A. The official FLSA work period for full-time employees shall begin at 12 a.m. on each Friday and end at 12 a.m. four weeks later. However, for employees on alternate schedules that do not meet the parameters above, a different beginning and ending day and time to the four week FLSA period may be designated.

B. Work Periods for Purposes of MOU Overtime

For purposes of payment of overtime under this MOU, each 28 day period shall be divided into four, seven (7) day periods, with overtime being paid for work ordered and performed in excess of forty (40) hours actually worked in each seven (7) day period, except as provided in 1.D. below. The beginning and ending of this seven (7) day period will be designated in accordance with the employee's normal work schedule.

C. Work Periods for Purposes of FLSA Overtime

For purposes of payment of overtime pursuant to the FLSA the official work period will be 28 days, with FLSA overtime being paid for work ordered and performed in excess of 171 hours in a 28 day period.

D. Work Extensions Resulting in Overtime

Overtime worked due to an extension of the employee's regular shift shall be calculated on hours paid in each seven (7) day period when the overtime is approved in advance by a Lieutenant or above in the Sheriff-Coroner Department or a Commander or above in the Office of the District Attorney.

E. Review of Work Extension Exception

The parties agree that the exception to overtime for such shift extensions in C. above shall be reviewed in six (6) months from adoption of this MOU to ensure compliance.

2. Shift Trades

An employee may request to trade his or her days of work for another employee's days of work provided both employees work in the same division and the days traded are within the same fourteen (14) day pay period.

a. If as a result of this trade either employee should work more than forty (40) hours in a seven (7) day period, the hours in excess of forty (40) shall not be considered overtime.

b. If as a result of this trade either employee works more than eighty (80) hours in the fourteen (14) day period, overtime will be paid for any hours actually worked in excess of eighty (80) hours. However, any excess hours resulting from a shift extension as described in Article I Section 1 (C) shall be calculated based on hours paid.

c. Trades under this provision shall require the written approval of the Department.

3. Biannual or Monthly Shift Trades

An employee may request to trade his or her biannual or monthly shift for another employee's biannual or monthly shift provided both employees have the same work assignment and the request is made within two (2) weeks of posting of scheduled shift rotation.

- J. Except as otherwise provided, no employee may be employed in one (1) or more positions, full- or part-time, more than the total number of hours for the employee's work period as defined in A., above, except on authorized overtime.
- K. In addition to any other position or positions that are held, an employee may also voluntarily work as a County employee poll worker as provided in the County Employee Poll Worker Program provided that such election work does not unduly interfere with the employee's regular assignment. Employees working as poll workers shall be compensated at the rate authorized for such work.

If in the judgment of the Department, work beyond the normal workday, workweek or work period is required, the Department will notify any employee who may be asked to perform such work of the apparent need for such work as soon as practicable prior to when the work is expected to begin. If this additional work results in hours worked in excess of forty (40) actually worked in a seven (7) day period, except as provided in 1.D. above, the employee shall

be compensated for these excess hours at the overtime rate as defined by Section 3.C.1. below.

B. Distribution of Overtime

Employees with existing compensatory time balances of eighty (80) hours shall be paid for all overtime work performed in excess of that amount. Not more than twice in each fiscal year, an employee may make request for and shall, upon said request, be paid for the requested portion of his or her compensatory time balance to a maximum of forty (40) hours.
3. Overtime hours worked by extra help employees shall be paid.
4. In no case may an employee's work schedule be changed during the pay period when the purpose of such change is to avoid overtime compensation.
5. Time worked as overtime shall not be used to earn fringe benefits or to serve out probation or merit increase periods. However, compensatory time off may be used as part of the established work period to earn fringe benefits and to serve out probationary and merit increase periods.
6. An employee separating from the County service, including paid County retirement shall be paid for accumulated compensatory time in a lump sum payment.
7. An employee who wishes to request compensatory time off shall be permitted by the employer to use such time within a reasonable period after making the request if the use of compensatory time does not unduly disrupt the operations of the public agency. No scheduled compensatory time off shall be cancelled except in the case of emergency. Requests for and granting of compensatory time off will be in compliance with FLSA.
8. The Sheriff-Coroner Department may not assign compensatory time off for employees, but must consider each employee's request for single or

multiple days off utilizing vacation or compensatory time. Whenever possible based on the Department's workload and staffing, and without the use of overtime for replacement, the Department will approve requests to use vacation or compensatory time off for one day or more, whether alone or in conjunction with scheduled vacation time. Section 3. Step Increases

Effective either at the start of the first payroll period commencing on or after the Board of Supervisors adoption of the 2012-2016 MOU or July 15, 2014, whichever event is the latter, the salary range then in effect for each particular classification within the Peace Officer and Supervising Peace Officer unit, shall be modified by adding both a Step 13 which shall be 2.75% above the existing Step 12 and a Step 14 which shall be an additional 2.75% greater than Step 13. Employee performance evaluation dates will not change, and all performance evaluations will be completed in accord with the dates governing the performance evaluation process with any corresponding merit step increase recommendation. Merit recommendations resulting in step increases to steps below Step 13 will be implemented on schedule. However, any merit increase recommendation that would result in an increase to Step 13 and/or 14, will be held in abeyance *until the first payroll period commencing on or after July 1, 2015. In addition, these merit increases to either Step 13 or 14 that are held in abeyance, will not be retroactive.*

Section 4. Pay for New Employees

- A. A new employee shall be paid at the recruiting step of the salary range in effect for the particular class or position in which the new employee is hired, except as provided in 4.B. 4.C., 4.D. and 4.E., below.
- B. For new employees hired into the Deputy Sheriff I classification, who do not possess a California POST certificate at time of hire, on or after either the start of the first payroll period commencing on or after the Board of Supervisors

adoption of the 2012-2016 MOU or July 15, 2014, whichever is the latter, the salary range in effect for the Deputy Sheriff I classification shall reflect two (2) additional lower salary steps, the lower of which shall be 5.50% below the salary range recruiting Step 1 as it may from time to time exist (to be identified as Step A), and the second of which shall be 2.75% below the recruiting Step 1 of the salary range as it shall from time to time exist, (to be identified as Step B). In the event that recruiting steps 1 and/or 2 are modified in the future, Step A shall be adjusted to continue to reflect the above 5.50% differential and Step B shall be adjusted to continue to reflect the above 2.75% differential. Placement in either or both of these two (2) new recruiting steps for new employees in the Deputy Sheriff I classification, shall be effective as to any such new employee hired on or after Board of Supervisor adoption of the 2012-2016 MOU or July 15, 2014, whichever is the latter.

- C. Effective upon Board of Supervisors' adoption of the 2016-2019 MOU, new employees hired into the Deputy Sheriff I classification, who possess a California POST certificate at time of hire, Basic or higher, may be placed on any of the first nine (9) steps of the salary range under the authorization of the Sheriff. Such placement may be made only when, in the discretion of the Sheriff there is a direct and measurable benefit to the County for such placement.
- D. Except for new employees described in B., above, upon recommendation of the Chief Human Resources Officer, the Board may, by minute order, authorize recruitment at a step higher than the first step of the range or may authorize that a particular position be filled at any step within the range. When the Board authorizes recruitment at a step higher than the first step of the range, or authorizes the filling of a position at a step which is higher than the recruiting step of the salary range, it may, by minute order, advance the salary of incumbents of positions in that class or related classes in order to retain equitable relationships. Seven (7) days prior to the Chief Human Resources Officer recommending recruitment at a higher step to the Board, the County shall discuss with AOCDS the impact of such action.
- E. Except for new employees described in B., above, the Sheriff and District Attorney may authorize the appointment of employees at any of the first seven (7) steps of the salary range. Such appointment may be made only when, in the discretion of the Sheriff or District Attorney there is a direct and measurable benefit to the County for such appointment.
- F. Except for new employees described in B., above, upon recommendation of the Sheriff or District Attorney the Chief Executive Officer may authorize the appointment of employees beyond step seven (7) of the salary range when there is direct and measurable benefit to the County for such appointment.

Section 5. Merit Increase Within Range

- A. Extra help employees shall not be eligible for merit increases within range.

