as set forth in subdivision (y) of Section 11400, shall be developed with, and signed by, the nonminor.

(B) Parents and legal guardians shall be advised that, pursuant to Section 1228.1 of the Evidence Code, neither their signature on the child welfare services case plan nor their acceptance of any services prescribed in the child welfare services case plan shall constitute an admission of guilt or be used as evidence against the parent or legal guardian in a court of law. However, they shall also be advised that the parent's or guardian's failure to cooperate, except for good cause, in the provision of services specified in the child welfare services case plan may be used in any hearing held pursuant to Section 366.21, 366.22, or 366.25 of this code as evidence.

(13) A child shall be given a meaningful opportunity to participate in the development of the case plan and state his or her preference for foster care placement. A child who is 12 years of age or older and in a permanent placement shall also be given the opportunity to review the case plan, sign the case plan, and receive a copy of the case plan.

(14) The case plan shall be included in the court report and shall be considered by the court at the initial hearing and each review hearing. Modifications to the case plan made during the period between review hearings need not be approved by the court if the casework supervisor for that case determines that the modifications further the goals of the plan. If out-of-home services are used with the goal of family reunification, the case plan shall consider and describe the application of subdivision (b) of Section 11203.

(15) (A) If the case plan has as its goal for the child a permanent plan of adoption or legal guardianship, it shall include a statement of the child's wishes regarding their permanent placement plan and an assessment of those stated wishes. The agency shall also include documentation of the steps the agency is taking to find an adoptive family or other permanent living arrangements for the child; to place the child with an adoptive family, an appropriate and willing relative, or a legal guardian, and to finalize the adoption or legal guardianship. At a minimum, the documentation shall include child-specific recruitment efforts, such as the use of state, regional, and national adoption exchanges, including electronic exchange systems, when the child has been freed for adoption. Regardless of whether the child

has been freed for adoption, documentation shall include a description of any barriers to achieving legal permanence and the steps the agency will take to address those barriers. If the plan is for kinship guardianship, the case plan shall document how the child meets the kinship guardianship eligibility requirements.

(B) When the child is 16 years of age or older and is in another planned permanent living arrangement, the case plan shall identify the intensive and ongoing efforts to return the child to the home of the parent, place the child for adoption, place the child for tribal customary adoption in the case of an Indian child, establish a legal guardianship, or place the child nonminor dependent with a fit and willing relative, as appropriate. Efforts shall include the use of technology, including social media, to find biological family members of the child.

(16) (A) (i) For a child who is 14 or 15 years of age, the case plan shall include a written description of the programs and services that will help the child, consistent with the child's best interests, to prepare for the transition from foster care to successful adulthood. The description may be included in the document described in subparagraph (A) of paragraph (18).

(ii) When appropriate, for a child who is 16 years of age or older and, commencing January 1, 2012, for a nonminor dependent, the case plan shall include the transitional independent living plan (TILP), a written description of the programs and services that will help the child, consistent with the child's best interests, to prepare for the transition from foster care to successful adulthood, and, in addition, whether the youth has an in-progress application pending for Title XVI Supplemental Security Income benefits or for Special Immigrant Juvenile Status or other applicable application for legal residency and an active dependency case is required for that application. When appropriate, for a nonminor dependent, the transitional independent living case plan, as described in subdivision (v) of Section 11400, shall include the TILP, a written description of the programs and services that will help the nonminor dependent, consistent with his or her best interests, to prepare for transition from foster care and assist the youth in meeting the eligibility criteria set forth in paragraphs (1) to (5), inclusive, of subdivision (b) of Section 11403. If applicable, the case plan shall describe the individualized supervision provided in the supervised independent living placement as defined in subdivision (w) of Section 11400. The case plan shall be developed with the child or nonminor dependent and individuals identified as important to the child or nonminor dependent, and shall include steps the agency is taking to ensure that the child or nonminor dependent achieves permanence, including maintaining or obtaining permanent connections to caring and committed adults.

(B) During the 90-day period prior to the participant attaining 18 years of age or older as the state may elect under Section 475(8)(B)(iii) of the federal Social Security Act (42 U.S.C. Sec. 675(8)(B)(iii)), whether during that period foster care maintenance payments are being made on the child's behalf or the child is receiving benefits or services under Section 477 of the federal Social Security Act (42 U.S.C. Sec. 677), a caseworker or other

appropriate agency staff or probation officer and other representatives of the participant, as appropriate, shall provide the youth or nonminor dependent with assistance and support in developing the written 90-day transition plan, that is personalized at the direction of the child, information as detailed as the participant elects that shall include, but not be limited to, options regarding housing, health insurance, education, local opportunities for mentors and continuing support services, and workforce supports and employment services, a power of attorney for health care, and information regarding the advance health care directive form.

