Any conditions relating to the manner, method, design, and construction of said structures, improvements, or facilities fixed by the Facilities Services Manager as a condition to granting such consent, shall be conditions hereof as though originally stated herein. LICENSEE may, at any time and at its sole expense, install and place business fixtures and equipment within any building constructed by LICENSEE.

Strict Compliance with Plans and Specifications. All improvements constructed by LICENSEE within the License Area shall be constructed in strict compliance with detailed plans and specifications approved by the Facilities Services Manager.

10. MECHANICS LIENS OR STOP-NOTICES (AMD4.1 S)

In the event a lien or stop-notice is imposed upon the License Area as a result of such construction, repair, alteration, or installation, LICENSEE shall either:

A. Record a valid Release of Lien, or

B. Procure and record a bond in accordance with Section 3143 of the Civil Code, which frees the License Area from the claim of the lien or stop-notice and from any action brought to foreclose the lien.

Should LICENSEE fail to accomplish either of the two optional actions above within fifteen (15) days after the filing of such a lien or stop-notice, the License shall be in default and shall be subject to immediate termination.

11. OWNERSHIP OF IMPROVEMENTS (AMD6.1 N)

COUNTY retains the right to require LICENSEE, at LICENSEE's cost, to remove all LICENSEE's improvements located on the License Area at the expiration or termination hereof.

12. INSURANCE (AML10.1 N)

LICENSEE agrees to purchase all required insurance at LICENSEE's expense and to deposit with COUNTY certificates of insurance, including all endorsements required herein, necessary to satisfy COUNTY that the insurance provisions of this License have been complied with and to keep such insurance coverage and the certificates and endorsements therefore on deposit with COUNTY during the entire term of this License.

This License shall automatically terminate at the same time LICENSEE's insurance coverage is terminated. If within ten (10) business days after termination under this Clause LICENSEE obtains and provides evidence of the required insurance coverage acceptable to Facilities Services Manager, this License may be reinstated at the sole discretion of Facilities Services Manager.

LICENSEE agrees that LICENSEE shall not operate on the License Area at any time the required insurance is not in full force and effect as evidenced by a certificate of insurance and necessary endorsements or, in the interim, an official binder being in the possession of Facilities Services Manager. In no cases shall assurances by LICENSEE, its employees, agents, including any insurance agent, be construed as adequate evidence of insurance. Facilities Services Manager will only accept valid certificates of insurance and endorsements, or in the interim, an insurance binder as adequate evidence of insurance. LICENSEE also agrees that upon cancellation, termination, or expiration of LICENSEE's insurance, COUNTY may take whatever steps are necessary to interrupt any operation from or on the License Area until such time as the Facilities Services Manager reinstates the License.

If LICENSEE fails to provide Facilities Services Manager with a valid certificate of insurance and endorsements, or binder at any time during the term of the License, COUNTY and LICENSEE agree that

this shall constitute a material breach of the License. Whether or not a notice of default has or has not been sent to LICENSEE, said material breach shall permit COUNTY to take whatever steps necessary to interrupt any operation from or on the License Area, and to prevent any persons, including, but not limited to, members of the general public, and LICENSEE's employees and agents, from entering the License Area until such time as Facilities Services Manager is provided with adequate evidence of insurance required herein. LICENSEE further agrees to hold COUNTY harmless for any damages resulting from such interruption of business and possession, including, but not limited to, damages resulting from any loss of income or business resulting from COUNTY's action.

All contractors performing work on behalf of LICENSEE pursuant to this License shall obtain insurance subject to the same terms and conditions as set forth herein for LICENSEE. LICENSEE shall not allow contractors or subcontractors to work if contractors have less than the level of coverage required by COUNTY from LICENSEE under this License. It is the obligation of the LICENSEE to provide written notice of the insurance requirements to every contractor and to receive proof of insurance prior to allowing any contractor to begin work within the License Area. Such proof of insurance must be maintained by LICENSEE through the entirety of this License and be available for inspection by a COUNTY representative at any reasonable time.

All self-insured retentions ("SIRs") and deductibles shall be clearly stated on the Certificate of Insurance. If no SIRs or deductibles apply, indicate this on the Certificate of Insurance with a "0" by the appropriate line of coverage. Any self-insured retention ("SIR") or deductible in excess of \$25,000 (\$5,000 for automobile liability), shall specifically be approved by COUNTY's Risk Manager.

If LICENSEE fails to maintain insurance acceptable to COUNTY for the full term of this License, COUNTY may terminate this License.

The policy or policies of insurance must be issued by an insurer licensed to do business in the state of California (California Admitted Carrier) or have a minimum rating of A- (Secure A.M. Best's Rating) and VIII (Financial Size Category) as determined by the most current edition of the **Best's key Rating Guide/Property-Casualty/United States or ambest.com**.

COUNTY expressly retains the right to require LICENSEE to increase or decrease insurance of any of the above insurance types throughout the term of this License. Any increase or decrease in insurance will be as deemed by COUNTY's Risk Manager as appropriate to adequately protect COUNTY.

COUNTY shall notify LICENSEE in writing of changes in the insurance requirements. If LICENSEE does not deposit copies of acceptable certificates of insurance and endorsements with COUNTY incorporating such changes within thirty (30) days of receipt of such notice, this License may be in breach without further notice to LICENSEE, and COUNTY shall be entitled to all legal remedies.

The procuring of such required policy or policies of insurance shall not be construed to limit LICENSEE's liability hereunder nor to fulfill the indemnification provisions and requirements of this License, nor in any way to reduce the policy coverage and limits available from the insurer.

13. OPERATIONS (AMLC-11.1 N)

LICENSEE shall keep and maintain the License Area and all improvements of any kind in good condition and in substantial repair. COUNTY will, on LICENSEE's behalf, provide all maintenance and repairs to the License Area during the term of the License.
