

**Item 45, Bartlett Amendment**

6-25-19  
#45

If no litigation is filed challenging the County's approval of the General Aviation Improvement Plan and corresponding EIR No 627 within the 30-day Statute of Limitations that begins upon the filing of a notice of Determination, then airport staff are directed to return to the Board of Supervisors for consideration of a draft Request for Proposals for Fixed Based Operators that includes lease-enforced restrictions limiting medium and large GA jet aircraft to approx. 25.6 acres on JWA property, as indicated with the yellow areas on the attached map and providing that the international GA facility operate between 5 a.m. and 12.am.
