Subject: Addition of Victims Relief Fund Item to the Board's July 19, 2022 Agenda

S29C

Please add an item to the Board's July 19, 2022 Agenda with the following requested actions:

1. Approve the use of an amount not to exceed \$100,000 from the Fourth District's allocation of district discretionary funding for a Victims' Relief Fund that supports victims and their families who were impacted by the July 11, 2022, shootings at 7-Eleven markets in Orange County.
2. Find under Government Code section 26227 that these expenditures are necessary to meet the social needs of the population, particularly in the areas of health, law enforcement, public safety, rehabilitation, welfare, education, and legal services, and/or the needs of physically, mentally, and financially handicapped persons and aged persons.
3. Authorize and direct the County Executive Officer, or his designee, to negotiate and enter into agreements as necessary to effectuate the purposes of this allocation, including, but not limited to, the execution of agreements with fund recipients, as identified by the Fourth District Supervisor.

In accordance with Government Code section 54954.2, prior to considering this item, the Board should first, by a two-thirds vote, find (1) that there is a need to take immediate action on this matter, and (2) the need for action came to the attention of the County subsequent to the agenda being posted.
