This Contract is comprised of this document and the following Attachments, which are attached hereto and incorporated herein by reference:

Attachment A – County of Alameda Master Contract No. 902241
Attachment B – County of Orange Information Technology Security Standards

RECITALS

WHEREAS, County of Alameda established a Cooperative Contract No. 902241 with Grant Street Group, Inc. for E-Payment Solution Services, effective August 12, 2024, through May 14, 2029; and,

WHEREAS, County desires to enter into a Contract with the Contractor to provide E-Payment Solution Services; and,

WHEREAS, Contractor agrees to provide E-Payment Solution Services in accordance with the terms, conditions, scope and pricing of this Contract, which incorporates by reference the County of Alameda Master Contract No. 902241; and,

NOW THEREFORE, the Parties mutually agree as follows:

ARTICLES

“County of Alameda” as used in Attachment A shall mean “County of Orange”, or “County”, its employees and authorized representatives for purposes of this Contract.

COUNTY GENERAL TERMS AND CONDITIONS

- A. **Governing Law and Venue:** This Contract has been negotiated and executed in the state of California and shall be governed by and construed under the laws of the state of California. In the event of any legal action to enforce or interpret this Contract, the sole and exclusive venue shall be a court of competent jurisdiction located in Orange County, California, and the parties hereto agree to and do hereby submit to the jurisdiction

of such court, notwithstanding Code of Civil Procedure Section 394. Furthermore, the parties specifically agree to waive any and all rights to request that an action be transferred for trial to another county.

- B. **Entire Contract:** Intentionally Omitted.
- C. **Amendments:** Intentionally Omitted.
- D. **Taxes:** Unless otherwise provided herein or by law, price quoted does not include California state sales or use tax. Out-of-state Contractors shall indicate California Board of Equalization permit number and sales permit number on invoices, if California sales tax is added and collectable. If no permit numbers are shown, sales tax will be deducted from payment. The Auditor-Controller will then pay use tax directly to the State of California in lieu of payment of sales tax to the Contractor.
- E. **Delivery:** Intentionally Omitted.
- F. **Acceptance/Payment:** Intentionally Omitted.
- G. **Warranty:** Intentionally Omitted.
- H. **Patent/Copyright Materials/Proprietary Infringement:** Intentionally Omitted.
- I. **Assignment:** Intentionally Omitted.
- J. **Non-Discrimination:** Intentionally Omitted.
- K. **Termination:** Intentionally Omitted.
- L. **Consent to Breach Not Waiver:** Intentionally Omitted.
- M. **Independent Contractor:** Intentionally Omitted.
- N. **Performance:** Contractor shall warrant all work under this Contract, taking necessary steps and precautions to perform the work to County's satisfaction. Contractor shall be responsible for the professional quality, technical assurance, timely completion and coordination of all documentation and other goods/services furnished by the Contractor under this Contract. Contractor shall perform all work diligently, carefully, and in a good and workmanlike manner; shall furnish all necessary labor, supervision, machinery, equipment, materials, and supplies, shall at its sole expense obtain and maintain all permits and licenses required by public authorities, including those of County required in its governmental capacity, in connection with performance of the work. If permitted to subcontract, Contractor shall be fully responsible for all work performed by subcontractors.
- O. **Insurance Provisions:** Intentionally Omitted.
- P. **Changes:** Contractor shall make no changes in the work or perform any additional work without the County's specific written approval.
- Q. **Change of Ownership/Name, Litigation Status, Conflict of Interest Status:** Contractor agrees that if there is a change or transfer in ownership of Contractor's business prior to completion of this Contract, and the County agrees to an assignment of the Contract, the new owners shall be required under the terms of sale or other instruments of transfer to assume Contractor's duties and obligations contained in this Contract and complete them to the satisfaction of the County.

County reserves the right to immediately terminate the Contract in the event the County determines that the assignee is not qualified or is otherwise unacceptable to the County for the provision of services under the Contract.

In addition, Contractor has the duty to notify the County in writing of any change in the Contractor's status with respect to name changes that do not require an assignment of the Contract. The Contractor is also obligated to notify the County in writing if the Contractor becomes a party to any litigation against the County, or a party to litigation that may reasonably affect the Contractor's performance under the Contract, as well as any potential conflicts of interest between Contractor and County that may arise prior to or during the period of Contract performance. While Contractor will be required to provide this information without

prompting from the County any time there is a change in Contractor's name, conflict of interest or litigation status, Contractor must also provide an update to the County of its status in these areas whenever requested by the County.

