Over the next eight months, the parties met on multiple occasions and on December 27, 2018 collaboratively arrived at a tentative agreement on the proposal under consideration by your Honorable Board.

This agreement reflects approval of wage increases and the Board’s desire for (1) a transition from Annual Leave to Vacation and Sick Leave, (2) freezing the Retiree Medical Grant, and (3) establishment of a Health Reimbursement Arrangement, along with additional deal points on medical insurance, premium pays and reimbursements.

A summary of the significant deal points in the 2017 - 2021 MOU are as follows:

Section 2. Overtime

A. Notification of Employees of Work Required Beyond Normal Schedule

If in the judgment of the department, work beyond the normal workday, workweek or work period is required, the department will notify any employee who may be asked to perform such work of the apparent need as soon as practicable prior to when the work is expected to begin.

1. For the employees listed in Section 1. A. above any work hours in excess of eighty (80) hours will be considered overtime. Overtime shall be paid at the overtime rate as defined by Section 2.C.1.

2. For the employees listed in Section 1.B. above and designated as non-exempt under FLSA, any work hours in excess of forty (40) hours will be considered overtime. Overtime shall be paid at the overtime rate as defined by Section 2.C.1.
3. For the employees listed in Section 1.B. above and designated as exempt under FLSA any work hours in excess of eighty (80) hours will be considered overtime. Overtime shall be paid at the overtime rate as defined by Section 2.C.1.

B. Distribution of Overtime

1. The County shall make a reasonable effort to make overtime opportunities available on an equal basis to employees capable of performing the work.

2. If the responsible supervisor determines that overtime is necessary on work that started on an assigned shift, the assigned employee(s) may continue with that work as an extension of the assigned shift.

3. If the responsible supervisor determines that overtime is necessary on a client case or patient case already assigned to a particular employee, any such overtime may be assigned exclusively to that employee.

4. The County and AOCDS may meet and confer and, in so doing, shall attempt to reach agreement regarding specific provisions for the distribution of overtime among employees of various individual work units. Such provisions shall be consistent with Sections 2.B.2. and 3., above.

C. Payment for Overtime

1. Overtime shall be compensated at one and one-half (1 1/2) times the regular rate.

2. For all regular, limited-term and probationary employees, overtime may be converted to compensatory time or paid for at the option of the department. Consideration shall be given to effectuating the wishes of employees. The maximum number of Compensatory Time (CT) hours which may be accrued by any employee is one hundred and twenty (120). If an employee accrues 120 hours of CT, he/she cannot accrue additional CT until he/she uses some of the hours in his/her bank; instead, employees will be paid for all overtime work performed in excess of that amount.

3. Overtime hours worked by extra help employees shall be paid.

4. Compensatory time earned and accrued by an employee in excess
of thirty-two (32) hours may be scheduled off for an employee by his or her department; however, consideration shall be given to effectuating the wishes of those employees requesting specific compensatory time off periods.

5. No scheduled compensatory time off will be cancelled except in cases of emergency.

6. In no case may an employee’s work schedule be changed during the workweek when the purpose of such change is to avoid overtime compensation.

7. Time worked as overtime shall not be used to earn fringe benefits or to serve out probation or merit increase periods. Compensatory time off may be used as part of the established workweek to earn fringe benefits and to serve out probationary and merit increase periods.

8. An employee separating from the County service shall be paid for accumulated compensatory time in a lump sum payment.

Section 3. Rest Periods and Cleanup Time

A. Employees shall be allowed rest periods of fifteen (15) minutes during each four (4) consecutive hours of work.

Such rest periods shall be scheduled in accordance with the requirements of the department, but in no case shall rest periods be scheduled within one (1) hour of the beginning or the ending of a work shift or lunch period. The County may designate the location or locations at which rest periods may be taken.

Rest periods shall be considered hours worked and employees may be required to perform duties, if necessary.

B. Each employee shall, when necessary, be permitted up to fifteen (15) minutes of paid County time at the end of each work shift to perform such activities as cleaning up a work area, putting away tools, personal washup and changing clothes.

2. On-call duty requires the employee so assigned to: (1) be reachable by telephone or other communications device; (2) be able to report to work in a reasonable time; and (3) to refrain from activities which might impair his or her ability to perform assigned duties.

3. Employees in the Public Safety General Unit paid on a sixteen (16) hour shift basis are exempt from these provisions.

ARTICLE II PAY PRACTICES

Section 1. Compensation for Employees

Employees shall receive compensation at the biweekly or hourly rate for the range and step or flat rate assigned to the class in which they are employed.

Section 2. Pay for New Employees

A. A new employee shall be paid at the recruiting step of the salary range in effect for the particular class or position in which the new employee is hired except as provided in Sections 2.B., C., and D., below.

B. Upon recommendation of the Chief Human Resources Officer, the Board may, by minute order, authorize that a particular position be filled at any step within the range. When the Board authorizes the filling of the position at a step which is higher than the recruiting step of the salary range, it may, by minute order, advance the salary of incumbents of positions in that class or related classes in order to retain equitable relationships.

C. The agency or department head may authorize the appointment of employees at any of the first eight (8) steps of the salary range. Such
appointments shall be made only when the agency or department head makes a determination that there is a direct and measurable benefit to the County from such appointments and makes a determination that the applicant's previous training and experience enables him or her to make a greater contribution than a less experienced employee.

D. Upon recommendation of the agency or department head, the County Executive Officer may authorize the appointment of employees beyond step eight (8) of the salary range when there is a direct and measurable benefit to the County for such appointment.

E. 1. The County may adjust the recruiting step of classes during the term of this Agreement, wherever justified, by recruiting and labor market considerations.

2. If a recruiting step is decreased, incumbents of the class will be unaffected.

3. If a recruiting step is increased for a class, all employees in that class below the new recruiting step shall be advanced to the new recruiting step and a new merit increase date shall be assigned as provided in Section 3.C. for new employees.

4. Any regular employee whose salary could be bypassed by a new employee, if that employee was hired the date of the recruiting rate change, shall have his or her merit increase date advanced to the same date provided for such new employee.

Section 3. Merit Increase Within Range

A. Extra help employees shall not be eligible for merit increases within range.

B. Salary increases within a range shall not be automatic. They shall be based upon merit and granted only upon the affirmative recommendation of the department head.

C. A new or reemployed employee in a regular or limited-term position shall have a merit increase eligibility date which shall be the first day of the pay period following the completion of the first twenty-six (26) weeks of service within that class. The granting of an Official Leave of Absence (other than a Military Leave) or the imposition of a suspension shall cause the merit increase eligibility date to be extended a number of calendar days equal to the Official Leave or suspension. The extended merit increase eligibility date will be effective the first day of the pay period after said date. Subsequent merit increase eligibility dates shall be the first day of the pay period following the completion of fifty-two (52) week intervals subject to the same postponement for Official Leaves of Absence or suspensions.
D. An employee in a part-time regular or limited-term position who has not completed one thousand forty (1040) paid hours exclusive of overtime by his or her first merit increase date shall have the merit increase eligibility date postponed until the first day of the pay period following completion of one thousand forty (1040) paid hours exclusive of overtime. Likewise, an employee in a part-time regular or limited-term position who has not completed two thousand eighty (2080) paid hours exclusive of overtime between subsequent merit increase eligibility dates shall have his or her merit increase eligibility date postponed until the first day of the pay period following completion of two thousand eighty (2080) paid hours exclusive of overtime. Where an employee's record consists of a combination of full-time and part-time service, both periods of service shall apply towards merit increase eligibility with the part-time service being applied proportionately to the appropriate full-time interval.

E. 1. Merit increases may be granted for one (1), two (2), three (3) or four (4) steps within the salary range based upon the employee's performance. Standard performance shall earn a two (2) step increase. Effective June 1, 2015, a performance rating of “meets performance objectives” shall earn a one (1) step increase.

   2. For any employee hired on or after July 15, 1977, the determination as to whether or not to grant merit increases beyond Step 10, and if granted, in what amounts, shall be solely within the discretion of the department head and shall be based on merit.

F. If, in the department's judgment, the employee's performance does not merit a salary increase on the merit increase eligibility date and a deferral of decision accompanied by an intensive effort at improved performance might be productive, the department shall complete the structured merit rating and defer a decision regarding the merit increase any number of pay periods, but not to exceed thirteen (13) pay periods. A deferral of less than thirteen (13) pay periods may be further extended not to exceed thirteen (13) pay periods from the original merit eligibility date. The employee may be reevaluated at any time, but in any event shall be reevaluated on the structured merit rating prior to the end of the thirteenth pay period. The employee's merit increase eligibility date shall not be changed by such deferral.

G. Should an employee's merit increase eligibility date be overlooked through an error and upon discovery of the error the employee is granted a merit increase, the employee shall be compensated for the additional salary the employee would have received dating from the employee's merit increase eligibility date.

Section 4. Salary on Promotion
A. Except as modified by B., below, a regular, limited-term or probationary employee who is promoted to a position in a class with a higher salary range shall receive the recruiting salary for the higher class or such higher amount as would be the closest to a two (2) step increase on the range over the salary received prior to the promotion not to exceed the top step of the range. A new merit increase eligibility date shall be established which shall be the first day of the pay period following completion of the first twenty-six (26) weeks of service in the new class.

B. Any employee who is promoted to a class from which the employee was previously reduced without a salary decrease shall be placed at a salary step no higher than the step which the employee would have achieved if the employee had remained in the class to which he or she is promoted and had demonstrated at least standard performance. The employee's merit increase eligibility date shall be reestablished in order to credit the employee with any time formerly served in the higher class.

C. Upon recommendation of the agency/department head, the County Executive Officer may, based on consideration of such factors as external market data, internal salary relationships, position responsibilities and sound management principles, approve a rate of pay on promotion not to exceed the top of the pay range to which the employee is being promoted.

Section 5. **Salary on Reassignment**

A. When a regular, limited-term or probationary employee is reassigned to a class with the same recruiting step, such employee's salary and merit increase eligibility date shall not change. Such employee shall have the same probation status which would have been achieved if the employee had been in the new class throughout the period of such service in the old class.

B. When a regular, limited-term or probationary employee is reassigned to a class with a higher recruiting step, such employee's salary shall be advanced the number of steps difference between recruiting steps and the employee shall retain his or her former merit increase eligibility date, except as provided in E., below. Such employee shall have the same probation status which would have been achieved if the employee had been in the new class throughout the period of such service in the old class.

