- i. If Administrator determines that Subrecipient's failure to provide the required levels of Service poses an immediate risk to the health or safety of the older adult clients who should benefit from Services provided by Subrecipient, and that the most effective method of protecting the interests of the older adults is to obtain the Services described herein from another source, County may terminate this Contract immediately in accordance with Paragraph K hereof and pursue all available legal remedies for breach of this Contract, including, but not limited to, the return by Subrecipient of all funds paid by County to Subrecipient that were not expended in accordance with this Contract.

- iv. Administrator may demand, and Subrecipient shall submit upon demand, a corrective action plan that shall include an analysis of the causes of the problem, specific actions to be taken to correct the problem, and a timetable for each such action. The corrective action plan is to be submitted to Administrator within ten (10) days of the request from County and implemented in the required time frame.