(C) For youth 14 years of age or older, the case plan shall include documentation that a consumer credit report was requested annually from each of the three major credit reporting agencies at no charge to the youth and that any results were provided to the youth. For nonminor dependents, the case plan shall include documentation that the county assisted the nonminor dependent in obtaining his or her reports. The case plan shall include documentation of barriers, if any, to obtaining the credit reports. If the consumer credit report reveals any accounts, the case plan shall detail how the county ensured the youth received assistance with interpreting the credit report and resolving any inaccuracies, including any referrals made for the assistance.

(17) For youth 14 years of age or older and nonminor dependents, the case plan shall be developed in consultation with the youth. At the youth's option, the consultation may include up to two members of the case planning team who are chosen by the youth and who are not foster parents of, or caseworkers for, the youth. The agency, at any time, may reject an individual selected by the youth to be a member of the case planning team if the agency has good cause to believe that the individual would not act in the youth's best interest. One individual selected by the youth to be a member of the case planning team may be designated to be the youth's adviser and advocate with respect to the application of the reasonable and prudent parent standard to the youth, as necessary.

(18) For youth in foster care 14 years of age and older and nonminor dependents, the case plan shall include both of the following:

(A) A document that describes the youth's rights with respect to education, health, visitation, and court participation, the right to be annually provided with copies of his or her credit reports at no cost while in foster care pursuant to Section 10618.6, and the right to stay safe and avoid exploitation.

(B) A signed acknowledgment by the youth that he or she has been provided a copy of the document and that the rights described in the document have been explained to the youth in an age-appropriate manner.

(19) The case plan for a child or nonminor dependent who is, or who is at risk of becoming, the victim of commercial sexual exploitation, shall document the services provided to address that issue.

(h) If the court finds, after considering the case plan, that unsupervised sibling visitation is appropriate and has been consented to, the court shall order that the child or the child's siblings, the child's current caregiver, and

the child's prospective adoptive parents, if applicable, be provided with information necessary to accomplish this visitation. This section does not require or prohibit the social worker's facilitation, transportation, or supervision of visits between the child and his or her siblings.

(i) The case plan documentation on sibling placements required under this section shall not require modification of existing case plan forms until the Child Welfare Service/Case Management System (CWS/CMS) is implemented on a statewide basis.

(j) When a child is 10 years of age or older and has been in out-of-home placement for six months or longer, the case plan shall include an identification of individuals, other than the child's siblings, who are important to the child and actions necessary to maintain the child's relationship with those individuals, provided that those relationships are in the best interest of the child. The social worker or probation officer shall ask every child who is 10 years of age or older and who has been in out-of-home placement for six months or longer to identify individuals other than the child's siblings who are important to the child, and may ask any other child to provide that information, or may seek that information from the child and family team, as appropriate. The social worker or probation officer shall make efforts to identify other individuals who are important to the child, consistent with the child's best interests.

(k) The child's caregiver shall be provided a copy of a plan outlining the child's needs and services. The nonminor dependent's caregiver shall be provided with a copy of the nonminor's TILP.

(l) Each county shall ensure that the total number of visits made by caseworkers on a monthly basis to children in foster care during a federal fiscal year is not less than 95 percent of the total number of those visits that would occur if each child were visited once every month while in care and that the majority of the visits occur in the residence of the child. The county child welfare and probation departments shall comply with data reporting requirements that the department deems necessary to comply with the federal Child and Family Services Improvement Act of 2006 (Public Law 109-288) and the federal Child and Family Services Improvement and Innovation Act of 2011 (Public Law 112-34).

(l) The implementation and operation of the amendments to subdivision (i) enacted at the 2005–06 Regular Session shall be subject to appropriation through the budget process and by phase, as provided in Section 366.35.

SEC. 110. Section 16514 of the Welfare and Institutions Code is amended to read:

16514. (a) A minor or nonminor who has been voluntarily placed, adjudged a dependent child of the juvenile court pursuant to Section 300, or as to whom a petition has been filed under Section 325, may be housed in an emergency shelter or, pursuant to the procedures for placement set forth in this code, placed in a foster family home, a resource family home, or with a foster family agency for subsequent placement in a suitable licensed foster family home or certified family home, with minors adjudged wards of the juvenile court pursuant to Section 601.

(b) A minor who has been voluntarily placed, adjudged a dependent child of the juvenile court pursuant to Section 300, or adjudged a ward of the juvenile court pursuant to Section 601, shall not be housed in an emergency shelter with any minor adjudged a ward of the juvenile court pursuant to Section 602.

(c) A minor or nonminor who has been voluntarily placed, adjudged a dependent child of the juvenile court pursuant to Section 300, or as to whom a petition has been filed under Section 325, or a nonminor dependent, as described in subdivision (v) of Section 11400, shall not be placed or detained in a short-term residential treatment center, group home or licensed foster family home, a resource family home, a certified family home, or an approved resource family or foster family agency, or, beginning January 1, 2017, a short-term residential treatment center, with any minor adjudged a ward of the juvenile court pursuant to Section 601 or 602, unless the social worker or probation officer with placement authority has determined that the placement setting has a program that meets the specific needs of the minor or nonminor dependent being placed or detained, and there is a commonality of needs with the other minors and nonminor dependents in the placement setting.

