NOW, THEREFORE, the parties mutually agree as follows:

ARTICLES

GENERAL TERMS AND CONDITIONS

- A. **Governing Law and Venue:** This Contract has been negotiated and executed in the State of California and shall be governed by and construed under the laws of the State of California. In the event of any legal action to enforce or interpret this Contract, the sole and exclusive venue shall be a court of competent jurisdiction located in Orange County, California, and the parties hereto agree to and do hereby submit to the jurisdiction of such court, notwithstanding Code of Civil Procedure Section 394. Furthermore, the parties specifically agree to waive any and all rights to request that an action be transferred for trial to another county.
- B. **Entire Contract:** This Contract, its Attachments and Exhibits, when accepted by the Contractor either in writing or by commencement of performance hereunder, contains the entire Contract between the parties with respect to the matters herein, and there are no restrictions, promises, warranties or undertakings other than those set forth herein or referred to herein. No exceptions, alternatives, substitutes or revisions are valid or binding on County unless authorized by County in writing. Electronic acceptance of any additional terms, conditions or supplemental contracts by any County employee or agent, including but not limited to installers of software, shall not be valid or binding on County unless accepted in writing by County's Purchasing Agent or designee, hereinafter "Purchasing Agent."
- C. **Amendments:** No alteration or variation of the terms of this Contract shall be valid unless made in writing and signed by the parties; no oral understanding or agreement not incorporated herein shall be binding on either of the parties; and no exceptions, alternatives, substitutes or revisions are valid or binding on County unless authorized by County in writing.
- D. **Taxes:** Unless otherwise provided herein or by law, price quoted does not include California state sales or use tax.

- E. **Delivery:** Time of delivery of goods or services is of the essence in this Contract. County reserves the right to refuse any goods or services and to cancel all or any part of the goods not conforming to applicable specifications, drawings, samples or descriptions or services that do not conform to the prescribed Scope of Work. Acceptance of any part of the order for goods shall not bind County to accept future shipments nor deprive it of the right to return goods already accepted at Contractor's expense. Overshipments and undershipments of goods shall be only as agreed to in writing by County. Delivery shall not be deemed to be complete until all goods or services have actually been received and accepted in writing by County.
- F. **Warranty:** Contractor expressly warrants that the services covered by this Contract are 1) free of liens or encumbrances, 2) merchantable and good for the ordinary purposes for which they are used, and 3) fit for the particular purpose for which they are intended. Acceptance of goods/services shall constitute a contract upon Contractor's part to indemnify, defend and hold County and its indemnitees as identified in paragraph "GG" below, and as more fully described in paragraph "GG", harmless from liability, loss, damage and expense, including reasonable counsel fees, incurred or sustained by County by reason of the failure of the goods/services to conform to such warranties, faulty work performance, negligent or unlawful acts, and non-compliance with any applicable state or federal codes, ordinances, orders, or statutes, including the Occupational Safety and Health Act (OSHA) and the California Industrial Safety Act. Such remedies shall be in addition to any other remedies provided by law.
- G. **Patent/Copyright Materials/Proprietary Infringement:** Unless otherwise expressly provided in this Contract, Contractor shall be solely responsible for clearing the right to use any patented or copyrighted materials in the performance of this Contract. Contractor warrants that any software as modified through services provided hereunder will not infringe upon or violate any patent, proprietary right, or trade secret right of any third party. Contractor agrees that, in accordance with the more specific requirement contained in paragraph "GG" below, it shall indemnify, defend and hold County and County indemnitees harmless from any and all such claims and be responsible for payment of all costs, damages, penalties and expenses related to or arising from such claim(s), including, but not limited to, attorney's fees, costs and expenses.
- H. **Assignment or Sub-Contracting:** The terms, covenants, and conditions contained herein shall apply to and bind the heirs, successors, executors, administrators and assigns of the parties. Furthermore, neither the performance of this Contract nor any portion thereof may be assigned or sub-contracted by Contractor without the express written consent of County. Any attempt by Contractor to assign or sub-contract the performance or any portion thereof of this Contract without the express written consent of County shall be invalid and shall constitute a breach of this Contract.
- I. **Non-Discrimination:** In the performance of this Contract, Contractor agrees that it will comply with the requirements of Section 1735 of the California Labor Code and not engage nor permit any subcontractors to engage in discrimination in employment of persons because of the race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, or sex of such persons. Contractor acknowledges that a violation of this provision shall subject Contractor to all the penalties imposed for a violation of Section 1720 et seq. of the California Labor Code.
- J. **Termination:** In addition to any other remedies or rights it may have by law, County has the right to terminate this Contract without penalty immediately with cause or after thirty (30) days' written notice without cause, unless otherwise specified. Cause shall be defined as any breach of contract, any misrepresentation or fraud on the part of the Contractor. Exercise by County of its right to terminate the Contract shall relieve County of all further obligations.
- K. **Consent to Breach Not Waiver:** No term or provision of this Contract shall be deemed waived and no breach excused, unless such waiver or consent shall be in writing and signed by the party claimed to have waived or consented. Any consent by any party to, or waiver of, a breach by the

