[Remainder of this page intentionally left blank]

I. GENERAL TERMS AND CONDITIONS

- A. Governing Law and Venue:** This Contract has been negotiated and executed in the state of California and shall be governed by and construed under the laws of the state of California. In the event of any legal action to enforce or interpret this Contract, the sole and exclusive venue shall be a court of competent jurisdiction located in Orange County, California, and the Parties hereto agree to and do hereby submit to the jurisdiction of such court, notwithstanding Code of Civil Procedure section 394. Furthermore, the Parties specifically agree to waive any and all rights to request that an action be transferred for trial to another County.
- B. Entire Contract:** This Contract and its Attachment which has been incorporated, when accepted by the Contractor either in writing or by the shipment of any article or other commencement of performance hereunder, contains the entire Contract between the Parties with respect to the matters herein and there are no restrictions, promises, warranties or undertakings other than those set forth herein or referred to herein. No exceptions, alternatives, substitutes or revisions are valid or binding on County unless authorized by County in writing. Electronic acceptance of any additional terms, conditions or supplemental Contracts by any County employee or agent, including but not limited to installers of equipment, shall not be valid or binding on County unless accepted in writing by the County's Purchasing Agent or his designee, hereinafter "Purchasing Agent".
- C. Amendments:** No alteration or variation of the terms of this Contract shall be valid unless made in writing and signed by the Parties; no oral understanding or agreement not incorporated herein shall be binding on either of the Parties; and no exceptions, alternatives, substitutes or revisions are valid or binding on County unless authorized by County in writing.
- D.** This article is intentionally left blank.
- E. Delivery:** Time of delivery of goods or services is of the essence in this Contract. County reserves the right to refuse any goods or services and to cancel all or any part of the goods not conforming to applicable specifications, drawings, samples or description, or services that do not conform to the prescribed statement of work. Acceptance of any part of the order for goods shall not bind County to accept future shipments, nor deprive it of the right to return goods already accepted, at Contractor's expense. Over shipments and under shipments of goods shall be only as agreed to in writing by County. Delivery shall not be deemed to be complete until all goods, or services, have actually been received and accepted in writing by County.
- F. Acceptance/Payment:** Unless otherwise agreed to in writing by County, 1) acceptance shall not be deemed complete unless in writing and until all the goods/services have actually been received, inspected, and tested to the satisfaction of County; and 2) payment shall be made in arrears after satisfactory acceptance.
- G. Warranty:** Contractor expressly warrants that the goods/services covered by this Contract are 1) free of liens or encumbrances, 2) merchantable and good for the ordinary purposes for which they are used, and 3) fit for the particular purpose for which they are intended. Acceptance of this order shall constitute an agreement upon Contractor's part to indemnify, defend and hold County and its Indemnitees as identified in paragraph "HH" below, and as more fully described in paragraph "HH," harmless from liability, loss, damage and expense, including reasonable counsel fees, incurred or sustained by County by reason of the failure of the goods/services to conform to such warranties, faulty work performance, negligent or unlawful acts, and non-compliance with any applicable state or federal codes, ordinances, orders, or statutes, including the Occupational Safety and Health Act (OSHA) and the California Industrial Safety Act. Such remedies shall be in addition to any other remedies provided by law.

H. Patent/Copyright Materials/Proprietary Infringement: Unless otherwise expressly provided in this Contract, Contractor shall be solely responsible for clearing the right to use any patented or copyrighted materials in the performance of this Contract. Contractor warrants that any software as modified through Services provided hereunder will not infringe upon or violate any patent, proprietary right, or trade secret right of any third party. Contractor agrees that, in accordance with the more specific requirement contained in paragraph “HH” below, it shall indemnify, defend and hold County and County Indemnitees harmless from any and all such claims and be responsible for payment of all costs, damages, penalties and expenses related to or arising from such claim(s), including, but not limited to, attorney’s fees, costs and expenses.

I. Assignment or Sub-contracting: No performance of this Contract or any portion thereof may be subcontracted by Contractor without the express written consent of Administrator. Any attempt by Contractor to subcontract any performance of the terms of this Contract without the express written consent of Administrator shall be null and void and shall constitute a breach of the terms of this Contract. In the event of such a breach, this Contract may be terminated forthwith.

In the event that Administrator should consent to subcontracting, each and all of the provisions for this Contract and any amendment thereto shall extend to and be binding upon and inure to the benefit of the successors or administrators of the respective Parties. Whenever the Contractor is authorized to subcontract, the terms of this Contract shall prevail over those of any such subcontract.

In the event the Contractor is allowed to subcontract, the County shall look to the Contractor for the results of its sub-tier. The Contractor agrees to be responsible for all the subcontractor's acts and omissions to the same extent as if the subcontractors were employees of the Contractor. No subcontracts shall alter in any way any legal responsibility of the Contractor to the County.

In the event that Administrator should consent to subcontracting, the Contractor shall include in all subcontracts the following provision: "This Contract is a subcontract under the terms of a prime Contract with the County of Orange. All representations and warranties shall inure to the benefit of the County of Orange."

J. Non-Discrimination: In the performance of this Contract, Contractor agrees that it will comply with the requirements of Section 1735 of the California Labor Code and not engage nor permit any subcontractors to engage in discrimination in employment of persons because of the race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, or sex of such persons. Contractor acknowledges that a violation of this provision shall subject Contractor to all the penalties imposed for a violation of anti-discrimination law or regulation including but not limited to Section 1720 et seq. of the California Labor Code.

K. Termination – Default of Contractor: If Contractor is in default of any of its obligations under this Contract, County's Administrator shall give sixty (60) days notice to Contractor that this Contract may be canceled if the specific deficiencies are not corrected. If Contractor is in default of any of its obligations under this Contract and Administrator determines that such default poses a serious threat to public safety, and Contractor has not commenced cure within ten (10) days after receipt of a written notice of default and cured such default within the time specified in the notice, the County shall immediately be entitled to commence resolution in accordance with this paragraph or to terminate this Contract by giving written notice to take effect immediately. Default shall include failure to carry out any of the requirements of this Contract, including, but not limited to not providing enough properly skilled workers or proper materials, persistently disregarding laws and or ordinances, not proceeding with the work as agreed to herein, or otherwise substantially violating any provision of this Contract. Upon termination of the Contract

with Contractor, the County may begin negotiations with a third-party Contractor to provide goods and/or services as specified in this Contract.

Termination – Convenience of the County: Performance of services under this Contract may be terminated by County in whole or in part, when such action is deemed by County to be in its best interest. Termination of work shall be effected by delivery to Contractor of a sixty (60) day written Notice of Termination specifying the extent to which performance of work is terminated, and the date upon which such termination becomes effective.

After receipt of the Notice of Termination and except as otherwise directed by County, Contractor shall: 1.) Stop services under this Contract on the date and to the extent specified in the Notice of Termination, and 2.) Complete performance of that parts of the work that is not terminated by the Notice of Termination.

Termination – Orderly: Upon termination or other expiration of this Contract, each party shall promptly return to the other party all papers, electronic data, materials, and other properties of the other held by each for purposes of execution of the Contract. In addition, each party will assist the other party in orderly termination of this Contract and the transfer of all aspects, tangible and intangible, as may be necessary for the orderly, non-disruptive business continuation of each party.

- L. Consent to Breach Not Waiver:** No term or provision of this Contract shall be deemed waived and no breach excused, unless such waiver or consent shall be in writing and signed by the Party claimed to have waived or consented. Any consent by any Party to, or waiver of, a breach by the other, whether express or implied, shall not constitute consent to, waiver of, or excuse for any other different or subsequent breach.
- M. Remedies Not Exclusive:** The remedies for breach set forth in this Contract are cumulative as to one another and as to any other provided by law, rather than exclusive; and the expression of certain remedies in this Contract does not preclude resort by either Party to any other remedies provided by law.
- N. Independent Contractor:** Contractor shall be considered an independent Contractor and neither Contractor, its employees, nor anyone working under Contractor shall be considered an agent or an employee of County. Neither Contractor, its employees, nor anyone working under Contractor, shall qualify for workers' compensation or other fringe benefits of any kind through County.
- O. Performance:** Contractor shall perform all work under this Contract, taking necessary steps and precautions to perform the work to County's satisfaction. Contractor shall be responsible for the professional quality, technical assurance, timely completion and coordination of all documentation and other goods/services furnished by the Contractor under this Contract. Contractor shall perform all work diligently, carefully, and in a good and workman-like manner; shall furnish all labor, supervision, machinery, equipment, materials, and supplies necessary therefore; shall at its sole expense obtain and maintain all permits and licenses required by public authorities, including those of County required in its governmental capacity, in connection with performance of the work; and, if permitted to subcontract, shall be fully responsible for all work performed by subcontractors.
- P. Insurance Provisions:** Prior to the provision of services under this Contract, the Contractor agrees to purchase all required insurance at Contractor's expense and to deposit with the County Certificates of Insurance, including all endorsements required herein, necessary to satisfy the County that the insurance provisions of this Contract have been complied with and to keep such

insurance coverage and the certificates therefore on deposit with the County during the entire term of this Contract. In addition, all subcontractors performing work on behalf of Contractor pursuant to this Contract shall obtain insurance subject to the same terms and conditions as set forth herein for Contractor.