C. When a regular or limited-term employee is reassigned to a class with a lower recruiting step, such employee's salary and merit increase eligibility date shall not change. Such employee shall have the same probation status which would have been achieved if the employee had been in the new class throughout the period of such service in the old class.

D. When a probationary or probationary limited-term employee is reassigned
to a class with a lower recruiting step, such employee shall have the same salary, step status, probation status and merit increase eligibility date as would have been achieved if the employee had been in the new class throughout the period of such service in the old class.

E. When a regular, limited-term or probationary employee is involved in a series of reassignments among classes with the same salary range but different recruiting steps or a series of reassignments among classes on different salary ranges, his or her salary and merit increase eligibility date shall be determined by the Chief Human Resources Officer.

Section 6. **Salary on Reduction**

A. 1. When a probationary employee is reduced to a class not previously occupied by the employee, the employee shall receive the recruiting step for the lower class and shall receive a new merit increase eligibility date as provided in Section 3.C., above, or the employee's salary and merit increase eligibility date may be determined by the Chief Human Resources Officer.

2. When a promotional probationary employee, an employee who has been on a temporary promotion or a regular employee who was promoted to a limited-term position at the direction of the employee's agency/department head is reduced to a class the employee occupied in good standing, the employee shall have the step status and merit increase eligibility date he or she would have achieved if the employee had remained in the lower class throughout the period of his or her service in the higher class.

B. When a regular or limited-term employee is reduced to a position in a lower class by demotion for reasons of unsatisfactory performance, the employee's salary shall be reduced to a step on the salary range which would be the closest amount to a two (2) step reduction or the employee shall receive the maximum step of the salary range of the new class, whichever is lower. The employee's merit increase eligibility date shall be the first day of the pay period following completion of fifty-two (52) weeks of service in the new class, unless the employee thereby is placed at the recruiting step of the new salary range, in which case the employee's merit increase eligibility date shall be the first day of the pay period following the completion of twenty-six (26) weeks of service in the new class.

C. When a regular or limited-term employee in good standing is reduced to a position in a lower class for physical disability or reasons other than unsatisfactory performance, the employee shall receive the highest salary in the new range that does not exceed the employee's rate of pay immediately prior to reduction and shall retain his or her merit increase eligibility date.
D. When a regular, limited-term or probationary employee is reduced because the position the employee occupied is reclassified, the applicable salary shall be determined as follows:

1. If the salary of the employee is the same or less than the maximum of the new class, the salary and merit increase eligibility date of the employee shall not change.

2. If the salary of the employee is greater than the maximum of the new range, the salary of the employee shall be designated as a Y-Rate and shall not change during continuous regular service until the maximum of the new range exceeds the salary of the employee or until the period of calendar time indicated in the schedule below has elapsed, whichever is sooner. If, at the end of the calendar period indicated below, the salary of the employee still exceeds the maximum of the new salary range, the salary of the employee shall be reduced to the maximum salary for the new class.

The salary of a regular, limited-term or probationary employee whose position is reclassified shall be determined as follows:

A. Upon request of the County, negotiations shall be reopened for the sole purpose of considering an increase in salary (unrelated to a classification study) for any class included in this Agreement. Changes in salary resulting from a classification study shall be subject to the provisions of Article XVI.

B. If a class is reassigned to a different salary range, each employee in the class shall be compensated at the same step in the new salary range as he or she was receiving in the range to which the class was previously assigned.

Section 10. Additional Compensation

Notwithstanding anything in this Memorandum of Understanding to the contrary when in the judgment of the Board, it becomes necessary or desirable to utilize the services of County employees in capacities other than those for which they are regularly employed, the Board may authorize and, if appropriate, fix an

For those extra help employees who qualify for paid sick leave under Labor Code section 246, the first three days or 24 hours, whichever is greater, of annual leave taken each 12 month period will be considered sick leave used pursuant to the Healthy Workplaces, Healthy Families Act of 2014.

Notwithstanding the above, if an employee separates from the County and is rehired within one year from the date of separation, previously accrued and unused paid sick days shall be reinstated to the extent required by law. The employee will also be entitled to use those previously accrued and unused paid sick days and to accrue additional paid sick days upon rehiring to the extent required by law.

6. If the department modifies or does not approve a request for Official Leave, the employee may, within fifteen (15) calendar days of said action, file a request for review with the Chief Human Resources Officer. The decision of the Chief Human Resources Officer on such appeals shall be final.

7. An Official Leave shall not be credited toward continuous service.

Rights and obligations which are not specifically set forth below are set forth in the U.S. Department of Labor regulations implementing the federal Family and Medical Leave Act of 1993 (FMLA), and the regulations of the Department of Fair Employment and Housing implementing the California Family Rights Act (CFRA). Unless otherwise provided by this Section “family leave” under this Agreement shall mean leave pursuant to the FMLA and CFRA.

3. Employees must request and identify their need for Family Leave. The County and AOCDS agree that certain other types of leaves available to employees under this Agreement may meet the requirements of Family Leave pursuant to applicable law. The County may apply any time during which an employee is on such leave against the amount of Family Leave to which the employee is entitled.

4. Eligibility for Family Leave will be determined according to the requirements of applicable law.

5. Family leave shall not exceed twelve (12) work weeks for situations covered by subsection A(2)(a) – (d) above or twenty-six (26) weeks to care for a covered service member (subsection A(2)(e) and (f) above) during any calendar year. 8. When a request for Family Leave is approved, the department shall determine whether sick leave, annual leave, compensatory leave, and/or vacation time is to be applied. Such determination shall be consistent with other leave provisions of this Agreement and shall give consideration to the circumstances and the wishes of the employee. The use of sick leave or annual leave shall be restricted to those circumstances which qualify under the provisions of Article IV., Section 1.B.

B. Notification Requirements

1. If the Family Leave is foreseeable, the employee must provide the department with thirty (30) calendar days notice of his or her intent to take Family Leave.
2. If the event necessitating the Family Leave becomes known to the employee less than thirty (30) calendar days prior to the employee’s need for Family Leave, the employee must provide as much notice as possible. In no case shall the employee provide notice later than five (5) calendar days after he or she learns of the need for Family Leave.

3. For foreseeable leave due to a qualifying exigency, an employee must provide notice of the need for leave as soon as practicable, regardless of how far in advance such leave is foreseeable.

4. When the Family Leave is for the purpose of the scheduled medical treatment or planned medical care of a child, parent, spouse or registered domestic partner, the employee shall, to the extent practicable, schedule treatment and/or care in a way that minimizes disruption to department operations.

New active duty orders or similar documentation shall be provided to the County if the need for qualifying exigency leave arises out of a different active or call to active duty status of the same or a different covered military member.

4. Failure to provide satisfactory verification of the necessity for Family Leave is grounds for denial of the Family Leave.
ARTICLE V   VACATION

Section 1.  Accumulation of Vacation

A. A new employee in a full-time regular or limited-term position shall earn eighty (80) hours of vacation when the employee has accumulated two thousand eighty (2080) regularly scheduled paid hours. An employee shall earn a second eighty (80) hours of vacation when the employee has accumulated four thousand one hundred sixty (4160) regularly scheduled paid hours and a third eighty (80) hours vacation when the employee has accumulated six thousand two hundred forty (6240) regularly scheduled paid hours.

B. After an employee in a regular or limited-term position has been paid for six thousand two hundred forty (6240) regularly scheduled hours, the employee shall earn .0577 hours of vacation for each hour of pay during his or her regularly scheduled workweek (approximately one hundred twenty [120] hours per year), but not to exceed credit for more than eighty (80) regularly scheduled hours in any pay period. Such credit shall be applied to the employee’s vacation accumulation account only upon completion of each pay period. No credit shall be applied during the progress of any pay period or for any portion of a pay period during which the employee terminates County service.

C. Commencing with the pay period following that in which the employee completed ten (10) years of continuous full-time County service, an employee in a regular or limited-term position shall earn .0777 hours of vacation for each hour of pay during his or her regularly scheduled workweek (approximately one hundred sixty [160] hours per year), under the same terms and conditions as under subsection B., above.

At the conclusion of fifty-two (52) weeks of employment, the ratio of regularly scheduled hours paid to two thousand eighty (2080) shall be determined. The same ratio shall be applied to eighty (80) hours to establish the amount of vacation to be credited to the employee’s account as of the conclusion of the pay period in which the fifty-two (52) week period ended. The same procedure shall be applied to each subsequent fifty-two (52) week period.

C. ARTICLE X     GRIEVANCE PROCEDURE AND DISCIPLINARY APPEALS

Section 1.  Scope of Grievances

A.  A grievance may be filed if a management interpretation or application of the provisions of this Memorandum of Understanding adversely affects an employee’s wages, hours or conditions of employment.

B.  Specifically excluded from the scope of grievances are:

1.  subjects involving the amendment or change of Board of Supervisors resolutions, ordinances or minute orders, which do not incorporate the provisions of this Memorandum of Understanding;

2.  matters which have other means of appeal;

3.  position classification;

4.  a performance evaluation rating of “Meets Performance Objectives” or better.

Section 2.  Basic Rules

A.  If an employee does not present a grievance/appeal or does not appeal the decision rendered regarding his or her grievance/appeal within the time limits, the grievance/appeal shall be considered resolved.

B.  If a County representative does not render a decision to the employee within the time limits, the employee may within seven (7) calendar days thereafter appeal to the next step in the procedure.

C.  If it is the judgment of any management representative that he or she does not have the authority to resolve the grievance/appeal, he or she may refer it to the next step in the procedure.  By mutual agreement of the County and AOCDS, any step of the procedure may be waived.

D.  The Chief Human Resources Officer may temporarily suspend grievance/appeal processing on a section-wide, unit-wide, division-wide, department-wide or County-wide basis in an emergency situation.  AOCDS may appeal this decision to the Board of Supervisors.

E.  Upon written consent of the parties (i.e., the representatives of the County and the employee or his or her representative), the time limits at any step in the procedure may be extended.

F.  Every reasonable effort shall be made by the employee and the County to resolve a grievance/appeal at the lowest possible step in the grievance/appeal procedure.
G. No claim shall be granted for retroactive adjustment of any grievance prior to sixty (60) calendar days from the date of filing the written grievance.

H. In order to encourage frank discussion and compromise in attempting to resolve grievances and other labor disputes, the County and AOCDS agree that the files of the respective parties concerning such matters shall be confidential, except that this shall not restrict any access that either party might otherwise have to the other’s files.

Section 3. Submission of Grievances

A. Any employee or group of employees shall have the right to present a grievance. No employee or group of employees shall be hindered from or disciplined for exercising this right.