other, whether express or implied, shall not constitute consent to, waiver of, or excuse for any other different or subsequent breach.

- L. **Remedies Not Exclusive:** The remedies for breach set forth in this Contract are cumulative as to one another and as to any other provided by law, rather than exclusive; and the expression of certain remedies in this Contract does not preclude resort by either party to any other remedies provided by law.
- M. **Independent Contractor:** Contractor shall be considered an independent contractor and neither Contractor, its employees, nor anyone working under Contractor shall be considered an agent or an employee of County. Neither Contractor, its employees nor anyone working under Contractor shall qualify for workers' compensation or other fringe benefits of any kind through County.
- N. **Performance:** Contractor shall perform all work under this Contract, taking necessary steps and precautions to perform the work to County's satisfaction. Contractor shall be responsible for the professional quality, technical assurance, timely completion and coordination of all documentation and other goods/services furnished by the Contractor under this Contract. Contractor shall perform all work diligently, carefully, and in a good and workman-like manner; shall furnish all labor, supervision, machinery, equipment, materials, and supplies necessary therefor; shall at its sole expense obtain and maintain all permits and licenses required by public authorities, including those of County required in its governmental capacity, in connection with performance of the work; and, if permitted to subcontract, shall be fully responsible for all work performed by subcontractors.
- O. **Insurance:**

Prior to the provision of services under this Contract, the Contractor agrees to purchase all required insurance at Contractor's expense and to deposit with the County Certificates of Insurance, including all endorsements required herein, necessary to satisfy the County that the insurance provisions of this Contract have been complied with and to keep such insurance coverage and the certificates therefore on deposit with the County during the entire term of this Contract. In addition, all subcontractors performing work on behalf of Contractor pursuant to this Contract shall obtain insurance subject to the same terms and conditions as set forth herein for Contractor.

All self-insured retentions (SIRs) and deductibles shall be clearly stated on the Certificate of Insurance. If no SIRs or deductibles apply, indicate this on the Certificate of Insurance with a zero (0) by the appropriate line of coverage. Any self-insured retention (SIR) or deductible in an amount in excess of \$25,000 (\$5,000 for automobile liability), shall specifically be approved by the County Executive Office (CEO)/Office of Risk Management.

If the Contractor fails to maintain insurance acceptable to the County for the full term of this Contract, the County may terminate this Contract.

Qualified Insurer

The policy or policies of insurance must be issued by an insurer licensed to do business in the State of California (California Admitted Carrier). If the carrier is a non-admitted carrier in the State of California and does not meet or exceed an A.M. Best rating of A-/VIII, CEO/Office of Risk Management retains the right to approve or reject carrier after a review of the company's performance and financial ratings. If the non-admitted carrier meets or exceeds the minimum A.M. Best rating of A-/VIII, the agency can accept the insurance.

The policy or policies of insurance maintained by the Contractor shall provide the minimum limits and coverage as set forth below:

<u>Coverage</u>	<u>Minimum Limits</u>
Commercial General Liability	\$1,000,000 per occurrence \$2,000,000 aggregate

Workers' Compensation	Statutory
Employers' Liability Insurance	\$1,000,000 per occurrence
Professional Liability Insurance	\$1,000,000 per occurrence

The Business Auto Liability coverage shall be written on ISO form CA 00 01, CA 00 05, CA 0012, CA 00 20, or a substitute form providing coverage at least as broad.

Required Endorsements

The Commercial General Liability policy shall contain the following endorsements, which shall accompany the Certificate of Insurance:

1. An Additional Insured endorsement using ISO form CG 2010 or CG 2033 or a form at least as broad naming the County of Orange, its elected and appointed officials, officers, employees, agents as Additional Insureds.
2. A primary non-contributing endorsement evidencing that the Contractor's insurance is primary and any insurance or self-insurance maintained by the County of Orange shall be excess and non-contributing.

