Furthermore, the Parties specifically agree to waive any and all rights to request that an action be transferred for adjudication to another county.
- B. **Entire Contract:** This Contract, including the recitals which are incorporated herein by reference, contains the entire Contract between the Parties with respect to the matters herein, and there are no restrictions, promises, warranties or undertakings other than those set forth herein or referred to herein. No exceptions, alternatives, substitutes or revisions are valid or binding on County unless authorized by County in writing. Electronic acceptance of any additional terms, conditions or supplemental Contracts by any County employee or agent, including but not limited to installers of software, shall not be valid or binding on County unless accepted in writing by County's Contract Administrator.
- C. **Amendments:** No alteration or variation of the terms of this Contract shall be valid unless made in writing and signed by the Parties; no oral understanding or agreement not incorporated herein shall be binding on either of the Parties; and no exceptions, alternatives, substitutes or revisions are valid or binding on County unless authorized by County in writing.

County reserves the right to refuse any goods or services and to cancel all or any part of the goods not conforming to applicable specifications, drawings, samples or descriptions or services that do not conform to the prescribed statement of work. Acceptance of any part of the order for goods shall not bind County to accept future shipments nor deprive it of the right to return goods already accepted at Contractor's expense. Over shipments and under shipments of goods shall be only as agreed to in writing by County. Delivery shall not be deemed to be complete until all goods or services have actually been received and accepted in writing by County.
- F. **Acceptance Payment:** Unless otherwise agreed to in writing by County, 1) acceptance shall not be deemed complete unless in writing and until all the goods/services have actually been received, inspected, and tested to the satisfaction of County, and 2) payment shall be made in arrears after satisfactory acceptance.
- G. **Warranty:** Contractor expressly warrants that the services covered by this Contract are fit for the particular purpose for which they are intended. Acceptance of this order shall constitute an agreement upon Contractor's part to indemnify, defend and hold County and County Indemnitees as identified in Paragraph Z below, harmless from liability, loss, damage and expense, including reasonable counsel fees, incurred or sustained by County by reason of the failure of the services to conform to such warranties, faulty work performance, negligent or unlawful acts, and non-compliance with any applicable state or federal codes, ordinances, orders, or statutes, including

the Occupational Safety and Health Act (OSHA) and the California Industrial Safety Act. Such remedies shall be in addition to any other remedies provided by law.

- H. **Patent/Copyright Materials/Proprietary Infringement:** Unless otherwise expressly provided in this Contract, Contractor shall be solely responsible for clearing the right to use any patented or copyrighted materials in the performance of this Contract. Contractor warrants that any software as modified through services provided hereunder will not infringe upon or violate any patent, proprietary right, or trade secret right of any third party. Contractor agrees that, in accordance with the more specific requirement contained in paragraph "Z" below, it shall indemnify, defend and hold County and County Indemnitees harmless from any and all such claims and be responsible for payment of all costs, damages, penalties and expenses related to or arising from such claim(s), including, costs and expenses but not including attorney's fees.

Furthermore, neither the performance of this Contract nor any portion thereof may be assigned by Contractor without the express written consent of County. Any attempt by Contractor to assign the performance or any portion thereof of this Contract without the express written consent of County shall be invalid and shall constitute a breach of this Contract.
- J. **Non-Discrimination:** In the performance of this Contract, Contractor agrees that it will comply with the requirements of Section 1735 of the California Labor Code and not engage nor permit any subcontractors to engage in discrimination in employment of persons because of the race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, or sex of such persons. Contractor acknowledges that a violation of this provision shall subject Contractor to penalties pursuant to Section 1741 of the California Labor Code.

 - v. Delinquency in payment of taxes or the costs of performance of this Contract in the ordinary course of business;

- vi. Appointment of a trustee, receiver or liquidator for all or a substantial part of Contractor's property, or institution of bankruptcy, reorganization, arrangement of liquidation proceedings by or against Contractor;

- xii. Any misrepresentation, or fraud on the part of the Contractor.

