RECITALS

WHEREAS, COUNTY, through its Board of Supervisors, is the owner and proprietor of John Wayne Airport ("JWA" or the "Airport"), located in the County of Orange, State of California, and operates and maintains the Airport as a governmental function for the primary purpose of providing air transportation to the public; and

WHEREAS, COUNTY and OPERATOR entered into the TAXICAB OPERATING AGREEMENT ("Agreement") dated January 1, 2017, in order to provide taxicab services to the passengers at the Airport; and

WHEREAS, COUNTY and OPERATOR desire to reduce the size of the Operating Area;

NOW, THEREFORE, in consideration of the promises and the mutual covenants hereinafter contained to be observed and performed by the respective parties hereto, COUNTY and OPERATOR agree to amend Article V, Exhibit B to the Agreement as follows:

1. SECTION 5.03 OPERATIONAL REQUIREMENTS, Subsection A. SERVICE, subdivisions (2) and (3) are deleted and replaced in their entirety with the following:

(2) Starter. OPERATOR shall provide a starter in the Ground Transportation Center and a starter at Terminal C from 7:00 a.m. to 11:00 p.m. for purposes of coordinating taxicab service to Airport customers and ensuring they receive prompt, competent and professional service. If notified by Airport personnel of a late-arriving flight or transfer bus, the starter on duty shall stay until all passengers have departed the terminal. OPERATOR shall utilize automated scheduling and dispatch systems to enable continuous contact with the dispatcher in order to assist in electronically calling taxicabs to the Airport during peak periods. The starter shall also wear a uniform at all times, subject to approval by Airport Director, which identifies the starter as a representative of OPERATOR.

The starter shall inquire of passengers approaching the taxicab area if they desire taxicab service and shall not solicit fares from Airport customers. Upon receiving an affirmative indication, the starter shall open doors and assist passenger(s) into the first available taxicab and concurrently hand passenger a comment card approved by Airport Director containing the cab number, a phone number for complaints, and a customer service questionnaire. The starter shall have a rate sheet available to quote approximate meter rates to various cities and destinations for customer information. It shall be OPERATOR's responsibility to make sure all taxicabs meet the terms and requirements of this Agreement.