- B. Salary increases within a range shall not be automatic. They shall be based upon merit and granted only upon the affirmative recommendation of the Department Head.
- C. A new or reemployed employee in a regular or limited-term position shall have a merit increase eligibility date which shall be the first day of the pay period following the completion of the first fifty-two (52) weeks of service within that class. The granting of an Official Leave of Absence, other than a Military Leave, Parenthood Leave or the imposition of a suspension shall cause the merit increase eligibility date to be extended a number of calendar days equal to the Official Leave, Parenthood Leave or suspension. The extended merit increase eligibility date will be effective the first day of the pay period after said date. Subsequent merit increase eligibility dates shall be the first day of the pay period following the completion of fifty-two (52) week intervals subject to the same postponement for Official Leaves of Absence, suspensions, or Parenthood Leaves.
- D. An employee in a part-time regular or limited-term position who has not completed two thousand eighty (2080) paid hours exclusive of overtime by his or her first merit increase date shall have the merit increase eligibility date postponed until the first day of the pay period following completion of two thousand eighty (2080) paid hours exclusive of overtime. Likewise, an employee in a part-time regular or limited-term position who has not completed four thousand one hundred sixty (4160) paid hours exclusive of overtime between subsequent merit increase eligibility dates shall have his or her merit increase eligibility date postponed until the first day of the pay period following completion of four thousand one hundred sixty (4160) paid hours exclusive of overtime. Where an employee's record consists of a combination of full-time and part-time service, both periods of service shall apply toward merit increase eligibility with the part-time service being applied proportionately to the appropriate full-time interval.
- E. An employee who receives a promotion to a classification represented by AOCDS and whose performance evaluation date is within 90 days prior to the effective date of the promotion, shall receive his or her performance evaluation at or near the time of the promotion. The performance evaluation will be based on service performed up to the effective date of promotion. Any merit step increase resulting from the performance evaluation will be based on the employee's most recent salary step in the lower classification and will be effective or retroactively applied as of the pay period immediately preceding the promotion date. The promotional steps increase will follow the merit steps increase and be used to determine the placement on the salary range for promotion.
- F. 1. Merit increases may be granted for one (1), two (2), three (3) or four (4) steps within the salary range based upon the employee's performance. Standard performance shall earn a two (2) step increase.

2. For any employee hired on or after July 15, 1977, the determination as to whether or not to grant allowable merit increases beyond Step 7, and if granted, in what amounts, shall be solely within the discretion of the Department Head, and shall be based on merit.
- G. If, in the Department's judgment, the employee's performance does not merit a salary increase on the merit increase eligibility date and a deferral of decision accompanied by an intensive effort at improved performance might be productive, the Department shall complete the structured merit rating and defer a decision regarding the merit increase any number of pay periods, but not to exceed thirteen (13) pay periods. A deferral of less than thirteen (13) pay periods may be further extended not to exceed thirteen (13) pay periods from the original merit eligibility date. The employee may be reevaluated at any time, but in any event shall be reevaluated on the structured merit rating prior to the end of the thirteenth pay period. The employee's merit increase eligibility date shall not be changed by such deferral.
- H. Should an employee's merit increase eligibility date be overlooked through an error and upon discovery of the error the employee is granted a merit increase, the employee shall be compensated for the additional salary the employee would have received dating from the employee's merit increase eligibility date.

Section 6. Salary on Promotion

- A. Effective as to employees promoted on or after the start of the first payroll period commencing on or after Board of Supervisors adoption of the 2012-2016 MOU or July 15, 2014, whichever event is the latter, and except as modified by B., below, a regular, limited-term or probationary employee promoted to a position in a class with a higher salary range shall receive the recruiting salary for the higher class or such higher amount as would be the closest to a two (2) step increase on the range over the salary received prior to the promotion not to exceed the top step of the range. A new merit increase eligibility date shall be established which shall be the first day of the pay period following completion of the first fifty-two (52) weeks of service in the new class. Employees promoted prior to the above effective date(s) shall remain subject to a merit step increase eligibility date following completion of the pre-existing twenty six (26) weeks of service in the new class.
- B. Any employee who is promoted to a class from which the employee was previously reduced without a salary decrease shall be placed at a salary step no higher than the step which the employee would have achieved if the employee had remained in the class to which he or she was promoted and had demonstrated at least standard performance. The employee's merit increase eligibility date shall be reestablished in order to credit the employee with any time formerly served in the higher class.

Section 7. Salary on Reduction in Class

- A. 1. When a probationary employee, an employee who has been on a temporary promotion or a regular employee who was promoted to a limited-term position at the direction of the employee's Department Head is reduced to a class not previously occupied by the employee, the employee shall receive the recruiting step for the lower class and shall receive a new merit increase eligibility date as provided in Section 5.C., above, or the employee's salary and merit increase eligibility date may be determined by the Chief Human Resources Officer.
- 2. When a promotional probationary employee, an employee who has been on a temporary promotion or a regular employee who was promoted to a limited-term position at the direction of the employee's Department Head is reduced to a class the employee occupied in good standing, the employee shall have the step status and merit increase eligibility date he or she would have achieved if the employee had remained in the lower class throughout the period of his or her service in the higher class.
- B. When a regular or limited-term regular employee is reduced to a position in a lower class by demotion for reasons of unsatisfactory performance, the employee's salary shall be reduced to a step on the salary range which would be the closest amount to a two (2) step reduction, or the employee shall receive the maximum step of the salary range of the new class, whichever is lower. The employee's merit increase eligibility date shall be the first day of the pay period following completion of fifty-two (52) weeks of service in the new class unless the employee thereby is placed at the recruiting step of the new salary range, in which case the employee's merit increase eligibility date shall be the first day of the pay period following the completion of twenty-six (26) weeks of service in new class.
- C. When a regular or limited-term employee in good standing is reduced to a position in a lower class for physical disability or reasons other than unsatisfactory performance, the employee shall receive the highest salary in the new salary range that does not exceed the employee's rate of pay immediately prior to reduction and shall retain his or her merit increase eligibility date.
- D. When a regular, limited-term or probationary employee is reduced as the result of a position reclassification, the applicable salary shall be determined as follows:
 - 1. If the salary of the employee is the same or less than the maximum of the new class, the salary and merit increase eligibility date of the employee shall not change.

2. If the salary of the employee is greater than the maximum of the new range, the salary of the employee shall be designated as a Y-Rate and shall not change during continuous regular service until the maximum of the new range exceeds the salary of the employee or until the period of calendar time indicated in the schedule below has elapsed, whichever is sooner. If, at the end of the calendar period indicated below, the salary of the employee still exceeds the maximum of the new salary range, the salary of the employee shall be reduced to the maximum salary for the new class.

Y-RATE SCHEDULE

<u>Years of Full-Time Continuous Service</u>	<u>Duration of Y-Rate</u>
Less than 5 years	Two years from the date of reclassification
5 years but less than 10 years	Three years from the date of reclassification
10 years but less than 15 years	Four years from the date of reclassification
15 years but less than 20 years	Five years from the date of reclassification
20 years but less than 25 years	Six years from the date of reclassification
25 years or more	Seven years from the date of reclassification

3. When an employee on Y-Rate accepts a voluntary reduction, his or her salary shall be reduced by the amount of the difference between the maximum salary of the class from which the employee is being reduced and the maximum salary of the new class.

Section 8. Salary on Reclassification

- A. The salary of a regular, limited-term or probationary employee whose position is reclassified shall be determined as follows:
 1. a. If the position is reclassified to a class with the same salary range, the employee's salary, merit increase date and probationary status remain the same as in the former class.

- b. If the recruiting step is higher, the employee's salary shall be advanced the number of steps difference between recruiting steps.
 - c. If the recruiting step is lower the regular and regular limited-term employee's salary remains the same.
 - d. Probationary and probationary limited-term employees reclassified to a lower recruiting step shall have the same salary, step status, probation status and merit increase eligibility date as would have been achieved if the employee had been in the new class throughout the period of such service in the old class.
2. If the position is reclassified to a class with a higher salary range, the salary of the employee shall be governed by Article II, Section 6.A. or 6.B.
 3. If the position is reclassified to a class with a lower salary range, the salary of the employee shall be governed by Article II, Section 7.D.

Section 9. Salary on Reemployment

- A. A person who is reemployed in the same occupational series in which the person held regular status and was separated in good standing, may upon approval of the Chief Human Resources Officer, be appointed at a step higher than the recruiting step, but no higher than the step the person received at the time of separation unless appointment is at an advanced step or rate pursuant to Article II, Section 4C,D or E.
- B. A former County employee on paid County retirement may be reemployed for the maximum allowable time, pursuant to Government Code provisions, in any one (1) fiscal year in a position requiring special skills and knowledge and may be appointed to the position at any step on the salary range or the flat rate for the class, if applicable.