County may terminate this Contract and be relieved of the payment of any compensation to Contractor.

In the event of such termination, County may proceed with the work for which this Contract provides in any manner deemed proper by County. The cost to County of completing the work for which this Contract provides shall be deducted from any sums due Contractor under this Contract but Contractor shall not be relieved of liability. Notwithstanding the above, Contractor shall not be relieved of liability to County for damages sustained by County by virtue of any breach of this Contract by Contractor, and County may withhold any payments to Contractor until such time as the exact amount of damages due County from Contractor is determined.

2. Termination for convenience. County may terminate this Contract, without cause, upon thirty (30) days written notice to Contractor, except County may terminate this Contract for failure of any of the funding contingencies set forth in Paragraph BB, Contingency of Funds, upon ten (10) days written notice to Contractor.
3. Return of funds. Contractor agrees that upon expiration or notice of termination of this Contract or dissolution of Contractor's entity, Contractor shall, immediately upon written demand, return to County all funds paid to Contractor by County, which are not payable for goods or services delivered prior to the termination or expiration of this Contract or the dissolution of Contractor's entity.
4. Cancellation of commitments/termination claim. After receipt of notice of termination, Contractor shall cancel outstanding commitments required by this Contract.
 - i. With respect to the above-cancelled commitments, Contractor agrees to provide, within ten (10) days of a notice of termination, a plan for settlement of all outstanding liabilities and all claims arising out of such cancellation of commitments. Such plan shall be subject to the approval of Administrator.
 - ii. Contractor shall submit a termination claim to Administrator promptly after receipt of a notice of termination, but in no event later than sixty (60) days from the effective date thereof unless an extension, in writing, is granted by Administrator.

L. Consent to Breach Not Waiver: No term or provision of this Contract shall be deemed waived and no breach excused, unless such waiver or consent shall be in writing and signed by the party claimed to have waived or consented. Any consent by any party to, or waiver of, a breach by the

other, whether express or implied, shall not constitute consent to, waiver of, or excuse for any other different or subsequent breach.

- M. Independent Contractor:** Contractor shall be considered an independent contractor and neither Contractor, its employees, nor anyone working under Contractor shall be considered an agent or an employee of County. Neither Contractor, its employees nor anyone working under Contractor shall qualify for workers' compensation or other fringe benefits of any kind through County. Contractor will be responsible for any and all tax consequences of receiving grant funds including, but not limited to, issuance of a Form 1099 by the County.
- N. Performance Warranty:** Contractor shall warrant all work under this Contract, taking necessary steps and precautions to perform the work to County's satisfaction. Contractor shall be responsible for the professional quality, technical assurance, timely completion and coordination of all documentation and other goods/services furnished by the Contractor under this Contract. Contractor shall perform all work diligently, carefully, and in a good and workmanlike manner; shall furnish all necessary labor, supervision, machinery, equipment, materials, and supplies, shall at its sole expense obtain and maintain all permits and licenses required by public authorities, including those of County required in its governmental capacity, in connection with performance of the work. If permitted to subcontract, Contractor shall be fully responsible for all work performed by subcontractors.

O. Insurance Requirements:

Prior to the provision of services under this Contract, the Contractor agrees to purchase all required insurance at Contractor's expense, including all endorsements required herein, necessary to satisfy the County that the insurance provisions of this Contract have been complied with. Contractor agrees to keep such insurance coverage, Certificates of Insurance, and endorsements on deposit with the County during the entire term of this Contract. In addition, all subcontractors performing work on behalf of Contractor pursuant to this Contract shall obtain insurance subject to the same terms and conditions as set forth herein for Contractor.