(d) Nothing in this section shall transfer or eliminate the responsibility of the placing agency for the care, custody, or control of the child. Nothing in this section shall relieve a foster family agency of its responsibilities for or on behalf of a child placed with it.

For purposes of this section, the placing of children or nonminor dependents by foster family agencies shall be referred to as “subsequent placement” to distinguish the activity from the placing by public agencies.

SEC. 111. Section 16519.5 of the Welfare and Institutions Code is amended to read:

16519.5. (a) The State Department of Social Services, in consultation with county child welfare agencies, foster parent associations, and other interested community parties, shall implement a unified, family friendly, and child-centered resource family approval process to replace the existing multiple processes for licensing foster family homes, approving relatives and nonrelative extended family members as foster care providers, and approving adoptive families.

(b) (1) Counties shall be selected to participate on a voluntary basis as early implementation counties for the purpose of participating in the initial development of the approval process. Early implementation counties shall be selected according to criteria developed by the department in consultation with the County Welfare Directors Association. In selecting the five early implementation counties, the department shall promote diversity among the participating counties in terms of size and geographic location.

(2) Additional counties may participate in the early implementation of the program upon authorization by the department.

(c) (1) For the purposes of this chapter, “resource family” means an individual or couple that a participating county or foster family agency, as defined in subdivision (g) of Section 11400 of this code, and paragraph (4)

of subdivision (a) of Section 1502 of the Health and Safety Code, determines to have successfully met both the home environment assessment standards and the permanency assessment criteria adopted pursuant to subdivision (d) necessary for providing care for a related or unrelated child who is under the jurisdiction of the juvenile court, or otherwise in the care of a county child welfare agency or probation department. A resource family shall demonstrate all of the following:

(A) An understanding of the safety, permanence, and well-being needs of children who have been victims of child abuse and neglect, and the capacity and willingness to meet those needs, including the need for protection, and the willingness to make use of support resources offered by the agency, or a support structure in place, or both.

(B) An understanding of children's needs and development, effective parenting skills or knowledge about parenting, and the capacity to act as a reasonable, prudent parent in day-to-day decisionmaking.

(C) An understanding of his or her role as a resource family and the capacity to work cooperatively with the agency and other service providers in implementing the child's case plan.

(D) The financial ability within the household to ensure the stability and financial security of the family.

(E) An ability and willingness to provide a family setting that promotes normal childhood experiences that serves the needs of the child.

(2) Subsequent to meeting the criteria set forth in this subdivision and designation as a resource family, a resource family shall be considered eligible to provide foster care for related and unrelated children in out-of-home placement, shall be considered approved for adoption or guardianship, and shall not have to undergo any additional approval or licensure as long as the family lives in a county participating in the program.

(3) Resource family approval means that the applicant successfully meets the home environment assessment and permanency assessment standards. This approval is in lieu of the existing foster care license, relative or nonrelative extended family member approval, and the adoption home study approval.

(4) Approval of a resource family does not guarantee an initial or continued placement of a child with a resource family.

(5) Notwithstanding paragraphs (1) to (4), inclusive, the department or county may cease any further review of an application if the applicant has had a previous application denial within the preceding year, or if the applicant has had a previous rescission, revocation, or exemption denial or rescission by the department or county within the preceding two years. However, the department or county may continue to review an application if it has determined that the reasons for the previous denial, rescission, or revocation were due to circumstances and conditions that either have been corrected or are no longer in existence. If an individual was excluded from a resource family home or facility licensed by the department, the department or county shall cease review of the individual's application unless the excluded individual has been reinstated pursuant to Section 11522 of the

Government Code. The cessation of review shall not constitute a denial of the application for purposes of this section or any other law.

(d) Prior to implementation of this program, the department shall adopt standards pertaining to the home environment and permanency assessments of a resource family.

(1) Resource family home environment assessment standards shall include, but not be limited to, all of the following:

(A) (i) Criminal records clearance of all adults residing in, or regularly present in, the home, and not exempted from fingerprinting, as set forth in subdivision (b) of Section 1522 of the Health and Safety Code, pursuant to Section 8712 of the Family Code, utilizing a check of the Child Abuse Central Index (CACI), and receipt of a fingerprint-based state and federal criminal offender record information search response. The criminal history information shall include subsequent notifications pursuant to Section 11105.2 of the Penal Code.

(ii) Consideration of any substantiated allegations of child abuse or neglect against either the applicant or any other adult residing in the home. An approval may not be granted to applicants whose criminal record indicates a conviction for any of the offenses specified in subdivision (g) of Section 1522 of the Health and Safety Code.

