1 amounts claimed for subcontracts not approved in accordance with this paragraph.

2 4. This provision shall not be applicable to service agreements usually and customarily

8 and consultants performing work under this Agreement meet the citizenship or alien status requirements
9 set forth in federal statutes and regulations. CONTRACTOR shall obtain, from all employees,
10 subcontractors, and consultants performing work hereunder, all verification and other documentation of

 11 CONTRACTOR must complete and submit to ADMINISTRATOR a notification form when items of
 12 Equipment are moved from one location to another or returned to COUNTY as surplus.

13 G. Unless this Agreement is followed without interruption by another agreement between the
 14 parties for substantially the same type and scope of services, at the termination of this Agreement for
 15 any cause, CONTRACTOR shall return to COUNTY all Equipment purchased with funds paid through
 16 this Agreement.

26 B. In the event that CONTRACTOR is unable to provide the services, staffing, facilities, or
 27 supplies as required, ADMINISTRATOR may, at its sole discretion, reduce the Aggregate Maximum
 28 Obligation for the appropriate Period as well as the Total Aggregate Maximum Obligation. The
 29 reduction to the Aggregate Maximum Obligation for the appropriate Period as well as the Total
 30 Aggregate Maximum Obligation shall be in an amount proportionate to the number of days in which
 31 CONTRACTOR was determined to be unable to provide services, staffing, facilities or supplies.

 35 and hold COUNTY, its elected and appointed officials, officers, employees, agents and those special
 36 districts and agencies for which COUNTY's Board of Supervisors acts as the governing Board
 37 ("COUNTY INDEMNITEES") harmless from any claims, demands or liability of any kind or nature,

1 including but not limited to personal injury or property damage, arising from or related to the services,
2 products or other performance provided by CONTRACTOR pursuant to this Agreement. If judgment is
3 entered against CONTRACTOR and COUNTY by a court of competent jurisdiction because of the
4 concurrent active negligence of COUNTY or COUNTY INDEMNITEES, CONTRACTOR and
5 COUNTY agree that liability will be apportioned as determined by the court. Neither party shall request
6 a jury apportionment.

7 B. COUNTY agrees to indemnify, defend and hold CONTRACTOR, its officers, employees,
8 agents, directors, members, shareholders and/or affiliates harmless from any claims, demands, including
9 defense costs, or liability of any kind or nature, including but not limited to personal injury or property
10 damage, arising from or related to the services, products or other performance provided by COUNTY

12 of competent jurisdiction because of the concurrent active negligence of CONTRACTOR, COUNTY
13 and CONTRACTOR agree that liability will be apportioned as determined by the court. Neither party
14 shall request a jury apportionment.

15 C. Each party agrees to provide the indemnifying party with written notification of any claim
16 related to services provided by either party pursuant to this Agreement within thirty (30) calendar days
17 of notice thereof, and in the event the indemnifying party is subsequently named party to the litigation,
18 each party shall cooperate with the indemnifying party in its defense.

19 D. Without limiting CONTRACTOR's indemnification, CONTRACTOR warrants that it is
20 self-insured or shall maintain in force at all times during the term of this Agreement, the policy or
21 policies of insurance covering its operations placed with reputable insurance companies in amounts as
22 specified in the Referenced Contract Provisions of this Agreement. Upon request by

26 Additional Insured or maintain insurance subject to the same terms and conditions as set forth herein for
27 CONTRACTOR. CONTRACTOR shall not allow subcontractors to work if subcontractors have less
28 than the level of coverage required by COUNTY from CONTRACTOR under this Agreement. It is the
29 obligation of CONTRACTOR to provide notice of the insurance requirements to every subcontractor
30 and to receive proof of insurance prior to allowing any subcontractor to begin work. Such proof of
31 insurance must be maintained by CONTRACTOR through the entirety of this Agreement for inspection
32 by COUNTY representative(s) at any reasonable time.

33 F. All SIRs and deductibles shall be clearly stated on the COI. If no SIRs or deductibles apply,
34 indicate this on the COI with a zero (0) by the appropriate line of coverage. Any SIR or deductible in an
35 amount in excess of \$25,000 (\$5,000 for automobile liability), shall specifically be approved by the
36 CEO/Office of Risk Management upon review of CONTRACTOR's current audited financial report.