Contractor shall ensure that all subcontractors performing work on behalf of Contractor pursuant to this Contract shall be covered under Contractor's insurance as an Additional Insured or maintain insurance subject to the same terms and conditions as set forth herein for Contractor. Contractor shall not allow subcontractors to work if subcontractors have less than the level of coverage required by County from Contractor under this Contract. It is the obligation of Contractor to provide notice of the insurance requirements to every subcontractor and to receive proof of insurance prior to allowing any subcontractor to begin work. Such proof of insurance must be maintained by Contractor through the entirety of this Contract for inspection by County representative(s) at any reasonable time.

All self-insured retentions (SIRs) shall be clearly stated on the Certificate of Insurance. Any self-insured retention (SIR) in an amount in excess of Fifty Thousand Dollars (\$50,000) shall specifically be approved by the County's Risk Manager, or designee, upon review of Contractor's current audited financial report. If Contractor's SIR is approved, Contractor, in addition to, and without limitation of, any other indemnity provision(s) in this Contract, agrees to all of the following:

- 1) In addition to the duty to indemnify and hold the County harmless against any and all liability, claim, demand or suit resulting from Contractor's, its agents, employee's or

subcontractor's performance of this Contract, Contractor shall defend the County at its sole cost and expense with counsel approved by Board of supervisors against same; and

- 2) Contractor's duty to defend, as stated above, shall be absolute and irrespective of any duty to indemnify or hold harmless; and
- 3) The provisions of California Civil Code Section 2860 shall apply to any and all actions to which the duty to defend stated above applies, and the Contractor's SIR provision shall be interpreted as though the Contractor was an insurer and the County was the insured.

If the Contractor fails to maintain insurance acceptable to the County for the full term of this Contract, the County may terminate this Contract.

If Contractor does not deposit copies of acceptable Certificates of Insurance and endorsements with County incorporating such changes within thirty (30) days of receipt of such notice, this Contract may be in breach without further notice to Contractor, and County shall be entitled to all legal remedies.

The procuring of such required policy or policies of insurance shall not be construed to limit Contractor's liability hereunder nor to fulfill the indemnification provisions and requirements of this Contract, nor act in any way to reduce the policy coverage and limits available from the insurer.

- P. **Changes:** Contractor shall make no changes in the work or perform any additional work without the County's specific written approval.
- Q. **Change of Ownership/Name, Litigation Status, Conflicts with County Interest:** Contractor agrees that if there is a change or transfer in ownership of Contractor's business prior to completion of this Contract, and the County agrees to an assignment of the Contract, the new owners shall be required under terms of sale or other instruments of transfer to assume Contractor's duties and obligations contained in this Contract and complete them to the satisfaction of the County.

County reserves the right to immediately terminate the Contract in the event the County determines that the assignee is not qualified or is otherwise unacceptable to the County for the provision of services under the Contract.

In addition, Contractor has the duty to notify the County in writing of any change in the Contractor's status with respect to name changes that do not require an assignment of the Contract. The Contractor is also obligated to notify the County in writing if the Contractor becomes a party to any litigation against the County, or a party to litigation that may reasonably affect the Contractor's performance under the Contract, as well as any potential conflicts of

interest between Contractor and County that may arise prior to or during the period of Contract performance. While Contractor will be required to provide this information without prompting from the County any time there is a change in Contractor's name, conflict of interest or litigation status, Contractor must also provide an update to the County of its status in these areas whenever requested by the County.

The Contractor shall exercise reasonable care and diligence to prevent any actions or conditions that could result in a conflict with County interests. In addition to the Contractor, this obligation shall apply to the Contractor's employees, agents, and subcontractors associated with the provision of goods and services provided under this Contract. Contractor acknowledges that County is relying on Contractor to ensure such compliance, and pursuant to the requirements of paragraph "Z" below, Contractor agrees that it shall defend, indemnify and hold County and County Indemnitees harmless from all liability, damages, costs and expenses arising from or related to a violation of such laws.
- U. **Intentionally left blank**
- V. **Severability:** If any term, covenant, condition or provision of this Contract is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remainder of the provisions hereof shall remain in full force and effect and shall in no way be affected, impaired or invalidated thereby.
- W. **Attorney Fees:** In any action or proceeding to enforce or interpret any provision of this Contract, each party shall bear their own attorney's fees, costs and expenses.