The Workers' Compensation policy shall contain a waiver of subrogation endorsement waiving all rights of subrogation against the County of Orange, and members of the Board of Supervisors, its elected and appointed officials, officers, agents and employees.

All insurance policies required by this Contract shall give the County of Orange thirty (30) days' notice in the event of cancellation and ten (10) days for non-payment of premium. This shall be evidenced by policy provisions or an endorsement separate from the Certificate of Insurance.

If Contractor's Professional Liability policy is a "claims made" policy, Contractor shall agree to maintain Professional Liability coverage for two (2) years following completion of Contract.

The Commercial General Liability policy shall contain a severability of interests clause also known as a "separation of insureds" clause (standard in the ISO CG 0001 policy).

Insurance certificates should be forwarded to the agency/department address listed on the solicitation.

If the Contractor fails to provide the insurance certificates and endorsements within seven (7) days of notification by County Procurement Office/Purchasing or the agency/department purchasing division, award may be made to the next qualified vendor.

County expressly retains the right to require Contractor to increase or decrease insurance of any of the above insurance types throughout the term of this Contract. Any increase or decrease in insurance will be as deemed by County of Orange Risk Manager as appropriate to adequately protect County.

County shall notify Contractor in writing of changes in the insurance requirements. If Contractor does not deposit copies of acceptable Certificates of Insurance and endorsements with County incorporating such changes within thirty (30) days of receipt of such notice, this Contract may be in breach without further notice to Contractor, and County shall be entitled to all legal remedies.

The procuring of such required policy or policies of insurance shall not be construed to limit Contractor's liability hereunder nor to fulfill the indemnification provisions and requirements of this Contract, nor act in any way to reduce the policy coverage and limits available from the insurer.

- P. **Bills and Liens:** Contractor shall pay promptly all indebtedness for labor, materials and equipment used in performance of the work. Contractor shall not permit any lien or charge to attach to the work or the premises, but if any does so attach, Contractor shall promptly procure its release and, in accordance with the requirements of paragraph "GG" below, indemnify, defend, and hold County harmless and be responsible for payment of all costs, damages, penalties and expenses related to or arising from or related thereto.
- Q. **Changes:** Contractor shall make no changes in the work or perform any additional work without the County's specific written approval.

- S. **Force Majeure:** Contractor shall not be assessed with liquidated damages or unsatisfactory performance penalties during any delay beyond the time named for the performance of this Contract caused by any act of God, war, civil disorder, employment strike or other cause beyond its reasonable control, provided Contractor gives written notice of the cause of the delay to County within thirty-six (36) hours of the start of the delay and Contractor avails itself of any available remedies.
- T. **Confidentiality:** Contractor agrees to maintain the confidentiality of all County and County-related records and information pursuant to all statutory laws relating to privacy and confidentiality that currently exist or exist at any time during the term of this Contract. All such records and information shall be considered confidential and kept confidential by Contractor and Contractor's staff, agents and employees.
- U. **Compliance with Laws:** Contractor represents and warrants that services to be provided under this Contract shall fully comply, at Contractor's expense, with all standards, laws, statutes, restrictions, ordinances, requirements, and regulations (collectively "laws"), including, but not limited to those issued by County in its governmental capacity and all other laws applicable to the services at the time services are provided to and accepted by County. Contractor acknowledges that County is relying on Contractor to ensure such compliance, and pursuant to the requirements

of paragraph "GG" below, Contractor agrees that it shall defend, indemnify and hold County and County Indemnitees harmless from all liability, damages, costs and expenses arising from or related to a violation of such laws.