B. If any two (2) or more employees have essentially the same grievance they may, and if requested by the County must, collectively present and pursue their grievance if they report to the same immediate supervisor.

D. If the grievant is a group of more than three (3) employees, the group shall, at the request of the County, appoint one (1) or two (2) employees to speak for the collective group. To be considered a grievant in a group grievance, each employee must be individually identified as a grievant when the grievance is submitted at Step 1.

Section 4. Employee Representation

A. An employee may represent himself or herself or may be represented by AOCDS in the formal grievance/appeal procedure. AOCDS members are not entitled to be represented by privately retained counsel during the grievance process or arbitration hearing.

C. If an employee chooses not to be represented by AOCDS, AOCDS may have a representative present at Step 2 of the grievance/appeal procedure and/or arbitration and, if necessary, shall have the right to present AOCDS’s interpretation of provisions of this Agreement at issue. Such presentation shall not include comments regarding the merits of the grievance. The decision of the arbitrator in such a case shall not be precedent setting and shall not be admissible in any subsequent dispute between the County and AOCDS.

Section 5. Time Off for Processing Grievances/Appeals

A. Reasonable time off without loss of pay shall be given to:

1. an employee who has a grievance/appeal in order to attend a meeting with his or her supervisor or other person with authority under
the grievance/appeal procedure to resolve the matter or to meet with his or her grievance/appeal representative;

2. an authorized grievance/appeal representative in order to attend a meeting with the represented grievant's/appellant's supervisor or other person with authority under the grievance/appeal procedure to resolve the grievance/appeal or to obtain facts concerning the action grieved/appealed through discussion with the grievant/appellant or other employees or through examination of appropriate County records or locations relating to the grievance/appeal.

B. The following restrictions shall apply in all cases to activity authorized in Section 5.A., above:

1. Before performing grievance/appeal work, the grievant/appellant or grievance/appeal representative shall obtain permission of his or her supervisor and shall report back to the supervisor when the grievance/appeal work is completed.

2. Neither the grievant/appellant nor the grievance/appeal representative shall interrupt or leave his or her job to perform grievance/appeal work if his or her supervisor determines that such interruption or absence will unduly interfere with the work of the unit in which the grievant/appellant or representative is employed. However, an effort will be made to grant such time off as soon as it is feasible to do so.

3. When an authorized grievance/appeal representative must go into another section or unit to investigate a grievance/appeal, the representative shall be permitted to do so provided that:

   a. the representative checks in and checks out with the supervisor of the unit; and
   b. such investigation does not unduly interfere with the work of the unit.

Section 6. Informal Discussion

If an employee has a problem relating to a work situation, the employee is encouraged to request a meeting with his or her immediate supervisor to discuss the problem in an effort to clarify the issue and to work cooperatively towards settlement.

Section 7. Grievance/Appeal Steps

The grievance/appeal procedure shall consist of the following steps, each of which must be completed prior to any request for further consideration of the matter unless waived by mutual consent or as otherwise provided herein.
Step 1:  **Agency/Department Head**

An employee may formally submit a grievance to the agency/department head within fourteen (14) calendar days from the occurrence which gives rise to the problem. Such submission shall be in writing and shall state the nature of the grievance and the suggested solution. Within seven (7) calendar days after receipt of the written grievance, agency/department head or his or her designee(s) shall meet with the grievant. Within fourteen (14) calendar days thereafter, a written decision shall be given to the grievant. The County shall, whenever practicable, notify the grievant if more than one (1) management representative shall attend the Step 1 grievance meeting.

Step 2:  **Chief Human Resources Officer**

If the grievance/appeal is not settled under Step 1 and it concerns:

a. an interpretation or an application of this Memorandum of Understanding;

b. a performance evaluation rating of “Does Not Meet Objectives;”

c. deferral or denial of a merit increase, or a dispute about the number of steps granted; or

d. a written reprimand; or

it may be appealed in writing to the Chief Human Resources Officer within seven (7) calendar days after receipt of the written decision from Step 1. Appeal of a probationary release alleging discrimination and/or suspension and/or a reduction ordered by the Department Head or his or her designated representative may be submitted in writing at Step 2 within ten (10) calendar days after receipt of the notice of probationary release alleging discrimination and/or suspension and/or reduction. Within fourteen (14) calendar days after receipt of the written grievance/appeal, the Chief Human Resources Officer or his or her representative shall meet with the grievant/appellant. Within fourteen (14) calendar days thereafter, a written decision shall be given to the grievant/appellant. The decision of the Chief Human Resources Officer in B., C. and D., above, shall be final and binding and shall not be referable to arbitration.

Section 8.  **Referrals to Arbitration**

A.  **Grievances**

1.  If a grievance is not resolved under Step 2, an arbitration request
may be presented in writing to the Chief Human Resources Officer within seven (7) calendar days from the date a decision was rendered at Step 2. Within 30 days of the submission of the arbitration request, the arbitration hearing date shall be calendared, unless the parties agree to extend the time allowed for calendaring. If mediation is going to be held and the grievance is not settled through the mediation process, the arbitration hearing date shall be calendared within 30 days of the mediation, unless the parties agree to extend the time allowed for calendaring. As soon as practicable thereafter, or as otherwise agreed to by the parties, an arbitrator shall hear the grievance.

2. The parties shall either sign a joint issue submission statement or else execute and sign separate alternative issue statements after discussing the issue(s). In either case, the parties shall send copies of their joint or separate submission statement(s) to each other within fourteen (14) calendar days before the first scheduled date of the arbitration hearing.

B. **Disciplinary Appeals**

1. **Submission Procedure**

   a. If an appeal from suspension or reduction is not settled at Step 2, it may be presented to the Chief Human Resources Officer within seven (7) calendar days from the date the decision was rendered.

   b. An appeal from any discharge or from a suspension or reduction imposed by the County Executive Officer may be presented to the Chief Human Resources Officer within ten (10) calendar days from the date the action becomes final.

   c. All disciplinary appeals shall be signed by an employee or by a representative of AOCDS and shall be submitted in writing.

   d. The issues in all disciplinary appeals shall be: Was (employee’s name) suspended/reduced/discharged for reasonable cause? If not, to what remedy is the appellant entitled under the provisions of Article IX, Section 8. of the MOU?

   e. As soon as practicable after a suspension, reduction or discharge appeal is presented to the Chief Human Resources Officer, an arbitrator shall hear the appeal.

2. **Findings of Facts and Remedies**

   a. Findings of Facts
An arbitrator’s decision shall set forth the findings as to each of the charges and the reasons therefore. The arbitrator may sustain, modify or rescind an appealed disciplinary action as follows and subject to the following restrictions:

b. Remedies - All Disciplinary Actions (Other than Discharge)

1. If the arbitrator finds that the disciplinary action was taken for reasonable cause, he or she shall sustain the action.

2. Suspensions/Reductions

If the action is modified or rescinded, the employee shall be entitled to restoration of pay and/or fringe benefits in a manner consistent with the arbitrator’s decision.

c. Remedies - Discharges

1. If the arbitrator finds that the order of discharge should be modified, the employee shall be restored to a position in his or her former class subject to forfeiture of pay and fringe benefits for all or a portion of the period of time the employee was removed from duty as determined by the arbitrator.

2. If the arbitrator finds that the order of discharge should be rescinded, the employee shall be reinstated in a position in his or her former class and shall receive pay and fringe benefits for all of the period of time he or she was removed from duty.

3. Restoration of pay and benefits shall be subject to reimbursement of all unemployment insurance and additional outside earnings which the employee received since the date of discharge.

C. Probationary Releases Alleging Discrimination

1. The issues to be submitted to the arbitrator in grievances filed pursuant to Article III, Section 1.C.3. shall be as follows and shall be submitted consistent with Section 8.A., above.

   a. Was the probationary release of (employee's name) in whole or in part the result of discrimination in violation of Article XVII, NONDISCRIMINATION, of the Memorandum of Understanding between the County and AOCDS?

   b. If so, what shall the remedy be under the provisions of Article IX, Section 8.C.2., Findings of Facts and Remedies, of the Memorandum of Understanding between the County and
2. Findings of Facts and Remedies
   
   a. In the event the arbitrator finds no violation of Article XVII, NONDISCRIMINATION, the grievance shall be denied and the issue of remedy becomes moot.
   
   b. In the event the arbitrator finds a violation of Article XVII, NONDISCRIMINATION, but also finds such violation was not a substantial cause of the employee's probationary release, the grievance shall be denied and the issue of remedy becomes moot.
   
   c. In the event the arbitrator finds a violation of Article XVII, NONDISCRIMINATION, and also finds that the violation was a substantial cause of the probationary release of the employee, the arbitrator's award shall depend upon the significance of the violation and shall be in keeping with the following alternatives:
      
      1. The probationary release may be sustained.
      2. The employee may be reinstated in a position in his or her former class subject to forfeiture of pay and fringe benefits for all or a portion of the period of time the employee was removed from duty. The employee may be required to serve the remainder of any outstanding probation period.
      3. The employee may be reinstated in a position in his or her former class with full back pay and benefits for all of the period of time the employee was removed from duty. The employee may be required to serve the remainder of any outstanding probation period.

D. General Provisions
   
   1. Except as otherwise required by law, the cost of an arbitrator shall be shared equally in all cases by the County and the appealing party except when the appealing party solely alleges discrimination under Article XVI, in which case the County shall bear the full cost. When the grievance involves both discrimination and other arbitrable issues, the proper division of costs shall be determined by the arbitrator.
   
   2. Grievance/Appeal hearings by an arbitrator shall be private.
   
   3. Arbitration appeal hearings of suspensions of less than forty (40) hours shall be limited to two (2) days unless both parties agree that
a longer hearing is necessary. Both parties shall be allotted equal time during arbitration hearings involving such suspensions. The two (2) day limitation for arbitration appeal hearings shall not apply to suspensions imposed by the County Executive Officer.

4. The arbitrator shall be selected by the mutual agreement of the parties. If the parties cannot agree upon an arbitrator, a list of seven (7) arbitrators shall be obtained from the California State Mediation and Conciliation Service, the American Arbitration Association or some other agreed upon source and each party shall alternately strike one (1) name from the list until only one (1) name remains.

