Subject: Public Comment for 11/19/2019: Yale St. Homeless Shelter in Santa Ana

Hello County of Orange staff,

In reference to the Yale St. Shelter, I've been a resident of Orange County for over 35 years, and I am disappointed in the news that the County will put a 450 bed homeless shelter next to Santa Ana elementary schools, a high school school and local businesses.

Please reassess your decision on this location and do not put this shelter there.

Thank you.