- V. **Freight (F.O.B. Destination):** Contractor assumes full responsibility for all transportation scheduling, packaging, handling, insurance, and other services associated with delivery of all products deemed necessary under this Contract.
- W. **Pricing:** The Contract price shall include full compensation for providing all required goods, in accordance with required specifications, or services, as specified herein or when applicable, in the Scope of Work attached to this Contract, and no additional compensation will be allowed therefor, unless otherwise provided for in this Contract.
- X. **Waiver of Jury Trial:** Each party acknowledges that it is aware of and has had the opportunity to seek advice of counsel of its choice with respect to its rights to trial by jury, and each party, for itself and its successors, creditors, and assigns, does hereby expressly and knowingly waive and release all such rights to trial by jury in any action, proceeding or counterclaim brought by any party hereto against the other (and/or against its officers, directors, employees, agents, or subsidiary or affiliated entities) on or with regard to any matters whatsoever arising out of or in any way connected with this Contract and/or any other claim of injury or damage.
- Y. **Terms and Conditions:** Contractor acknowledges that it has read and agrees to all terms and conditions included in this Contract.
- Z. **Headings:** The various headings and numbers herein, the grouping of provisions of this Contract into separate clauses and paragraphs, and the organization hereof are for the purpose of convenience only and shall not limit or otherwise affect the meaning hereof.
- AA. **Severability:** If any term, covenant, condition or provision of this Contract is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remainder of the provisions hereof shall remain in full force and effect and shall in no way be affected, impaired or invalidated thereby.
- BB. **Calendar Days:** Any reference to the word "day" or "days" herein shall mean calendar day or calendar days, respectively, unless otherwise expressly provided.
- CC. **Attorney Fees:** In any action or proceeding to enforce or interpret any provision of this Contract, or where any provision hereof is validly asserted as a defense, each party shall bear its own attorney's fees, costs and expenses.
- DD. **Interpretation:** This Contract has been negotiated at arm's length and between persons sophisticated and knowledgeable in the matters dealt with in this Contract. In addition, each party had been represented by experienced and knowledgeable independent legal counsel of its own choosing or has knowingly declined to seek such counsel despite being encouraged and given the opportunity to do so. Each party further acknowledges that it has not been influenced to any extent whatsoever in executing this Contract by any other party hereto or by any person representing it, or both. Accordingly, any rule or law (including California Civil Code Section 1654) or legal decision that would require interpretation of any ambiguities in this Contract against the party that has drafted it is not applicable and is waived. The provisions of this Contract shall be interpreted in a reasonable manner to effect the purpose of the parties and this Contract.
- EE. **Authority:** The parties to this Contract represent and warrant that this Contract has been duly authorized and executed and constitutes the legally binding obligation of its respective organization or entity, enforceable in accordance with its terms.

The Contractor shall retain all such documentation for all covered employees for the period prescribed by the law. The Contractor shall indemnify, defend with counsel approved in writing by County, and hold harmless, the County, its agents, officers, and employees from employer sanctions and any other liability which may be assessed against the Contractor or the County or both in connection with any alleged violation of any federal or state statutes or regulations pertaining to the eligibility for employment of any persons performing work under this Contract.

If such appropriations are not approved, this Contract shall be terminated without penalty to the County.
6. **Contingency of Funds:** Contractor acknowledges that funding or portions of funding for this Contract may also be contingent upon the receipt of funds from, and/or appropriation of funds by,

- a. The Contractor shall submit to the assigned buyer a written demand for a final decision regarding the disposition of any dispute between the parties arising under, related to, or involving this Contract, unless the County, on its own initiative, has already rendered such a final decision.
- b. The Contractor's written demand shall be fully supported by factual information, and, if such demand involves a cost adjustment to the Contract, the Contractor shall include with the demand a written statement signed by a senior official indicating that the demand is made in good faith, that the supporting data are accurate and complete, and that the amount requested accurately reflects the Contract adjustment for which the Contractor believes the County is liable.

Pending the final resolution of any dispute arising under, related to, or involving this Contract, the Contractor agrees to diligently proceed with the performance of this Contract, including the delivery of goods and/or provision of services. The Contractor's failure to diligently proceed shall be considered a material breach of this Contract.

Any final decision of the County shall be expressly identified as such, shall be in writing, and shall be signed by the Purchasing Agent. If the County fails to render a decision within ninety (90) days after receipt of the Contractor's demand, it shall be deemed a final decision adverse to the Contractor's contentions. The County's final decision shall be conclusive and binding regarding the dispute unless the Contractor commences action in a court of competent jurisdiction to contest such decision within ninety (90) days following the date of the County's final decision or one (1) year following the accrual of the cause of action, whichever is later.

14. **Audits/Inspections:** Contractor agrees to permit the County's Auditor-Controller or the Auditor-Controller's authorized representative (including auditors from a private auditing firm hired by the County) access during normal working hours to all books, accounts, records, reports, files, financial records, supporting documentation, including payroll and accounts payable/receivable records, and other papers or property of Contractor for the purpose of auditing or inspecting any aspect of performance under this Contract. The inspection and/or audit will be confined to those matters connected with the performance of the Contract including, but not limited to, the costs of administering the Contract. The County will provide reasonable notice of such an audit or inspection.