5. Upon written request by the opposing party in a pending hearing given at least twenty (20) calendar days prior to the scheduled hearing date, the party requested shall supply to the party submitting the request copies of all documentary evidence to be used by that party at the hearing. Such evidence shall be provided no later than ten (10) calendar days prior to the scheduled hearing date. Any evidence not so provided may not be admitted or offered as evidence at the subsequent hearing except that any such documentary evidence discovered by a party after such a request for copies but not soon enough to comply with the above time limits may be admitted providing it could not have been discovered sooner by reasonable means and provided further that a copy or copies of such evidence be afforded the requesting party as soon as practicable after such discovery. Nothing contained herein shall operate to prevent either party from presenting additional documents by way of rebuttal.

6. An employee shall not suffer loss of pay for time spent as a witness at an arbitration hearing held pursuant to this procedure. The number of witnesses requested to attend and their scheduling shall be reasonable.

7. At the hearing, both the appealing employee and the County shall have the right to be heard and to present evidence. The following rules shall apply:

a. Oral evidence shall be taken only on oath or affirmation.

b. Each party shall have these rights: to call and examine witnesses, to introduce exhibits, to cross-examine opposing witnesses on any matter relevant to the issues even though that matter was not covered in the direct examination, to impeach any witness regardless of which party first called the witness to testify and to rebut the evidence against the witness. If the employee does not testify in his or her own behalf, the employee may be called and examined as if under cross-examination.
8. The hearing need not be conducted according to technical rules relating to evidence and witnesses. Any relevant evidence shall be admitted if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rule which might have made improper the admission of such evidence over objection in civil actions. Hearsay evidence may be used for the purpose of supplementing or explaining any direct evidence, but shall not be sufficient in itself to support a finding unless it would be admissible over objection in civil actions. The rules of privilege shall be effective to the same extent that they are now or hereafter may be recognized in civil actions and irrelevant and unduly repetitious evidence shall be excluded.

9. The County shall be allowed to have one (1) employee, who may be called upon to testify as a witness, present at the arbitration hearing at all times.

10. The parties agree to forego the use of briefs and transcripts whenever practicable, except that any party may opt to file a closing brief in lieu of an oral closing argument. The parties agree to, whenever practicable, forgo the use of a court reporter in arbitrations resulting from a suspension.

11. The decision of the arbitrator shall be final and binding on all parties.

12. As an alternative to proceeding directly to arbitration after completion of Step 2, the parties may mutually agree to submit a grievance/appeal to mediation. A request for mediation may be presented in writing to the Chief Human Resources Officer within seven (7) calendar days from the date a decision was rendered at Step 2. A request for mediation will automatically suspend the normal processing of a grievance until the mediation process is completed or the request is denied. The County shall respond to a request for mediation within thirty (30) calendar days. The mediation process shall be optional, and any opinion expressed by the mediator shall be informal, considered advisory and shall not be admissible evidence in any arbitration that should follow. Within seven (7) calendar days after completion of the mediation process or denial of a request for mediation, an arbitration request may be filed pursuant to Section 8.A. or B., above.
ARTICLE XI  LAYOFF PROCEDURE

Section 1.  General Provisions

A.  This procedure shall not apply to a temporary layoff of less than four (4) consecutive weeks.

B.  This procedure shall not apply to employees who have special or unique knowledges or skills which are of special value in the operation of the County business.

C.  When two (2) or more agencies/departments are consolidated or when one (1) or more functions of one (1) agency/department are transferred to another agency/department, employees in all involved agencies/departments shall be subject to layoff if one is necessary.

D.  Section 7., Reemployment Lists, and Section 8., Status on Reemployment, of this Article, shall not apply if the County has a written agreement with an employer, public or private, which guarantees the County employee an offer of reasonably comparable employment with the new employer who is taking over a function formerly performed by County employees and the new employer makes such an offer in writing to the employee.

Section 2.  Order of Layoff

A.  When a reduction in the work force is necessary, employees in regular positions and those occupying limited-term positions at the direction of their agency/department head shall be laid off in an order based on consideration of:

1. employment status,

2. past performance,

3. length of continuous service with the County.

B. Layoffs shall be made by class within the department except that:

1. Where a class has a dual or multiple concept, the Chief Human Resources Officer may authorize a layoff by specialty within the class.

2. Where appropriate, the Chief Human Resources Officer may authorize a layoff by division or smaller unit of the department.
C. Within a class, employees shall be subject to layoff in the following order:

<table>
<thead>
<tr>
<th>Employment Status</th>
<th>Layoff Order</th>
</tr>
</thead>
<tbody>
<tr>
<td>First - Temporary Promotion</td>
<td>Determined by Department</td>
</tr>
<tr>
<td>Second - New Probationary</td>
<td>Determined by Department</td>
</tr>
<tr>
<td>Third - Regular/Promotional Probationary</td>
<td>Layoff Points</td>
</tr>
</tbody>
</table>

After all new probationary employees and employees on temporary promotion have been removed from a class within a layoff unit, the employee with the lowest number of layoff points shall be subject to layoff first. When two (2) or more employees have the same number of layoff points, the department shall determine the order of layoff for these employees.

D. If a layoff is going to be made in a class from which an employee has left through a temporary promotion, the employee on temporary promotion shall be returned to his or her former class and shall be subject to layoff in accordance with this procedure.

E. AOCDS may designate employees who are regular AOCDS officers or grievance representatives to receive special seniority for purposes of layoff. The number of employees so designated shall not exceed two (2) percent of the employees in the Representation Unit. Employees so designated shall receive two hundred sixty (260) layoff points in addition to layoff points computed pursuant to Section 3., below.

Section 3. **Computation of Layoff Points**

Seniority Points:

The equivalent of each year of full-time continuous service with the County shall earn two hundred sixty (260) seniority points.

The equivalent of each regularly scheduled full day of continuous service of a partial year shall earn one (1) seniority point.

Demerit Points:

For a rating of “Does Not Meet Objectives” on the last “Performance Evaluation Report,” for the class currently held by the employee, the employee shall earn two-hundred sixty (260) demerit points. Demerit points shall only be used in the currently held class of an employee. Demerit points shall not be applied to an
employee seeking to enter a lower class through voluntary reduction in lieu of layoff.

Layoff Points:

Layoff points shall be computed by subtracting demerit points, if any, from seniority points.

Section 4. Notification of Employees

A. Written notice of layoff shall be given to an employee or sent by mail to the last known mailing address at least fourteen (14) calendar days prior to the effective date of the layoff. Notices of layoff shall be served on employees personally at work whenever practicable.

B. It is the intent of the parties that the number of layoff notices initially issued shall be limited to the number of positions by which the work force is intended to be reduced. Additional notices shall be issued as other employees become subject to layoff as a result of employees exercising reduction rights under Section 5.

C. The notice of layoff shall include the reason for the layoff, the proposed effective date of the layoff, the employee's hire date, the employee's layoff points, a list of classes in the employee's occupational series within the layoff unit, the employee's rights under Sections 5 and 6. and the right of the employee to advise the County of any objection to the content of the layoff notice prior to the proposed effective date of the layoff.

Section 5. Voluntary Reduction in Lieu of Layoff

A. A promotional probationary or regular employee who is subject to layoff may request a reduction to a lower class within the same occupational series in the layoff unit provided the employee possesses the minimum qualifications for the class and passes any required performance tests. The reduction shall be made if there is a vacant position in the layoff unit or an incumbent in the lower class in the layoff unit has fewer layoff points than the employee requesting the reduction. In the latter case, the incumbent in the lower class with the fewest number of layoff points shall be subject to layoff.

B. 1. Employees who receive notice of layoff by personal service at work shall have until the end of their third regularly scheduled day of work following actual receipt of the notice to notify their department in writing of their intent to exercise rights under this Section. Employees whose third regularly scheduled day of work is more than three (3) calendar days after receipt of the notice shall have three (3) calendar days, excluding weekends and holidays, to notify
their department of their intent to exercise rights under this Section; and where such notification is not in writing, the employee shall confirm the notification in writing as soon as practicable.

2. Employees who receive notice other than by personal service at work shall have five (5) calendar days, excluding weekends and holidays, following the date the person is personally served or if service is made by mail, five (5) calendar days, excluding weekends and holidays, following date of proof of service by mail to notify their department of their intent to exercise rights under this Section. Where such notification is not in writing, the employee shall confirm the notification in writing as soon as practicable.

3. Failure by an employee to respond to his or her department pursuant to this Section shall result in a rebuttable presumption that the employee does not intend to exercise any right of reduction to a lower class and that the employee's hire date stated in the layoff notice was correct.

4. No employee action or inaction referred to in this Section shall be considered a waiver of an employee's right to file grievances concerning any matter within the scope of the grievance procedure.

Section 6. Voluntary Reduction from Classes Designated as Vulnerable to Layoff

An employee in a class designated by the County as vulnerable to layoff may request a voluntary reduction to any class provided the employee possesses the minimum qualifications and has passed any required performance tests for the class to which reduction is requested. Such employees shall be eligible for consideration for available positions in the class to which reduction is requested. If appointed, such an employee shall be placed on DEPARTMENTAL REINSTATEMENT LISTS pursuant to Section 7.A.3., below.

Section 7. Reemployment Lists

A. The following persons shall be placed on DEPARTMENTAL REINSTATEMENT LISTS as provided in 1., 2. and 3., below, in the order of their respective layoff points with the person having the largest number of layoff points listed first:

1. Persons Laid Off

The names of persons laid off shall be placed on an AGENCY/DEPARTMENTAL REINSTATEMENT LIST for each class in the occupational series at or below the level of the class from which laid off.
2. **Persons Who Exercise Their Rights Under Section 5.**

   The names of persons who exercise their rights under Section 5. shall be placed on a DEPARTMENTAL REINSTATEMENT LIST for each class in the occupational series at or below the level of the class from which reduced, excluding any classes at or below the level of the class currently held.

3. **Persons Who Voluntarily Reduced Under the Provisions of Section 6.**

   The names of persons who were voluntarily reduced under the provisions of Section 6. shall be placed on a DEPARTMENTAL REINSTATEMENT LIST for the class from which reduced and for each class in the occupational series below the level of the class from which they voluntarily reduced, provided they request to be placed on such lists.

   Positions to be filled shall be offered first to persons on the DEPARTMENTAL REINSTATEMENT LIST for that class, starting at the top of the list. If reinstatement is offered to a class other than that from which the person was laid off or reduced, such person must first meet the minimum qualifications and pass any required performance tests for that class.