Section 10. Changes in Salary Allocation

If a class is reassigned to a higher salary range, each employee in the class shall be compensated at the same step in the new salary range as the employee was receiving in the range to which the class was previously assigned. However, if a class is reassigned to a lower salary range the salary of each employee shall be determined in accordance with Article II, Section 7.D., above.

E. Extension of Probation Periods

1. The granting of an Official or Military Leave of Absence shall cause the employee's probation period to be extended by the length of the Official Leave or by the length of the Military Leave in excess of fifteen (15) calendar days. This section shall be effective either on July 1, 2017, or after the patrol transfer list in effect as of the date this MOU is adopted by the Board of Supervisors has been exhausted, whichever is later.

If a Deputy Sheriff I has promoted in the past and failed and/or voluntarily returned to Deputy Sheriff I before completion of the field training program ("FTP") on two or more occasions from the date he/she is seeking to promote, then the Deputy Sheriff I will be placed on a secondary list.

If a non-patrol trained Deputy Sheriff II has transferred to patrol in the past and failed and/or voluntarily transferred out to patrol before completion of the FTP on two or more occasions from the date he/she is seeking to transfer/promote, then the Deputy Sheriff II will be placed on a secondary list. The secondary list will follow the same transfer/promotional criteria to determine the order in which Deputies will transfer/promote.

All Deputies that fail and/or voluntarily remove from the FTP must wait one year from the effective date that the Deputy transferred from the FTP for that failure/removal to reapply.

Deputies on the secondary list will transfer to patrol at the following rate: 5 Deputies from the main patrol transfer list will be transferred first, then the first Deputy on the secondary list will be transferred, then the next 6-10 Deputies from the main patrol transfer list will transfer to patrol, then the second Deputy on the secondary list will transfer to patrol, and this sequence shall continue until the both lists are exhausted.

Deputies on the secondary list will receive from Field Training Bureau (FTB) a training plan to identify any observed performance deficiencies during the field training. The training plan will follow the Deputy to his/her new assignment, and a reasonable effort will be made to develop the Deputy for future success in patrol and the FTP. The FTB will oversee and monitor the Deputy's training plan to help mentor the success of the deputy.

In the event that the secondary list still has Deputies remaining on the list at the time that the main patrol list is exhausted, then all Deputies on the secondary list will be promoted and/or transferred to the FTP prior to posting a new list(s).

Section 3. Performance Evaluation

- F. Any contents of an employee's official personnel file may be destroyed pursuant to an agreement between the Chief Human Resources Officer and the employee concerned or by an order of an arbitrator, court or impartial hearing officer unless the particular item is otherwise required by law to be kept.

Section 5. Status of Limited-Term Employees

Limited-term regular employees who transfer to permanent positions shall maintain their original hire date for purposes of vacation and sick leave, or annual leave accrual, retirement and layoff.

The Department Head shall make such an order in writing prior to the date of transfer or promotion.

Section 6. Temporary Promotion

- A. A regular, probationary or limited-term employee who is assigned on a temporary basis to a higher level vacant regular or limited-term position shall be promoted on a temporary basis to that class when such employee has been assigned to the higher class for one hundred sixty (160) consecutive regularly scheduled hours of work and the employee has been performing all of the significant duties and responsibilities of the higher class unless the employee requests to be reassigned to his or her former class. In such a case the employee shall be reassigned within five (5) working days.
- B. The Department may, at its option, waive the one hundred sixty (160) hour requirement when it is necessary to utilize a regular, probationary or limited-term employee in a higher level vacant regular or limited-term position for a period that is expected to be at least one hundred sixty (160) regularly scheduled hours but less than eighteen (18) months, or twenty-four (24) months in the case of Investigator I's, Court Services Division.
- C. An employee on temporary promotion shall not be placed on promotional probation. Upon return from temporary promotion, an employee shall serve the remainder of any uncompleted probationary period in the employee's former class and shall have the step status and merit increase eligibility date he or she would have achieved if the employee had remained in the lower class throughout the period of his or her service in the higher class.

- D. At the end of the employee's assignment to the higher class, the employee shall have the right to return to his or her former class and Department. A temporary promotion shall not exceed a period of eighteen (18) months, unless the parties mutually agree to another time period. In the case of Investigator I's, Court Services Division, a temporary promotion shall not exceed twenty-four (24) months.

Section 7. Reemployment of Employees on Disability Retirement

- A. The County will advise employees retired for disability to contact the Orange County Employees Retirement System (OCERS) to determine the impact of reemployment on their disability retirement benefits prior to accepting reemployment.
- B. Employees retired for physical disability who have contacted OCERS for advice and counsel under Section A above who within two (2) years from the date of retirement or date their disability retirement is discontinued, request and have been counseled as required above and qualify for positions in the County service shall be placed on the COUNTY PREFERRED ELIGIBLE LIST with respect to such positions. They will be placed on such list in chronological order of retirement but following the last person on layoff status. They will remain on such list for a period of two (2) years from date of retirement or date their disability retirement is discontinued, except that:

a person appointed to a regular position in the County service shall be removed from the list;

a person who, on two (2) separate occasions, rejects or fails to respond within three (3) calendar days to offers of employment in a class for which he or she is qualified shall be removed from the list;

Such Leave, if granted, shall not exceed one (1) year except as provided in subsections 2. and 3., below. Such Leave may be taken only after an employee's completion of a Departmental Leave provided that granting of a Departmental Leave shall not be a prerequisite to a request for Official Leave. The department may require that all or a portion of compensatory time, vacation or annual leave be used prior to granting such Leave.
2. An Official Leave of Absence may be extended for up to an additional year at the discretion of the Department except that requests for Official Leave which qualify as Family Leave pursuant to applicable law shall be granted to the extent required by such law. If the Department denies the extension of such Leave, the provisions of subsections 5. and 6., below, shall not apply.

3. An employee who has requested and identified a valid need for Family Leave pursuant to Article V, Section 15, and applicable law, shall be granted Official Leave to the extent required by such law. In addition, the employee may be required to apply all annual leave accruals toward the absence, except that the use of annual leave accruals below 100 hours shall be at the discretion of the employee.
4. An employee shall give notice two (2) weeks prior to the date he or she wants to return to work, except that an employee returning from Family Leave shall give the lesser of two (2) weeks notice or the maximum notice allowable under applicable law. If an employee does not give two (2) weeks notice prior to the date he or she wants to return to work, the Department shall not be required to return the employee to work until the employee gives such notice; however, the Department may waive the notice or reduce the notice period at its discretion.

The Department shall indicate on the request its decision as to whether the request should be granted, modified or denied and shall promptly transmit the request to the Chief Human Resources Officer. He or she shall deliver a copy to the Auditor-Controller and the employee. If the Department modifies or does not approve a request for Official Leave, the employee may, within fifteen (15) calendar days of said action, file a request for review with the Chief Human Resources Officer. The Chief Human Resources Officer shall review the request and make a decision within seven (7) calendar days. The decision of the Chief Human Resources Officer on such appeals shall be final.

 4. For employees who are disabled because of pregnancy, as defined by state law, the County will maintain and pay for an eligible employee's coverage under the County's group health plan for the duration of the leave, not to exceed 17 1/3 weeks over the course of a 12-month period, at the level and under the conditions that coverage would have been provided if the employee had continued in employment continuously for the duration of the leave.

In those cases where overtime is paid to an employee who replaces an employee granted Leave, the overtime premium (one-half [1/2] time) shall be paid from the fund.
4. If the funds in the trust fund are insufficient to cover all or any part of a Leave, the funds shall be disbursed in the same order as the Leave was approved and the County shall not be liable for providing any additional funds to the trust fund.

Section 15. Family Leave

A. General Provisions

1. Family Leave shall be granted to the extent required by law. The following provisions set forth certain of the rights and obligations with respect to this leave. Rights and obligations which are not specifically set forth below are set forth in the U.S. Department of Labor regulations implementing the federal Family and Medical Leave Act of 1993 (FMLA) and the regulations of the Department of Fair Employment and Housing implementing the California Family Rights Act (CFRA). Unless otherwise provided by this Section "family leave" under this Agreement shall mean leave pursuant to the FMLA and CFRA.
2. Family Leave may be used in the following situations:
 - a. An employee's serious health condition which makes the employee unable to perform the essential functions of his/her job, except for leave taken for disability on account of pregnancy, childbirth or related medical conditions.
 - b. The birth of a child and in order to care for the newborn child within one year of birth.
 - c. Placement of a child for adoption or foster care within one year of birth.
 - d. An employee's presence is needed to attend to a serious health condition of the employee's child, spouse, parent or child of an employee standing in loco parentis (those with day-to-day responsibilities to care for and financially support a child).
 - e. Leave for a "qualifying exigency" as defined under the FMLA arising out of the fact that the employee's spouse, registered domestic partner, child or parent is on covered active duty or called to active duty status in the Armed Forces. Qualifying exigencies include attending certain military events, rest and recuperation, arranging for alternative childcare, addressing certain financial and legal arrangements, attending certain counseling sessions, and attending post-deployment, reintegration briefings, and arranging for parental care.