The County reserves the right to audit and verify the Contractor's records before final payment is made.

Contractor agrees to maintain such records for possible audit for a minimum of three (3) years after final payment, unless a longer period of records retention is stipulated under this Contract or by law. Contractor agrees to allow interviews of any employees or others who might reasonably have information related to such records. Further, Contractor agrees to include a similar right to the County to audit records and interview staff of any subcontractor related to performance of this Contract.

Should the Contractor cease to exist as a legal entity, the Contractor's records pertaining to this Contract shall be forwarded to the surviving entity in a merger or acquisition or, in the event of liquidation, to the County's Project Manager.

All press releases, including graphic display information to be published in newspapers, magazines, etc., are to be administered only by the County unless otherwise agreed to by both parties.
17. **Conflicts with Existing Law:** The Contractor and the County agree that if any provision of this Contract is found to be illegal or unenforceable, such term or provision shall be deemed stricken and the remainder of the Contract shall remain in full force and effect. Either party having knowledge of such term or provisions shall promptly inform the other of the presumed non-applicability of such provision. Should the offending provision go to the heart of the Contract, the Contract shall be terminated in a manner commensurate with interests of both parties to the maximum extent reasonable.
18. **Validity:** The invalidity in whole or in part of any article or provision of this Contract shall not void or affect validity of any other article or provision of this Contract.
19. **Gratuities:** The Contractor warrants that no gratuities, in the form of entertainment, gifts or otherwise, were offered or given by the Contractor or any agent or representative of the Contractor to any officer or employee of the County with a view toward securing the Contract or securing favorable treatment with respect to any determinations concerning the performance of the Contract. For breach or violation of this warranty, the County shall have the right to terminate the Contract, either in whole or in part, and any loss or damage sustained by the County in procuring on the open market any goods or services which the Contractor agreed to supply shall be borne and paid for by the Contractor. The rights and remedies of the County provided in the

clause shall not be exclusive and are in addition to any other rights and remedies provided by law or under the Contract.

20. **Contractor Bankruptcy/Insolvency:** If the Contractor should be adjudged bankrupt or should have a general assignment for the benefit of its creditors or if a receiver should be appointed on account of the Contractor's insolvency, the County may terminate this Contract.
21. **Reports/Meetings:** The Contractor shall develop reports and any other relevant documents necessary to complete the services and requirements as set forth in this Contract. 26. **EDD Independent Contractor Reporting Requirements:** Effective January 1, 2001, the County of Orange is required to file federal Form 1099-Misc for services received from a "service provider" to whom the County pays \$600 or more or with whom the County enters into a contract for \$600 or more within a single calendar year. The purpose of this reporting requirement is to increase child support collection by helping to locate parents who are delinquent in their child support obligations.

The term "service provider" is defined in California Unemployment Insurance Code Section 1088.8, subparagraph B.2 as "an individual who is not an employee of the service recipient for California purposes and who received compensation or executes a contract for services performed for that service recipient within or without the state." The term is further defined by the California Employment Development Department to refer specifically to independent contractors. An independent contractor is defined as "an individual who is not an employee of the government entity for California purposes and who receives compensation or executes a contract for services performed for that government entity either in or outside of California."

The reporting requirement does not apply to corporations, general partnerships, limited liability partnerships, and limited liability companies.

Additional information on this reporting requirement can be found at the California Employment Development Department web site located at www.edd.ca.gov/txicr.htm.

27. **Software License:** The Contractor hereby grants to the County of Orange and the County accepts from the Contractor, subject to the terms and conditions of this Contract, a non-exclusive, non-transferable license to use the software products list in this Contract, hereinafter referred to as “software products.” The license granted above authorizes the County to use the software products in machine-readable form on a single computer system, designated in writing by the County to the Contractor, provided that if the designated CPU is inoperative due to malfunction, license herein granted shall be temporarily extended to authorize the County to use the software products in machine-readable form on any other County CPU until the designated CPU is returned to operation. By prior written notice to the Contractor, the County may redesignate the CPU in which the software products are to be used and must do so if the redesignation is permanent.

