2. The MAG adjusted in proportion to changes in the Consumer Price Index for Los Angeles - Anaheim - Riverside (All Urban Consumers - All Items) promulgated by the Bureau of Labor Statistics of the U.S. Department of Labor. This adjustment shall be calculated by means of the following formula:

$$X = \frac{A}{B} \times \text{MAG as determined in 1) above}$$

Where:

X = Adjusted minimum annual guarantee

A = Monthly index for the fourth month prior to the month in which each rent adjustment is to become effective.

**JOHN WAYNE AIRPORT  
ON-AIRPORT RENTAL CAR CONCESSION LEASE**

---

On or before the twentieth day of each month (the "due date"), TENANT shall deliver to Auditor-Controller an accurate statement of all applicable gross receipts, transactions and, transaction days, during the preceding calendar month for that portion of the annual period which ends with and includes the last day of the preceding calendar month. The statement shall be signed by TENANT or its responsible agent in a form prescribed by Auditor-Controller. Each statement shall indicate:
- 1) One-twelfth of the MAG payment;
  - 2) The total gross receipts as defined in Section 4.03 for said portion of the annual period, itemized as to each of the business categories. A breakdown of the gross receipts of each business conducted on the Leased Premises must be attached to

each statement where a reported business category is comprised of more than one business operation;

- 3) The related itemized amounts of percentage rent computed as herein provided and the total thereof;
- 4) The total rent previously paid by TENANT for the annual period within which the preceding month falls; and
- 5) The rent due for the preceding month.

Concurrently with the rendering of each monthly statement, TENANT shall pay to COUNTY the greater of the following two amounts:

- 6) The total percentage rent computed for that portion of the annual period ending with and including the last day of the preceding month [Item 3), above] less total rents previously paid for the annual period [Item 4), above], or
- 7) One-twelfth of the MAG, multiplied by the number of months from the beginning of the annual period to and including the preceding month, less total rents previously paid for the annual period [Item 4), above].

B. Payment of Ready Car Parking Area Rent, Common Area Rent and Overflow Parking Rent. TENANT shall submit on or before the first day of each month, payable monthly in advance, payment of Ready Car Parking Area Rent, Common Area Rent and Overflow Parking Rent as provided in Section 4.01 (RENT).

C. Place of Payment and Filing. Payments and statements required by the Section in this Lease entitled "RENT" shall be delivered to the County of Orange, Office of the Auditor-Controller, John Wayne Airport Accounting Services, 3160 Airway Avenue, Costa Mesa, California 92626. The designated place of payment and filing may be changed at any time by COUNTY upon ten (10) days' written notice to TENANT. Payments may be made by check payable to the County of Orange. TENANT assumes all risk of loss if payments are made by mail.

D. Form of Payment. All sums due under this Lease shall be paid in lawful money of the United States of America without offset or deduction or prior notice or demand. No payment by TENANT or receipt by COUNTY of a lesser amount than the payment due shall be deemed to be other than on account of the payment due, nor shall any endorsement or statement on any check or any letter accompanying any check or payment be deemed an accord and satisfaction, and COUNTY shall accept such check or payment without prejudice to COUNTY's right to recover the balance of the amount due or pursue any other remedy in this Lease. All payments must be remitted by Automated Clearing House (ACH) or similar form of direct deposit to the County-Airport's designated bank account, or any future mode prescribed by the COUNTY. Any fees assessed to the COUNTY's bank account due to the use of other form of payment (e.g. wire transfer) not prescribed or

approved by the COUNTY, shall be passed through to the TENANT plus \$25 processing fee.

- E. Penalty for NSF Check. In the event a check submitted by TENANT is returned for non-sufficient funds (“NSF”), TENANT agrees to pay COUNTY a penalty in the amount of twenty-five dollars (\$25) for the first check, and thirty-five dollars (\$35) for each subsequent check.

### SECTION 4.05 CHARGE FOR LATE PAYMENT

TENANT hereby acknowledges that the late payment of rents or any other sums due hereunder will cause COUNTY to incur costs not contemplated by this Lease, the exact amount of which will be extremely difficult to ascertain. Such costs include, but are not limited to, administrative processing of delinquent notices, increased accounting costs, and lost interest income.

Accordingly, if any payment of rent as specified in Section 4.01 (RENT) or of any other sum due COUNTY is not received by the due date, a late charge of five percent (5%) of the payment due and unpaid, plus one hundred dollars (\$100) shall be added to the payment. The total sum shall become immediately due and payable to COUNTY. An additional charge of five percent (5%) of said payment, excluding late charges, shall be added for each additional month that said payment remains unpaid.

TENANT and COUNTY hereby agree that such late charges represent a fair and reasonable estimate of the costs that COUNTY will incur by reason of TENANT’s late payment. Acceptance of such late charges (and/or any portion of the overdue payment) by COUNTY shall in no event constitute a waiver of TENANT’s default with respect to such overdue payment, or prevent COUNTY from exercising any of the other rights and remedies granted hereunder.

### SECTION 4.06 RECORDS AND ACCOUNTS

- A. Records Defined. “TENANT’s Records” shall include any and all information, materials, and data of every kind and character in any format, including, but not limited to records, accounts, financial transactions, books, papers, documents, recordings, notes, receipts, vouchers, memoranda, sales invoices, accounts receivable records, commission payment records, tax remittance records, expenditures for improvements or refurbishments, any and all other agreements, sources of information and matters that may, at COUNTY’s sole discretion, have any bearing on or pertain to any matters, rights, duties, or obligations under or covered by the Lease, and any other TENANT Records which may have a bearing on matters of interest to COUNTY in connection with TENANT’s dealings with COUNTY to the extent necessary to adequately permit evaluation and verification of any or all of the following:
- 1) Accuracy of amounts owed to COUNTY resulting from TENANT’s operation of the Leased Premises.
  - 2) Compliance with any requirement in the Lease.

## JOHN WAYNE AIRPORT ON-AIRPORT RENTAL CAR CONCESSION LEASE

TENANT's Records must be supported by source documents such as sales slips, cash register tapes, purchase invoices, or other pertinent documents. Computer generated, not pre-numbered rental agreements, may be utilized provided the TENANT can demonstrate there are sufficient internal controls in place to ensure the integrity of the procedure for generating rental contracts cannot be compromised to the satisfaction of COUNTY's Auditor-Controller. TENANT must have the ability to generate daily and monthly detailed and summary sales reports on activities at John Wayne Airport and produce same if requested by Auditor-Controller.

Except as otherwise provided herein, all retail sales and charges shall be recorded by means of cash registers or other comparable devices that display to the customer the amount of the transaction and automatically issue a receipt. The registers shall be equipped with devices which lock in sales totals and other transaction records, or with counters which are not resettable and which record transaction numbers and sales details. Totals registered shall be read and recorded by TENANT at the beginning and end of each business day.

TENANT shall, at all times during the term of this Lease, keep or cause to be kept true and complete books, records, and accounts of all financial transactions in the operation of all business activities, of whatever nature, conducted in pursuance of the rights granted herein. The records must be supported by source documents such as sales slips, cash register tapes, purchase invoices, or other pertinent documents.

If TENANT shall fail to provide Airport by the thirtieth (30th) day after a calendar month with the Receipts Report complying with the requirements of this Section 10.2, then AIRPORT may invoice TENANT for estimated Percentage Fees for the prior calendar month in an amount equal to the monthly Percentage Fees that would be payable based on 1.15 times TENANT's actual Gross Receipts from or at the Airport for the last month reported by TENANT to AIRPORT, or if TENANT has filed no such report with AIRPORT, then as estimated in good faith by AIRPORT. TENANT shall, within five (5) days after its receipt of such invoice, pay the invoiced amount to AIRPORT; provided, however, that when TENANT determines its actual Gross Receipts for the preceding month, TENANT may tender the actual Percentage Fees payment to AIRPORT, but only if it is accompanied by the Receipts Report for such prior calendar month. The acceptance of such estimated Percentage Fees by AIRPORT, and the acceptance of any delinquent Receipts Report by AIRPORT, shall be without prejudice to any of AIRPORT's rights under this Lease.

- B. The Accounting year. The accounting year shall be twelve full calendar months. The accounting year may be established by TENANT provided TENANT notifies Auditor-Controller in writing of the accounting year to be used. Said accounting year shall be deemed to be approved by Auditor-Controller unless Auditor-Controller has objected to TENANT's selection in writing within sixty (60) days of TENANT's writing notification.

In the event TENANT fails to establish an accounting year of its choice, regardless of the cause, the accounting year shall be synonymous with the twelve-month period contained in the first one-year term of the Lease.

## JOHN WAYNE AIRPORT ON-AIRPORT RENTAL CAR CONCESSION LEASE

Any portion of a year that is not reconciled, should the accounting year and the anniversary year of the Lease commencement not be the same, shall be accounted for as if it were a complete accounting year.