The Contractor shall exercise reasonable care and diligence to prevent any actions or conditions that could result in a conflict with County interests. In addition to the Contractor, this obligation shall apply to the Contractor's employees, agents, and subcontractors associated with the provision of goods and services provided under this Contract. The Contractor's efforts shall include, but not be limited to establishing rules and procedures preventing its employees, agents, and subcontractors from providing or offering gifts, entertainment, payments, loans or other considerations which could be deemed to influence or appear to influence County staff or elected officers in the performance of their duties.

- R. **Force Majeure:** Intentionally Omitted.
- S. **Confidentiality:** Intentionally Omitted.
- T. **Compliance with Laws:** Intentionally Omitted.
- U. **Freight (F.O.B. Destination):** Intentionally Omitted.
- V. **Severability:** Intentionally Omitted.
- W. **Attorney Fees:** Intentionally Omitted.
- X. **Interpretation:** This Contract has been negotiated at arm's length and between persons sophisticated and knowledgeable in the matters dealt with in this Contract. In addition, each party has been represented by experienced and knowledgeable independent legal counsel of their own choosing or has knowingly declined to seek such counsel despite being encouraged and given the opportunity to do so. Each party further acknowledges that they have not been influenced to any extent whatsoever in executing this Contract by any other party hereto or by any person representing them, or both. Accordingly, any rule or law (including California Civil Code Section 1654) or legal decision that would require interpretation of any ambiguities in this Contract against the party that has drafted it is not applicable and is waived. The provisions of this Contract shall be interpreted in a reasonable manner to affect the purpose of the parties and this Contract.
- Y. **Employee Eligibility Verification:** The Contractor warrants that it fully complies with all Federal and State statutes and regulations regarding the employment of aliens and others and that all its employees performing work under this Contract meet the citizenship or alien status requirement set forth in Federal statutes and regulations. The Contractor shall obtain from all employees, consultants and subcontractors performing work hereunder, all verification and other documentation of employment eligibility status required by Federal or State statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986, 8 U.S.C. §1324 et seq., as they currently exist and as they may be hereafter amended. The Contractor shall retain all such documentation for all covered employee, consultants and subcontractors for the period prescribed by the law. The Contractor shall indemnify, defend with counsel approved in writing by County, and hold harmless, the County, its agents, officers, and employees from employer sanctions and any other liability which may be assessed against the Contractor or the County or both in connection with any alleged violation of any Federal or State statutes or regulations pertaining to the eligibility for employment of any persons performing work under this Contract.
- Z. **Indemnification Provisions:** Contractor agrees to indemnify, defend with counsel approved in writing by County, and hold County, its elected and appointed officials, officers, employees, agents and those special districts and agencies which County's Board of Supervisors acts as the governing Board ("County Indemnitees") harmless from any claims, demands or liability of any kind or nature, including but not limited to personal injury or property damage, arising from or related to the services, products or other performance provided by Contractor pursuant to this Contract. If judgment is entered against Contractor and County by a court of competent jurisdiction because of the concurrent active negligence of County or County Indemnitees, Contractor and County agree that liability will be apportioned as determined by the court. Neither party shall request a jury apportionment.

- AA. **Audits/Inspections:** Intentionally Omitted.
- BB. **Contingency of Funds:** Contractor acknowledges that funding or portions of funding for this Contract may be contingent upon state budget approval; receipt of funds from, and/or obligation of funds by, the state of California to County; and inclusion of sufficient funding for the services hereunder in the budget approved by County's Board of Supervisors for each fiscal year covered by this Contract. If such approval, funding or appropriations are not forthcoming, or are otherwise limited, County may immediately terminate or modify this Contract without penalty.
- CC. **Expenditure Limit:** The Contractor shall notify the County of Orange assigned Deputy Purchasing Agent in writing when the expenditures against the Contract reach 75 percent of the dollar limit on the Contract. The County will not be responsible for any expenditure overruns and will not pay for work exceeding the dollar limit on the Contract unless a change order to cover those costs has been issued.