When encryption/CPU ID authorization codes are required to operate the software products, the Contractor will provide all codes to the County with shipment of the software. In the case of an inoperative CPU, as defined above, Contractor will provide a temporary encryption/CPU ID authorization code to the County for use on a temporarily authorized CPU until the designated CPU is returned to operation. When changes in designated CPUs occur, the Contractor will issue to the County within twenty four (24) hours of notification a temporary encryption/ID authorization code for use on the newly designated CPU until such time a permanent code is assigned.

28. **Software – Future Releases:** If improvement, upgraded, or enhancement versions of any software product under this Contract are developed by the Contractor and are made available to other licensees, they will be made available to the County at the County’s option, provided such versions are operable on the same computer hardware configuration. The charge for such upgrading to the later version of the software will be the difference between the price established by the Contractor for the later version and the price specified herein or the then prevailing prices of the currently installed version.
29. **Debarment:** Contractor shall certify that neither Contractor nor its principles are presently debarred, proposed for debarment, declared ineligible or voluntarily excluded from participation in the transaction by any federal department or agency. Where Contractor as the recipient of federal funds, is unable to certify to any of the statements in the certification, Contractor must include an explanation with their bid/proposal. Debarment, pending debarment, declared ineligibility or voluntary exclusion from participation by any federal department or agency may result in the bid/proposal being deemed non-responsible.
30. **Lobbying:** On best information and belief, Contractor certifies no federal appropriated funds have been paid or will be paid by, or on behalf of, the Contractor to any person for influencing or attempting to influence an officer or employee of Congress; or an employee of a member of Congress in connection with the awarding of any federal contract, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.

Upon discovery of a system problem, County shall notify Contractor of the problem by phone to make initial contact:

New York phone (800) 421-7503

Contractor shall log the problem and assign it a Tracker System identification number. At that time, Contractor and County shall mutually agree upon a resolution priority number (see table below for priority definitions). A follow-up written notice will then be created defining the problem along with any available documentation substantiating the problem.

Requirements

Remote access charges for support from New York only for the specific purpose of fixing reported Priority 1 problems shall be billable to County. Invoicing for such charges shall be supported by copies of actual internet service provider bills validating the date, time, and duration of access and the problem being fixed. Access time shall be controlled by County and shall be scheduled per Contractor's request as each problem is addressed. Contractor shall have access to County system only for the purpose of immediate problem resolution.

If after analysis, Contractor and County mutually agree that a reported problem is a Priority 1 caused by a reproducible error or malfunction in the County's current release level of the software as supplied and maintained by Contractor, then Contractor shall:

- 1. If any material software function is substantially inoperable, as reported by County, provide continuous effort to correct the error or malfunction.
- 2. If the software is inoperable, and cannot be readily corrected, attempt to resolve the problem by providing circumvention.
- 3. Provide County with corrective information, such as corrected documentation and/or program code.

Prioritization of report of problems shall be as follows:

Priority 1 shall be assigned when the system or a material system functional component is not operational, such as patient registration screen input/update/inquiry. Best efforts shall be made to fix Priority 1 problems within six (6) business hours of Tracker System logging.

Priority 2 shall be assigned for less critical functions, such as low impact screens and report printing errors. Best efforts shall be made to fix Priority 2 problems within two (2) business days of Tracker System logging.

Priority 3 shall be assigned to problems not having a major impact on County's ability to run the software but which require correction. Best efforts shall be made to respond to Priority 3 problems within ten (10) calendar days of notification and Tracker System logging with a corrective action plan and scheduled date for the implementation of the correction.

Response Time

Contractor shall provide initial response to Priority 1 problems within two (2) hours following notification during normal Contractor business hours (9:00 a.m. through 5:30 p.m. Pacific Standard Time). Contractor will provide a correction, circumvention, and/or resolution plan to the problems within six (6) business hours for all Priority 1 problems, within two (2) business days for all Priority 2 problems, and within ten (10) calendar days for all Priority 3 problems.

Telephone contact or remote access from Contractor to County will satisfy initial response criteria.

Outstanding Maintenance Items

Contractor shall address all outstanding maintenance items in a timely manner based upon a priority established by County. If County has requested software development under a contract separate from this Contract, work on the separate development project shall not be substituted as a replacement for normal monthly maintenance support. Resources to complete maintenance and new development projects simultaneously must be provided by Contractor.

Technician Approval

Technician(s) performing software maintenance, including any development for this system, must be approved by County Project Manager prior to implementing work.