- f. Leave to care for a spouse, registered domestic partner, child, parent, or “next of kin” who is a covered servicemember of the Armed Forces who has a serious injury or illness incurred in the line of duty while on active military duty or that existed before the beginning of the member’s active duty and was aggravated by service in the line of duty on active duty in the Armed Forces.
3. Employees must request and identify their need for Family Leave. The County and AOCDS agree that certain other types of leave available to employees under this Agreement may meet the requirements of Family Leave pursuant to applicable law. The County may apply any time during which an employee is on such leave against the amount of Family Leave to which the employee is entitled.
4. Eligibility for Family Leave will be determined according to the requirements of applicable law.
5. Family leave shall not exceed twelve (12) work weeks for situations covered by subsection A(2)(a) – (d) above or twenty-six (26) weeks to care for a covered service member (subsection A(2)(e) and (f) above) during any calendar year. Where Family Leave qualifies as both military caregiver leave and care for a family member with a serious health condition, the leave will be designated as military caregiver leave first.
6. Leave taken under the FMLA for a disability due to pregnancy shall run concurrently with leave taken under the California Pregnancy Disability Act (See Section 4 of this Article). A father or mother may also be entitled to an additional twelve (12) weeks of bonding time under the CFRA.
7. The twelve (12) month period for calculating leave entitlement will be based on the calendar year (January 1 to December 31).
8. When a request for Family Leave is approved, the Department shall determine whether sick leave, compensatory, vacation time and/or annual leave is to be applied. Such determination shall be consistent with other leave provisions of this Agreement and shall give consideration to the circumstances and the wishes of the employee. The use of sick leave shall be restricted to those circumstances which qualify under the provisions of Article IV, Section 1.B.

B. Notification Requirements

1. If the Family Leave is foreseeable, the employee must provide the Department with thirty (30) calendar days notice of his or her intent to take Family Leave.

2. If the event necessitating the Family Leave becomes known to the employee less than thirty (30) calendar days prior to the employee's need for Family Leave, the employee must provide as much notice as possible. In no such case shall the employee provide notice later than five (5) calendar days after he or she learns of the need for Family Leave.
3. For leave for a “qualifying exigency” arising out of the fact that the employee’s spouse, registered domestic partner, child or parent is on covered active duty or called to active duty status in the Armed Forces, the employee must provide notice of the need for leave as soon as practicable, regardless of how far in advance such leave is foreseeable.
4. When the Family Leave is for the purpose of the scheduled medical treatment or planned medical care of a child, parent, spouse or registered domestic partner, the employee shall, to the extent practicable, schedule treatment and/or care in a way that minimizes disruption to Department operations.

C. Verification

1. As a condition to the approval of Family Leave, an employee may be required to furnish certification from the health care provider which states: (1) the date on which the condition commenced; (2) the probable duration of the condition; (3) an estimate of time that the employee needs to be off; (4) that the employee cannot perform his or her duties because of the employee's own serious health condition or that care is needed when the leave is for an eligible family member pursuant to applicable law.

- E. Upon written consent of the parties, i.e., the representatives of the County and the employee or his or her representative, the time limits at any step in the procedure may be extended.
- F. Every reasonable effort shall be made by the employee and the County to resolve a grievance/appeal at the lowest possible step in the grievance/appeal procedure.

- G. No claim shall be granted for retroactive adjustment of any grievance prior to sixty (60) calendar days from the date of filing the written grievance at Step 1.
- H. The County grievance files shall be confidential, except that this shall not restrict any access that either party might otherwise have to the other's files.

Section 3. Submission of Grievances

- A. Any employee or group of employees shall have the right to present a grievance. No employee or group of employees shall be hindered from or disciplined for exercising this right.
- B. If any two (2) or more employees have essentially the same grievance they may, and if requested by the County must, collectively present and pursue their grievance if they report to the same immediate supervisor.
- C. If the grievant is a group of more than three (3) employees, the group shall, at the request of the County, appoint one (1) or two (2) employees to speak for the collective group.

Section 4. Employee Representation

- A. An employee may represent himself or herself or may be represented by AOCDS in the formal grievance/appeal procedure, or by an attorney in appealing a discharge.
- B. Authorized grievance/appeal representatives shall be regular employees in the same department or same representation unit as the grievant/appellant who are members of and are designated by AOCDS to represent employees for purposes of the grievance/appeal procedure. AOCDS shall notify the Department Head of the names and titles of such representatives and send a copy of such notice to Human Resource Services quarterly.
- C. AOCDS staff representatives or authorized employee grievance representatives may represent the employee at Steps 1 and 2 of the internal grievance/appeal procedure and in arbitration.
- D. If an employee is not represented by AOCDS in arbitration, AOCDS may have representatives present at the arbitration and, if necessary, shall have the right to present AOCDS' interpretation of the provisions of the Agreement at issue. The decision of the arbitrator in such a case shall not be precedent setting and shall not be admissible in any subsequent dispute between the County and AOCDS.

Section 5. Time Off for Processing Grievances/Appeals

A. Reasonable time off without loss of pay shall be given to:

1. an employee who has a grievance/appeal, in order to attend a meeting with his or her supervisor or other person with authority to resolve the matter, as prescribed herein, or to meet with his or her grievance/appeal representative;
2. an authorized grievance/appeal representative, in order to attend a meeting with the represented grievant's/appellant's supervisor or other person with authority to resolve the grievance/appeal, as prescribed herein, or to obtain facts concerning the action grieved/appealed through discussion with the grievant/appellant or other employees, or through review of appropriate County records relating to the grievance/appeal.

B. The following restrictions shall apply in all cases to activity authorized in Section 5.A., above:

1. Before performing grievance/appeal work, the grievant/appellant or grievance/appeal representative shall obtain permission of his or her supervisor and shall report back to the supervisor when the grievance/appeal work is completed.
2. Neither the grievant/appellant nor the grievance/appeal representative shall interrupt or leave his or her job to perform grievance/appeal work unless his or her supervisor determines that such interruption or absence will not unduly interfere with the work of the unit in which the grievant/appellant or representative is employed. However, an effort will be made to grant such time off as soon as it is feasible to do so.
3. When an authorized grievance/appeal representative must go into another section or unit to investigate a grievance/appeal, the representative shall be permitted to do so provided that:
 - a. the representative checks in and checks out with the supervisor of the unit; and
 - b. such investigation does not unduly interfere with the work of the unit.

Section 6. Informal Discussion

If an employee has a problem relating to a work situation, the employee is encouraged to request a meeting with his or her immediate supervisor to discuss the problem in an effort to clarify the issue and to work cooperatively toward settlement.

Section 7. Internal Grievance/Appeal Steps

The grievance/appeal procedure shall consist of the following steps, each of which must be completed prior to any request for further consideration of the matter unless waived by mutual consent or as otherwise provided herein:

Step 1: Agency/Department Head

If an employee has a problem relating to an interpretation or application of this Memorandum of Understanding, the employee may formally submit a grievance to the Agency/Department Head within fourteen (14) calendar days from the occurrence which gives rise to the problem. Such submission shall be in writing and shall state the nature of the grievance and the suggested solution. Within seven (7) calendar days after receipt of the written grievance, the Agency/Department Head or his or her designee shall meet with the grievant. Within fourteen (14) calendar days thereafter, a written decision shall be given to the grievant. In the case of a grievance appeal concerning a written reprimand, the decision of the Agency/Department Head shall be final and binding and shall not be subject to further processing under the MOU.