(iii) If the resource family parent, applicant, or any other person specified in subdivision (b) of Section 1522 of the Health and Safety Code has been convicted of a crime other than a minor traffic violation, except for the civil penalty language, the criminal background check provisions specified in subdivisions (d) through (f) of Section 1522 of the Health and Safety Code shall apply. Exemptions from the criminal records clearance requirements set forth in this section may be granted by the director or the early implementation county, if that county has been granted permission by the director to issue criminal records exemptions pursuant to Section 361.4, using the exemption criteria currently used for foster care licensing as specified in subdivision (g) of Section 1522 of the Health and Safety Code.

(iv) For public foster family agencies approving resource families, the criminal records clearance process set forth in clause (i) shall be utilized.

(v) For private foster family agencies approving resource families, the criminal records clearance process set forth in clause (i) shall be utilized, but the Department of Justice shall disseminate a fitness determination resulting from the federal criminal offender record information search.

(B) Buildings and grounds and storage requirements set forth in Sections 89387 and 89387.2 of Title 22 of the California Code of Regulations.

(C) In addition to the foregoing requirements, the resource family home environment assessment standards shall also require the following:

(i) That the applicant demonstrate an understanding about the rights of children in care and his or her responsibility to safeguard those rights.

(ii) That the total number of children residing in the home of a resource family shall be no more than the total number of children the resource family can properly care for, regardless of status, and shall not exceed six children, unless exceptional circumstances that are documented in the foster child's

case file exist to permit a resource family to care for more children, including, but not limited to, the need to place siblings together.

(iii) That the applicant understands his or her responsibilities with respect to acting as a reasonable and prudent parent, and maintaining the least restrictive environment that serves the needs of the child.

(2) The resource family permanency assessment standards shall include, but not be limited to, all of the following:

(A) The applicant shall complete caregiver training.

(B) (i) The applicant shall complete a psychosocial assessment, which shall include the results of a risk assessment.

(ii) A caregiver risk assessment shall include, but shall not be limited to, physical and mental health, alcohol and other substance use and abuse, family and domestic violence, and the factors listed in subparagraphs (A) and (D) of paragraph (1) of subdivision (c).

(C) The applicant shall complete any other activities that relate to a resource family's ability to achieve permanency with the child.

(e) (1) A child may be placed with a resource family that has successfully completed the home environment assessment prior to completion of a permanency assessment only if a compelling reason for the placement exists based on the needs of the child.

(2) The permanency assessment shall be completed within 90 days of the child's placement in the home, unless good cause exists based upon the needs of the child.

(3) If additional time is needed to complete the permanency assessment, the county shall document the extenuating circumstances for the delay and generate a timeframe for the completion of the permanency assessment.

(4) The county shall report to the department on a quarterly basis the number of families with a child in an approved home whose permanency assessment goes beyond 90 days and summarize the reasons for these delays.

(5) A child may be placed with a relative, as defined in Section 319, or nonrelative extended family member, as defined in Section 362.7, prior to applying as a resource family only on an emergency basis if all of the following requirements are met:

(A) Consideration of the results of a criminal records check conducted pursuant to Section 16504.5 of the relative or nonrelative extended family member and of every other adult in the home.

(B) Consideration of the results of the Child Abuse Central Index (CACI) consistent with Section 1522.1 of the Health and Safety Code of the relative or nonrelative extended family member, and of every other adult in the home.

(C) The home and grounds are free of conditions that pose undue risk to the health and safety of the child.

(D) For any placement made pursuant to this paragraph, the county shall initiate the home environment assessment no later than five business days after the placement, which shall include a face-to-face interview with the resource family applicant and child.

(E) For any placement made pursuant to this paragraph, AFDC-FC funding shall not be available until approval of the resource family has been completed.

(F) Any child placed under this section shall be afforded all the rights set forth in Section 16001.9.

(f) The State Department of Social Services shall be responsible for all of the following:

(1) Selecting early implementation counties, based on criteria established by the department in consultation with the County Welfare Directors Association.

(2) Establishing timeframes for participating counties to submit an implementation plan, enter into terms and conditions for participation in the program, train appropriate staff, and accept applications from resource families.

(3) Entering into terms and conditions for participation in the program by counties.

(4) Administering the program through the issuance of written directives that shall have the same force and effect as regulations. Any directive affecting Article 1 (commencing with Section 700) of Chapter 7 of Title 11 of the California Code of Regulations shall be approved by the Department of Justice. The directives shall be exempt from the rulemaking provisions of the Administrative Procedure Act (Chapter 3.5 (commencing with Section 11340)) of Part 1 of Division 3 of Title 2 of the Government Code.

(5) Approving and requiring the use of a single standard for resource family approval.

(6) Adopting and requiring the use of standardized documentation for the home environment and permanency assessments of resource families.

(7) Requiring counties to monitor resource families including, but not limited to, all of the following:

(A) Investigating complaints of resource families.

(B) Developing and monitoring resource family corrective action plans to correct identified deficiencies and to rescind resource family approval if compliance with corrective action plans is not achieved.

(8) Ongoing oversight and monitoring of county systems and operations including all of the following:

(A) Reviewing the county's implementation of the program.

