Contractor shall immediately notify by mail each of the respective Parties, specifying the date of assignment, the County of Orange as assignee, and the address to which payments are to be sent. Payments received by Contractor from or on behalf of said persons, shall be immediately given to County.

4. CONFIDENTIALITY

- A. Contractor shall maintain the confidentiality of all records, including billings and any audio and/or video recordings, in accordance with all applicable federal, state and county codes and regulations, as they now exist or may hereafter be amended or changed.

consultants, subcontractors, volunteers and interns.

5. CONFLICT OF INTEREST

Contractor shall exercise reasonable care and diligence to prevent any actions or conditions that could result in a conflict with County interests. In addition to Contractor, this obligation shall apply to Contractor's employees, agents, and subcontractors associated with the provision of goods and services provided under this Contract. Contractor's efforts shall include, but not be limited to establishing rules and procedures preventing its employees, agents, and subcontractors from providing or offering gifts, entertainment, payments, loans or other considerations which could be deemed to influence or appear to influence County staff or elected officers in the performance of their duties.

6. COST REPORT

A. Contractor shall submit a Cost Report to County no later than forty-five (45) calendar days following termination of this Contract. Contractor shall prepare the Cost Report in accordance with all applicable federal, state and County requirements, GAAP and the Special Provisions Paragraph of this Contract. Contractor shall allocate direct and indirect costs to and between programs, cost centers, services, and funding sources in accordance with such requirements and consistent with prudent business practice, which costs and allocations shall be supported by source documentation maintained by Contractor, and available at any time to Administrator upon reasonable notice.

1. If Contractor fails to submit an accurate and complete Cost Report within the time period specified above, Administrator shall have sole discretion to impose one or both of the following:

a) Contractor may be assessed a late penalty of five-hundred dollars (\$500) for each business day after the above specified due date that the accurate and complete Cost Report is not submitted. Imposition of the late penalty shall be at the sole discretion of the Administrator. The late penalty shall be assessed separately on each outstanding Cost Report due County by Contractor.

b) Administrator may withhold or delay any or all payments due Contractor pursuant to any or all Contracts between County and Contractor until such time that the accurate and complete Cost Report is delivered to Administrator.

2. Contractor may request, in advance and in writing, an extension of the due date

of the Cost Report setting forth good cause for justification of the request. Approval of such requests shall be at the sole discretion of Administrator and shall not be unreasonably denied.

- B. The Cost Report shall be the final financial and statistical report submitted by Contractor to County and shall serve as the basis for final settlement to Contractor. Contractor shall document that costs are reasonable and allowable and directly or indirectly related to the services to be provided hereunder. The Cost Report shall be the final financial record for subsequent audits, if any.
- C. Final settlement shall be based upon the actual and reimbursable costs for services hereunder, less applicable revenues and any late penalty, not to exceed County's Maximum Obligation as set forth in the Referenced Contract Provisions of this Contract. 9. DISPUTE RESOLUTION

- A. The Parties shall deal in good faith and attempt to resolve potential disputes informally. If the dispute concerning a question of fact arising under the terms of this Contract is not disposed of in a reasonable period of time by the Contractor and the Administrator, such matter shall be brought to the attention of the County Purchasing Agency by way of the following process:
1. Contractor shall submit to the County Purchasing Agency a written demand for a final decision regarding the disposition of any dispute between the Parties arising under, related to, or involving this Contract, unless County, on its own initiative, has already rendered such a final decision.

V. SERVICES

A. Overview –

1. Contractor shall provide planning, implementation and reporting services for the 2024, 2025, and/or 2026 Point in Time Count (PIT) to County and its advisory group, the Orange County Continuum of Care Board (CoC Board) which acts on behalf of the Orange County Continuum of Care (CoC). The PIT is a requirement of the U.S. Department of Housing and Urban Development (HUD) and includes a count of unsheltered homeless persons at least biennially during the last 10 days in January. HUD provides the guidelines on how to conduct the PIT as well as detail the data points to be collected, including but not limited to households’ demographic information such as single adults, families and specific subpopulations, including veterans, victims of domestic violence and youth, as well as the incidence of certain characteristics or conditions among the homeless population such as chronic homelessness and disabling conditions.
2. PIT counts are a critical source of data on the number and characteristics of people experiencing homelessness in a community. The PIT data is used to measure homelessness

on a local and national level and are published annually on the HUD Exchange website, which can be viewed by CoCs and the general public. PIT count data are also provided annually to Congress as part of the Annual Homeless Assessment Report.

3. PIT count data and CoC efforts to produce an accurate count also play a critical role in the annual CoC Program Competition. HUD requires CoCs to submit PIT count data and information on the methodology used to generate their sheltered and unsheltered counts. HUD uses this information to ensure that the data is valid and reliable and then to evaluate the progress CoCs are making on reducing homelessness generally and among specific subpopulations. Collecting valid and reliable data and making progress on reducing homelessness are scoring factors in HUD's CoC Program Competition and can influence CoC Program funding awards by increasing the likelihood of receiving additional funding to address homelessness.
4. The PIT process conducted as part of this Contract activities will replicate the 2022 PIT count process with upgraded methodology and implement a comprehensive PIT with enhanced data collection regarding demographics, needs and locations where homeless persons are found. It will include the collaboration of various stakeholders and utilize the expertise of County staff and contractors. The 2024, 2025 and/or 2026 PIT count will incorporate the use of technology such as ArcGIS survey mapping to help identify local "hot spots" (geographical areas where a large number of individuals and families experiencing homelessness are located) and smartphone applications to capture demographics and information about the characteristics of individuals and families experiencing unsheltered homelessness in Orange County.
