

FIRST AMENDMENT TO AGREEMENT FOR  
PROVISION OF  
TOBACCO CESSATION SERVICES  
BETWEEN  
COUNTY OF ORANGE  
AND  
AHMC ANAHEIM REGIONAL MEDICAL CENTER LP  
JULY 1, 2017 THROUGH JUNE 30, 2020

THIS FIRST AMENDMENT TO AGREEMENT entered into this 14th day of August, (effective date), is by and between the COUNTY OF ORANGE, a political subdivision of State of California (COUNTY) and AHMC ANAHEIM REGIONAL MEDICAL CENTER, a California limited partnership (CONTRACTOR). The Original Agreement and this First Amendment are and shall continue to be administered by the Director of the COUNTY’s Health Care Agency or his/her authorized designee (“ADMINISTRATOR”).

**WITNESSETH**

WHEREAS, COUNTY wishes to contract with CONTRACTOR for the provision of Tobacco Cessation Services described herein to the residents of Orange County; and

WHEREAS, COUNTY has a commitment to residents of Orange County to reduce smoking prevalence and address emerging tobacco issues in a proactive manner amongst Orange County adults and youth; and

WHEREAS, CONTRACTOR is agreeable to the rendering of such services on the terms and conditions hereinafter set forth:

NOW, THEREFORE, in consideration of the mutual covenants, benefits, and promises contained herein, COUNTY and CONTRACTOR do hereby agree as follows:

1. Page 4, lines 8 through 12 of the Agreement are amended to read as follows:

“C. PERFORMANCE OBJECTIVES – PERIODS TWO AND THREE

1. The performance objectives and complete actions plans for periods two and three shall be developed in coordination with TUPP staff and will be based upon period one process outcomes to ensure program’s quality and effectiveness. Performance objectives and complete action plans for Period Two and Period Three shall be included in the TUPP Manual.

2. Two-Year Scope of Work: 2018 - 2020

a. Objective 1: Adult Individual Counseling - By June 30, 2020, at least one thousand five hundred fifty (1,550) adult tobacco users from Orange County will participate in an in-person individualized cessation counseling session that is sixty (60) minutes in length. Each individual counseling session will involve an initial scheduling call and a follow-up call, in addition to the thirty (30) calendar day and one hundred eighty (180) calendar day follow-up calls. Thirty three percent (33%) of the one thousand five hundred fifty (1,550) participants shall report an abstinence from tobacco use six (6) months after completing the service. No more than 30% of total participants will be from Anaheim Regional Medical Center (ARMC).

b. Objective 2: Adult Telecommunication Counseling - By June 30, 2020, at least one hundred (100) adult tobacco users from Orange County will participate in a telephone/telecommunication cessation counseling session that is sixty (60) minutes in length. Each individual counseling session will involve an initial scheduling call and a follow-up call, in addition to

1 the thirty (30) calendar day and one hundred eighty (180) calendar day follow-up calls. Thirty three  
2 percent (33%) of the one hundred (100) participants shall report an abstinence from tobacco use six (6)  
3 months after completing the service. No more than 30% of total participants will be from Anaheim  
4 Regional Medical Center (ARMC).

5 c. Objective 3: Adult Seminars - By June 30, 2020, at least one thousand six hundred  
6 (1,600) adult tobacco users from Orange County will participate in a one-time seminar that is one hour  
7 and a half (1 ½) in length, or two (2) seminars that are each forty-five (45) minutes in length. Each  
8 participant shall receive a scheduling call and two (2) follow-up calls at thirty (30) calendar days and  
9 one hundred eighty (180) calendar days after completing the service. Thirty-three percent (33%) of the  
10 one thousand six hundred (1,600) participants shall report abstinence from tobacco use six (6) months  
11 after completing the service. No more than 30% of total participants will be from Anaheim Regional  
12 Medical Center (ARMC).

13 d. Objective 4: Adult 5 Session Series – By June 30, 2020, at least six hundred (600) adult  
14 tobacco users from Orange County will participate in a series of five (5) sixty (60) minute cessation  
15 sessions. An individual must attend at least three (3) cessation classes to be counted as a participant.  
16 Each participant shall receive a follow-up call at thirty (30) and one hundred eighty (180) calendar days  
17 after completing the service. Thirty-three percent (33%) of the six hundred (600) participants shall  
18 report abstinence from tobacco use six (6) months after completing the service completing the service.  
19 No more than 30% of total participants will be from Anaheim Regional Medical Center (ARMC).

20 e. Objective 5: Sober Living Facilities and Treatment Facilities – By June 30, 2020, at  
21 least two thousand one hundred (2,100) adult tobacco users from Orange County will participate in a  
22 series of either five (5) cessation classes, one time seminar that is one hour and a half (1 ½) in length, or  
23 two (2) seminars that are each forty-five (45) minutes in length, that focuses on those adults living in  
24 sober living facilities or treatment facilities. An individual must attend all seminar sessions or at least  
25 three (3) of the five (5) cessation classes to be counted as a participant.

26 f. Objective 6: Homeless Population Facilities – By June 30, 2020, at least one hundred  
27 (100) adult tobacco users from Orange County will participate in a series of either five (5) cessation  
28 classes, one time seminar that is one hour and a half (1 ½) in length, or two (2) seminars that are each  
29 forty-five (45) minutes in length, that focuses on those adults living in homeless-serving  
30 organizations/facilities. An individual must attend all seminar sessions or at least three (3) of the five  
31 (5) cessation classes to be counted as a participant.

32 g. Objective 7: Youth 5 Sessions Series – By June 30, 2020, at least four hundred (400)  
33 youth tobacco users from Orange County will participate in a series of five (5) cessation sessions, which  
34 are at least forty-five (45) minutes in length. An individual has to attend at least three (3) cessation  
35 classes to be counted as a participant. Each participant will receive an initial scheduling call and two (2)  
36 follow-up calls at thirty (30) and one hundred eighty (180) calendar days after completing the service.

37 //

1 Thirty-three percent (33%) of the four hundred (400) youth served shall report abstinence from tobacco  
2 use six (6) months after completing the service.

3 h. Objective 8: Youth Seminars - By June 30, 2020, at least one thousand (1,000) youth  
4 tobacco users from Orange County will participate in a one-time seminar that is at least one (1) hour  
5 long. Each participant will receive an initial scheduling call and two (2) follow-up calls at thirty (30)  
6 and one hundred eighty (180) calendar days after completing the service. Thirty-three percent (33%) of  
7 the one thousand (1,000) youth shall report abstinence from tobacco use six (6) months after completing  
8 the service.

9 i. Objective 9: Cessation Helpline (1-866-NEW-LUNG) - By June 30, 2020, the NEW  
10 LUNG Line will be maintained to receive tobacco cessation calls in five languages: English, Spanish,  
11 Vietnamese, Korean, and Farsi. Cessation services offered include: 1) one-on-one in-person counseling,  
12 2) cessation seminars, and 3) five cessation sessions. The line will be available during regular business  
13 hours, Monday through Friday, from 8:00am to 5:00pm. All missed calls will be returned within 48  
14 business hours. Calls will be tracked by using a "Cessation Line Caller Track Form" to build a database  
15 of all calls received by the helpline.

16 j. Objective 10: Cessation Promotion Services - By June 30, 2020, recruit and maintain at  
17 least one thousand two hundred (1,200) locations to provide cessation materials and/or referrals to 1-  
18 866-NEW-LUNG line. Locations may include, but are not limited to: health care professionals and/or  
19 allied health care professionals, educational institutions, work sites, veteran's organizations, and lesbian,  
20 gay, bisexual, transgender, questioning, intersex (LGBTQI) serving organizations, and youth sites. At  
21 least 400 of these locations will be located in high smoking prevalence areas in Orange County. At least  
22 400 of these locations will be at low wage working sites, community clinics, and family resource  
23 centers.

24 k. Objective 11: Cessation Promotion Services - By June 30, 2020, recruit and maintain at  
25 least six hundred (600) businesses, community organizations, and medical facilities that provide services  
26 to mothers and/or expectant mothers who use tobacco to provide their clients with cessation materials  
27 and/or referrals to 1-866-NEW-LUNG line. At least two hundred (200) of the overall outreach sites will  
28 be located in high smoking prevalence areas in Orange County.

29 l. Objective 12: Cessation Texting Service - By June 30, 2020, implement and maintain  
30 the NEW LUNG Texting Service as a strategy to reinforce and bolster cessation services. Participants  
31 who voluntarily enroll in the texting service shall receive text messages for three months after receiving  
32 cessation services. Texts include motivational quotes, quit tips, and other material covered in cessation  
33 classes. Participants can opt out of receiving texts at any time.

34 m. Objective 13: Promotional and Incentive Items - By June 30, 2020, purchase and  
35 disseminate a minimum of forty-four (44) promotional and incentive materials focusing on promotion of  
36 the 1-866-NEW-LUNG line and increasing quit attempts of tobacco use. These materials shall support  
37 the promotion of the other objectives focused on adults and youth."

1 In all other respects, the terms of the underlying Agreement, not specifically changed by this  
2 Amendment, shall remain in full force and are incorporated by reference herein.