(B) Reviewing an adequate number of approved resource families in each participating county to ensure that approval standards are being properly applied. The review shall include case file documentation, and may include onsite inspection of individual resource families. The review shall occur on an annual basis, and more frequently if the department becomes aware that a participating county is experiencing a disproportionate number of complaints against individual resource family homes.

(C) Reviewing county reports of serious complaints and incidents involving approved resource families, as determined necessary by the department. The department may conduct an independent review of the

complaint or incident and change the findings depending on the results of its investigation.

(D) Investigating unresolved complaints against participating counties.

(E) Requiring corrective action of counties that are not in full compliance with the terms and conditions of the program.

(9) Updating the Legislature on the early implementation phase of the program, including the status of implementation, successes, and challenges during the early implementation phase, and relevant available data, including resource family satisfaction.

(10) Implementing due process procedures, including all of the following:

(A) Providing a statewide fair hearing process for denials, rescissions, or exclusion actions.

(B) Amending the department's applicable state hearing procedures and regulations or using the Administrative Procedure Act, when applicable, as necessary for the administration of the program.

(g) Counties participating in the program shall be responsible for all of the following:

(1) Submitting an implementation plan, entering into terms and conditions for participation in the program, consulting with the county probation department in the development of the implementation plan, training appropriate staff, and accepting applications from resource families within the timeframes established by the department.

(2) Complying with the written directives pursuant to paragraph (4) of subdivision (f).

(3) Implementing the requirements for resource family approval and utilizing standardized documentation established by the department.

(4) Ensuring staff have the education and experience necessary to complete the home environment and psychosocial assessments competently.

(5) (A) Taking the following actions, as applicable:

(i) Approving or denying resource family applications.

(ii) Rescinding approvals of resource families.

(iii) Excluding a resource family parent or other individual from presence in a resource family home, consistent with the established standard.

(iv) Issuing a temporary suspension order that suspends the resource family approval prior to a hearing when urgent action is needed to protect a child or nonminor dependent from physical or mental abuse, abandonment, or any other substantial threat to health or safety, consistent with the established standard.

(B) Providing a resource family parent, applicant, or excluded individual requesting review of that decision with due process pursuant to the department's statutes, regulations, and written directives.

(C) Notifying the department of any decisions denying a resource family's application or rescinding the approval of a resource family, excluding an individual, or taking other administrative action.

(D) Issuing a temporary suspension order that suspends the resource family approval prior to a hearing, when urgent action is needed to protect a child or nonminor dependent who is or may be placed in the home from

physical or mental abuse, abandonment, or any other substantial threat to health or safety.

(6) Updating resource family approval annually.

(7) Monitoring resource families through all of the following:

(A) Ensuring that social workers who identify a condition in the home that may not meet the approval standards set forth in subdivision (d) while in the course of a routine visit to children placed with a resource family take appropriate action as needed.

(B) Requiring resource families to comply with corrective action plans as necessary to correct identified deficiencies. If corrective action is not completed as specified in the plan, the county may rescind the resource family approval.

(C) Requiring resource families to report to the county child welfare agency any incidents consistent with the reporting requirements for licensed foster family homes.

(8) Investigating all complaints against a resource family and taking action as necessary. This shall include investigating any incidents reported about a resource family indicating that the approval standard is not being maintained.

(A) The child's social worker shall not conduct the formal investigation into the complaint received concerning a family providing services under the standards required by subdivision (d). To the extent that adequate resources are available, complaints shall be investigated by a worker who did not initially conduct the home environment or psychosocial assessments.

(B) Upon conclusion of the complaint investigation, the final disposition shall be reviewed and approved by a supervising staff member.

(C) The department shall be notified of any serious incidents or serious complaints or any incident that falls within the definition of Section 11165.5 of the Penal Code. If those incidents or complaints result in an investigation, the department shall also be notified as to the status and disposition of that investigation.

(9) Performing corrective action as required by the department.

(10) Assessing county performance in related areas of the California Child and Family Services Review System, and remedying problems identified.

(11) Submitting information and data that the department determines is necessary to study, monitor, and prepare the report specified in paragraph (9) of subdivision (f).

(12) Ensuring resource family applicants and resource families have the necessary knowledge, skills, and abilities to support children in foster care by completing caregiver training. The training should include a curriculum that supports the role of a resource family in parenting vulnerable children and should be ongoing in order to provide resource families with information on trauma-informed practices and requirements and other topics within the foster care system.

(13) Ensuring that a resource family applicant completes a minimum of 12 hours of preapproval training. The training shall include, but not be limited to, all of the following courses:

- (A) An overview of the child protective and probation systems.

The otherwise applicable assessment and oversight processes shall continue to be administered for families and facilities not included in the program.

(2) Upon implementation of the program in a county, that county may not accept new applications for the licensure of foster family homes, the approval of relative and nonrelative extended family members, or the approval of prospective adoptive homes.

(k) The department may waive regulations that pose a barrier to implementation and operation of this program. The waiver of any regulations by the department pursuant to this section shall apply to only those counties or foster family agencies participating in the program and only for the duration of the program.

