As a condition precedent to the County's right to institute and pursue litigation or other legally available dispute resolution process, if any, the County agrees that all disputes and/or claims of the County arising under or related to the Agreement shall be resolved pursuant to the following processes. County's failure to comply with said dispute resolution procedures shall constitute a failure to exhaust administrative remedies.

A county, city, district or other local public body, state board or state commission, another state or federal agency, or joint-powers authority shall resolve a dispute with CDCR, if any, through a meeting of representatives from the entities affected. If the dispute cannot be resolved to the satisfaction of the parties, each entity may thereafter pursue its right to institute litigation or other dispute resolution process, if any, available under the laws of the State of California.

Pending the final resolution of any such disputes and/or claims, the County agrees to diligently proceed with the performance of the Agreement, including the delivering of goods or providing of services. County's failure to diligently proceed shall constitute a material breach of the Agreement.

The Agreement shall be interpreted, administered, and enforced according to the laws of the State of California. The parties agree that any suit brought hereunder shall have venue in **Sacramento, California, the parties hereby waiving any claim or defense that such venue is not convenient or proper.**

No provision of this Agreement or act or inaction by the State shall be construed as an agreement to toll the time limits for the filing of claims under Government Code Sections 911.2 – 911.4.

The County hereby represents and warrants that the County is currently and shall, for the duration of this agreement, carry workers' compensation insurance, at the County's expense, or that it is self-insured through a policy acceptable to CDCR, for all of its employees who will be engaged in the performance of this agreement. Such coverage will be a condition of CDCR's obligation to provide services under this agreement.

Prior to approval of this agreement and before performing any work, the County shall furnish to the State evidence of valid workers' compensation coverage. The County agrees that the workers' compensation insurance shall be in effect at all times during the term of this agreement. The following shall be considered evidence of coverage: County may provide proof of self-insurance; a certificate of insurance, a "true and certified" copy of the policy, or any other proof of coverage issued by County's insurance carrier. Binders are not acceptable as evidence of coverage. Providing evidence of coverage to the CDCR conveys no rights or privileges to the CDCR, nor does it insure any CDCR employee or insure any premises owned, leased, used by or otherwise or under the control of the CDCR. It does, however, serve to provide the CDCR with proof that the County and any subcontractors are insured at the minimum levels required by the State of California.

The County agrees that any liability insurance required in the performance of this Agreement shall be in effect at all times during the term of this Agreement. In the event said insurance coverage expires or is canceled during the term of this Agreement, County's insurance provider must agree to give at least thirty (30) days prior notice to the CDCR before said expiration date or notice of cancellation. 20. County Default.

Each of the following shall constitute an Event of Default on the part of the County:

Upon the occurrence of an Event of Default, either party shall have the right to pursue any remedy it may have at law or equity, including but not limited to reducing its claim to judgment, including seeking an award of attorneys fees and costs, taking action to cure the Event of Default, and termination of the Contract.

25. Termination for Immediate Threat

The requirement of written notice and opportunity to cure as provided in Sections 22, 24 and 25 will not apply if the CDCR, in its sole discretion, determines that a County default has occurred, which creates an immediate threat of imminent harm to the safety, health or welfare of the public, employees, CDCR inmates or County Offenders. CDCR 2301 PREA Policy Information for Volunteers and Contractors – Part A

The Prison Rape Elimination Policy for the California Department of Corrections and Rehabilitation (CDCR) is explained on this informational sheet. As a volunteer or private contractor who has contact with CDCR offenders, it is your responsibility to do what you can, within the parameters of your current assignment, to reduce incidents of sexual violence, staff sexual misconduct, and sexual harassment and to report information appropriately when they are reported to you or when you observe such an incident. For purposes of this Policy, the word "staff" includes volunteers and private contractors.

Historical Information

Both the Congress and State Legislature passed laws, the Federal Prison Rape Elimination Act (PREA) of 2003, the Sexual Abuse in Detention Elimination Act, Chapter 303, Statutes of 2005, and most recently the United States, Department of Justice Final Rule; National Standards of 2012 to help prevent, detect, and respond to sexual violence, staff sexual misconduct, and sexual harassment behind bars. It is important that we, as professionals, understand all aspects of these laws and our responsibilities to help prevent, detect, and respond to instances by offenders and staff.

CDCR Policy

The CDCR policy is found in Department Operations Manual (DOM), Chapter 5, Article 44. PREA addresses five types of sexual offenses. Sexual violence committed by offenders against offenders encompasses: abusive sexual contact, non-consensual sex acts, and sexual harassment by an offender. Other sections covered by PREA include staff sexual misconduct towards an offender and staff sexual harassment towards an offender.

CDCR's policy provides for the following:

- CDCR is committed to continuing to provide a safe, humane, secure environment, free from offender on offender sexual violence, staff sexual misconduct, and sexual harassment.
- CDCR maintains zero tolerance for sexual violence, staff sexual misconduct, and sexual harassment in its institutions, community correctional facilities, conservation camps, and for all offenders under its jurisdiction.
- All sexual violence, staff sexual misconduct, and sexual harassment is strictly prohibited.
- This policy applies to all offenders and persons employed by the CDCR, including volunteers and independent contractors assigned to an institution, community correctional facility, conservation camp, or parole.

Retaliatory measures against employees or offenders who report incidents of sexual violence, staff sexual misconduct, or sexual harassment as well as retaliatory measures taken against those who cooperate with investigations shall not be tolerated and shall result in disciplinary action and/or criminal prosecution. Retaliatory measures include, but are not limited to:

- Coercion.
- Threats of punishments.
- Any other activities intended to discourage or prevent staff or offenders from reporting incident(s).

Professional Behavior

Staff, including volunteers and private contractors are expected to act in a professional manner while on the grounds of a CDCR institution and while interacting with other staff and offenders. Key elements of professional behavior include:

- Treating everyone, staff and offenders alike, with respect.
- Speaking without judging, blaming, or being demeaning.
- Listening to others with an objective ear and trying to understand their point of view.
- Avoiding gossip, name calling, and what may be perceived as offensive or "off-color" humor.