   **B.** The names of persons laid off shall be placed on the COUNTY PREFERRED ELIGIBLE LIST for the class from which they were laid off and for any class from which they previously voluntarily reduced pursuant to Section 5., in the order of their layoff scores, going from highest to lowest. When one (1) vacant position in an agency/department, other than the agency/department from which the employee was laid off, is to be filled in that class, ten (10) names shall be certified from the COUNTY PREFERRED ELIGIBLE LIST, starting at the top. When more than one (1) vacant position in an agency/department, other than the agency/department from which the employee was laid off, is to be filled in that class, the number of names certified, starting at the top of the COUNTY PREFERRED ELIGIBLE LIST, shall be equal to twice the number of vacancies plus seven (7). If there is a tie among layoff points at the last name to be certified, all tied eligibles shall be certified. Eligibles certified from COUNTY PREFERRED ELIGIBLE LISTS shall be considered prior to eligibles certified from lower ranking eligible lists. Appointments shall be made only from eligibles certified pursuant to Section 7.B. Appointments need not be made in the order of layoff points; any eligible certified in accordance with this provision may be appointed to a vacant position.

   **C.** Names of persons placed on the DEPARTMENTAL REINSTATEMENT LIST and the COUNTY PREFERRED ELIGIBLE LIST shall remain on the lists for two (2) years, except that:
1. A person who on two (2) separate occasions rejects or fails to respond within five (5) calendar days to offers of employment in a particular class shall be removed from the lists for that class.

2. A person who on three (3) separate occasions declines referral for interviews in a particular class shall be removed from the lists for that class.

3. An employee in the Public Safety General Unit who upon retirement signs a statement electing not to be eligible for reemployment under this provision shall have his or her name excluded from the aforementioned lists.

D. In the event two (2) or more agencies/departments are consolidated while AGENCY/DEPARTMENTAL REINSTATEMENT LISTS are in effect, such lists shall be combined and treated as one (1) list in accordance with the preceding provisions of this Section. When a transfer of one (1) or more functions of one (1) agency/department to another agency/department occurs, employees previously laid off from such function(s) who are on an AGENCY/DEPARTMENTAL REINSTATEMENT LIST for the agency/department losing such function(s), shall be removed from such list and shall be placed on a reinstatement list for the agency/department acquiring such function(s) and treated in accordance with the preceding provisions of this Section.

E. Reemployment lists shall be available to AOCDS and affected employees upon reasonable request.

Section 8. Status on Reemployment

A. An employee who has been laid off under the provisions of this Article and is subsequently reemployed in a regular or limited-term position within a two (2) year period from the date of his or her layoff shall receive the following considerations and benefits:

1. All sick leave and annual leave credited to the employee’s account when laid off or unpaid annual leave when laid off shall be restored.

2. All seniority points held upon layoff shall be restored.

3. All prior service shall be credited for the purpose of determining sick leave and vacation, earning rates and service awards.

4. The employee shall be placed in the salary range as if the employee had been on a Leave of Absence Without Pay.

5. The probationary status of the employee shall be as if the employee had been on a Leave of Absence Without Pay except that a probation period shall be established as determined by Article III,

   a. Upon implementation of the Plan, for eligible retirees the Grant shall be an amount based on ten (10) dollars per month for each full year of credited service in an Eligible Classification up to a maximum of twenty-five (25) years. In each fiscal year during retirement, the amount of such Grant shall be adjusted by the average percentage increase or decrease in County retiree health plan premiums no later than the effective dates of such change, not to exceed three (3) percent per year. No increase shall be applied to the Grant for those employees who retire on or after the first day of the first full pay period in July 2020. In no case shall the Grant exceed the actual cost of the health insurance and/or Medicare premiums.

   b. The Grant will be adjusted as follows:

   The Grant will be reduced by seven and one-half percent (7 ½%) per year for each year of age the employee is less than age 60, based upon the employee’s age on the date when the employee takes active retirement from OCERS.    The Grant will be increased by seven and one-half percent (7 ½%) per year for each year of age the employee is greater than age 60, based upon the employee’s age on the date when the employee takes active retirement from OCERS. For the purposes of the Grant increase, no years of age after age 70 will be considered. For the purpose of deferred retirements, the date on which the deferred retiree takes active retirement from OCERS will be deemed the retirement date.
Section 6.A.2.b. shall not apply to Safety classifications or disability retirements.

Section 6.A.2.b. shall not apply to other employees in these Represented Units on or after the first day of the first full pay period in July 2020.

1. The Grant for all eligible retirees (including retirees on disability) and surviving dependents will be reduced by fifty percent (50%) the first day of the month the retiree or surviving dependent becomes eligible for both Medicare Part A (without paying a premium) and Medicare Part B, or immediately if the retiring employee is eligible for Medicare Part A (without paying a premium) and Medicare Part B as of the date of retirement. This provision does not apply to a retiree or surviving dependent eligible for the Grant who has attained age 65 on or prior to September 12, 2006 and is eligible for both Medicare Part A (without paying a premium) and Medicare Part B.

c. For employees retiring on or after Board of Supervisors adoption of the MOU shall be provided a one time opportunity of thirty (30) days to enroll in an AOCDS offered health plan or Medicare. The final average hourly compensation shall be calculated on base salary over the six thousand two hundred forty (6240) regularly paid hours immediately preceding June 23, 2006.

Employees with less than ten (10) credited years of service shall not be eligible for the Grant. For an employee who was employed by the County the first full day of the first full pay period in July 2020, any hours of service performed in periods on or after the first day of the first full pay period in July 2020 shall not be included as a part of the credited service towards the Grant eligibility requirements.

4. Deferred Retirement

a. An employee who, upon separation from County service, is eligible for paid retirement and elects deferred retirement must defer participation in the Grant until such time as he or she becomes an active retiree. For employees who defer retirement, the terms and conditions governing the Grant are based on the provisions in place at the time of deferral.

Section 7.

A. Health Reimbursement Arrangement

Effective the first day of the first full pay period in July 2020, a Health Reimbursement Arrangement (HRA) will be made available for current and future employees in these bargaining units. The County and the HRA administrator, with the oversight of the Health Reimbursement Account Advisory Committee, shall administer the program subject to the requirements set forth in the Health Reimbursement Arrangement Plan Document. County will contribute three (3) percent of each eligible employee’s bi-weekly base salary to fund the HRA.

B. Reopener as a Result of the ACA

The County may reopen negotiations on this Article and other provisions of the MOU (eg., Flexible Spending Accounts in Article XXV), for purposes of addressing issues resulting from the implementation of the Patient Protection and Affordable Care Act (ACA), including but not limited to, the potential impact of the Excise Tax (commonly known as the “Cadillac Tax”) on high cost employer-sponsored health coverage. Federal administrative agencies have not yet issued definitive guidance regarding the Excise Tax which is expected to begin in 2022. The parties acknowledge that some of the benefits provided in the MOU may be included in the coverage to which the Excise Tax liability may apply. As a result, the issues that likely need to be addressed are: which health group plan coverages must be taken into consideration for purposes of this tax, how to calculate this tax, and what steps, if any, can be taken to avoid payment of the Excise Tax (eg., modification of benefits). Notwithstanding the above, the County may not reopen negotiations on these issues...
unless the issues have first been discussed as part of the Insurance Working Group meetings (See Section 6.A above).

The County will not be responsible for the payment of any Excise Tax on health coverage from unit members’ enrollment in County-sponsored health plans.

1 Section 3 of this Article will not be reopened unless (and only to the extent that) its provisions are impacted by the ACA.
Section 1.

An employee in a regular position may, at his or her request, participate in the County's Section 457(b) Defined Contribution Plan.

   a. Employees hired prior to May 7, 2010 will be eligible for the Pension Formula Election described below once the Board of Supervisors approves an implementing resolution (which shall be after pending tax issues have been resolved so that the election will not result in any negative tax consequences for eligible unit members). C. Employee Retirement Contributions to Offset the Increased Cost of the “2.7% at
55” benefit formula:

1. The implementation of the “2.7% at 55” retirement benefit formula shall be
without additional cost to the County for as long as the enhanced benefit
formula is provided to employees, i.e., it will be borne entirely by the
employees. Effective with the pay period that commenced on June 24,
2005, unit members began making an additional employee contribution to the retirement system. This contribution is in addition to the normal employee contribution calculated under Section 31621.8 of the Government Code (or Section 31621 of the Government Code, if applicable), and is in addition to the employee contribution required to help provide full reserve funding of cost-of-living increases to retirees for all active members of the retirement system as recommended by the actuary. The additional employee contribution made under this paragraph is known as the “Reverse Pickup” and is designed to offset both the prospective increased costs, as well as the increased costs attributable to past service liability of providing this enhanced retirement benefit.

a. The portion of the additional employee contribution that is attributable to past service liability shall be in accordance with, and for the purposes stated, in Section 31678.3(d) of the Government Code. This additional employee contribution shall continue beyond the expiration date of this MOU, for the purpose of amortizing, over a 30 year period, the cost of the enhanced retirement benefit.

b. The portion of the additional employee contribution that is attributable to the prospective increased cost of the benefit shall also continue beyond the expiration date of this MOU but unlike the past service liability, does not expire at the end of the 30 year period set forth above.

2. After implementation of this benefit, the County and AOCDS will annually review its costs including costs impacted by changes in the investment earnings and evaluate whether any adjustments to employee contributions are necessary.

3. The relative-ratio based methodology will be used to determine the additional employee contribution toward the “2.7% at 55” retirement benefit formula.

Section 5. Defined Contribution Retirement Plan for the Deputy Coroner, Public Assistance Investigator and Park Ranger series

A. Beginning on May 7, 2010, the County will make available a County 1.62 Retirement, Section 457(b) Defined Contribution Plan (the “DC plan”) to those employees who are covered by the “1.62% at 65” benefit formula (whether by election, deemed to have elected or are hired on or after January 1, 2013 and
are deemed to be “new members” within the meaning of PEPRA). These employees will be permitted to make voluntary contributions to the Plan. The County will make matching contributions as described in Section 3.B. below.

B. During the first one-year period following the plan commencement date, the County will contribute a biweekly amount to a Section 401(a) Defined Contribution Plan for an eligible employee equal to the biweekly amount that the employee contributes to the Plan, not to exceed two (2) percent of the employee’s base salary (the “match”). During the second year and in subsequent years following the plan commencement date, the County will contribute to a Section 401(a) Defined Contribution Plan for an eligible employee a biweekly amount equal to fifty (50) percent of the biweekly amount that the employee contributes to the Plan. The County contribution to the Section 401(a) Defined Contribution Plan shall not exceed two (2) percent of the employee’s base salary, unless the Board of Supervisors authorizes additional County contributions permitted under Article XXII, Retirement, Section 3.(D). County contributions to the Section 401(a) Defined Contribution Plan shall vest on behalf of the participant after that participant has been continuously employed by the County for a period of five (5) years. For this purpose, one year shall be to 2080 paid hours of service, exclusive of overtime.

