The County of Orange is required to file federal Form 1099-Misc for services received from a "service provider" to whom the COUNTY pays \$600 or more or with whom the COUNTY enters into a contract for \$600 or more within a single calendar year. The purpose of this reporting requirement is to increase child support collection by helping to locate parents who are delinquent in their child support obligations.

The term "service provider" is defined in California Unemployment Insurance Code Section 1088.8, subparagraph B.2 as "an individual who is not an employee of the service recipient for California purposes and who received compensation or executes a contract for services performed for that service recipient within or without the state." The term is further defined by the California Employment Development Department to refer specifically to independent contractors. An independent contractor is defined as "an individual who is not an employee of the ... government entity for California purposes and who receives compensation or executes a contract for services performed for that ... government entity either in or outside of California."

The reporting requirement does not apply to corporations, general partnerships, limited liability partnerships, and limited liability companies.

Additional information on this reporting requirement can be found at the California Employment Development Department web site located at www.edd.ca.gov/txicr.htm.

15. County Of Orange Child Support Enforcement:

- C. A certification that the CONTRACTOR has fully complied with all applicable federal and State reporting requirements regarding its employees; and
- D. A certification that the CONTRACTOR has fully complied with all lawfully served Wage and Earnings Assignment Orders and Notices of Assignment and will continue to so comply.

Failure of the CONTRACTOR to timely submit the data and/or certifications required may result in the CONTRACT being awarded to another CONTRACTOR. In the event a CONTRACT has been issued, failure of the CONTRACTOR to comply with all federal, state, and local reporting requirements for child support enforcement or to comply with all lawfully served Wage and Earnings Assignment Orders and Notices of Assignment shall constitute a material breach of the CONTRACT. Failure to cure such breach within ten (10) calendar days of notice from the COUNTY shall constitute grounds for termination of the CONTRACT.

At its own expense, CONTRACTOR and its subcontractors, if any, shall, at all time during the term of this CONTRACT, maintain in full force and effect such licenses or permits as may be required by any other government entity. 1. The CONTRACTOR shall submit to the agency/department assigned COUNTY CONTRACT ADMINISTRATOR a written demand for a final decision regarding the disposition of any dispute between the PARTIES arising under, related to, or involving this CONTRACT, unless the COUNTY, on its own initiative, has already rendered such a final decision.
 2. The CONTRACTOR's written demand shall be fully supported by factual information, and, if such demand involves a cost adjustment to the CONTRACT, the CONTRACTOR shall include with the demand a written statement signed by a senior official indicating that the demand is made in good faith, that the supporting data are accurate and complete, and that the amount requested accurately reflects the CONTRACT adjustment for which the CONTRACTOR believes the COUNTY is liable.
- B. Pending the final resolution of any dispute arising under, related to, or involving this CONTRACT, the CONTRACTOR agrees to diligently proceed with the provision of services under this CONTRACT. The CONTRACTOR's failure to diligently proceed shall be considered a material breach of this CONTRACT.

Any final decision of the COUNTY shall be expressly identified as such, shall be in writing, and shall be signed by the COUNTY CONTRACT ADMINISTRATOR or designee. If the COUNTY fails to render a decision within ninety (90) days after receipt of the CONTRACTOR's demand, it shall be deemed a final decision adverse to the CONTRACTOR's contentions. Nothing in this Paragraph 17 shall be construed as affecting the COUNTY's right to terminate the CONTRACT for cause as stated in Paragraph K "Termination," herein.

18. Gratuities:

The CONTRACTOR warrants that no gratuities, in the form of entertainment, gifts or otherwise, were offered or given by the CONTRACTOR or any agent or representative of the CONTRACTOR to any officer or employee of the COUNTY with a view toward securing the CONTRACT or securing favorable treatment with respect to any determinations concerning the performance of the CONTRACT. For breach or violation of this warranty, the COUNTY shall have the right to terminate the CONTRACT, either in whole or in part, and any loss or damage sustained by the COUNTY in procuring on the open market any services which the CONTRACTOR agreed to supply shall be borne and paid for by the CONTRACTOR. Such claim shall be submitted promptly, but in no event later than sixty (60) days from the effective date of the termination, unless one or more extensions in writing are granted by the COUNTY upon written request of the CONTRACTOR. Upon termination COUNTY agrees to pay the CONTRACTOR for all services performed prior to termination which meet the requirements of the CONTRACT, provided, however, that such compensation plus previously paid compensation shall not exceed the total compensation set forth in the CONTRACT. Upon termination or other expiration of this CONTRACT, each PARTY shall promptly return to the other PARTY all papers, materials, and other properties of the other held by each for purposes of execution of the CONTRACT. In addition, each PARTY will assist the other PARTY in orderly termination of this CONTRACT and the transfer of all aspects, tangible and intangible, as may be necessary for the orderly, non-disruptive business continuation of each PARTY.

