2.2 Non-Discrimination

2.2.1 In the performance of this CONTRACT, A-E agrees that it will comply with the requirements of the California Labor Code and not engage nor permit any subcontractors to engage in discrimination in employment of persons because of the race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, or sex of such persons.

A-E shall retain all such documentation for all covered employees for the period prescribed by the law.

2.4 Independent Contractor

2.4.1 As referenced in Section 2.1.2 of this CONTRACT, A-E shall be considered an independent contractor.

This obligation shall apply to the A-E; the A-E's employees, agents, and relatives; sub-tier contractors; and third parties associated with accomplishing work and PROJECTS/SERVICES hereunder.

2.5.2 A-E's efforts shall include, but not be limited to establishing precautions to prevent its employees or agents from: making, receiving, providing or offering gifts, entertainment, payments, loans or other considerations which could be deemed to appear to influence individuals to act contrary to the best interests of the COUNTY.

2.6.1 All A-E and subcontractors must comply with the requirements of California Labor Code 1770 et seq. if the work performed is considered a "public works" under California Labor Code 1720 et seq. A-E is encouraged to contact the California Department of Industrial Relations for clarification if the A-E is unsure if some or any of the work performed under this CONTRACT qualifies as "public works".

3. INSURANCE

3.1.1 Prior to the provision of services under this CONTRACT, the A-E agrees to purchase all required insurance at A-E's expense, including all endorsements required herein, necessary to satisfy the COUNTY that the insurance provisions of this CONTRACT have been complied with. A-E shall not allow subcontractors to work if subcontractors have less than the level of coverage required by COUNTY from A-E under this CONTRACT. It is the obligation of A-E to provide notice of the insurance requirements to every subcontractor and to receive proof of insurance prior to allowing any subcontractor to begin work. Such proof of insurance must be maintained by A-E through the entirety of this CONTRACT for inspection by COUNTY representative(s) at any reasonable time.

3.1.3 All self-insured retentions (SIRs) shall be clearly stated on the Certificate of Insurance. Any self-insured retention (SIR) in an amount in excess of Fifty Thousand Dollars (\$50,000) shall specifically be approved by the County's Risk Manager, or designee, upon review of A-E's current audited financial report. - 1 In addition to the duty to indemnify and hold the COUNTY harmless against any and all liability, claim, demand or suit resulting from A-E's, its agents, employee's or subcontractor's performance of this CONTRACT, A-E shall defend the COUNTY at its sole cost and expense with counsel approved by Board of Supervisors against same; and
- 2 A-E's duty to defend, as stated above, shall be absolute and irrespective of any duty to indemnify or hold harmless; and
- 3 The provisions of California Civil Code Section 2860 shall apply to any and all actions to which the duty to defend stated above applies, and the A-E's SIR provision shall be interpreted as though the A-E was an insurer and the COUNTY was the insured.

SCOPE OF WORK**I. INTRODUCTION**

OC Public Works on behalf of the County of Orange (COUNTY) requires supplemental professional services to meet workload demands and project scheduling commitments in relation to **On-Call Design Support Services - Electrical Engineering** for various projects. A/E is defined as an Architect or Engineer for design and/or engineering of a project. In order to supplement its existing resources, COUNTY intends to issue "On-Call Mechanical, Electrical and Cost Estimating Services" for use by Orange County Public Works on an "as-needed" basis. No specified amount of work is guaranteed to A/E.

II. GENERAL DESCRIPTION OF SERVICES

The A/E will be contacted by Orange County Public Works Project Management staff on an "as-needed" basis as projects arise to provide A/E for professional services. Requirements will be discussed by both Parties and A/E shall prepare a written *Scope Statement* that will include the specific work to be performed, including the costs and time required to complete the project/task. Orange County Public Works Project Management staff will then review the A/E's *Scope Statement*, proceed with negotiation of task costs and when satisfied, issue a Contract Task Order (CTO) against this CONTRACT.

The A/E shall serve as lead of a design team that may include other construction design professionals working together to ensure that the original design is carried through to the finished product, with no alterations in materials or design that would lead to safety issues or compromise the quality of the building or building component. Other team members who may be retained by the lead to support a project as a consultant may include but are not limited to landscape architects, lighting designers, data consultants, security consultants, controls engineers, commissioning consultants, etc.

The A/E shall be responsible for the preparation of comprehensive building assessments, designs, drawings, specifications, cost estimates, and reports within the scope of the Contract Task Order (CTO). In the preparation of construction drawings and specification, the A/E shall also responsible for:

- A. Obtaining data by visiting the site of the construction and by conferences with the User/Client or by other actions as necessary to develop the design;
- B. Checking of shop drawings and other data submitted by the Construction Contractor for approval;
- C. Furnishing consultation and advice to COUNTY to clarify the intent of the drawings and specifications and on questions that may arise during the construction of the project;
- D. Other services as specifically included in the Contract Task Order;
- E. The coordination of the various elements of the design to assure compatibility of architectural, structural, electrical, mechanical/plumbing, and other design features;
- F. The meeting of submittal dates included in the *Scope Statement* of the Contract Task Order, including the work of consultants.

III. CONTRACT TASK ORDER

A/E shall be assigned work via a task order by Orange County Public Works which shall subsequently be referred to as the "Contract Task Order" (hereinafter "CTO"). A CTO for each project shall be developed by A/E in conjunction with Orange County Public Works Project Management staff. The COUNTY Project Manager shall manage all A/E's work including monitoring the CTO work schedule, quality of deliverables, review of invoiced amounts, adherence to set budget, and internal review of submittal packages. A/E shall follow all requirements as outlined in the CTO; this general Scope of Work, the project specific *Scope Statement*, and the Architect-Engineer Guide (Exhibit I - August 3, 2016).

The CTO shall include a detailed *Scope Statement*, describing tasks to be performed with a specific list of deliverables for each task, schedule of work and cost to complete the work. The schedule of work shall allow sufficient time for meetings with Orange County Public Works Project Management staff to review the work progress, provide technical and policy direction, resolve problems and ensure adherence to the work completion schedule. The CTO shall include a cover sheet provided by Orange County Public Works Project Management staff with the appropriate signature blocks and contract information. Once both Parties are in agreement and all Parties have signed the CTO, Orange County Public Works Project Management staff shall provide A/E with a Notice to Proceed (NTP) to begin work. A/E shall submit all plans, reports and other documents produced under the CTO to the assigned COUNTY Project Manager within the timeframe indicated in the CTO or as directed by Orange County Public Works Project Management staff.