Once an accounting year is established, it shall be continued through the term of the Lease unless Auditor-Controller specifically approves in writing a different accounting year. Auditor-Controller shall only approve a change in accounting years in the event of undue hardship being placed on either the TENANT or COUNTY and not because of mere convenience or inconvenience

- C. **CPA-Audited Statement of Gross Receipts.** Within ninety (90) days after the end of each accounting year, TENANT at its own expense shall submit to Auditor-Controller an audited statement of gross receipts for all Airport operations. This statement shall include a breakdown schedule of total gross receipts for the accounting year by month and sales as classified according to the categories of business established for percentage rental and listed in Section 4.01 (RENT) and for any other business conducted on or from the Leased Premises. This statement must be prepared by an independent Certified Public Accountant (CPA) or CPA firm holding a current and valid license and completion of attest experience ("A") with the State Board of Accountancy. The audit must be performed in accordance with current Generally Accepted Auditing Standards (GAAS) authorized by the American Institute of Certified Public Accountants (AICPA).

A reviewed statement of gross receipts may be requested by TENANT instead of an audited statement of gross receipts if there is undue hardship to obtain an audited statement. TENANT must request and obtain written approval for a reviewed statement from the Auditor-Controller prior to the start of the financial statement engagement for the year to be audited. If a reviewed statement of gross receipts is approved by the Auditor-Controller, COUNTY reserves the right to require an audited statement of gross receipts for future years.

TENANT shall provide COUNTY with copies of any Certified Public Accountant management letters and audited or reviewed financial statements prepared in conjunction with their audit of TENANT's operations from the Leased Premises. Copies of management letters and/or financial statements shall be provided directly to COUNTY by the CPA at the same time TENANT's copy is provided to TENANT.

TENANT acknowledges that any and all of the "Financial Statements" submitted to COUNTY pursuant to this Lease become Public Records and are subject to public inspection pursuant to California Government Code Sections 6250 *et seq.* .

- D. **Failure to Submit Financial Statements.** In addition to any other remedies available to COUNTY at law or in equity or under this Lease, in the event that TENANT fails to submit any financial statements by the due date listed in this Section, Subsection "D. Financial Statements". Airport Director may require TENANT to submit the greater of:
- 1) \$5,000 fine; or

**JOHN WAYNE AIRPORT  
ON-AIRPORT RENTAL CAR CONCESSION LEASE**

---

- 2) Any and all costs incurred by COUNTY for the Certified Public Accountant hired by the COUNTY to prepare the required financial statements, including an administrative fee equal to fifteen percent (15%) of those costs.
- E. Audits. All TENANT's books of account and records and supporting source documents related to this Lease or to business operations conducted within or from the Airport, whether from on-site or off-site locations, shall be kept and made available to COUNTY at one location within the limits of the County of Orange or shall be made available at offices in the county within ten (10) business days after notice to provide said records and source documents. COUNTY shall, through its duly authorized agents or representatives, have the right to examine and audit said books of account and records and supporting source documents at any and all reasonable times for the purpose of determining the accuracy thereof, and of the monthly statements of transactions and the dollar amount of said transactions. The full cost of said audit shall be borne by COUNTY.

Auditor-Controller, upon request of TENANT and in Auditor-Controller's sole discretion, may authorize the above-referenced books and records and supporting source documents to be kept in a single location outside the geographical limits of Orange County provided TENANT shall agree to pay all expenses including but not limited to transportation, food, and lodging necessary for Auditor-Controller to send a representative to audit said books and records. Said right shall not be exercised by Auditor-Controller more than once each accounting year

Upon the request of Auditor-Controller, TENANT shall promptly provide, at TENANT's expense, necessary data to enable COUNTY to fully comply with any and every requirement of the State of California or the United States of America for information or reports relating to this Lease and to TENANT's use of the Airport. Such data shall include, if required, a detailed breakdown of TENANT's receipts and expenses.

The full cost of said audit, as determined by Auditor-Controller, shall be borne by TENANT if either or both of the following conditions exist:

- 1) The audit reveals an underpayment of more than one percent (1%) between the rent due as reported and paid by TENANT in accordance with this Lease and the rent due as determined by said audit;
- 2) TENANT has failed to maintain true and complete books, records, accounts and supporting source documents in accordance with this Section, Subsection "A. Records Defined" above. The adequacy of records shall be determined at Auditor-Controller's reasonable sole discretion.

Otherwise, COUNTY shall bear the cost of said audit, excluding the aforementioned expenses related to audit of documents kept outside the limits of the County of Orange.

- F. Failure to Maintain Adequate Records. In addition to any other remedies available to COUNTY at law or in equity or under this Lease, in the event that TENANT fails to maintain and keep books, records and accounts of gross receipts from business operations

conducted on or from the Leased Premises and/or source documents relating thereto, or to make the same available to Auditor-Controller for examination and audit, or to record sales and/or to maintain registers to record sales, or to provide financial statements and other information to Auditor-Controller regarding gross sales as required by this Lease, Auditor-Controller, at Auditor-Controller's option, may:

- 1) Perform such examinations, audits and/or investigations itself or through agents or employees as COUNTY and/or its auditors may deem appropriate to confirm the amount of percentage rents payable by TENANT under this Lease and any and all costs and/or expenses incurred by COUNTY in connection therewith shall be promptly reimbursed to COUNTY by TENANT upon demand.
- 2) Provide accounting services and/or a system for recording retail sales and charges, including without limitation, cash registers, for use by TENANT in business transactions upon or from the Leased Premises, and, at COUNTY's option, maintain personnel on the Leased Premises to observe and/or record such sales during TENANT's business hours, or from time to time, all at TENANT's sole cost and expense and, in such event, TENANT shall promptly reimburse COUNTY for any and all costs incurred by COUNTY in connection therewith; and/or
- 3) Require that TENANT pay percentage rents based on COUNTY's best good faith estimate of TENANT's gross receipts from business operations conducted on or from the Leased Premises and Airport and any such determination made by COUNTY shall be conclusive and binding upon TENANT.

Costs payable by TENANT pursuant to this Section shall include reimbursement to COUNTY of COUNTY provided services at such rates as COUNTY may from time to time, in good faith, establish for such services. In the case of services provided by COUNTY's employees, such rates shall be sufficient to reimburse COUNTY for employees' salaries, including employee taxes and benefits and COUNTY's overhead or, at Auditor-Controller's option, may be the rate for such services that would be charged by a qualified third party or parties, approved by Auditor-Controller, if engaged by COUNTY to perform such services. Said costs payable by TENANT shall be included as rent for the first month following invoice to TENANT.

- G. Review Period. COUNTY or its designee may conduct such audits or inspections throughout the term of this Lease and for a period of three (3) years after final payment or longer if permitted by law.
- H. Methodology. COUNTY or designee may, without limitation by TENANT, conduct verifications including, but not limited to, inspection of TENANT's Records, observation of TENANT's employees in or about the Leased Premises, and verification of information and amounts through interview and/or written communications with TENANT's employees or sub-contractors.

**JOHN WAYNE AIRPORT  
ON-AIRPORT RENTAL CAR CONCESSION LEASE**

---

- I. Record Retention. All of TENANT's Records shall be retained by TENANT for a period of the balance of the fiscal year in which the Record was created, recorded, or otherwise prepared, plus five (5) years regardless of when this Lease expires or is terminated.

**SECTION 4.07 PROVISION AGAINST SETOFFS**

It is the obligation of TENANT to pay all rents free of any setoffs or claims, in the amount and at the times specified in this Lease. In the event that TENANT desires to contest the validity or amount of any such rents and charges, TENANT shall first pay the same to COUNTY and may then seek a refund in any appropriate forum.

**SECTION 4.08 SECURITY DEPOSIT**

TENANT, prior to the commencement of operations, shall deposit with COUNTY a security deposit in the sum of One Hundred Sixty Seven Thousand Dollars (\$167,000.00), subject to the provisions for adjustment as provided hereinafter.

Concurrently with each revision of the rents pursuant to Section 4.01 (RENT), the security deposit to be provided by TENANT shall be adjusted to approximately four (4) times the estimated monthly rent as determined by Airport Director to guarantee the faithful performance by TENANT of its obligations under this Lease and the payment of all rent due hereunder.

The security deposit shall take one of the forms set out below and shall guarantee TENANT's full and faithful performance of all the terms, covenants, and conditions of this Lease:

- A. An instrument, or instruments, of credit from one or more financial institutions, subject to regulation by the State of California or Federal government, pledging that funds necessary to secure performance of the Lease terms, covenants, and conditions are on deposit and guaranteed for payment, and agreeing that said funds shall be trust funds securing TENANT's performance and that all or any part shall be paid to COUNTY, or order upon demand by Airport Director. Both the financial institution(s) and the form of the instrument(s) must be approved by Airport Director or his or her designee.
- B. A Faithful Performance Bond executed by a surety company or financial institution qualified and admitted to do business in the State of California and issued in a form, approved by the COUNTY. Under the bond, the surety company shall guarantee to COUNTY the full and complete performance of all the terms, conditions and covenants herein to be performed on the part of the TENANT, including the payment of use fees as well as any and all other payments. Said bond shall be maintained at the cost of the TENANT throughout the existence of this Lease. Said Surety shall give Airport Director a minimum (30) days' prior written notice of cancellation or material change in said bond. Such cancellation or material change without Airport Director's prior written consent shall constitute a default under this Lease.

Regardless of the form in which TENANT elects to make said security deposit, all or any portion of the principal sum shall be available unconditionally to the COUNTY for correcting any default or breach of this Lease by TENANT, its successors or assigns, or for payment of expenses incurred

**JOHN WAYNE AIRPORT  
ON-AIRPORT RENTAL CAR CONCESSION LEASE**

---

by COUNTY as a result of the failure of TENANT, its successors or assigns, to faithfully perform all terms, covenants, and conditions of this Lease.