37 G. If CONTRACTOR fails to maintain insurance acceptable to COUNTY for the full term of this

6 but not mandatory, that the insurer be licensed to do business in the state of California (California

28 "Claims Made" policy(ies), CONTRACTOR shall agree to maintain coverage for two (2) years

36 R. COUNTY shall notify CONTRACTOR in writing of changes in the insurance requirements. If
37 CONTRACTOR does not deposit copies of acceptable COIs and endorsements with COUNTY

1 incorporating such changes within thirty (30) calendar days of receipt of such notice, this Agreement
 2 may be in breach without further notice to CONTRACTOR, and COUNTY shall be entitled to all legal
 3 remedies.

4 S. The procuring of such required policy or policies of insurance shall not be construed to limit
 5 CONTRACTOR's liability hereunder nor to fulfill the indemnification provisions and requirements of
 6 this Agreement, nor act in any way to reduce the policy coverage and limits available from the insurer.

7 **T. SUBMISSION OF INSURANCE DOCUMENTS**

8 1. The COI and endorsements shall be provided to COUNTY as follows:

31
 32 **XIII. INSPECTIONS AND AUDITS**

33 A. ADMINISTRATOR, any authorized representative of COUNTY, any authorized representative

 17 by CONTRACTOR to COUNTY, or payment of sums due from COUNTY to CONTRACTOR, said
 18 funds shall be due and payable from one party to the other within sixty (60) calendar days of receipt of
 19 the audit results. If reimbursement is due from CONTRACTOR to COUNTY, and such reimbursement

23 and/or state statute.

1 shall be considered when developing and providing services.

2 2. Being Fully Served, Ensuring Integrated Experience – To begin to understand and apply
3 FSP practices, one must first understand the concepts inherent in the carefully selected phrase Full
4 Service Partnership, including the idea of what it means to “be fully served” and providing an integrated
5 service experience within the FSP. Individuals who have been diagnosed with a serious mental illness
6 shall receive mental health services through an individual service plan where both the Client and their
7 PSC agree that they are getting the services they want and need, in order to achieve their wellness and
8 Recovery goals.

9 3. Tailoring Service Coordination to Client Stage of Recovery – CONTRACTOR shall

11 Clients’ stages of Recovery to ensure that Clients are “fully served.”

13 bringing individuals successfully into the FSP as well as to retain Clients in the FSP while they need

27 CONTRACTOR shall assist Clients in becoming more engaged in their Recovery to reduce reliance on
28 the mental health system, as mental health interventions become less necessary.

29 9. Community Capacity Building – CONTRACTOR shall assist Clients in managing and
30 living productive lives in their community; to reduce unnecessary Client reliance on the mental health
31 system; and to increase capacity within the system to serve new Clients.

32 10. Use of Strength-Based Approach – CONTRACTOR shall help Clients identify and use
33 their individual strengths in treatment as an effective way to help Clients achieve their goals and believe
34 that Recovery is possible.

35 11. Client Self-Management – CONTRACTOR shall assist Clients in learning to assume more
36 responsibility for their overall care by becoming more involved in decision-making and successfully
37 manage their symptoms.

1 12. Integrated Services for Clients with Co-Occurring Substance Use and Mental Health
2 Disorders – CONTRACTOR shall integrate substance abuse and mental health services into one
3 treatment plan as it is critical to the Recovery process for both disorders. Integrated Dual Disorder
4 Treatment model is an approach that helps people recover by offering treatments that combine or
5 integrate mental health and substance use interventions at the level of the clinical encounter. Ultimately,
6 the goal of Integrated Dual Disorder Treatment is to help people manage both their mental illness and
7 substance use disorders so that they can pursue their own meaningful life goals.

8 13. Role of Medication and Therapy – CONTRACTOR shall understand the potential role and

12 14. Reconnecting with Family – CONTRACTOR shall facilitate the Recovery process and add
13 an element of social support to the Client and include the family in services.

14 15. Increasing Social Supports and Community Integration – CONTRACTOR shall work with
15 Clients to shift Clients' support from weighing heavily on the mental health system to weighing more
16 heavily in the community. CONTRACTOR shall focus on increasing Clients' social network and
17 increasing their opportunities to meet new people as Clients Recovery progresses.

18 16. Education, Employment and Volunteering – CONTRACTOR shall work with Clients to
19 engage in activities that are meaningful, create self-sufficiency, and give back to the community.

21 Client contact with law enforcement and the judicial system.

22 18. Linkage to and Coordination of Health Care – CONTRACTOR shall ensure all FSP Clients
23 have access to needed comprehensive health care. Access to these services is particularly critical since
24 mental health Clients often have undiagnosed and untreated medical conditions that result in chronic
25 medical conditions and premature death.

26 19. Coordination of Inpatient Care/Incarceration – CONTRACTOR shall ensure coordination
27 of services when FSP Clients are in a psychiatric hospital or incarcerated and plan for a successful
28 discharge.