Step 2: Chief Human Resources Officer

If the grievance/appeal is not settled under Step 1 and it concerns:

- a. an alleged misinterpretation or misapplication of this Memorandum of Understanding;
- b. a substandard performance evaluation;
- c. a deferment or denial of a merit increase, or a disputed merit increase;
- d. a probationary release alleging discrimination,

it may be appealed in writing to Human Resource Services within seven (7) calendar days after receipt of the written decision from Step 1. Appeal of a suspension and/or a reduction in class or salary ordered by the Agency/Department Head or his or her designated representative may be submitted in writing at Step 2 within ten (10) calendar days after receipt of the final notice of suspension and/or reduction in class or salary. Within fourteen (14) calendar days after receipt of the written grievance/appeal, Human Resource Services or his or her representative shall meet with the grievant/appellant. Within fourteen (14) calendar days thereafter, a written decision shall be given to the grievant/appellant.

In rendering any decision on such grievance/appeal, Human Resource Services shall exercise his or her independent judgment in determining whether the evidence does or does not support an allegation, establish a fact, or support a lower level decision or determination, and shall not be bound in any way by the findings or decision made at any prior level. The decision of the Chief Human Resources Officer in B. and C., above, as to all actions taken by the Chief Human Resources Officer in arriving at such decision, including such decision, shall not be subject to arbitral or judicial review and shall be final and binding on all parties.

Mediation-Arbitration

As an alternative to Step 2, appeal of a Suspension and/or a Reduction in Class or Salary (pursuant to Article X, Section 4.) ordered by the Agency/Department Head or his or her designated representative may be appealed directly to mediation/arbitration. The time limits and procedures for submission to Step 2 shall apply.

If the matter is addressed but not resolved through the mediation/arbitration process, the matter is appealable to arbitration pursuant to Article X, Section 8.B.

Section 8. Referrals to Arbitration

A. Grievances

1. If a grievance is not resolved under Step 2, an arbitration request may be presented in writing to the Chief Human Resources Officer within seven (7) calendar days from the date a decision was rendered at Step 2. As soon as practicable thereafter or as otherwise agreed to by the parties, an arbitrator shall hear the grievance.
2. The parties shall either sign a joint issue submission statement or else execute and sign separate alternative issue statements after discussing the issue(s). In either case, the parties shall send copies of their joint or separate submission statement(s) to the agreed-upon arbitrator and to each other within fourteen (14) calendar days before the first scheduled date of the arbitration hearing.

B. Disciplinary Appeals

1. Submission Procedure

- a. If an appeal from a suspension or reduction in class or salary is not settled at Step 2, it may be presented to the Chief Human Resources Officer within seven (7) calendar days from the date the decision was rendered.

- b. An appeal from any discharge or from a suspension or reduction in class or salary imposed by the County Executive Officer may be presented to the Chief Human Resources Officer within ten (10) calendar days from the date the action becomes final.
- c. All disciplinary appeals shall be signed by a staff representative of AOCDS and shall be submitted in writing as follows:

Was (employee's name) suspended/reduced in class or salary/discharged for reasonable cause? If not, to what remedy is the appellant entitled under the provisions of Article X, Section 8. of this MOU?
- d. As soon as practicable after a suspension, reduction in class or salary or discharge appeal is presented to the Chief Human Resources Officer , an arbitrator shall hear the appeal.

2. Findings of Fact and Remedies

An arbitrator may sustain, modify, or rescind an appealed disciplinary action as follows and subject to the following restrictions:

a. All Disciplinary Actions

If the arbitrator finds that the disciplinary action was taken for reasonable cause, he or she shall sustain the action.

b. Suspension/Reductions in Class or Salary

If the action is modified or rescinded, the appellant shall be entitled restoration of pay and/or fringe benefits in a manner consistent with the arbitrator's decision.

- c. Per agreement of March 4, 2005, contingent upon mutual agreement, the parties may agree that Article X, Section 8.B.2 of the Memorandum of Understanding does not prohibit an arbitrator from reducing a suspension to lesser discipline, including a lesser suspension.

d. Discharges

- 1) If the arbitrator finds that the order of discharge should be modified, the appellant shall be restored to a position in his or her former class subject to forfeiture of pay and fringe benefits for all or a portion of the period of time the appellant was removed from duty, as determined by the arbitrator.

- 2) If the arbitrator finds that the order of discharge should be rescinded, the appellant shall be reinstated in a position in his or her former class and shall receive pay and fringe benefits for all of the period of time he or she was removed from duty.

e. Restriction on Remedies

- 1) The County shall not be liable for restoring pay and fringe benefits for any period(s) of time the appellant was reduced or removed from duty, which results from the appealing party's request for written briefs and/or a transcript of the arbitration proceedings.
- 2) Restoration of pay and benefits shall be subject to deduction of all unemployment insurance and outside earnings which the appellant received since the date of discharge.

C. Probationary Releases Alleging Discrimination

1. The issues to be submitted to the arbitrator in grievances filed pursuant to Article III, Section 1.C.1. shall be as follows and shall be submitted consistent with Section 8.A., above:

- a. Was the probationary release of (employee's name) in whole or in part the result of discrimination in violation of Article XVII, NONDISCRIMINATION, of the Memorandum of Understanding between the County and AOCDS?
- b. If so, what shall the remedy be under the provisions of Article X, Section 8.B.2., Findings of Facts and Remedies of the Memorandum of Understanding between the County and AOCDS?

2. Findings of Facts and Remedies

- a. In the event the arbitrator finds no violation of Article XVII, NONDISCRIMINATION, the grievance shall be denied and the issue of remedy becomes moot.
- b. In the event the arbitrator finds a violation of Article XVII, NONDISCRIMINATION, but also finds such violation was not a substantial cause of the employee's probationary release, the grievance shall be denied and the issue of remedy becomes moot.
- c. In the event the arbitrator finds a violation of Article XVII, NONDISCRIMINATION, and also finds that the violation was a substantial cause of the probationary release of the employee, the arbitrator's award shall depend upon the significance of the violation and shall be in keeping with the following alternatives:

- 1) The probationary release may be sustained.
- 2) The employee may be reinstated in a position in his or her former class subject to forfeiture of pay and fringe benefits for all or a portion of the period of time the employee was removed from duty. The employee may be required to serve the remainder of any outstanding probation period.
- 3) The employee may be reinstated in a position in his or her former class with full back pay and benefits for all of the period of time the employee was removed from duty. The employee may be required to serve the remainder of any outstanding probation period.

D. General Provisions

1. If the grievance/appeal is decided by an arbitrator the grievant/appellant and AOCDS relinquish any current or future claim to seek or obtain remedy through any other County appeal procedures.
2. The cost of an arbitrator shall be shared equally in all cases by the County and the appealing party except when the appealing party solely alleges discrimination under Article XVII, in which case the County shall bear the full cost. When the grievance involves both discrimination and other arbitral issues, the proper division of costs shall be determined by the arbitrator.
3. Grievance/Appeal hearings by an arbitrator shall be private.
4. Arbitration appeal hearings of suspensions of less than forty (40) hours shall be limited to one (1) day unless both parties agree that a longer hearing is necessary. Both parties shall be allotted equal time during arbitration hearings involving such suspensions. The one (1) day limitation for arbitration appeal hearings shall not apply to suspensions imposed by the County Executive Officer.
5. The arbitrator shall be selected from a panel established by mutual agreement of the parties.
6. If the panel is abolished, the arbitrator shall be selected by the mutual agreement of the parties. If the parties cannot agree upon an arbitrator, a list of seven (7) arbitrators shall be obtained from the American Arbitration Association unless the parties agree to another source, and each party shall alternately strike one (1) name from the list until only one (1) name remains.

7. Upon written request by the opposing party in a pending hearing given at least twenty (20) calendar days prior to the scheduled hearing date, the party requested shall supply to the party submitting the request copies of all documentary evidence to be used by that party at the hearing. Such evidence shall be provided no later than ten (10) calendar days prior to the scheduled hearing date. Any evidence not so provided may not be admitted or offered as evidence at the subsequent hearing except that any such documentary evidence discovered by a party after such a request for copies but not soon enough to comply with the above time limits may be admitted providing it could not have been discovered sooner by reasonable means and provided further that a copy or copies of such evidence be afforded the requesting party as soon as practicable after such discovery. Nothing contained herein shall operate to prevent either party from presenting additional documents by way of rebuttal.
8. An employee shall not suffer loss of pay for time spent as a witness at an arbitration hearing held pursuant to this procedure. The number of witnesses requested to attend, and their scheduling, shall be reasonable.
9. At the hearing, both the appealing employee and the County shall have the right to be heard and to present evidence. The following rules shall apply:
 - a. Oral evidence shall be taken only on oath or affirmation.
 - b. Each party shall have these rights: to call and examine witnesses, to introduce exhibits, to cross-examine opposing witnesses on any matter relevant to the issues even though that matter was not covered in the direct examination, to impeach any witness regardless of which party first called the witness to testify, and to rebut the evidence against the witness. If the employee does not testify in his or her own behalf, the employee may be called and examined as if under cross-examination.
10. The hearing need not be conducted according to technical rules relating to evidence and witnesses. Any relevant evidence shall be admitted if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rule which might have made improper the admission of such evidence over objection in civil actions. Hearsay evidence may be used for the purpose of supplementing or explaining any direct evidence but shall not be sufficient in itself to support a finding unless it would be admissible over objection in civil actions. The rules of privilege shall be effective to the same extent that they are now or hereafter may be recognized in civil actions, and irrelevant and unduly repetitious evidence shall be excluded.