All self-insured retentions (SIRs) and deductibles shall be clearly stated on the Certificate of Insurance. If no SIRs or deductibles apply, indicate this on the Certificate of Insurance with a 0 by the appropriate line of coverage. Any self-insured retention (SIR) or deductible in an amount in excess of \$25,000 (\$5,000 for automobile liability), shall specifically be approved by the County Executive Office (CEO)/Office of Risk Management.

If the Contractor fails to maintain insurance acceptable to the County for the full term of this Contract, the County may terminate this Contract.

County shall notify Contractor in writing of changes in the insurance requirements. If Contractor does not deposit copies of acceptable certificates of insurance and endorsements with County incorporating such changes within thirty days of receipt of such notice, this Contract may be in breach without further notice to Contractor, and County shall be entitled to all legal remedies.

The procuring of such required policy or policies of insurance shall not be construed to limit Contractor's liability hereunder nor to fulfill the indemnification provisions and requirements of this Contract, nor act in any way to reduce the policy coverage and limits available from the insurer.

- Q. Bills and Liens:** Contractor shall pay promptly all indebtedness for labor, materials and equipment used in performance of the work. Contractor shall not permit any lien or charge to attach to the work or the premises, but if any does so attach, Contractor shall promptly procure its release and, in accordance with the requirements of paragraph “HH” below, indemnify, defend, and hold County harmless and be responsible for payment of all costs, damages, penalties and expenses related to or arising from or related thereto.

Contractor acknowledges that County is relying on Contractor to ensure such compliance, and pursuant to the requirements of paragraph “HH” below, Contractor agrees that it shall defend, indemnify and hold COUNTY and County Indemnitees harmless from all liability, damages, costs and expenses arising from or related to a violation of such laws.
- W.** This article is intentionally left blank.
- X. - EE. Interpretation:** This Contract has been negotiated at arm’s length and between persons sophisticated and knowledgeable in the matters dealt with in this Contract. In addition, each Party has been represented by experienced and knowledgeable independent legal counsel of their own choosing, or has knowingly declined to seek such counsel despite being encouraged and given the opportunity to do so. Each Party further acknowledges that they have not been influenced to any extent whatsoever in executing this Contract by any other Party hereto or by any person representing them, or both. Accordingly, any rule of law (including California Civil Code Section 1654) or legal decision that would require interpretation of any ambiguities in this Contract against the Party that has drafted it is not applicable and is waived. The provisions of this Contract shall be interpreted in a reasonable manner to affect the purpose of the Parties and this Contract.
- FF. Authority:** The Parties to this Contract represent and warrant that this Contract has been duly authorized and executed and constitutes the legally binding obligation of their respective organization or entity, enforceable in accordance with its terms.
- GG. Employee Eligibility Verification:** The Contractor warrants that it fully complies with all Federal and State statutes and regulations regarding the employment of aliens and others and that all its employees performing work under this Contract meet the citizenship or alien status requirement set forth in Federal statutes and regulations. If the dispute concerning a question of fact arising under the terms of this Contract is not disposed of in a reasonable period of time by the Contractor Project Manager and the Probation Project Manager, such matter shall be brought to the attention of the County's Purchasing Agent by way of the following process:
- 13.1.1 The Contractor shall submit to the agency/department assigned buyer a written demand for a final decision regarding the disposition of any dispute between the Parties arising under, related to, or involving this Contract, unless the County, on its own initiative, has already rendered such a final decision.

- 13.2 Pending the final resolution of any dispute arising under, related to, or involving this Contract, the Contractor agrees to diligently proceed with the performance of this Contract, including the delivery of goods and/or provision of services. The Contractor's failure to diligently proceed shall be considered a material breach of this Contract.

Any final decision of the County shall be expressly identified as such, shall be in writing, and shall be signed by the County's Purchasing Agent or his/her designee. If the County fails to render a decision within ninety (90) days after receipt of the Contractor's demand, it shall be deemed a final decision adverse to the Contractor's contentions. Covenant against Contingent Fees:** Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by Contractor for the purpose of securing business. The purpose of this reporting requirement is to increase child support collection by helping to locate parents who are delinquent in their child support obligations.

