**DRAFT**

*County Executive Office/Legislative Affairs*

March 26, 2024  
Item No: 33

## **County of Orange Report on Grant Applications/Awards**

*The Grants Report is a condensed list of grant requests by County Agencies/Departments that allows the Board of Supervisors to discuss and approve grant submittals in one motion at a Board meeting. County policy dictates that the Board of Supervisors must approve all grant applications prior to submittal to the grantor. This applies to grants of all amounts, as well as to new grants and those that have been received by the County for many years as part of an ongoing grant. Receipt of grants \$50,000 or less is delegated to the County Executive Officer. Grant awards greater than \$50,000 must be presented to the Board of Supervisors for receipt of funds. This report allows for better tracking of county grant requests, the success rate of our grants, and monitoring of County's grants activities. It also serves to inform Orange County's Sacramento and Washington, D.C. advocates of County grant activities involving the State or Federal Governments.*

On March 26, 2024, the Board of Supervisors will consider the following actions:

<p>The Department of Alcoholic Beverage Control (ABC) is offering grants to local law enforcement agencies to expand their present efforts in addressing alcohol-related problems. The comprehensive ABC program emphasizes a strong enforcement effort toward licensed establishments that operate disorderly, create an undue burden on law enforcement, and affect the quality of life for the surrounding community.</p> <p>The unincorporated and contract city areas patrolled by the Sheriff-Coroner Department have approximately 1,260</p>

ABC-licensed establishments. If awarded, the Sheriff will use the \$50,000 grant funding to expand its existing specialized task forces to target specific crimes related to the sale of alcohol, over-intoxication, and narcotic-related problems through undercover operations. The grant funds will also be used for the Minor Decoy Program to reduce the number of licensees that sell alcoholic beverages to minors at both on-sale and off-sale locations and on the Shoulder Tap Operations, a law enforcement strategy designed to hold adult alcohol providers to youth accountable for their illegal behavior. The ultimate goal is to reduce underage consumption of alcohol by youth and expand the involvement of local law enforcement in enforcing underage drinking laws. This funding is for twelve months, evenly spent throughout the grant year. The grant expenditure period will begin on July 1, 2024, and end on June 30, 2025.

If funding is awarded, the Sheriff-Coroner or designee will return to the Board of Supervisors for approval of a resolution and to accept the grant funding.

<p>The California Governor's Office of Emergency Services (Cal OES) is making available a mitigation funding opportunity for FEMA's Hazard Mitigation Grant Program (HMGP) through the Presidential Major Disaster Declaration, DR-4750 (Hurricane Hilary). This opportunity provides funding for communities to implement mitigation activities that reduce risk to life, property, and infrastructure from natural hazards. HMGP funding can support the development of hazard mitigation planning, project scoping activities, and mitigation projects.</p> <p>The proposed grant application will request funding to support revision of the existing County of Orange and Orange County Fire Authority Local Hazard Mitigation Plan (LHMP). Currently approved until December 2026, the LHMP documents the County's strategy for mitigating the natural hazards that could threaten Orange County. Having an approved LHMP also ensures the County is eligible for certain other grant programs. The LHMP was originally approved in 2005 and has been updated every five years, as required by 44 CFR Part 201.6(c)(4)(i). Since 2010, the County of Orange has partnered with the Orange County Fire Authority to ensure the LHMP fully considers the impacts of all natural hazards within the geographic</p>

If awarded, the funding would be used to procure consultant assistance in support the work of the Orange County Sheriff's Department Emergency Management Division and a team of stakeholders composed of County agency representatives and hazard mitigation subject matter experts. Such support could include performing hazard analysis, quantifying risk and vulnerability, engaging the Whole Community in the planning process, and compiling the required documentation. The final product will be a Multi-jurisdictional Local Hazard Mitigation Plan that meets the requirements set forth in 44 CFR Part 201, including but not limited to allowing input from the public and neighboring/overlapping jurisdictions, documents the assessment of hazard vulnerability and impacts, incorporates land use and development trends, and documents proposed mitigation projects to be considered for implementation to address the risks and vulnerabilities identified.

<p>Use of these grant funds will cover costs associated with equipment and supplies that will aid OCWR staff in sorting and processing organic materials. Equipment includes new machinery to support bagging of compost and mulch. Funds will also support outreach related to compost awareness and education. After sorting, processing, and education is complete, the finished compost and mulch material is offered to residents, cities, landscapers, and private businesses throughout Orange County free of charge. These activities support the County and partner cities in meeting SB 1383 organics compliance by diverting organic waste from burial to composting at the landfill. <b>Purpose of Grant Funds:</b>	Provide a summary and brief background of why Board of Supervisors why should accept this grant application/award, and how the grant will be implemented.																

Assembly Bill (AB) 1603, Chapter 25, Statutes of 2016 established the Housing and Disability Advocacy Program (HDAP), which is a county-administered program that provides housing and disability benefits application assistance to people with a disability who are experiencing homelessness. HDAP requires outreach, case management, disability benefits advocacy and housing assistance and prioritizes individuals experiencing chronic homelessness or individuals experiencing homelessness who rely most heavily on government-funded services. The HDAP pilot program application was approved by the Board of Supervisors (Board) on October 17, 2017, and the grant award got the Board's approval on February 6, 2018. HDAP is now a recurring grant that provides funding to the County of Orange (County) System of Care to better serve those experiencing homelessness in the County.

On February 20, 2019, a Memorandum of Understanding (MOU) between Social Service Agency (SSA) and OC Community Resources (OCCR) was signed to establish the collaborative effort in meeting objectives and to comply with state obligations for HDAP. The MOU describes the HDAP services and activities that would be

provided through subcontracted service providers. The MOU was amended on January 22, 2020, to reflect the Office of Care Coordination agency reorganization to the OC Health Care Agency (HCA). On July 1, 2021, a new MOU was signed between SSA and HCA to continue the collaborative efforts in meeting objectives and to comply with on-going State obligations for HDAP. On February 3, 2022, the MOU was amended to reflect the Office of Care Coordination agency reorganization to the County Executive Office (CEO). The MOU will be amended to include an updated term and an updated budget once the funds have been approved by the Board and awarded by the State.

The California Budget Act of 2023 appropriated \$25 million for HDAP statewide in FY 2023-24 to continue the housing and homelessness assistance through the program. On November 6, 2023, CDSS issued an All County Welfare Director Letter announcing the FY 2023-24 application opportunity for HDAP funds. This includes the County's non-competitive allocation in the amount of \$1,187,103, available for the expenditure period of July 1, 2023, to June 30, 2025. The letter summarizes recent statutory changes enacted through Senate Bill (SB) 101 (Chapter 12, Statutes of 2023), outlining HDAP requirements and guidance.

The Board approved SSA's application on December 5, 2023, and SSA subsequently submitted the application to CDSS by the deadline of December 15, 2023. On February 29, 2024, CDSS announced the award of \$1,187,103 to the County for HDAP.

Approval to accept the funds will allow for continuity and development of HDAP services and provide a needed resource to the System of Care as the County continues to address homelessness in our community.

The Memorandum of Understanding between SSA and the CEO for HDAP collaboration will be amended to include an updated term and an updated budget once the funds have been approved by the Board and awarded by the State.