Should TENANT elect to provide either an Instrument of Credit or a Faithful Performance Bond to fulfill the security deposit requirements of this Lease, said instrument or bond shall have the effect of releasing depository or creditor therein from liability on account of the payment of any or all of the principal sum to COUNTY, or order upon demand by Airport Director.

In the event Airport Director withdraws all or any portion of the security deposit as provided herein, TENANT shall, within ten (10) days of any withdrawal by Airport Director, replenish the security deposit to maintain it at amounts herein required throughout the Lease term. Failure to do so shall be deemed a default and shall be grounds for immediate termination of this Lease.

TENANT shall be obligated to maintain the security deposit in effect for one hundred twenty days beyond expiration date of the Lease.

The security deposit, after deduction of all amounts due COUNTY, shall be rebated, reassigned, released or endorsed by the COUNTY to TENANT or order, as applicable, after one hundred twenty (120) days have elapsed following the expiration date of the Lease term, provided TENANT has fully and faithfully performed each and every term, covenant, and condition of this Lease.

**SECTION 4.09      MARKETING FUND**

County has established a marketing fund for the Airport to conduct sales promotions, Airport-wide advertising, and related activities intended to promote the Airport and its tenants. Commencing January 1 of each calendar year, TENANT shall be required to make an annual marketing fund payment in the amount of ten thousand dollars (\$10,000.00). TENANT agrees to pay this amount on or before January 1 of each year. All monies received by the Airport for the marketing fund shall be used solely for the purpose of Airport tenants' promotions and directly related expenses. In the event any year of the LEASE contains less than 12 months, TENANT shall pay a pro-rata portion of the annual amount corresponding to the number of months remaining in that calendar year.

For example, if the LEASE commences on November 1, TENANT shall pay the monthly pro-rata portion (\$833.33 per month) of the annual marketing fund amount for November and December (totaling \$1,666.66). Then, commencing on January 1, TENANT shall make the full annual marketing fund payment of \$10,000.00. Should the LEASE expire on September 15, TENANT shall pay a pro-rata portion of the annual amount for the months of January through September.

**ARTICLE V - USE, OPERATION, MAINTENANCE AND CONDITION OF LEASED  
PREMISES**

**SECTION 5.01      USE**

A. Required Services and Uses. TENANT shall have a nonexclusive right to operate and manage a rental car concession on Airport. For that purpose, and under the terms and conditions of this Lease, TENANT agrees to install, operate and maintain a Service

---

Counter in the terminal, Ready Car Parking Area as assigned by the Airport, and a rental car kiosk in the Parking Structure Level Zero Ready Car Parking Area as may be approved by Airport Director.

- B. Optional Services and Uses. Subject to the prior written approval of Airport Director, TENANT may be granted the option to provide those additional services and uses that are ancillary to and compatible with the required services and uses herein.
- C. Prohibited Use. The above listed services and uses, both required and optional, shall be the only services and uses permitted. TENANT agrees not to use the Leased Premises for any other purpose nor to engage in or permit any other activity within or from the Leased Premises. TENANT agrees not to refer customers to any rental car company not licensed by the Airport. TENANT shall not pick up its guests, customers, or employees from the curbside areas of the Airport terminal except with the express written permission of the Airport Director.
- D. In the event of a dispute between TENANT and any other Airport tenant as to the services to be offered, TENANT shall meet and confer with Airport Director. Airport Director, in Airport Director's sole discretion, shall determine the services to be offered and TENANT shall be bound by said determination.

In the event TENANT breaches this Lease by using or permitting the Leased Premises to be used in any manner other than as expressly permitted under this Lease, TENANT shall pay COUNTY a sum equal to 100% of the "gross receipts", as defined in the Section 4.03 (DEFINITION OF GROSS RECEIPTS) for any service or use that is not permitted by this Lease, or otherwise authorized in this Lease. Said payment is subject to the "due date" provided in the Section 4.04 (PAYMENT PROCEDURE) and the "charge for late payment" provided in the Section 4.05 (CHARGE FOR LATE PAYMENT). The existence of the 100% charge in this Section, or the payment or receipt of money under this Section, does not constitute an authorization for a particular service or use and does not constitute a waiver of COUNTY's right to require TENANT to terminate such service or use. The parties agree that COUNTY's actual damages, in the event of such a breach by TENANT would be extremely difficult or impossible to determine; therefore, an amount equal to the amount of 100% of such gross receipts has been agreed upon as the parties' best estimate of COUNTY's actual damages.

TENANT agrees not to conduct or permit to be conducted any public or private nuisance (as defined in Civil Code section 3479) in, on or from the Leased Premises, or to commit or permit to be committed any waste in, on or from the Leased Premises.

### **SECTION 5.02 RULES AND REGULATIONS**

COUNTY may adopt and enforce Rules and Regulations which TENANT agrees to observe and obey, with respect to the use of the Airport and its appurtenances, facilities, improvements, equipment and services; provided that such rules and regulations shall not be inconsistent with safety and with rules, regulations and orders of the FAA and TSA with respect to all operations of the Airport.

## JOHN WAYNE AIRPORT ON-AIRPORT RENTAL CAR CONCESSION LEASE

TENANT shall comply with all Airport Rules and Regulations and shall observe, obey, comply with and not otherwise hinder or obstruct any and all rules, regulations, laws, ordinances, statutes or orders of any governmental authority, whether federal, State, or local, lawfully exercising authority over the Airport or the activities thereon, including compliance with FAA, TSA and Airport security rules, regulations and plans.

To the fullest extent authorized by law, TENANT shall be liable to COUNTY for any and all claims, demands, damages, fines or penalties of any nature whatsoever which may be imposed upon COUNTY due to TENANT's violation of any governmental rules, regulations or standards as now or may hereafter be promulgated or enacted, including, but not limited to, the payment of any fines or penalties for any breach of security, arising from the unauthorized entry of any person or vehicle onto Airport or from any other violations caused directly or indirectly by the act, omission, negligence, abuse or carelessness on the part of TENANT, its employees, subtenants, agents or suppliers.

COUNTY shall not be liable to TENANT for any diminution or deprivation of possession, or of its rights hereunder, on account of the exercise of such right or authority as in this Section provided, nor shall TENANT be entitled to terminate the whole or any portion of the rights granted herein by reason of the exercise of such right or authority, unless the exercise thereof shall so interfere with TENANT's use and occupancy of the Leased Premises so as to constitute a termination in whole or in part of this Lease by operation of law in accordance with the laws of the State of California.

### SECTION 5.03 OPERATIONAL REQUIREMENTS

TENANT shall operate an On-Airport Rental Car Concession in a competent manner in accordance with the terms and conditions of this Lease, which includes the following:

#### A. Operation

- 1) Quality and Service Standards. Service shall be safe, prompt, courteous, and efficient. The Airport Director or authorized representative shall have the right to make reasonable objections to the character of the service rendered to the public and the appearance and condition of the premises. TENANT shall take full responsibility for ensuring that the employees of the TENANT and TENANT's customers obey all posted speed limits, stop signs, stop lights, and park only in the area assigned to TENANT while on Airport property. TENANT agrees to promptly remedy any such objectionable practice. Failure to comply with the foregoing shall constitute a material breach of this Lease. Should a disagreement arise, Airport Director's decision shall be final and conclusive, and TENANT agrees to abide by such decision. Airport Director at his or her sole discretion shall have the right to require TENANT to terminate or suspend an employee of the TENANT that violates any aspect of the Quality and Service Standards defined in this section.
- 2) Customer Service Program. TENANT shall provide a Customer Service Program for Airport review and approval. TENANT shall designate a customer service representative responsible for investigating and responding to complaints. Within

48 hours of receipt of a complaint, TENANT shall begin an investigation and contact the customer if contact information is provided. TENANT shall follow up with a written response to the customer regarding the action taken including, if appropriate, a refund or other restitution. TENANT shall provide a monthly-itemized report to Airport, prepared by an independent third-party reporting service, which includes follow up information and resolutions for each complaint. For each customer complaint verified by TENANT and not resolved by TENANT to the satisfaction of the COUNTY concerning any of the standards and requirements outlined in this LEASE, liquidated damages may be assessed to the TENANT in the amount of one hundred dollars (\$100) for each complaint. In the event one of TENANT's employees receives three (3) complaints from Airport customers on his or her performance within a 6-month period, TENANT shall remove the employee from service at the Airport. Airport Director, in his sole discretion, reserves the right to demand that TENANT remove an employee on a first offense when warranted, including but not limited to circumstances such as the use of inappropriate language, inappropriate behavior and displays of violent or threatening behavior.