The term “Service provider” is defined in California Unemployment Insurance Code Section 1088.8, subparagraph B.2 as “an individual who is not an employee of the Service recipient for California purposes and who received compensation or executes a Contract for services performed for that Service recipient within or without the state.” The term is further defined by the California Employment Development Department to refer specifically to independent Contractors. An independent Contractor is defined as “an individual who is not an employee of the government entity for California purposes and who receives compensation or executes a Contract for services performed for that government entity either in or outside of California.”

The reporting requirement does not apply to corporations, general partnerships, limited liability partnerships, and limited liability companies.

Additional information on this reporting requirement can be found at the California Employment Development Department web site located at [http://www.edd.ca.gov/Payroll Taxes/FAQ - California Independent Contractor Reporting.htm](http://www.edd.ca.gov/Payroll_Taxes/FAQ_-_California_Independent_Contractor_Reporting.htm).

To comply with the reporting requirements, County procedures for contracting with independent Contractors mandate that the following information be completed and forwarded to the Contracting agency/department immediately upon request:

These requirements include but are not limited to monitoring for compliance with the PREA, and reporting incidents of sexual misconduct between wards/non-minor dependents and/or staff to Probation.

III. SCOPE OF WORK

1.0 Populations to be Served and Service Overview

1.1 Target Populations: Contractor shall provide DRC Services to individuals including “AB 109 Offenders” and “General Supervision Offenders” as described below, who will collectively be referred to as “DRC Participants”.

1.1.1 AB 109 Offenders:

Beginning October 1, 2011, AB 109, titled "2011 Realignment Legislation Addressing Public Safety", and subsequent related legislation, as implemented by County, placed the following populations under County jurisdiction and supervision by Probation:

1.1.1.1 Persons released from prison on Postrelease Community Supervision ("PCS") instead of parole, consisting of non-violent, non-serious and non high-risk sex offenders as defined by the California Department of Corrections and Rehabilitation.

1.1.1.2 Persons who have committed felonies and now sentenced to County jail pursuant to subdivision (h) of Penal Code section 1170 instead of state prison, and are placed under Mandatory Supervision.

The adult offenders described above shall hereinafter be referred to as "AB 109 Offenders".

1.1.2 General Supervision Offenders:

1.1.2.1 Other adult offenders, who are not AB 109 Offenders as described above, but are otherwise under supervision by Probation and referred to Contractor for DRC Services, shall hereinafter be referred to as "General Supervision Offenders".

1.2 Service Overview

AB 109 added Penal Code section 3450, with a declaration of legislative finding in subsection (b)(5) as follows:

"Realigning the postrelease supervision of certain felons reentering the community after serving a prison term to local community corrections programs, which are strengthened through community-based punishment, evidence-based practices, and improved supervision strategies, will improve public safety outcomes among adult felon parolees and will facilitate their successful reintegration back into society."

Further, Penal Code section 3450(b)(8)(H) defines "community-based punishment" as evidence-based correctional sanctions and programming, encompassing a range of custodial and noncustodial responses to criminal or noncompliant offender activity. Intermediate sanctions...include...Day reporting."

Probation initially implemented the Day Reporting Center (DRC) solely for AB 109 Offenders due to available funding streams at the time. Starting June 1, 2015, Probation will also refer select General Supervision Offenders to Contractor for services at the DRC as an additional supervision strategy. Services provided by Contractor to all DRC Participants, as described in paragraph 1.1 herein, shall be designed to promote the reintegration of adult offenders into the community and reduce the risk of recidivism. For purposes of this Contract, such services shall be termed "DRC Services", which Contractor shall provide at its DRC, a central facility to be owned or leased by Contractor.

The Parties shall coordinate DRC Services for each offender referred to Contractor by Probation. Contractor shall provide individualized evidence-based practice ("EBP") programming to offenders referred by Probation. DRC Services for each offender shall be performance-driven based upon overall progress and behavior, starting with an intensive first phase and gradually lessening intensity in subsequent phases. It is expected that a majority of DRC Participants will require approximately six (6) to nine (9) months of services, or less if determined appropriate. Some DRC Participants may require, and Contractor shall provide, additional services in excess of nine (9) months, based upon individual case dynamics.

2.0 Objectives of Day Reporting Services

The Parties share a common interest in the effective rehabilitation of offenders in preparation for their return to the community as law abiding citizens. County and Contractor agree to coordinate the provision of an array of services and community resources designed to increase the likelihood that adult offenders will successfully discharge from Probation supervision, and reduce their continued involvement in the criminal justice system upon their return to the community.