(l) Resource families approved under initial implementation of the program, who move within an early implementation county or who move to another early implementation county, shall retain their resource family status if the new building and grounds, outdoor activity areas, and storage areas meet home environment standards. The State Department of Social Services or early implementation county may allow a program-affiliated individual to transfer his or her subsequent arrest notification if the individual moves from one early implementation county to another early

implementation county, as specified in subdivision (g) of Section 1522 of the Health and Safety Code.

(m) (1) The approval of a resource family who moves to a nonparticipating county remains in full force and effect pending a determination by the county approval agency or the department, as appropriate, whether the new building and grounds and storage areas meet applicable standards, and whether all adults residing in the home have a criminal records clearance or exemptions granted, using the exemption criteria used for foster care licensing, as specified in subdivision (g) of Section 1522 of the Health and Safety Code. Upon this determination, the nonparticipating county shall either approve the family as a relative or nonrelative extended family member, as applicable, or the department shall license the family as a foster family home.

(2) Subject to the requirements in paragraph (1), the family shall continue to be approved for guardianship and adoption. Nothing in this subdivision shall limit a county or adoption agency from determining that the family is not approved for guardianship or adoption based on changes in the family's circumstances or psychosocial assessment.

(3) A program-affiliated individual who moves to a nonparticipating county may not transfer his or her subsequent arrest notification from a participating county to the nonparticipating county.

SEC. 118. Section 18254 of the Welfare and Institutions Code is amended to read:

18254. (a) Rates for wraparound services, under the wraparound services program, shall be based on the following factors:

(1) The average cost of rate classification 10 to 11 in each county, minus the cost of any concurrent out-of-home placement, for children who are or would be placed in a rate level 10 or 11 group home.

(2) The average cost of rate classification 12 to 14 in each county, minus the cost of any concurrent out-of-home placement, for children who are or would be placed in a rate level 12 to 14 group home.

(b) (1) Prior to the 2011–12 fiscal year, the department shall reimburse each county, for the purpose of providing intensive wraparound services, up to 100 percent of the state share of nonfederal funds, to be matched by each county's share of cost as established by law, and to the extent permitted by federal law, up to 100 percent of the federal funds allocated for group home placements of eligible children, at the rate authorized pursuant to subdivision (a).

(2) Beginning in the 2011–12 fiscal year, and for each fiscal year thereafter, funding and expenditures for programs and activities under this section shall be in accordance with the requirements provided in Sections 30025 and 30026.5 of the Government Code.

(c) County, and to the extent permitted by federal law, federal, foster care funds shall remain with the administrative authority of the county, which may enter into an interagency agreement to transfer those funds, and shall be used to provide intensive wraparound services.

(d) Costs for the provision of benefits to eligible children, at rates authorized by subdivision (a), through the wraparound services program authorized by this chapter, shall not exceed the costs which would otherwise have been incurred had the eligible children been placed in a group home.

(e) This section shall remain in effect only until January 1, 2017, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2017, deletes or extends that date.

SEC. 119. Section 18254 is added to the Welfare and Institutions Code, to read:

18254. (a) (1) Commencing January 1, 2017, the rate for wraparound services, under the wraparound services program, shall be eight thousand five hundred seventy-three dollars (\$8,573), based on the average cost of rate classification levels 10.5 and 13 in effect for the 2014–15 fiscal year.

(2) The rate was determined by using the existing rates determined for the 2014–15 fiscal year for rate classification levels 10.5 and 13.

(A) Combining and calculating the average of the two.

(B) Minus the cost of any concurrent out-of-home placement for children who are or would be placed in a rate classification level 10 to 11 and 12 to 14 group home, respectively.

(b) For each fiscal year, funding and expenditures for programs and activities under this section shall be in accordance with the requirements provided in Sections 30025 and 30026.5 of the Government Code.

(c) County and federal foster care funds, to the extent permitted by federal law, shall remain with the administrative authority of the county, which may enter into an interagency agreement to transfer those funds, and shall be used to provide intensive wraparound services.

(d) Costs for the provision of benefits to eligible children, at rates authorized by subdivision (a), through the wraparound services program authorized by this chapter, shall not exceed the costs that otherwise would have been incurred had the eligible children been placed in a short-term residential treatment center.

(e) Commencing January 1, 2018, and each January 1 thereafter, an annual cost-of-living increase shall be applied to the wraparound rate, subject to the availability of county funds, equal to the California Necessities Index used in the preparation of the May Revision for the current fiscal year.

(f) This section shall become operative on January 1, 2017.

SEC. 120. Section 18987.72 of the Welfare and Institutions Code is amended to read:

18987.72. (a) In order to obtain knowledge and experience with which to inform the process of developing and implementing the plan for residentially based services, required by Section 18987.7, the department shall encourage counties and private nonprofit agencies to develop voluntary agreements to test alternative program design and funding models for transforming existing group home programs into residentially based services programs in order to meet the diverse needs of children or youth and families in the child welfare, juvenile justice, and mental health systems.