29 20. Team Service Approach and Meeting Structure – CONTRACTOR shall utilize the FSP
30 team as a whole in treatment and service planning.

31 21. Use of Peer Staff – CONTRACTOR shall identify meaningful roles for peer employees as
32 part of a FSP team. Employing Clients is transformational and not only helps Clients give back to the
33 system that helped them recover, but also, if done with care, will reduce the stigma associated with
34 mental illness.

35 22. Creating an Array of Readily Available Housing Options – CONTRACTOR shall establish
36 safe, affordable, and permanent housing for each Client.

37 23. Graduation is the expected outcome for all Clients and is not only crucial to the Clients as

1 validation of their accomplishments and belief in their potential, but is also crucial for capacity and flow
2 through our system. CONTRACTOR shall work with Clients to provide enough support for Clients to
3 develop the confidence to move to lower levels of care or full community integration.

4 24. CONTRACTOR shall conduct ongoing evaluation of practices and outcomes to ensure that
5 all components of MHSA FSP philosophy, as outlined above, are successfully implemented and

25 3. Co-Occurring Services: Follows a program that uses a stage-wise treatment model that is
26 non-confrontational, follows behavioral principles, considers interactions between mental illness and
27 substance use and has gradual expectations of abstinence. Mental illness and substance abuse research
28 has strongly indicated that to recover fully, a Client with co-occurring disorder needs treatment for both
29 problems as focusing on one does not ensure the other will go away. Co-occurring services integrate
30 assistance for each condition, helping people recover from both in one setting at the same time. All
31 treatment team members shall be co-occurring treatment capable. The ASAM screening tool shall be
32 utilized to identify an appropriate level of co-occurring treatment indicated. Individuals will be provided
33 a range of co-occurring services such as medical detox, social detox, residential treatment, sober living
34 or outpatient treatment.

35 4. Vocational and Educational Services: As part of the continuum of Recovery it is important
36 that Clients develop an “identity” other than that of a mental health Client; towards this end Clients will
37 be supported in exploring a full range of opportunities, including but not limited to, volunteer

1 opportunities, part-time/full-time work, supported employment, competitive employment and
2 educational opportunities. CONTRACTOR's staff shall have a dedicated Vocational/Educational
3 Specialist to assist enrolled Clients with these services.

10 personal strengths, values, and talents, resume writing, job seeking skills, interviewing skills, job
11 placement, job retention, and symptom management in the workplace. These and other vocationally
12 related topics shall be offered on a rotating basis to the Clients. The intent of these structured learning
13 experiences is to actively involve Clients in identifying and developing their own positive work
14 identities. From pre-vocational training, Clients are assisted and encouraged in beginning work in the
15 community. The focus of the program is to find employment settings that match the Clients' interests,
16 abilities, aptitudes, strengths and individualized goals.

17 c. Job Coaching/Developing: An Employment Specialist is to assist Clients in the
18 exploration of various career options as well as actively strategizing collaborative relationships in the
19 private and public sector to create job opportunities for Clients. This position will work closely with
20 management staff and the Data Analyst to explore and implement evidence-based best practices in this
21 area.

22 5. Family and Peer Support Services:

23 a. Connection to community, family and friends is a critical element to Recovery and

 16 Specialist to provide housing services to all enrolled Clients. Housing services may include:

 19 “Housing First” model continuum and is required during the initial assessment phase.

20 b. Motel Housing – For those who may be unwilling or are inappropriate for a shelter, or
 21 when no shelter is available, motel housing may be utilized. Motel housing is time-limited in nature and
 22 shall only be utilized as a last resort until a more appropriate housing arrangement can be secured. Pre-
 23 purchase of motel rooms shall be in accordance with CONTRACTOR's P&P, as identified in the
 24 Flexible Funds Paragraph of this Exhibit A.

25 c. Bridge Housing – For Clients who will benefit from an intermediate step between
 26 shelter and permanent housing. Bridge housing provides structures and programming in the context of
 27 housing such as Board and Care or Room and Board. CONTRACTOR may look into housing options
 28 such as master leasing.

29 d. Permanent Housing – Obtaining permanent housing is an overarching goal for all FSP
 30 members, and requires Clients to have their own unit or bedroom. Permanent housing includes but is

 13 some meaningful role in his/her life that is separate from the mental illness. The person needs to see
 14 themselves in “normal” roles such as employee, son, mother and neighbor to successfully integrate into
 15 the community. CONTRACTOR shall work with each member to join the larger community and
 16 interact with people who are unrelated to the mental illness.