- 3) Credit Card Sales. TENANT shall provide "credit card swipe" or an up-to-date system acceptable to Airport Director to expedite credit card transactions.
- 4) Quality of rental vehicles. TENANT shall at all times maintain, at its own cost and expense, all its rental vehicles in good operating order and free from known mechanical defects; said vehicles shall be kept in a clean, neat, attractive condition, inside and out. TENANT shall at no time use vehicles whose year model is more than two years older than the current year model. The rental of antique or classic vehicles shall require the prior written approval of the Airport Director.
- 5) TENANT agrees that its automobile rental services shall be available from the Leased Premises at the Airport each day commencing at least one (1) hour before the first passenger flight is scheduled to depart the Airport and ending at least one (1) hour after the last scheduled passenger flight has arrived at the Airport, and during such additional hours as the Airport Director may determine are necessary to service the airport passengers.
- 6) Anti-Idling Policy. Within six months of Lease execution, TENANT must develop, implement and submit to the Airport Director for approval, a fleet-wide anti-idling policy. At a minimum, the anti-idling policy shall include the requirement that vehicle engines shall be turned off when vehicles are not occupied, and that occupied vehicles be turned off after no more than a five-minute idling period. TENANT's policy shall also include all third party vehicles that enter Airport property at the direction of TENANT.
- 7) Security Requirements. Those employees requiring access to secure areas of the Airport shall comply with all Airport and FAA/TSA security requirements for access.

8) Utilities.

A. Services Provided By COUNTY:

- 1) Within the common areas of the Terminal, COUNTY shall provide janitorial services to the extent that such services are typically provided to County facilities.
- 2) COUNTY shall provide trash pickup service including containers at a designated area outside the Terminal for disposal of compacted, bagged trash.
- 3) COUNTY shall provide utilities to the Terminal, which include water, sewer, gas, electricity and telephone. Extension of those utility lines to TENANT's Leased Premises and the cost thereof shall be the responsibility of TENANT.

B. Services Provided by Tenant:

- 1) TENANT shall be responsible for and pay, prior to the delinquency date, all charges for separately metered utilities supplied to the Leased Premises.
- 2) TENANT shall provide at its own cost and expense all repair, maintenance and janitorial services to the Leased Premises. Janitorial service shall include collection of any concession-generated trash, and cleanup of vandalism or spills in the Leased Premises and the area immediately adjacent to the Leased Premises entry and exits.

B. Terminal Communications Systems and Operations

- 1) Wireless Communications. In the interests of public safety and the efficient operation of the Airport, COUNTY reserves the sole right to resolve any conflicts between or among any wireless communication devices or systems of the Airport TENANT, and any third party users at the Airport, and to require TENANT to change over to any future Airport-wide network once installed.
- 2) Interference with Systems. TENANT shall not interfere with the effectiveness of utility, heating, ventilating or air-conditioning systems or portions thereof on or adjoining the Leased Premises (including power and utility lines, pipes, wires, conduits and equipment connected with or appurtenant thereto) or interfere with the effectiveness of elevators or escalators in or adjoining the Leased Premises, or overload any floor in the Leased Premises.
- 3) Smoking Prohibited. TENANT shall not do anything contrary to COUNTY's ordinance, prohibiting smoking. Said ordinance prohibits smoking in the terminal building, including all food and beverage areas.
- 4) Noninterference. TENANT shall cooperate with and not interfere with COUNTY's and other TENANT's use of and operations at the Airport. TENANT shall not

place any ropes, barricades and/or stanchions on the public or common use area without prior written approval of Airport Director.

### SECTION 5.04 AIRPORT SECURITY

In addition to FAA, TSA and Airport security rules, regulations and plans, TENANT shall comply with all security requirements of the United States Customs and Border Protection (USCBP), and all applicable federal, state and local regulations regarding airport security. TENANT is responsible for fines imposed by any regulatory agency as a result of TENANT's failure to comply with applicable rules and regulations regarding airport security.

TENANT shall be required to obtain airport security clearance in order to perform work under this Lease. TENANT and its employees and contractors must complete a background clearance Security Identification Display Area (SIDA) class in order to obtain an I.D. badge for access to secure areas and a driver's permit to drive on the airfield.

#### A. Badge Acquisition

Prior to issuance of a security badge(s), designated TENANT personnel who will be working onsite, and engaged in the performance of work under this Lease, must pass Airport's screening requirements, which includes an FBI Criminal History Records Check and a Security Threat Assessment, and shall pay any applicable fees. Upon successful completion of the background checks, TENANT designated personnel will be required to attend a 3-hour SIDA class and pass a written test. Those personnel who may be permitted by the Airport to drive on the Airport Operations Area (AOA) perimeter road must also complete a Driver's Training class and written test. Airport identification badges are not issued until designated TENANT personnel have: 1) completed appropriate application forms and submitted proof of identity and employment eligibility, 2) passed both background checks, 3) completed and passed appropriate classroom training and 4) paid an identification badge fee for each badged person. TENANT should anticipate a minimum of five (5) business days to complete the security badge process if all requirements listed above are fulfilled by individual badge applicants in a timely manner. TENANT's designated personnel must successfully complete the badge acquisition process, unless other arrangements have been approved by the Airport. TENANT shall be responsible for all applicable fees and costs associated with the background checks and badging process. The amount of such fees is subject to change without notice.

#### B. Badge Holder Requirements and Responsibilities

The Airport Security Plan ("ASP") requires that each person issued an Airport security badge be made aware of his responsibilities regarding the privilege of access to restricted areas of the Airport.

TENANT and all TENANT personnel within an access controlled area (AOA, SIDA, secured area or sterile area) are required to display on their person an Airport security badge, unless they are escorted by a properly badged individual with escort privileges. When working in a secure area, each badged person is responsible for challenging any

## JOHN WAYNE AIRPORT ON-AIRPORT RENTAL CAR CONCESSION LEASE

individual who is not properly displaying an Airport issued or approved and valid I.D. badge. Any person who is not properly displaying or who cannot produce a valid Airport security badge must immediately be referred to the Sheriff's Department – Airport Police Services Office for proper handling.

The Airport security badge is the property of the County of Orange and must be returned upon termination of TENANT personnel employment and/or termination of the Lease. The loss of a badge shall be reported within 24 hours to the Sheriff's Department–Airport Police Services by calling (949) 252-5000. TENANT or TENANT personnel who lose their badges shall be required to pay a fee before receiving a replacement badge. The charge for lost badge replacement will be posted in the Airport Administration Office and is subject to change without notice. A report shall be made before a replacement badge will be issued.

The Airport security badge is nontransferable.

In the event that TENANT's badge is not returned to the Airport upon termination of TENANT personnel employment and/or termination of the Lease, the TENANT and/or TENANT personnel shall be liable to the County of Orange for a fine in the amount of \$250 per unreturned badge. The amount of the fine is subject to change without notice. TENANT's security deposit may be applied to cover the cost of the fine.

### **SECTION 5.05 MAINTENANCE OF LEASED PREMISES**

TENANT shall, at all times during the term of the Lease, operate and keep the Leased Premises, inclusive of Service Counter, Ready Car Parking Area, Common Area and if applicable, Overflow Parking in good condition and repair, in a safe, secure, clean and sanitary condition, and in full compliance with all federal, state and local laws, regulations, rules and ordinances and policies and procedures as the Airport Director shall maintain in effect from time to time, including the Airport Rules and Regulations.

TENANT shall, to the satisfaction of Airport Director, keep and maintain the Leased Premises and all improvements of any kind, which may be erected, installed, or made thereon in good condition and in substantial repair. It shall be TENANT's responsibility to take all steps necessary or appropriate to maintain such a standard of condition and repair. TENANT agrees to maintain the Leased Premises in a safe, clean, wholesome, sanitary condition, to the complete satisfaction of Airport Director and in compliance with all applicable laws. Airport Director shall have the right to enter upon and inspect the Leased Premises at any time for cleanliness and safety. It shall be the TENANT's responsibility to make all necessary repairs required to maintain the Leased Premises and improvements in good condition. All repairs and improvements made by the TENANT to the Leased Premises shall be in compliance with all applicable federal, State, and local laws and regulations, ordinances, building codes, and Airport Regulations, as they exist or may be updated (Codes). The Codes encompass all fire, life and structural safety aspects and apply to the construction, alteration, moving, demolition, repair and use of the Leased Premises. Any additions, alterations, repairs and changes of use or occupancy in the Leased Premises shall comply with the provisions for new buildings and structures as set forth in the Codes. All devices or safeguards that are required by the Codes shall be maintained in conformance with the edition of the Codes under which it was installed

TENANT agrees to provide approved containers for trash and garbage and to keep the Leased Premises free and clear of rubbish and litter.

### A. Equipment and Improvements

- 1) Maintenance of Equipment and Improvements. TENANT shall maintain all equipment and improvements located within the Leased Premises including but not limited to, trade fixtures, wiring, software and communications equipment in good condition. TENANT agrees that all repairs will be conducted within twenty-four (24) hours of notification by Airport Director or designee unless a longer period of time is approved by Airport Director or designee.
- 2) Removal of Equipment or Improvements. During the term of this Lease, TENANT shall not remove any improvements and/or furnishings, trade fixtures, and equipment without the prior written consent of Airport Director.

### B. Repairs and Maintenance

- 1) Repairs. TENANT shall designate in writing to Airport Director an on-site manager, and any assistant managers who shall be responsible for the day-to-day operation and level of maintenance, cleanliness and general order. TENANT shall notify the Airport Director in writing within twenty-four (24) hours of any change in on-site manager and assistant managers. TENANT's on-site manager or assistant managers shall respond to any request or communication from the Airport within three (3) hours. If TENANT fails to maintain or make repairs or replacements as required herein, Airport Director shall notify or attempt to notify the TENANT in writing of said failure. Should TENANT fail to correct the failure within the time specified in the notice, Airport Director may make the necessary correction or cause it to be made and the cost thereof, including but not limited to the cost of labor, materials and equipment shall be charged to TENANT. Thereafter, an administrative fee equal to fifteen percent (15%) of the sum of such items shall be paid by TENANT within thirty (30) days of receipt of a statement of said cost from Airport Director. Airport Director may, at Director's option, choose other remedies available herein, or as provided by law.

## SECTION 5.06 ADMINISTRATIVE FEES

The parties agree that TENANT's performance of its obligations under this Lease is extremely important to Airport and that TENANT's failure to perform those activities will result in administrative and monitoring expenses to the Airport and its staff. Therefore, the parties agree that the Administrative Fees described in "Exhibit D" attached hereto and incorporated herein by reference, are reasonable estimates of such expenses and shall be imposed on TENANT at the sole discretion of the Airport Director or designee for any of the violations described in said Exhibit "D". The Airport Director may elect to waive an assessment of Administrative Fees for a particular violation, but no such waiver shall apply to prior or subsequent violations of the same or any other provision of this Lease, and any such waiver shall not be deemed to set a precedent for further

## JOHN WAYNE AIRPORT ON-AIRPORT RENTAL CAR CONCESSION LEASE

waivers. The Airport's right to impose the foregoing Administrative Fees shall be in addition to and not in lieu of any and all of Airport's rights under this Lease, in the Airport Rules, Policies and Regulations, or at law or in equity. Airport's decision to impose an Administrative Fee on TENANT for one of the violations described in Exhibit D shall not preclude Airport, in the event TENANT subsequently commits the same or a different violation, from exercising any of such other rights of the Airport, including, without limitation, its right to terminate this Lease pursuant to ARTICLE IX. The Airport shall have no obligation to TENANT to impose Administrative Fees or fines on or otherwise take any action against any other tenant at the Airport. During the term of this Lease, the Airport Director may reasonably adjust upward the amount of the Administrative Fees set forth in Exhibit D by providing TENANT three months advance written notice. Administrative Fees shall be paid within 30 days of assessment. Continued violations, or two of the same violations in any thirty (30) day period, may result in the Airport Director's ability to raise the fines.

### ARTICLE VI - HAZARDOUS SUBSTANCES AND INDEMNIFICATION

#### SECTION 6.01 HAZARDOUS SUBSTANCES

As used herein, the term "Hazardous Substances" shall mean any hazardous or toxic substance, material or waste which is regulated by any environmental law and regulations of any governmental entity, including but not limited to COUNTY acting in its governmental capacity, the State of California or the United States Government. The term "Hazardous Substances" includes, without limitation, any material or substance which is (i) defined or listed as a "hazardous waste," "extremely hazardous waste," "restrictive hazardous waste" or "hazardous substance" or considered a waste, condition of pollution or nuisance under any environmental law; (ii) petroleum or a petroleum product or fraction thereof; (iii) asbestos or asbestos-containing materials; (iv) flammable or explosive substances; (v) mold, mold spores or fractions thereof; and/or (vi) substances designated by any governmental entity to cause cancer and/or reproductive toxicity.

TENANT shall comply with and obey all applicable federal, state, and local environmental laws and regulations. TENANT shall not place, dispose of, allow, cause, or release any Hazardous Substances upon the Leased Premises or within the Airport premises. TENANT shall also immediately notify John Wayne Airport of any release, contamination, spill, or dispersing of any Hazardous Substances which the TENANT has reason to believe it caused. TENANT's obligations herein shall survive the termination or expiration of this Lease.

TENANT shall bear the entire cost of removal, clean up and remediation of all Hazardous Substance contamination as a result of TENANT's operations. In addition to all other rights and remedies of the COUNTY, if TENANT does not immediately cleanup and remove any such hazardous substance(s) release, COUNTY may pay to have same removed, and TENANT shall reimburse the COUNTY of all costs incurred by COUNTY.

#### SECTION 6.02 ENVIRONMENTAL INDEMNIFICATION

To the fullest extent authorized by law, TENANT shall indemnify, defend with counsel approved in writing by County, and hold the COUNTY, its officers, employees, and any entity for which the Board of Supervisors serves as governing body, harmless, from and against any and all claims,

**JOHN WAYNE AIRPORT  
ON-AIRPORT RENTAL CAR CONCESSION LEASE**

judgments, damages, penalties, fines, costs, orders, and lawsuits of any kind whatsoever, arising out of TENANT's operations at John Wayne Airport, including all costs related to any defense arising therefrom. TENANT's indemnity obligations stated hereinabove also apply to those actions arising from and which involve TENANT's officers, agents, subcontractors, and employees. TENANT's indemnity obligations shall not apply in the event of any loss, damage, or expense arising from the sole or active negligence and/or willful misconduct of COUNTY or of COUNTY's officers, employees, agents, servants, or independent contractors.

In the event the indemnitees described above are named as defendants or respondents in any lawsuit or administrative proceeding, the TENANT shall, at the request of COUNTY, represent the indemnitee with qualified counsel that the COUNTY determines is acceptable.

In the event that a monetary judgment is awarded against COUNTY and the TENANT because of the concurrent negligence of COUNTY and TENANT or their respective officers, subcontractors, or employees, an apportionment of liability to pay such judgment shall be made by a court of competent jurisdiction. Both COUNTY and TENANT agree that neither party shall request a jury apportionment. Nothing stated in this Lease and in this indemnity obligation shall be construed as authorizing any award of attorney's fees in any action to enforce the terms of this Lease. The rights and obligations set forth in this paragraph shall survive the termination of this Lease.

**ARTICLE VII - CONSTRUCTION AND IMPROVEMENTS**

**SECTION 7.01 CONSTRUCTION AND/OR ALTERATION BY COUNTY**

The COUNTY may alter, repair, maintain, remodel, expand, remove or improve any of the facilities at the Airport or any of its appurtenances.

In the event COUNTY should require any portion of the Leased Premises in connection with construction of improvements and/or alterations, Airport Director may, upon thirty (30) days' written notice, or immediately should Airport Director determine in Director's sole discretion that an emergency exists, require TENANT to remove or relocate vehicles, equipment, or other items owned by the TENANT. Airport Director will make every reasonable effort to offer TENANT substitute replacement space during the construction period to the extent such space is available.

**SECTION 7.02 CONSTRUCTION AND/OR ALTERATION BY TENANT**

TENANT shall not perform any construction upon the Leased Premises nor shall TENANT modify, alter, or remove any permanent improvements lying within the Leased Premises without prior written approval of COUNTY. Any construction, modifications, alterations or removal of any permanent improvements by TENANT shall be at the TENANT's expense. All construction must follow the Tenant Guidelines for John Wayne Airport, which can be found at <http://ocair.com/businessandemployment/docs/TenantDesignStandards.pdf>.

- A. Consent Required From COUNTY. No structures, improvements, or facilities shall be constructed, erected, altered, removed or made within the Leased Premises without prior written consent of COUNTY, which consent may be withheld or conditioned at

**JOHN WAYNE AIRPORT  
ON-AIRPORT RENTAL CAR CONCESSION LEASE**

---

COUNTY's discretion. Minor repairs, replacement and facility maintenance proposed for the Leased Premises, the cost of which does not exceed two hundred thousand dollars (\$200,000), must be approved by Airport Director. All other structures, improvements, facilities, repairs, replacement, removal and maintenance items must be approved by the Board of Supervisors.

- B. Insurance Requirements. TENANT shall obtain comprehensive public liability insurance during construction. If the construction is done by an independent contractor, insurance shall be procured by the contractor in the name of the TENANT and the COUNTY. All insurance shall be in the limits and coverages acceptable to COUNTY's Risk Management Services.
- C. Indemnification During Construction. To the fullest extent authorized by law, TENANT shall indemnify, defend, and hold harmless the COUNTY, its officers, and employees, from and against any and all claims, judgments, damages, penalties, fines, costs, orders, and lawsuits, arising out of the TENANT's construction or alteration of the Leased Premises at John Wayne Airport, including the cost of defense arising therefrom. The TENANT's indemnity obligations stated hereinabove also apply to those actions arising from and which involve the TENANT's officers, agents, subcontractors, and employees.
- D. Noninterference. TENANT warrants that it or its contractor shall in no way delay, cause delays to or interfere with any Airport operations or other contractors working in the terminal or on the Airport. TENANT agrees to hold COUNTY harmless from the cost of any time lost by COUNTY or any damages to COUNTY due to the actions or failure to act of TENANT or its contractor.
- E. Trailers and Modular Structures. All improvements constructed by TENANT shall be of a permanent nature. Trailers and modular buildings are prohibited on the Leased Premises. This provision shall not apply to the use of COUNTY approved temporary modular buildings, barricades or trailers during construction. Upon completion of construction, all trailers, barricades or modular buildings must be immediately removed from the Leased Premises.
- F. Capital Improvements. TENANT shall cause to be designed, constructed, and installed within the Leased Premises in the Parking Structure Level Zero, at no cost to COUNTY, a kiosk appropriate to conduct rental car operations, and shall cause the ceiling of the Leased Premises to be painted to enhance the lighting.
- G. TENANT shall plan, phase, construct, equip and complete the Capital Improvements in accordance with the Tenant Design Guidelines. TENANT shall submit a conceptual drawing of the Capital Improvements with a proposed construction schedule indicating the duration of construction activities from commencement of demolition to operation of the newly constructed facility. Work may commence upon JWA's written approval. At its sole discretion, JWA may direct the timing of Capital Improvements among all Proposers to minimize impacts to RAC operations during construction. A copy of John Wayne Airport's Tenant Design Guidelines is available at [www.ocair.com](http://www.ocair.com) or may be requested from JWA.