ADDITIONAL TERMS AND CONDITIONS

1. **Scope of Contract:** This Contract specifies the contractual terms and conditions by which the County will procure E-Payment Solution Services from Contractor as further detailed in Attachment A, County of Alameda Master Contract No. 902241.
2. **Term of Contract:** This Contract shall be effective upon Board approval and continue through May 14, 2029. This Contract may be renewed, by mutual written agreement of both Parties. The County does not have to give reason if it elects not to renew.
3. **Compensation:** Contractor agrees to provide E-Payment Solution Services at the fixed rates and prices, and agrees to accept the specified compensation as set forth in Attachment A, County of Alameda Master Contract No. 902241 as full remuneration for performing all Services and furnishing all staffing and materials required, for any reasonably unforeseen difficulties which may arise or be encountered in the execution of the Services until acceptance, for risks connected with the Services, and for performance by Contractor of all its duties and obligations hereunder, including a commercial price fee of 2.57%. The County shall have no obligation to pay any sum in excess of this amount unless authorized by written amendment signed by both Parties.
4. **Conflict of Interest – County Personnel:** The County of Orange Board of Supervisors policy prohibits its employees from engaging in activities involving a conflict of interest. The Contractor shall not, during the period of this Contract, employ any County employee for any purpose.
5. **Contractor's Project Manager and Key Personnel:** Contractor shall appoint a Project Manager to direct the Contractor's efforts in fulfilling Contractor's obligations under this Contract. This Project Manager shall be subject to approval by the County and shall not be changed without the written consent of the County's Project Manager, which consent shall not be unreasonably withheld.

Contractor's Project Manager shall be assigned to this project for the duration of the Contract and shall diligently pursue all work and services to meet the project time lines. The County's Project Manager shall have the right to require the removal and replacement of the Contractor's Project Manager from providing services to the County under this Contract. The County's Project manager shall notify the Contractor in writing of such action. The Contractor shall accomplish the removal within five (5) business days after written notice by the County's Project Manager. The County's Project Manager shall review and approve the appointment of the replacement for the Contractor's Project Manager. The County is not required to provide any additional information, reason or rationale in the event it The County is not required to provide any additional information, reason or rationale in the event it requires the removal of Contractor's Project Manager from providing further services under the Contract.

6. **Contractor's Records:** The Contractor shall keep true and accurate accounts, records, books and data which shall correctly reflect the business transacted by the Contractor in accordance with generally accepted accounting principles. These records shall be stored in Orange County for a period of three (3) years after final payment is received from the County. Storage of records in another county will require written approval from the County of Orange assigned Deputy Purchasing Agent.
7. **Data – Title To:** All materials, documents, data or information obtained from the County data files or any County medium furnished to the Contractor in the performance of this Contract will at all times remain the property of the County. Such data or information may not be used or copied for direct or indirect use by the Contractor after completion or termination of this Contract without the express written consent of the County. All materials, documents, data or information, including copies, must be returned to the County at the end of this Contract.
8. **Debarment:** Intentionally Omitted.
9. **Disputes – Contract:**
 - 9.1. The parties shall deal in good faith and attempt to resolve potential disputes informally. If the dispute concerning a question of fact arising under the terms of this Contract is not disposed of in a reasonable period of time by the Contractor's Project Manager and the County's Project Manager, such matter shall be brought to the attention of the County Deputy Purchasing Agent by way of the following process:
 - 9.1.1. The Contractor shall submit to the agency/department assigned Deputy Purchasing Agent a written demand for a final decision regarding the disposition of any dispute between the parties arising under, related to, or involving this Contract, unless the County, on its own initiative, has already rendered such a final decision.
 - 9.1.2. The Contractor's written demand shall be fully supported by factual information, and, if such demand involves a cost adjustment to the Contract, the Contractor shall include with the demand a written statement signed by a senior official indicating that the demand is made in good faith, that the supporting data are accurate and complete, and that the amount requested accurately reflects the Contract adjustment for which the Contractor believes the County is liable.
 - 9.2. Pending the final resolution of any dispute arising under, related to, or involving this Contract, the Contractor agrees to diligently proceed with the performance of this Contract, including the delivery of goods and/or provision of services. The Contractor's failure to diligently proceed shall be considered a material breach of this Contract.

Any final decision of the County shall be expressly identified as such, shall be in writing, and shall be signed by the County Deputy Purchasing Agent or his designee. If the County fails to render a decision within 90 days after receipt of the Contractor's demand, it shall be deemed a final decision adverse to the Contractor's contentions. Nothing in this section shall be construed as affecting the County's right to terminate the Contract for cause or termination for convenience as stated in section K herein.
10. **Errors and Omissions:** All reports, files and other documents prepared and submitted by Contractor shall be complete and shall be carefully checked by the professional(s) identified by Contractor as project manager and key personnel attached hereto, prior to submission to the County. Contractor agrees that County review is discretionary, and Contractor shall not assume that the County will discover errors and/or omissions. If the County discovers any errors or omissions prior to approving Contractor's reports, files and other written documents, the reports, files or documents will be returned to Contractor for correction. Should the County or others discover errors or omissions in the reports, files or other written documents

submitted by the Contractor after County approval thereof, County approval of Contractor's reports, files or documents shall not be used as a defense by Contractor in any action between the County and Contractor, and the reports, files or documents will be returned to Contractor for correction.

11. **Gratuities:** The Contractor warrants that no gratuities, in the form of entertainment, gifts or otherwise, were offered or given by the Contractor or any agent or representative of the Contractor to any officer or employee of the County with a view toward securing the Contract or securing favorable treatment with respect to any determinations concerning the performance of the Contract. For breach or violation of this warranty, the County shall have the right to terminate the Contract, either in whole or in part, and any loss or damage sustained by the County in procuring on the open market any goods or services which the Contractor agreed to supply shall be borne and paid for by the Contractor. The rights and remedies of the County provided in the clause shall not be exclusive and are in addition to any other rights and remedies provided by law or under the Contract.
12. **Information Technology Security Provisions:** All Contractors with access to County data and/or systems shall establish and maintain policies, procedures, and technical, physical, and administrative safeguards designed to (i) ensure the confidentiality, integrity, and availability of all County data and any other confidential information that the Contractor receives, stores, maintains, processes, transmits, or otherwise accesses in connection with the provision of the contracted services, (ii) protect against any threats or hazards to the security or integrity of County data, systems, or other confidential information, (iii) protect against unauthorized access, use, or disclosure of personal or County confidential information, (iv) maintain reasonable procedures to prevent, detect, respond, and provide notification to the County regarding any internal or external security breaches, (v) ensure the return or appropriate disposal of personal information or other confidential information upon contract conclusion (or per retention standards set forth in the contract), and (vi) ensure that any subcontractor(s)/agent(s) that receives, stores, maintains, processes, transmits, or otherwise accesses County data and/or system(s) is in compliance with statements and the provisions of statements and services herein.
 - 12.1. County of Orange Information Technology Security Standards: County of Orange security standards follows the latest National Institute of Standards and Technology (NIST) 800-53 framework to ensure the highest levels of operational resiliency and cybersecurity.

Contractor, Contractor personnel, Contractor's subcontractors, any person performing work on behalf of Contractor, and all other agents and representatives of Contractor will, at all times, comply with and abide by all County of Orange Information Technology Security Standards ("Security Standards"), as existing or modified, that pertain to Contractor in connection with the Services performed by Contractor as set forth in the scope of work of this Contract. Any violations of such Security Standards shall, in addition to all other available rights and remedies available to County, be cause for immediate termination of this Contract. Such Security Standards include, but are not limited to, Attachment B - County of Orange Information Technology Security Standards.

Contractor shall use industry best practices and methods with regard to confidentiality, integrity, availability, and the prevention, detection, response, and elimination of threat, by all appropriate means, of fraud, abuse, and other inappropriate or unauthorized access to County data and/or system(s) accessed in the performance of Services under this Contract.

The Contractor shall implement and maintain a written information security program that contains reasonable and appropriate security measures designed to safeguard the confidentiality, integrity, availability, and resiliency of County data and/or system(s). The Contractor shall review and update its information security program in accordance with contractual, legal, and regulatory

requirements. Contractor shall provide to County a copy of the organization's information security program and/or policies.

- 12.2. Information Access: Contractor shall use appropriate safeguards and security measures to ensure the confidentiality and security of all County data.

County may require all Contractor personnel, subcontractors, and affiliates approved by County to perform work under this Contract to execute a confidentiality and non-disclosure agreement concerning access protection and data security in the form provided by County. County shall authorize, and Contractor shall issue, any necessary information-access mechanisms, including access IDs and passwords, and in no event shall Contractor permit any such mechanisms to be shared or used by other than the individual Contractor personnel, subcontractor, or affiliate to whom issued.

Contractor shall provide each Contractor personnel, subcontractors, or affiliates with only such level of access as is required for such individual to perform his or her assigned tasks and functions.

Throughout the Contract term, upon request from County but at least once each calendar year, Contractor shall provide County with an accurate, up-to-date list of those Contractor personnel and/or subcontractor personnel having access to County systems and/or County data, and the respective security level or clearance assigned to each such Contractor personnel and/or subcontractor personnel. County reserves the right to require the removal and replacement of Contractor personnel and/or subcontractor personnel at the County's sole discretion. Removal and replacement shall be performed within 14 calendar days of notification by the County.

All County resources (including County systems), County data, County hardware, and County software used or accessed by Contractor: (a) shall be used and accessed by such Contractor and/or subcontractors personnel solely and exclusively in the performance of their assigned duties in connection with, and in furtherance of, the performance of Contractor's obligations hereunder; and (b) shall not be used or accessed except as expressly permitted hereunder, or commercially exploited in any manner whatsoever, by Contractor or Contractor's personnel and subcontractors, at any time.

Contractor acknowledges and agrees that any failure to comply with the provisions of this paragraph shall constitute a breach of this Contract and entitle County to deny or restrict the rights of such non-complying Contractor personnel and/or subcontractor personnel to access and use the County data and/or system(s), as County in its sole discretion shall deem appropriate.

- 12.3. Data Security Requirements: Without limiting Contractor's obligation of confidentiality as further described in this Contract, Contractor must establish, maintain, and enforce a data privacy program and an information and cyber security program, including safety, physical, and technical security and resiliency policies and procedures, that comply with the requirements set forth in this Contract and, to the extent such programs are consistent with and not less protective than the requirements set forth in this Contract and are at least equal to applicable best industry practices and standards (NIST 800-53).

Contractor also shall provide technical and organizational safeguards against accidental, unlawful, or unauthorized access or use, destruction, loss, alteration, disclosure, transfer, commingling, or processing of such information that ensure a level of security appropriate to the risks presented by the processing of County Data.

Contractor personnel and/or subcontractor personnel and affiliates approved by County to perform work under this Contract may use or disclose County personal and confidential information only

as permitted in this Contract. Any other use or disclosure requires express approval in writing by the County of Orange. No Contractor personnel and/or subcontractor personnel or affiliate shall duplicate, disseminate, market, sell, or disclose County personal and confidential information except as allowed in this Contract. Contractor personnel and/or subcontractor personnel or affiliate who access, disclose, market, sell, or use County personal and confidential information in a manner or for a purpose not authorized by this Contract may be subject to civil and criminal sanctions contained in applicable federal and state statutes.

Contractor shall take all reasonable measures to secure and defend all locations, equipment, systems, and other materials and facilities employed in connection with the Services against hackers and others who may seek, without authorization, to disrupt, damage, modify, access, or otherwise use Contractor systems or the information found therein; and prevent County data from being commingled with or contaminated by the data of other customers or their users of the Services and unauthorized access to any of County data.

Contractor shall also continuously monitor its systems for potential areas where security could be breached. In no case shall the safeguards of Contractor's data privacy and information and cyber security program be less stringent than the safeguards used by County. Without limiting any other audit rights of County, County shall have the right to review Contractor's data privacy and information and cyber security program prior to commencement of Services and from time to time during the term of this Contract.

All data belongs to the County and shall be destroyed or returned at the end of the contract via digital wiping, degaussing, or physical shredding as directed by County.

