Contractor shall immediately notify by mail each of the respective Parties, specifying the date of assignment, the County of Orange as assignee, and the address to which payments are to be sent. Payments received by Contractor from or on behalf of said persons, shall be immediately given to County.

4. CONFIDENTIALITY

- A. Contractor shall maintain the confidentiality of all records, including billings and any audio and/or video recordings, in accordance with all applicable federal, state and county codes and regulations, as they now exist or may hereafter be amended or changed.

consultants, subcontractors, volunteers and interns.

5. CONFLICT OF INTEREST

Contractor shall exercise reasonable care and diligence to prevent any actions or conditions that could result in a conflict with County interests. In addition to Contractor, this obligation shall apply to Contractor's employees, agents, and subcontractors associated with the provision of goods and services provided under this Contract. 6. COST REPORT

A. Contractor shall submit a Cost Report to County no later than forty-five (45) calendar days following termination of this Contract. Contractor shall prepare the Cost Report in accordance with all applicable federal, state and County requirements, GAAP and the Special Provisions Paragraph of this Contract. Contractor shall allocate direct and indirect costs to and between programs, cost centers, services, and funding sources in accordance with such requirements and consistent with prudent business practice, which costs and allocations shall be supported by source documentation maintained by Contractor, and available at any time to Administrator upon reasonable notice.

1. If Contractor fails to submit an accurate and complete Cost Report within the time period specified above, Administrator shall have sole discretion to impose one or both of the following:
 - a) Contractor may be assessed a late penalty of five-hundred dollars (\$500) for each business day after the above specified due date that the accurate and complete Cost Report is not submitted. Imposition of the late penalty shall be at the sole discretion of the Administrator. The late penalty shall be assessed separately on each outstanding Cost Report due County by Contractor.

- B. The Cost Report shall be the final financial and statistical report submitted by Contractor to County and shall serve as the basis for final settlement to Contractor. Contractor shall document that costs are reasonable and allowable and directly or indirectly related to the services to be provided hereunder. The Cost Report shall be the final financial record for subsequent audits, if any.
 - C. Final settlement shall be based upon the actual and reimbursable costs for services hereunder, less applicable revenues and any late penalty, not to exceed County's Maximum Obligation as set forth in the Referenced Contract Provisions of this Contract. Contractor shall not claim expenditures to County which are not reimbursable pursuant to applicable federal, state and County laws, regulations and requirements. Contractor is also obligated to notify County in writing if the Contractor becomes a party to any litigation against County, or a party to litigation that may reasonably affect the Contractor's performance under the Contract, as well as any potential conflicts of interest between Contractor and County that may arise prior to or during the period of Contract performance. While Contractor will be required to provide this information without prompting from County any time there is a change in Contractor's name, conflict of interest or litigation status, Contractor must also provide an update to County of its status in these areas whenever requested by County.

9. DISPUTE RESOLUTION

- A. The Parties shall deal in good faith and attempt to resolve potential disputes informally. If the dispute concerning a question of fact arising under the terms of this Contract is not disposed of in a reasonable period of time by the Contractor and the Administrator, such matter shall be brought to the attention of the County Purchasing Agency by way of the following process:
1. Contractor shall submit to the County Purchasing Agency a written demand for a final decision regarding the disposition of any dispute between the Parties arising under, related to, or involving this Contract, unless County, on its own initiative, has already rendered such a final decision.
 2. Contractor's written demand shall be fully supported by factual information, and, if such demand involves a cost adjustment to the Contract, Contractor shall include with the demand a written statement signed by an authorized representative indicating that the demand is made in good faith, that the supporting data are accurate and complete, and that the amount requested accurately reflects the Contract adjustment for which Contractor believes County is liable.
- B. Pending the final resolution of any dispute arising under, related to, or involving this Contract, Contractor agrees to proceed diligently with the performance of services

- secured via this Contract, including the delivery of goods and/or provision of services. Contractor's failure to proceed diligently shall be considered a material breach of this Contract.