- X. **Interpretation:** This Contract has been negotiated at arm's length and between persons sophisticated and knowledgeable in the matters dealt with in this Contract. In addition, each party had been represented by experienced and knowledgeable independent legal counsel of their own choosing or has knowingly declined to seek such counsel despite being encouraged and given the opportunity to do so. Each party further acknowledges that they have not been influenced to any extent whatsoever in executing this Contract by any other party hereto or by any person representing them, or both. Accordingly, any rule or law (including California Civil Code Section 1654) or legal decision that would require interpretation of any ambiguities in this Contract against the party that has drafted it is not applicable and is waived. The provisions of this Contract shall be interpreted in a reasonable manner to affect the purpose of the Parties and this Contract.
- Y. **Employee Eligibility Verification:** The Contractor warrants that it fully complies with all Federal and State statutes and regulations regarding the employment of aliens and others and that all its employees performing work under this Contract meet the citizenship or alien status requirement set forth in Federal statutes and regulations. The Contractor shall retain all such documentation for all covered employees for the period prescribed by the law. The Contractor shall indemnify, defend with counsel approved in writing by County, and hold harmless, the County, and its County Indemnitees, its agents, officers, and employees from employer sanctions and any other liability which may be assessed against the Contractor or the County or County Indemnitees, any combination of the three in connection with any alleged violation of any Federal or State statutes or regulations pertaining to the eligibility for employment of any persons performing work under this Contract.
- Z. **Indemnification:** Contractor agrees to indemnify, defend with counsel approved in writing by County, and hold County, its elected and appointed officials, officers, employees, agents and those special districts and agencies which County's Board of Supervisors acts as the governing Board ("County Indemnitees") harmless from any claims, demands or liability of any kind or nature, including but not limited to personal injury or property damage, arising from or related to the services, products or other performance provided by Contractor, its agents, employees, affiliates or subcontractors, pursuant to this Contract. Administrator in its sole discretion may increase units of Service in Attachment E as a result of a contingency cost increase. Administrator in its sole discretion may decrease units of service in Attachment E as a result of a contingency cost decrease. - i. If Administrator determines that Contractor's failure to provide the required levels of Service poses an immediate risk to the health or safety of the older adult clients who should benefit from Services provided by Contractor, and that the most effective method of protecting the interests of the older adults is to obtain the Services described herein from another source, County may terminate this Contract immediately in accordance with Paragraph K hereof and pursue all available legal remedies for breach of this Contract, including, but not limited to, the return by Contractor of all funds paid by County to Contractor that were not expended in accordance with this Contract.

If Administrator determines that Contractor's failure to provide the required levels of service poses an immediate risk to the health or safety of the older adults who should benefit from services provided by Contractor, and that the most effective method of protecting the interests of the older adults is to require full performance by Contractor of its duties hereunder, County may seek such injunctive relief against Contractor as is appropriate and pursue all other available legal remedies for breach of this Contract, including, but not limited to, the return by Contractor of all funds paid by County to Contractor that were not expended in accordance with this Contract.

- iii. If the level of performance falls below the required levels for the California Department of Aging Standard Contract Terms and Conditions or 95% of the level(s) as specified in Attachment(s) A and E, Administrator may unilaterally reduce the funding available to Contractor under this Contract to reflect the level of service actually provided by Contractor, and may unilaterally make concomitant adjustments in the funding amounts set forth in the Budget Schedule Attachment C of this Contract.
- iv. Administrator may demand, and Contractor shall submit upon demand, a corrective action plan that shall include an analysis of the causes of the problem, specific actions to be taken to correct the problem, and a timetable for each such action. The corrective action plan is to be submitted to Administrator within ten (10) days of the request from County and implemented in the required time frame. If Contractor does not carry out the required corrective action within the designated time frame, County shall have the right, in its sole discretion, to take any, or more than one, of the following actions:
