Revised Recommended Action(s)

Make modifications to the:

Subject  Background Information  Summary  Financial Impact

Since issuance of the 2016 PSH NOFA, the County has financially assisted and restricted over 200 units of housing for extremely low-income households experiencing homelessness. In addition, the County's capital funds and voucher commitments to these developments helped leverage additional funding for the development of more than ~~500~~ **400** units of affordable housing. The County has exhausted the 2016 PSH NOFA funds and vouchers and is taking the opportunity to update existing policies. Staff drafted recommended policy and process changes to the current 2016 PSH NOFA and held an input and feedback session on October 23, 2019.