11. The County and AOCDS each shall be allowed to have at least one (1) of their own employees, who may be called upon to testify as a witness, present at the arbitration hearing at all times.
12. The decision of the arbitrator shall be final and binding on all parties and shall not be subject to judicial review.

Section 9. No Strike Provision

During the term of this Memorandum of Understanding there shall be no strike called or sanctioned by AOCDS relating to any matter which is subject to the scope of the grievance procedure under Section 1.A. above and which is subject to arbitration under Section 8.A. above.

ARTICLE XII LAYOFF PROCEDURE

Section 1. General Provisions

- A. This procedure shall not apply to a temporary layoff of less than four (4) consecutive weeks.
- B. This procedure shall not apply to employees who have special or unique knowledges or skills which are of special value in the operation of the County business.
- C. When two (2) or more agencies/departments are consolidated, or when one (1) or more functions of one (1) agency/department is transferred to another agency/department, employees in all involved agencies/departments shall be subject to layoff if one is necessary.
- D. Section 7., Reemployment Lists, and Section 8., Status on Reemployment, of this Article, shall not apply if the County has a written agreement with an employer, public or private, which guarantees the County employee an offer of reasonably comparable employment with the new employer who is taking over a function formerly performed by County employees and the new employer does make such an offer in writing to the employee.

Section 2. Order of Layoff

- A. When a reduction in the work force is implemented, employees in regular positions and those occupying limited-term positions at the direction of the Department Head shall be laid off in an order based on consideration of:
 - 1. employment status;
 - 2. past performance;
 - 3. length of continuous service with the County.
- B. Layoffs shall be made by class within the department except that:
 - 1. Where a class has a dual or multiple concept, the Chief Human Resources Officer may authorize a layoff by specialty within the class.
 - 2. Where appropriate, the Chief Human Resources Officer may authorize a layoff by division or smaller unit of the department.

C. Within a class, employees shall be subject to layoff in the following order:

<u>Employment Status</u>	<u>Layoff Order</u>
First - Temporary Promotion	Determined by Department
Second - New Probationary	Determined by Department
Third - Regular/Promotional Probationary	Layoff Points

After all new probationary employees and employees on temporary promotion have been removed from a class within a layoff unit, the employee with the lowest number of layoff points shall be subject to layoff first. When two (2) or more employees have the same number of layoff points, the department shall determine the order of layoff for these employees.

D. If a layoff is going to be made in a class from which an employee has left through a temporary promotion, the employee on temporary promotion shall be returned to his or her former class and shall be subject to layoff in accordance with this procedure.

Section 3. Computation of Layoff Points

Seniority Points:

The equivalent of each year of full-time continuous service with the County shall earn two hundred sixty (260) seniority points.

The equivalent of each regularly scheduled full day of continuous service of a partial year shall earn one (1) seniority point.

Demerit Points:

For each point below three hundred (300) on the last "Performance Evaluation Report", for the class currently held by the employee, the employee shall earn five (5) demerit points. Demerit points shall only be used in the currently held class of an employee. Demerit points shall not be applied to an employee seeking to enter a lower class through voluntary reduction in lieu of layoff.

Layoff Points:

Layoff points shall be computed by subtracting demerit points, if any, from seniority points.

Section 4. Notification of Employees

- A. Written notice of layoff shall be given to an employee or sent by mail to the last known mailing address at least fourteen (14) calendar days prior to the effective date of the layoff. Notices of layoff shall be served on employees personally at work whenever practicable.
- B. It is the intent of the parties that the number of layoff notices initially issued shall be limited to the number of positions by which the work force is intended to be reduced. Additional notices shall be issued as other employees become subject to layoff as a result of employees exercising reduction rights under Section 5.
- C. The notice of layoff shall include the reason for the layoff, the proposed effective date of the layoff, the employee's hire date, the employee's layoff points, a list of classes in the employee's occupational series within the layoff unit, the employee's rights under Sections 5. and 6., and the right of the employee to advise the County of any objection to the content of the layoff notice prior to the proposed effective date of the layoff.

Section 5. Voluntary Reduction in Lieu of Layoff

- A. A promotional probationary or regular employee who is subject to layoff may request a reduction to a lower class within the same occupational series in the layoff unit provided the employee possesses the minimum qualifications for the class and passes any required performance tests. The reduction shall be made if there is a vacant position in the layoff unit or an incumbent in the lower class in the layoff unit has fewer layoff points than the employee requesting the reduction. In the latter case, the incumbent in the lower class with the fewest number of layoff points shall be subject to layoff.
- B. 1. Employees who receive notice of layoff by personal service at work shall have until the end of their third regularly scheduled day of work following actual receipt of the notice to notify the department in writing of their intent to exercise rights under this Section. Employees whose third regularly scheduled day of work is more than three (3) calendar days after receipt of the notice shall have three (3) calendar days, excluding weekends and holidays, to notify the department of their intent to exercise rights under this Section; and where such notification is not in writing, the employee shall confirm the notification in writing as soon as practicable.

2. Employees who receive notice other than by personal service at work shall have five (5) calendar days, excluding weekends and holidays, following the date the person is personally served, or if service is made by mail, five (5) calendar days, excluding weekends and holidays, following the date of proof of service by mail, to notify the department of their intent to exercise rights under this Section. Where such notification is not in writing, the employee shall confirm the notification in writing as soon as practicable.
3. Failure by an employee to respond to the department pursuant to this Section shall result in a rebuttable presumption that the employee does not intend to exercise any right of reduction to a lower class, and that the employee's hire date stated in the layoff notice was correct.
4. No employee action or inaction referred to in this Section shall be considered a waiver of an employee's right to file grievances concerning any matter within the scope of the grievance procedure.

Section 6. Voluntary Reduction from Classes Designated as Vulnerable to Layoff

An employee in a class designated by the County as vulnerable to layoff may request a voluntary reduction to any class provided the employee possesses the minimum qualifications and has passed any required performance tests for the class to which reduction is requested. Such employees shall be eligible for consideration for available positions in the class to which reduction is requested. If appointed, such an employee shall be placed on DEPARTMENTAL REINSTATEMENT LISTS pursuant to Section 7.A.3, below.

Section 7. Reemployment Lists

A. The following persons shall be placed on DEPARTMENTAL REINSTATEMENT LISTS as provided in 1., 2. and 3., below, in the order of their respective layoff points with the person having the largest number of layoff points listed first.

1. Persons Laid Off

The names of persons laid off shall be placed on a DEPARTMENTAL REINSTATEMENT LIST for each class in the occupational series at or below the level of the class from which laid off.

2. Persons Who Exercise Their Rights Under Section 5.

The names of persons who exercise their rights under Section 5. shall be placed on a DEPARTMENTAL REINSTATEMENT LIST for each class in the occupational series at or below the level of the class from which reduced, excluding any classes at or below the level of the class currently held.

3. Persons Who Voluntarily Reduced Under the Provisions of Section 6.

The names of persons who were voluntarily reduced under the provisions of Section 6. shall be placed on a DEPARTMENTAL REINSTATEMENT LIST for the class from which reduced and for each class in the occupational series below the level of the class from which they voluntarily reduced, provided they request to be placed on such lists.

Positions to be filled shall be offered first to persons on the DEPARTMENTAL REINSTATEMENT LIST for that class, starting at the top of the list. If reinstatement is offered to a class other than that from which the person was laid off or reduced, such person must first meet the minimum qualifications and pass any required performance tests for that class.

