3. Article 7 shall be added to Contract as follows:

7. Payment in Advance/Partial Payment for June Invoices: Contractor may submit a full or partial invoice to County up to thirty (30) calendar days in advance of Contractor providing the services and/or goods described in the RCA for the month of June during the term of the Contract. County's payment of a submitted invoice will be net thirty (30) calendar days after the invoice is received in a format acceptable to County and is verified and approved by County, subject to County's routine processing requirements.

The responsibility for providing an acceptable invoice rests with Contractor. All submitted invoices must reference the Contract number and include all information required by the invoicing instructions provision. An invoice may only cover services and/or goods not covered on a previously submitted invoice.

Contractor must refund to County any money County paid in advance to Contractor when the services and/or goods do not meet the Contract requirements or the services and/or goods are not provided, including when the services and/or goods are not provided due to termination of the Contract pursuant to Article K of the RCA. Further, payments made by County do not preclude the right of County from thereafter disputing any services and/or goods involved or paid under this Contract and must not be construed as acceptance of any part of the services and/or goods.

4. All terms and conditions, amendments/modifications of the RCA are hereby incorporated herein by this reference into renewed Contract MA-063-21011347. This Amendment modifies the Contract only as expressly set forth above. This Amendment does not modify, alter or amend the Contract in any other way whatsoever.

*If the contracting Party is a corporation, (2) two signatures are required: one (1) signature by the Chairman of the Board, the President or any Vice President; and one (1) signature by the Secretary, any Assistant Secretary, the Chief Financial Officer or any Assistant Treasurer. The signature of one (1) person alone is sufficient to bind a corporation, as long as he or she holds corporate offices in each of the two (2) categories described above. For County purposes, proof of such dual office holding will be satisfied by having the individual sign the document twice, each time indicating his or her office that qualifies under the above described provision. In the alternative, a single corporate signature is acceptable when accompanied by a corporate resolution demonstrating the legal authority of the signator to bind the corporation.