Contractor shall provide DRC Services to help achieve the following objectives:

- 2.1 Manage offender populations
- 2.2 Increase community safety
- 2.3 Increase offender accountability and competency
- 2.4 Provide a variety of services, such as substance abuse treatment, cognitive behavioral intervention program, and job skills
- 2.5 Reduce recidivism through the use of EBP targeted at the criminogenic needs of participating offenders
- 2.6 Offer a detention alternative to traditional incarceration for offenders who meet program criteria while reducing the overall costs of incarceration

While clearance may be denied for many reasons based on information obtained in a background investigation, an omission or false statement made by the individual, regardless of the nature or magnitude of the omission or false statement, may also be grounds for denying clearance.

Notify the Probation Department Background Unit in writing within thirty (30) days of separation, the name of any approved individual who leaves the Contractor's employment.

- 1.1.4 Dividing the total number of General Supervision Offenders served that month by the number of days in the month to determine the ADT number of General Supervision Offenders served that month; then

- 1.1.5 Adding the ADT number of AB 109 Offenders to the ADT number of General Supervision Offenders to determine the ADT number of all DRC Participants served that month.
- 1.2 Contractor shall track and clearly document the number of AB 109 Offenders and General Supervision Offenders receiving services at the DRC. This information shall be included with the monthly invoices submitted by Contractor to County as supporting documentation.
- 1.3 The total amount due to Contractor for a given month shall be determined as follows:
- 1.2.1 If the ADT number of DRC Participants served that month is within the range 1-60 participants, County shall pay Contractor a flat fee of \$70,000.
- 1.2.2 If the ADT number of DRC Participants served that month is within the range 61-100 participants, the following equation shall be used:
- $$\text{Total Monthly Amount Due Contractor} = \$70,000 + [(\text{ADT number of AB 109 Offenders served} + \text{ADT number of General Supervision Offenders served} - 60) \times \$27.50 \times \text{Number of days in that month}]$$
- 1.2.3 If the ADT number of DRC participants served that month is within the range 101-140 participants, the following equation shall be used:
- $$\text{Total Monthly Amount Due Contractor} = \$70,000 + (40 \times \$27.50 \times \text{Number of days in that month}) + [(\text{ADT number of AB 109 Offenders served} + \text{ADT number of General Supervision Offenders served} - 100) \times \$18.00 \times \text{Number of days in that month}]$$
- 1.4 Each invoice submitted by Contractor must clearly identify the amount due from County to Contractor for services provided to AB 109 Offenders and the amount due to Contractor for services provided to General Supervision Offenders.
- 1.4.1 To determine the total amount due to Contractor for AB 109 Offenders and General Supervision Offenders for a given month, divide the total monthly amount due Contractor as determined in paragraph 1.3 herein by the ADT number of DRC Participants served that month as calculated in paragraph 1.1 herein, which will give the cost per DRC Participant for that month; then:
- 1.4.1.1 Multiply the cost per DRC Participant by the ADT number of AB 109 Offenders served that month to determine the amount due for services provided to AB 109 Offenders; and
- 1.4.1.2 Multiply the cost per DRC Participant by the ADT number of General Supervision Offenders served that month to determine the amount due for services provided to General Supervision Offenders.
- 1.5 For example, if the DRC had an ADT number of 35 AB 109 Offenders and an ADT number of 20 General Supervision Offenders, for an ADT number of 55 DRC

Participants during a 30-day month, the Total Amount Due Contractor for that month would be a flat rate of \$70,000.

The price per DRC Participant would be $\$70,000/55 = \$1,272.73$

Therefore, the total amount due Contractor for AB 109 Offenders would be $\$1,272.73 \times 35 = \$44,545.55$; and

The total amount due Contractor for General Supervision Offenders would be $\$1,272.73 \times 20 = \$25,454.60$

- 1.5 As another example, if the DRC had an ADT number of 75 AB 109 Offenders and an ADT number of 50 General Supervision Offenders, for an ADT number of 125 DRC Participants during a 31-day month, the Total Amount Due Contractor for that month would be calculated as follows:

$$\$70,000 + (40 \times \$27.50 \times 31 \text{ days}) + [(75 + 50 - 100) \times \$18.00 \times 31 \text{ days}] = \$118,050$$

The price per participant would be $\$118,050/125 = \944.40

Therefore, the total amount due Contractor for AB 109 Offenders would be $\$944.40 \times 75 = \$70,830$; and

The total amount due Contractor for General Supervision Offenders would be $\$944.40 \times 50 = \$47,220$.