- B. The names of persons laid off shall be placed on a COUNTY PREFERRED ELIGIBLE LIST for the class from which they were laid off, and for any class from which they previously voluntarily reduced pursuant to Section 5., in the order of their layoff scores, going from highest to lowest. When one (1) vacant position in an agency/department, other than the agency/department from which the employee was laid off, is to be filled in that class, ten (10) names shall be certified from the COUNTY PREFERRED ELIGIBLE LIST, starting at the top. When more than one (1) vacant position in an agency/department, other than the agency/department from which the employee was laid off, is to be filled in that class, the number of names certified, starting at the top of the COUNTY PREFERRED ELIGIBLE LIST, shall be equal to twice the number of vacancies plus seven (7). If there is a tie among layoff points at the last name to be certified, all tied eligibles shall be certified. Eligibles certified from COUNTY PREFERRED ELIGIBLE LISTS shall be considered prior to eligibles certified from lower ranking eligible lists. Appointments shall be made only from eligibles certified pursuant to Section 7.B. Appointments need not be made in the order of layoff points; any eligible certified in accordance with this provision may be appointed to a vacant position.
- C. Names of persons placed on the DEPARTMENTAL REINSTATEMENT LIST and the COUNTY PREFERRED ELIGIBLE LIST shall remain on the lists for two (2) years, except that:
1. A person who on two (2) separate occasions rejects or fails to respond within five (5) calendar days to offers of employment in a particular class shall be removed from the lists for that class.
 2. A person who on three (3) separate occasions declines referral for interviews in a particular class shall be removed from the lists for that class.

- D. In the event two (2) or more agencies/departments are consolidated while AGENCY/DEPARTMENTAL REINSTATEMENT LISTS are in effect, such lists shall be combined and treated as one (1) list in accordance with the preceding provisions of this Section. When a transfer of one (1) or more functions of one (1) agency/department to another agency/department occurs, employees previously laid off from such function(s) who are on an AGENCY/DEPARTMENTAL REINSTATEMENT LIST for the agency/department losing such function(s), shall be removed from such list and shall be placed on a reinstatement list for the agency/department acquiring such function(s) and treated in accordance with the preceding provisions of this Section.
- E. Reemployment lists shall be available to AOCDS and affected employees upon reasonable request.

Section 8. Status on Reemployment

- A. An employee who has been laid off under the provisions of this Article and subsequently reemployed in a regular or limited-term position within a two (2) year period from the date of his or her layoff shall receive the following considerations and benefits:
 - 1. All sick leave or annual leave left on the employee's account when laid off shall be restored.
 - 2. All seniority points held upon layoff shall be restored.
 - 3. All prior service shall be credited for the purpose of determining Sick Leave and vacation, earning rates and service awards.
 - 4. The employee shall be placed in the salary range as if the employee had been on a Leave of Absence Without Pay.
 - 5. The probationary status of the employee shall be as if the employee had been on a Leave of Absence Without Pay except that a probation period shall be established as determined by Article III, Section 1.B. if reemployment is in a higher class or an occupational series different from that employed in at the time of layoff.

- B. An employee who has voluntarily reduced under the provisions of this Article and subsequently is reemployed in a regular or limited term position in the class from which the employee reduced within a two (2) year period from the date of reduction shall receive the following consideration: The employee shall be placed in the salary range either as if the employee had been on a Leave of Absence Without Pay or at the step on the salary range closest to, but which does not exceed, the employee's salary in the lower class, whichever is higher. The merit increase eligibility date shall be reestablished as determined by the Chief Human Resources Officer. The probationary status of the employee shall be as if the employee had been on a Leave of Absence.

- C. When an employee is reduced under the provisions of this Article and is subsequently reemployed in a class higher than the one (1) from which the employee was reduced, the employee shall be deemed returned to the class from which the employee had been reduced as provided above and the employee's salary, probation period and merit increase eligibility date shall be determined by treating the employee as though he or she is being promoted from such class.

ARTICLE XIII ON-THE-JOB INJURIES, WORKERS' COMPENSATION AND MEDICAL INSURANCE

Section 1. On-the-Job Injuries

A. Medical Treatment & Notification

Whenever an employee sustains an injury or disability arising out of and in the course of County employment which requires medical treatment, the employee shall obtain such treatment pursuant to the appropriate California Labor Code sections.

AOCDS will be notified of on-the-job injuries according to Article XIV, Section 4.

B. Disability Payments and Leave

Whenever an employee is compelled to be absent from duty by reason of injury or disease arising out of and in the course of County employment, the employee shall be compensated and placed on Leave pursuant to California Labor Code Section 4850. An employee who is eligible for benefits under California Labor Code Section 4850 shall be placed on 4850 Leave.

Section 2. Exhaustion of 4850 Benefits

A. When an employee has exhausted all rights and benefits provided by California Labor Code Section 4850, and such employee continues to be unable to return to work due to an injury or disease arising out of and in the course of County employment, such employee shall be treated in the following manner:

1. he or she shall be entitled to all benefits provided by California Workers' Compensation Law; and
2. he or she shall be placed on Workers' Compensation Leave pursuant to Article V, Section 11.; and
3. at the employee's option, all sick leave, annual leave, compensatory time and vacation shall be added to the workers' compensation temporary disability benefit, if eligible for such benefit, which shall equal one hundred (100) percent of the employee's base salary until such accruals are exhausted; or
4. if the employee is not eligible for temporary disability or exhausts his or her temporary disability benefit, at the employee's option such accruals shall be continued until they are exhausted. An election to continue accruals shall be irrevocable.

- B. Upon exhaustion of all sick leave, compensatory time and vacation, or annual leave the employee shall not accrue sick leave, vacation or annual leave for the remainder of Workers' Compensation Leave.
- C. The merit increase eligibility date and probation period of any employee who receives workers' compensation benefits shall be extended by the length of time the employee receives such benefits, except that the first fifteen (15) consecutive calendar days of benefits shall be considered County service for merit increase eligibility and completion of the probation period.
- D. Time during which an employee receives workers' compensation temporary disability benefits shall be counted toward the computation of County seniority and determination of sick leave, vacation or annual leave earning rates.

Section 3. Medical Insurance

A. Medical Insurance Contribution

- 1. Effective at the start of the first payroll period commencing on and after January 1, 2016, the County shall contribute \$1,174 per month for each full-time enrolled regular, limited-term and probationary employee on paid status in this unit except as noted in B., C., D., and E., below.
 - 2. Effective at the start of the first payroll period commencing on or after January 1, 2018, the County shall contribute \$1,280 per month for each full-time enrolled regular, limited-term, and probationary employee on paid status in this unit, except as noted in B, C, D, and E below.
 - 3. Effective at the start of the first payroll period commencing on or after January 1, 2019, the County shall contribute \$1,395 per month for each full-time enrolled, regular, limited-term, and probationary employee on paid status in this unit, except as noted in B, C, D, and E below.
 - 4. For newly hired employees, the County contributions will be effective beginning the first day of the month following the date of employment or the insurance start date, whichever is earlier.
- B. The County's medical insurance contribution for a part-time employee whose normal workweek consists of at least twenty (20) hours shall be one half (1/2) the rate for a full-time employee. No contribution shall be made for an employee whose normal assigned hours are reduced to less than twenty (20) hours in a full workweek.

- C. The County shall contribute one half share of the monthly medical insurance contribution for enrolled employees, prorated over twenty-six (26) pay periods each year. The amount of the contribution each month will be based on the number of pay periods in that month. The contributions shall be determined by counting any employee in a paid status during some portion of the pay period.
- D. The County shall contribute the actual costs of coverage for Employee Married to Employee. - A. The Trust shall provide medical benefits similar to those offered by the County. The plans shall include at least one PPO or POS and one HMO option. The parties agree that the County has no interest in Trust assets, including Trust reserves.
- B.
 1. AOCDS shall maintain a medical insurance trust for the sole purpose of providing medical insurance benefits, which can include medical prescriptions and/or vision care, for employees and retirees in the AOCDS representation units and other agreed upon units or groups. Said trust fund shall be administered by trustee(s) designated by AOCDS. Funds in said trust shall not be co-mingled with AOCDS funds. AOCDS employees and their dependents and retired AOCDS employees and their beneficiaries may participate in the Trust subject to the same eligibility requirements as County participants in Section 4.I. AOCDS as the employer and its employees and its retirees shall collectively contribute into the Trust for the full cost of their medical benefits, and no County contributions shall be used towards their premiums or administrative fees. AOCDS shall defend, indemnify, and hold the County harmless from any claims or legal actions arising out of the participation in the Trust of AOCDS employees or their dependents or retired AOCDS employees or their dependents or beneficiaries. It is intended that the administration of the trust shall survive the expiration of this agreement or loss of representation status by AOCDS.
 2. Insurance coverages provided through the Trust with monies contributed by the County shall be made available by AOCDS to all employees in the representation units and retirees of the representation units on an equal basis regardless of membership status.