- 12.4. Enhanced Security Measures: County may, in its discretion, designate certain areas, facilities, or solution systems as ones that require a higher level of security and access control. County shall notify Contractor in writing reasonably in advance of any such designation becoming effective. Any such notice shall set forth, in reasonable detail, the enhanced security or access-control procedures, measures, or requirements that Contractor shall be required to implement and enforce, as well as the date on which such procedures and measures shall take effect. Contractor shall and shall cause Contractor personnel and subcontractors to fully comply with and abide by all such enhanced security and access measures and procedures as of such date.
- 12.5. General Security Standards: Contractor will be solely responsible for the information technology infrastructure, including all computers, software, databases, electronic systems (including database management systems, email systems, auditing and monitoring systems) and networks used by or for Contractor ("Contractor Systems") to access County resources (including County systems), County data or otherwise in connection with the Services and shall prevent unauthorized access to County resources (including County systems) or County data through the Contractor Systems.
- 12.5.1. Contractor System(s) and Security: At all times during the contract term, Contractor shall maintain a level of security with regard to the Contractor Systems, that in all events is at least as secure as the levels of security that are common and prevalent in the industry and in accordance with industry best practices (NIST 800-53). Contractor shall maintain all appropriate administrative, physical, technical, and procedural safeguards to secure County data from data breach, protect County data and the Services from loss, corruption, unauthorized disclosure, and from hacks, and the introduction of viruses, disabling devices, malware, and other forms of malicious and inadvertent acts that can disrupt County's access and use of County data and the Services.
- 12.5.2. Contractor Email Usage: Contractor, including Contractor's employees and subcontractors, that are provided a County email address must only use the County email

system for correspondence of County business. Contractor, including Contractor's employees and subcontractors, must not access or use personal, non-County Internet (external) email systems from County networks and/or County computing devices. If at any time Contractor's performance under this Contract requires such access or use, Contractor must submit a written request to County with justification for access or use of personal, non-County Internet (external) email systems from County networks and/or computing devices and obtain County's express prior written approval. Contractors who are not provided with a County email address, but need to transmit County data will be required to maintain and transmit County data in accordance with this Contract.

- 12.6. Security Failures: Any failure by the Contractor to meet the requirements of this Contract with respect to the security of County data, including any related backup, disaster recovery, or other policies, practices or procedures, and any breach or violation by Contractor or its subcontractors or affiliates, or their employees or agents, of any of the foregoing, shall be deemed a material breach of this Contract and may result in termination and reimbursement to County of any fees prepaid by County prorated to the date of such termination. The remedy provided in this paragraph shall not be exclusive and is in addition to any other rights and remedies provided by law or under the Contract.
- 12.7. Security Breach Notification: In the event Contractor becomes aware of any act, error or omission, negligence, misconduct, or security incident including unsecure or improper data disposal, theft, loss, unauthorized use and disclosure or access, that compromises or is suspected to compromise the security, availability, confidentiality, and/or integrity of County data or the physical, technical, administrative, or organizational safeguards required under this Contract that relate to the security, availability, confidentiality, and/or integrity of County data, Contractor shall, at its own expense, (1) immediately (or within 24 hours of potential or suspected breach), notify the County's Chief Information Security Officer and County Privacy Officer of such occurrence; (2) perform a root cause analysis of the actual, potential, or suspected breach; (3) provide a remediation plan that is acceptable to County within 30 days of verified breach, to address the occurrence of the breach and prevent any further incidents; (4) conduct a forensic investigation to determine what systems, data, and information have been affected by such event; and (5) cooperate with County and any law enforcement or regulatory officials investigating such occurrence, including but not limited to making available all relevant records, forensics, investigative evidence, logs, files, data reporting, and other materials required to comply with applicable law or as otherwise required by County and/or any law enforcement or regulatory officials, and (6) perform or take any other actions required to comply with applicable law as a result of the occurrence (at the direction of County).

County shall make the final decision on notifying County officials, entities, employees, service providers, and/or the general public of such occurrence, and the implementation of the remediation plan. If notification to particular persons is required under any law or pursuant to any of County's privacy or security policies, then notifications to all persons and entities who are affected by the same event shall be considered legally required. Contractor shall reimburse County for all notification and related costs incurred by County arising out of or in connection with any such occurrence due to Contractor's acts, errors or omissions, negligence, and/or misconduct resulting in a requirement for legally required notifications.