C. Employee contributions to the Plan(s) and the County contributions to the Section 401(a) Defined Contribution Plan shall be subject to contribution limits imposed by the Internal Revenue Service. In no event shall the County be required to pay any portion of the matching contributions that would cause the employee to exceed applicable Internal Revenue Service contribution limits.

D. Notwithstanding the foregoing, the parties agree that at no time shall the County’s matching contribution to a Section 401(a) Defined Contribution Plan be less than fifty (50) percent of an employee’s biweekly contribution to the Plan, nor shall the maximum amount of the County’s matching contribution to a Section 401(a) Defined Contribution Plan be less than two (2) percent of an employee’s base salary.

Section 6. Tax-Deferred Retirement Plan

The County will administer an approved tax-deferred retirement plan which will allow employees to reduce their taxable gross income by the amount of their retirement contribution. The plan shall be in effect for the term of this Memorandum of Understanding subject to approval by the Internal Revenue Service.
ARTICLE XXIII    SEPARABILITY

In the event that any provisions of this Memorandum are declared invalid by any court of competent jurisdiction, such decision shall not invalidate the entire Memorandum, it being the express understanding of the parties hereto that all other provisions not declared invalid shall remain in full force and effect.
ARTICLE XXIV RECOGNITION

Pursuant to the Employee Relations Resolution of the County of Orange and applicable State law, the Association of Orange County Deputy Sheriffs is the Exclusively Recognized Employee Organization for the Public Safety General and Public Safety Supervisory Units. Section 2. **Overtime**

A. **Notification of Employees of Work Required Beyond Normal Schedule**

If in the judgment of the department, work beyond the normal workday, workweek or work period is required, the department will notify any employee who may be asked to perform such work of the apparent need as soon as practicable prior to when the work is expected to begin. If this additional work results in hours worked in excess of eighty (80) hours in the employee’s FLSA work period, the employee shall be compensated for these excess hours at the overtime rate as defined by Section 2.C.1.

1. For the employees listed in Section 1. A. above any work hours in excess of eighty (80) hours will be considered overtime. Overtime shall be paid at the overtime rate as defined by Section 2.C.1.
2. For the employees listed in Section 1.B. above and designated as non-exempt under FLSA, any work hours in excess of forty (40) hours will be considered overtime. Overtime shall be paid at the overtime rate as defined by Section 2.C.1.

3. If the responsible supervisor determines that overtime is necessary on a client case or patient case already assigned to a particular employee, any such overtime may be assigned exclusively to that employee.

4. The County and OCEAOCDS may meet and confer and, in so doing, shall attempt to reach agreement regarding specific provisions for the distribution of overtime among employees of various individual work units. Such provisions shall be consistent with Sections 2.B.2. and 3., above.

2. For all regular, limited-term and probationary employees, overtime may be converted to compensatory time or paid for at the option of the department. Consideration shall be given to effectuating the wishes of employees. The maximum number of Compensatory Time (CT) hours which may be accrued by any employee is one hundred and twenty (120). If an employee accrues 120 hours of CT, he/she cannot accrue additional CT until he/she uses some of the hours in his/her bank; instead, employees will be paid for all overtime work performed in excess of that amount.
3. Overtime hours worked by extra help employees shall be paid.

4. Compensatory time earned and accrued by an employee in excess of thirty-two (32) hours may be scheduled off for an employee by his or her department; however, consideration shall be given to effectuating the wishes of those employees requesting specific compensatory time off periods.

5. No scheduled compensatory time off will be cancelled except in cases of emergency.

6. In no case may an employee’s work schedule be changed during the workweek when the purpose of such change is to avoid overtime compensation.

2. On-call duty requires the employee so assigned to: (1) be reachable by telephone or other communications device; (2) be able to report to work in a reasonable time; and (3) to refrain from activities which might impair his or her ability to perform assigned duties.

ARTICLE II PAY PRACTICES

Section 1. Compensation for Employees

Employees shall receive compensation at the biweekly or hourly rate for the range and step or flat rate assigned to the class in which they are employed.

Section 2. Pay for New Employees
A. A new employee shall be paid at the recruiting step of the salary range in effect for the particular class or position in which the new employee is hired except as provided in Sections 2.B., C., and D., below.

B. Upon recommendation of the Chief Human Resources Officer, the Board may, by minute order, authorize that a particular position be filled at any step within the range. When the Board authorizes the filling of the position at a step which is higher than the recruiting step of the salary range, it may, by minute order, advance the salary of incumbents of positions in that class or related classes in order to retain equitable relationships.

C. The agency or department head may authorize the appointment of employees at any of the first seven (7) steps of the salary range. Such appointments shall be made only when the agency or department head makes a determination that there is a direct and measurable benefit to the County from such appointments and makes a determination that the applicant’s previous training and experience enables him or her to make a greater contribution than a less experienced employee.

D. Upon recommendation of the agency or department head, the County Executive Officer may authorize the appointment of employees beyond step seven (7) of the salary range when there is a direct and measurable benefit to the County for such appointment.

E. 1. The County may adjust the recruiting step of classes during the term of this Agreement, wherever justified, by recruiting and labor market considerations.

2. If a recruiting step is decreased, incumbents of the class will be unaffected.

3. If a recruiting step is increased for a class, all employees in that class below the new recruiting step shall be advanced to the new recruiting step and a new merit increase date shall be assigned as provided in Section 3.C. for new employees.
1. Any regular employee whose salary could be bypassed by a new employee, if that employee was hired the date of the recruiting rate change, shall have his or her merit increase date advanced to the same date provided for such new employee.

Section 3. Merit Increase Within Range

A. Extra help employees shall not be eligible for merit increases within range.

B. Salary increases within a range shall not be automatic. They shall be based upon merit and granted only upon the affirmative recommendation of the department head.

C. A new or reemployed employee in a regular or limited-term position shall have a merit increase eligibility date which shall be the first day of the pay period following the completion of the first twenty-six (26) weeks of service within that class. The granting of an Official Leave of Absence (other than a Military Leave) or the imposition of a suspension shall cause the merit increase eligibility date to be extended a number of calendar days equal to the Official Leave or suspension. The extended merit increase eligibility date will be effective the first day of the pay period after said date. Subsequent merit increase eligibility dates shall be the first day of the pay period following the completion of fifty-two (52) week intervals subject to the same postponement for Official Leaves of Absence or suspensions.

D. An employee in a part-time regular or limited-term position who has not completed one thousand forty (1040) paid hours exclusive of overtime by his or her first merit increase date shall have the merit increase eligibility date postponed until the first day of the pay period following completion of one thousand forty (1040) paid hours exclusive of overtime. Likewise, an employee in a part-time regular or limited-term position who has not completed two thousand eighty (2080) paid hours exclusive of overtime between subsequent merit increase eligibility dates shall have his or her merit increase eligibility date postponed until the first day of the pay period following completion of two thousand eighty (2080) paid hours exclusive of overtime. Where an employee’s record consists of a combination of full-time and part-time service, both periods of service shall apply towards merit increase eligibility with the part-time service being applied proportionately to the appropriate full-time interval.

E. 1. Merit increases may be granted for one (1), two (2), three (3) or four (4) steps within the salary range based upon the employee’s performance. Standard-performance shall earn a two (2) step increase. Effective June 1, 2015, a performance rating of “meets performance objectives” shall earn a one (1) step increase.
2. For any employee hired on or after July 15, 1977, the determination as to whether or not to grant merit increases beyond Step 10 (Step 12 for employees assigned to Salary Schedule G), and if granted, in what amounts, shall be solely within the discretion of the department head and shall be based on merit. 

F. If, in the department’s judgment, the employee’s performance does not merit a salary increase on the merit increase eligibility date and a deferral of decision accompanied by an intensive effort at improved performance might be productive, the department shall complete the structured merit rating and defer a decision regarding the merit increase any number of pay periods, but not to exceed thirteen (13) pay periods. A deferral of less than thirteen (13) pay periods may be further extended not to exceed thirteen (13) pay periods from the original merit eligibility date. The employee may be reevaluated at any time, but in any event shall be reevaluated on the structured merit rating prior to the end of the thirteenth pay period. The employee’s merit increase eligibility date shall not be changed by such deferral.

G. Should an employee’s merit increase eligibility date be overlooked through an error and upon discovery of the error the employee is granted a merit increase, the employee shall be compensated for the additional salary the employee would have received dating from the employee’s merit increase eligibility date.

Section 4. Salary on Promotion

A. Except as modified by B., below, a regular, limited-term or probationary employee who is promoted to a position in a class with a higher salary range shall receive the recruiting salary for the higher class or such higher amount as would be the closest to a two (2) step increase on the range over the salary received prior to the promotion not to exceed the top step of the range. A new merit increase eligibility date shall be established which shall be the first day of the pay period following completion of the first twenty-six (26) weeks of service in the new class.

B. Any employee who is promoted to a class from which the employee was previously reduced without a salary decrease shall be placed at a salary step no higher than the step which the employee would have achieved if the employee had remained in the class to which he or she is promoted and had demonstrated at least standard performance. The employee’s merit increase eligibility date shall be reestablished in order to credit the employee with any time formerly served in the higher class.

C. Upon recommendation of the agency/department head, the County Executive Officer may, based on consideration of such factors as external
market data, internal salary relationships, position responsibilities and sound management principles, approve a rate of pay on promotion not to exceed the top of the pay range to which the employee is being promoted.

Section 5. Salary on Reassignment

A. When a regular, limited-term or probationary employee is reassigned to a class with the same recruiting step, such employee’s salary and merit increase eligibility date shall not change. Such employee shall have the same probation status which would have been achieved if the employee had been in the new class throughout the period of such service in the old class.

B. When a regular, limited-term or probationary employee is reassigned to a class with a higher recruiting step, such employee’s salary shall be advanced the number of steps difference between recruiting steps and the employee shall retain his or her former merit increase eligibility date, except as provided in E., below. Such employee shall have the same probation status which would have been achieved if the employee had been in the new class throughout the period of such service in the old class.

C. When a regular or limited-term employee is reassigned to a class with a lower recruiting step, such employee’s salary and merit increase eligibility date shall not change. Such employee shall have the same probation status which would have been achieved if the employee had been in the new class throughout the period of such service in the old class.