(b) (1) With the approval of the department, any counties participating in the federal Title IV-E waiver capped allocation demonstration project pursuant to Section 18260, at their option, and two other counties may enter into and implement voluntary agreements with private nonprofit agencies to transform all or part of an existing group home program into a residentially based services program.

(2) If one or more counties participating in the federal Title IV-E waiver capped allocation demonstration project opts not to enter into a voluntary agreement pursuant to this chapter, the department may select one or more nonwaiver counties. The department may approve up to four counties to participate in the voluntary agreements pursuant to this section.

(3) The department shall select participating counties, based on letters of interest submitted to the department from counties, in consultation with the California Alliance of Child and Family Services and the County Welfare Directors Association.

(c) Voluntary agreements by counties and nonprofit agencies shall satisfy all of the following requirements:

(1) Incorporate and address all of the components and elements for residentially based services described in the "Framework for a New System for Residentially-Based Services in California."

(2) Reflect active collaboration among the private nonprofit agency that will operate the residentially based services program and county departments of social services, mental health, or juvenile justice, alcohol and drug programs, county offices of education, or other public entities, as appropriate, to ensure that children, youth, and families receive the services and support necessary to meet their needs.

(3) Provide for an annual evaluation report, to be prepared jointly by the county and the private nonprofit agency. The evaluation report shall include analyses of the outcomes for children and youth, including achievement of permanency, average lengths of stay, and rates of entry and reentry into group care. The evaluation report shall also include analyses of the involvement of children or youth and their families, client satisfaction, the

use of the program by the county, the operation of the program by the private nonprofit agency, payments made to the private nonprofit agency by the county, actual costs incurred by the nonprofit agency for the operation of the program, and the impact of the program on state and county AFDC-FC program costs. The county shall send a copy of each annual evaluation report to the director, and the director shall make these reports available to the Legislature upon request.

(4) Permit amendments, modifications, and extensions of the agreement to be made, with the mutual consent of both parties and with approval of the department, based on the evaluations described in paragraph (3), and on the experience and information acquired from the implementation and the ongoing operation of the program.

(5) Be consistent with the county's system improvement plan developed pursuant to the California Child Welfare Outcomes and Accountability System.

(d) (1) Upon a county's request, the director may waive child welfare regulations regarding the role of counties in conjunction with private nonprofit agencies operating residentially based services programs to enhance the development and implementation of case plans and the delivery of services in order to enable a county and a private nonprofit agency to implement an agreement described in subdivision (b). Nothing in this section shall be construed to supersede the requirements set forth in subdivision (c) of Section 16501.

(2) Notwithstanding Sections 11460 and 11462, or any other law or regulation governing payments under the AFDC-FC program, upon the request of one or more counties, and in accordance with the voluntary agreements as described in subdivision (b), the director may also approve the use of up to a total of five alternative funding models for determining the method and level of payments that will be made under the AFDC-FC program to private nonprofit agencies operating residentially based services programs in lieu of using the rate classification levels and schedule of standard rates provided for in Section 11462. These alternative funding models may include, but shall not be limited to, the use of cost reimbursement, case rates, per diem or monthly rates, or a combination thereof. An alternative funding model shall do all of the following:

(A) Support the values and goals for residentially based services, including active child and family involvement, permanence, collaborative decisionmaking, and outcome measurement.

(B) Ensure that quality care and effective services are delivered to appropriate children or youth at a reasonable cost to the public.

(C) Ensure that payment levels are sufficient to permit the private nonprofit agencies operating residentially based services programs to provide care and supervision, social work activities, parallel pre-discharge community-based interventions for families, and followup post-discharge support and services for children and their families, including the cost of hiring and retaining qualified staff.

(D) Facilitate compliance with state requirements and the attainment of federal and state performance objectives.

(E) Control overall program costs by providing incentives for the private nonprofit agencies to use the most cost-effective approaches for achieving positive outcomes for the children or youth and their families.

(F) Facilitate the ability of the private nonprofit agencies to access other available public sources of funding and services to meet the needs of the children or youth placed in their residentially based services programs, and the needs of their families.

(G) Enable the combination of various funding streams necessary to meet the full range of services needed by foster children or youth in residentially based services programs, with particular reference to funding for mental health treatment services through the Medi-Cal Early and Periodic Screening, Diagnosis, and Treatment program.

(H) Maximize federal financial participation, and mitigate the loss of federal funds, while ensuring the effective delivery of services to children or youth and families, and the achievement of positive outcomes.

(I) Provide for effective administrative oversight and enforcement mechanisms in order to ensure programmatic and fiscal accountability.

(3) A waiver granted by the director pursuant to paragraph (1), or an approval of an alternative funding model pursuant to paragraph (2), shall be applicable only to the development, implementation, and ongoing operation of a residentially based services program and related county activities provided under the terms of the agreement and for the duration of the agreement, and shall be granted only when all of the following apply:

(A) The agreement promises to offer a worthwhile test related to the development, implementation, and ongoing operation of a residentially based services program as described in this chapter.