In the case of a breach, Contractor shall provide third-party credit and identity monitoring services to each of the affected individuals for the period required to comply with applicable law, or, in the absence of any legally required monitoring services, for no less than twelve (12) months following the date of notification to such individuals.

Contractor shall indemnify, defend with counsel approved in writing by County, and hold County and County Indemnitees harmless from and against any and all claims, including reasonable

attorney's fees, costs, and expenses incidental thereto, which may be suffered by, accrued against, charged to, or recoverable from County in connection with the occurrence.

Notification shall be sent to:

- 12.8. Security Audits: Contractor shall maintain complete and accurate records relating to its Systems and Organization Controls (SOC) Type II audits or equivalent's data protection practices, internal and external audits, and the security of any of County-hosted content, including any confidentiality, integrity, and availability operations (data hosting, backup, disaster recovery, external dependencies management, vulnerability testing, penetration testing, patching, or other related policies, practices, standards, or procedures).

Contractor shall inform County of any internal/external security audit or assessment performed on Contractor's operations, information and cyber security program, disaster recovery plan, and prevention, detection, or response protocols that are related to hosted County content, within sixty (60) calendar days of such audit or assessment. Contractor will provide a copy of the audit report to County within thirty (30) days after Contractor's receipt of request for such report(s).

Contractor shall reasonably cooperate with all County security reviews and testing, including but not limited to penetration testing of any cloud-based solution provided by Contractor to County under this Contract. Contractor shall implement any required safeguards as identified by County or by any audit of Contractor's data privacy and information/cyber security program.

In addition, County has the right to review Plans of Actions and Milestones (POA&M) for any outstanding items identified by the SOC 2 Type II report requiring remediation as it pertains to the confidentiality, integrity, and availability of County data. County reserves the right, at its sole discretion, to immediately terminate this Contract or a part thereof without limitation and without liability to County if County reasonably determines Contractor fails or has failed to meet its obligations under this section.

- 12.9. Business Continuity and Disaster Recovery (BCDR): For the purposes of this section, "Recovery Point Objectives" means the maximum age of files (data and system configurations) that must be recovered from backup storage for normal operations to resume if a computer, system, or network goes down as a result of a hardware, program, or communications failure (establishing the data backup schedule and strategy). "Recovery Time Objectives" means the maximum duration of time and a service level within which a business process must be restored after a disaster (or disruption) in order to avoid unacceptable consequences associated with a loss of functionality.

The Contractor shall maintain a comprehensive risk management program focused on managing risks to County operations and data, including mitigation of the likelihood and impact of an adverse event occurring that would negatively affect contracted services and operations of the County. Business continuity management will enable the Contractor to identify and minimize disruptive risks and restore and recover hosted County business-critical services and/or data within the agreed terms following an adverse event or other major business disruptions. Recovery and timeframes may be impacted when events or disruptions are related to dependencies on third parties. The County and Contractor will agree on Recovery Point Objectives and Recovery Time Objectives (as needed)) and will periodically review these objectives. Any disruption to services of system will

be communicated to the County within 4 hours, and every effort shall be undertaken to restore contracted services, data, operations, security, and functionality.

All data and/or systems and technology provided by the Contractor internally and through third-party vendors shall have resiliency and redundancy capabilities to achieve high availability and data recoverability. Contractor Systems shall be designed, where practical and possible, to ensure continuity of service(s) in the event of a disruption or outage

13. **Invoice Instructions:** Within five (5) calendar days after the last day of each calendar month, Contractor shall use its best efforts to invoice County for all charges for services provided in the immediately preceding calendar month. Contractor shall not invoice County, and County shall not be obligated to pay, any charges or other invoiced amounts (including pass through expenses and any charges relating to Contractor's subcontractors) that are not properly invoiced within sixty (60) calendar days after the end of the month in which such charges were incurred, unless a request for an extension is approved in writing by the County within the sixty (60) calendar days window.

Each invoice must be on Contractor's letterhead and have a unique number and shall include the following information:

- A. Contractor's name and address
- B. Contractor's remittance address, if different from above
- C. Contractor's Taxpayer ID Number
- D. Name of County Agency/Department
- E. Delivery/service address
- F. Contract number
- G. Agency/Department's Account Number
- H. Date of invoice
- I. Service description, quantity, and prices
- J. Sales tax, if applicable
- K. Freight/delivery charges, if applicable
- L. Total

Invoices and support documentation are to be forwarded to requesting agency.