20. News/Information Release:

The CONTRACTOR agrees that it will not issue any news releases in connection with either the award of this CONTRACT or any subsequent amendment of or effort under this CONTRACT without first obtaining review and written approval of said news releases from the COUNTY.

6. Overview of Service Delivery Expectations

The purpose of the Senior Non-Emergency Medical Transportation Program (SNEMT) is to provide a coordinated community-based system of non-emergency medical transportation for older adults age 60 and older adults who lack other reasonable means of medical-related transportation. The program utilizes cars, vans, mini-buses, or other appropriate vehicles on a cost per mile basis.

CONTRACTOR(s) will offer at a minimum both door-to-door and curb-to-curb services and ensure that non-ambulatory accessible vehicles are available upon request. Service delivery is based upon the needs of the individuals served. Each CONTRACTOR, depending upon their geographic service area, will provide the greatest number of annual trips possible by utilizing a community-based vehicle dispatch model with a fixed price per mile reimbursement.

CONTRACTOR(s) will implement trip prioritization procedures if it is deemed necessary by the Office on Aging in order to ensure that the program operates within the authorized funding amount, utilizing the trip priority categories stipulated in the Senior Non-Emergency Medical Transportation Program Policies and Procedures.

In the event that quarterly actual expenditures exceed or are within 25% of the amount of funding dedicated to the program, the Office on Aging will have authorization to prioritize trips.

Trip prioritization will include the flexibility to leverage trips with other transportation resources to maximize program services and ensure that SNEMT serves as many seniors as possible. An example of leveraging trips with other resources is as follows: a client requiring trip services to chemotherapy may utilize other specialized transportation services to the medical appointment destination and utilize SNEMT transportation services for the return trip.

Once trip prioritization has been activated, it will remain in effect for 12 months. At the end of 12 months, the need for prioritization will be reevaluated by the Office on Aging to determine if deactivation of prioritization is appropriate. If sufficient funding is available, all eligible older adults will be served, even if trip prioritization is still activated.

CONTRACTOR (s) will provide all management, personnel, client intakes, marketing and outreach, scheduling, dispatching, driving responsibilities, telecommunications equipment, road supervision, computer software and hardware, and back-up vehicles necessary for the operation of the Senior Non-Emergency Medical Transportation Program.

A. SNEMT CLIENT ELIGIBILITY CRITERIA

I. CLIENT ELIGIBILITY

The Senior Non-Emergency Medical Transportation Program has been developed to provide non-emergency medical transportation to medical services for older adults who have no other reasonable means of transportation.

- a. Client Eligibility Requirements:
 - i. Must be at least 60 years of age and reside in Orange County
 - ii. Must reside in a designated Service Area served by Contractor
 - iii. Client must have completed the application process prior to receiving services
- b. Clients shall be notified by mail when the application is approved.

II. CLIENT PRIORITY CRITERIA

Starting in April 2011, the Senior Non-Emergency Medical Transportation Program (SNEMT) will benefit from increased funding provided by Renewed Measure M (M2). As such, the Office on Aging will expand the program to include all persons age 60 and older. However, with the combination of a rapidly growing 60+ population and long-term uncertainties related to the funding sources for this program, it is necessary to develop procedures to prioritize trips to ensure the program stays within available revenue sources.

M2 funding for the SNEMT program will be made available on a bi-monthly basis. Total funding allocations will be based on actual sales tax receipts. The Office on Aging will be required to submit quarterly reporting with trip data and budget-to-actual program expenditures. If quarterly actual expenditures submitted on the quarterly report exceed or are within 25% of the amount of funding dedicated to the program (MOE + M2 revenues), then the Office on Aging will have authorization to prioritize trips.

If the Office on Aging believes it is necessary to begin trip prioritization prior to the end of a quarter, it can provide OCTA with a Notice of Intent for Trip Prioritization, which shall explain the reasoning to initiate trip prioritization immediately. Trip prioritization will include the flexibility to leverage trips with other transportation resources to maximize program services and ensure that SNEMT serves as many seniors as possible. An example of leveraging trips with other resources is as follows: a client requiring trip services to chemotherapy may utilize other specialized transportation services to the medical appointment destination and utilize SNEMT transportation services for the return trip.