D. When a probationary or probationary limited-term employee is reassigned to a class with a lower recruiting step, such employee shall have the same salary, step status, probation status and merit increase eligibility date as would have been achieved if the employee had been in the new class throughout the period of such service in the old class.

E. When a regular, limited-term or probationary employee is involved in a series of reassignments among classes with the same salary range but different recruiting steps or a series of reassignments among classes on different salary ranges, his or her salary and merit increase eligibility date shall be determined by the Chief Human Resources Officer.

Section 6. Salary on Reduction
A. 1. When a probationary employee is reduced to a class not previously occupied by the employee, the employee shall receive the recruiting step for the lower class and shall receive a new merit increase eligibility date as provided in Section 3.C., above, or the employee's salary and merit increase eligibility date may be determined by the Chief Human Resources Officer.

2. When a promotional probationary employee, an employee who has been on a temporary promotion or a regular employee who was promoted to a limited-term position at the direction of the employee's agency/department head is reduced to a class the employee occupied in good standing, the employee shall have the step status and merit increase eligibility date he or she would have achieved if the employee had remained in the lower class throughout the period of his or her service in the higher class.

B. When a regular or limited-term employee is reduced to a position in a lower class by demotion for reasons of unsatisfactory performance, the employee's salary shall be reduced to a step on the salary range which would be the closest amount to a two (2) step reduction or the employee shall receive the maximum step of the salary range of the new class, whichever is lower. The employee's merit increase eligibility date shall be the first day of the pay period following completion of fifty-two (52) weeks of service in the new class, unless the employee thereby is placed at the recruiting step of the new salary range, in which case the employee's merit increase eligibility date shall be the first day of the pay period following the completion of twenty-six (26) weeks of service in the new class.

C. When a regular or limited-term employee in good standing is reduced to a position in a lower class for physical disability or reasons other than unsatisfactory performance, the employee shall receive the highest salary in the new range that does not exceed the employee's rate of pay immediately prior to reduction and shall retain his or her merit increase eligibility date.

D. When a regular, limited-term or probationary employee is reduced because the position the employee occupied is reclassified, the applicable salary shall be determined as follows:

1. If the salary of the employee is the same or less than the maximum of the new class, the salary and merit increase eligibility date of the employee shall not change.

2. If the salary of the employee is greater than the maximum of the new range, the salary of the employee shall be designated as a Y-Rate and shall not change during continuous regular service until the maximum of the new range exceeds the salary of the employee
or until the period of calendar time indicated in the schedule below has elapsed, whichever is sooner. If, at the end of the calendar period indicated below, the salary of the employee still exceeds the maximum of the new salary range, the salary of the employee shall be reduced to the maximum salary for the new class.

3. When an employee on Y-Rate accepts a voluntary reduction, his or her salary shall be reduced by the amount of the difference between the maximum salary of the class from which the employee is being reduced and the maximum salary of the new class.

Section 7. **Salary on Reclassification**

The salary of a regular, limited-term or probationary employee whose position is reclassified shall be determined as follows:

A. If the position is reclassified to a class with the same salary range, the salary and merit increase eligibility date of the employee shall be governed by Article II, Section 5.A., B. or C.

B. If the position is reclassified to a class with a higher salary range, the salary of the employee shall be governed by Article II, Section 4.A.

Section 8. Salary on Reemployment

A. A person who is reemployed in the same occupational series in which the person held regular status and was separated in good standing may, upon approval of the Chief Human Resources Officer, be appointed at a step higher than the recruiting step, but no higher than the step the person received at the time of separation unless appointment is at an advanced step or rate pursuant to Article II, Section 2.C.

B. A former County employee on paid County retirement may be reemployed for not more than one hundred twenty (120) working days or nine hundred sixty (960) hours, whichever is greater, in any one (1) fiscal year in a position requiring special skills and knowledge and may be appointed to the position at any step on the salary range.

Section 9. Changes in Salary Allocation

Changes in salary resulting from a classification study shall be subject to the provisions of Article XVI.

B. If a class is reassigned to a different salary range, each employee in the class shall be compensated at the same step in the new salary range as he or she was receiving in the range to which the class was previously assigned.

Section 10. Additional Compensation

C.________

Section 12. — Classification and Compensation Studies

The parties acknowledge that the County has not conducted classification and compensation studies on an annual or other regular basis for more than a decade. As a result, the parties agree that in order to provide competitive compensation to employees and to remedy current and future recruitment and retention problems, the County must begin to conduct a reasonable number of classification and compensation studies each year during the term of this agreement and thereafter until the backlog of required studies has been reduced to a manageable number or eliminated. The parties therefore wish to ensure that systematic classification and compensation studies be reinstituted. The County therefore agrees to conduct a reasonable number of classification and compensation studies annually, and shall consult with OCEA as to both the number of studies to be conducted and the identification of classification series to be studied. Such consultations shall occur at least quarterly each calendar year. Employees hired on or before June 29, 2001 that do not authorize automatic deposit will receive their pay check by U.S. Mail. The pay checks will be deposited in the U.S. Mail the day before the scheduled pay day.

Such probationary periods shall be extended no longer than sixty (60) calendar days from the date on which the County receives the Appeals Officer's findings and decision. In the event an employee’s probationary period is extended by the provisions of this Section, and such an employee has served a probationary period which is longer than the probationary period normally prescribed for new or promotional probation, such an employee may fail probation during
the extended period only upon recommendation of the Appeals Officer and final determination of the Board of Supervisors.

3. With the mutual agreement of a new probationary employee and his or her department, the employee’s new probation period may be extended at the sole discretion of the Chief Human Resources Officer for a period not to exceed ninety (90) calendar days provided such action is approved by the Chief Human Resources Officer before the normal probation period is completed. Denial of a request to extend a probation period shall not be subject to appeal or hearing.

Section 2. Performance Evaluation

Such ratings shall be prepared and recorded in the employee's personnel file for all regular and limited-term full and part-time employees at least once each year; and in addition, for employees on probationary status, at least once near the middle of the probation period.

B. The County shall discuss with the employee the specific ratings prior to such ratings being made part of the employee's personnel file.

such reply to become a permanent part of such employee's official personnel
file.

F. Any contents of an employee's official personnel file may be destroyed
pursuant to an agreement between the Chief Human Resources Officer
and the employee concerned or by an order of an arbitrator, court or impartial
hearing officer unless the particular item is otherwise required by law to be
kept.

position on a voluntary basis and not at the direction of the
agency/department head shall become a limited-term regular employee.

employment standards shall serve a new probation period upon transfer to
permanent funded positions. Upon transfer to permanent positions, such
employees shall maintain their original hire date for purposes of vacation,
and sick leave and annual leave accrual, retirement and layoff. The
requirement that such employees serve a new probation period may be
waived by the County. Limited-term employees not hired under programs
which involve special employment standards shall, upon transfer to
permanent funded positions, maintain their original hire date for purposes
of vacation, sick leave and annual leave accrual, retirement, layoff and
new employee probation.

D. When funding ceases for a limited-term position or when the position is no
longer necessary, the limited-term position shall be abolished and the
incumbent shall be removed from the payroll except as provided in section
E., below.

E. Regular employees who transfer, promote or reduce to limited-term
positions at the direction of the agency/department head shall retain their
former status and retain their layoff benefits in their former layoff unit. The
agency/department head shall make such an order in writing prior to the date
of transfer or promotion.

Section 5. Temporary Promotion
A. At any time before the temporary promotion is made, such employee may request to be reassigned to his or her former class. In such a case, the employee shall be reassigned within five (5) working days.

B. The department may, at its option, waive the one hundred twenty (120) hour requirement when it is necessary to utilize a regular, probationary or limited-term employee in a higher level vacant regular or limited-term position for a period that is expected to be at least one hundred twenty (120) regularly scheduled hours but not to exceed eighteen (18) months.

C. An employee on temporary promotion shall not be placed on promotional probation. Upon return from temporary promotion, an employee shall serve the remainder of any uncompleted probationary period in the employee's former class and shall have the step status and merit increase eligibility date he or she would have achieved if the employee had remained in the lower class throughout the period of his or her service in the higher class.

D. At the end of the employee's assignment to the higher class, the employee shall have the right to return to his or her former class and agency/department. A temporary promotion shall not exceed a period of eighteen (18) months.

For those extra help employees who qualify for paid sick leave under Labor Code section 246, the first three days or 24 hours, whichever is greater, of annual leave taken each 12 month period will be considered sick leave used pursuant to the Healthy Workplaces, Healthy Families Act of 2014.

c. Notwithstanding the provisions of 3.b., above, an employee hired prior to July 15, 1977 who, as of the date of request, is eligible for Tier I paid retirement and who has given irrevocable written notice of his or her intent to retire, may request that a payoff of his or her accumulated sick leave be made to his or her deferred compensation account with the County to the maximum amount permitted under the regulations that govern deferred compensation programs and to the extent permitted under the provisions of 3.a., above. Notwithstanding the above, if an employee separates from the County and is rehired within one year from the date of separation, previously accrued and unused paid sick days shall be reinstated to the extent required by law. The employee will also be entitled to use those previously accrued and
unused paid sick days and to accrue additional paid sick days upon rehiring to the extent required by law.

Section 2. Bereavement Leave

Upon request, regular, limited-term or probationary employees shall receive necessary time off with pay, not to exceed five (5) days in any one (1) instance, to arrange for or attend a funeral of a member of their immediate family. For purposes of this Section, immediate family shall mean father, father-in-law, mother, mother-in-law, step-parent, brother, sister, wife, husband, registered domestic partner, child, step-child, grandparent, grandchild or legal guardian.

Section 3. Authorized Leave Without Pay

A. Departmental Leave

A regular, limited-term or probationary employee may request a Departmental Leave Without Pay for a period of time not to exceed fifteen (15) calendar days. The granting of such Leave shall be at the discretion of the department, except in cases where Official Leave has been authorized pursuant to Sections 10, 11.A., and 15 below. 2. An Official Leave of Absence may be extended for up to an additional year at the discretion of the department except that requests for Official Leave which qualify as Family Leave pursuant to applicable law shall be granted to the extent required by such law. If the department denies the extension of such Leave, the provisions of subsections 5. and 6., below, shall not apply.

3. An employee who has requested and identified a valid need for Family Leave pursuant to Article IV, Section 15, and applicable law, shall be granted Official Leave to the extent required by such law. Such Leave shall be authorized only after use of leave balances as
specified below:

a. When Official Leave involves the employee’s own serious health condition – after all accumulated compensatory time, vacation accruals, sick leave and annual leave have been used;

b. When Official Leave involves the circumstances covered by Section 1, subsections B.4, B.5 or B6 of this Article – after all accumulated compensatory time, vacation, sick leave (to the extent available to the employee for such use) and annual leave have been used;

c. When Official Leave is used for all other reasons – after all accumulated compensatory time and vacation accruals, and/or the portion of the annual leave subject to 100% payoff have been applied toward the absence. Use of annual leave beyond the leave balance subject to 100% payoff shall be at the discretion of the employee, subject to the annual leave provision.

5. Except as to leaves which must be granted pursuant to sections 10, 11 and 15 in this Article, the department shall: (a) indicate on the request its decision as to whether the request should be granted, modified or denied; (b) promptly transmit the request to the Chief Human Resources Officer; and (c) deliver a copy to the employee.

6. If the department modifies or does not approve a request for Official Leave, the employee may, within fifteen (15) calendar days of said action, file a request for review with the Chief Human Resources Officer. The decision of the Chief Human Resources Officer on such appeals shall be final.

7. An Official Leave shall not be credited toward continuous service.

C. **General Provisions**

1. A request for a Leave of Absence shall be made upon forms
prescribed by the Chief Human Resources Officer and shall state specifically the reason for the request, the date when it is desired to begin the Leave of Absence and the probable date of return.

Such evidence shall be provided no later than ten (10) calendar days prior to the scheduled hearing date. Any evidence not so provided may not be admitted or offered as evidence at the subsequent hearing except that any such
documentary evidence discovered by a party after such a request for copies but not soon enough to comply with the above time limits may be admitted providing it could not have been discovered sooner by reasonable means and provided further that a copy or copies of such evidence be afforded the requesting party as soon as practicable after such discovery. If the employee does not testify in his or her own behalf, the employee may be called and examined as if under cross-examination.

8. The hearing need not be conducted according to technical rules relating to evidence and witnesses. Hearsay evidence may be used for the purpose of supplementing or explaining any direct evidence, but shall not be sufficient in itself to support a finding unless it would be admissible over objection in civil actions. The rules of privilege shall be effective to the same extent that they are now or hereafter may be recognized in civil actions and irrelevant and unduly repetitious evidence shall be excluded.

9. The County shall be allowed to have one (1) employee, who may be called upon to testify as a witness, present at the arbitration hearing at all times.

11. The decision of the arbitrator shall be final and binding on all parties.

12. As an alternative to proceeding directly to arbitration after completion of Step 2, the parties may mutually agree to submit a grievance/appeal to mediation. A request for mediation may be presented in writing to the Chief Human Resources Officer within seven (7) calendar days from the date a decision was rendered at Step 2. A request for mediation will automatically suspend the normal processing of a grievance until the mediation process is completed or the request is denied. The County shall respond to a request for mediation within thirty (30) calendar days. The mediation process shall be optional, and any opinion expressed by the mediator shall be informal, considered advisory and shall not be admissible evidence in any arbitration that should follow. Section 7.

A. Health Reimbursement Arrangement

Effective the first day of the first full pay period in July 2020, a Health Reimbursement Arrangement (HRA) will be made available for current and future employees in these sections.

A. Working Group
The parties agree to establish a Working Group to review insurance issues. Each party may have up to five (5) members as representatives on the working group. Other bargaining groups and stakeholders (eg., AOCW, IUOE, AFSCME, OCMA, unrepresented employees) will be invited to participate in the working group. Among the issues to be examined by the working group are the following:

(1) plan design (eg., benefits, wellness and other incentive programs);
(2) cost containment ideas;
(3) impact of the ACA on County insurance plans/programs;
(4) establishment of wellness and/or fitness centers;
(5) gym memberships;
(6) continued use of Healthy Steps as a component of the County's wellness program; and
(7) other issues the parties agree to discuss.

The Working Group will commence its work within 45 days of the adoption of the MOU and will strive to complete its work, including making recommendations to the parties, no later than April 30, 2016. The Working Group may continue to work on insurance issues after April 30, 2016 upon agreement of the parties. bargaining units. The County and the HRA administrator, with the oversight of the Health Reimbursement Account Advisory Committee, shall administer the program subject to the requirements set forth in the Health Reimbursement Arrangement Plan Document. County will contribute three (3) percent of each eligible employee's bi-weekly base salary to fund the HRA.

B. Reopener as a Result of the ACA

The County may reopen negotiations on this Article 1 and other provisions of the MOU (eg., Flexible Spending Accounts in Article XXV), for purposes of addressing issues resulting from the implementation of the Patient Protection and Affordable Care Act (ACA), including but not limited to, the potential impact of the Excise Tax (commonly known as the “Cadillac Tax”) on high cost employer-sponsored health coverage. Federal administrative agencies have not yet issued definitive guidance regarding the Excise Tax which is expected to begin in 2018. The parties acknowledge that some of the benefits provided in the MOU may be included in the coverage to which the Excise Tax liability may apply. As a result, the issues that likely need to be addressed are: which health group plan coverages must be taken into consideration for purposes of this tax, how to calculate this tax, and what steps, if any, can be taken to avoid payment of the Excise Tax (eg., modification of benefits). Notwithstanding the above, the County may not reopen negotiations on these issues unless the issues have first been discussed as part of the Insurance Working Group meetings (See Section 6.A above).
The County will not be responsible for the payment of any Excise Tax on health coverage from unit members’ enrollment in County-sponsored health plans.

1 Section 3 of this Article will not be reopened unless (and only to the extent that) its provisions are impacted by the ACA.
The County will not be responsible for the payment of any Excise Tax on health coverage from unit members’ enrollment in County-sponsored health plans.

2005, unit members began making an additional employee contribution to the retirement system. This contribution is in addition to the normal employee contribution calculated under Section 31621.8 of the Government Code (or Section 31621 of the Government Code, if applicable), and is in addition to the employee contribution required to help provide full reserve funding of cost-of-living increases to retirees for all active members of the retirement system as recommended by the actuary. The additional employee contribution made under this paragraph is known as the “Reverse Pickup” and is designed to offset both the prospective increased costs, as well as the increased costs attributable to past service liability of providing this enhanced retirement benefit.

a. The portion of the additional employee contribution that is attributable to past service liability shall be in accordance with, and for the purposes stated, in Section 31678.3(d) of the Government Code. This additional employee contribution shall continue beyond the expiration date of this MOU, for the purpose of amortizing, over a 30 year period, the cost of the enhanced retirement benefit.

b. The portion of the additional employee contribution that is attributable to the prospective increased cost of the benefit shall also continue beyond the expiration date of this MOU but unlike the past service liability, does not expire at the end of the 30 year period set forth above.

2. After implementation of this benefit, the County and AOCDS will annually review its costs including costs impacted by changes in the investment earnings and evaluate whether any adjustments to employee contributions are necessary.

3. The relative-ratio based methodology will be used to determine the additional employee contribution toward the “2.7% at 55” retirement benefit formula.

During the second year and in subsequent years following the plan commencement date, the County will contribute to a Section 401(a) Defined Contribution Plan for an eligible employee a biweekly amount equal to fifty (50) percent of the biweekly amount that the employee contributes to the Plan. In no event shall the County be required to pay any portion of the matching contributions that would cause the employee to exceed applicable Internal Revenue Service contribution limits.

D. Notwithstanding the foregoing, the parties agree that at no time shall the County’s matching contribution to a Section 401(a) Defined Contribution Plan be less than fifty (50) percent of an employee’s biweekly contribution to the Plan, nor shall the maximum amount of the County’s matching contribution to a Section 401(a) Defined Contribution Plan be less than two (2) percent of an employee’s base salary.

Section 6. Tax-Deferred Retirement Plan

The County and OCEA further desire to provide an opportunity for labor and management representatives to promote and maintain harmonious labor-management relations through the establishment of Agency/Department Labor Management Committees. This section is not intended to change or replace mutually agreeable existing arrangements, including labor-management forums, except by mutual agreement.

B. The Labor Management Committee (LMC) process is intended for agency and department management and labor representatives to collaborate in a regularly scheduled (at least monthly) forum to develop solutions to workplace issues that are deemed appropriate for discussion. The County and OCEA recognize that this process will provide an important opportunity to achieve mutually acceptable solutions to workplace issues.

C. It is the intent of the process that each party should raise issues prior to making decisions or adopting courses of action that may affect the other party.

D. An issue may be considered by the LMC members unless the issue:

1. Concerns only an individual employee, such as that employee’s performance evaluation, discipline or an individual problem with another employee;

2. Has County-wide impact; or

3. Involves the classification of one or more employees.

E. LMC members will have the authority to discuss and develop solutions to workplace issues submitted by employees and management and to present those solutions to the LMC Sponsors.

F. The activities of LMCs will be effectively communicated to all employees through monthly newsletters or other mutually agreeable methods.
Section 2. Structure

A. The LMC program shall be jointly administered by four central LMC Program Sponsors, two of whom shall be appointed by the Chief Human Resources Officer and two of whom shall be appointed by OCEA. The role of the sponsors is to monitor the direction and progress of the LMC and to provide the support and resources necessary to constructively address and resolve workplace issues.

Section 3. Time off for LMC Activities

A. A reasonable number of employees shall be allowed reasonable time off without loss of pay to serve as employee representatives in the LMC process.

B. In addition to A. above, reasonable time off without loss of pay shall be given to employees and LMC employee representatives as necessary to effectuate the purposes of the LMC process.

Section 4. Process

A. Employees may submit a form entitled Workplace Issue Statement Form describing the workplace issue, the recommended change(s) and the advantage(s) associated with the change. Employees may choose to remain anonymous when submitting their workplace issue; however, anonymity may hinder the ability of the LMC to fully evaluate the issue presented.

B. Employees may submit the Workplace Issue Statement form to any active LMC member or to LMC sponsors.

C. The LMC member shall discuss and develop possible solutions to the submitted workplace issues. An LMC member may contact the employee who submitted the workplace issue to obtain additional information/clarification.
D. Workplace issue solutions will be determined by a consensus of the members present at the LMC meeting and submitted as a recommendation to the LMC sponsors.

E. Within 30 days of receipt of the LMC recommendation, the agency/department LMC sponsors shall respond to the LMC members in writing, indicating their acceptance, suggested modifications or rejection of each proposed solution and/or schedule for implementation. The sponsors shall provide written reasons for a rejection/modification of a solution submitted by the LMC.