14. **News/Information Release:** The Contractor agrees that it will not issue any news releases in connection with either the award of this Contract or any subsequent amendment of or effort under this Contract without first obtaining review and written approval of said news releases from the County through the County's Project Manager.
15. **Notices:** Any and all notices, requests demands, and other communications contemplated, called for, permitted, or required to be given hereunder shall be in writing with a copy provided to the assigned Deputy Purchasing Agent (DPA), except through the course of the parties' project managers' routine exchange of information and cooperation during the terms of the work and services. Any written communications shall be deemed to have been duly given upon actual in-person delivery, if delivery is by direct hand, or upon delivery on the actual day of receipt or no greater than four (4) calendar days after being mailed by US certified or registered mail, return receipt requested, postage prepaid, whichever occurs first. The date of mailing shall count as the first day. All communications shall be addressed to the appropriate party at the address stated herein or such other address as the parties hereto may designate by written notice from time to time in the manner aforesaid.

16. **Ownership of Documents:** The County has permanent ownership of all directly connected and derivative materials produced under this Contract by the Contractor. All documents, reports and other incidental or derivative work or materials furnished hereunder shall become and remain the sole property of the County and may be used by the County as it may require without additional cost to the County. None of the documents, reports and other incidental or derivative work or furnished materials shall be used by the Contractor without the express written consent of the County.
17. **Payment Terms:** Invoices are to be submitted in arrears after services have been completed. Invoices for Fixed Price Deliverables shall be submitted monthly in advance. Payment will be net thirty (30) days after receipt of an invoice in a format acceptable to the County of Orange. Invoices shall be verified and approved by the County and subject to routine processing requirements. The responsibility for providing an acceptable invoice to the County for payment rests with the Contractor. Incomplete or incorrect invoices are not acceptable and will be returned to the Contractor for correction.
- Payments made by the County shall not preclude the right of the County from thereafter disputing any goods or Services involved or billed under this Contract and shall not be construed as acceptance of any part of the goods or services.
- In no event shall County pay Contractor interest or other late charges on any charges or other amounts due under this Contract. County will have the right to set off against amounts owed by County under the Contract any amount the Contractor is obligated to pay or credit County under this Contract.
18. **Precedence:** The Contract documents consist of this Contract and its attachments and exhibits. In the event of a conflict between or among the Contract documents, the order of precedence shall be the provisions of the main body of this Contract, i.e., those provisions set forth in the recitals and articles of this Contract, and then the attachments and exhibits.
19. **Remedies Not Exclusive:** The remedies for breach set forth in this Contract are cumulative as to one another and as to any other provided by law, rather than exclusive; and the expression of certain remedies in this Contract does not preclude resort by either Party to any other remedies provided by law.
20. **Third Party Software:** Contractor has obtained all necessary licenses for County to use any third-party software (including without limitation, all Open-Source licenses) provided with Contractor's Services. Contractor complies with and shall continue to comply with all third-party licenses (including, without limitation, all Open-Source licenses) associated with any third-party software provided with Contractor's Software and Services. To the extent any third-party software are provided with Contractor's Services, County's use of the System as provided by Contractor and in accordance with this Contract or any additional agreements issued hereunder will not be in conflict with any third-party license requirements and will satisfy all conditions on use, modification or distribution of any such third-party software without the need for any additional, unanticipated action or license fees on County's part. County does not and will not need to procure any rights or licenses to any patents or other third-party intellectual property rights to use as intended in this Contract.

21. **Usage:** No guarantee is given by the County to the Contractor regarding usage of this Contract. Usage figures, if provided, are approximations. Contractor agrees to supply services and/or commodities requested, as needed by the County of Orange, at rates/prices listed in the Contract, regardless of quantity requested.
22. **Usage Reports:** The Contractor shall submit usage reports on an annual basis to the assigned Deputy Purchasing Agent of the County of Orange user agency/department. The usage report shall be in a format specified by the user agency/department and shall be submitted 90 days prior to the expiration date of the contract term, or any subsequent renewal term, if applicable.