Once trip prioritization has been activated, it will remain in effect for 12 months. At the end of 12 months, the need for prioritization will be reevaluated by the Office on Aging to determine if deactivation of prioritization is appropriate. It is important to note that if sufficient funding is available, all eligible older adults will be served, even if trip prioritization is still activated. The following criteria will be utilized for SNEMT trip prioritization:

1. Once maximum trip capacity has been reached, it will be necessary to create a list of new clients waiting for an opening in the program.
2. A waiting list is only for older adults who have completed the SNEMT application process and are eligible to use the transportation program. Those who are not eligible to use the program will not be placed on a waiting list.
3. A waiting list will be formed only when program trip capacity has been reached. Participants on the waiting list will be reviewed monthly by the TC to determine status and potential timeline for being removed from the list.
4. Participants will be transferred from the Waiting List to the Active Client List in the following order:
 - First: Those individuals who require priority trips due to medical conditions;
 - Second: Those individuals with multiple illnesses; and,
 - Third: Remaining individuals.
5. On a quarterly basis, the TC will monitor trip histories of enrolled individuals and contact those individuals who have not used the program in the previous six month period. TC will determine continuation or termination of the individual to control program capacity and reduce use of a waiting list.

E. OoA INFORMATION & ASSISTANCE (I&A) DEPARTMENT RESOURCES

1. Developing a partnering relationship with Information and Assistance (I&A) is critical as it is the central clearinghouse for information on all services and programs for older adults in Orange County. Contractor must develop an understanding of I&A's referring mechanism, both to SNEMT and other services.
2. Instruct staff to refer clients to the (800) 510-2020 number if it appears that they may need information on other services, including, but not limited to, caregiving assistance; congregate and home delivered meals; case management; non-SNEMT transportation; in-home services; health services; housing; legal assistance; health insurance; financial assistance; ethnic services; products and services for the disabled population; social activities and exercise venues.

3. Client termination or suspension from the program is at the discretion of the SNEMT program provider, and may be necessary should any of the following situations occur:
 - a. Abuse of the No-Show policy (3 no-shows within a 30 day period)
 - b. Utilizing SNEMT for purposes other than medically related
4. Providers shall retain client files for all clients who have been removed from the program, so that in the event that they should re-apply at a later date, their previous eligibility can be verified before beginning the process of re-applying for SNEMT services. These files are subject to the same storage requirements pertaining to the Provider's records specified in the Contract.

G. CLIENT RELEASES

1. The SNEMT Provider may require a Client Release Form prior to providing transportation services. If Provider decides to require Client Release form, the form shall contain all the data indicated in the sample SNEMT Client Release Form that is included in Section XI.B.

4. Dispatchers will provide continuous monitoring of assigned radio frequencies during all hours that vehicles are in service, answer and respond to telephone calls on the Ride Status line, and respond to calls from drivers and OoA staff.

D. SNEMT NO SHOW POLICY

1. SNEMT values the ride of every customer, and in order to meet the growing demand for transportation among older adults and to provide quality service, a No-Show policy will be enforced. No Shows and excessive cancellations must be monitored and managed to ensure that the service is provided in the most efficient and effective manner possible.
2. Clients who have a pattern of missed trips adversely impact other users. If these scheduled rides are canceled in a timely manner, the route can be rescheduled to pick up other clients. To protect the interests of the older adult riders, OoA has developed a no show policy to identify clients who abuse the system by establishing a practice of not using the rides they have scheduled.
3. A No Show is defined as:
 - a. When a client fails to appear for a scheduled trip within 10 minutes after the scheduled pick-up time (Driver must immediately notify dispatch of the no-show); or,

 - d. Three No-Shows in a 30 day period may result in a suspension or termination of services. Each client's No-Shows will be tracked monthly and recorded in client file.

E. CANCELLATION NOTICE

1. Clients must cancel at least two hours prior to the pick-up time of their scheduled ride in order to avoid being charged a No-Show. Cancellations received during non-business hours and weekends must be processed promptly the next business day to avoid dispatching to canceled pick-ups.
2. Under no circumstances will an SNEMT provider cancel a scheduled trip unless a State of Emergency has been called by the authorities. Trips may be denied if any passenger becomes combative, disruptive, or abusive, or if any passenger is under the influence of alcohol or drugs.

F. NO PASSENGER STRANDED POLICY

1. Under no circumstances will an SNEMT client be stranded at a drop off point. At the time of the ride reservation the scheduler/dispatcher will confirm the need for a round trip and schedule