**JOHN WAYNE AIRPORT

- H. TENANT shall not construct, maintain, or allow any sign upon the kiosk except as approved by Airport Director. Unapproved signs, banners, flags, etc. may be removed by the Airport without prior notice to TENANT.
- I. TENANT's Cost and Expense. All renovation or construction by TENANT pursuant to this Section shall be at TENANT's sole cost and expense. TENANT shall keep its existing or future Leased Premises and the improvements constructed thereon free and clear of all liens and shall pay all costs for labor and material arising out of such construction and shall hold COUNTY harmless from any liability in respect thereto. TENANT shall have the right to contest any and all liens filed against its existing or future exclusive use area. TENANT further agrees that COUNTY shall have the right to post notices of non-responsibility as provided by California Civil Code Sections 3094 and 3129.
- J. Ownership of Improvements. All improvements and facilities, exclusive of trade fixtures, constructed or placed within the Leased Premises by TENANT must, upon completion, be free and clear of all liens, claims, or liability for labor or material and at COUNTY's option shall become the property of COUNTY at the expiration of this Lease or upon earlier termination hereof. COUNTY retains the right to require TENANT, at TENANT's cost, to remove any or all improvements located within the Leased Premises at the expiration or termination hereof.
- K. Satellite Antenna Dish. For purposes of this Lease, satellite antenna dishes or antennae that may be installed by TENANT on the roof of the Terminal or any location outside the Leases Premises shall be considered a TENANT improvement. The type and design of antenna, location, TENANT identification, method of installation, and cable path shall be subject to review and approval by Airport Director. COUNTY retains the right to require TENANT, at TENANT's cost, to remove any antenna installed by TENANT. Airport Director shall have the right to use TENANT's security deposit to cover the cost of removal of said antenna should TENANT fail to do so at the expiration or termination of this Lease.
- L. In the event TENANT fails to complete construction of its Leased Premises within ninety (90) days of its receipt of the notice to proceed from Airport, COUNTY will incur substantial damages, the exact amount of which are extremely difficult to determine. Accordingly, for each day TENANT fails to complete the construction of its improvements after the ninety (90) days, TENANT shall pay County \$2,000.00 per day, in addition to rent as provided herein as penalty fees. The parties have agreed that this amount represents a reasonable approximation of the damages likely to be suffered by the County. In the event TENANT requests in writing an extension of the ninety days (90) construction period, Airport Director, may have the option to extend the construction period.

**SECTION 7.03 CONCESSION MIDTERM REFURBISHMENT**

Five (5) years after the Commencement Date of the Lease, TENANT shall be required to make a reinvestment, in an amount to be determined by Airport Director but not exceeding 50% of the total cost of its Capital Improvements, for the purpose of keeping the rental car concession contemporary and competitive with current rental car industry trends ("Concession Midterm

## JOHN WAYNE AIRPORT ON-AIRPORT RENTAL CAR CONCESSION LEASE

Refurbishment”). TENANT shall complete the Concession Midterm Refurbishment, as approved by the Airport Director, within one hundred eighty (180) days from the date of the five (5) year Commencement Date anniversary. Failure to complete the refurbishment by said date shall be cause for termination of the Lease, or, at Airport Director’s discretion, TENANT shall pay to COUNTY the sum of two thousand dollars (\$2,000.00) per day until the Concession Midterm Refurbishment has been completed to the satisfaction of the COUNTY. This amount shall be in addition to all other sums due under this Lease.

TENANT shall be required to submit plans for the Concession Midterm Refurbishment at least one hundred eighty (180) days prior to the five (5) year Commencement Date anniversary. The plans and specifications must be certified by an architect or engineer and shall consist of (a) working drawings (b) technical specifications and (c) proposed equipment upgrades or changes.

Within sixty (60) calendar days following the completion of the Concession Midterm Refurbishment to the satisfaction of the Airport Director, TENANT must provide certified documentation of the capital investment actually expended in the design and installation of the Concession Midterm Refurbishment, together with “as-built” plans/records drawings as required elsewhere in this Lease. When documenting each refurbishment minimum investment required by this Lease, architectural and engineering charges not exceeding 15% of the total investment may be included. Construction costs shall not include indirect costs such as financing costs, holding costs, legal fees, interest, administrative and overhead expenses, internal design, review, management and oversight of construction on Leased Premises, TENANT’s licensing or franchising costs, bond premiums or developer fees.

In the event of a shortfall between said Concession Midterm Refurbishment amount and TENANT’s actual investment cost, TENANT shall pay to COUNTY an amount equal to the shortfall, as of one hundred eighty (180) days after the date of the completion of the Concession Midterm Refurbishment, and said payment shall be due and payable within thirty (30) days. The amount spent for refurbishment shall be exclusive of any amount spent for normal repair and maintenance as determined at the sole discretion of Airport Director.

### **SECTION 7.04 TENANT REIMBURSEMENT**

In the event COUNTY should require a portion of the Leased Premises for any Airport purpose, COUNTY shall make a good faith effort to provide alternate space if available. In the event COUNTY should require 50% or more of the Leased Premises for any Airport purpose, COUNTY shall reimburse TENANT for the improvements completed on that portion of the Leased Premises during the term of this Lease as follows:

Compensation for improvements located on the Leased Premises shall be calculated by means of the following formula:

$$\text{COMPENSATION} = \frac{B}{C} \times A$$

**JOHN WAYNE AIRPORT  
ON-AIRPORT RENTAL CAR CONCESSION LEASE**

---

- A = TENANT's actual Leased Premises improvement construction costs submitted in accordance with the Section in this Lease entitled "RECORD DRAWINGS AND CONSTRUCTION COSTS".
- B = Number of full months remaining in the Lease term.
- C = Number of full months between the date TENANT completed construction of Leased Premises improvements and the date the Lease would expire by its terms if COUNTY did not exercise its right to early termination.

TENANT shall submit to COUNTY within sixty (60) days of completion of construction of any Leased Premises improvement, notifications of completion of construction and submit detailed supporting documentation of construction costs together with "as-built" plans/record drawings as required elsewhere in this Lease. TENANT acknowledges and agrees if TENANT fails to submit notifications and supporting documentation for any such Leased Premises improvements in a timely manner, TENANT waives its right to compensation for such improvements.

**SECTION 7.05 EXCLUSIVE REMEDY**

The compensation provided pursuant to Section 7.04 (TENANT REIMBURSEMENT) shall be TENANT's sole and exclusive remedy and form of compensation, costs or damages for improvements, including but not limited to, the eminent domain law and inverse condemnation (CAL. CODE CIV. PROC. §§1230.010, *et seq.*), and Relocation Assistance benefits (CAL. GOV. §§7260, *et seq.*), due to termination, re-entry or acquisition of the Leased Premises by COUNTY.

TENANT agrees that exercise by COUNTY of its termination rights hereunder shall not be construed as a taking by COUNTY of any part of the Leased Premises, nor of TENANT's rights under this Lease, nor shall TENANT, except as provided herein, be entitled to payment for any loss of goodwill, income, moving expenses or other amount because of partial or full termination of this Lease.

**SECTION 7.06 TENANT'S ASSURANCE OF CONSTRUCTION COMPLETION**

Prior to commencement of construction of approved facilities TENANT shall furnish to COUNTY evidence that assures COUNTY that sufficient monies will be available to TENANT and COUNTY to complete the proposed construction. The amount of money available shall be at least the total estimated construction cost. Such evidence may take one of the following forms:

- A. Completion Bond issued to COUNTY as obligee.
- B. Irrevocable letter of credit issued to COUNTY that will remain in effect until COUNTY acknowledges satisfactory completion of construction.

All bonds and letters of credit must be issued by a surety company, financial institution or advising bank qualified and admitted to do business in the State of California and issued in a form approved by the COUNTY. All bonds and letters of credit shall insure faithful and full observance and performance by TENANT of all terms, conditions, covenants and agreements relating to the

---

construction of improvements within the Leased Premises. TENANT must satisfactorily complete Section “Record Drawings” and Construction Costs to be eligible for return or refund of Completion Bond and/or its letter of credit.

It is not the intent of the contracting parties herein to create a third party beneficiary, and nothing in this Section shall be construed to do so.

### **SECTION 7.07 MECHANIC’S LIENS OR STOP NOTICES**

TENANT shall at all times indemnify and hold COUNTY harmless from all Mechanic’s Liens, Stop Notices, claims, losses, demands, damages, cost, expenses or liability costs for labor or materials in connection with construction, repair, alteration, or installation of structures, improvements, equipment, or facilities within the Leased Premises undertaken by TENANT, and from the cost of defending against such claims, including attorneys' fees and costs.

In the event a mechanics lien or stop-notice is imposed upon the Leased Premises, TENANT shall either:

- 1) Record a valid Release of Lien, or
- 2) Procure and record a bond in accordance with Section 3143 of the CALIFORNIA CIVIL CODE, which frees the Leased Premises from the claim of the lien or stop-notice and from any action brought to foreclose the lien.

Should TENANT fail to accomplish either of the two optional actions above within fifteen (15) days after the filing of such a lien or stop notice, the Lease shall be in default and shall be subject to immediate termination.

### **SECTION 7.08 “RECORD DRAWINGS” AND CONSTRUCTION COSTS**

Within sixty (60) days following completion of any improvement within the Leased Premises, TENANT shall furnish Airport Director a complete set of plans that are reproducible, two sets of prints of “Record Drawings,” also referred to as “As-Built” plans, and a recordable compact disc (CD-ROM) containing the Record Drawings plans in a form usable by COUNTY, to COUNTY’s satisfaction, on COUNTY’s computer aided mapping and design (CAD) equipment. Basic specifications for CAD compatible plans are contained in “Exhibit E” document “REQUIREMENTS FOR CAD COMPATIBLE PLANS”, attached hereto.

In addition, TENANT shall furnish Airport Director an itemized statement of the actual, direct construction costs of such improvement. The construction costs may include actual, direct fees paid to contractors, architects, engineers, surveyors, laborers and suppliers, transportation corridor fees, or permit fees required by governmental agencies to allow construction. Construction costs shall not include indirect costs such as financing costs, holding costs, legal fees, interest, administrative and overhead expenses, internal design, review, management and oversight of construction on Leased Premises, TENANT’s licensing or franchising costs, bond premiums or developer fees. The statement of cost shall be sworn to and signed by TENANT or its responsible

**JOHN WAYNE AIRPORT  
ON-AIRPORT RENTAL CAR CONCESSION LEASE**

---

agent under penalty of perjury. TENANT must obtain Airport Director's approval of "Record Drawings" and the form and content of the itemized statement.

**SECTION 7.09      DAMAGE TO OR DESTRUCTION OF IMPROVEMENTS**

TENANT shall be responsible for any damage caused by TENANT, or TENANT's equipment, employees, agents, invitees, visitors or suppliers, to common use areas of the Terminal or Airport facilities, including but not limited to runways, taxiways, access roads, navigational aids, apron areas and loading bridges. Should such damage require immediate repairs or replacement and TENANT is unable to respond immediately to complete said repairs or replacement, Airport Director may cause to be made or make any necessary repairs or replacements and the cost thereof shall be paid by TENANT. Said cost shall include all labor, materials, equipment and an administrative fee equal to fifteen percent (15%) of the sum of those items. Said cost shall be paid by TENANT within fifteen (15) days of receipt of an invoice for costs from Airport Director.

In the event of damage to or destruction of TENANT-owned or constructed buildings, facilities or improvements located within the Leased Premises or in the event TENANT-owned or constructed buildings, facilities, or improvements located within the Leased Premises are declared unsafe or unfit for use or occupancy by COUNTY or any other public entity with jurisdiction to make and enforce such a declaration, TENANT shall, within thirty (30) days, commence and diligently pursue completion of the repair, replacement or reconstruction of improvements to the same design, purpose, size and floor area as they existed immediately prior to the event causing the damage or destruction, as necessary to permit full use and occupancy of the Leased Premises for the purposes required by the Lease.

Repair, replacement, reconstruction or improvements made within the Leased Premises shall be accomplished in a manner and according to plans approved by Airport Director. Except as otherwise provided herein, termination of this Lease shall not reduce or nullify TENANT's obligation under this paragraph. With respect to damage or destruction to be repaired by COUNTY or which COUNTY elects to repair, TENANT waives and releases its rights under CALIFORNIA CIVIL CODE Sections 1932(2) and 1933(4).

**SECTION 7.10      AMERICANS WITH DISABILITIES ACT**

TENANT shall be solely and fully responsible for complying with the Americans with Disabilities Act of 1990 ("ADA") in connection with: (a) the Leased Premises or any portion thereof and its operations thereon, TENANT's furnishings, trade fixtures and equipment and the concession improvements; (b) removing physical barriers from the Concession Area; (c) providing auxiliary aids and services for use of the Concession Improvements and TENANT's furnishings, trade fixtures and equipment, where necessary or required; and (d) modifying its policies, practices and procedures to comply with the ADA. TENANT shall develop a work plan to correct or avoid any violations or non-compliance with the ADA. TENANT shall deliver to the COUNTY, upon COUNTY's request, a copy of each report and work plan. COUNTY's approval of or acceptance of any aspect of TENANT's activities under this Lease shall not be deemed or construed in any way as a representation that such item, activity of practice complies with the ADA. TENANT agrees to indemnify, defend, and hold the COUNTY harmless from and against any and all costs incurred by COUNTY with respect to TENANT's failure to comply with the ADA.

**ARTICLE VIII - ASSIGNMENT**

**SECTION 8.01      ASSIGNING AND TRANSFERRING**

The provisions of this Section are subject to, and subordinate to the limitations of Article V of this Lease entitled “USE, OPERATION, MAINTENANCE AND CONDITION OF LEASED PREMISES”.

- A.     Transfers. TENANT shall not transfer, assign, or hypothecate (hereinafter referred to as “Transfer”) any interest of the TENANT in the Leased Premises without the prior written approval of the COUNTY. TENANT shall give COUNTY ninety (90) day’s prior written notice of all proposed Transfers. TENANT shall not make any such Transfers for a period longer than the remaining term of the Lease.

If COUNTY approves such Transfer, such approval does not constitute a waiver of any of the terms of the Lease. All Transfer documents shall be consistent with the terms, covenants, and conditions of the Lease, and in the event of any inconsistency, the provisions of this Lease shall govern.

If TENANT is a corporation, an unincorporated association, or a partnership, Transfers include the acquisition by any person other than TENANT of any stock or interest in said corporation, unincorporated association, or partnership in the aggregate amount of fifty-one percent (51%) or more.

The failure by TENANT to obtain the prior written approval by COUNTY of any Transfer of the Lease or any interest in the Leased Premises shall constitute a material breach of this Lease by and shall not confer any rights upon the transferee. Such failure shall be grounds for termination of this Lease for default per Article IX, Section 9.02.

- B.     Conditions of COUNTY Approval. COUNTY agrees that it will not arbitrarily withhold consent to any Transfer, but COUNTY may withhold consent at its sole discretion if any of the following conditions exist:
- 1)     TENANT, its successors or assigns are in default of any term, covenant or condition of this Lease, whether notice of default has or has not been given by COUNTY.
  - 2)     The prospective subtenant, assignee or transferee has not agreed in writing to keep, perform and be bound by all the terms, covenants, and conditions of this Lease.
  - 3)     The prospective subtenant, assignee or transferee is not financially capable or not experienced in performing the obligations of this Lease, as determined by Airport Director.
  - 4)     Subtenant’s use is in conflict with the terms of this Lease.

**JOHN WAYNE AIRPORT  
ON-AIRPORT RENTAL CAR CONCESSION LEASE**

---

- 5) All the terms, covenants and conditions of Transfer, including the consideration therefore, of any and every kind, have not been revealed in writing to Airport Director.
- 6) Any construction required of TENANT as a condition of this Lease has not been completed to the satisfaction of COUNTY.
- 7) TENANT has not provided Airport Director with a copy of all documents relating to the Transfer, including, but not limited to, appraisals, notes, trust deeds, title reports, escrow instructions, *etc.*
- 8) TENANT attempts to hypothecate the rights granted by this Lease for an amount greater than the cost of new improvements to be constructed on the Leased Premises. Hypothecation shall not be permitted for any reason other than to obtain loan proceeds necessary to construct new improvements on the Leased Premises.

It is mutually agreed that this Lease shall terminate and supersede any prior Leases or agreements between the parties hereto for the purpose of operating a rental car concession and all related activities of TENANT at the Airport.

**SECTION 9.02      TERMINATION FOR DEFAULT**

The COUNTY may terminate this Lease and all of its obligations hereunder, with prior written notice to TENANT and may exercise all rights of entry for default and breach, if the TENANT fails to perform on any of its obligations under this Lease including but not limited to the following:

- A. The failure to timely submit payment of Rents;

**JOHN WAYNE AIRPORT

---

Where applicable, and unless otherwise stated in this Lease, or by written notice, TENANT shall have fifteen (15) calendar days to cure any notice of default prior to termination of the Lease.

**SECTION 9.03      CONDITION OF LEASED PREMISES UPON TERMINATION OR  
DEFAULT**

Except as otherwise agreed to herein, upon termination or default of this Lease, TENANT shall redeliver possession of said Leased Premises to COUNTY and shall repair any damage which was caused to the Airport premises by such installation and removal, including removing the wiring back to the junction box or panel, patching any holes and any painting necessary to restore to the preexisting condition. References to termination of this Lease shall include termination by reason of expiration.

During the term of this Lease, TENANT shall not remove the concession improvements and/or TENANT's furnishings, trade fixtures and equipment, in whole or in part, without Airport Director's prior written consent. Airport Director may exercise his absolute discretion and condition such consent upon the obligation of TENANT to replace the same with other improvements or equipment specified in such consent.

**SECTION 9.04      DISPOSITION OF ABANDONED PERSONAL PROPERTY**

If TENANT abandons or quits the Leased Premises or is dispossessed thereof by process of law or otherwise, title to any personal property belonging to TENANT and left on the Leased Premises Areas thirty (30) days after such event shall be deemed to have been transferred to COUNTY. COUNTY shall have the right to remove and to dispose of such property without liability therefor to TENANT or to any person claiming under TENANT, and shall have no need to account therefor. Personal property left on the Leased Premises after termination, expiration, or abandonment of the Lease shall not be construed as giving TENANT possession of the Leased Premises during the thirty (30) days after termination, expiration or abandonment of the Lease.

**SECTION 9.05      QUITCLAIM OF TENANT'S INTEREST UPON  
TERMINATION OR DEFAULT**

Upon termination of this Lease for any reason, including, but not limited to, termination because of default by TENANT, TENANT shall execute, acknowledge, and deliver to COUNTY within thirty (30) days after receipt of written demand therefor, a good and sufficient deed whereby all right, title and interest of TENANT in the Leased Premises is quitclaimed to COUNTY. Should TENANT fail or refuse to deliver the required deed to COUNTY, COUNTY may prepare and record a notice reciting the failure of TENANT to execute, acknowledge and deliver such deed and said notice shall be conclusive evidence of the termination of this Lease and of all right of TENANT or those claiming under TENANT in and to the Leased Premises.

**SECTION 9.06 COUNTY'S RIGHT TO RE-ENTER**

TENANT agrees to yield and peaceably deliver possession of the Leased Premises to COUNTY on the date of termination or default of this Lease whatsoever the reason for such termination or default.

Upon giving written notice of termination or default to TENANT, COUNTY shall have the right to re-enter and take possession of the Leased Premises on the date such termination or default becomes effective without further notice of any kind and without institution of summary or regular legal proceedings. Termination or default of the Lease and re-entry of the Leased Premises by COUNTY shall in no way alter or diminish any obligation of TENANT under the Lease terms and shall not constitute an acceptance or surrender.

TENANT waives any and all right of redemption under any existing or future law or statute in the event of eviction from or dispossession of the Leased Premises for any lawful reason or in the event COUNTY re-enters and takes possession of the Leased Premises in a lawful manner.

Upon the expiration or early termination of this Lease, TENANT shall cooperate fully with the COUNTY and any successor to TENANT to ensure an effective and efficient transition of TENANT's operations within the Leased Premises to TENANT's successor. TENANT acknowledges its responsibility to help ensure continued operations within the Leased Premises in a first class manner during any transition to a successor. TENANT shall take no action that would impair the ability of any successor to commence and maintain such concession operations.

**ARTICLE X - INSURANCE**

**SECTION 10.01 INSURANCE**

TENANT agrees to purchase all required insurance at TENANT's expense and to deposit with the COUNTY certificates of insurance, including all endorsements required herein, necessary to satisfy the COUNTY that the insurance provisions of this Lease have been complied with and to keep such insurance coverage and the certificates and endorsements therefore on deposit with the COUNTY during the entire term of this Lease.

TENANT agrees that TENANT shall not operate on the Leased Premises at any time the required insurance is not in full force and effect as evidenced by a certificate of insurance and necessary endorsements or, in the interim, an official binder being in the possession of Airport Director. In no case shall assurances by TENANT, its employees, agents, including any insurance agent, be construed as adequate evidence of insurance. Airport Director will only accept valid certificates of insurance and endorsements, or in the interim, an insurance binder as adequate evidence of insurance. TENANT also agrees that upon cancellation, termination, or expiration of TENANT's insurance, COUNTY may take whatever steps are necessary to interrupt any operation from or on the Leased Premises until such time as the Airport Director reinstates the Lease.

If TENANT fails to provide Airport Director with a valid certificate of insurance and endorsements, or binder at any time during the term of the Lease, COUNTY and TENANT agree that this shall constitute a material breach of the Lease. Whether or not a notice of default has or

## JOHN WAYNE AIRPORT ON-AIRPORT RENTAL CAR CONCESSION LEASE

has not been sent to TENANT, said material breach shall permit COUNTY to take whatever steps necessary to interrupt any operation from or on the Leased Premises, and to prevent any persons, including, but not limited to, members of the general public, and TENANT's employees and agents, from entering the Leased Premises until such time as Airport Director is provided with adequate evidence of insurance required herein. TENANT further agrees to hold COUNTY harmless for any damages resulting from such interruption of business and possession, including, but not limited to, damages resulting from any loss of income or business resulting from the COUNTY's action.

TENANT may occupy the Leased Premises only upon providing to County the required insurance stated herein and maintain such insurance for the entire term of this Lease. County reserves the right to terminate this Lease at any time TENANT's insurance is canceled or terminated and not reinstated within ten (10) days of said cancellation or termination. TENANT shall pay COUNTY a fee of Three Hundred dollars (\$300.00) for processing the reinstatement of the Lease. TENANT shall provide to County immediate notice of said insurance cancellation or termination.

All contractors performing work on behalf of TENANT pursuant to this Lease shall obtain insurance subject to the same terms and conditions as set forth herein for TENANT. TENANT shall not allow contractors or subcontractors to work if contractors have less than the level of coverage required by the COUNTY from the TENANT under this Lease. It is the obligation of the TENANT to provide written notice of the insurance requirements to every contractor and to receive proof of insurance prior to allowing any contractor to begin work within the Leased Premises. Such proof of insurance must be maintained by TENANT through the entirety of this Lease and be available for inspection by a COUNTY representative at any reasonable time.

All self-insured retentions (SIRs) shall be clearly stated on the Certificate of Insurance. Any self-insured retention (SIR) in an amount in excess of Fifty Thousand Dollars (\$50,000) shall specifically be approved by the County's Risk Manager, or designee, upon review of TENANT's current audited financial report. If TENANT's SIR is approved, TENANT, in addition to, and without limitation of, any other indemnity provision(s) in this Lease, agrees to all of the following:

- 1) In addition to the duty to indemnify and hold the County harmless against any and all liability, claim, demand or suit resulting from TENANT's, its agents, employee's or subcontractor's performance of this Agreement, TENANT shall defend the County at its sole cost and expense with counsel approved by Board of Supervisors against same; and
- 2) TENANT's duty to defend, as stated above, shall be absolute and irrespective of any duty to indemnify or hold harmless; and
- 3) The provisions of California Civil Code Section 2860 shall apply to any and all actions to which the duty to defend stated above applies, and the TENANT's SIR provision shall be interpreted as though the TENANT was an insurer and the County was the insured.

COUNTY shall notify TENANT in writing of changes in the insurance requirements. If TENANT does not deposit copies of acceptable certificates of insurance and endorsements with COUNTY incorporating such changes within thirty (30) days of receipt of such notice, this Lease may be in breach without further notice to TENANT, and COUNTY shall be entitled to all legal remedies.

The procuring of such required policy or policies of insurance shall not be construed to limit TENANT's liability hereunder nor to fulfill the indemnification provisions and requirements of this Lease, nor in any way to reduce the policy coverage and limits available from the insurer.

### **SECTION 10.02 INDEMNITY**

To the fullest extent authorized by law, the TENANT shall indemnify, defend with counsel approved in writing by County, and hold the COUNTY, its officers, employees, and any entity whose governing body is the Board of Supervisors, harmless from and against any and all claims, judgments, damages, penalties, fines, costs, orders, and lawsuits of any kind whatsoever, arising out of the TENANT's operations at John Wayne Airport, including all related costs of defense arising therefrom. In the event the indemnitees described above are named as defendants or respondents in any lawsuit or administrative proceeding, the TENANT shall, at the request of the COUNTY, represent the indemnitee with qualified counsel that the COUNTY determines is acceptable.

In the event that a monetary judgment is awarded against the COUNTY and the TENANT because of the concurrent negligence of the COUNTY and the TENANT or their respective officers, subcontractors, or employees, an apportionment of liability to pay such judgment shall be made by a court of competent jurisdiction. Both the COUNTY and the TENANT agree that neither party shall request a jury apportionment.

Nothing stated in this Lease and in this indemnity obligation shall be construed as authorizing any award of attorney's fees in any action to enforce the terms of this Lease. The rights and obligations set forth in this paragraph shall survive the termination of this Lease.

No permit approval or consent given hereunder by COUNTY in its governmental capacity shall affect or limit TENANT's obligations hereunder, nor shall any approvals or consents given by COUNTY as a party to this Lease, be deemed approval as to compliance or conformance with applicable governmental codes, laws, ordinances, rules, or regulations.

No right reserved by COUNTY in this Section shall be so exercised as to interfere unreasonably with TENANT's operations hereunder or to impair the security of any secured creditor of TENANT.

COUNTY agrees that rights granted to third parties by reason of this Section shall contain provisions that the Leased Premises shall be restored as nearly as practicable to its original condition upon the completion of any construction. COUNTY further agrees that should the exercise of these rights temporarily interfere with the use of any or all of the Leased Premises by TENANT, TENANT shall only be entitled to a reduction in the rents payable to COUNTY during the period of interference, which shall be reduced in proportion to the interference with TENANT's use of the Leased Premises. TENANT shall not be entitled to any other form of compensation.