(B) Existing regulatory provisions or the existing AFDC-FC payment requirements, or both, impose barriers for the effective, efficient, and timely implementation of the agreement.

(C) The requesting county proposes to monitor the agreement for compliance with the terms of the waiver or the alternative funding model, or both.

(D) Notwithstanding any change to payments made to group homes under Section 11462, the department may pay higher AFDC-FC payments for children and youth who are enrolled in a residentially based services program, to be offset by cost efficiencies achieved through shorter lengths of stay in foster care, or a reduction of reentries into foster care, as a result of providing pre-discharge support and post-discharge services to the children or youth and their families. Any upfront costs for this project shall be offset by other program savings identified by the department, to ensure that there are no net General Fund costs in each fiscal year.

(e) In addition to the requirements set forth in subdivision (c), the voluntary agreements shall do all of the following:

(1) Provide that, to the extent that some of the care, services, and other activities associated with a residentially based services program operated

under an agreement described in subdivision (b) are not eligible for federal financial participation as foster care maintenance payments under Part E (commencing with Section 470) of Title IV of the federal Social Security Act (42 U.S.C. Sec. 670 et seq.), but may be eligible for federal financial participation as administration or training, or may be eligible for federal financial participation under other programs, including, but not limited to, Title XIX of the federal Social Security Act (42 U.S.C. Sec. 1396 et seq.), the appropriate state departments shall take measures to obtain that federal funding.

(2) Provide that, prior to approving any waiver or alternative funding model pursuant to subdivision (d), the director shall make a determination that the design of the residentially based services program to be operated under the agreement described in subdivision (b) would ensure the health and safety of children or youth to be served.

(f) Agreements entered into pursuant to this section shall terminate on or before January 1, 2017, or may be extended until January 1, 2019, upon approval by the department, on a case-by-case basis, unless a later enacted statute extends or removes this limitation.

(g) The department shall report during the legislative budget hearings on the status of any county agreements entered into pursuant to subdivision (b), and on the development of statewide residentially based services programs. This report shall be submitted with the recommendations made pursuant to Section 11461.2.

SEC. 121. Notwithstanding the provisions of this act, on and after January 1, 2017, facilities with licensed capacity of 184 that were in operation prior to January 1, 2015, that offer placements for the purpose of attending an onsite high school, may continue to operate under an appropriate licensing category determined by the State Department of Social Services as long as those facilities submit to the department a transition plan describing how the program will comply with the provisions of this act, pursuant to a timeframe to be determined with the department.

SEC. 122. The State Department of Social Services, State Department of Education, and special education local plan area (SELPA) directors shall work together to address the funding formula currently based in part on the State Department of Social Services rate classification level system. The rate classification level for group homes set by the State Department of Social Services shall sunset pursuant to this act. Section 56836.165 of the Education Code takes into account the rate classification level in Section 11462 of the Welfare and Institutions Code in setting its severity rating for purposes of its bed allowances. Prior to the sunset of the rate classification level, the departments and SELPA directors shall work together to develop an alternative basis for its bed allowance formula.

SEC. 123. (a) The State Department of Social Services and the State Department of Health Care Services shall adopt regulations as required to implement the provisions of this act.

(b) Notwithstanding the rulemaking provisions of the Administrative Procedure Act (Chapter 3.5 (commencing with Section 11340) of Part 1 of

Division 3 of Title 2 of the Government Code), the departments identified in subdivision (a) may implement and administer the changes made by this act through all-county letters or similar written instructions until regulations are adopted.

SEC. 124. The State Department of Social Services shall provide periodic progress updates to the Legislature on the implementation of this act.

SEC. 125. The State Department of Social Services shall work with counties that operate shelters, probation agencies, homeless shelter providers, residential education providers, and others as determined by the department to identify jointly developed alternative timeframes or criteria to be met in order to address the unique circumstances and needs of the populations they serve, while remaining consistent with the principles of this act.

SEC. 126. (a) In order to accomplish the goals set forth in this act, the State Department of Social Services shall work with stakeholders, including other state departments, such as the State Department of Health Care Services, legislative staff, counties, and advocates, to address critical issues in the initial and ongoing implementation of this act. This work with stakeholders shall include the development of timelines and key milestones for implementation of this act, including a process to monitor progress. This work shall also include, but not be limited to, the identification of major implementation tasks and action steps, monitoring achievements, and developing recommendations for addressing issues that arise during implementation. The department, in consultation with the stakeholder groups, shall measure and track changes in the numbers of out-of-home placements that are available to county placing agencies, including the geographic distribution of providers. The State Department of Health Care Services and the State Department of Social Services, as appropriate, shall also measure and track, in consultation with stakeholders, the availability and utilization of services, including, but not limited to, medical and behavioral health and child welfare services for children in out-of-home placements.