3. Monthly premiums for all participating retirees including retired AOCDS employees, dependents and beneficiaries must be at least ten (10) percent higher than the active employee premiums.
 4. The Trust shall operate their insurance programs in accordance with applicable State and/or Federal laws and regulations related to the administration of the Trust.  - d. The actual monthly premiums charged by the health plan carrier detailed by active employees, retirees, and Medicare-eligible retirees; and
 - e. The actual Grant amounts paid towards the retiree health plan premiums and Medicare part “B” reimbursements.
 6. The Trust shall operate with adequate internal controls and accounting practices, and shall have written policies and procedures. This includes a documented anti-fraud program and disaster recovery program.
 7. The parties acknowledge that the Board of Trustees may negotiate with health insurers for a Premium Stabilization Reserve (“PSR”) or similar program held by the insurer with the goal of smoothing exposure to claims, risk and utilization fluctuations in a manner relative to the actual experience of the blended pool. The PSR is used by the insurer to reduce the volatility of risk in plan costs from year to year. Any disbursement(s) determined by the Board of Trustees from the PSR fund shall return to the Trust. Upon termination with the insurer any balance in the PSR will be returned to the Trust pursuant to the contractual agreement with the insurer.
- C. Annually the Board of Trustees and the County shall obtain a certified financial statement audit of the Trust. See auditor selection in Section 4.G. The audit of

the Trust shall be conducted in accordance with generally accepted auditing standards as determined by the auditor. Contained in the audit report will be the CPA's independent opinion as to whether the financial statements are in conformity with generally accepted accounting principles. The report shall be provided simultaneously to the Trust and the County no later than December 1st of each year or as soon thereafter as is reasonably feasible to both parties.

1. The audited Statement of Changes in Net Assets Available for Benefits shall contain separate line items for each of the following items:
 - a. County Contributions for Active Participants;
 - b. County Contributions for Retiree Grants;
 - c. Participant Contributions made by County employees;
 - d. Participant Contributions made by County retirees;
 - e. Participant Contributions made by County COBRA participants;
 - f. Total Contributions Made By AOCDS for AOCDS Active Participants, AOCDS COBRA Participants, and AOCDS Retirees;
 - g. Group Insurance Premiums Paid for County Active Participants;
 - h. Group Insurance Premiums Paid for County Retiree Participants;
 - i. Group Insurance Premiums Paid for County COBRA Participants, and
 - j. Group Insurance Premiums Paid by AOCDS for AOCDS Active Participants, AOCDS COBRA Participants, and AOCDS Retirees.
 2. The CPA shall communicate in writing to the Trust and the County any significant matters which come to their attention during the audit of the Trust, such as material weaknesses and significant deficiencies in design or operation of internal controls, illegal acts, or significant fraud risks.
 3. For any significant matters and internal control deficiencies identified by the CPA, the Trust should provide the County with a status of the corrective actions taken to address the findings every six months until the findings have been fully addressed by the Trust.
- D. The auditor selected to perform the joint financial statement audit in Section 4C shall during the same period as the financial statement audit perform the following agreed upon procedures in accordance with applicable AICPA

(American Institute of Certified Public Accountants) standards (standards are determined by the auditor) and shall issue a report on the procedures at or near the time the financial statement audit report is issued. The procedures shall be performed for the same plan year as the plan year audited in Section 4C and agreed upon jointly by the Trust and the County prior to the start of the audit.

1. Confirm that retiree premiums set by the health plan carriers are at least ten (10) percent higher than active employee premiums paid during the plan year;
 2. Confirm that retiree Grant amounts are only being used for the medical trust premiums or Medicare part “B” premiums and are not being used to offset any other costs and are not being used for any other purpose during the plan year;
 3. Confirm that medical premiums paid during the plan year for AOCDS employees, AOCDS COBRA participants, and AOCDS retirees, their dependents, and beneficiaries are 100% funded by contributions made by AOCDS and its employees, COBRA participants, and retirees. Confirm that during the plan year no County contributions were used to pay the cost of premiums or administrative fees.
 4. Confirm that direct and indirect costs incurred during the plan year by AOCDS are allocated in a reasonable manner to the Trust.
 5. The auditor shall use at a minimum a sample size of 30 and a sample selection from at least one month of each quarter of the audited year.
- E. The parties understand that the trust reserves are assets, inclusive of the balance in any PSR, and may act as a Stabilization Reserve for trust participants. The trust reserves are an accumulation of money participants have contributed to the Trust for the purpose of but not limited to paying toward costs of premiums, administrative costs, and trust reserves. It serves as a hedge against unfavorable claim fluctuations and helps smooth higher than anticipated premium cost increases for trust participants. It may also be used to assist with payment toward premiums for trust participants in the periods between increases in County contributions, to make modifications to the health plan that are in the interests of trust participants or unexpected cost increases due to ACA mandatory changes that may increase premiums in a contract year, and to enable consideration of new health care delivery formats. Trust reserves are necessary to enable the Trust to pay off any deficit of any premium stabilization fund with an insurer, when the Trustees consider it beneficial to change insurers.

The Trust shall no less frequently than three years and not more than every

five years, at the discretion of the Board of Trustees, beginning with the Trust plan year ending June 30, 2017, have an actuarial study prepared to determine the appropriate level of trust reserves and provide a copy of the report to the County.

- F. The Trust shall every three years beginning with the Trust plan year ending June 30, 2017 have a report prepared by an independent certified public accountant selected by the Trust and who shall not be the same auditor performing the joint audit under section 4(C) outlining the methods used to calculate the amount of administrative fees and expenses paid by the Trust to AOCDS and to third party administrators. The Trust shall provide a copy of the report to the County.
- G. The auditor for the audit in section 4C and for the agreed upon procedures in section 4D shall be selected as follows: the Trust will recommend at least three (3) independent licensed CPA firms with experience and expertise in the auditing of benefits trusts for the County's consideration. AOCDS will evaluate the auditor candidates on the following criteria but not limited to:

- b) Qualifications and Experience in Conducting Audits of Benefit Trusts
- c) Proposed Cost
- d) Staffing Experience
- e) Implementation Plan/Project Schedule – ability to meet timelines
- f) Overall Responsiveness and Accuracy and Completeness of the Offeror's Proposal Questionnaire
- g) Degree of Compliance with Proposed Contract terms and conditions

If any of the three (3) CPA firms does not submit a proposal or is unable to perform the work, the Trust will provide a replacement CPA firm(s) to the County to ensure the County has three (3) qualified CPA firms to select from. The County shall make the selection of the licensed CPA firm (the "Independent Auditor") to conduct the audit from the list provided by the Trust. The Trust and the County will enter into a dual agency agreement with the Independent Auditor, whereby the Trust and the County shall be considered joint clients of the Independent Auditor. Such dual agency agreement will

provide the Trust and the County with equal access to any and all data used by the Independent Auditor in preparing its report, and an equal right to request information and data of the Independent Auditor. The Trust and the County will share the cost of the audit, agreed upon procedures and other related costs equally. The independent audit is to be conducted each Fiscal Year with the audit report to be presented by the Independent Auditor to the Trust and the County by December 1st or as soon thereafter as is reasonably feasible to both parties. The Independent Auditor will have access to attend the Trust meetings as relevant to the audit purposes. A selected CPA firm shall not use the same lead engagement or auditing partner for the audit, if that firm has performed the audits for the prior six consecutive fiscal years.

- H. The Trust shall defend, indemnify and hold the County harmless from any claims or legal action brought by employees in these representation units arising out of, or in any way related to, medical insurance or benefits provided pursuant to this section. This obligation shall not arise with respect to any claim or legal action brought by AOCDS or employees concerning coverage overlap between the respective County and the Trust plans.
- I. All regular, full-time, limited-term or part-time (at least twenty [20] hours per week) probationary employees in classifications represented by AOCDS shall be eligible for and offered an opportunity to enroll in the Trust plan options. Under the immediate above circumstance, the County will permit employees to enroll in the plans available to County employees. The Trust shall be responsible to pay for all claims during the time of coverage based on the date services were incurred. If the Trust terminates medical plan coverage, the County will terminate its contribution to the Trust fund 30 days prior to plan termination.
